TECUMSEH GRANGE — Dinner meeting with Mr. and Mrs. Clay Croll and Mr. and Mrs. Russell Schultz on committee.

CONSERVATION LEAGUE — Meeting in Club House on Carson Road.

BOY SCOUT TROOP No. 73 — Cabin 7 p.m.

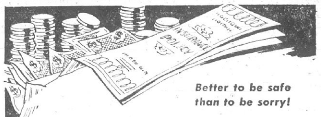
Etiquette of Giving

The tradition and joy of giving gifts are probably as old as mankind itself. Gifts mark special occasions in the lives of everyone — birthdays, graduations, showers, weddings, anniversaries, Christmas and other holidays.

A Gift to Give!
Gloria Wright

There are many things to consider in the "etiquette of giving." What is a suitable gift? How should it be presented? Does the occasion call for a gift? Is it wrapped attractively? And many, many more.

Down-to-earth philosophy and advice about giving, as well as helpful ideas on modern-day gifts are available. One source is a free booklet "A Gift to Give" by Gloria Wright.



Better to be safe than to be sorry!

NOW'S THE TIME TO CHECK

"The Rosacrans Store"

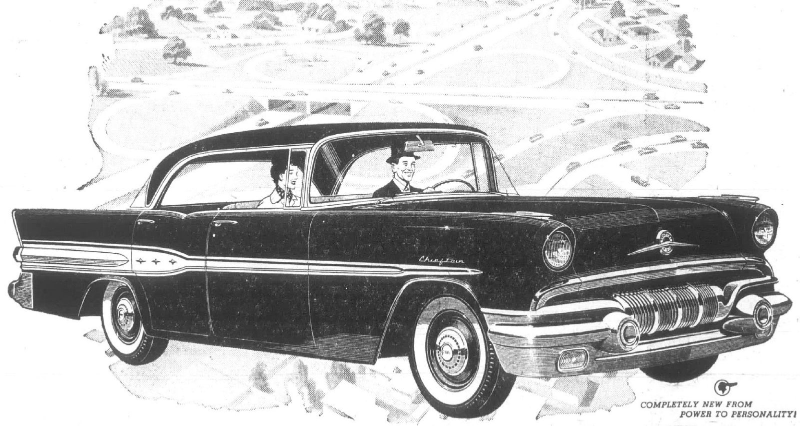
MIGHTY BIG
for such a little price tag!



COMPLETELY NEW FROM POWER TO PERSONALITY!

Actually costs **Less** than a lot of the low-priced cars!

With this king-sized, brilliantly powered Chieftain Pontiac you can set yourself up in grand style at a cost less than many models of the low-priced three! Here's more than 17 feet of clean-cut Star Flight beauty, solidly placed on a full 122 inches of road-hugging wheelbase, and cradled in Pontiac's exclusive cloud-soft Level-Line Ride.

And when it comes to performance, where else but in the Chieftain Pontiac can you get a 10-to-1 compression ratio, 347 cu. in. Strato-Streak V-8, brilliant successor to last year's champ that broke more than 50 performance marks and led all "eights" in miles per gallon?

And this value-packed new Chieftain comes to you proved by a 100,000-Mile Marathon Test Run that would break the spirit of many another far costlier car.

Come in soon and catch up with the car that caught them all napping—even to the low, low price tag . . . and enjoy real big-time driving!

Lowest-Priced Series of
America's Number ① Road Car!

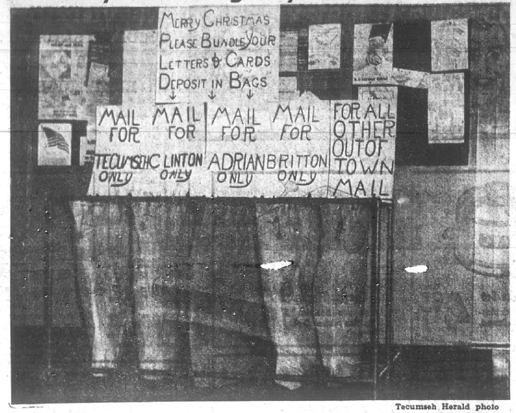
Holiday Mailing System Reviewed

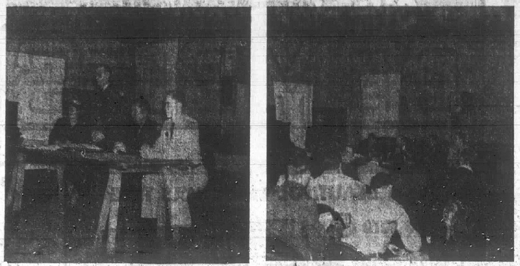


Tecumseh Herald photo

Remember that a new mailing system is to be used for the Christmas rush. The system will start in operation sometime after the 12th of December so be sure and watch for it.

As you can see, there is a special bag for Tecumseh, Clinton, Adrian, Britton and all other out of town mail. Mail is to be sorted by the sender into separate bundles for each of the appropriate bags. By bundling or facing, the post office means to stack mail designated for the various bags in piles with the stamp in the upper right hand corner and tying them. The post office will furnish labels for out of town bundles upon request.

C.A.P. Squadron Commanders Report



The above pictures were taken at a Civil Air Patrol Group No. 17 meeting held last week in the Sage Building. From left to right at the table is 1st Lt. Mrs. W. Sutton, Major W. Sutton, 2nd Lt. H. Nichols and Commander of the Tecumseh C.A.P., 1st Lt. R. Jacobs.

Thirty-five members were present at the meeting and heard reports from Sqd. Commanders from Ypsilanti, Ann Arbor, Monroe, Adrian, and Tecumseh as well as Devils Lake.

Past search and rescue missions were reviewed. Group 17 was alerted for a practice search and rescue mission Sunday morning, December 2nd. The Ann Arbor airport was the communication and command center for this operation.

RESOLUTION

Meeting of the City Council of the City of Tecumseh, County of Lenawee, and State of Michigan, held on the 19th day of September 1956.

Present: Mayor Hanna, Councilmen Swartz, Kelso, Hamilton, Brazee, Purkey and Powell.

Absent: None.

The following preamble and Resolution was offered by Councilman Brazee and Supported by Councilman Swartz.

WHEREAS due application has been made to the City of Tecumseh for a change in the Zoning Law on West Chicago Boulevard; and

WHEREAS the Planning Commission of the City of Tecumseh has recommended that a zoning change be considered.

NOW THEREFORE BE IT RESOLVED:

1. That 17 December 1956 at 8:30 p.m. at the Council Chambers of the City of Tecumseh is designated as the time and place at which opponents and proponents of the following proposal may be heard:

2. That it is proposed to change the zoning classification from Residential A to Business A Restricted on the following described property within the City of Tecumseh:

Commencing at a point in the West boundary of the City of Tecumseh at a point 250 feet South of the centerline of Chicago Boulevard and running thence Easterly and Southeasterly, parallel with said centerline, 1,660 feet, more or less, to the West line of Lot 85, as shown on the Plat of the First Addition to Sunset Meade; thence North, in said West line as extended, 540 feet, more or less, to the centerline of Evans Creek; thence Westerly, along said centerline, 400 feet; thence North 52 degrees West, 360 feet; thence West, 410 feet; thence North, 200 feet; thence West, 530 feet to the Western boundary of the City; thence South, along said boundary, 650 feet, more or less, to the place of beginning.

AYES: Unanimous
NAYS: None.
RESOLUTION DECLARED ADOPTED.

Attest: Naomi Sallows
City Clerk
Dated: 19 September 1956 9-10-11

STRENGTH FOR THESE DAYS from The Bible

For Thou, Lord, wilt bless the righteous; with favor wilt Thou compass him as with a shield.—(Psalm 5,12.)

"Those who love God and obey Him, who worship and glorify Him in all their thoughts and acts, are overflowingly filled with His love and His guidance; they know abundant joy and strength beyond all mortal compare — because the Almighty is with and within them.

LOCAL BOARDS OK PROGRAM

Editor's Corner . . .

By Phil Belleville

The American people are being psychologically readied for war, and there seems to be nothing that can be done about it. Last week I concluded that World War III was not imminent. However, there are no guarantees that it will not happen in the future or for that matter that it is not imminent. This week I would like to point out a fact that to me seems very dangerous for the American people.

As time passes, we are becoming more and more resigned to hating the Russian people as well as their leaders and their power philosophy, and to the inevitability of a showdown. Our government's defense policy is to make our military might so strong that an aggressor would be afraid to wage war against us. This means a large standing army, air force and navy, must be kept indefinitely. It means that a sizeable portion of our population must be employed in the production of military equipment. Most important of all (for my point) it means that every American citizen is directly or indirectly involved in the preparation for war. Some have sons or husbands in one of the services, some work in defense production and all of us pay the bills for a war machine and give up the advantages that could be gained if that part of the national income were diverted to peaceful uses. This involvement, direct or indirect, is one of the biggest factors in the psychological preparation we are undergoing for war.

Perhaps an even bigger factor is the means of communication available to the American people. Foreign relations make headlines and attract readers. Thus they are given more than adequate space in our large daily newspapers, as well as other media. Diplomatic rangling that may mean little to an experienced diplomat usually is very disquieting to the average citizen. Diplomacy of consequence is done behind closed doors but the "daily show" gets to the people and they soak it in.

Thus we find ourselves in a position where the American people do not want war but become more and more psychologically ready for it. Carried to extremes, it could carry us to the point where it could help start a war. When a people are ready for a war, minor incidents become "unprovoked acts of aggression".

We are in somewhat of a dilemma. There is no choice but to materially prepare for a war including a standing army etc. Neither can (or should) the American communication mediums be denied diplomatic developments. (perhaps they could be instilled with more responsibility) Thus we find ourselves in the peculiar position where nobody wants a war but we become increasingly willing to accept a war. I think the real point of concern is that the proper degree of willingness could help cause a shooting war. Hate is an uncontrollable force once it is started in motion. However, it seems a better choice than unpreparedness and unrestrained idealism. It is the only practical way out.

Police Department Reports Busy Week

The Tecumseh Police Department reported considerable activity the past few days.

Raymond Jay Sniffen, Tecumseh was picked up for the Lenawee Sheriff's Department for failure to pay alimony.

December 5, three cars collided, which were being driven by Jerry Barton, Tecumseh, Forrest Bumpus, Britton and Clatus Nichols on the corner of Chicago and Democrat Streets. Nichols was given a summons for failure to have his car under control. Mr. Bumpus received cracked ribs in the accident and was given treatment in Herrick Memorial Hospital.

Capacity Crowd Watches Mort Neff

Tecumseh Herald photo

Nearly a capacity crowd attended the Mort Neff "Michigan Outdoors" show sponsored by the Tecumseh Rotary Club, Tuesday night in the High School gymnasium.

Mort Neff, committee chairmen, and others in the above picture may be identified as follows from left to right: Carless Jones, ticket chairman; James McDowell, president of the Rotary Club; Harold Kelso, program chairman; Mort Neff; Dick Beemer, seating chairman; Ben Haardesty, Casting Champion; and Charles Butler, advertising and prize chairman.

Harold Kelso, program chairman for the event, introduced Mr. Neff, who started the program off with an interesting informative talk about the Michigan deer kill this year. He also gave details about hunting and fishing in general.

A quiz took place when Cecil Alderdyce, Wm. Britton, Richard Dustin and Charles Butler were called to the stage to participate. If they were unable to answer the questions, someone from the audience was called upon to give the correct answer. Prizes were awarded for the correct answer.

Ben Hardesty, seven times National accuracy champion gave a demonstration and instruction on casting. He could lay the plug anywhere he desired. Using a man's arm as a target, he wrapped the line around a wrist watch as approximately 60 ft. He also cut a cigarette in half which was held in the mouths of two men standing face to face.

A drawing was next on the program with the following persons winning prizes: Garry Williams, a pair of skiis; Elwyn Green, a radio; Mrs. Walter Dailey, steam iron; Mrs. Edward Bailey, Scotch cooler; Richard Brighton, pair skates; E. H. McConnell, gas lantern; Mrs. Russell Hall, shirt; Dennis Beemer, hatchet; Ronnie Weyher, boots; Oakley Baxter, blanket; Phillip Fielder, compass; John Mensing, hunting knife; Erwin Marsh, gloves; Jim Bennington, wool socks.

A very colorful and interesting film entitled "Calling All Ducks" was shown for the first time.

The Rotary Club extends thanks to the people of the area for their fine support in making this affair such a fine success and the merchants who donated prizes and furnished them at wholesale. The proceeds of which will go to the "bleacher fund". Proceeds of the show will be between $800 and $900.

Christmas Candy Ready For Santa

Photo by Dixon

Exchange, Kiwanis and Girl Scout members are shown examining the nights work after boxing 2250 boxes of Christmas candy last Thursday night at Whelan's. Santa Claus will give the candy to the children while he is in town from December 17-22.

Santa Claus on the extreme left has a strange resemblance to Russell Garno. Next is Dr. Coak, Kiwanis Club; Wayne Kiser, Kiwanis Club; Wallace Whiting, president of the Exchange Club; Jacqueline Rucker, Girl Scouts; Joyce Wilbur, Girl Scouts; Clarence Keller, Exchange Club; Elmer Bryan, Exchange Club and Jim Artman, Exchange Club.

(See other pictures page 3)

The Exchange Club Held Their Father-Daughter Banquet

The Tecumseh Exchange Club held their weekly meeting this week in the Eagles Hall. It was their annual father and daughter night.

The fathers and daughters were entertained by a ventriloquist as well as pantomime show. Kalene McMunn showed some fine entertainment with her ventriloquist act and Miss Drewyor did a pantomime show.

Last week, the Exchange club heard Marvin Pifer, who drives the Adrian Rural Truck in the winter and tours the auto race circuits in

Principal Explains Harms Of Honor Roll

The Tecumseh Herald has been requested to run the High School honor roll. Upon investigation, we found that the honor roll system has been abandoned in Tecumseh. Principal, Neville Hart, in the following material explains the reasons for abandoning the system.

"About a year ago, upon the recommendation of the Secondary school faculty and the administration the local Board of Education passed a resolution abandoning the publication of an honor roll.

These recommendations were made with the firm belief that the greatest good for the majority of our pupils would be achieved.

While there are arguments in favor of honor rolls, it was felt that there were more and better arguments against honor rolls, when the total school population was being considered.

Following are some of the major reasons for our thinking:

1. An honor roll is not a true comparison since all pupils do not take the same courses. Differences in curriculium choice will reveal differences in the degree of difficulty experienced.

2. Some parents become disturbed because their children fail to make an honor roll.

3. Children of the same family are set against each other because of the failure of one or more to make an honor roll while others did.

4. Some parents experience deep shame when they are told by another "kind" parent that her son or daughter made the honor roll, when theirs did not.

We are aware of the fact that there is a wide range of ability, achievement and aim to be found among students of any age or class group. Since only a small percentage of the total group will be found at the top of the scale, why publish their names as honor roll students when they and their parents already know their status, and, by omission from an honor roll call attention to the shortcomings of the majority of pupils. These pupils may be working to their full capacity and still not earn A's or B's. Are they to be scorned?

Some educators and psychologists insist that comparison of pupils by honor roll success or failure often disturbs the students emotionally, causing some to become discouraged and leading others to assume superior attitudes.

Since the abandonment of the honor roll, there has been no decrease in the quality of work turned out by the students, so apparently the honor roll system was not necessarily needed to spur students on to higher achievement.

Our educational philosophy considers every child enrolled in our school, whether he be gifted, average or dull. Furthermore, we feel that the great majority of our pupils are working to their capacity and that they experience a good measure of success each day. To them, that is more important than seeing or not seeing their name on an honor roll each six weeks.

Mrs. Irma S. Black, college instructor and author of many books about children says, "Let your child see that you are more interested in what he is learning at school than in the grades he gets."

The child whose parents stress basic rather than superficial values will be less likely to be at the mercy of his social group when he is grown-up, or afraid of others opinions, or eager for the "quick buck" or the sharp deal. He will be a happier, more relaxed person. He probably won't always be a winner — but he won't need to be."

Neville L. Hart, Principal
Tecumseh Jr., Sr. High School

District Basketball Tournaments Here

Superintendent Neville L. Hart today announced that the Class B District Number 9 Basketball Tournament would be held in Tecumseh High School March 6-8-9. Participating teams will be Tecumseh, Blissfield ,Milan, Monroe Catholic Central, Bedford Rural Agricultural School and Adrian.

Boy Scout Troop No. 4 To Sponsor Paper-Scrap Drive

Troop No. 4 of the Boy Scouts of America will conduct a paper and scrap drive Saturday, December 29, as a community good turn. Rid your home and business of the fire hazards of Christmas wrappings, boxes, cartons and newspapers and get that scrap iron and metal out of your way for good by giving it to the Scouts when they call at your home.

Money received from the sale of this paper and scrap will be used to purchase equipment and to further promote Scouting activities in Tecumseh.

Fire Chief Cecil Alderdyce said "I am happy to endorse this campaign to be put on by local troop 4. It is in the best interest of community fire prevention and safety at a particularly hazardess time of the year".

Community Chest Board Elected New Trustees

The annual meeting of the Tecumseh Community Chest Board was held Monday evening at 8:00 p.m. at the United Savings Bank. Those present were George Green, Jr., John R. Thompson, Owen Partridge, Jack Osburn, Frank Rice, and Rev. Edward Escolme.

Jack Osburn made an initial report on the 1956-57 campaign and turned in a check for $13,269.25. He will continue to receive contributions and at a later date will present the final report.

The by-laws of the Tecumseh Community Chest Board were amended to increase the number of trustees from eight to nine members. The trustees whose terms have expired at this date are Mrs. Frank K. Smith and Mrs. Richard Preston. The following were elected unanimously for a three year term: Mrs. H. H. Hanna, Mrs. Truman Rentschler, and Mrs. Merlin Downing. The officers were all reelected for the following year's term: George Green, Jr., president; Rev. Edward Escolme, sec.-treas.; Frank Rice, vice president.

In addition to the annual contribution of $2500.00 for the Red Cross, a special contribution of $200.00 was assigned for the current Hungarian relief drive. A request for three pieces of emergency equipment was presented by Police Chief George Kilbourn, director of Civil Defense in Tecumseh. The request was tabled pending further consideration by the Board.

New Recreation Program To Start December 15

The Tecumseh Board of Education and the Tecumseh Recreation Board met jointly Monday evening to discuss matters of recreation field management, future expansion, and use, together with an expanded program of recreation for the children and adults of the community.

Since the school already has planned adult women's and mens' recreation programs as usual through its adult education department and since no further demands have been evident, the school will continue having similar programs during the winter.

A new plan of operation of the intramural program for the children of the community sponsored through the combined efforts of the school and the Recreation Board will start about December 15th and run for approximately ten weeks. Boys intramural basketball games will be played two nights each week in two divisions, junior high (7th and 8th grades) and senior high (9 through 12). All boys attending schools, parochial or public, in grades 7 through 12 in Tecumseh are invited to participate. The high school gymnasium will be used and two games played concurrently with an adult coach for each of the four teams participating and an adult referee for each game. All boys participating will have locker and shower room privileges at night but those not attending the public schools will not have basket privileges for storing clothing between nights as the school facilities are already overcrowded. It is expected that a great deal of interest in basketball will be aroused and that some training in fundamentals can be taught each boy.

The school is already running an intramural program for boys in the fifth and sixth grades throughout the public schools. This program is under the direction of Mr. Carl Hale and operates in the Patterson School gym afternoons after school.

In addition to the programs mentioned above, the Recreation Board and Board of Education are sponsoring Saturday programs of recreation in the high school gymnasium. These programs will provide two adult instructors for boys and two for girls and all children grades 7 through 12 are welcome to participate. Formal basketball games will not be played as the intent is to give opportunities for children to participate in all recreational activities suitable to limitations of the gym. The girls program will operate in the morning 9 to 12 and the boys in the afternoon 1 to 4. Mr. Robert Breniff is the director. Complete information concerning the organization of the program will be announced by Mr. Breniff in the schools this week.

Greeting Issue

Next weeks issue of the Herald will be the annual Christmas greeting issue. If you are not regularly called on by a representative of this newspaper and wish holiday greetings, please phone 476 or 733.

Telephone Directory Is Changed This Year

It was announced today by Mr. O. W. Beagle, Manager of the local Telephone Company, that Tecumseh, Holloway and Britton are to be placed in a telephone directory of their own.

In the past years the Tecumseh Directory has included Blissfield, Dundee, and other surrounding communities. It was explained that due to the growth of these communities, they now warrant a directory of their own. It was also felt that this would minimize confusion and help subscribers locate the desired telephone number quicker.

1957 Band Festival To Be October 1

The tentative date of the 1957 County Band Festival is October 1, 1957, according to director Cameron. The title will be "You Are There".

A new policy will be tried this year. The different band masters can choose their own theme this year rather than have a compulsory one assigned to them.

Legion Members Hear Report On Scout Troop

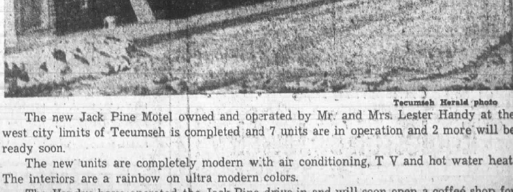
Regular meeting of Underwood-Orr American Legion Post was held Thursday night. Preparations were made for the New Years Eve party. Tickets will be available this week.

Al Curtis reported on the Legion sponsored Boy Scout troop which has held its first meeting with 7 boys attending.

The membership quota as yet has not been reached and members are

(See Legion Members, Page 3)

Jack Pine Motel Ready To Open



Tecumseh Herald photo

The new Jack Pine Motel owned and operated by Mr. and Mrs. Lester Handy at the west city limits of Tecumseh is completed and 7 units are in operation and 2 more will be ready soon.

The new units are completely modern with air conditioning, T V and hot water heat. The interiors are a rainbow on ultra modern colors.

The Handys have operated the Jack-Pine drive-in and will soon open a coffee shop for year around service.

The Tecumseh Herald Social News

Local Topics . . . .

Guests in the home of Dr. and Mrs. Richard Dustin last week were Mrs. Dustin's brother, Mr. and Mrs. Paul Besselievre and son, Paul and daughter Sharon. Mr. Besselievre is the manager of the Black Hills and Bad Lands Association of Sturgis, South Dakota.

Thomas Naser, who is with the Marine Corps stationed at Camp Pendleton, in California is home on a twenty day furlough. He arrived here Monday evening and will be leaving for California, Dec. 29. Also expected home for the holidays is Robert Binns who will be arriving Dec. 21.

Mr. and Mrs. Clarence Hunt were in Addison last week to visit Mr. and Mrs. Earl Derby. On their return trip they stopped in Tipton to visit Mr. and Mrs. William Grigg. Mr. Grigg is now a patient at Bixby hospital where he is having cataracts removed from both eyes. His room number is 216.

Mr. and Mrs. Robert Bonner and son, Bobbie, will be leaving Saturday morning for Florida, where they expect to spend the next three weeks.

Joe Hayden will be arriving home for the holidays Wednesday, Dec. 19. He is a student at Hampden Dubose Academy in Zellwood, Florida.

Mrs. Garth DeLand and daughter Vickie from Fort Wayne have been guests the past week in the home of Mr. and Mrs. Donald Creger.

Mr. and Mrs. Bernard Fero were in Detroit last Saturday to see the Cinerama, "The Seven Wonders of the World".

A number of people from Tecumseh will be attending the Christmas Party given for the children of employees of the Bridgeport Brass Corporation in Adrian. About 1500 children are expected, and it will be held in the Adrian College Gym. There will be a program and gifts for the entertainment of all.

Those from Tecumseh who attended the funeral services for Mrs. Dan Birdsall of Albion, were Mrs. Ralph Comfort, and son Gordon, Mr. and Mrs. Russell Comfort and son, Albert, Mrs. Perry Hayden, Dr. Mary Swan, Mr. Perry Satterthwaite, Rev. and Mrs. Escolme, and Mrs. Elwood Comfort of Holloway, wife of the late Elwood Comfort, brother of the deceased.

Methodist Church Program Is December 23

The Christmas program at the Methodist Church will be held Sunday evening Dec. 23, at 7:30 p.m. The three choirs assisted by the various Sunday School groups will present the program. A potluck supper and rehearsal will be held Saturday Dec. 22, at 6:30 p.m.

The Christmas Party for the children of the Church school up through the Primary department will be held Friday evening Dec. 21, at 7 p.m.

St. Elizabeth Altar Committee Appointed

The December meeting of the St. Elizabeth Altar Society was held last Wednesday evening in the school auditorium with Mrs. Mable Whiting presiding and about 61 members present. It was decided that the Society would hold a bake sale of Christmas goodies next Sunday at the church. The date for the spaghetti dinner was set for March 3, and the altar committee appointed for the month of December was Mrs. Leo Bishop, Mrs. Harry Busch, Mrs. Donald Johnson, and Mrs. James Tressler.

The gym was beautifully decorated for the occasion. Mrs. Ben Hammack was chairman assisted by Mrs. Ed. Golat. Others on the committee were Mrs. Jack Osburn, Mrs. A. J. Phelan, Mrs. Ford Mudgett, Mrs. Robert Sage, Mrs. Francis Prochaska, Mrs. Richard Reffner, and Mrs. Donald Johnson. A choral group sang Christmas carols, accompanied by Mrs. Ben Hammack. An exchange of gifts was made beneath the tree, and refreshments were served.

V.F.W. Auxiliary Christmas Party December 16

The V.F.W. Auxiliary meeting was held Wednesday, Dec. 5, with the senior vice president, Mrs. Earl Krueger, presiding in the absence of the president Mrs. Lloyd Stites. It was reported that two families had been assisted at Thanksgiving time, and announced that the Christmas Party for the Post, the Auxiliary, and the Dad's Post and families will be held Sunday, Dec. 16, at 3 p.m. A potluck dinner will follow the afternoon party, and each family is to bring two dishes of food to pass and buttered rolls, besides their own table service, also a 50c gift for their own child. Coffee and milk will be furnished, Santa will be present, and there will be entertainment for all.

Mrs. Richard Eisennunger will represent the Auxiliary at the polio meeting Dec. 12. It was also announced that the president, Mrs. Lloyd Stites, had issued an invitation to Mrs. Harold Easton, Chairman of the Tecumseh Raisin Council of the March of Dimes, for the "Mothers" to meet at the V.F.W. Home before and after the Mother's March in January.

Mrs. George Downard volunteered to take charge of the plastic tablecloths the Auxiliary now has for sale. Her phone number is 7037-W. Anyone desiring them please contact her. There are 2 size, 79c and $1.00, in all colors and white. After the meeting, refreshments were served by Mrs. George Downard and Mrs. Hazelle Coller and a 50c gift exchange was held.

F. O. E. Aux. To Have Dist. Meet

The F. O. E. ladies auxiliary will hold their anniversary, initiation, and ladies district meeting Sunday, Dec. 16. The meeting will be followed by a dinner and dance, both square and round dancing, with George Pittman and his orchestra from Napoleon. The dancing will be from six until ten p.m., and all members are invited to bring guests.

Diane Woodward In Concert

Miss E. Diane Woodward, daughter of Mr. and Mrs. Andrew Woodward of 126 N. Ottawa, will participate in the annual Christmas concert of the Albion college a cappella choir Sunday afternoon, December 16, at four in the First Methodist church of Albion. Miss Woodward will sing in the soprano section of the choir. She is a sophomore at Albion.

80 People Attended The Holly And Tinsel Breakfast

The second Holly and Tinsel Breakfast was held last Monday morning in the Methodist Church with about 80 members and guests present including several from the Clinton Women's Club and some from the Tecumseh Business and Professional Women's Club.

The buffet table, from which the breakfast was served, was delightfully decorated with mistletoe, holly and tinsel. Upon the red cloth, with tinsel about the skirt, was a beautiful, three tiered, red, Christmas centerpiece made up with brilliant red balls at the bottom, candy canes, and ribbons and red carnations at the top. The breakfast was served on glass snack trays. Mrs. Herbert Temple and Mrs. Fred Marsh poured the coffee, while Mrs. Wilfred Waldron furnished background music at the piano. Mrs. Elmer Harper gave the invocation, and Mrs. Robert Bonner welcomed the guests, and introduced Mrs. John Richards from the Little Theatre Group in Toledo who presented a delightful variety Christmas program. Among the selections were "Christopher Robin's Prayer", a parody on "A visit from St. Nicholas" from the Point of view of a tired department store clerk, an imitation of a TV personality giving her "pitch". She closed on a serious note called "Vespers, Keeping Christmas." Mrs. Richards is a teacher of dramatics besides doing TV and theater work.

Mrs. E. T. Armstrong, executive secretary of the Red Cross from Adrian, was present and spoke briefly on the need to help fill the quota for Hungarian relief. Contributions were taken.

Mrs. Lee Purkey, chairman of the ways and means committee for the Monday Club, Mrs. George Green Sr. and Mrs. Lynn Hubbard were in charge of arrangements for the breakfast. Mrs. Ralph Westgate and Mrs. Earl Wood greeted guests as they assembled.

The Monday Club is adjourning for the Holiday season and will resume their meetings Jan. 7.

Baptist Woman's Society Heard The Bethlehem Choir

The Women's Society of the Baptist Church met Monday evening in the Youth House with a huge lighted Christmas tree in the background. About 33 members were present.

Mrs. Thomas Brooks assisted by Mrs. Steve Maples at the piano presented the Bethlehem choir of about 20 members. The little voices sang delightfully "Merry Christmas," "The Christ Child's Stable," "There's a Song in the Air," and "The Friendly Beasts." Duets were sung by Linda Easton and Lois Handy, Pamela Brooks and Katherine Maples, Maralyn Curtis and Cheryl Heavener, and Joan Langham and Joan Green. Master Dean Kirkland sang a solo. Then the little choir sang "Silent Night," 'What Child Is This?", "O, Ye Joyful People", and concluded with the processional "Joy to the World".

Mrs. Earl Wood led the Christmas devotions telling the story of "The Seventh Birthday of Jesus". The love gifts were received, the group sang carols, and Mrs. Bashore led the prayer.

Mrs. Clifford Curran, president, conducted the business meeting. It was announced that the Mission magazine may still be ordered from Mrs. Lula McConnell and that any one desiring Christmas napkins and candy may have them by contacting Mrs. Floyd Bryan. Mrs. Charles Beland announced the progress of the White Cross quota. The Adults and the Jr. Dept. of the Church school are to bring their gifts wrapped in white next Sunday, Dec. 16. The Primary department will have their white gift presentation and dedication Friday, Dec. 21. The Christmas Cantata presented in candlelight by the Chancel choir will be given Dec. 16 at 7:30 p.m. in the sanctuary. The name of the Cantata is "The Star in the Sky". All members and friends are cordially invited to attend.

Greetings were read from The Baptist Missionary Training School in Chicago, and then Mrs. Eddie Kirkland took her place at the auction block and "pitched" her way through enough goods to net the society $31.00 for Mather School in South Carolina.

Christmas refreshments were served from a beautiful lace covered table, centered with a lovely centerpiece furnished by Mrs. Harold Kelso. Mrs. Kay Monigin and Mrs. Claude Sebring poured. The hostesses for the evening were Mrs. Charles Stevenson, Mrs. R. W. Herrick, Mrs. R. S. Moore, Mrs. Carl Fosbender, and Mrs. Harold Kelso.

W. C. T. U. Met Tuesday Evening

The December meeting of the W.C.T.U. was held at the home of Mrs. Howard Everhart Tuesday Dec. 11. Mrs. Lula McConnell led in the devotions reading from the book of Matthew 2:1-10, Mrs. Florence Van Valkenburg read from Luke 2:1-11, and Mrs. Anna Morse led in prayer. The president gave a resume of the years work, and a thank you card from Naomi Sallows was read. Mrs. Dean Van Valkenburg had charge of the program giving several interesting articles on "What is Prayer" and "Secrets of Prayer", Emma Day read a poem "No Room". The next meeting will be at the home of Mrs. Perry Hayden January 8, 1957.

Ladies Day Christmas Party December 18th

The annual Christmas Party for Ladies Day at the Tecumseh Country Club will be held December 18, at 1 p.m. There will be an exchange of $1.50 gifts, door prizes, galloping geese, canasta and bridge. Reservations are $1.50 and those on committee are Mrs. Donald Cobb phone 350, Mrs. John Tomorsky 536, Mrs. Frank Purcell 522, Mrs. Ralph Helzerman 185-M, Mrs. Harold Kelso 14, and Mrs. James McDowell 896-R. The menu will be roast beef, roast turkey, augratten or candied sweet potatoes, molded cranberry salad, Christmas torte, and Christmas punch. A prize will be awarded for the most attractively wrapped gift.

Family Night will be held each Thursday evening with the dining room open from 6:00 to 8:30 p.m. It is hoped that members will take advantage of this opportunity to get together with their families and friends for dinner once a week. The price for adults is $1.75, and children under 12 $1.00. Please phone 510 for reservations.

Newburg Mothers Hear Horton

The Newburg Mothers Club met at the school and had a very interesting and informative meeting. Dr. Robert Horton of the University of Michigan discussed the health survey and several health problems. Mrs. James Feight presided. The members voted to purchase an inside seesaw and an assortment of records and puzzles. Earl Green, principal of the rural schools, stressed the importance of voting during the coming elections. Following the meeting, refreshments were served by the hostesses, Mrs. Melvin Getz and Mrs. Hal Bates.

Joint Christmas Party Held Sun.

The joint Children's Party of the American Legion and Auxiliary was held last Sunday afternoon at 2:30 p.m. in the Legion Home with about 120 children attending and a number of parents. Cartoons were shown, and good old Santa Claus was present to talk with all the kiddies about how good they are trying to be, and just what their wants are for Christmas morning. Refreshments of Christmas cookies and ice cream were enjoyed as well as candy and pop-corn balls. The children enjoyed a fine social time, and those responsible for their pleasure are Mrs. Donald Woods, Mrs. LaVern Seizert, Mrs. Almond Curtis, Mrs. Barbara Graf, and Mrs. James Rohrer as chairman.

Police Department

(Continued from Page 1)

An accident occurred at 616 W. Chicago Blvd. Dec. 5, when a car driven by Frank-Hickerson, Jr. and another car driven by Dan Williamson came together. Willamson was given a summons for an improper turn and Hickerson was given a sumons for failure to have his car under control. Damages amounting to $600 were done to the Williamson car and about $275 damage to Hickerson's car.

Another accident occurred on N Evans Street, when cars driven by William Frownfelder, Tecumseh and Donald Martin, Tecumseh, collided. About $100 worth of damage was done the Frownfelder car.

December 7, a car driven by Arthur Hodge, Carrollton, Ohio and a car driven by Harold Hammell Tecumseh collided on S. Adrian street. A summons was given Hammell for failure to have his car under control. Mr. Hodge received a cut on the forehead. About $600 worth of damages were done to the cars.

Cars driven by Harold Jeffers, Holloway and John Dunbar, came together on the corner of E. Pottawatamie and S. Maumee St. with about $200 worth of damage being done to each car.

A summons was given Robert Tineon for having no operators license on person. He is to appear before Justice of the Peace Robert French.

Joseph Pennington was served a warrant for speeding in Tecumseh.

Dan Williamson was given a summons for making an improper turn, and Ilene Jones was given a summons for speeding 50 miles per hour in a 35 mile zone.

All of the above are to appear before Justice Robert French.

Assembly Line!

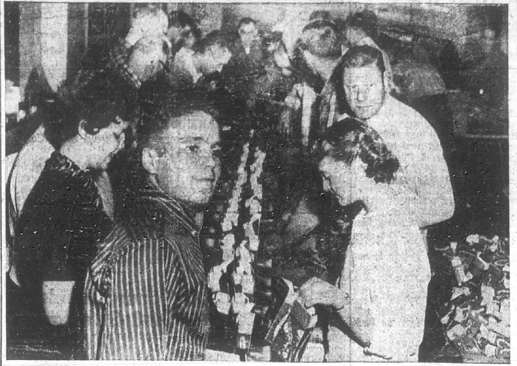

Photo by Dixon

Kiwanis, Exchange and Girl Scout members are shown hard at work filling Christmas candy boxes on an improvised conveyor assembly line at Whelan's last Thursday evening. Joyce Wilbur and Gary Abner are shown on the left. Next is an unidentified Girl Scout and City Manager, Edward Nelson.

Ridgeway P.T.A. Committee Met

A membership committee meeting of the Ridgeway area P.T.A. was held at the home of Mr. and Mrs. John Swick in Ridgeway, Dec. 4. Members present were Mr. and Mrs. James Baker, Mr. and Mrs. John Swick, and Mr. and Mrs. George Dinius. The committee decided to have a representative from each of the seven districts contact each family in the district, distributing membership cards. The seven districts in the Ridgeway Area P.T.A. are Holloway, Kelly, Centennial, Ridgeway, Bird, Macon, and Culbertson. The next meeting of the committee will be held after the regular P.T.A. meeting.

Den Mothers Complete Plans

The Den mothers of Pack 73 met at the home of Mrs. Ben Gillies and completed plans for the Pack Christmas Party which will be held Dec. 17 at the Tecumseh Products Union Hall. At this time, the cubs will present the gifts, that they have earned the money to buy, to less fortunate families in town.

The Pack Committee meeting was held at the home of Mr. and Mrs. Lowell Wise. Plans were made for the Cub Scout show to be held January 12 at the Union Hall. The Cubs of Pack 73 are to sing. They will meet for rehearsal Jan. 3 and Jan. 10. The next pack committee meeting will be at the home of Mrs. Fred Dickinson. The Den mothers meeting will be at Mrs. Stanley Kruse's home.

Explorer Scouts Took Trip

The Explorer Post of Scouts spent the past weekend at Lake Kenesatake near Cambridge Junction. The boys were Jerry Ireland, Jerry Robinette, George Milosh, William Eddinger, Paul Surratt, Richard Stephenson, and Jack Braden. The advisor for this post is Royal Welch.

Services Will Be Friday For Mrs. McCann

Services will be held Friday for Mrs. Charlotte Kent McCann, who passed away Tuesday at 4 a.m. in the Herrick Memorial Hospital. Mrs. McCann was 79 years old, and had been a patient at the hospital for one month following a paralytic stroke which she suffered. She came to Tecumseh from Detroit in September as a practical nurse.

She was born in Dundee, the daughter of Mr. and Mrs. William Prentiss, and was formerly a resident of Tecumseh. She is survived by 2 sons, Gerald M. Kent of Detroit, and Harold J. Kent of Tecumseh, and a daughter, Mrs. Lester Manning of Adrian, and five grandchildren. She was preceded in death besides her parents by her husband, William Henry McCann in 1948, and 2 brothers. The Rev. Edward Escolme will officiate at the services Friday at 1:30 p.m. at the Green Funeral Home. Burial will be in Washtenong Memorial Park in Ann Arbor.

Funeral Services Today For Mrs. Rose Cox

Funeral services will be held this afternoon at 2 p.m. at the Green Funeral Home for Mrs. Rose Cox, 6 years old, and a lifelong resident of Tecumseh. She passed away Tuesday at Herrick Memorial Hospital where she had been a patient for a week after an extended illness. Mrs. Cox was the former Rose McCarbery, daughter of the late James and Kate Waltz McCarbery. She was born in Macon township Dec. 19, 1886. Mrs. Cox is survived by 2 sons, Garth Underwood of Hastings, and Lester Cox of Holloway, a brother, Charles McCarbery of Britton, and 2 grandchildren Janice and Richard Cox.

Rev. O. E. Priest of Britton will officiate at the services. Burial will be in Ridgeway cemetery.

Christian Science Sunday Service

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

Scriptural readings include the following from Isaiah (55:8-11): 'For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (507:25-25): "Infinite Mind creates and governs all, from the mental molecule to infinity."

GIVE A GIFT SUBSCRIPTION TO THE HERALD — They'll think of you 52 times each year.

My Favorite Prayer

SUBMITTED TO

THE LAYMENS' NATIONAL COMMITTEE

BY FRANK R. S. KAPLAN

Chairman, Board of Directors, Copperweld Steel Co.,
Pittsburgh, Pa.

We thank Thee, Oh Lord, for the blessings of this day and for the food which is brought before us. We ask Thy blessings upon this household and all peoples everywhere. Thine is all honor and glory now and forever.

Candlelight Service To Be Held Sunday

The Choirs of the First Presbyterian Church will present their annual candlelight service on Sunday, Dec. 16th at 5 p.m.

The St. Andrews choir will present portions of the "Messiah" by Handel. Other numbers will be "Go Tell it on the Mountain", Carol of the Shepherds", "Bring a Torch, Jeannette, Isabella", and "Lo How a Rose E'er Blooming". Soloists will be Mrs. C. B. O'Neil, Mrs. Arthur Schwartz, Mrs. John Snyder, Mrs. Fred Oberlin, Mrs. Wilbur Boyce, Miss Julia Boyce, Mr. Fred Dickinson, Mr. Arthur Schwartz, and Mr. James Miller.

Westminster and Canterbury choirs will sing the traditional Christmas carols: "Oh Come All Ye Faithful", "Silent Night", "God Rest Ye Merry Gentlemen", and "Oh Christmas Tree". Mr. Jerry Langenkamp of Ann Arbor is director of the choirs.

Former Resident Died Saturday

Word has been received here of the death of Otto Thiel, a former resident of Tecumseh, who passed away Saturday morning at Bradenton, Florida after an extended illness. Mr. and Mrs. Thiel moved to Tecumseh from Dundee eight years ago. Mr. Thiel was employed by the Tecumseh Products Company for 14 years before going to Florida. He is survived by his widow, Grace, 2 sons, in Kalamazoo, and a number of grandchildren. A son and a daughter preceded him in death. The funeral services will be held in Kalamazoo where the body is being returned from Florida.

Producing clean eggs seems to depend more on keeping enough litter in laying house nests and replacing soiled litter or adding clean litter than upon the type of nesting material used, according to tests.

Dairymen advise feeding top quality feeds to dairy cattle early in the barn feeding period. Saving best feed until last may cause a slump in production that will be difficult and expensive to overcome.

Announcements OF CHURCH ACTIVITIES

Men's Club of the Methodist Church—Christmas Breakfast at 7:30 p.m. All men of the church are invited to come and bring their sons, Dec. 16.

GREEN'S MEN'S FURNISHINGS

O.E.S. Regular Meeting Last Wk.

The Tecumseh Chapter of the O.E.S. held their regular meeting last Thursday evening with the worthy matron, Mrs. Ralph Westgate presiding. The charter was draped in memory of Fred Aylesworth who has been a member of the order for 52 years. A letter was read from the grand worthy matron of Michigan explaining the Chapter emergent session to be held January 15 and 16, 1957. Three local delega... ... attend.

All members were invited to help with the Eastern Star Villa Christmas Box by giving canned fruits or jellies which may be left at the Watkins Shop, Rosacrans Store, or at Puffers.

After the meeting, a Christmas program was presented with Mrs. Vera Driffill reading the story of the Nativity, illustrated by carols sung by Mrs. Thomas Gallant. Mrs. Melvin Smith read the story "The First Christmas Tree", after which Mrs. Gallant sang "O Tannenbaum." Melvin Smith gave the poem "Grandma Goes Shopping", and Mrs. Westgate "The Way You Feel Inside". The program closed with the assembled singing "Silent Night", and refreshments were served by the hosts Mr. and Mrs. Dwight Hodges and committee.

Christian Workers Potluck Supper December 14

The Christian Workers of the Baptist Church School will hold a family night potluck supper and talent show on Friday evening Dec. 14 at 6 p.m. in the Youth House. A 30c gift exchange will be held, and the hosts and hostesses for the evening are Mr. and Mrs. Orville Bishop, and Mr. and Mrs. Bernard Fero. Children of the members are invited to present a number on the program.

The Primary 3 Class Party will be held Saturday, Dec. 15 at 1 p.m. at the home of their teacher, Mrs. Francis Packard.

The Jr. Department under the leadership of Mrs. Donald Cobb, Mrs. Steve Maples, and Mrs. Robert Smith will hold a tree decorating party on Dec. 23 at 6:30 p.m. in the Youth House.

At a recent meeting of the Primary teachers plans were furthered for the Christmas program to be presented by the nursery and primary classes which will be held on Friday, Dec. 21 at 7:30 p.m. in the Youth House. The program is under the direction of Mrs. George Van Camp and Mrs. Mildred Griewahn. White Christmas gifts for needy families will be received at that time from nursery and kindergarten children. White Christmas gifts from the Junior, Youth, and Adult groups will be received Sunday, Dec. 16.

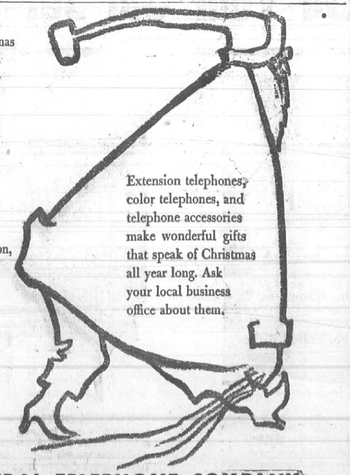
'Twas the day after Christmas
and all through the homes
whole families were happy
with new telephones.

In the workroom for Dad.
The kitchen for Mom.
Sis in her room...
the den is for Tom.

In colors of red—and
bright Christmas green,
they're a pleasure to talk on,
a joy to be seen.



Extension telephones, color telephones, and telephone accessories make wonderful gifts that speak of Christmas all year long. Ask your local business office about them.

James Bowser Won Letter

It was announced by Coach Morley Fraser in the first convocation of the week in the Albion college chapel, that James H. Bowser, son of Mr. and Mrs. Arthur H. Bowser of 1351 W. Monroe Road, won his major letter as a halfback on the 1956 football team. James is a sophomore at Albion.

Let the Herald be your guide for better buys every week. Read the ads, then shop and save.

Junior Bowling League Is Formed

A new junior bowling league is being established for High School boys. Their first meeting was held Saturday morning, Dec. 8, with 59 boys attending. The following officers were elected: Ray Larned, president; Lee Marsh, vice president; Ray Miller, secretary; and John Elliott, treasurer. Mr. Dermont Poley, the boys advisor, spoke to them on the establishment of the League and the methods that will be used to carry on their program. Clifford Preston has offered his cooperation in any way that he is able to assist. Everyone seemed very enthused. If there are other boys interested in the bowling league please contact any one of the above named officers.

Cubs Enjoy Neff

The Mort Neff show was a special treat for cub scouts in Pack No. 4 last Tuesday evening, when the pack provided the reserved seats for the Cubs, their den mothers, and the Pack committee. The cubs went in uniform and a section was reserved for them as a Christmas gift from the Pack.

Say you saw it in The Herald.

Indians Drop First League Match To Hillsdale Hornets

By John Barton

Tecumseh played Hillsdale Friday night, Dec. 8. Tecumseh was defeated in both the Varsity and the J.V.'s games

The Hillsdale Hornets outscored Tecumseh in the first league game for Tecumseh. Hillsdale led Tecumseh through the whole game. Hillsdale was leading by eight points at the end of the first quarter. Tecumseh closed the gap to three points by half time. The Hornets increased their lead by three points in the third period. By the end of the final period, they had pulled away by another 4 points.

Hillsdale had the height and could hit. Dave Granger, and Dave Draggoo, were the two high point men for Hillsdale, Granger with 22 and Draggoo with 16. Granger showed very good ball handling under the basket. Tecumseh might have won the game if they would have hit their free throws. Both teams missed 7 free throws. Kenny Miller was high point man for Tecumseh with 24 points. Tecumseh lost their reserve game 28 to 24.

Score by quarters for the Varsity game.

Hillsdale	15	9	20	11	55
Tecumseh	7	14	17	7	45

Field and Stream

Michigan's need for young trees is growing so fast that nurseries are having trouble keeping up with the demand.

In the last two years, three Conservation Department nurseries have grown and contracted for about 38 million trees. These are used largely for reforestation work, some for Christmas tree production. Private, federal and college nurseries add heavily to this total.

The demand has been heavy enough to push Michigan to national leadership in established reforestation acres. The state was the first in the nation to establish plantations on one million acres of state, federal and private lands. This mark was passed in the last year.

Mostly, the Department's three nurseries concentrate on production of native pines — red, white and jack pines making the bulk of the total production. White spruce and cedar also are grown in quantity.

Higgins Lake nursery is located near Roscommon, Wyman nursery near Maanistique and Hardwood nursery near Boyne Falls. About one-third of the Hardwood nursery production includes 29 species of hardwood trees and shrubs, mostly used for game food and cover plantings on state game areas and in the southern Michigan farm-habitat program.

The increased need for trees is partly caused by expansion of pulp and paper industries, partly by general demands of the state's mushrooming population.

☆ ☆ ☆

With the close of deer season, many hunters are turning their attention to other game—cottontail rabbits, snowshoe hares and bobcats.

Cottontails, primarily a southern Michigan game animal, are legal targets in the southern lower peninsula through January 31, while rabbits and hares may be hunted in the northern lower peninsula and the U. P. through March 1.

The northern lower peninsula's bobcat season will be in effect December 15-March 15. Last year, hunters took about 140 'cats in the state's first bobcat season. In the upper peninsula, bobcats still have a predator status and by be taken at any time of year; 754 were bountied in the U. P. in 1955.

From where I sit ... by Joe Marsh
Just Call Me Cupid
The counter down at Pete's was full yesterday, except for three seats near the end, so I plunked myself down on the middle one.
As I took my first sip of coffee a cute young couple came in—a girl in her early twenties followed by a fellow perhaps a year or two older. Without saying a word, they took the only two seats left—on either side of me.
Remembering *my* younger days, I *insisted* the young man take my seat so's they could be together. He hesitated at first, then finally he shrugged, grinned and said to the girl, "Well, let's make him happy. My name's 'Ricky'. What's yours?"
From where I sit, there was no harm done that time, but *jumping to conclusions* can be embarrassing. In fact, it's sometimes mean and intolerant—like the way some folks jump to the conclusion a man's "wrong" to prefer a glass of beer over another beverage. Lack of facts *coupled* with lack of judgment *introduces* trouble.

Winged Performance and a Floating Ride make The Big M the road-hungriest car ever built

BIGGEST SIZE INCREASE IN THE INDUSTRY—Mercury is now over 17½ feet long, more than 6½ feet wide. Wheelbase is a big 122 inches. Inside there are inches more headroom, leg room—as much shoulder room, for example, as in many of the most expensive cars.
Co-op
3-WAY POWER CHOICE
New 290-hp Turnpike Cruiser V-8—Wait till you feel its silk-and-dynamite performance! Optional on all Montclairs and Montereys.
New 255-hp Safety-Surge V-8 with Power-Booster Fan—A Mercury "first" in the Montclair Series. The engine fan *coasts* when not needed for cooling. You save horsepower other cars waste, enjoy a far quieter ride.
New 255-hp Safety-Surge V-8—Dream-car performance in the Monterey Series—Mercury's lowest priced line! Features another Mercury "first" which you get at no extra cost on all BIG M engines for '57—a Thermo-matic Carburetor. It automatically controls the temperature of the air the engine breathes—helps keep it uniform summer and winter. Engine starting is easier, usable power and economy are increased.
YEAR'S MOST IMPORTANT RIDE IMPROVEMENTS
Exclusive Full-Cushion Shock Absorbers—One of Mercury's great Floating Ride features. The first shock absorbers in the industry to give such amazing bump-smothering control on rough roads without sacrificing a soft, satin-smooth ride on average roads.
New Swept-back Ball-Joint Front Suspension—Mercury introduces a new improved version of its famous suspension system. Because of the new *swept-back* design, the front wheels are now, in effect, pulled gently *over* bumps, rather than pushed into them.
New balanced weight distribution greatly reduces nose dipping on sudden stops and lurching on fast starts.
New road-hugging center of gravity—Everything is lower. Car height, passenger compartment, frame, and rear axle. You enjoy an amazing sense of "nailed-down" stability on curves.
You've got to *feel* Mercury's new Floating Ride to believe it. We Invite you to do just that, today, at our showroom.
STRAIGHT OUT OF TOMORROW MERCURY for '57 with DREAM-CAR DESIGN

POLITICAL DEMAGOGUERY

The Pacific Northwest is and long has been a center of the public-versus-private electric power fight. Some time ago, the Columbia Empire Industries, Inc. — a nonpartisan, nonpolitical group whose sole interest is the economic welfare and progress of the region — appointed a hydroelectric committee. That committee, after lengthy study, has now made its report, and some of the conclusions reached apply to sound power policy everywhere.

It said "all sources of capital" available should be used for needed new power development, and that "local organizations and private industry must be encouraged to undertake as many power projects as possible." Then it made this all-important statement: "This committee feels that it is unfortunate for the over-all economic benefit of the region that political groups have caused great confusion in the minds of many of our citizens. The use of such a phrase as 'give-away' is political demagoguery. No public facility can be given away."

The phony "giveaway" issue has been manufactured by groups which want a tax-subsidized federal power monopoly, and are perfectly willing, through their blockading tactics, to bring on severe power shortages if they can't have their way.

Finally, what the Columbia Empire Industries committee urges is, to all intents and purposes, the partnership plan of hydroelectric development, in which the federal government, local government, and private enterprise all play roles as needed. This is one way to get maximum results in the quickest possible time — and at the least cost to the taxpayers.

☆

FALLACIES AND TRUTHS

Reader's Digest has printed an article, prepared by the American Economic Foundation, on a number of widely held economic fallacies.

One fallacy is that "government has something to give the people which it does not first have to take away from them." The truth: "Government is never a source of goods. Everything is produced by the people, and everything that government gives the people it must first take from the people. Government benefits are raised through taxes . . ."

Another fallacy is that ". . . the workers of any nation can improve their welfare by increasing their pay without increasing their production." The truth: "Because wages are the principal cost of everything, wage increases (without corresponding increases in production) simply increase prices and do not improve the welfare of the worker."

Still another fallacy is that "the owners of industry get the lion's share of the product and the workers get only the crumbs." The truth: "The amount of the product of all industry that goes to the workers is about 90 per cent. The amount that accrues to the owners of the tools (investors) is about 10 per cent. Yet the tools do more than 95 per cent of the work."

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It is quite possible that in the new Congress there will be quite a different attitude toward foreign relations.

* * *

The foreign aid programs for one thing, which have soaked up billions in American taxes, will be subjected to a long hard look. It is also quite possible that a close scrutiny will be given the United Nations.

C. W. Harder

* * *

Action by England and France in proceeding with armed might against Egypt without UN sanction could well have great reverberations on Capitol Hill.

* * *

In fact, it rankles in many quarters that these two nations, supposedly standing shoulder to shoulder with the U. S. in holding down uprisings, pulled a sneak punch.

* * *

Two of the nation's most influential senators have already expressed doubt over continuance of foreign relations on the same old basis.

* * *

Sen. William George (D., Ga.) feels Anglo-British action will cause the end of NATO. Sen. William Knowland (R., Cal.) feels it means the end of the United Nations.

* * *

Neither of these Senators, it should be said, look with favor on Egypt's Nasser. But the resort by individual nations to armed force perils the peace of the entire world.

* * *

Yet, despite the fact that England and France have been the heaviest recipients of the $70,000,0000,000 in foreign aid extracted from American taxpayers, they refused to heed the requests of Washington not to start a shooting fracas. It is probably a tribute to American integrity that they started shooting without letting this country know in the knowledge that if America had known their intentions in advance, a protest would have been registered.

* * *

The nationwide membership of National Federation of Independent Business has on several occasions voted to curtail foreign aid expenditures.

* * *

While perhaps some have taken this to mean that the nation's independent businessmen are isolationist, or against spending money for the promotion of peace, these opinions have been grossly in error.

* * *

Independent businessmen, operating at the grass roots level, have a sense of direction often lost in the rarified atmosphere of bureaucracy. Thus, they know that nothing is accomplished by bribes or blackmail, whether it be securing new customers, or securing the peace.

* * *

And it is ironical that arms bought with American gifts to preserve the peace were used to breach the peace.

* * *

Thus, many bureaucrats feel that England and France played a dirty trick on the U. S. . . . kind of a biting the hand that feeds them on a multi-billion-dollar scale.

* * *

But along the Main Streets of America it was expected. This Main Street sentiment, long ignored by Congress, will be hard to shunt aside in the coming session.

Does Bad Climate Cause Colds?

No, colds occur in widely different climates at about the same season. They affect about the same percentage of people in one region as in another. Apparently the greatest contributing factor is the change to indoor crowding, especially in schools, during the winter months. Children acquire and transmit the disease more readily than adults.

Your doctor can give you advice which will do much toward protecting you from colds. When your physician writes you a prescription, bring it to us for filling.

"I've got a job for you," said Ralph Townley, a prominent local citizen, as he entered our office. "Yes, sir, you've got to spare me a little time and help me out."

My heart sunk. I tried to think up a quick alibi since I "knew" Ralph meant I should head a civic committee or fund drive. And, I really did have plenty else to do.

"Now relax," said Ralph with his infectious grin, "I merely mean you've got to sell our house."

"It'll be a pleasure," I replied with a smile. "How come? Are you leaving Tecumseh?"

Ralph nodded. "Yes, we've bought a business in another city. We have to take over within 60 days. Do you think you can sell our house in that time?"

"We've sold many others in less time," I replied, "so your assignment shouldn't stump us. We'll inspect it and get started on it yet today."

"Fine," Ralph replied, "good luck!"

Within a few weeks, we sold Ralph's house.

"I'm glad you took that worry off our mind," Ralph said.

"We're pleased too," I replied.

May we SELL your property?

Harold Kohler was painfully injured Friday while operating a joiner at work. Two fingers of his left hand were injured.

Mr. William Grigg is a patient at Emma L. Bixby Hospital and is recovering satisfactory from eye surgery performed last Friday. Further surgery will be performed this week.

F. And A. M. Lodge No. 69 Picked Officers

The annual meeting of the Tecumseh Lodge No. 69 F. and A. M. for the election of officers was held Friday evening at the Masonic Temple. The following slate of officers were unanimousely elected to serve for the coming Masonic year: worshipful master, Stanley G. Miller; senior warden, LaVern Russell; junior warden, Donald LaBounty; treasurer, P. M. Kenneth O. Hall; secretary, P. M. Fred Dickinson; senior deacon, William Davenport; junior deacon, Billy J. Wiley; steward, Duncan E. Oliphant; steward, Thomas J. Rutherford; steward, Robert Beevers; steward, Lewis Greenman; marshall, William P. Snook; chaplain, emeritus, P. M. Howard Wilson, Sr.; chaplain, P. M. Jack Puffer; tyler, emeritus, John H. Smith; tyler, E. H. McConnell.

A semi-public installation of officers will be held Friday, December 14, at 8 p.m. in the Masonic Temple. Installation ceremonies will be conducted by the Past Masters Team of Monroe Lodge No. 27, F. and A. M. Wives, families, and friends are all cordially invited.

Lenawee County Democrats To Hear Treasurer

The Lenawee County Democratic Club will hold its December meeting at the Eagles Hall in Tecumseh at 8 p.m. Thursday, Dec. 13.

State Treasurer, Sanford A. Brown, has accepted the invitation of the club to be its speaker and will talk on Financing State Government. Mr. Brown, who is 47 years old and the father of two sons, started out as a dairy farmer but has had a variety of business experiences. His home is in Bay Port, Michigan, here he is president of the Board of Education, Chairman of the curriculum committee of the Huron County Area, and was organized of the Bay Port Chamber of Commerce.

Robert Siedel of Clinton, who is a Clinton High School Teacher, is president of the Democratic Club and will be general chairman of the meeting.

Mr. and Mrs. Robert MacClean of Tecumseh and Mr. and Mrs. George Young of Clinton will be hosts for the coffee hour which is to follow the serious side of the meeting.

The public is invited to this meeting.

Is Diphtheria Going To Stage A Comeback

Before 1890, diphtheria struck fear in the hearts of all parents. The disease killed thousands of children each year; often three or four in a family died in a few week's time. As routine diphtheria immunization became more and more practiced in the United States the death rates dropped sharply. While as late as 1921, Michigan alone recorded 12,075 cases of diphtheria, 954 of which resulted in death, by 1955, there was only one death per million people in the United States.

But natural immunity has fallen off through the years to the point where many adults are now susceptible and children, in close contact in schools, are, of course, wide open to infection unless they are inoculated. Already 114 cases have been reported in Michigan, as compared to 47 at this time last year, and while Lenawee County has so far been free of diphtheria, the County Health Department continues to urge parents to check with their family physicians to make certain that their children are protected properly. Do not neglect your child!

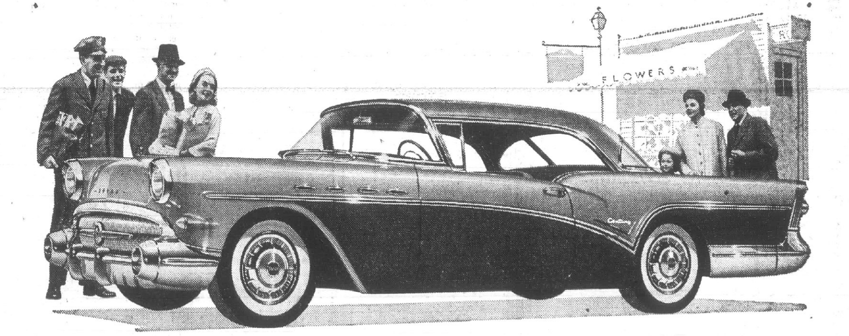
If you will come in we will be glad to show them.

"The Rosacrans Store"



What's it Got that Everyone's After?

We figured folks would go for the '57 Buick—and big.

But we sure didn't figure *this*—the most rousing reception we've ever seen in all our years of selling new Buicks.

We're getting more enthusiastic talk—along with the signed orders—than ever before. And, neighbor, if you want to know *why*—listen:

This '57 Buick has that sleek low-sweep styling that today's moderns want—and it's here in extra-long measure, in the *lowest* Buick yet.

It has the room they want—for Buick's new wide-frame chassis permits a sports-car silhouette with *more* interior roominess than even last year's spacious Buicks.

It has newness everywhere, and newness that's *wanted* ...

A smart new panoramic windshield of vaster dimensions and greater visibility.

The sweet, solid surety of a new "nested" ride. A brilliant new handling and cornering and levelized braking that come of an ingenious new ball-joint suspension. It even has the modern answer for today's driving—a new Safety-Minder* that watches your miles-per-hour for you.

But even more important, this rakish sweep of automobile has a new kind of *instant* response—and that's the biggest reason for the soaring popularity of the newest Buick yet.

For here is performance—smooth as spun silk—unleashed by a totally new V8 engine 364 cubic inches big, and with the highest compression, torque and horsepower in Buick annals.

And here, to deliver that might, is the power-pitch action of an advanced new Variable Pitch Dynaflow.* A Dynaflow of such instantaneous obedience, such smooth and versatile control in "Drive"—the need for "Low" is virtually ended.

In all truth, you've never bossed a car so keenly alive, so smooth in motion, so solid in feel. It's ahead of its time, ahead of the industry—even ahead of your great expectations.

Come check up on all this for yourself. Come drive this shoulder-high sweetheart with the strong he-and-she appeal. Come be our guest—*today*.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.*

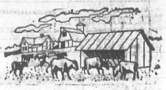
NEWS OF THE FARM



Lenawee Co. Agricultural Agent's Column - - - - -

Plan to buy more chicks for laying flock replacements this winter and spring, suggest agricultural economists.

They believe that laying flocks will be more profitable during the year starting in September 1957 than in the season immediately ahead, according to Clayton C. Ingerson, Ass't Lenawee county agricultural agent.

The economist predicts that prices for this winter and spring will be about ten per cent lower than in the same period of 1955. He expects an over supply of eggs—an oversupply laid by the large number of chicks hatched in the first eight months of 1956.

Low prices will keep some poultrymen from buying a large number of chicks for laying flock replacements. Hence, egg supplies will be lower and prices higher in the fall and winter of 1957-58.

Turkey prices should also go up in the fall of 1957. Because the turkey-feed ratio for the past fall marketing season was relatively low, fewer turkeys will be raised next year.

Economists suggest that broiler raisers who produce four lots per year should figure on marketing in January, April, July, and September. If only three lots are to be raised, March, June and August may be best.

About 20 per cent more broilers were raised in 1956 than in 1955. Placements in 1957 are expected to be 5 to 10 per cent greater than those of the present year.

☆ ☆ ☆

The Michigan farm price of wheat should be at or slightly above support prices during the first half of 1957. This is the report made by agricultural economists according to George K. Dike, District Marketing Agent.

Michigan prices will be helped by the fact that soft red winter wheat is in lower supply than at any time since 1951. Stocks on hand this summer were lower than in 1955, and 1956 production was down 23 million bushels from last year.

If farmers complied with acreage allotments, it is suggested that they place excess corn under loan. If they did not comply, storing for later sales is advised only if the early winter price of No. 2 corn is below $1.25 per bushel.

Fall and Winter Bring Increased Disease Threat

The American Veterinary Medical Association warned poultry raisers this week that we are now in the season when the poultry disease, fowl leukosis, is usually most evident.

Reliable estimates from veterinary authorities indicate that about 15 per cent of all poultry flocks in the United States may be infected with this disease to some degree. Losses amount to millions of dollars each year.

Fowl leukosis is caused by a type of virus called an ultra-microscopic agent, the Association says. It may appear in about half-a-dozen different strains, each of which produces different symptoms. It was first discovered in 1907, but it wasn't until 1934 that veterinary research workers proved there were several different strains.

In most cases the disease is transmitted from one generation to the next through the eggs. It can also be transmitted from bird to bird, or by contaminated liter and feeding equipmen.

Conrol measures suggested by veterinary authorities include raising chicks away from old birds and old poultry houses; and a rigid culling program aimed at removing infected carrier birds, the association says.

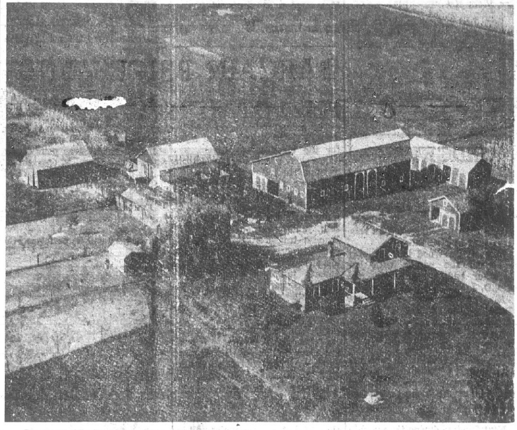
Mystery Farm Belonged To I. D. Mehan



Last week's Mystery Farm is located 1/2 mile North of the Adrian Grange Hall. It is owned by I. D. Mehan who has lived there for the past 14 years. The farm was purchased from a Mr. Wesly in 1942.

Mr. Mehan married his wife Emma in 1912. They have eight children. They are Lillian who is now Mrs. Raymond Rohrback of Blissfield; Franklin who lives at Rome Center; Lucile who is Mrs. Fred Spegal of Blissfield; Ardis who is now Mrs. Ivan Simpson of Lyons, Ohio; Louise who is now Mrs. Otto Byer who lives at home; Anna Rose who is now Mrs. Donald Wells; and I. D. Mehan Jr. of Deerfield. They have nine grandchildren. When everyone is home, they have about thirty people at the table.

In recent years, the house has been remodeled, a barn has been torn down, a covered barn yard has been built as well as a hog house and a corn crib. The Mehans belong to the United Brethren Church in Adrian.

They engage in general farming. The principle crop is corn. Mr. Mehan fertilizes by spreading 200 lbs. of lime to the acre. Livestock consists of Poland China hogs, and 10 head of Holstein milking cows.

Mr. Mehan states that he plans to stay on the farm and likes it because he is his own boss. However he adds that the high cost of living is hard on the farmer.

Larger Egg Cartons May Boost Sales

Packaging eggs in containers holding more than one dozen would provide a service to consumers and perhaps sell more eggs for the individual producer.

It is reported that a survey of central Michigan families showed that they bought 80 to 85 per cent of their eggs in lots of two dozen or more.

Other suggestions for improving egg cartons are: Use pleasant and attention-getting color combinations. Let the consumer see the eggs.

Disease Of Bees In State At New Low Says Ag. Dept.

The health of Michigan bees, which pollinate about $50 million worth of fruit, melons, cucumbers and seed crops each year, is the best it has ever been according to State Apiarist [illegible] the Michigan Department of Agriculture's division of agricultural industry.

The Department reported a new low record in the incidence of disease in its statewide bee disease control program. At the conclusion of the 1956 inspection season it was found that only 1.7 per cent of the 80,555 colonies of bees inspected were infected with American foulbrood. This is the lowest infection yet recorded.

Several diseases affect honey bees, but American foulbrood is by far the most serious. It kills the brood or developing baby bees. If not controlled, the disease can spread rapidly from apiary to apiary.

Michigan honey bees usually produce from 9 to 12 million pounds of honey and from 150,000 to 200,000 pounds of beeswax annually. [illegible] of these two products is close to $2 [illegible]. Cool weather in much of the state last summer reduced the state's honey crop to about half of normal.

Barrett estimates that honey bees pollinate more than 428,000 acres of crops. This indirect benefit is worth far more than the $2 million honey and wax produced.

In 1956 all counties received township wide inspection except four in the Upper Peninsula and one in the lower where there are no known apiaries.

Farmers To Get Better Seed

Crop improvement associations throughout the country have set their goals toward getting more seed of a higher quality to farmers in less time.

To reach this goal, the associations are urging closer cooperation among the groups engaged in seed production and distribution.

It is pointed out that seed producers, crop improvement associations, agricultural extension workers and seed dealers are all being urged to work togetherf to speed the process of getting new and improved varieties to the farmer after their development at experiment stations.

—o—

Circle Three Met Last Week

Circle 3 of the Presbyterian church met recently at the home of Mrs. Ben Gillies with Mrs. Douglas Murdoch, Mrs. Robert Williamson, and Mrs. Ethel Hammack as cohostesses. Mrs. Robert Reese led the devotions, and a collection was taken as a Christmas offering and will be sent to a mission school. The Circle is still selling candy. The next meeting will be held Jan. 8, at the home of Mrs. Earl Baldwin.

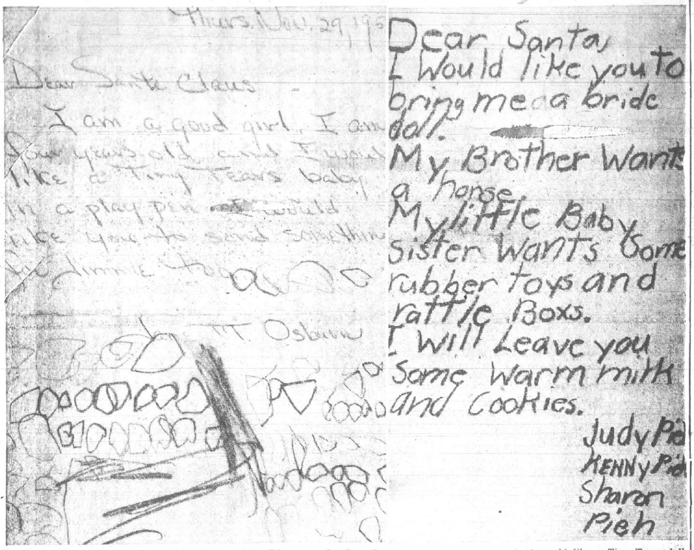
Letters Received By Santa Claus



Thurs. Nov. 29, 195

Dear Santa Claus

I am a good girl. I am four years old and I would like a Tiny Tears baby in a play pen. I would like you to send something for Jimmie too.

T Osburn

Dear Santa,
I Would like you to bring me a a bride doll.
My Brother Wants a horse.
My little Baby sister Wants Some rubber toys and rattle Boxs.
I will Leave you Some warm milk and Cookies.

Judy Pieh
KENNy Pieh
Sharon Pieh

Dear Santa Claus
I want a bow and arrow, and a case for the arrows.

Bring a Tiny Tears Doll for Becky and Teri.

Mark Ries
Rt. 2
Tecumseh.

Dear Santa,

I am 5 years old and my name is Dennise Ivan. I would like a dolly, a record player, and a bubble gum bank. Don't forget to leave something for my sister Dianne or she will probably cry. I-love-you, Santa,

Dennis Ivan
Britton, Mich.

Dear Santa:

I've tryed to be a good boy this year and hope you can bring me a fire engine, cement mixer and roller skates and a red wagon and maybe a tricycle.

I hope you have a good trip on Christmas Eve.

Love David Koelbel

Dear Santa,

Would you please bring me a Betsy-Wetsy doll, a toy store, a toaster, a painting set, a toy refrigerator, a big stuffed dog with a tail that squeaks.

I have been a very good girl all year.

I am six and I go to first grade at the Baptist church.

I have a friend Sharon Koons.

Joyce

Dear Santa,

I would like a Tiny Tears doll, a big stuffed doll that squeaks, a Majorette suit, a stuffed monkey with cymbols, and a pair of ice skates.

I am six years old and I have been a very good girl all year.

I would like a cowgirl suit.

Jill

Dear Santa,

I would like a Revlen doll, a clock machine, Beat the Clock game, talking robot, sewing machine, my name

Kathy Weakly

P.S. I have been a good girl. I am 8 years old.

Dear Santa

I want a bride doll and a game and a slinky worm and puzzles. I love you. My sister would like the same thing.

Thank you.
Cathy and Dorrie

Dear Santa.
I am a good boy.
I am 5 years old.
I want a lantern.
I want a Airplane,
I want a Gas station.

Jerry Randolph
1207 Russell Rd.

Dear Santa
I want a Doll.
I want a Talking phone.
I'am 3 years old.
I'am a good girl.

Brenda Jean Randolph
1207 Rusell Rd.

Dear Santa,

I want a little Ginger doll, Nurse-et, Pink sweater, a ring and a necklace, and a Micky Mouse camera. I 'am 5 years old and in Kindergarten.

Love
Barbara Linger

Dear Santa,

For Christmas I want a Doctor Kit and Piano and Pool and a real pupy.

I don't want a doll because I have a new one.

Cheryl Lynn
Aebersold

Dear Santa,

I'm trying to be a good girl so you'll come to my house Christmas Eve.

Please bring me a big baby doll and a little bride doll, some new slippers too as my old ones are too small. If you have any extra little washing machines left I'd like one of those too.

Bye-bye Santa

I love you—Linda Lask

P.S. I'll save you a peanut butter and jelly sandwich.

Dear Santy

I'm Lindas little sister and want a dolly like she wants.

I love you too—Cathy Lask

P.S. Don't forget by baby brother Scotty.

I wood like a new bike and a new flashlight and a new cow boy suit and hat and a new train and a new basketball and a doll for my baby sister.

Britton Wins Thriller By Swamping Aggies 44 - 33

BY FRANK PROCHASKA

The Britton's Tories did it again, in their first Tri-County League game, by beating Sand Creek 33-44 in a cage thriller, last Friday night at Britton. Britton now boasts a 3-0 record, with two of the games being non-league contests.

In the first 2 quarters of play, the Aggies held a good lead, with the score at the end of the first half in their favor 13-17. The second half was a different story, for Britton came back a stronger, more accurate team. At the end of the third quarter, Britton held a slight 2 point lead.

In the last period, Britton, sparked by Karl Kimerer and Jim Kniffen, outscored Sand Creek 15-9, to win with a final score of 44-33.

Kimerer was Britton's top scorer, with 12 points, with Kniffen following up with 9 points. Cowell came through with 10 points for the Aggies.

The Little Tories were swamped by the Aggies younger squad, 43-27, in the reserve game.

Britton Weekly News And Guide . . .

MRS. THERESA CHEEVER, CORRESPONDENT

Circles Reorganized And New Officers Were Elected

The Women's Fellowship of the Congregational Christian Church held their annual meeting in the fellowship center with a potluck dinner at noon.

Mrs. Priest had charge of the devotions. The theme was "Christmas in Africa with Albert Sweitzer". A very interesting paper was given on Stewardship by Mrs. Earl Taylor.

The new officers are: President, Mrs. Glen Gripton; Vice President, Mrs. Fay Wiggins; Secretary, Mrs. Ed Rodgers; and Treasurer, Mrs. Douglas Fairbanks.

Christmas boxes for shut-ins will be packed at the church December 21. The chairman of the committee is Mrs. Viva Brown. Please have donations at the church that morning.

The circles, after two years, were reorganized and the officers elected for each one are: Circle 1 (Sunshine), President, Mrs. Leonard Rammage; Secretary, Mrs. Rodger Gillespie; Treasurer, Mrs. Stanley Smith.

Circle 2 (Mary Martha), President, Mrs. Harold Rohrback; Secretary, Mrs. Dora Benedict; Treasurer, Mrs. Laurence Hoagland.

Circle 2, President, Mrs. Earl Taylor; Vice President, Mrs. Jack Davis; Secretary, Mrs. Viva Brown; Treasurer, Mrs. Lee Keeling.

Circle 4 (Priscilla), President, Mrs. Loren Dicks; Vice President, Mrs. Charles Patterson; Secretary, Mrs. Howard Heiden; Treasurer, Mrs. Elwood Tucker.

o

Britton Local

Mrs. Clyde Brown returned home Friday from Ann Arbor where she had been spending a few days with her daughter, Mrs. Robert Goetz and family. Thursday evening they attended a Cooking Demonstration, at the Michigan Consolidated Gas Company.

Book Week Was A Success

Mrs. Anne Fairbanks, Britton librarian, reports that Book Week closed successfully at the Britton Branch Library. The school classes attended on Monday. A total of 400 children and adults visited the library during the week.

Miss Jeanette Roberts, Librarian from Adrian, gave book reviews and instructions in joining the library to the classes that attended.

Second Period Honor Roll Announced

The honor roll for the second six-week marking period at the Britton-Macon High School is as follows:

Seventh grade—Rebecca Austin, David Bailey, Caroll Barrett, Sandra Bentley, Carl Cross, Larry Himmel, Kenneth Ivan, Lynn Koczman, Donna Miller, Janet Papp, Sharon Smith, Sharon Watkins and Susan Palmer; eighth grade — Nancy Brown, Linda Schober, Richard Seagert, Joanne Smetka and Kathleen Studnicka; ninth grade — James Barnoske, Pat Eberhardt, Nancy Ehlert, Larry Ivan, Karen Millyard, Mary Ruhlig and Caroline Scott;

Tenth grade — Karen Condit, Karen Cook, Judy Hawkins, Janice Ivan and Kay Miller; 11th grade — Arlyne Banks, Gayle Bottorff, Barbara Brown, Barbara Bryant, Linda Kanous, Emilie Korican, Katie Lewis, Richard Palmer, Marie Short and Kay Spohr; 12th grade — Mary Becker, Betty Hawkins, Frank Prochaska, Dianna Seagert and LaMar Spohr.

There are 22 pupils on the honorable mention list.

o

Cafeteria Report Shows 19,453 Lunches Served

Mrs. Nellie Barrett, cafeteria manager at the Britton-Macon area school reports a total of 19,453 type A lunches were served to the students and teachers during the first three months of the school year (September, October and November).

The milk consumed during the same period was 33,437 one-half pints. The total of 58 days makes an average of 334 lunches each day and an average of 576 one-half pints of milk each day.

On the above program, besides Mrs. Barrett, giving full time is Mrs. Arlene Weyher. Part time personnel are Mrs. Jane Younglove and Mrs. Wilma Griewahn. Several students assist during the noon hour.

o

Mrs. C. Fairbanks Honored Wed.

A cradle shower honoring Mrs. Charles Fairbanks was held Wednesday evening at her home. Thirty-five friends and relatives were present. "Progressive Peanuts" was played for entertainment. Many lovely gifts were received. Refreshments were served by Mrs. Lauren Gall and Mrs. Wendell Frear.

o

Britton I.O.O.F. Elected Officers Last Week

The Britton I.O.O.F. met Thursday evening with Noble Grand, Bud Lorenz, presiding. There were 25 officers and members present. Second nomination and election of officers was held. New officers elected to be installed in January are: Noble Grand, William Smith; Vice Grand, Edward Zich; Recording Secretary, Andrew Crutchfield; Financial Secretary, Charles Anspach Sr.; Treasurer, Bud Lorenz; Trustee for three years, Martin Ivan Jr.

It was voted that the Odd Fellows join the Rebekah Lodge for a Christmas party on Thursday evening December 20. A 25c gift will be exchanged.

After the meeting an oyster stew supper was served by Bud Auten, Andrew Crutchfield and Emil Korican.

o

Justice Reports Violations

Justice of the Peace, Merle Spence reports the following traffic violations, fines and costs paid in Justice court in Britton.

Douglas E. Daykin, Britton, Disregarded a stop sign, $10.00.

Andrew W. Hahn, Toledo, Ohio, Exceeding truck speed, $10.00.

Stefan E. Jechum, Toledo, Ohio, Exceeding truck speed, $10.00.

Loreen Diedrick, Onsted, Mich., Failure to have car under control, $14.30.

American Workers More Concerned With Status

American seeks social status in their jobs, while in Italy the money is most important.

This fundamental difference was revealed by Dr. Henry Clay Smith, asociate professor of psychology at Michigan State University, who was a Fulbright research professor in Italy the past year. Dr. Smith used a job-satisfaction questionnaire in Italian industry, probably for the first time, to obtain material for comparison with a similar U. S. study done earlier. There are about twice as many highly satisfied workers in the U. S., the survey revealed, and three times as many Italians were actively dissatisfied.

Howard E. Trier, also of the M.S.U. psychology department, made a 1954 study in Michigan and found that social status of the position—how high the job rates in the eyes of society—is the most important factor in job satisfaction. Trier also found that older workers were more content than younger ones, and women far more satisfied with their work than were men.

In the Milan area, where Dr. Smith made his Italian study, there was little difference in job satisfaction between men and women, or between old and young. The important fasctor was income. "The American worker," Dr. Smith explained, "is no longer concerned with where the hamburger is coming from, but how to obtain status in group. In Italy the workers are still concerned with obtaining the basic needs of life."

CIVIL AIR PATROL
USAF AUXILIARY

Fifteen years ago the world was smouldering with the beginnings of a second world war. Poland and France had been invaded by the Nazi hordes. The British were fighting for their lives in a desperate air battle.

Burma, Singapore and much of the East Indies had fallen to the Japanese. In this country we were girding for a production battle. The United States was to become the arsenal of the world — or so we thought.

Seeing the "hand writing on the wall," a group of prominent private pilots and aviation enthusiasts began organizing here at home for the tasks they felt would be required of them. They called themselves the Civil Air Patrol and were prepared to volunteer their services and the use of their private planes for vital war work—courier service, light transportation and search and rescue.

Just six days before Pearl Harbor Fiorello H. LaGuardia, then director of the Office of Civilian Defense under the late President Franklin D. Roosevelt, signed a document officially recognizing the Civil Air Patrol and calling for "all persons in aviaton to enroll and other wise assist in this important contribution to our national defense."

In a matter of 90 days, private pilots from all over the country flying almost every conceivable type of lightplane began arriving at some 21 makeshift flying fields along the Atlantic and Gulf coasts. Tankers carrying vitally needed gasoline and oil from the Gulf of Mexico to Atlantic ports were being sunk right and left within sight of land. There were not enough Navy and Army planes to provide the necessary air cover. The newly formed CAP asked for and got the job of anti-submarine patrol.

Maj. Wyant Farr and Capt. John Haggin, CAP volunteers flying out of the first anti-submarine patrol base at Atlantic City, N. J., drew first blood against the German U-boat. Patrolling 24 miles off the coast in their small plane they spotted and dropped depth charges against a submarine cruising just under the surface. They got credit for "damaging and/or sinking a U-boat."

During the next few years CAP flight crews bombed 82 submarines, sank or seriously damaged another one and called in the Army or Navy to attack another 173 U-boats. In all they flew more than 24,000,000 miles on anti-submarine patrol and thousands of miles on other important missions. They lost 52 of their number.

Today's CAP carries on the work begun by these pioneers, Each year CAP volunteers fly more hours on search and rescue in the U. S. on Air Force-directed missions than all other agencies combined. CAP flight crews and ground personnel are training for critical roles in disaster relief, radiation monitoring and air support to civil defense. In addition, CAP now sponsors the only nationwide youth aviation education program in the country.

As is celebrated its fifteenth anniversary December 1, 1956, the Civil Air Patrol boasted 90,000 members, 51,000 o fthem teen-age cadets learning about aviation. It operates some 5,300 light planes and 11,000 radio stations organized into a nationwide network. Its members receive no pay, per diem or allowances for their work which often is performed at the risk of their lives. They are, however, reimbursed for fuel and oil consumed on Air Force-directed missions. By act of Congress the CAP is the official "civilian auxiliary of the U. S. Air Force" and its members wear the Air Force uniform with distinctive CAP insignia.

MACON NEWS

MRS. HAMILTON MOORE

Correspondent

The Macon Sunday School Christmas Program will be Friday, December 21st at 7:30.

The Junior and Senior Choirs will present a Christmas musical on Sunday evening, December 23rd at 8:00.

The Alice Jane Circle of the W.S.C.S. will sponsor a bake sale in Tecumseh at Baldwin's Hardware on Saturday, December 15th from ten until two o'clock. They will welcome contributons.

The Macon Boy Scouts and their friends will have their Christmas Party at Larry Neidlingers on Saturday evening, December 15th.

The Macon Hobby Club members and their husbands will have a Christmas supper at Moore's Recreation room instead of at Mr. and Mrs. Charles Bigelow on December 15th.

The Macon Campfires met at the home of Pearl Yungling. The group made tray mats for the Parrett Nursing Home in Tecumseh.

Tom and Larry Miller spent three days in Detroit last week attending the Junior Livestock Show.

Mrs. Wade Scudder was hostess to the Women's Society of Christian Service. Mrs. Luella Bigelow conducted the business meeting. Mrs. Herman Mehler resigned as treasurer. Mrs. Lois Jordan was installed as treasurer and Mrs. Mary Hagen took the Promotion Secretary office. It was decided to have another Sunday Family Fellowship dinner on Sunday, Jan. 13th following the church service. The January meeting will be with Mrs. Charles Bigelow instead of Mrs. Verl Sanch. The church Birthday Calendars are ready and may be gotten from Mrs. Lois Jordan, Mrs. Ruth Howell, Mrs. Leota Sanch and Mrs. Mildred Moore. Mrs. Charles Bigelow had the program on Stories of Christmas. Mrs. Clarence Hall read the Christmas Story from Luke. Mrs. Scudder served strawberry shortcake and coffee at the close of the program.

Mr. and Mrs. Raynor Scudder have gone to spend the winter in Florida.

Mr. and Mrs. Ray Gilmore, Mr. and Mrs. Hamilton F. Moore were among those who attended the Golden Anniversary of Mr. and Mrs. Malcolm Mathews in Tecumseh, Sunday.

Mrs. Hazel Maddux and family spent Sunday in her daughter's home, Mr. and Mrs. Kenneth Munk of Dundee.

Mr. and Mrs. Ralph Krebs of Tecumseh, Mr. and Mrs. Lilburn Burleson spent Saturday in Toledo at the Nazer Rubber Company Christmas Party.

Mrs. Lelah Howell spent a few days in Manchester with her daughter and family Mr. and Mrs. Ora Wolcott.

Mr. and Mrs. Charles Bigelow and family were Sunday guests of Mr. and Mrs. Harold Hammond and family of Willis.

Miss Sharon Burleson entertained sixteen friends in honor of Mr. and Mrs. Ronald Escott of Clinton, Saturday evening. Mrs. Escott was formerly Miss Molly Gorton of near Saline. The evening was spent playing games. The couple received many lovely gifts for their home.

Mr. and Mrs. Fred Tuefel observed their Golden Weding Anniversary Wedensday, Dec. 12th. Due to Mrs. Tuefel's health no large celebration was held.

Mr. and Mrs. Clarence Hall were called to Stryker, Ohio, Saturday by the death of Mr. Hall's uncle, William S. Ufer. They attended the funeral on Sunday.

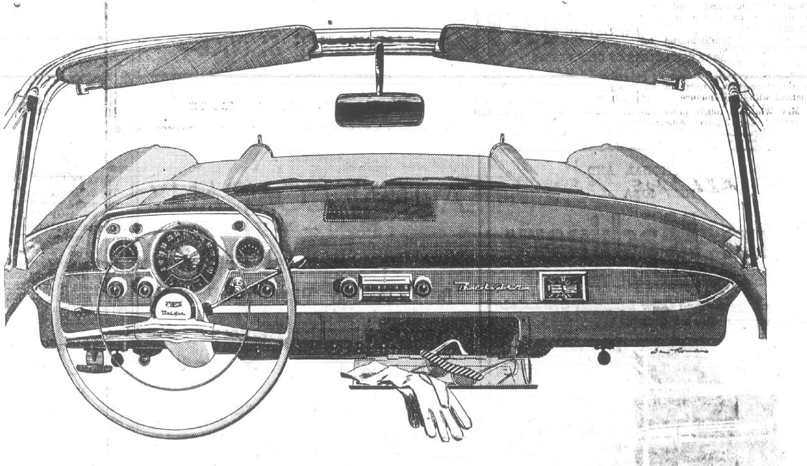
TECUMSEH, MICHIGAN



You get better looking in a '57 Chevrolet!

There's a whole new outlook behind the wheel—a bigger view of the road over that sassy hood. And doesn't that new instrument panel also make you want to get in and go!

You feel for all the world like you're viewing one of these new wide-screen movies when you first look through that '57 Chevrolet windshield. Its new, deeper design gives you better, safer seeing. The whole outdoors seems to surround you in its crystal curve.

Glance down—just a bit—and your eyes rest on the sweetest instrument panel a car ever had.

But the going's even better than the looking! Chevy's full of vinegar (horsepower ranges up to 245*), and so well behaved that it gives you a whole new outlook on driving. Come in and see.

Grade School News . . . . . .

CENTRAL ELEMENTARY SCHOOL NEWS

Miss Luken's first graders are concentrating on recognizing the numbers eleven, twelve and thirteen—by number only.

Everyone has new neighbors as a result of a general "moving day" last week.

The class is glad to have Eunice Bunge back after her absence with an appendectomy operation.

Boots, mittens and caps aren't presenting the problem they could have, due to thoughtful parents who saw that clothing was well marked. Both the children and Miss Lukens appreciate this "time and tear saver" so much that they think it noteworthy of becoming a news item. Thanks again, Mothers and Fathers!

Groups 1 and 2 in Mrs. Neitling's room have finished reading the pre-primers. Group 3 will finish soon. We are all reading "Guess Who". It is our first hard covered book. We find it much easier to handle.

Dwight Stinnett has moved to Blissfield. We will miss Dwight.

Chris Kelley, who is in Mr. White's room, and her sister Erie, who is in the Second Grade, are back in school following recent tonsillectomies.

The boys and girls in Mrs. Puffer's room have made a Christmas chain for their bulletin board. Each day they remove a link, but it seems as if the last link, which denotes Christmas Day, never will be reached!

Pussywillows in December! That's what you can see in our Second Grade room at Central. Nancy Brady brought us some branches and we think the pussies look nice and cozy in their fur coats.

We enjoyed the assembly program very much. We are all very anxious to read the stories that Mrs. Bradfield illustrated. We also visited the library and that was fun, too. Many of us had never been to the library before so we took cards home to read. We also were given pretty little book marks to take home.

Mrs. Thomas' room has two new pets. They are goldfish. The children enjoyed watching them breathe and swim.

"Sleight Bells Ring" can be heard floating from their room. The boys and girls are learning "Winter Wonderland" and "The Twelve Presents" in time for their Christmas party.

Before Mrs. Bradfield did her chalk talk for the children, they did a little practice chalk work. Then after they saw how she did it, they tried again. Everyone was pleased with their picture.

Mrs. Whiting's fourth grade has organized a "Junior American Citizenship Club". Bobby Glenn was elected president; Jim Lawson is secretary. We have voted to meet once every two weeks. We want to be good Americans and learn all we can about our country and its traditions. Our motto is "Justice — Americanism — Character'.'

Mrs. Callihan's fourth grade is ready to work on the fives in multiplication and division. Most of us know our fours well. We are enjoying the stories in our new reader. The children have the same kind of experiences that we do. We have a Christmas tree decorated with colored balls with a different arithmetic problem on each one.

We hope Bobby Seitz will be back with us after his tonsillectomy.

The children in Mrs. Baily's fourth grade room as well as all the boys and girls in the building are getting ready for the holiday season. They have made December calendars and posters with their names for the designs. They are working hard in their classes too and are mastering the "fives" in arithmetic, writing stories in language, and enjoying their fourth grade reading book "Times and Places" which they started a few days ago. In Social Studies, they are finding out about the settling of North America by the people from England, France, Spain, and Holland.

Mr. Sawyer's fifth grade have been busy with the Christmas preparations too. We have been drawing and painting Christmas pictures. A large water color frieze has been started depicting four different scenes. Three committees have been formed to cover the holiday festivities: a tree purchasing a decorating, and a clean-up committee. Dickie Graham has been elected General Chairman over all the committees. Christmas tree ornaments have been made for our tree from cutting out aluminum frozen pie containers. A picture of each boy and girl has been attached in the middle of the ornament. Before Christmas, we are going to make tree holiday card holders for home.

Get Well Letters were written to Karen Heberlien in Herrick Hospital. Karen is suffering from burns received in a fire mishap at home. Sharon Gillen and Patricia Schwede delivered the letters. The next day Karen returned a much appreciated letter to the class in thanks for their letters. We hope you are now feeling much better Karen and will be back in class real soon.

Since we are studying about the Civil War in Social Studies, we have made a special bulletin board of pictures, stories and flags related to this great epic in American History. We also have many pictures mounted around the room of that famous gentleman of the 1860's — Abraham Lincoln.

In spelling, we have a special test of social studies words.

We have been conducting many experiments in electricity for science. Each child has made a decorated folder to keep their science tests, experiments, and other related papers in.

—o—

PATTERSON SCHOOL NEWS

KINDERGARTEN — Mrs. Updike

Because so many of our children are out of school with chicken-pox we have postponed our farm trip until after Christmas. We do not want anyone to miss the fun of the big bus ride and the good time at the farm.

These are busy days in the kindergarten. Mrs. Updike has a "Magic Telephone" — Santa told her she could call him on Mondays and Fridays from school. He likes to hear all the good news about us. Our beautiful room looks more like Christmas every day.

FIRST GRADE — Mrs. Buttolph

Last Friday Linda Hollar celebrated her seventh birthday. Her mother brought cup cakes and ice cream for us all to enjoy.

These are very busy days for the first grade. First we have to learn our new words and numbers everyday except Friday and that is fun day and on fun day we just review what we have learned for the week. We all like Friday for another reason, too. That is the day we all go in the big gym for one half hour and play games. We, also, have many secrets now. Next week we will let you in on one, maybe two, and maybe three.

SECOND GRADE — Mrs. Garlick

Patterson second grade is still very excited over our trip to the Ford Rotunda to see the "Christmas Fantasy". We learned that fantasy could mean fairyland and we very easily thought that we were in a land of imagination. We saw first the Bethlehem scene in the center of the Rotunda. All of the people and animals were lifesize and we could walk all the way around it. Mary, Joseph, Jesus, the rough stable, the sheep, the cows, the wise men on their camels, the sand, the rocks, the small bushes all were there, so close we could have touched them.

Later we saw the smaller 3D pictures of nursery rhymes, the forest animals, the country dancers, and the French pastry shop. We laughed and laughed at Santa's Workshop where cloth, and metal and paints and paper and many other things were put into a big hopper. An elf turned a crank and we were supposed to believe that the finished toys came out of the bottom of the hopper.

The huge Christmas tree with the boy and girl skaters doing figure skating at the base of it will be remembered for a long time. Most of the colored glass ornaments were the largest we had ever seen. They were hung from a wheel above the tree and from a little distance looked as though they were fastened to the tree.

There were hundreds of dolls, which the Ford employees had dressed for the Goodfellows, on display. Whoever thought there were so many kinds of dolls!

We saw the North Pole — it's beautiful with pink satin and silver ribbon wound around it — and visited Santa Claus at his house. We went to the theater and saw two Donald Duck cartoons and then started back to the Patterson school. We ate our sandwiches on the way back and finished with milk and a birthday treat which Mark Deaner had brought for us when we were back in our room.

FOURTH GRADE — Mrs. Colson

Our room is looking more like Christmas every day. The mural is nearly finished, the case is filled with shiny Christmas ornaments and figures, and a lovely little lighted church, brought by Charlotte Elliott, reminds us of the true meaning of Christmas.

Next week we are going to make the trimmings for our tree. We have been bringing all kinds of things from home and will design our ornaments from these things.

With so many things to do to get ready for Christmas you might think we haven't been studying, but we have. We are now multiplying and dividing with six, and most of us can do it quite well. In social studies we are learning why the Spanish people settled in California and how the missions were built.

This week we saw a movie showing how ice cream is made. We also saw a Disney film called "How To Catch A Cold."

FIFTH GRADE — Mrs. Osburn

Guy Boss is back in school after an extended absence.

The Fifth and Sixth grade boys from both Patterson and Central are having intramural basketball games in our gym nights after school.

Our eyes were tested this week and the majority of us have perfect vision. We are going to have our ears tested after Christmas.

Mrs. Osburn read the story of "The Littlest Angel" to us one morning this week. Then we drew pictures and made a border to put our green board in front of our room.

SIXTH GRADE — Mr. Gillam

We are decorating our room for Christmas. We have scenes on our back bulletin board. In art we made pictures of different scenes of Christmas. In the middle of our room we have large cotton-sprinkled letters saying, MERRY CHRISTMAS.

In science we did an experiment with a dry cell battery and a small bulb. Some of our aquarium fish have been dying.

We have decorated the large hall show case depicting Santa's castle and his elves at the North Pole. Santa's sleigh is loaded and just about ready to take off for his annual visit to the many homes throughout the country.

Man's capacities have never been measured; nor are we to judge of what he can do by any precedents, so little has been tried.

—Thoreau

A teacher affects eternity; he can never tell where his influence stops.

ALL THE OTHERS SIMPLY PROVE . . .

The '57 Pontiac is America's Number ① Road Car!
Months ago, Pontiac set its '57 sights on producing an engineering classic—the greatest road car in automotive history! How well did they succeed? One answer is pictured here, the all-new '57 Pontiac itself, a car so advanced in concept that other new cars merely emphasize its outstanding design, its brilliant array of first-time features! The other answer is the public's response to this road-ruling beauty. From every quarter of the nation has come wave after wave of confirming praise! Praise for Pontiac's styling—its crisp, colorful lines and flowing contours that accent beauty built in, not hung on! Praise for new Level-Line Ride, the advanced suspension system that cradles you in cloud-soft comfort. Praise for Pontiac's ease of handling! Praise for the brisk and eager response of its all-new Strato-Streak V-8 engine! And underlying this tremendous voice of approval is the confidence felt in a car which has undergone the greatest road test in history . . . Pontiac's grueling 100,000-Mile Marathon Run! Yes, this year it's Pontiac all the way! Come in and see it! Come take the wheel of America's No. 1 Road Car!

GLENN R. ANGELL ORDER OF HEARING— APPOINTMENT ADMINISTRATOR

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for Said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 27th day of November in the year one thousand nine hundred and fifty-six.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of GLEN R. ANGELL, deceased.

On reading and filing the petition, duly verified, of Arthur G. Angell, son and heir at law of said deceased, praying that administration of said estate may be granted to petitioner or some other suitable person, and that the legal heirs of said deceased be determined.

It is ordered that Monday, the 24th day of December next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered that a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

RESOLUTION

Meeting of the City Council of the City of Tecumseh, County of Lenawee, and State of Michigan, held on the 19th day of September 1956.

Present: Mayor Hanna, Councilmen Swartz, Kelso, Hamilton, Brazee, Purkey and Powell.

Absent: None.

The following preamble and Resolution was offered by Councilman Brazee and Supported by Councilman Swartz.

WHEREAS due application has been made to the City of Tecumseh for a change in the Zoning Law on West Chicago Boulevard; and

WHEREAS the Planning Commission of the City of Tecumseh has recommended that a zoning change be considered.

NOW THEREFORE BE IT RESOLVED:

1. That 17 December 1956 at 8:30 p.m. at the Council Chambers of the City of Tecumseh is designated as the time and place at which opponents and proponents of the following proposal may be heard:

2. That it is proposed to change the zoning classification from Residential A to Business A Restricted on the following described property within the City of Tecumseh:

Commencing at a point in the West boundary of the City of Tecumseh at a point 250 feet South of the centerline of Chicago Boulevard and running thence Easterly and Southeasterly, parallel with said centerline, 1,660 feet, more or less, to the West line of Lot 85, as shown on the Plat of the First Addition to Sunset Meade; thence North, in said West line as extended, 540 feet, more or less, to the centerline of Evans Creek; thence Westerly, along said centerline, 400 feet; thence North 52 degrees West, 360 feet; thence West, 410 feet; thence North, 200 feet; thence West, 530 feet to the Western boundary of the City; thence South, along said boundary, 650 feet, more or less, to the place of beginning.

AYES: Unanimous
NAYS: None.
RESOLUTION DECLARED ADOPTED.

Attest: Naomi Sallows
City Clerk
Dated: 19 September 1956 9-10-11

SAMUEL J. LORENZ ORDER OF HEARING ON SALE OF REAL ESTATE

STATE OF MICHIGAN
THE PROBATE COURT FOR THE COUNTY OF LENAWEE

At a session of said court, held at the probate office, in the city of Adrian, in said county, on the 23rd day of November, A. D. 1956.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of SAMUEL J. LORENZ, Deceased.

On reading and filing the petition duly verified, of Wilmer Lorenz, administrator of said estate, praying that he may be authorized, empowered and licensed to sell the real estate described in said petition at private sale for reasons therein stated.

It Is Ordered, That Monday, the 31st day of December next, at nine-thirty o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

L. B. KUNEY, Judge of Probate.

Servicemen's Names And Addresses Given

These servicemen from Tecumseh and the surrounding area, have been sent greetings and a gift from the American Legion Auxiliary. The list is being published in the hope that others in Tecumseh will send them greetings not only at Christmas but at other times through the year. Let's make these men "remembered" and not "Forgotten Men." This list is believed to be complete. However, if it is not, we will publish any omitted names and addresses next week if you let us know.

The exciting Ford Fairlane 500 Club Victoria (above)—over 17 feet long—is one of two new, bigger Ford sizes this year.

If you think it looks new... wait till you drive it!

...For there's where Ford's newness really pays off
...in melting mountains...in smoothing the bumps
...in straightening the ourves

You can *see* that Ford's longer, lower Sculptured Look makes other cars look downright old-fashioned. But the part you can't see—the new "Inner Ford"—is what shows its stuff when you *drive* a Ford. It's revolutionary from the wheels up! And it *feels* it.

Ford's wider frame lets you sit sweet and low. And Ford's new front suspension, rear springs and new easy handling are part of the scheme to make you think every road is cloud-smooth.

The magic touch of the new Ford power plants makes mountains disappear. What *looks* like uphill *feels* like downhill. You get this surging power in a wide choice of Silver Anniversary V-8 engines. Or choose Ford's Mileage Maker Six, the most powerful Six in the low-price field.

There's magic in Ford's price tag, too! You won't believe this big new Ford is still priced Ford-low. But it is. Come in and test its magic. It's a real "Wizard of Ah-h-h-h's!"

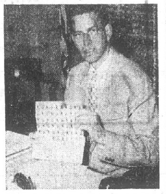
Health Dept. Warns Parents On Harmful Toys

Make sure each toy you buy this Christmas brings joy and not tears, the Lenawee County Health Department urged today. Many infants and pre-school children are needlessly injured each Yule season while playing with "toyland booby traps," the department said.

Playthings for small fry can become bad things if they have sharp edges, small parts that can be detached and swallowed, or paint that is poisonous. Some toys for older children also can be hazardous if their use isn't carefully supervised by adults. In this category are dart games, air rifles, chemistry sets, and bows and arrows.

All toys should be carefully examined for fire hazards. Materials should be non-flamable, and toys using electricity should bear the Underwriters Laboratories seal of approval.



"Tuberculosis is costly," says Dr. Albert Heustis, Michigan's health commissioner. "In terms of broken families, loss of productive living, and dollars and cents, TB is by far the most costly infectious disease we face today. Almost 14 Michigan people fall victim to TB each day. Christmas Seal dollars play an important part in the fight against TB. Buy Christmas Seals."

County 4-H Members Compete At Show

Lenawee county 4-H club members shared the spotlight in the show ring with 4-H youths from 30 other counties in the state last week at the Detroit Junior Livestock Show.

The total number of animals exhibited by county 4-H members included 12 steers and one pen of market hogs.

Placing high with their livestock at the show held in the fairgrounds coliseum were:

Sherron Allshouse, Tipton—3rd place with Heavy Angus

Gerald Forsyth, Holloway — 5th place with Light Shorthorn

Larry Knierim, Blissfield — 3rd place with Medium Angus

Tommy Miller, Britton — 10th place with Heavy Hereford

Roger Wolf, Morenci — 7th place with Medium Hereford

Robert Thompson, Palmyra—7th place with Heavy Angus

James Thompson, Palmyra—8th place with Medium Angus

The county herds are made up of the three best steers of any county. Lenawee put together a 3rd place county herd.

Sherron Allshouse won the Grand Champion Showmanship by outshowing 100 contestants.

Other Lenawee county exhibitors were:

Richard Cole, Addison; Herbert Marks, Clayton; Charles Cox, Morenci; Robert Rau, Palmyra; Gerald Frye, Palmyra; Kim Frye, Palmyra; steers. Peter Peebles, Hudson, swine.

Bidding for the livestock at the show's sale was active and prices paid were above the market price.

The Detroit Junior Livestock Show is sponsored by the Detroit Junior Livestock Society and supported by various Detroit individuals and organizations.

Exhibitors were honored at a banquet at the Statler Hotel. An evening of free entertainment was another feature of the Detroit show.

Bed Rest Is The Best Remedy For A Cold

There's very little that the traditional hot toddy or any other treatment except bed rest can do for a cold. That's the word from Dr. R. J. Hanna, Director of the Lenawee County Department of Health.

"The common cold probably will be with us for many years to come," Dr. Hanna said. "We now know that groups of viruses cause the colds but we don't know exactly how. About all we can do is to avoid upsetting the body's equilibrium and go to bed as soon as a cold starts. Hot toddies and other home remedies provide no benefit."

Colds usually occur in three waves in Michigan—first after the season's initial severe temperature drop in late October or early November, then again around Thanksgiving or Christmas, and for the third time in the early spring. Temperature drops have no direct effect on the virsues, Dr. Hanna said. But they do lower a person's resistance and indirectly enable the virus to invade the human body through the mucous membranes of the nose and throat.

"Anything that upsets the body's equilibrium such as sudden chilling, fatigue, overeating or emotional upsyet causes a drop in the mucous membranes' resistance to the cold virus. The result," Dr. Hanna said. "is that another person falls victim to a cold." Colds are most infectious during the first 24 hours after onset, Dr. Hanna said. Effects of the virus end after 48 hours. Then secondary bacterial infections take over. Two types of cold are recognized: The sneezing and nasal variety of the fall and spring, and the winter type with symptoms of sore throat, irritated nasal membranes, and inflamed eyes.

"The average Michigan resident misses three days of work or school each year because of colds," Dr. Hanna said. He said the best way of avoiding colds and lost time is to keep in good physical condition, maintain the body's health equilibrium and avoid sudden temperature changes.

SCHOOL BOARD PROPOSES EIGHT PROJECTS

Calendar Of Christmas Church Activities

The following special holiday church Calendar is presented to help our readers worship in the church of their choice during this holy time of the year.

PRESBYTERIAN CHURCH
The Rev. George Walworth, Pastor.

December 23 — Worship Service 11 a.m.

Church school Christmas party, December 19th at 6:45. A movie will be shown entitled, "The Christmas Spirit."

Communion Candle Light Service — Christmas Eve at 11 p.m.

CHURCH OF GOD
Rev. T. L. Cruse, Pastor.

A Christmas play entitled "Mary's Christmas Dream" will be performed by the young people of the church, Saturday evening, Dec. 22 at 7:30 p.m.

December 23 — The central theme of the sermon given by Rev. Cruse will be "Putting Christ into Christmas."

ASSEMBLY OF GOD
Rev. McPherson, Pastor.

Young Peoples Program will be Friday evening at 7:30 in the church. "Aunt Helen" will be there again this year after the program. She will give flannelgraph scenes of "Why The Bells Rang".

FIRST BAPTIST CHURCH
Rev. B. O. Bashore, Pastor

The Beginners and Primary Christmas program will be Friday, December 21st at 7:30. Parents and friends are invited to attend.

The Junior department party will be December 23rd at 6:30 p.m.

December 23 — Worship service, 11 a.m.

MISSIONARY BAPTIST
Rev. Edgar Owens, Pastor.

The Intermediate class will have their Christmas party, Friday evening, December 21st from 7 to 9 p.m. at the home of Mrs. Allard Partain, at 7880 Occidental road.

December 23 — Sunday school 10 a.m. — Worship service 11 a.m.

CHRISTIAN SCIENCE SOCIETY

Sunday worship service — 10:45 a.m.

December 26 — Sunday School party at the home of Mrs. Neuman, Holloway.

GRACE EVANGELICAL LUTHERAN
The Rev. A. Jeschke, Pastor.

December 24 — Sunday School Christmas Program on Christmas Eve, entitled "Verse and Song in Christmas". The program will begin at 8 p.m. Over a hundred children and their Sunday school teachers will participate. A Solo, O Holy Night, will be sung by Patty Schwede and a duet by Nancy Dence and Lou Ann Nichols. The organ will be played by Rev. Jeschke. Gifts will be distributed after the program.

December 25 — Christmas day services at 10 a.m.

ST. ELIZABETH CHURCH, TECUMSEH
Rev. Fr. Thomas J. Collins

Services: Midnight Mass, preceded at 11:40 by singing of carols by Mixed Choir and by congregation. The doors of the Church will be open from 11:15 p.m. A mixed chair of thiry, under the direction of Mr. Wallace B. Whiting, assisted by Mrs. Arlene Hammack at the organ, will sing the Christmas Mass.

At 9:00 o'clock, Christmas morning, there will be a Low Mass, at which the girls of St. Elizabeth School will sing carols.

Confessions will be heard in preparation for Christmas from 3:30 to 5:30, and from 7:30 to 9:00 on Saturday and Sunday, and on Christmas eve from 3:30 to 5:30 and from 7:00 to 9:00.

TECUMSEH METHODIST CHURCH
Rev. Horace L. James, Pastor

December 21 — Christmas party for the boys and girls through the Primary class at 7 p.m. at the church.

December 22 — The young people of the church will have a potluck supper at 6 p.m. followed by rehearsal for Sunday's program.

December 23 — Sunday school and church will be combined beginning at 10 a.m.

Christmas program will be in the evening at 7:30 p.m. The program will be given by the Three Choirs and the Sunday School. The Christmas story will be told by narration, tableau and Christmas music. Choir director is Mr. Bennett.

TECUMSEH CHURCH OF THE NAZARENE
Rev. Bernard Gill, Pastor

December 23 — Childrens Christmas program at 10:30 a.m.

Christmas Cantata at 7:30 in the evening at the church.

ST. PETERS EPISCOPAL CHURCH
The Rev. E. C. Dicken, Pastor

December 23 at 4 p.m. Children's Christmas Program in the Parish Hall.

December 24th at 4 p.m. Children's Worship Service. Children will return their Advent Offering Pence Cans.

Dec. 24 at 11 p.m. Holy Communion and Sermon.

Dec. 25 at 8 a.m. Holly Communion. 10 a.m. Holy Communion.

Jan. 1 at 8 a.m. Holy Communion. 10 a.m. Holy Communion.

The rector will take the Holy Communion to the sick and shut-ins — phone 453 for service.

FRIENDS CHURCH
Rev. Edward Escolme, Pastor.

December 21 — Sunday School Christmas program at 7:30. Parents and friends are invited.

December 23 — Worship service at 10 a.m. Topic — "Greeting the Christ Child". Carol service and a film "Holy Night" at 7:30. Young people of the Church are going caroling after the service.

City Council Adopts Ordinance

The Tecumseh City Council met Monday evening. Representatives from the Waskin Subdivision Development were present to present the final plat for approval. The Council asked that the recommendations of the planning commission be made before they take action on approval. There was considerable discussion concerning

(See CITY COUNCIL Page 3)

School Vacation Begins Friday

Christmas vacation for 2510 Tecumseh Public school students, kindergarten through 12th grades, and 84 faculty members will begin with the close of school Friday December 21 and continue until January 2, 1957.

There will be a Christmas assembly at 1:45 p.m. Friday with

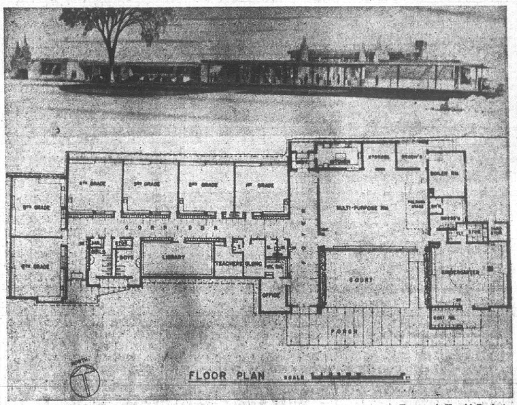
Herrick Park School Plans Shown



Tecumseh Herald Rephoto

James McDowell, Superintendent of Tecumseh Public Schools, is beginning a series of articles this week that will explain the eight building projects proposed by the Board of Education. These articles will appear for the next few weeks along with pictures of the floor plans and the architects drawing of the proposed structures. This week, plans for the Herrick Park School will be described. (See above picture)

"The first to be presented is the Herrick Park School which, if approved by the voters, will be located off Outer Drive on the site of the present playground. The site was a gift to the schools and has been approved by the State Department of Public Instruction for school purposes as has the proposed building. The location is ideal as there is plenty of playground space, it is easily accessible, and there is ample room for parking.

The Herrick Park School as proposed has been specially designed by Warren S. Holmes and Company, School Architects, Lansing, Michigan, to fit the locale which is unique. The building features an open garden court overlooking the

(See SCHOOL PLANS Page 3)

Editor's Corner . . .

By Phil Belleville

Has Christmas lost its true meaning? I don't think that it has. Many people feel that our children are growing up to feel that Christmas is to celebrate the coming of Santa Claus rather than the Christ Child. I think that this is the exception rather than the rule.

Children go through many phases during their climb into adulthood (as do adults in their climb through life). At first, Christmas may mean little more to them than a time for receiving. However, if they do not get delayed along the line of progression through the mental growth stages, they

(See EDITOR'S CORNER, Page 3)

Case For The Home Town Paper Is Presented

The case for the hometown newspaper is ably presented by Ralph Keller of Minneapolis, manager of the Minnesota Editorial association, with this analysis:

"The spoken word hits the ear, and is gone. The television image strikes the eye, and is gone. The printed picture and the printed name linger on.

(See Home Town Paper, Page 3)

Santa Claus Arrived Monday

Tecumseh Herald photo

As can be seen above, Santa Claus is in Tecumseh this week. He is shown here shortly after his arrival Monday night. In the picture, from left to right is "Super Boy", Elizabeth Ann Schofield, Billy Rutbofsky, Santa Claus and Cub Scout, Bill Hadley.

Exchange and Kiwanis Club members helped Mr. Claus pass out candy to the children present Monday evening.

The Tecumseh Herald Social News

Hall-Woods Wedding Vows Were Exchanged Saturday

Sharon Lee Woods of 1719 W. Hillsdale St., Lansing, became the bride of Robert William Hall Saturday, Dec. 15, at 1 p.m. in the Mary Sabina Chapel of the Central Methodist Church in Lansing, Michigan. The bride is the daughter of the late Russell A. Woods and Mrs. Walter Banta of Archdale Avenue, Detroit, and the groom the son of Mr. and Mrs. Kenneth D. Hall of 701 Outer Drive, Tecumseh, Michigan.

Dr. R. N. Morrison, pastor of the church, officiated at the ceremony, and only the immediate family and closest friends attended. The church organist played the nuptial music and two pink poinsettia plants decorated the sides of the altar. The bride was given in marriage by her cousin, Norval Offenhaver, and the maid of honor was also a cousin, Jane Offenhaver of Lansing, Michigan. The groom's best man was David Jach of Manistee, Michigan, a Michigan State University classmate. William Lester of Carleton, Michigan assisted as usher. He is also a classmate of Mr. Hall.

The bride wore a ballerina length gown of pink, peau de crystal with a fitted bodice and waist, with full skirt; her veil was pink with a scattering of pearls held by a criss crossed velvet band of pink. She wore pearls at her throat, a gift of the groom, and pearl earrings for the "something borrowed" from Mrs. David Jach. Her bridal bouquet was made with pink and white roses.

The maid of honor wore a dress of peau de crystal, cottilion blue with a matching head band, and carried pink mums. The bride's mother, Mrs. Banta, wore navy blue wool with navy and white accessories, and Mrs. Hall wore lavendar wool jersey with matching accessories; both mothers wore white orchid corsages.

A reception following the ceremony was held at the home of Mr. and Mrs. Norval Offenhaver in Lansing for thirty four guests. The table was centered with the wedding cake surrounded by holly, and a bouquet of pink and white flowers. Champaign punch further enhanced the serving table. Mrs. David Jach of Manistee, and Miss Terry Nance of Chicago poured at the reception.

The bride wore a light blue suit with navy accessories for their wedding trip to New Orleans, where they will spend ten days. The newly married couple both hold Bachelor of Arts degrees from the Michigan State University.

A rehearsal dinner was given by the groom's parents at the Porter Hotel in Lansing Friday, Dec. 14. The tables were delightfully decorated with pink candles and a pink and white centerpiece.

Jr. Chamber Of Commerce Aux. Received It's Charter

The Junior Chamber of Commerce Auxiliary received its Charter from the Ypsilanti Chapter Thursday evening at the regular Jaycee meeting. It was ladies night.

Ladies present from the Ypsilanti Chapter were Sheila Wright, Ypsilanti president; Ila Byrd; Marion Seitz, Lavern Baron, and Rose Halman, state vice president.

It was reported that over 330 people attended the Football banquet sponsored by the Jaycees. The Public is asked to remember that the group is selling Christmas trees at the Consumers Power Company, McCoy's, John's Gulf Service and at 515 W. Chicago Blvd.
w;hf

Les Bennett, Director of the High School Chorus, led his group in a series of songs. They included "The Birthday of the King", "Night Flight", "Desert Song" and others. Kay McClure accompanied the group on the piano. The group put on a very entertaining and well executed show.

Sheila Wright installed the new Auxiliary officers. They are Mrs. Robert Williamson, president; Mrs. Richard Beemer, vice president; Mrs. Merlyn Downing, secretary and Mrs. William Davenport, treasurer. The board of directors includes Mrs. Dermont Poley, Mrs. Don Brazee, Mrs. Phil Belleville and Mrs. Robert Murray. The first project for the Auxiliary was a bake and rummage sale held recently.

Mort Neff Ticket Sales Totaled $953.25

Carlos Jones reported at Tuesday night's Rotary Club meeting that ticket sales for the Mort Neff show totaled $953.25. Proceeds from the affair, after expenses are paid, will go for the Bleacher Fund.

Rev. B. O. Bashore was program chairman for the evening and introduced Father Thomas Collins of the St. Elizabeth Church who spoke on the "Meaning of Christmas." His talk was very appropriate and inspiring.

President James McDowell presided over the meeting. Following the dinner which was served by the ladies of the Methodist church, Glenn Driscoll led the group in the singing of Christmas Carols, with Mrs. Driscoll at the piano.

Because of the Christmas and New Year holidays, there will be no meeting until January 8.

O.E.S. Holds Annual Party

The annual Chirstmas Party for the officers, and their husbands and wives of the O.E.S. was held in the home of Mr. and Mrs. Ralph Westgate. Twenty nine were present for the wonderful potluck dinner, and Santa Claus arrived to distribute the gift exchange. Motion pictures were shown of various Star activities, and also several trips that the Miller family has taken, were shown by Stanley Miller. After the pictures, cards were enjoyed for the remainder of the evening.

Christian Class Had Their Christmas Party

The Christian Workers Class of the Baptist Church met Dec. 14 in the Youth House for a potluck supper and Christmas Party. A talent show was held following the dinner with the children of the members performing. The program began with assembly singing led by George Green accompanied by Helen Miller at the piano, and devotions were led by Orville Bishop. A tap dance was presented by Linda Easton, Jo Ann, and Gloria Green, accompanied by Vera Driscoll at the piano; vocal solo, Joan Langham; vocal duet, Jill and Joyce Holden; piano solo, Phillip Miller; vocal duet, Larry Sebring and Marta Puffer; vocal duet, Guy Bruce and Emily Manwaring, and a vocal solo by Dennie Puffer. Following the program, Santa Claus distributed the exchange gifts, and talked with the children. The host and hostesses for the party were Mr. and Mrs. Orville Bishop, and Mr. and Mrs. Bernard Fero. The next meeting will be held January 25 with Mr. and Mrs. Marion Morris as host and hostess. Mr. and Mrs. Richard Lack will be in charge of the program.

Womens' Club Entertains Girl Scouts

The Business and Professional Women's Club entertained two troops of 1st year intermediate Girl Scouts last Monday evening Red Rose Troop 12, led by Mrs. Clifford Knudson and Mrs. Robert Rutherford is sponsored by the club, and Mrs. Robert Anderson's Troop is sponsored by Circle 5 of the Presbyterian church. The St. Elizabeth Choristers, a group of young married women, led by Mrs. Louis Caterina and accompanied by Mrs. Ben Hammack, Jr., presented a fine program of music of the Nativity interspersed with scriptural reading of the Nativity read by Mrs. Kenneth McEnroe.

Before the meeting, Mrs. Ray Sluyter, president of the club, welcomed and introduced each little Girl Scout, and at the close of the meeting the Scouts and their leaders served tea and home-made Christmas cookies from a very prettily decorated, lace covered table. They also had the cookies for sale and sold every last one.

Kiwanis Club Heard Christmas Talk Wednesday

The Kiwanis Club enjoyed a talk entitled, "The Meaning of Christmas", at their Wednesday noon meeting by Captain William Heaver of the Salvation Army. He said the meaning of Christmas has been largely lost and there is too much commercializing. Highlights of the talk included the belief that the 25th of December was not the birthday of Christ but a date set aside to commemorate his birthday. He said it was thought that his birth was earlier in the year.

Capt. Heaver said we wonder what the Angels meant when they sang "Peace on Earth Good-Will to Men". Today we have many troubles, our jails are full, policing problems are bigger than ever before, we have troubles the world over. He said we will never be able to solve our International problems until men turn to God of Bethlehem and ask for his help in solving these problems.

In behalf of the club, a gift was presented Capt. Heaver.

The announcement was made of a Square Dance Jamboree to be held January 23 at the Union Hall, in Tecumseh. There will be a good orchestra and 4 to 6 callers for the affair. Paul Ousterhout is chairman and Harold Kopke, co-chairman. Proceeds of the dance will go to the underprivileges children.

Read Herald Want Ads

Silent Night, Holy Night

EDITOR'S CORNER

(Continued from Page 1)

soon begin to think of Christmas as a time for giving as well as receiving. Realizing the giving as well as the receiving aspects of Christmas of course is not the realization of the true meaning of Christmas but it is the beginning of a frame of mind and thought that will lead to such realization.

The spirit of giving seems to rest on love for our fellow men and belief in his worth. True love of our fellow man it would seem must rest at least in part upon the belief in a common Creator and bond of brotherhood.

Thus, although the manifestations of the Commercial hustle and bustle may give the appearance that the "Christmas Spirit" is not to be found, I feel that it is as strong as ever. The spirit of brotherly love reflected in giving is not diminishing as supported by the total volumn of Christmas sales this year. When giving, we are giving to the children of God and thus to God. We believe in him and he in turn gives us the wonderful feeling present in all of us with the approach of Christmas 1956.

School Plans

(Continued from Page 1)

Globe Pond and the whole building is arranged so that it looks attractive from any angle. It consists of a kindergarten room having both a heated floor as well as unit ventilator heaters, first and second grade rooms with self-contained toilet facilities, third, fourth, fifth and sixth grade classrooms, and a multi-purpose room. The latter will be equipped with a folding stage, P.T.A. kitchen, and chair and delivery storage facilities. There is a dressing and shower room equipped with basket storage for gym clothing and towels. An elementary library, clinic, teachers room, work room, boiler room and principals office complete the building. Lockerrobes will be installed in the halls for use of all pupils except the kindergartners. The kindergarten section is set apart from the other rooms which gives greater privacy for the smaller children. They will also have their own playground and equipment suitable to their age.

Construction of the Herrick Park School will be of cinderblock, brick faced, with terrazo halls and toilet facilities similar to those at the Patterson School.

However, the windows and frames will be aluminum since during the four years elapsed since Patterson was built the cost of aluminum has decreased making wood construction but little cheaper than aluminum which has much less maintenance problems. The building has outside entrances to the toilet facilities which enable their use during the summer by children using the playground facilities without having the whole school open. Another feature is adult toilets for men and women separate from those used by the children.

The location of the school in Herrick Park is particularly desirable because there are already over a hundred children living within walking distance of the school who now attend either Central or Brownville and have a dangerous walk either across M-52 or down Maumee across the bridge over Evans Creek. Also, since no acreage was planned in the River Acres subdivision for a school and all children living North of the river are now privileged to ride school busses, it is only a short ride to Herrick Park.

As planned, these children would be bussed back home for lunch and, therefore, not have to stay in school all day long. Past experience has shown conclusively that the child who goes home for lunch and gets a break in his school day is in general more alert and happier in his school life, and therefore, is more apt to learn more in school as well as get along better with others. The school is designed for a maximum of 180 pupils in the six grades and 60 in two sections of the kindergarten. Therefore, the Herrick Park children alone will about half fill it, all walking, with the balance being transported very short distances by bus at a minimum of cost."

$ave THRU THE "CLASSIFIED" PAGES!

Home Town Paper

(Continued from Page 1)

"Numerous authentic surveys throughout the United States indicate that an average of 3.5 persons read every weekly newspaper that enters every home as an invited guest. The average length of time each copy is kept around the house is two weeks. Each copy is picked up and looked over by each reader an average of three times. The average length of time each reader spends with each copy of his hometown newspaper is fifty minutes.

"The newspaper is subscribed for, paid for, eagerly looked forward to from issue to issue, and read thoroughly with unquestioning confidence. It doesn't depend on the weather, is not subject to static or interference, is not a "now or never" messenger—if the newspaper can't be read this evening it will be in the morning, or tomorrow evening. When radio and television impulses have petered out in heedless space the hometown newspaper is still there, to be read and re-read and referred back to again and again."

The Morris (Minn.) Sun

City Council

(Continued from Page 1)

whether the council had agreed to pay the cost of water and sewer to the subdivision. The majority present claimed that they had not made such agreement.

A representative from the Gulf Refining Company was present and asked that permission be granted to build a new service station on the corner of Cairns St. and Chicago Blvd.

The council debated whether or not there was enough traffic in the area to grant another station in town.

It was noted by the Gulf representative that a traffic count and survey had been taken which showed a need for another station at that location. The Council voted to adopt a zoning ordinance for business restricted area A which states a building must be 50 ft. in back of the state right-of-way.

A petition was submitted by Orville and Litha Dewey and signed by neighbors asking permission to have a house trailer at 215 North Pearl Street to live in. A temporary permit was given to last until June 1, 1957.

The council decided to write the Automobile Club of Michigan for a traffic survey in Tecumseh. They make such surveys as a public service on a no expense basis.

Boy Scouts

(Continued from Page 1)

ther promote Scouting activities in Tecumseh.

Fire Chief Cecil Alderdyce said "I am happy to endorse this campaign. It is in the best interest of community fire prevention and safety at a particularly hazardous time of year".

School Vacation

(Continued from Page 1)

the music departments and student groups providing the program for both junior and senior high school students.

Friday evening at eight the Junior high will hold their annual Christmas party.

During the Christmas holidays the maintenance crew will be extra busy putting the schools in ship shape for the reopening date.

Christmas vacation for Saint Elizabeth students will begin on Friday December 21 and reconvene January 2, 1957.

City Manager

(Continued from Page 1)

disinfected and safe. The pump controls were changed over to the new building last week and are working perfectly.

Another well was started at the airport. They were down 77 feet as of Monday. A good start has been made on the sanitary sewer installation on Cairns St.

The tree program is completed as far as it was intended to go when it was started out. However, people are still calling and wanting trees. Up to date, 92 trees have been planted. The dept. plans to start trimming and cutting down bad trees this week along with the sewer installation on Cairns St.

Cub Scouts Held Christmas Meeting Monday

The Christmas meeting of Cub Scout Pack No. 4 was held Monday evening in the Baptist Youth House. After the opening ceremony Howard Wilson, Jr. and Boy Scout Troop 73 held a very impressive induction ceremony for Brian Packard who is graduating from the Webelos to the Boy Scout Troop. Brian was presented with a Boy Scout knife from Pack 4, and an official Boy Scout neckerchief and slide from Troop 73. A number of other awards were presented at this time by the Cubmaster, Dr. Richard Dustin, and Albert Merz. At this time, Mrs. Work led in the assembly singing of Christmas carols with Mrs. Kaynor at the piano. Several dens decorated the Christmas tree with decorations made at their meetings, and Santa Claus presented the little people attending and the Cubs with treats.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY

MAUDE WILSON, and GEORGE HARVEY LEWIS, a Widower, Individually and as Executor of the Estate of Hattie A. Kemp, Deceased, Plaintiffs,

vs. ORDER OF APPEARANCE

AUSTIN E. WING, MARY DIBBLE, WILLIAM H. BURRELL, FRED W. BURRELL and BESSIE K. BURRELL, his wife, F. B. WOOD, FREDERICK B. WOOD, and FLORENCE DOVE, and/or their unknown heirs, devisees, legatees and assigns, Defendants.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of December, A.D. 1956.

Present: The Honorable Rex. B. Martin, Circuit Judge.

In this cause, it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said Defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ORDERED that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ORDERED that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

/S/ REX B. MARTIN
Circuit Judge

Countersigned:
Patricia J. Johnston, Clerk

EUGENE S. KIMBALL
ORDER OF PUBLICATION, DETERMINATION OF HEIRS.
STATE OF MICHIGAN,
THE PROBATE COURT FOR THE COUNTY OF LENAWEE.

At a session of said Court, held at the Probate Office, in the city of Adrian, in said County, on the 3rd day of December A. D. 1956.

Present, HONORABLE L. B. KUNEY, Judge of Probate.

In the Matter of the Estate of EUGENE S. KIMBALL, Deceased.

Richard Eisenmenger, successor in title to lands formerly owned by said deceased, having filed in said Court his petition praying that said Court adjudicate and determine who were at the time of his death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized.

It is Ordered, that the 31st day of December A. D. 1956 at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition;

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in The Tecumseh Herald a newspaper printed and circulated in said County.

L. B. KUNEY, Judge of Probate.

Motorists Of The Future May Travel Bump Free

"Bump Free" rides on continuously reinforced concrete pavement are available now in at least five parts of the United States, according to American Iron and Steel Institute. Many other highways may be similarly improved in the future. Research is now going forward to place the design of such roads on a sound engineering basis.

The "bump—bump—bump" effect is caused by the joints in the highways. These roads were built in segments ,to allow for expansion and contraction due to temperature changes.

Engineers now believe that the joints may be unnecessary. They say that continuously reinforced concrete pavement may result in lower maintenance costs, in addition to providing smoother rides.

Indiana, Illinois, New Jersey, California and Texas are among the states that have stretches of continuously reinforced concrete pavement. The Indiana road was built in 1938, followed by Illinois and New Jersey in 1947, California in 1949 and Texas in 1951. A new stretch is being constructed in Pennsylvania.

The Committee on Reinforced Concrete Research of American Iron and Steel Institute—composed of 22 producers of concrete reinforcing bars—is helping to sponsor research on the Pennsylvania highway, which is near York, Pa. The tests are being conducted by Lehigh University.

A prominent highway engineer believes that the life of continuously reinforced concrete pavement will exceed that of other pavement designs by a number of years.

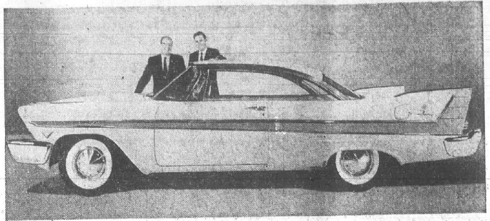
NEW FURY BY PLYMOUTH



Plymouth President John P. Mansfield (left) announces the new 290-horsepower Fury as Plymouth's entry in prestige car competition. Mansfield, shown with Chief Engineer Robert Anderson, says the new white two-door model, with gold trim, has the performance and roadability of a sports car.

D.A.R. Christmas Meeting Held At McLaughlin Home

The Christmas meeting of the Abi Evans Chapter of the Daughters of the American Revolution was held at the home of Mrs. J. B. McLaughlin. The home with its lovely Christmas decorations made a pleasing back ground for the musical program presented by Mrs. F. C. Dickinson.

The Regent, Mrs. Roy Whiting conducted the business meeting following devotions, conducted by Miss Edith Ingersol and the pledge of allegiance to the flag.

Mrs. F. C. Dickinson will name the good citizenship girls at the next meeting. Mrs. Wallace Whiting announced that the Junior American Citizen groups sponsored by the Society have been organized in the lower grades.

Mrs. Arthur Schwartz, Mrs. Fred Oberlin, Janie Hodges, and Jackie Rucker gave a delightful musical program. They were accompanied by Mrs. Wilfred Waldron, Mrs. Oberlin and Dennis MacKenzie. Refreshments were served. Co-hostesses were Mrs. Cecile Smith, Mrs. Geo Elliott, Mrs. Clayton Greenwald, and Miss Irene Wisner.

Mrs. Joe E. Rice, State Registrar, will be hostess at 7:45 in the Parish house, January 3. Honoring the State Regent, Mrs. Clarence W. Wacker and her state board. Mr. Rice will show pictures of their European trip. On January 4th at 1 o'clock the chapter will honor the state officers at a luncheon also in the Parish House.

Memorial Service Held Sunday In Ridgeway

Mrs. S. W. Boyce, and son Wilber Boyce, and Mrs. Alvin Clark of Manchester attended a dedication memorial service at the Ridgeway Methodist Church last Sunday morning. An electric clock was presented as a memorial for the late Miss Julia Gilmore, sister of Mrs. Boyce. The clock was given by the United Workers Class of the church of which Miss Gilmore was a member. After the morning service, a dinner was served in honor of the late Miss Gilmore and those of the family attending from Macon were Mr. and Mrs. Ray Gilmore, Mr. and Mrs. Herbert Gilmore, and Mr. and Mrs. Westley Gilmore.

Tories March Over Minutemen 49 - 33

BY FRANK PROCHASKA

On their home floor, with jam-packed bleachers, the Tories again came from behind to win their 4th cage game of the season by whipping Deerfield, their age old rival, 49-33. The win broke a long lossing streak for the Tories with Deerfield, for its been a long time since Britton has beaten the Minutemen in cage activity.

Britton, sparked by Sanch and McClue, who hit for 13 and 9 points respectively, now post a 4-0 record with 2 of the wins being league games.

At the start of the game, it looked like Deerfield would be a sure winner, for at the end of the 1st quarter, the score read 6-10 Deerfields favor.

Midway in the 2nd period, Britton went ahead and was never topped during the remaining 2 quarters.

The game was filled with personal fouls, with Britton's star forward Jerry Benedict commiting five, while making 8 points. Two other teammates, Kniffen and Kimerer also came through with 8 points each.

Britton outhit Deerfield at the foul line by making 11 out of 22 charity tosses, while Deerfield only put through 11 for 28.

High scorers for the night was Sanch, with 13 points and McClue with 9 points. Gainsley put in 16 points to take honors for Deerfield.

The Little Tories followed right in their bigger brothers footsteps by downing Deerfield's reserve team 39-30 in the first game.

More Michigan People To Go To Florida This Year

Florida is due for at least a 10 per cent increase in visitors from Michigan this year according to Automobile Club of Michigan estimates.

Last year, the Sunshine State drew over 300,000 Michiganians and advance indications point to an additional 30,000 this year, Jerry E. Fisher, Auto Club touring manager, reports.

He said that Michigan drivers to Florida this year will have a choice of two main routes. The eastern road through Cincinnati, Knoxville and Atlanta covers 1,425 miles from Detroit to Miami but includes some mountain driving. The western route through Louisville and Nashville is 125 miles longer but takes only 35 minutes more driving time.

The majority of drivers prefer the flatter routes after mid-December when mountain roads may be slippery or snow-covered but like the hilly route during late fall and early spring because of added scenic qualities, he stated.

He also cautioned drivers from Michigan that plans are underway to rearrange some route numbers in Alabama early in 1957. He advised drivers traveling through the southern state after January 15 to obtain new route maps or check with Alabama officials on possible changes along their route.

Motorists this year may employ four turnpikes in their Florida trips, he stated. These include those in Ohio, Indiana, Kentucky and the new Sunshine Parkway, scheduled to open January 1 between Fort Pierce and Miami in Florida.

Florida is also expected to be the first state in the nation to standardize signing of all U. S. routes by color with the program slated to start with green markers on US-27.

ROBERT C. BINNS

Mr. and Mrs. W. Hal Marshall, of 317 North Maiden Lane, Tecumseh, Michigan, have received word that their son Robert C. Binns will arrive home Dec. 22nd. for a 10 day leave from Ft. Sam Houston, Texas.

Bob, volunteered for service in the Army Sept. 18th. 1956. He took his boot training at Ft. Leonard Wood, he is now stationed at Ft. Sam Houston, Texas, where he is attached to Company B-2nd Bn-Medical corps.

Bob, was a member of the THS graduating class of 1953. He attended the Michigan College of Mines in '54, then transferred to the U of M for the yrs. of '55, and '56, where he entered the school of Education, majoring in chemistry. He is a member of the Alpha Chi Sigma Fraternity. He, also, is a member of the Tecumseh Presbyterian Church.

V.F.W. And Aux. Held A Joint Christmas Party

The Hall Slater Post of the V.F.W. and the auxiliary held a joint Christmas party Sunday, Dec. 16, at 3 p.m. Cartoons and a story hour with Mrs. Warren Filter were provided in the lounge. At 5 p.m. a potluck supper was served to 71. After supper, everyone enjoyed singing Christmas carols with Mrs. Glen Driscoll at the piano.

Mrs. George Downard presented the following program at 6 p.m. to approximately 100 present for it. A "Welcome" recitation by Diana Stites; tap dancing by Joan and Gloria Green; recitation, "If I was Santa Claus" by Tom Kish; Christmas solo by Patty Schwede; recitation, "A Little Girl" by Ann Curran; accordian selections by Hal Warren; recitation, "Merry Christmas" by Jimmy Ash; a magician act by Belinda Amsler of Brooklyn with John Boyes and Glen Slick assisting her; recitation, "When Santa was a Kid" by Kathy Kish; and a closing recitation by Jackie Filter. To bring a very enjoyable evening to a close, Santa appeared and distributed gifts to all the children around the lighted Christmas tree. Mrs. Gaza Kish and Dean Schnierla were chairman.

Hines Approves Tecumseh Motel

A notice has been received by Mrs. A. C. Hamaker from the Duncan Hines Institute that the Tecumseh Motel has been approved for listing in his book "Lodging For A Night", beginning immediately. This is the only such approval granted by Mr. Hines in the southeastern Michigan counties east of Coldwater.

Police Report Shows Lots Of Activity

Four accidents were investigated the past few days by the Tecumseh Police Department.

A car driven by John Roger Finnegan, Tecumseh, and a car driven by Harold Ashenfelter, Tecumseh, collided Dec. 13 on the corner of Logan and Van Buren. Mr. Ashenfelter stated to police that icy streets prevented him missing the Finnegan car. About $35.00 damage was done to the cars.

December 13, a car driven by Walter Miller, Clinton, slid into a Tecumseh school bus driven by Robert Vernan Glasscock, Tecumseh, at the corner of Shawnee and N. Evans St.

On December 15, a car driven by Clarence Nichols, Tecumseh, and Earl LaVern Greene, Tecumseh, came together in a parking lot. Both stated rain and fog hampered visibility.

Rodger Wilson was taken to the county jail for reckless driving. He appears in Court today.

Frank French is in the county jail for disorderly conduct in the Rocket Tavern.

Elwood Palmer, Ridgeway was ticketed for driving 50 miles per hour in a 35 mile per hour zone on Chicago Blvd.

Ruby Ellen Shulter was ticketed Wednesday for running a red light on the corner of Evans Street and Chicago Blvd.

December 13, Carlos Barricklow, Tecumseh RFD., was ticketed for speeding 40 miles per hour in a 30 mile per hour zone.

Sunday, Mrs. Ryser, Ann Arbor was ticketed for speeding 53 miles per hour in a 35 mile zone.

Eugene Kuhl, Manchester, was ticketed for failurte to stop for a stop light.

Milton Doan, Adrian, was ticketed Monday for running through a stop light.

There were 17 violations for parking in fire lanes at the Tecumseh Products and on Main Street between the hours of 3 and 6 a.m.

The Police and Fire Department are presenting Christmas gifts to two needy families this year.

Immunize Children During Vacation

Arch Walls, M.D., President of the Michigan Medical Society, today signalled the start of an intensive campaign by Michigan Doctors of Medicine to urge that all parents have their children immunized against polio and diphtheria during the Christmas school recess.

" 'Operation Armor' is the keynote for the doctors' two weeks' drive to overcome public apathy towards protection from these two dread diseases," Dr. Walls said.

"Only if every Michigan family will avail itself of the ready supply of vaccine during this school recess time will any progress be made against the crippling and killing effects of these two viruses. Although school children constitute the most susceptible age group, immunization of every citizen regardless of age is the ultimate goal if these diseases are to be completely stamped out — and they can be," he added.

Dr. Walls urged every M.D. in Michigan to emphasize "Operation Armor" to his patients and added that vaccine supplies are plentiful.

V.F.W. To Hold New Years Party

The V.F.W. Hall Slater Post held their meeting Dec. 12, with a pizza pie dinner before the meeting. Plans were made for the Merchants and Manufacturers Show to be held February 8, 9, and 10.

There will be a New Years Eve party at the V.F.W. Home. It will feature music by Bud McEnroe. Dancing will be from 9:30 until ?. A smorgasborg dinner will be included in the price of the reservations. Reservations can be picked up at the club or from any member. Reservations are $2.00 per person.

Growth should be completely stopped before mulch is applied to strawberries. Wait until the ground is frozen an inch or so deep, say specialists.

Howard Wilson Jr. Honored At Scout Christmas Party

Howard Wilson, Jr. was the recipient of several very fine gifts Tuesday evening when the boys of the Webelos Den of Pack 73, Troop No. 73, and the Explorer Post held a potluck family Christmas Party at the Union Hall. Jerry Ireland presented the gifts from the boys, telling of the wonderful trips Mr. Wilson had taken them on including "Freedom Trail", to assist them in earning their merit badges, and also some of the things he has done to help them in their ever upward climb toward better Scouting in Tecumseh. Mr. Wilson thanked the boys, and stated that "all you need to do is ask, and I am ready to go". After this presentation, a number of awards and badges were presented, as well as a candlelight induction service for two boys entering Scout Troop 73, Paul Weaver, and Tom Miller. Mr. Wilson presented each of the boys with a leather tie slide; the Webelos have the Cut Scout emblem, the Boy Scouts the Boy Scout emblem, and the Explorers the Post number embossed in gold.

The boys brought canned goods to the meeting which will be given to the service club for distribution to the needy.

At the conclusion of the meeting, the boys clustered around their good friend, Ted McConnell, who proceeded to take them on a picture trip through Mexico. Much of the history, the educational facilities, bull fighting, cock fighting, and the typical life in Mexico as well as the silver, jewelry, hats and fabrics, and many other products made from the raw materials were shown in the pictures.

Cub Scout Pack Had Christmas Meeting Monday

The December meeting of Pack 73 was held Monday evening in the Union Hall. The theme of the meeting was "Christmas in the Americas". Den 6 had charge of the flag ceremony led by Claire Wise. The Webelos Den furnished the Christmas tree and the different dens decorated the tree and presented their gifts for the needy under the *guidance of Mrs. Fred Dickinson* Jr., Dick Gartee and John Snyder. Displays of Alaska, Brazil, Argentina, and the United States were presented by several dens.

Awards persented were as follows: the wolf badge was presented to Larry Kiser, Jeffery Robison, Timothy Dickinson, Russell Blanden, and Richard Brown; the bear badge to Ronald Clark, the wolf and a gold arrow to Wayne Brooks, the bear and a gold arrow to Kingsley Dunn, one gold and two silver arrows under the wolf badge to Fred Kachur, one gold and two silver arrows under lion to Richard Graham, a lion badge to Tom Matteson, and a lion and gold arrow, also one silver arrow under bear to Paul Kruse. One year service stars were presented to Robert Myers, Glenn Green III, Terry Haughn, and Billy Watson. Two year service stars were presented to ,Tom Matteson, Dick Hadsell Den mothers, Virginia Kruse and Ardith Oberlin, and Cubmaster, Irwin Richardson. A Webelos graduation card was presented to Charles Squires, and Bobcat pins to Larry Koons, Kim Rosacrans, Raymond Stewart, and Gary Maynard.

Santa Claus attended the meeting and presented the boys with treats, after which Christmas carols were sung and the Cubmaster led in the closing scout prayer.

Coast Guard Plans Expansion

Given a fair wind in recruiting, the U. S. Coast Guard plans to exceed the 30,000 personnel complement mark within the next few months.

Coast Guard officials announced that additional ships, planes and stations are being added to the Coast Guards present strength to meet the increasing duties of that branch of the Armed Forces. Approximately 2,000 men will be enlisted to fill existing vacancies in these billets.

Until recently, enlistment quotas for the regular Coast Guard were small, but now, with a greater demand for personnel, enlistments are wide open and immediate and planned to remain so during 1957.

Young men between the ages of 17 and 26 or men with previous military service to 35 years of age who desire information relative to enlistment in the regular Coast Guard may either write, call or visit the Coast Guard Recruiting Station located in the Veterans' Building, corner of Jackson and Huron Streets in Toledo, Ohio (Phone CHerry 8-2132).

Porcupine Story A 'Tail' Of Woe For Luckless Foe

You can't travel long in northern Michigan without glimpsing that exotic-appearing creature, the porcupine.

Because of its well-armored body it is one of the most fearless of mammals, says William H. Burt, curator of mammals and professor of zoology at The University of Michigan.

"If the porcupine is on the ground and is approached by an enemy, it tucks its head down between its front legs and presents its rear to the foe," says the professor. "With the slightest touch on the rear the tail is swished sideways at lighting speed.

"If the adversary happens to be within reach of this formidable weapon it receives many barbed quills. The inexperienced dog or coyote that walks into this trap often does not live to repeat the experience!"

According to Professor Burt, porcupines den in hollow trees and logs or in caves among rocky outcrops. "During a large part of the year they are colonial. As many as 20 or more may live in the same shelter, if it is sufficiently spacious to accommodate them," he says.

"Usually one young is borne by a female. At birth the young porcupine generally weighs over a pound, has its eyes open, is clothed with long silky hair, and is able to climb within a few hours. The short quills are apparent on the second day after birth, and the young porcupine is not only able to shift for himself within a few days, but is able to throw up his 'spine screen' against his enemies. The mother pays very little attention to her offspring," says Professor Burt.

"In spite of the extremely slow rate of reproduction, the porcupine is able to hold its own against great odds. Apparently, the infant mortality is extremely low. Man is the porcupine's main enemy," he states.

For diet, the porcupine favors the bark of many trees, but it is also fond of meat. The animal eats almost any plant available.

Professor Burt says the porcupine does considerable damage to buildings and communication lines in parts of the state. "The forester complains, legitimately, of its damage to trees. It is a prodigious gnawer of woods, especially if they are flavored with salt. Out-buildings and cabins vacated during the winter are likely to suffer from his depredations," he comments.

"In the porcupine's favor it may be stated that it is a source of food for the man who happens to be lost in the wilderness. In the past the Indians used the quills as decorative elements in their crafts," he says.

President Calls For Attack On Accidents

"For eighteen months American traffic fatalities have been increasing. If this trend continues through the rest of the year, we will have the highest motor vehicle death toll in history."

With these words President Eisenhower endorsed the new National Safety Council program to BACK THE ATTACK ON TRAFFIC ACCIDENTS.

Because highway fatalities usually reach their peak during December holidays, the campaign opens this month and will continue through 1957. Churchmen everywhere have pledged support.

In a special edition of Public Safety designed to kick-off the ATTACK the Council lists "The Facts" on traffic mishaps. Among them: Last Christmas week-end, a record 609 immediate traffic deaths were recorded from 6 p.m. Friday, December 23 to midnight Monday, December 26. Excessive speed and drinking drivers were the two greatest influences — having almost three times normal effect — on the 1956 Christmas holiday toll. Drinking drivers were involved in nearly 55 per cent of the fatal accidents although normally they are involved in less than half of such cases.

Plans Being Made For Scout Jamboree In July

America's youngest, newest and busiest city for over 50,000 persons will teem with excitement next July 12 to 18. At the moment it doesn't exist.

A 1,500-acre tent city will house the Fourth National Jamboree of the Boy Scouts of America at historic Valley Forge in Pennsylvania. In it boys from all walks of life, of all races and creeds will live together, exchanging skills, swap home-town products, and learn about the customs and traditions of many sections of the nation.

"The purpose of the jamboree," says Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts of America, "is to strengthen the program of the individual unit and to provide an opportunity for boys to be associated with Scouts from all parts of their own country. This living together in a spirit of brotherhood and friendship is one of the continuing objectives of our movement and the basis upon which we undertake this gigantic task."

Valley Forge Park is owned and maintained by the Commonwealth of Pennsylvania which invited the Scouts to camp there.

Indians Defeat Cranbrook By A One Sided 64 To 38

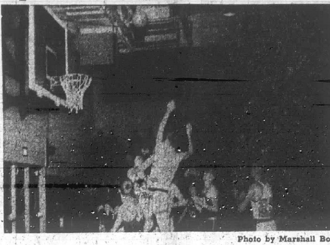

Photo by Marshall Boike

By John Barton

The Tecumseh Indians were able to breeze by Cranbrook by a one sided 64 to 38 Friday night. The starting lineup for Tecumseh was Miller, J. Elliott, Hansen, Yoakum and Larned.

Cranbrook took the tip but had bad luck with the ball. Miller hit 2 foul shots after 30 seconds of play. Then Miller hit 2 more charity tosses. Bernie Harris, No. 12 for Cranbrook, made their first 2 points with a lay up shot. The second score was the same kind of play, with Bob Klein shooting. The quarter ended with Tecumseh leading 15-11.

Cranbrook has possession as the 2nd quarter began. The ball was passed around, they shot and missed. Tecumseh took the ball down, same procedure, Hansen shot and missed. Miller missed a free throw but Hansen tipped it in. Cranbrook took a foul shot off Hansen but missed and McDowell scored a nice one hander. Just before the end of the half, McDowell shot from under the basket to make the score at half time 32-18.

The Indians picked up 10 points from free throws in the first half and everyone on the team scored.

In the 3rd quarter, Bob O'Neil did a nice job of outcourt shooting, hitting with 4 baskets. John Elliott made 2 free throws and Yoakum scored with a layup. With 15 seconds to go, Cranbrook shot and missed, Hansen got a free throw and missed. Cranbrook went down the floor and shot as the buzzer sounded the shot was missed. The score was then 46-29.

In the final quarter, Tecumseh took the ball, and Miller made a layup shot and then sunk 2 free throws with ease. Cranbrook took the ball and gained one point from the foul line. A long pass thrown way down the floor to Miller paid off. Hansen followed with a dog shot. Several plays failed to pay off but McDowell finally scored, Miller sunk one from in front of the basket. Scott Harvey fouled with 1:45 seconds to play. They misses and Harvey scored to make up for the foul. As the crowd counted off the last 5 seconds, the ball rolled outside. With 2 seconds left Miller scored 2 free shots to make the final ssore read 64-38.

The high point man for the Indians was Miller with 24 points. For Cranbrook, Harris and McCall had 9 points each. Cranbrook had a good group of ball handlers and the game was fast all of the way. They worked in play after play but were unlucky shooting and were penalized frequently. Tecumseh pickwed up another 10 points on foul shots in the second half.

The score by quarters:

Tecumseh	15	17	14	18	64
Cranbrook	11	7	11	9	38

This will be another Non-league game. Tonight. (Thursday). We welcome Adrian to our gym. Play begins at 7:00 p.m.

Boysville Drops 2nd League Game To Manchester

Last Friday night the Dutchmen of Manchester downed Boysville by the score of 73-57 in one of the most xciting games played on the Boysville hardwood.

The Dutchmen, gaining the jump on the Knights in the first quarter, never relinquished it as the Boysville five fought hard to score over the heads of the tall Manchester squad from the outside. The Dutchmen, however, controlled the boards, allowing the Knights to come close in scoring in the second and third periods only.

Carry and Valesquez led the Knight scoring with 20 and 14 tallies each. Taylor hit for 9 Knight counters. This marked the second League loss for the Knights this season.

Say you saw it in The Herald.

Anita Ekberg Stars In Jungle Adventure

"Back From Eternity" promises to be one of the season's most thrilling motion pictures. Featuring a fine group of Hollywood names, it was made for RKO by Producer-Director John Farrow. It comes Dec. 23 to the Strand Theatre.

[illegible]obert Ryan, Anita Ekberg and Rod Steiger, this new adventure drama deals with a sudden and unexpected doomsday [illegible] the lives of eleven plane-crash survivors marooned in the Jivaro headhunter region of South America's jungle wilderness.

Ryan, well-known romantic strongman of many motion-picture situations, portrays the airplane pilot who turns out to be less of a fatalist than he pretends. Blonde, famous Miss Ekberg will be seen as the typical problem child of the world's immigration offices, a girl without a country.

Hollywood's newest headliner, Rod Steiger, has the role of a condemned revolutionary assassin being returned to his South American homeland for execution.

What does this famous product have to do with TECUMSEH

Ken-L RATION
DOG FOOD

...besides justify your dog's trust in you?

"Christmas time *is a season of good cheer and of counting one's blessings. One of the blessings we count at The Quaker Oats Company is the excellent character of the people who help us turn out quality Quaker Oats products. And we are blessed to live in such a fine community with so many wonderful people. To all Quakers, and to all our good neighbors here, we say 'MERRY CHRISTMAS' and add our good wishes for a happy holiday season and a New Year full of achievement!"*

DONALD T. NIXON
Manager, Tecumseh Quaker Oats Plant

For his trust, your dog deserves the best—Ken-L-Ration's *lean red meat* as his reward at mealtime! Ken-L-Ration is packed with choice cuts of U. S. Government Inspected horse meat that vets will tell you is better for dogs than poor quality meat scraps. Every can is a complete meal—fortified with vitamins and minerals, every nutrient a dog is known to need . . . even chlorophyllin to stop doggy odors and bad breath. You can see why Ken-L-Ration—and popular Quick Ken-L-Meal and Ken-L-Biskit—are important to local dogs!

For another reason, they're equally important to local *people*. Because these famous Ken-L-products are made by The Quaker Oats Company, they have a special meaning for many of your friends and neighbors. These local people *work* for The Quaker Oats Company, and they take pride in all Quaker products. For more than a hundred years The Quaker Oats Company, with its predecessors, has built its reputation on quality and purity in the products it turns out to meet your needs!

THE QUAKER OATS COMPANY SERVES YOU WITH THESE AND OTHER FINE PRODUCTS

CHRISTMAS 1956

Matt. 14:25 "And in the fourth watch of the night Jesus went unto them, walking on the sea."

Matt. 14:29-31 "And he said, Come. And when Peter was come down out of the ship, he walked on the water, to go to Jesus.

"But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me.

"And immediately Jesus stretched forth his hand, and caught him, and said unto him, O thou of little faith, wherefore didst thou doubt?"

The miracles which are recorded in many passages of the Bible had a profound effect upon those whose lives were tounched by them because they were done with a calm authority and confidnce that spoke eloquently of their divine origin. They were a challenge to the followers of Jesus during His ministry as a physical presence and to us today to have faith in God's Messiah and act according to His word.

Jesus did not write His teachings on golden tablets to be enshrined in great temples which time would destroy. He wrote them deep within the hearts and minds of living men and women where His message could not be stamped into oblivion by any sort of ruthless oppression nor worn away by the impartial attrition of time. This is the strength of Christianity — that is needs no outward trappings. With its message of hope and concern for the dignity and worth of each human being, it brings the greatest comfort and burns the brightest within those most sorely oppressed. This Christmas of 1956 let us all pause once more to burnish anew our thoughts of Him who came to build a Kingdom in our hearts. His teachings lend meaning to the humdrum life, dignity to the unfortunate, hope to people who have none and courage to those who must do the impossible. This troubled Christmas all men would do well to remember His outstretched hand and His words to one who was sinking into a stormy sea "Oh thou of little faith, wherefore didst thou doubt?"

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

During the Great Depression the British government, to combat further economic disruption, promoted by the "Buy British" idea through which propaganda was carried all through the Empire imploring British subjects for their own welfare to buy only British made goods. It is considered to have helped to a substantial degree.

C. W. Harder

* * *

There are many who now wonder if a grass roots drive to sell American people on the principle of buying American would not be to nation's long range advantage.

* * *

It is doubtful that the internationalists in government would permit such a step to be taken by the United States government at present.

* * *

Probably the best evidence of this was the recent raising of the tariff rates on imported woolens and wool worsteds. This action was taken to stop the death of the American textile industry, but as usual, it was a half measure in the opinion of mill operators who must compete with foreign goods.

* * *

It has now become that the label on merchandise "imported" means nothing. At one time some fine British woolens were shipped into this country. But lately, all grades of British material is brought into the U. S. riding on the coattails of the reputation enjoyed a few years ago.

* * *

But the cheaper British material is not the only goods riding on the coattails of this reputation. Since the war, largely through American aid, the Japanese have also become big makers of woolen goods, imitating the British fabrics. The result is that today when a customer sees a garment labeled as made of imported woolens, no one knows what it means.

* * *

The only sure way of getting top quality today is to buy woolens made by the better American mills. Unfortunately the public is not too aware of this.

* * *

It is high time, many believe, for the nation to again show real old fashioned pride in American free enterprise. Fieldmen of the National Federation of Independent Business are finding a real response from the public to the urging of that organization to trade independent. There is every evidence at the grass roots that traditional American concepts are cherished; only Washington seems unaware of them.

* * *

A perfect example is found in the wool import situation. Besides U. S. textile mills, imports of cheap woolens has been hurting American agriculture in the sheep growing industry. Sheepmen were protesting.

* * *

So the U. S. government made a deal with them. Out of the tariffs on wool imports, funds are being given by the government for the sheep industry to carry on a nationwide advertising campaign urging people to eat more lamb. Thus it is hoped that the campaign will be so successful that it will raise the price of lamb, thus making up to the grower what he loses on wool due to cheap imports.

* * *

In other words, what is given away to foreigners, it is hoped will be made up by the American consumer paying higher prices for lamb.

* * *

Thus, as witnessed many times in the past few years, government's first solution to any problem seems to rest on taking it out of the hide of the American.

Tecumseh BOOK SHELVES Library

BOOKLIST

New Biographies:

"Joe DiMaggio, the Yankee Clipper", Schoor, G.
The baseball hero who made the 1955 Hall of Fame and married Marilyn Monroe.

"Francis Marion, Swamp Fox."
The greatest guerilla fighter in the American Revolution was Francis Marion. Incredibly daring, he terrorized the entire British army in South Carolina, then vanished ghost-like into the swamps.

"Isaac Newton," Sootin, H.
In the Great Plague Year of 1665, a shy student used his leisure time to experiment. In his ill-equipped room, young Isaac made 3 discoveries which were to excite the world of science and start him on an amazing career.

"Benedict Arnold," Nolan, C.
Here is a thrilling, and ad- of espionage, intrigue, and adventure. Of how a man and his beautiful wife played a dangerous game that could have cost our country its independence.

"Booker T. Washington," Graham, S.
This is the inspiring story of a modern Moses who led his people out of bondage. Born a slave and suffering the worst poverty, high honors always came as a surprise. He died among the red brick buildings of the famous Tuskegee Institute which he had helped to build, brick by brick.

"The Living of These Days,,, Fosdick, H.
Great personalities, great issues, and great events throng these pages, seen through the wise and perceptive eyes of one of America's greatest preachers.

"Young Mariner Melville, Gould J.
The author of Moby Dick led a most exciting life filled with adventure.

"Much Ado About Me," Allen, Fred.
A warm, wise, and wonderfully entertaining autobiography, jammed with extraordinary events and people.

"The Heart Has Its Reasons."
In this book one of the century's most famous yet least understood women—The Duchess of Windsor—tells the great love story of our time.

Can You Fight Off Flu on the Job?
No, in fact, it is highly important to stay in bed from the time you catch influenza until you are completely recovered and the danger of complications is past. Most of the half million Americans who are believed to have died of influenza in the epidemic of 1918-1919 were actually killed by the complication of pneumonia.
Your doctor can provide you with effective help in preventing influenza and with lifesaving care during illness. We can fill any of your prescriptions promptly.

"House hunting is a new experience for us," said youthful Tom Clanton. "We'll undoubtedly need some help."

"Fine," I replied, "that's what we're here for."
After driving past a few homes, I selected one which I knew was "right" for them.
"We like it," Tom admitted, "but we don't know what to do next. However, I'm sure we'll have to get a loan to buy it."
"Our job is not only to help you find the right home," I replied, "but to help you figure out some way to make it financially possible. Let's talk it over and determine what kind of financial assistance you're going to need."
"That's a good idea," Tom said, "we really appreciate your interest in our home problem."
Within a little while, a "plan" was worked out. Tom bought the home.
Perhaps you may not be aware of the tremendous help we can provide in solving your housing problem. Essentially, that's our business. Give us a chance to assist YOU.
All it takes to get us started is a phone call, or a visit to our office.

Grade School News . . . . . .

PATTERSON SCHOOL NEWS

Kindergarten—Mrs. Updike

Excitement, work and fun! We will tell you just this much. We have Mother's gifts all finished and they make our whole kindergarten smell beautiful!

We expect our old friend Santa on Thursday the 20th. We can all find that number on our December calendar. He told Mrs. Updike on our magic phone that if he had a little extra surprise he would bring it to us.

We wish you could all see our Christmas corner. The fireplace with Santa all lighted up coming down the chimney, our big tree with the trimmings that we made all over it; and the gifts under it. We wont' open them until the party day—December 21st. We hope you all will have a happy Christmas.

First Grade—Mrs. Buttolph

Now we can tell you some of our Christmas secrets. The secret we are proudest of is the one about our Christmas tree decorations. Kathryn Mead's mother made the decorations out of ginger-bread. The reasons why we like them so well are that they are so different. She made them to look like the people, pets, and toys we read about in first grade.

We have been working very hard making gifts for our mothers and fathers. We think they are real nice. We hope they like them.

Third Grade—Miss Baker

We helped celebrate Marilyn Dick's birthday. She is nine years old.

All of us in the first group in reading are enjoying stories from a reader called Tall Tales. The stories are real funny.

Speaking of stories would you like to read a story that Marilyn made up for language class? Good! We were supposed to make the story up, using four pictures to guide us. Her title is: HIDDEN TOO WELL!

"Yesterday Janet and Joe thought they had found a fine place to hide for a game of hide and go seek. They hid behind some bushes. Janet and Joe didn't notice Mr. Jones coming with a sprinkler. Mr. Jones put the sprinkler down by the bushes and turned it on. Janet and Joe got out of the bushes as fast as they could. They were all wet!"

Our room looks real "Christmasy" with all the decoration, trees, pictures and Santas we have made.

We listen to Christmas records every day and sing Christmas calols and songs. It's all we can do to wait for Santa to visit us with his pack Christmas eve. All of us have been extra good. We hope you have been, too, so he will visit you and leave all you wanted.

We all wish you a Merry Christmas.

Fourth Grade—Mrs. Osburn

The fourth grade have been listening to many Christmas stories this week, and have been especially interested in hearing how children of other lands celebrate Christmas.

Our room is decorated and we are ready to hang our own ornaments on our tree. We had lots of fun making these from all sorts of things, and they are quite original and very pretty.

We are also very proud of an average of eight and a half points out of a possible ten points that we could earn on our sixth Self-Testing Drill in arithmetic.

Fifth Grade—Mrs. Osburn

Have you ever heard of "Elmer, the Worm?" Our grade has been enjoying the stories about him in "Boy's Life" magazine.

Mrs. Westdyke, art supervisor, visited our room last Wednesday and showed us how to make Christmas decorations from things we usually throw away.

Jim Osburn made a Santa Claus puppet from newspapers. It works real good.

Terry Beland brought three sugar bells to school for Christmas. They are pink and white and very pretty.

The boys and girls of the fifth grade have formed a club called the Patterson Good Citizenship Club. We meet Thursday afternoons during our Social Studies Class. The following officers were elected:

President—David Dustin
Vice President—Alison Derby
Secretary—Barbara Colgrove
Treasurer—Fawn Choske
Reporter—Joseph Hanna

The D.A.R. is sponsoring our club.

The sixth grade has been practicing three Christmas Plays. The "Christmas Pageant," will be presented at our all school Christmas Program Friday afternoon. The "Christmas Carol," and "The Man On the Street," we will put on for the third, fourth and fifth grades, in their rooms.

CENTRAL SCHOOL NEWS

Miss Luken's room had a new experience when they worked with payon, a pressed crayon that dissolves in water. Barry Lamkin brought some Christmas stencils to school and the children really enjoyed using the payons with these.

Mrs. Lamkin made for Christmas a chalk drawing on one of the blackboards. The class really feels it's a treat to have such nice art work done for them and thank Mrs. Lamkin for being so generous with her time and ability.

Mrs. Neitling's first graders have been making a birthday book for Peggy Leighton, who has been ill with chicken pox.

The boys and girls are enjoying reading a new book, Tom and Susan, very much.

Mrs. Van Winkles second grade had a pleasant experience Wednesday, Dec. 12. Mr. Purkey took us to Detroit on the big "Indian" bus. Many of us had never been so close to Detroit before, or ridden on a bus. The most wonderful experience of all was "Christmas Fantasy".

Ford Motor Co. was our host at the Ford Rotunda building. This big round building with its high sky like ceiling was transformed into a beautiful fairyland. Tree, lights, elves, Santa, nursery book characters, North Pole, dolls and more dolls were on display.

When we returned we discussed our trip and decided that the beautiful life size Nativity Scene was what most of us enjoyed most. We also enjoyed the cartoons.

Then we got busy and wrote to all the mothers who have been such a help to us during our trip and all the others who helped make this one of the most unforgetable days we have ever known.

Mr. White's science class has been busy making yellow fire by using sodium and green flames with boric acid. They also tested for acids and bases by using litmus paper.

In Language they made reports on souvenirs of travel, collections, books, pictures that they felt would be of an interest to the rest of the class.

The basis of Christmas is love loving its enemies, returning good for evil, love that 'suffereth long, and is kind."

—Mary Baker Eddy

Merry Christmas

The blessings of the season be with you always.

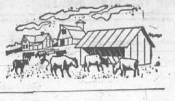
NEWS OF THE FARM



Lenawee Co. Agricultural Agent's Column - - - - -

Soft corn has about the same feeding value as mature corn on a dry basis, points out Ass't. county agricultural agent Ingerson, to Lenawee county dariymen.

But, he reminds, it takes more pounds of soft corn to give the same feeding value as mature corn. The higher moisture content of the soft corn makes the difference.

About one and one fourth pounds of soft shelled corn will equal one pound of No. 2 corn. And about one and a half pounds of soft corn and cob meal will equal one pound of corn and cob meal made from mature corn.

Agent Ingerson points out that soft corn should be used in cold weather because it spoils easily when weather is warm. He also cautions to use soft corn in small amounts in grain mixtures to avoid heating and molding.

Dairy cows should be accustomed to soft corn gradually to prevent any digestive tract disturbances, reminds Agent Ingerson.

☆ ☆ ☆

Farm land values will likely stay at least at present levels in the near future.

This report was made by Karl T. Wright, farm economist, according to Louis Hall, Lenawee county agricultural agent.

Wright says pressure to cut the cost of producing each unit of farm products, the increased demand for land for non-farm uses and the soil bank program will keep land prices from falling any sizeable amount.

Land prices increased 6 per cent in 1956 in spite of tighter credit and lower farm income, says Wright. They are now three times as high as in 1940.

Farmers should weigh results of buying more land carefully before making a purchase.

It takes larger amounts of corn, beans and other farm products to pay for each acre of land than it did several years ago, Wright points out.

☆ ☆ ☆

During the barn feeding season, there are many chances for sheep to get their wool dirty, Ass't. County Agricultural Agent Ingerson points out to Lenawee county sheepmen.

Changing the feeding arrangements may remove some of these causes of dirty wool.

Graydon Blank, sheep specialist suggests that proper feeding racks can do much to keep chaff out of the wool. This is a particular problem with chopped hay. Solid side racks will reduce the chaff problem and Agent Ingerson says that plans for this type rack are available at the county extension office.

Sheep may also be fed hay outside directly on the ground, especially when baled hay is being used.

Housing space and ventilation should be ample, points out Blank. When sheep are housed too closely, wool becomes [illegible]ained easily.

Good Nursing Helps Check Swine Influenza

Swine influenza, a condition caused by a virus, is a seasonal problem that hog producers should guard against, the American Veterinary Medical Association warned farmers today.

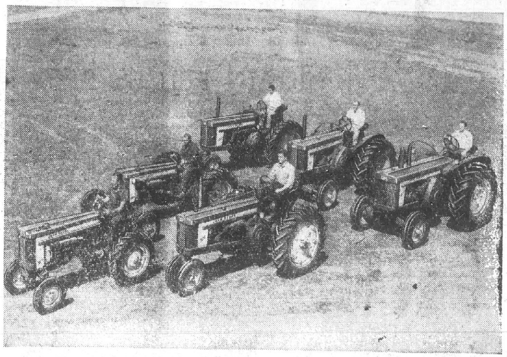
Other factors are involved in bringing on attacks of this condition, the Association says. Such things as changeable, chilly and damp weather and the presence of other micro-organisms, when combined in the right way, seem to be predisposing factors to this disease.

The first indication that the disease may be present is a rather loud, hollow cough. Later the affected animals show signs of thumpy breathing, high temperatures and reduced appetite.

Veterinary authorities point out that these symptoms could indicate a disease other than swine flu. Hog cholera may show itself in much the same way and because it is a much more serious condition needing specific treatment, a veterinarian should check the herd to determine the exact nature of the condition.

The care of pigs with "flu" should be very much the same as that of human beings suffering from an attack of the flu. The sick pigs should be kept as quiet and comfortable as possible. They should be given dry, draft-free quarters with plenty of dry, clean bedding. Fresh, clean water should be supplied in abundance, and the ration should be light and easily digested.

"Farm Profit" Theme For John Deere Day



It's that time again, and another "John Deere Day" for Tecumseh will be held Saturday, January 5. Farmers and their families from far and near will be present. The day will begin with showing of the first of five full color films at Strand Theatre at 10 a.m.—and will continue on through the day.

Many new and unsual machines and their uses will be shown, both on film and on the Whelan lots. "Farm Profit" is the theme of the day and every showing will be loaded with ideas and ways for more profit from less land. All farmers and their families are invited—free tickets available at the Whelan office.

December 31 Final Filing Day

Mr. T. O. Brittain, Chairman of the Lenawee County ASC Committee, would like to advise farmers that the final date for filing applications for a payment under the 1955 Agricultural Conservation Program, for carrying out soil building practices, is December 31, 1956.

Payment of Federal cost-shares will be made only upon application submitted on the prescribed form to the Lenawee County ASC Office, located at 118 West Church St., Adrian, Michigan, on or before December 31, 1956.

Coccidiosis Sneaks Up On Poultrymen

Intestinal coccidiosis sneaks up like a thief in the dark and it takes a sharp poultryman to spot it in his flock, note extension poultrymen.

The disease commonly strikes between seven and 16 weeks of age, but poultrymen are seeing more of it at more advanced ages, up to the time chickens come into production. It does not have many of the symptoms of cecal coccidiosis. There is usually some diarrhea and many pale birds may huddle in small groups around the house.

The symptoms are not striking, and the only way that the disease is spotted in many cases is when the healthy birds become noticeably larger than infected ones.

The coccidia are difficult to destroy with disinfectants, but the first method of control should be thorough cleaning, disinfection and sanitation, the poultry specialists insist.

Most of the preventive medications that control the cecal type will aid in holding back the intestinal type of coccidiosis, but some are less effective. Treatment with sulfa drugs is recommended, and all moist and caked litter should be removed. Care should be taken to assure a clean water supply, and extra cleaning may be required.

A preventative program will cost about one cent per bird for the first twelve weeks, the specialists estimate.

Farmer's Week Slated For Jan. 28 - Feb. 1

Theme for 1957 Farmers' Week at Michigan State University is "Blueprint for Tomorrow's Agriculture."

Dates for the event are Jan. 28 to Feb 1, according to Ralph W. Tenny, director of M. S. U. short courses and coordinator of the event.

Programs and exhibits have been closely coordinated with the joint efforts of the state's farm organizations to develop a plan for building Michigan's agricultural industry into one of the most forward looking and prosperous in the nation.

The farm groups' recommendations for reaching this goal were contained in a recent report called "Michigan's Blueprint for Rural Progress."

Departments in M. S. U.'s College of Agriculture will describe the services that each can make available to assist Michigan agriculture to reach the goals set up by the farm organizations in this report.

MACON NEWS

MRS. HAMILTON MOORE

Correspondent

The Macon Sunday School Christmas program has been changed from Friday evening to Sunday evening, December 23, at 7:30. The musical planned by the Junior and Senior choir has been cancelled because of illness. The choirs will sing a few selections on Sunday evening.

Reverand and Mrs. Donald Bates and family spent Saturday in Ohio.

Mr. and Mrs. Ronald Pilbeam were Sunday guests of Mr. and Mrs. Sam Corso in Detroit.

Mrs. Lila Howell spent the weekend in Wayne attending the wedding of her grandson, Dick Howell.

Mrs. Leota Sanch entertained the members of the Trim Tops Club, Tuesday evening. Mrs. Harold House of Tecumseh was a guest.

The Macon Official Church Board met Tuesday evening. It was decided to build the church platform entirely across the front of the church. A new choir director is needed. Mrs. Gieger is unable to continue in her capacity as director. Her services have been greatly appreciated.

Mr. and Mrs. Hamilton Moore, Sr., and Mr. and Mrs. Hamilton F. Moore, Jr. spent Sunday afternoon calling on Mr. Dennis Dowling who received a broken leg Friday evening, Mr. George Ernst and Mr. William Grigg, all patients, recovering at Bixby Hospital in Adrian.

Rev. and Mrs. Bial Simons of Flat Rock were Monday supper guests of Mr. and Mrs. Hamilton F. Moore.

Mr. and Mrs. Floyd Barritt, Mr. and Mrs. Mills Swick called on William Grigg a patient at Bixby Hospital in Adrian Saturday evening.

The Macon Hobby Club entertained their husbands at a turkey supper Saturday evening. Thirty-six attended. The tables and room were decorated in the Christmas theme. Following the supper, the secret sisters were revealed and their gifts exchanged. The evening was spent playing cards, games and visiting. The January meeting will be held with Mrs. Luella Bigelow. They are to bring their textile paints.

Sunday dinner guests of Mr. and Mrs. Lilbeirn Burleson were Mr. and Mrs. Jesse Ross of Hillsdale, Mr. and Mrs. Phil Jones and son of Kalamazoo, Mr. and Mrs. Ralph Krebs and family, Mr. and Mrs. Alex Walden and family of Tecumseh.

The Macon Boy Scout Troop 76 held their Christmas party Saturday evening with Larry Niedlinger. The boys and their guests spent the evening dancing. Gifts were exchanged and refreshments of Cocoa, Coolade and cookies were served. Beginning Monday Dec. 17th the meetings will be held on Monday instead of on Tuesday.

Charles Ricicia entered St. Joseph Hospital, Sunday to undergo surgery on Monday.

George Ernst a patient at Bixby Hospital planned to go to his daughter's Mrs. Basil Smith in Adrian, this week.

Merry Christmas

North of Airport on M-52

The Tecumseh Civil Air Patrol was well represented in the search just concluded for a lost Air Force T-33 jet trainer. The missing craft was on the way from Sioux Falls, South Dakota to Westover, Mass. It was due over this area about midnight December 8. His last radio check point was Goshen, Ind. and his next was Cleveland, Ohio. The pilot was Lt. Davis and the passenger was an airman hitching a ride.

The Adrian airport was the base of operations for six days of searching. The search area was 7,200 sq. miles from Lake Erie to Lake Michigan and 60 miles north. In the ground search 1,503 hours was spent using 20 mobile and 18 fixed radio stations a day.

Local senior C.A.P. personnel participating were local C. O. Richard E. Jacobs, and Capt. Elmer Burleson. Local cadets participating were Sgt. Boike, Pfc. Packard, Pfc. Naugle, Pfc. Deaner, Pvt. Holdridge, Pvt. Hand, Pvt. L. Hartsell, Pvt. C. Hartsell, Pvt. Holden, Pvt. Kempf, Pvt. Koelbel and Pvt. Kachur.

☆ ☆ ☆

In addition to its role in search and rescue and in aviation education for young people, the Civil Air Patrol—America's largest youth-aviation program—has been cited for aiding the fight against juvenile delinquency.

In a statement to the editors of the National Geographic Magazine, J. Edgar Hoover, director of the Federal Bureau of Investigation, called the CAP cadet program "a unique contribution in the fight against juvenile delinquency.

"The energy of youth must be utilized in some manner. The channels into which it is directed may by either creative or destructive. Certainly the work of the Civil Air Patrol, through the teaching of aeronautical subjects and the inculcation of military discipline and courtesy, is one very effective means of reducing the opportunity for delinquency. Discipline and respect for law and order is directed into absorbing and constructive pursuits."

In conclusion Mr. Hoover declared:

"I believe that the cadet program of the Civil Air Patrol is a unique contribution in the fight against juvenile delinquency as well as added insurance that we will have eager young explorers probing the unknown airways of tomorrow. Certainly it is a program which holds a real challenge for young Americans."

Today more than 51,000 teenagers between 14 and 18 years of age, are wearing the Air Force uniform with Civil Air Patrol insignia in squadrons, groups and wings, in 2,500 American communities. On December 1, 1956 these cadets and another 39,000 adult members celebrate the fifteenth anniversary of the founding of the Civil Air Patro.l.

RIDGEWAY

Elmer Linn
Correspondent

Mrs. Leslie Marks was an Ann Arbor visitor Thursday.

Several friends from here attended the funeral of Mrs. Rose Cox at Green Funeral Home in Tecumseh Thursday.

Mr. and Mrs. Elmer T. Pocklington left for Florida Sunday to spend the winter.

Mrs. Eugene Drouillard and infant daughter returned home from Herrick Memorial Hospital Sunday.

Mrs. Mary Pate of Adrian spent Saturday with her sister, Mrs. Stella Hite.

D. J. Frayer of Britton was a guest of David Linn Saturday evening.

The Sunday School Christmas program of the Methodist church will be held next Saturday night Dec. 22.

Mrs. Genevieve Sisson returned home from Herrick Memorial Hospital Saturday.

Mrs. Mabel Greenwood, and Shirley and Pat Haebric of Wayne were Sunday guests of Mr. and Mrs. Felix Haebric.

Mrs. Robert Gauthier of Detroit called on friends this past week.

—o—

The holiest of all holidays are those kept by ourselves in silence and apart, the secret anniversaries of the heart, when the full tide of feeling overflows.

—Longfellow

Local Lady Received Christmas Poem

The following poem was written to Miss Bertha LaPointe of 416 S. Pearl St. by C. E. Barker of Portland, Oregon. Mr. Barker was Miss LaPointe's Superintendent when she was in High School in Illinois. He writes a column for several Portland Newspapers.

For Unto You
The stars shine bright,
Hushed is the night,
The flocks their folds confining
On Marys arm
Secure from harm
A golden Babe's reclining.
God's angels sing,
Their anthems ring
A melody of joy.
The troubled earth,
Glad, hails the birth
Of Mary's Godlike boy.

Roused shepherds seek
The mother meek
And Babe in Bethlehem.
The heavenly Boy,
The angel's joy
Thrills and mazes them.

Lo! Magis from
The Orient come
With treasurers, gold and myrhh
Enraptures she
That God should be
A living Hope through her.

Letters Received By Santa Claus

Dear Santa Claus

We want three sleds, big, medium, small. We want three pogo sticks, big, medium, small.

From Teresa
David Jeanne

Dear Santa

My name is Mark Knight. I have a new home with Mama Frances and Daddy Elmer. I like my new home. I have been a very good boy. Please Santa, I would like a gun holster, remote control car or any other toys you think best for me.

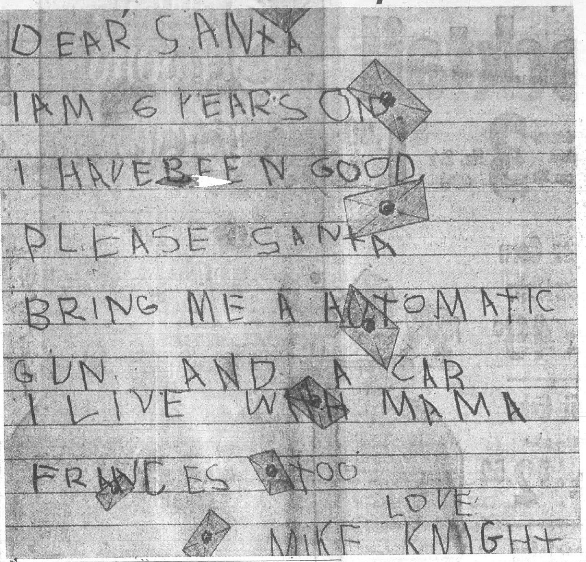
Love
Mark Knight

Dear Santa Claus

I am 8 years old. I am in the third grade. I go to West Branch School. My teachers name in Mrs. Lasky. I live on 216 West Pottawatamie. I have been a good Girl most of the time. My Mothers name is Esther and my fathers name is Keith. I have a Brother named Jerry and a Sister named Jolene. This Christmas I would like a baby doll, a train,stiles, a flying swan, a robot, the rowboat, a typewriter.

lots of Love Jana Barron

PS I would like a pair of puppets.



DEAR SANTA
I AM 6 YEARS OLD
I HAVE BEEN GOOD
PLEASE SANTA
BRING ME A AUTOMATIC
GUN AND A CAR
I LIVE WITH MAMA
FRANCES TOO
LOVE
MIKE KNIGHT

MERRY CHRISTMAS

This letter to Santa seems to be worth your most thoughtful consideration. If you would like to make their Christmas a happier one, contact Don Purkey before Sunday, December 23.

Just West Munger Road
North of Keeney Orchard
Route 1
Tipton, Michigan
December 10, 1956

Hello Mr. Santa Claus

I am a little boy 7 years old, will be 8 12-29-56. Santa I have a little brother 4 years old, 2 little sisters, one is 18 months old, one is 3 months. Santa are you coming to my house this year. I will have the Nabor bring his tractor and fix the road better than it was last year. My Daddy has been sick 4 years. Can't work like other little boys and girls Daddy can. Santa if you do get around to come to my house I would like a snow suit and a rain cap even if some other child has thrown it away, size 12, cause I have to walk 2 tenths of a mile to catch my bus for school. I get all cold and wet when it rains. Could it be possible my little brother would like a top, sister a doll baby, a rattle box. Dad and mother said if the children just only get something they would be happy. You see Santa we have lived here at Tipton 21 months with out electricity. You see they are going to try and get it in for Christmas. That is why Daddy won't have no Christmas.

Thank You
Bertie Junior Barnett, age 7
Earlie Ray Barnett, age 4
Helen Mario Barnett, age 18 mo.
Dorie Louise Barnett, age 3 mo.

Dear Santa Claus

I've been a very good girl. I go to school in Tecumseh at the West Branch School. My girl friend is Jana Barron and Sharon Beemer. I am eight years old. I like to play foot ball. I take dancing lessons every Tuesday. For Christmas, I would like a rubber doll, a stroller, stilts, a puppy, a safe and for all the children in the Hospital to get well.

Love Gloria Kay Green
210 W. Pottawatmie

Dear Santa Claus

I want you ot bring me a new dress and shoes.

I also would like a walking and talking doll and some clothes for my tiny tears doll. I would also like a balla doll.

P.S.—My dress size is 8 and my shoe size is 11.

Sandra Poley
408 S. Pearl St.
Tecumseh, Mich.

(We are sisters)

Dear Santa Claus.

My name it Susanne Poley. I would like a new dress and a pair of dress shoes for Christmas. But that isn't all if it isn't to much trouble I would like a balla doll for Christmas. I would like a walking and talking doll.

My size of shoes is 2½.

My size of dress is size 12 dress.

from Susanne Grace Poley.

December 12

Dear Santa

I am six years old. I have a sister Cheryl and a brother Gene. I try to be a good boy for mama. I would like a more track for my train, and a two wheel bycile. I will leave cocoa for you on the table. Oh yes bring my dog Gigi a bone.

Love
Reed Heavener

Dec. 14

Dear Santa,

I am four years old. My sister is writing for me. For Xmas I want tin soldiers, a truck with a trailer, and a dump truck. I also want a cowboy hat, pair of boxing gloves, and a football. I hope I'm not asking for to much from you. Don't forget all the sick children. I will leave some hot tea and some cookies on the table by the Xmas tree. Don't forget to bring my dog a big juicy bone.

Love
Eugene Heavener

P.S. I will leave something for your reindeers to.

Dec. 12, 1956

Dear Santa,

My mommy is writing this because I am only 4 yrs. old.

I have tried to be a good boy so will you please bring me an Army [illegible] Robinhood bow and arrow and some games.

Thank you
Mike Kennedy

Dec. 12, 1956

Dear Santa,

I am a little girl of two. Mommy says I am a good girl.

Please Santa bring me a Tiny Tears Dolly, a little stove and a book.

Love
Gail Kennedy

Dec. 12, 1956

Dear Santa,

I have tried to be a good boy.

My mommy is writing this because I haven't learned how to write in school yet.

Please Santa bring me a cowboy suit, some guns, and an Army truck and a game and any other toys you think I would like.

Love
[illegible] Kennedy

Field and Stream

Michigan hunters bagged some 70,000 deer during regular and special firearm seasons in northern areas of the state this year, according to statistical estimates by Conservation Department game specialists.

In the upper and northern lower peninsulas, an estimated 58,300 deer were taken by hunters during the regular season and another 12,000 whitetails were bagged during special seasons.

In comparison with past year, the regular buck kill was 18 per cent below the 71,000 taken last year—but two per cent above the 1954 buck kill. Department field personnel reported a general decrease in the number of hunters afield this year.

The largest regular season drop was recorded in the upper peninsula where hunters took an estimated 21,200 buck this year—more than 27 per cent below the 29,160 bagged last fall. Another 750 whitetails were taken this year in the first "any deer" season held in the U.P. in more than 30 years.

The northern lower peninsula bag this year—37,100 bucks—was about 11 per cent below the 1955 total or 41,930, but also was 11 per cent above the buck kill for the region in 1954.

The decline in the buck kill this year — anticipated by Department game biologists—undoubtedly was affected by food shortages last winter when more than 36,000 deer died of starvation. At least 15,000 of these starvation victims were buck fawns and could have been legal bucks this fall, if they had lived.

Other results of the critical situation last winter were apparent to game biologists who examined The physical condition of northern thousands of deer bagged this fall. deer generally was poorer than in the 1955 season.

Biologists found a decline in antler development, both in number of points and beam diameter, in 1½-year-old bucks. Comparison of deer weights with the special season of 1952 showed that fawns taken this year in the Lake-Newaygo county area averaged almost 12 pounds less than those taken in 1952. This could indicate a threatening future for this year's fawn crop in food shortage areas because feeding experiments show that five pounds may mean the difference between life and death for fawns under critical winter conditions.

BRITTON LOCALS

MRS. THERESA CHEEVER

The Youth Fellowship of the Methodist church held its first meeting Sunday evening with 12 members present.

Mr. and Mrs. William Saxton and family were called to East Jordan, Saturday morning by the death of his father. Mr. Saxton is principal of the Britton-Macon High School.

The Rev. and Mrs. Priest entertained the Baraca Philathea class at the parsonage Sunday evening. A turkey supper was served to 28 members and two guests. Gifts were exchanged. The film Christmas Tide" was shown.

Lawrence Hoagland has returned home from St. Joseph Hospital, Ann Arbor.

The Youth Fellowship of the Congregational Christian Church enjoyed a skating party at the arena Sunday afternoon. After returning to the fellowship center a short business meeting was held. A potluck supper was served by Mrs. Harold Rohrback and Mrs. Loren Dicks.

Miss Peggy Jo Pocklington, a student at Eastern Mich. College, was one of nine girls selected from the Catalina Club to present three water-ballet numbers at Thurston High School in Redford, for the dedication ceremonies of the new swimming pool.

Terry Auten, son of Mr. and Mrs. Raymond Auten celebrated his 10 birthday Thursday. Twenty boys were guests and games were played. Supper was served by Mrs. Auten. Terry received many gifts.

Tonight Is Family Night At I.O.O.F. Hall

Thursday night Dec. 20 will be Christmas Family night at the Rebekah and Odd Fellows at the I.O.O.F. Hall. A potluck supper will be served at 6:30 p.m. Meat and rolls will be furnished.

There will be a 25 cent gift exchange.

Britton-Macon Music Department To Give Program

Under the direction of Harold G. Waters, the Britton-Macon school music department will present a Christmas program December 20 at 7:30 p.m.

The 300 member elementary chorus and the 65 voice junior and senior high chorus will present traditional and popular carols. Audience singing will be lead by the junior chorus. Several selections will be played by the senior high band.

Men's Class Elected New Officers Thurs.

The Men's Club of the Immanual Lutheran church met at the church Thursday, Dec. 13. The order of business for the evening was the election on a new president and secretary. Mr. Wesley Gilmore was elected president and Mr. Clarence Schroeder was elected secretary.

Plans were also discussed for a special meeting and party in January. The club will meet again January 10, 1957.

Arthur Carothes Given A Dinner

Honoring the 79th birthday of Arthur Carothers, a holiday dinner with relatives and friends was enjoyed Saturday evening at his home.

Those present besides the honored guest were Mr. and Mrs. Edward Rudel and son of Lincoln Park, Mr. and Mrs. Roy Carothers and daughter Kay, Mr. Robert Howe and Mrs. Marie Pocklington of Dearborn; Mr. and Mrs. Valden Bidle and family; Miss Mary Lou Partridge of Tecumseh; Mr. and Mrs. Wesley Gilmore and daughter, Mr. and Mrs. Virgil Bortel and family, Mr. and Mrs. Gordon Barrett and family and Mr. and Mrs. Forrest Barrett and Carol. Mr. Carothers received many gifts.

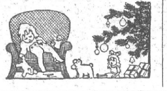
Congregational Christmas Party Was Held Sunday

The Congregational Christian Church held its Christmas program Sunday evening in the Sanctuary. John Buckles acted as minister. David Fairbanks and Brenda Palmer gave the Christmas Greetings. The Nursery children were dressed as candy canes, dolls, toys and little sheep. The Nativity Scene was pantomined by the Beginners and Primary Department, with the 1st grade girls as angels, 2nd and 3rd grade boys as shepherds and wisemen. Irene Buckles was Mary and Ronnie Heiden was Joseph.

The Junior Girls sang a lullaby to the sheep on the hillside. Solo parts were taken by Irene Buckles, Neil Benedict, Rosella Vallie and Sharon Rodgers. Rosella who has had special training along this line pantomined Silent Night. Mary Bush accompanied the children. All children were given a religious gift from the Sunday School. They in turn brought white gifts to the manger to be given out where needed. Santa had a treat for everyone in the Fellowship Center. Frances Eberhardt, Sunday School Superintendent, gave her teachers Christmas Issue of Ideals. Jack Brown, Sandra Weyher and Lois Auten received their Bibles.



Christmas Recess At Boysville Starts Friday

This coming Thursday evening the Knights of Boysville will be treated to a banquet ushering in Christmas vacation at Boysville.

The traditional candlelight banquet will feature such taste delights as roast turkey with all the trimmings, mashed potatoes and giblet gravy, buttered carrots and peas, with pumpkin pie and whipped cream to top it off.

Boys will be permitted to leave the campus at 1:30 Friday afternoon following clean up in the morning. Brother Gregoire announces that all parents and guardians have been informed to pick up Knights leaving the campus at that time.

Say you saw it in The Herald.

TIPTON NEWS

MRS. DEAN COOK
Correspondent

The cheer boxes for the community will be packed Friday and all articles are to be at the church by one o'clock. The Junior choir will deliver at 4:30 and the Senior choir at 6:30.

Mr. and Mrs. Fred Davis were dinner guests Sunday of Mr. and Mrs. R. W. Mead in Tecumseh.

Mr. and Mrs. Don Hunt were called to Wayland Saturday by the illness of a cousin of Mrs. Hunt.

Mr. and Mrs. Wesley Whelan and family entertained Sunday for the Randall family Christmas gathering. Covers were laid for thirty-four, coming from Lansing, Coldwater, Manchester, Ypsilanti, Clinton and Tipton.

Mr. and Mrs. Robert Evans of Detroit were callers Saturday of Rev. and Mrs. David Holly and family.

The home of Mrs. Walter Bale was opened Thursday for the Franklin Extension Club Christmas dinner. A turkey dinner was enjoyed by 20 members and children after which the lesson on Traffic Safety was given. Patrolman Richard Enders of Adrian gave an interesting and informative talk on safety.

William Grigg returned home from Bixby hospital Monday afternoon and is recovering satisfactory from eye surgery performed last week.

Mr. and Mrs. Lamont Simmons returned last Wednesday from a weeks trip to Puerto Rico.

The Sunday School Christmas program will be held Sunday evening at 7:30. It will be "The Three Gifts of Christmas", a film entitled "Holy Night" and the Christmas tree.

Mr. and Mrs. Lamont Simmons entertained at a Christmas party Sunday evening for twenty employees and friends of the Simmons Buick Sales at a buffet dinner.

Mary Bush In U of M Concert

Mary Bush of 9264 Welch Road, Tecumseh will be one of the nearly 300 voices combined to present the traditional "Magnificat" at the University of Michigan Choir's Christmas Concert at 8:30 p.m. Wednesday, [illegible]er 19 at Hill Auditorium in Ann Arbor. Members of the Symphony Orchestra will accompany the singers. The concert is open to the public free of charge.

GIVE A GIFT SUBSCRIPTION TO THE HERALD — They'll think of you 52 times each year.

Tecumseh Grange Met Thursday

Tecumseh Grange met Thursday evening in regular session. It was voted to contribute to the Michigan Association. The annual Christmas party of the Grange will be held Dec. 27th. For this the members are to bring candy, pop corn or apples. Also all persons present are to furnish a quarter gift for the gift exchange.

The 1st and 2nd Degree Team again did a marvelous job of exemplifying their degrees on a class of eleven candidates. There was a better than average attendance even with several attending the District meeting at the Adrian Grange.

Pvt. S. Yeary In Combat Training

Army Pvt. Shelva Yeary, whose wife, Sylvia, lives at 204 E. Chicago Blvd., Tecumseh, Mich., is receiving eight weeks of bas[illegible]bat training with the 4th Armored Division at Fort Hood, Tex. He is in the first of a three-phase program set up to train 7500 replacements for the 3d Armored Division in Germany. Pvt. Yeary's father, Allen Yeary, lives on Route 1, Harrogate, Tenn.

John Deere Expands In Foreign Trade

John Deere de Mexico, S.A. de C.V., a subsidiary of John Deere, C.A., announced today it has started construction of a new factory at Monterrey, Mexico.

The new plant will be used to manufacture and assemble tractors and farm equipment for Mexico and Latin America. Close attention will be given to the types of machinery best suited for use on farms in these areas.

The plant will be the second John Deere factory outside the United States in North America The company has operated a plant in Welland, Ontario, Canada, for some time. In addition John Deere recently acquired a majority of outstanding stock of Heinrich Lanz, A.G., Mannheim, Germany, one of the largest farm equipment manufacturers in West Germany. There are 14 John Deere plants in the United States, including a chemical plant which manufacturers nitrogen fertilizer.

Santa Claus To Be In Britton Saturday Night

Santa Claus will arrive in Britton Saturday night, Dec. 22. His trailer will be parked on Main street from 4 till 6:30 p.m. and from 7-9:30 p.m. in the evening Every child will receive a gift. This is courtesy of the Britton Business Men's Association, Rebekah and Odd Fellow Lodges.

Christmas is the gentlest, loveliest festival of the revolving year—and yet, for all that, when it speaks, its voice has strong authority.

Christmas Cantata Held Sun.

A cantata was presented Sunday evening, Dec. 16, at the Baptist church with the Chancel choir and the Bethlehem choir both participating. Two huge wreaths besides the lovely altar flowers were the only decorations used in the newly remodeled sanctuary. The lighting was very effective. Pictures were used to illustrate the singing of the cantata, "The Star in the Sky". Mrs. Edwin Gannaway and Mr. Warren Peck were the soloists. No offering was taken as the choirs presented the cantata as a Christmas gift to the congregation.

o

Charlotte McCann Buried Friday

Funeral services were held Friday afternoon at 1:30 p.m. at the Green Funeral Home for Charlotte Kent McCann. Rev. Edward Escolme officiated. Burial was in the Washtenong Memorial Park Cemetery in Ann Arbor. Bearers were Charles Kempf, William Mackey, Otto Beaubien, John Smith of Tecumseh, Irving Shaw of Clinton, and Vernon Gartee of Adrian.

My Favorite Prayer

SUBMITTED TO

THE LAYMENS' NATIONAL COMMITTEE

BY MAJOR WILLIAM E. MAYER, M. D.

Brooke Army Medical Center, Fort Sam Houston, Texas

Almighty God, who has created man in Thine own image; grant us grace fearlessly to contend against evil, and to make no peace with oppression; and, that we may reverently use our freedom, help us to employ it in the maintenance of justice among men and nations, to the glory of Thy Holy Name; through Jesus Christ our Lord.

(Book of Common Prayer)

Christian Science Sunday Service

Christ Jesus' dominion over materialism will be brought out at Christian Science services this Su[illegible]

Scriptural readings in the Lesson-Sermon entitled "Christ Jesus" will include the following from Matthew (15:30): "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (482:19): "Jesus was the highest human concept of the perfect man. He was inseparable from Christ, the Messiah, —the divine idea of God outside the flesh. This enabled Jesus to demonstrate his control over matter. Angels announced to the Wisemen of old this dual appearing, and angels whisper it, through faith, to the hungering heart in every age."

o

Mrs. Rose Cox Laid To Rest

Funeral services were held for Mrs. Rose Cox last Thursday afternoon at the Green Funeral Home. Bearers were William Kopka, Lamont Simmons, Vern Russell, John Keran, Edward Bradley, and Albert Kolkloesch. The Rev. O. E. Priest officiated, and the burial was in the Ridgeway cemetery.

Holloway

Mrs. Marvel Neuman
Correspondent

The Christmas Candlelight Service was held Sunday December 16th, at 7:30 p.m. at the Holloway Presbyterian Church. The organ prelude was by Mrs. Roger Richards, candles were lighted by Roger Fairbanks and Larry Green. The processional Christmas Carol was sung by the choir and the congregation. Rev. H. C. Emerick related the Christmas Story. A vocal solo "O Holy Night" was sung by Mrs. William German. Christmas Tableau was presented by Darrell Lowery as Joseph and Karen Richards as Mary. The Christmas Sermonette "The Manger Scene" was by Rev. H. C. Emerick. "Silent Night, Holy Night" was sung and the Lord's Prayer was repeated by the pastor and congregation. The organ postlude "Angels from the Realm of Glory" concluded the evening service.

Mrs. Albert Jahn's sister, Mrs. Frank Barry, fell and broke both of her wrists while going after the mail. She will have the casts on for an indefinite time.

Mr. and Mrs. Albert Jahn's daughter and husband, Mr. and Mrs. Norman Cosner, of Allen Park, returned from their vacation in New Mexico. They were gone four weeks. The children, Jon and Teri stayed with their grandparents.

Mr. and Mrs. Victor Mangas spent Christmas Day with their daughter and husband, Mr. and Mrs. Mark Summers and children of Anderson, Indiana, they also visited the other members of the family, Mr. and Mrs. Don Shelby, Mr. and Mrs. Robert Mangas and Mr. and Mrs. Roland Mangas.

Mr. and Mrs. Jesse Jarrett will have their Christmas dinner with their son and his wife, Mr. and Mrs. Richard Jarrett at Manitou Beach.

The Farm Bureau had a Christmas dinner Monday evening, December 17th at 6:30 p.m. at the fire house in Holloway. Three families, Mr. and Mrs. Wilson Sawyer, Mr. and Mrs. Claude Walters and Mr. and Mrs. Robert Mitchell prepared the main dishes and other members brought a dish to pass, and had a 50c gift exchange.

Mr. and Mrs. LaVern Munsion and children, and the little neighbor boy Craig Reidy visited the Ford Rotunda in Dearborn, to see the Christmas Fantasy, Tuesday afternoon.

The Ladies Aid of the Holloway Presbyterian Church will meet in the church parlor Thursday, December 20th, at noon with a potluck dinner being served. The men are invited. A 25c gift will be exchanged.

Mrs. Elwood Grandy of Jackson, Mrs. Hope Sawyer, and Mrs. Marvel Neuman spent last Monday in Toledo.

Jill Bennington from Eastern Michigan College of Ypsilanti, will spend the Christmas Holiday with her parents, Mr. and Mrs. Earl Bennington.

Mr. and Mrs. Charles Mitchell and family were Sunday dinner guests of her parents, Mr. and Mrs. Millard Saxton of Blissfield.

Mr. and Mrs. Hugh Mitchell are having the Christmas dinner at their home with a family gathering of Mr. and Mrs. Sam Mitchell and family of Tipton and Mr. and Mrs. Tom Mitchell and family. Ted is from East Lansing and will be home with his parents for vacation.

Mr. and Mrs. Victor Mangas had their granddaughter, Debbie Jo Summers visiting them for two weeks from Anderson, Indiana.

Mr. and Mrs. Claude Walters were Sunday dinner guests of their son and wife, Mr. and Mrs. Joseph Walters and family of Riga. The dinner was a birthday celebration for their son Wesley, who was 10 years old.

The Raisin Center Friends Church is having a Christmas Cantata "Chimes of Holy Night" Sunday morning at 10 a.m. December 23rd. At 7:30 p.m., Christmas program by the children. The public is invited to attend the church services.

North Blissfield Lutheran Church is having a Christmas Eve program by the Sunday School Monday, Dec. 24th at 7:30 p.m.

Mothers Club was held at Mrs. Bertram Klappich's home on Tuesday evening with a potluck supper at 7 p.m. Each member brought a gift for their Secret Pal.

Holloway Home Makers and Holloway Hot Shots 4-H Clubs met Saturday night at the Holloway Fire Station. Santa Claus was present with a gift exchange and a lunch was served.

The South Holloway Extension Club had a potluck dinner with Mrs. Rema Gubba last Thursday. Gifts were bought for Secret Sisters and names were revealed.

The Raisin Sewing Circle had dinner with Mrs. Ed. Mitchell on Friday.

Mr. and Mrs. James Mitchell had as guests for Sunday supper Mr. and Mrs. Carl Hense and son Jimmy of Ann Arbor.

Mr. and Mrs. James Mitchell had her daughter and family, Mr. and Mrs. Jim Derby and children of Adrian, on Saturday and Sunday.

Mrs. Sarah Lowery and Mrs. Hugh Mitchell attended the Christmas party Tuesday morning at Manning Kitchen in Adrian, for breakfast with the Extension Counsel. They visited Miss Fay Nichol's home. There was a gift exchange with the members.

Mike Mitchell, of Tipton, spent a few days with his grandparents. Melissa Mitchell stayed from Wednesday until Saturday with Mr. and Mrs. Hugh Mitchell.

Mr. and Mrs. Robert German and family are having a pre-Christmas dinner Sunday with her mother, Mrs. Beulah Hannah of Britton, Mr. and Mrs. Robert Harriott and daughter of Britton, Mr. and Mrs. Frank Parrish and family of Jackson and they are expecting Mr. and Mrs. Don Hannah and family of Tecumseh.

Mr. and Mrs. Jesse Jarrett's daughter, Mrs. Thelma Cooper, visited with them for two weeks. She has returned to her home in Una, Arizona.

Harmony Group Has Party

The Harmony Homemakers were entertained Wed., Dec. 12, at the home of Mrs. Roscoe Hewlett, which was beautifully decorated in keeping with the season, for the Christmas Party. A potluck dinner with 2 lovely birthday cakes for the December birthdays, Mrs. E. J. Aebersold, Mrs. Mary Cleveland, Mrs. Hazel Coller, and Mrs. Mary Brown, was served to the 25 present. After the dinner, a brief business meeting was conducted by the president, Mrs. Clarence Hunt, and a gift exchange and social afternoon was enjoyed by all. January 16, the club will meet with Mrs. Victor Voorhees.

CITY OF TECUMSEH
COUNCIL MEETING
December 3, 1956

Present: Mayor Hanna; Councilman Brazee, Hamilton, Kelso, Powell, Purkey, Schwartz.

Absent: None.

Meeting opened with the invocation by Councilman Schwartz.

Minutes of the meeting held November 19, 1956 were read and accepted as ammended to include the following Resolution.

RESOLUTION

Meeting of the City Council of the City of Tecumseh, County of Lenawee, and State of Michigan, held on the 19th day of September 1956.

Present: Mayor Hanna, Councilmen Schwartz, Kelso, Hamilton, Brazee, Purkey and Powell.

Absent: None.

The following preamble and Resolution was offered by Councilman Brazee and supported by Councilman Schwartz.

WHEREAS due application has been made to the City of Tecumseh for a change in the Zoning Law on West Chicago Boulevard; and

WHEREAS the Planning Commission of the City of Tecumseh has recommended that a zoning change be considered.

NOW THEREFORE BE IT RESOLVED:

1. That 17 December 1956 at 8:30 p.m. at the Council Chambers of the City of Tecumseh is designated as the time and place at which opponents and proponents of the following proposal may be heard:

2. That it is proposed to change the zoning classification from Residential A to Business A Restricted on the following described property within the City of Tecumseh:

Commencing at a point in the West boundary of the City of Tecumseh at a point 250 feet South of the centerline of Chicago Boulevard and running thence Easterly Southeasterly, parallel with said centerline, 1,660 feet, more or less, to the West line of Lot 85, as shown on the Plat of the First Addition to Sunset Meade; thence North, in said West line as extended, 540 feet, more or less, to the centerline of Evans Creek; thence Westerly, along said centerline, 400 feet; thence North 52 degrees West, 360 feet; thence West, 410 feet; thence North 200 feet; thence West, 530 feet to the Western boundary of the City; thence South, along said boundary, 650 feet, more or less, to the place of beginning.

AYES: Unanimous.

NAYS: None.

RESOLUTION DECLARED ADOPTED.

Attest:
City Clerk, Naomi Sallows

Dated: 19 September 1956

The following ordinance was presented by Brazee, seconded by Kelso.

ORDINANCE

WHEREAS the orderly expansion of the City of Tecumseh requires the establishment of a new zoning designation of "Business A Restricted."

NOW THEREFORE THE CITY OF TECUMSEH ORDAINS:

1. Section 7.171. There is hereby established a zoning clissfication to be known as 'Business A. Restricted." The used in areas designated Business A Restricted shall be the same as established in Section 7.164 of the Codified Ordinances of the City of Tecumseh EXCEPT that in Business A. Restricted a minimum set-back line of 50 feet from the near right-of-way line of the bordering street or highway shall be observed.

AYES: Unanimous.

NAYS: None.

ORDINANCE DECLARED ADOPTED.

Attest: Cecile Smith
Deputy City Clerk

Dated: 3 December 1956

A letter was read regarding Extension of Sewer outside City Limits. Moved by Kelso, seconded by Purkey, that this matter be deferred.

A petition was presented by residents on Park Street, south of Pottawatamie Street to Maple Street for Curb and Gutter at the earliest possible date. Moved by Purkey, seconded by Schwartz, that the petition be referred to the City Manager for scheduling. Motion carried unanimously.

A letter from Clemishaw was read, and it was moved by Purkey, seconded by Kelso to accept contract subject to City Attorney. Motion carried unanimously.

Motion by Brazee, seconded by Powell the bills as follows be allowed and orders drawn up for same, with the exception of the Invoice of the State Highway Department, in the amount of $586.47. General $13,818.71; Water Receiving Fund $8,000.00; Water Operation and Mtce. Fund $4,349.97; Water Capital Expenditure Fund $72.25; Hospital Sinking Fund $2,122.50. Motion carried unanimously.

Motion by Powell, seconded by Hamilton the following resolution be accepted: RESOLVED that George Kilbourn, Chief of Police be designated the "Civil Defense Director for the City of Tecumseh, with full authority to accept and receipt for any properties allocated to the City by any agency in that connection. Motion carried unanimously.

A Resolution was presented by Powell and seconded by Hamilton, that the proper steps be taken to get permission from the State Highway Commission to install Christmas Decorations from Pearl to Oneida Streets on M-50, and from Chicago Blvd. to Logan Street on M-52. Decorations to be placed December 8, 1956, and to be removed on or before January 5, 1957. Motion carried unanimously.

A Motion was made by Schwartz, seconded by Hamilton, the Clerk be authorized to sign the original Plat of Sunset Meadows, subject to the Planning Commission's approval. Motion carried unanimously.

The agreement with the Jones Hauling Service was read, and referred to the City Manager.

Motion made by Purkey, seconded by Schwartz to accept the City Manager's report and his recomendation to give free parking from December 17, 1956 thru December 24, 1956, and his report to be placed on file in the City Office. Motion carried unanimously.

It was recommended the City Manager accept bids on the dismantling of the City owned property located at 117 South Ottawa Street.

Motion by Purkey, and seconded by Brazee, to adjourn the meeting. Motion carried unanimously.

Mayor: H. H. Hanna
Deputy Clerk: Cecile Smith

Cub Scout Den 4 To Have Party

Cub Scout Den 4 will be entertained at a Christmas Party in the home of their Den mother, Mrs. Lillian Fielder, Thursday afternoon when those yummy, Christmas cookies Mrs. Fielder makes will be a special treat for her boys. There will be no other meetings of the boys in this den through the holiday season.

Heap on more wood!—the wind is chill;
But let it whistle as it will.
We'll keep our Christmas merry still.

—Sir Walter Scott

Charles O'Neill Gets Promotion

The Navy Department announced the promotion Nov. 16 of Charles B. O'Neill, son of Mrs. Roth G. O'Neill of 205 W. Bidwell, Tecumseh, Mich., to electronics technician third class, USN, while serving aboard the frigate USS Norfolk.

The promotion followed successful completion of a Navy-wide petty officer examination conducted in August.

May your holiday shine as brightly as a Christmas tree with much happiness and good cheer!

PHOTOGRAPHED BY TANA HOBAN

The shining light of faith

. . . newly kindled by the glories of the Christmas tree, by the glow of the Hanukkah candles

Now you see it, shining more brightly than at any other time of year. Faith. The Faith of little ones, so sure their wishes *will* come true. The Faith of parents, equally confident that somehow they *will* make this the most wonderful holiday the children have ever known.

For some, the light of Faith will remain brilliant throughout the year. These are the ones who've discovered that one holy hour a week can make seven happy days.

Now, while you are so aware of the strength of *your* Faith, won't you resolve to keep it "shined up" throughout the year? This week and every week, worship *together*.

Build a stronger, richer life

worship together every week

W.S.C.S. Held Monthly Meeting December 12th

The Woman's Society of Christian Service of the Methodist Church held their monthly meeting December 12th at 1:30 p.m. Seventeen members were present. President, Mrs. Carlos Jones presided. The worship service was held around the Nativity scene as Mrs. Horace James led the group in the worship service. "For All Children" was the topic of worship. Mrs. Wilfred Waldron played quiet music during the service.

A Christmas greeting from the Ann Arbor district board of the W.S.C.S. was extended to the Tecumseh group. Several shut-ins were reported to the group. The W.S.C.S. and the Church board are trying to remember all the shut-ins at Christmas time.

A letter was read from the Detroit Conference W.S.C.S. telling of the North Central Jurisdiction annual meeting at Central Church in Detroit to be held March 13, 14 and 15.

Secretary of Missions, Mrs. Wilfred Waldron announced the study books are here and the family study course will be held at the church Sunday evenings during January. Secretary of Children's Work, Mrs. Horace James, announced the extended course for primary and junior classes will be held at the church Saturdays during January. Secretary of Christian Social Relations, Mrs. Elmer Bryan, reported the Christmas Tree Lane Tea was a success. Secretary of Promotions, Mrs. Harper, explained Epiphany Sunday, January 6 as a day to recognize new members into the Society. This in commemoration of the visit of the Wise Men. Secreta[illegible] Women, Mrs. Ellsworth Collins, asked the group to think of the women of Hungary, and other parts of the world, also back home to our own women and our responsibilities. Cards are here to be given out through the circles for each member to list the types of work they are interested in in connection with the local church. Circle chairman, Mrs. Burch reported having sent twenty-one cards with messages of cheer.

The program leaders for the study topic "For All Children" were Mrs. Wilfred Waldron and Mrs. Horace James, assisted by Mrs. Ellsworth Collins, Miss Vera Gilbert and Mrs. Vaynard Close in a Christmas playlet telling the Nativity story and its relation to the development of Christian privi[illegible]ges for all children.

Like Santa, these words never grow old! "Merry Christmas"

Green's Men's Furnishings

St. Peter's Guild Held Christmas Party Last Week

Members of St. Peter's Guild of the Episcopal church held their annual Christmas party last Thursday at the Parish House. Hostesses for the occasion were the officers of the Guild, Mrs. E. C. Dickin, Mrs. Herman Koelbel, Mrs. C. B. Brock and Mrs. W. W. Ring. The long tables were decorated in holiday colors.

Mrs. Thomas O'Hara conducted worship service and a donation was taken to be given to the St. Peter's Home for boys in Detroit. This was in lieu of the usual exchanged Christmas gifts. During the business meeting, Mrs. Herman Koelbel was appointed to represent the Guild on the Parish Council.

The program was in charge of Mrs. Theodore Rundell and Mrs. L. W. Larsen and began with the singing of carols by the group. Mrs. Rundell read a Christmas story and a series of tap dances were given by Gloria and Joan Green and Jana Barron. This was followed by a group of seasonal songs by Gail DeMass, who was accompanied by Ruby Lambes, accordionist and Jimmy Lambes on the guitar. They included "Silver Bells" and "Silent Night."

Guests of the afternoon were Mrs. Clyde Barber, Mrs. R. W. Herrick, Mrs. Charles Stevenson and Mrs. Tressler. Mrs. Charles Butler will entertain the Guild January 10 and will be assisted by Mrs. O'Hara.

College Students To Give Council This Friday

Friday, December 21, the college freshmen, who were graduated by Tecumseh Schools last June, will return to their Alma Mater to council with high school juniors and seniors who plan to attend college after graduation.

They will bring information as to the things in high school that helped them most in their college studies and give an outline of campus life.

This is the fourth year this program has been carried out and it has proven highly successful.

Raisin Extension Group Met

The Raisin Green Bees extension club met recently at the home of Mrs. Willard Zwick with a 100% attendance. A short business meeting was conducted by the chairman, Mrs. George Halberstadt. Thirteen dollars and a basket of canned goods will be presented to a family in the vicinity. The traveling basket netted a profit of $7.60. The raffle was won by Mrs. James Perrin, and the remainder of the evening was spent socially. Games were played and prizes were awarded. Gifts were exchanged and new names drawn for secret pals.

Hog's Grease Used For Hair Of Ladies Fair in 1793

My Fair Lady of a century and a half ago didn't frequent the beauty parlor but she wasn't at a loss for wiles to make herself alluring.

Or so we gather from leafing through the pages of "The Golden Cabinet: Being the Laboratory, or Handmaid to the Arts." The rare book, published in Philadelphia in 1793 by William Spotswood, is in the possession of The University of Michigan Clements Library.

A miniature encyclopedia of crafts, it explains how to do almost everything from gliding, staining, and dying to making toiletries, ink, glass, and caring for the skin and hair.

Here are the author's directions for cleansing the skin: "Wash with warm water, and sweet-scented wash balls (soap) very well; then rub the skin with a cloth, and wash well with water in which wheat bran has been boiled — or, take sublimate one ounce, glair (white) of six eggs, boil them in a glass vessel till they grow thick, then press out the water, with which wash the skin."

Did the lady want a soft, smooth skin? "The skin being very clean, as before directed, wash it very well with lixivium (solution) of salt of tartar, and after that anoint it with pomatum; or which is better, oil of sweet almonds ,doing this every night before going to bed."

Then there was an unguent guaranteed to bring the skin to an exquisite beauty: "Take of pomatum one ounce, salt of tartar one drachm, musk twenty grains, mix them well, and anoint morning and evening."

To make hair grow long and soft: "Distil hog's grease or oil of olive in an alembic, with the oil that comes therefrom anoint the hiar, and it will make it grow long and soft."

"To preserve hair from splitting at the ends: "Anoint ends thereof with oil of myrtles They are eminent in this case to preserve the hair from splitting. So also an ointment made of honey, bees-wax, and oil omphacine (made from unripe olives), or bear's grease.

Spotswood didn't think too highly, though, of the prevalent custom of painting the face: "I can not help observing that it is the greatest absurdity to endeavor to mend the works of the Creator. But this is too tender a point to touch severely. The ladies in several parts of Europe are so fond of painting their faces, that it is even done publicly. The mother teaches her daughter this pernicious art. And the men do it as frequent as the women."

Safety Council Says Watch Out For Home Falls

Don't risk seeing stars when you try to hang a star on the top of your Christmas tree. This warning comes from the National Safety Council, because Christmas accidents contributed to the 14,000 deaths from home fall last year. Use a sturdy stepladder, place it as close to the tree as possible, and be careful when you reach for the farthest branch.

The Council points out that the holiday season brings many fall hazards such as placing decorations, toys underfoot, boxes and wrappings laid "temporarily" on stairs, slipper walks outside. Another danger of the holiday season is fire. "The Christmas tree, filled with natural pitch and resin, is one of the most combustible objects known," the Council says, "and it can burn so quickly it is almost impossible to extinguish the flames by ordinary methods. In case of fire, call the fire department immediately."

To help prevent Christmas tree fires, the Council offers eight simple precautions:

1. Buy a fresh tree. Be wary of trees sold as "fireproof." And don't attempt to flameproof Christmas trees with chemical solutions.
2. Keep your tree in a cold place until ready to use it. Before setting up the tree, saw off diagonally at least an inch of trunk and place base in water-containing holder. Keep water reservoir filled.
3. Locate tree well away from fireplace, radiators, television sets, powerful electric lights and other sources of heat.
4. Use only electric lights, and be sure they bear the Underwriter's laboratories label. Check wires for defects and loose sockets before putting on tree.
5. Too many light circuits on one outlet may overload house wiring and blow a fuse. Reduce the load if this happens, or connect part to another circuit outlet. Never increase size of use, or substitute a penny for a blown fuse.
6. Be sure ends of metallic icicles or other decorations do not dangle into light sockets where they can cause a short circuit and flash fire.
7. Do not operate electric trains or other electrical toys, which may spark, under tree.
8. Take tree down when needles start to fall. Dispose of old trees in fire-safe areas outdoors—never in furnaces, stoves or fireplaces, because they burn with almost explosive violence.

Editor's Corner . . .

By Phil Belleville

The nation has achieved new high levels of economic activity in 1956, and the impetus can be expected to carry business along at a high rate for at least the first few months of the coming year, Ernest G. Swigert, 1957 president of the National Association of Manufacturers, said today in a year-end business forecast.

Mr. Swigert, who is president of the Hyster Company, Portland, Ore., said that the business outlook for the rest of 1957, and beyond, is somewhat clouded by two factors — rising production costs and the fact that profits have not shared in the economic advance seen on other fronts. It is noteworthy, he said, that, while taxes and dividends have both gone up 14%, earning retained in business have gone down 28%.

Highlights of Mr. Swigert's year-end business analysis follow:

Total economic activity — the gross national product — will show for 1956 a five and one-half per cent increase over 1955 or from $391 billion to a record $412 billion.

Total personal income for the year as a whole is up six and one-half per cent, from $306 to $326 billion.

Total consumer spending for 1956 is estimated to be up from $254 billion in 1955 to $266 billion, an increase of 4.7 per cent.

Hourly wages of factory workers are averaging five per cent above 1955, or nine cents an hour.

Profits, however, are estimated for this year at $19.5 billion, for all corporations, only a small increase over the $19.4 billion of 1955 — despite an increase in corporate sales from $557 billion to $581 billion, or 4.2 per cent.

The profit margin probably declined somewhat — from the 3.5 per cent of the sales dollar in 1955 to 3.4 per cent.

Probably the most influential factor in this year's high economic activity was business spending — investment in plant and equipment. Business expenditures show a spectacular increase of 22 per cent over 1955 — and manufacturers' investment went even higher, with an increase in such outlays of 31 per cent. Total business spending in 1955 was $28.7 billion; this year's estimate is $34.9 billion. In manufacturing alone, $14.9 billion is estimated to have been spent as compared with $11.4 billion in 1955.

Prices were forced upward slightly — the Consumer Price Index will probably be up about two per cent. The nation may not yet have felt the full impact of 1956 wage rises, notably in the steel industry.

Business spending for plant and equipment has been called the "economic multiplier," since its effects in stimulating the economy are more far-reaching than ordinary consumer spending. Certainly business' huge investments this year were the spark plug of advancing prosperity.

It should be noted that not all of our new economic records are solid gains. Approximately one-half of the in-

BABY CONTEST IS ANNOUNCED

Patterson Kindergarten Prepares For Program

Tecumseh Herald photo

The children of Mrs. Bertram Updike's kindergarten class at Patterson School are shown above in their Christmas costumes ready for the grade school Christmas program that was held Friday. Their beautiful Christmas decorations are shown in the background.

Starting with the back group, from left to right, is Lee Purkey, Jimmy Whitney, Sherry Wolf, John Brion, Nancy Anderson, Brenda Hooten, Cindy Caterina, Billy Filber, Jimmy Dixon, Barbara Powell and Kathy Barrett.

In the second grouping, from left to right, is Robert Moore, Mary Penny, John Pence, Vicky Pace, Eddie Pope, Shelly Barber, Ronald Fogg and Peggy Laughy.

In the front grouping, from left to right, is Ann Beardsley, Earl Rottofsky, Loretta Schelgel, Donna Purkey, Mark Osbourn, Paula Mueller, Douglas Huston, Rene Albaugh, Bobby Dixon and Steven Hinkleman.

Rules And Prizes For New Year Baby

We are happy to announce at this time the annual "First New Years Baby Contest". Twelve Tecumseh Businesses are sponsoring it this year to honor the first New Year baby.

Rules for the contest are: 1. Parents must be residents of Tecumseh, Britton, Ridgeway, Macon, Tipton, Franklin, Raisin townships; 2. Winning baby must be born in Herrick Memorial Hospital; 3. Exact time of birth will be reported to the hospital by attending physician; 4. The winning baby will be reported to the Herald by the Hospital Administrator, Mr. Orrie Gilbert; 5. Prizes must be picked up by parents before January 10, 1957.

The merchants giving prizes to the first baby of 1957 are: Western Auto Associates Store, a car seat; Easton's Friendly Service, 10 gallons of Mobile gasoline; Dixon's Studio, 8x10 black and white picture of baby; Michigan Products Dairy Co. 57 quarts of milk; Rosacrans Store, $5.00 merchandise certificate; D & C 5c to $1.00 Store, 1 dozen diapers, 1 can of baby powder, 1 can bottle baby oil; Greenwald's Laundry and Cleaners, $5.00 worth of laundry or dry cleaning; Wolf's Appliances, food warmer and a bottle warmer; Gambles, $5.00 worth of merchandise; Joe's Food Store, $5.00 worth of free groceries; Palman's, Cosco baby jumper; Lad and Lassie Shop, baby blanket.

Be sure to see the page announcement in this issue of the Herald for further details.

Christmas Business Topped Last Yr. In Some Instances

A spot survey with merchants of the City of Tecumseh shows that the Christmas shopping business was about the same as last year in many cases, but slightly higher in some instances.

From all indications, a week before Christmas, business was quite a bit behind a year ago but the last minute buying rush, which started Friday afternoon, brought the records up.

This years shoppers bought more expensive and larger gifts on the average than in previous year.

New Mail Record Set December 17 In Tecumseh

Postmaster Jack Metcalf reports that on December 17, a record amount of mail went through the Tecumseh Post Office. There were 35,000 pieces, compared to 27,000 pieces for the largest day last year. There was about 12 per cent more Christmas mail this year than last.

Four extra city and two extra rural carriers were put on this year as well as four extra clerks.

The Post Office will be closed all-day New Years Day, but there will be pickup throughout the business district at 3 p.m. for out-going mail. The lobby will be open from 2:30 to 4:30. All special delivery mail will be delivered.

THEY GET RESULTS

Try Tecumseh Herald classified ads. They get results. Ask Russell Garno from Garno's Barber Shop. He sold a house last week through a Herald classified.

Products Employees Get Turkeys

Tecumseh Herald photo

Two Tecumseh Products employees are shown picking up their Christmas turkeys from "Red" Wilson who was supervising the project. Mr. Wilson is on the left. In the center is Jack Schuyler and Morgan Petee is on the right.

This year, approximately 3400 turkeys were given to employees maintaining a home. Single employees were given fruit baskets. Approximately 600 of these were presented. This marks the 18th year that the Tecumseh Products Company has presented Christmas gifts to its employees.

Another Christmas attraction at the Company was the Christmas edition of the TP Broadcast, the Company newspaper. Mabel Lockwood, editor of the Broadcast, built the red and green edition of the paper around children of the employees. She printed all of the pictures turned in to her with names, ages and parents.

The plant operated three four hour shifts Dec. 24. This will also be the case December 31 unless employees are advised otherwise by their supervisor. The first shift will work from 7 a.m. to 11 a.m. The second shift will work from 11 a.m. to 3 p.m. The third shift will work from 3 p.m. until 7 p.m.

74 New Homes Built In Tecumseh During 1956

City Manager, Edward Nelson, released to the Herald today that 74 new homes were built in Tecumseh during 1956. This does not include 26 applications for permits that have not been issued yet.

The total value of this house construction is $1,107,620.

In addition to this house construction were 37 garages built including 2 commercial garages. These totaled $67,787 in value.

Seventy seven home repair permits were issued with a total value of $87,313.

Mr. Nelson states that the prospects for 1957 look at least as good and perhaps better.

Teen Club Dance To Be Held Saturday Night

John Hamilton, chairman of youth activities in the Junior Chamber of Commerce, and Ray Miller, president of the Teen Club, announce that there will be a Teen Club dance Saturday night.

It will be held in the Sage building from 9:00 until 12:00 p.m. The Harold Broderick Quintet will play for the affair. College students and all teenagers are welcome.

The Jaycees and the Teen Club are in the process of making improvements in the Sage building such as refinishing the floor. The building is donated by Mr. Sage for this use as well as for use by the Civil Air Patrol.

Highlights of 1956

As the new year approaches, we carry many memories of the past year. Among them are the following Tecumseh highlights for 1956 as they appeared in the columns of the Tecumseh Herald.

JANUARY

Jan. 5—Vickie Perkins, daughter of Mr. and Mrs. Keith Perkins, won the first baby contest. Burns Market in Tipton was robbed.

Jan. 12—38 booths have been sold for the Merchants and Manufacturers Show.

Jan. 19—Fire losses during 1955 amounted to $109,195 according to fire chief Cecil Alderdyce.

Jan. 26—Rep. George Meader, in a letter to the Herald, predicts that President Eisenhower will run for a second term and be elected.

FEBRUARY

Feb. 2—The Tecumseh Herald received the "Award of Excellence" for being one of Michigans top weekly papers.

Feb. 9—The polio drive netted 5,000 dollars. Nine candidates seek four council posts.

Feb. 16—Mr. and Mrs. Melvin Smith celebrated their 25th anniversary.

Feb. 23—Lee Ireland and Vernon Irelan were killed in an auto crash, near Saline. Lorna Dick was named homemaker of tomorrow at Tecumseh schools.

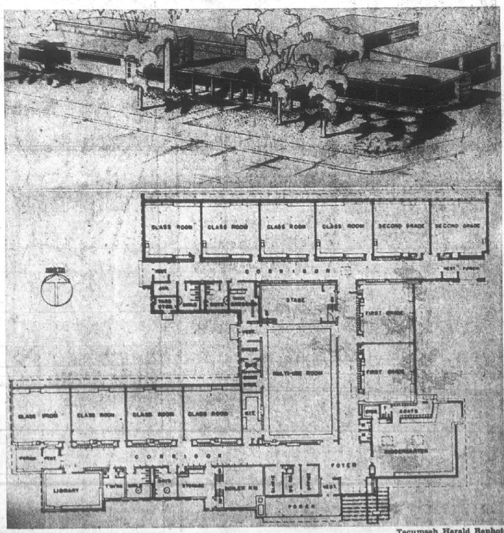
MARCH

Mar. 1—The Tecumseh Indians are basketball league champs.

Mar. 8—Damon and Hanna head Chamber of Commerce retail group. Registrations total 2865 for the upcoming city election.

(See HIGHLIGHTS, Page 3)

Patterson Addition Plans Shown



Tecumseh Herald Rephoto

This is the second of a series of articles prepared by Superintendent of Tecumseh Public Schools, James McDowell, explaining the eight projects proposed by the Board of Education. Last week, plans for a Herrick Park School were presented. This week, plans for a six room addition to the Patterson School are shown above with the designers drawing of the school as it is now.

Mr. McDowell says, "The number of children of elementary school age living within walking distance of the Patterson school has increased to the extent that the additions planned for the building in 1952 are now necessary. This building which won national recognition in 1954 at the National con-

Social News

Parents Announce Engagement

MARGARET DIANE DILLON

Mr. and Mrs. Herbert W. Dillon of 503 West Brown Street are announcing the engagement of their daughter, Margaret Diane, to John Louis Brown, son of Mr. and Mrs. Seymour H. Brown of Detroit.

Both are seniors at Michigan State University and will graduated in June. Diane is affiliated with Alpha Chi Omega sorority and John with Sigma Nu fraternity.

An early spring wedding is planned.

Best Wishes for the Coming Year

Here's a toast to you, our customers and friends, and to your good health, happiness and success in 1957. We're certainly wishing you all of the best, and we especially want to say how much we appreciate your loyalty and good will.

George Underwood
Lincoln & Mercury
CLINTON

Local People Attend Ford Party

Those from Tecumseh who attended the Manchester Ford plant, employees children's party at the High school in Manchester were Mr. and Mrs. Erwin Richardson and family, Mr. and Mrs. Lawrence Packard and family, Mr. and Mrs. Almond Curtis and family, Mr. and Mrs. Jack Hartley and family, Mr. and Mrs. Nicholls and family, Mr. and Mrs. Fouts and family, and Mr. and Mrs. Robinson and family. A program was presented by children of the employees including accordion solos, tap dancing, and piano solos. Also a play, "The Philadelphia Story", was presented by a number of employees as well as some guitar music and singing. Those assembled joined in the singing of carols, and Santa Claus arrived to distribute gifts of candy to the children.

Legion Auxiliary Had Party Thurs.

Mrs. Charles Howe entertained the American Legion Auxiliary Ritual team last Thursday evening for a salad-dessert party. The Howe home was beautifully decorated in keeping with the Christmas season. Small tables with favors and place cards were used for refreshments after which cards were enjoyed. Table prizes were awarded to Mrs. Richard Walker, Mrs. Donald Woods, and Mrs. Dennis Goller.

City Employees Receive Gifts

Employees of the Tecumseh Water and Street departments were very appreciative of the checks for $10.00 that were presented to them by the city manager, Mr. Ed. Nelson. Thew wish to express their thanks to the residents of Tecumseh for this very fine Christmas gift.

Raisin 4-H Club Had Yule Party

The Raisin Cookies 4-H Club held their Christmas Party at the home of their leader, Mrs. August Hoffmeister, last Tuesday. The members enjoyed carol singing, dancing, and a gift exchange. Refreshments were served by the hostess assisted by Mrs. Raynor Sweet.

Engagement Announced

The engagement of Miss Donna B. Spangler, daughter of Mr. and Mrs. Grenval Spangler, to Richard M. Bruce of Britton was announced last week. They plan to be married in the fall.

Local Topics . . . .

Mrs. Vira Bancroft and daughter, Helen, entertained in their home Christmas eve. The guests were Mr. and Mrs. Forrest Bancroft and family of Blissfield, Rev. and Mrs. Charles Bancroft and daughter, Connie of Celina, Ohio, and Mr. and Mrs. Albert Brink and children from Hillsdale, Michigan. An exchange of gifts was enjoyed around the Christmas tree, and Rev. Bancroft, son of Mrs. Bancroft, remained an overnight guest in the Bancroft home.

Mr. and Mrs. Eddie Kirkland are expecting guests for the New Years weekend. They are the Misses Marie and Lorraine Lochenschmidt of Milwaukee, Wisconsin.

Mr. and Mrs. Don Armantrout of Decatur, Illinois were guests over the Christmas weekend of their daughter and family, Mr. and Mrs. Roy Richard.

Mr. and Mrs. Chet Richard spent Christmas day with their daughter and family, Mr. and Mrs. Ted Woodward of Adrian.

Mr. and Mrs. Isaiah Mehan, Sr. entertained forty one at a family gathering and Christmas dinner at their home Dec. 25. Guests were Mr. and Mrs. Raymond Rohrback and family, Mr. and Mrs. Nelson Mehan and family, Mr. and Mrs. Fred Spiegel and family of Blissfield, Mr. and Mrs. Franklin Mehan and family of Clayton, Mr. and Mrs. Ivan Simpson and family of Lyons, Ohio, Mr. and Mrs. Charles Mehan of Adrian, Mr. and Mrs. Isaiah Mehan, Jr. and sons of Deerfield, Mr. and Mrs. Donald Wells and family, Louise Beyer and daughter of Tecumseh. Additional guests during the afternoon were James Mehan, Fred Rohrback of Blissfield, and Eldon Pifer of Adrian. During the afternoon a gift exchange was enjoyed by the family.

Guests for a Christmas celebration last Sunday in the home of Mr. and Mrs. Charles Stevenson on Red Mill Drive were Mr. and Mrs. James Rhinehart, Mr. and Mrs. Ross Blackmore, Frank Buck of Adrian, and Mrs. Rhea Stephenson of Tecumseh.

Presb. Circle Met With Progam

The Mable Lawrence Circle of the Presbyterian Church met last week at the home of Mrs. Erwin Buss with 14 members present. After the business meeting, Mrs. Eva Work presented the program. Christmas songs were sung, a Christmas story was told, and a gift exchange enjoyed. Refreshments were served by the hostess assisted by Dorothy Crawford, and Eva Work.

Mr. and Mrs. Sam Sisson entertained a family gathering Christmas night for dinner. The guests were Mr. and Mrs. R. F. Moore, and J. A. McIntyre of Detroit, Miss Agnes McIntyre of Muskegon, Mr. and Mrs. John Sisson and family, Mr. and Mrs. David Murphy and family, Mr. and Mrs. Dale Bowen, Paul Bowen, and Mrs. Anna Morse of Tecumseh.

Mrs. Anna Grigg and children, and Mr. and Mrs. Lyle Grigg and family were in Tipton Christmas eve to celebrate with Mr. and Mrs. Morris Cornell and family at the home of Mr. and Mrs. William Grigg. Mr. Grigg who recently underwent eye surgery, is improving every day.

Miss Mary Nixon is home from the University in Ann Arbor to spend the holidays with her parents, Mr. and Mrs. Donald Nixon.

Phillip Surratt is home for the holidays and will not return to the Unuiversity in Ann Arbor until Jan 3, when classes begin there.

Mr. and Mrs. Russell Langham of Outer Drive entertained Christmas day her mother, Mrs. C. L. Pettibone, and her brother, Mr. and Mrs. John Pettibone and family of Lansing; also her grandmother, Mrs. J. D. Beedle of Nashville, Mich.

Mr. and Mrs. Edwin Gannaway entertained Christmas day her parents, Mr. and Mrs. Norman Reister, and his father, Mr. Edwin Gannaway, Sr. and brother, Ray Gannaway of Toledo.

Guests in the home of Mr. and Mrs. Victor Voorhees for the celebration of Christmas on Sunday Dec. 23 were Mr. and Mrs. Carl Voorhees of Nashville, Michigan, Mrs. M. L. Pawson of Battle Creek, Mr. and Mrs. Hugh Simpson and sons of Fennville, Michigan, Mr. and Mrs. Charles Howe, Mr. and Mrs. John Snyder, John and Jan, Mrs. Mary McWilliams, and Mr. Robert Voorhees of Denver, Colo.

Mr. and Mrs. Thomas Gallant and family spent Christmas at the home of Mr. and Mrs. Thomas Gallant, Sr. in Adrian.

Dr. and Mrs. Carleton Cook retured Monday from White Pigeon, Michigan where they celebrated Christmas with their families.

Mr. and Mrs. Edward Leighton and Bud Leighton were guests in the home of Mr. and Mrs. Dwight Hodges and family Christmas Day.

Mr. George Sluyter of Grand Rapids has been a guest in the home of his brother, Mr. and Mrs. Ray Sluyter, the past week.

Mrs. Jean O'Neil and children spent Christmas Day in the home of her parents, Mr. and Mrs. Ray Sluyter.

Mr. and Mrs. Harry Beland and family spent Christmas Day in the home of Mr. and Mrs. Charles Beland and family.

Mr. and Mrs. Clare Beland have arrived in Florida, and their address is River Rest Trailer Park, Tavares, Florida.

Mr. and Mrs. Burton Cosby and family were guests Christmas Day in the home of Mr. and Mrs. Herman Jones and family.

The Herman Jones family spent last Saturday in Jackson with the Rev. Edgar Owens and his family.

Mr. and Mrs. Ernest VanVleet had as guests from Ypsilanti Sunday, her sister and husband, Mr. and Mrs. Cloy Fricker.

Christmas guests in the Dale Tingley home were their daughter and family, Mr. and Mrs. Boyd Baird, Bretta and Laura Lee, also Mr. and Mrs. Ernest VanVleet, and Dale Tingley, Jr. who is home from Albion College for the holidays. The latter has been assisting in the post office with the holiday mail.

Mrs. Anna Morse spent Christmas eve and the next day in the home of Mr. and Mrs. Sam Sisson.

Mr. and Mrs. Warren Pack are entertaining their parents from Nitro, West Virginia, Mr. and Mrs. Rineacher and Mrs. Grace Peck, for the holidays.

Guests in the home of Mr. and Mrs. August Hoffmeister and family for Christmas Day were her brother, Mr. and Mrs. Donald Brant and family, and Mrs. William Brant all of Adrian.

Mr. and Mrs. Faye Whelan entert[illegible] dinner Saturday evening in honor of Mrs. Whelan's birthday anniversary. The guests were Jack Whelan, Mr. and Mrs. Richard Whelan and daughter, Miss Joan Lewis, Miss Mary Glancy, and Mr. and Mrs. Larry Hart and daughters.

Mr. and Mrs. Charles Schoenholtz, and Miss Alice Schoenholtz of Royal Oak, were guests in the home of Mr. and Mrs. Elmer Bryan for Christmas Day.

Mr. and Mrs. Fred Belleville spent Christmas eve with their son and wife, Mr. and Mrs. Philip Belleville in their home on River Acres Drive. Christmas day they all drove to Vassar to spend the day in the home of Mrs. Fred Bellevilles parents, Mr. and Mrs. H. D. Cottrell.

Mr. and Mrs. Carl Fosbender left the day before Christmas to spend a week with their daughter and family, Lieutenant and Mrs. Dale Bowen and son, Paul Gregory at 29 Palms, California.

The names of Mr. and Mrs. Roger Williams and family were omitted from the list of guests who attended the tree trimming party in the Don Purkey home last week.

Mr. and Mrs. Fredrick Nieman and daughters of Ypsilanti, were guests Thursday evening for dinner in the Lyle Grigg home.

Mr. and Mrs. Fred Sheldon will be spending Christmas Day with their son and family, Mr. and Mrs. Paul Sheldon of Dundee.

Mr. and Mrs. Dale Hoag of Saginaw will be visiting relatives in Tecumseh, and Adrian through the Holiday season.

Mrs. Dolly Hanford returned to the Bayless Nursing Home after a weeks stay in the Herrick Memorial Hospital. Her condition is quite satisfactory.

Mr. and Mrs. Wilber Boyce entertained the Waldron family at dinner Sunday in their home. Guests were Mr. and Mrs. Wilfred Waldron, Mrs. Margaret Kidman, Mr. and Mrs. John Hamilton and family, and Mr. and Mrs. Wilfred R. Waldron who came from Bay City to spend the holidays with his parents. They arrived Sunday, and will also be spending some time in the John Hamilton home.

Ethel Keyser is spending the weekend with her sister and husband in Toronto, Canada.

Vevie Anderson returned to her home in Tecumseh Thursday from Onsted where she was staying with Mrs. Winters to recooperate from the arm injury she recently suffered. Sunday her son, John Anderson, came from Jackson to take her to his home for an extended stay over the holidays.

Dean Ammer, son of Mr. and Mrs. Paul Ammer, is home from New York to spend the holidays with his parents.

Dr. and Mrs. Arthur Brown held an "at home afternoon" from 4 to 5 Sunday for friends of their daughter and husband, Mr. and Mrs. James Blocker, who are here for the holidays from Kansas City, Missouri. Mr. Blockers parents, Mr. and Mrs. John Blocker came from Lawrence, Kansas to spend Christmas in the Brown home; another guest in the Brown home was Clara Waldron.

Among the students who are home for the holidays are Bill Benham, Dennis Farley, Lanny Greenwald, Jim Bowser, and Joe Hayden.

Mr. and Mrs. Harvey Dinse are entertaining at a family dinner Christmas day. The guests are Mr. and Mrs. E. F. Soncrant, and son, William, Mr. and Mrs. John Soncrant and daughter, Miss Alma Soncrant, all of Adrian; Mr. and Mrs. E. M. Soncrant and son, Lee, of Clinton, Mr. and Mrs. Arthur Dinse and daughter, Mrs. Anna Grigg and Donna and David, and Mr. Earnest Campbell, and son, Owen, all of Tecumseh.

Mr. and Mrs. Lynn Hubbard expect their son's, Richard of California and 2nd Lieut. Russell of Houston, Texas home for Christmas and the holiday week. The family will all be guests of Mr. and Mrs. Ervin Schilling in Adrian on Christmas night. Mrs. Jean Kemp and children will also be guests in the Schilling home.

Happy Holiday

Lamar Cheever Master Salesman

Tecumseh Herald photo

Harvey Wilson, head of the Wilson Motor Sales, local De Soto-Plymouth dealer, at 123 S. Ottawa announced today that Lamar Cheever, a member of his sales staff, has been named to membership in the manufacturer's select Master Salesman's Club.

Mr. Cheever, in the center above, is shown receiving the award from Richard Ament, District Sales Manager, on the left above. Harvey Wilson, owner of Wilson's Motor Sales is on the right.

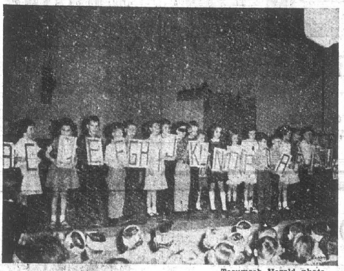
Pictured above with the engine from left to right is Mr. Edward Goodnaugh, W. H. Knapp and Perry Burghardt.

Mr. Wagstaff, vice-president in charge of sales according to Mr. Wilson, said, in making the prized awards:

"Lamar Cheever has demonstrated himself to be a superior salesman and one whose business practices and success not only represent extraordinary achievement, but are considered to be in the finest tradition. We are justly proud to admit him to the exclusive ranks of those in the field whom we hold in the highest esteem."

His awards, based on a point system, make him eligible at year's end (Jan. 1) for a "treasure chest" (an actual cedar chest, with engraved name-plate, etc.) that will go to only 57 top-flight salesmen in 19 regions, and which contains 500 silver dollars. Awards also consist of an identifying gold lapel pin, specially engraved business cards, a letter of recognition from factory heads and a scroll certificate for framing.

2nd Graders Give Program



Tecumseh Herald photo

Second grade pupils at Patterson School are shown during the presentation of their Christmas program last Friday. They presented an alphabet skit.

Tom Horton Playing Santa

Tecumseh Herald photo

Patterson first Grader, Tom Horton, is shown acting the part of Santa Claus in the annual Christmas program. Tom did well and had no trouble with his pillow tummy.

Patterson Plans Are Explained

(Continued from Page 1)

vention of the American Association of School Administrators in their architectural competition was designed so that six rooms could be added at any time. Boiler facilities and utilities for these rooms were designed and completed in the original construction."

"Two second grade rooms, a third, a fourth, a fifth and a sixth grade room will be added since the present second grade room may also be used for a first grade. Since with thirteen rooms, locker space for gymnasium classes is necessary, a special locker room with basket storage facilities is also included in the plan. The addition runs east and west with the rooms all north lighted. Therefore, there is no need for light control for any of the rooms."

"Essentially, this new addition is planned of similar construction as the present building. However, between 1952 and 1956, some improvements in classroom design have been discovered and some of these will be incorporated in the new portion of the building."

"When completed, the building will serve an area approximately 1/2 mile in radius, with no bus service necessary since all can walk. There is no noon luncheon program planned for this building as each pupil should return to his home for lunch. The addition as designed should serve not more than 180 pupils, making the total unit of twelve classrooms and a kindergarten capable of serving 420 pupils. It is difficult for some the older residents of the village to realize that there are so many children between the ages of 5 and 12 living within that small area of Tecumseh. Actually, that is more children than there were in all the elementary grades in Tecumseh 10 years ago. At present we have 1143 pupils 5 to 12 living within the city limits and 757 under five."

Don't Forget The Scout Scrap And Paper Drive

Don't forget that the Boy Scouts of America, Troop No. 4 are conducting a paper and scrap drive Saturday, December 29. This is a good opportunity to rid your home or business of fire hazards.

Money received from this paper and scrap drive will be used to purchase equipment and further promote scouting in Tecumseh.

Happy New Year!

We hope the New Year will be a picture of happiness and success for you.

1957

Kerbys

Highlights of 1956

(Continued from Page 1)

Mar. 15—Holloway, Culbertson and Grubb schools annexed to Tecumseh. Fred Bryan was elected president of the village of Britton.

Mar. 22—Calvin Zorn has been hired as city engineer. The City Councilmen Monday night unanimously adopted a resolution giving Ed Nelson, City Manager, a vote of confidence.

Mar. 29—Merlyn Downing was elected president of the Junior Chamber of Commerce. Kohler Real Estate office is being moved to 116 West Chicago.

APRIL

Apr. 5—Hanna, Purkey, Kelso and Brazee were elected as councilmen. Mr. Hanna was re-elected mayor by his fellow councilmen.

Apr. 12—John Kellot observed his 100th birthday. The city budget was set at $324,000 for the new fiscal year.

Apr. 19—The new proposed school budget calls for $600,199. Shirley Armstrong 5, of 305 East Chicago Blvd. was struck and seriously injured when she darted in front of a car.

Apr. 26—Mr. and Mrs. Glenn Van Denbergh observed their 50th wedding anniversary. Silver solder valued at $2100 was stolen from the Tecumseh Products Co., by a thief or thieves early Monday morning.

MAY

May 3—A torrent of rain flooded basements and homes, roads and fields in the Tecumseh area Friday and Saturday. Tecumseh new car dealers will stage a Spring Automobile Fashion Festival Monday through Saturday.

May 10—Jim Rohrer was elected Commander of the American Legion Post No. 34. The city tax rate was set at 10 mills.

May 17—Mayor H. H. Hanna exchanged posts with Mayor Carney of St. Clair in the Annual Mayor Exchange Day and Mayor Fred Bryan of Britton will exchange with Jayson Kimbee of Barryton in Mecosta County.

May 24—Miss Bertha LaPointe retired after 40 years of teaching.

May 31—Tecumseh High graduates 80 seniors, Boysville 17 and Britton 25. John Boldon, Tecumseh Merchant for 27 years, passed away after a short illness.

JUNE

June 7—The Britton plant resumed production.

June 14—Harold M. Kelso was named a member of the board of directors of the Adrian Federal Savings and Loan Association. Gretta Porter, a senior, in the Department of Journalism at the U. of M. joined the Herald staff for the summer.

June 21—Local school census lists 4136 students. Richard Myers was appointed manager at the Kroger Store.

June 28—Brother Hilarion Brezik, C.S.C. director of Boysville of Michigan for the past 17 years, has been appointed director of the Boys' Ranch in Dallas, Texas.

JULY

July 5—Charles O. Butler heads Michigan car dealers. Richard Coak, M. D. Began his practice in Tecumseh.

July 12—Jens Touborg and Virgil Tucker were elected to the School Board. For the first time in history, Herrick Memorial Hospital has received full accreditation from the Joint Commission on Accreditation of Hospitals, Chicago, Ill.

July 19—Bids were awarded for a part of a $220,000 City Water improvement program.

July 26—Geenral Telephone Company purchased the Britton phone company. Charles A .Seitz, 73, prominent Tecumseh businessman passed away.

AUGUST

Aug. 2—The Junior Chamber of Commerce has assumed the leadership in campaign to educate the voters on the fluoridation issue. Rain has slowed the harvest of the counties wheat crop.. The moisture content was often as high as 16 per cent.

Aug. 9—Seven hundred and sixty votes were cast in the cities primary election. L. H. Titley was appointed to the Tecumseh Cemetery board for a three year term.

Aug. 16—The Tecumseh Chamber of Commerce has come to an end. The group was unable to make ends meet. The Jr. Chamber of Commerce has temporarily assumed the senior Chambers duties.

Aug. 23—The Tecumseh Herald has been sold to Fred and Philip Belleville.

Aug. 30—The circus came to town this week, sponsored by the Jr. Chamber of Commerce. Employees of the Tecumseh plant of Quaker Oats Co. received $6933 in annual profit-sharing checks. Mahlon Sebring has sold the Standard Oil station to Mr. Duane Bihlmeyer.

SEPTEMBER

Sept. 6—One hundred and thirteen boys turned out for football this year. The Farm Page is a new feature of the Tecumseh Herald. Children enrolled in Tecumseh Public Schools totaled 2444 this week. Eight hundred and seventy-seven of these students are in Jr. High and High School. The building is designed to facilitate 500.

Sept. 13—The Tecumseh Community Fund has adopted the budget for 1956-57. The goal this year is $13,244. The Women's drill team of the American Legion Ladies Auxiliary took third place at River Rouge.

Sept. 20—Fire Prevention Day is this week. Thirty to thirty-five State Fire Inspectors were in Tecumseh to inspect business places, schools, churches and the hospital. Square and round dancing was in order for the first fall meeting of the Parent-Teachers Association.

Sept. 27—The Tec. Indians won over the Falcons of Monroe Catholic Central 19-6 in football. Tecumseh Cam Twisters held their Sunday drag race at the Tecumseh Products airport. Nine cars and 10 cycles competed.

OCTOBER

Oct. 4—Tecumseh has the honor of being selected by the University of Michigan for a study of past, present and future health. Dr. Horton will head the program.

Oct. 11—J. J. Walper & Son grain and feed store and elevator of Britton burned to the ground. The damage was estimated to be $750,000. Wally Weber Day was held at the Kiwanis Club. Mr. Weber spoke at the clubs regular luncheon meeting.

Oct. 18—Extensive remodeling has begun at the Tecumseh Baptist Church. The Bedford Mules are overwhelmed by the Tecumseh Indians 35-0 in football. Mr. Joe Mannino has opened his new market. It is called "Joe's Food Market."

Oct. 25—The Tecumseh Board of Education invited the secretaries of the 17 districts annexed to Tecumseh to a meeting to discuss building needs of the school. Ernie Van Vleet Day is this week honoring Ernie Van Vleet who has been delivering in Tecumseh for 50 years.

NOVEMBER

Nov. 1—Local property owners pay 4th lowest school tax. The Tecumseh Township board, approved the Health Study program as related to them by Dr. Horton of the U. of M.

Nov. 8—Dwight D Eisenhower and Richard Nixon win in the National election. G Mennen Williams is reelected as Governor of Michigan. Fluoridation carrier in Tecumseh. City Manager Ed Nelson announced the initiation of a tree planting program for the City of Tecumseh. Senior float took first place in the Homecoming parade

Nov. 15—A total of $14,750 was collected in the Community Fund drive. Ralph Comfort embarked on a world tour. Tecumseh Indians end the football season in second place in the league.

Nov. 22—Fred Brighton, an employee of Bruce Foundry Co., shot a fine seven point buck near Waterloo, Michigan Nov. 15, a short time after the season opened. It was one of the first shot in the state.

Nov. 29—The Senior Play entitled "Desperate Hours" was held this week in the Central School auditorium. The play was a great success. The Jaycee sponsored Football banquet was held this week.

DECEMBER

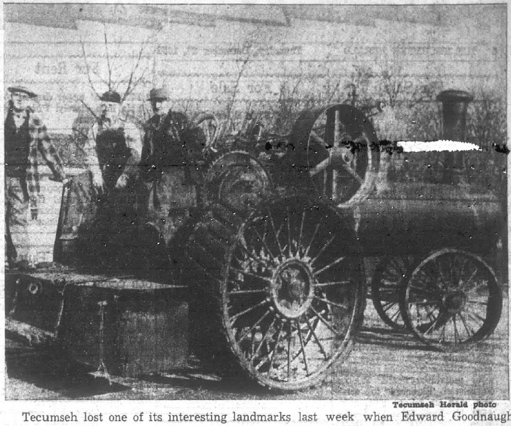
Dec. 6—Fire did extensive damage to the Hotel Justus. Cause of the fire is unknown. Dr. Robert Bowers has moved to a new location at 113 N. Evans St. The Baptist Church has been completely remodeled and the dedication was held Sunday.

Dec. 13—The Exchange and Kiwanis Clubs packed Christmas candy. Tecumseh Exchange Club held their annual father-daughter banquet. The new Jack Pine Motel is ready to open. The Rotary Club draws a capacity crowd to see Mort Neff.

Dec. 20—The Jaycees are selling Christmas trees again this year. Santa Claus arrived to give the children candy and to hear their Christmas requests.

—o—

Steam Engine Sold To Collector



Tecumseh Herald photo

Tecumseh lost one of its interesting landmarks last week when Edward Goodnaugh sold the J. L. Case steam engine that powered the 110 year old Tecumseh Sorghum and Cider Mill for the past 21 years. It was purchased by W. H. Knapp, prominent contractor and steam engine collector, from Monroe.

Pictured above with the engine from left to right is Mr. Edward Goodnaugh, W. H. Knapp and Perry Burghardt.

The old Case was one of the oldest of it's type in operation. It developes 75 horsepower and is still in good running condtion. It was moved from its position on the South side of the Mill last Wednesday for the first time in 21 years. The machine weighs more than 10 tons. It is designed to operate with between 100 and 120 pounds of steam pressure. Mr. Knapp plans to exhibit it with some of his other "steamers" at the Monroe County Fair.

Mr. Goodnaugh plans to sell the Mill. He obtained it 31 years ago in a real estate transaction and decided to put it in operation. "The Mill, an old red brick, is setting stolidly at the base of the North Evans St. Bridge and has been a landmark in Tecumseh for several generations." It operated during the month of October.

National Field Trial Champion

Tom P. Clute, owner and trainer of the National Cocker Field Trial Champion, Prince Tom III, is a mighty proud and happy man these days. His beautiful buff Cocker with his flopping ears and flying feet was not given much of a chance when he was entered in his first trials. He was the only amateur handled cocker entered and was seven years old.

He shows amazing obedience, is always an eager worker and a lover of brisk action. Prince Tom was the only American cocker to go all the way in the National Cocker field trial of the American Spaniel Club.

Mr. Clute received the dog as a birthday gift 7 years ago and for several years he was just a pet and then one day his master decided to put him in obedience work. In this event he proved little short of sensational. When his owner put him into field trial work no one gave him a chance to succeed, but this amazing dog went right out and won a field trial title to prove his masters faith in him and then went on and worked his way up to the National Champion.

He was National Shooting Dog champion in 1954. He won the Maumee Valley trials the last two years and won the Ravenna, Ohio trials last spring to qualify for entry in the naitonal championship.

Editors Corner .....

(Continued from Page 1)

crease in gross national product over 1955 probably was due to the gradually rising price level. The actual gain in physical output of industry — according to the Federal Index — shows for 1956 a percentage gain of only about three per cent.

Thus to some extent our record prosperity of this year bears an inflationary stigma.

In order to have prosperity and high employment on a sound basis, we must avoid a repetition of the wage-price spiral that intensified the postwar inflation; we must continue the fight for governmental economy and a stable dollar; and we must take steps to reduce the high and discriminatory taxes that drain off vast amounts of potential investment for industry.

TECUMSEH HERALD

STRENGTH FOR THESE DAYS from The Bible

The Lord is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit.—(Psalm 34, 18.)

Into the helplessness of our utmost sorrow comes this wonderful consolation; and this promise, this reprieve—this chance ever to begin anew. God will always hear us, from the deepest pit of despair.

Fire Damages Tecumseh Building

The Tecumseh Fire Department was called Christmas morning to extinguish a blaze at Jones Sealing Co. on Occidental Highway. Fireman who answered the alarm at 10:55 a.m. at the concrete block building, said the flames apparently started from a short circuit in the electrical wiring.

No estimate was made of the damage. The owner, Carlos oJnes, and his family are visiting in damage. The owner, Carlos Jones, was expected home Wednesday.

Firemen said damage to the equipment and materials was extensive. The firm has contracts for sealing pressure tanks.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE
COUNTY OF LENAWEE
IN CHANCERY

MAUDE WILSON, and
GEORGE HARVEY LEWIS, a Widower, Individually and as Executor of the Estate of Hattie A. Kemp, Deceased,
Plaintiffs,
vs. ORDER OF APPEARANCE
AUSTIN E. WING, MARY DIBBLE, WILLIAM H. BURRELL, FRED W. BURRELL and BESSIE K. BURRELL, his wife, F. B. WOOD, FREDERICK B. WOOD, and FLORENCE DOVE, and/or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of December, A.D. 1956.

Present: The Honorable Rex. B. Martin, Circuit Judge.

In this cause, it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said Defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ORDERED that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ORDERED that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

/S/ REX B. MARTIN
Circuit Judge

Countersigned:
Patricia J. Johnston, Clerk.

WILLIAM H. EVERY

STATE OF MICHIGAN,
County of Lenawee,—ss.
Probate Court for Said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 18th day of December in the year one thousand nine hundred and fifty-six.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of WILLIAM H. EVERY, deceased.

On reading and filing the petition of Harold H. Every, administrator with the will annexed upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 14th day of January next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing, and notice thereof given as required by law.

L. B. KUNEY, Judge of Probate.

Extension Group Had Christmas Party

The tri-town extension group met recently in the home of Mrs. Dennis Goller. A short business session was presided over by Mrs. Ted Sisson. Members worked on Christmas gifts, Christmas stockings etc.

The evening was concluded with a Christmas party and exchange of gifts between secret pals. Names were also drawn for next year. Prizes were won by Mrs. John Robinson and Mrs. Duane Bihlmeyer. The hostess served refreshments.

The January 21st meeting will be held in the home of Mrs. Richard Whelan.

Sara Rebecca Circle Met Thurs.

Secret pals were revealed in a gift exchange at the meeting of the Sara Rebecca Circle last Thursday evening held at the home of Mrs. Larry Hart. A potluck dinner was served at 6 p.m. to the eight guests present, after which the business meeting was conducted by the president, Helen Geigler. The remainder of the evening was spent socially.

. . Council Proceedings . .

CITY OF TECUMSEH
COUNCIL MEETING
December 17, 1956

Present: Mayor Hanna; Councilman Brazee, Hamilton, Kelso, Purkey.

Absent: Schwartz.

Meeting opened with the invocation by Councilman Brazee.

Minutes of the meeting held December 3, 1956 were read and approved.

Hearing on rezoning of west Chicago Boulevard or changing of the classification from Residential A to Business A Restricted was heard.

[illegible] Purkey to accept the resolution. Motion carried unanimously.

The following ordinance was read—Motion Brazee and seconded Kelso to accept the same.

ORDINANCE

WHEREAS the orderly expansion of the City of Tecumseh requires the establishment of a new zoning designation of "Business A Restricted."

NOW THEREFORE THE CITY OF TECUMSEH ORDAINS:

1. Section 7.171. There is hereby established a zoning classification to be known as "Business A. Restricted." The uses in areas designated Business A Restricted shall be the same as established in Section 7.164 of the Codified Ordinances of the City of Tecumseh EXCEPT that in Business A. Restricted a minimum set back line of 50 feet from the near right-of-way line of the bordering street or highway shall be observed.

AYES: Hanna, Brazee, Hamilton, Kelso, Powell.

NAYS: Purkey.

ORDINANCE DECLARED ADOPTED.

Dated: 3 December 1956

Motion Purkey and seconded Brazee to grant a temporary permit to Mr. and Mrs. Orville Dewey and Mrs. Edna Derby to reside in a house trailer at 215 N. Pearl St. until June 1, 1957. Motion carried unanimously.

Motion Purkey and seconded Powell the bills as follows be allowed and orders drawn up for the same, General $8,597.56 — Water Receiving Fund $6.10 — Water Operation and Maintenance Fund $2,065.75 — Water Deposit Fund $5.00. Motion carried unanimously.

Motion Kelso and seconded Hamilton to accept the City Managers report as read and the same be placed on file in the City Office. Motion carried unanimously.

Motion Kelso and seconded Hamilton to adjourn the meeting. Motion carried unanimously.

H. H. Hanna, Mayor
Naomi Sallows, Clerk

ORDINANCE

Meeting of the City Council of the City of Tecumseh, County of Lenawee, and State of Michigan, held on the 17th day of December 1956.

Present: Mayor Hanna, Councilmen Kelso, Hamilton, Brazee, Purkey and Powell.

Absent: Councilman Schwartz.

The following preamble and Ordinance was offered by Councilman Brazee and supported by Councilman Kelso:

WHEREAS due application was made to the City of Tecumseh for a change in the zoning law on West Chicago Boulevard near its intersection with the city limit; and,

WHEREAS due publication of the time and place of the hearing was made in the Tecumseh Herald, said being set for 8:30 p.m. on the night of 17 December 1956 at the Council Chambers of the City of Tecumseh, and;

WHEREAS no persons appear in opposition to said change in the zoning law and the Council having considered the matter.

NOW THEREFORE THE CITY OF TECUMSEH ORDAINS:

1. Section 7.172. Effective 15 January 1957, the following area situate in the City of Tecumseh is hereby designated as "Business A. Restricted:"

Commencing at a point in the West boundary of the City of Tecumseh at a point 250 feet South of the centerline of Chicago Boulevard and running thence Easterly and Southeasterly, parallel with said centerline, 1,660 feet, more or less, to the West line of Lot 85, as shown on the Plat of the First Addition to Sunset Meade; thence North, in said West line as extended, 540 feet, more or less, to the centerline of Evans Creek; thence Westerly, along said centerline, 400 feet; thence North 52 degrees West, 360 feet; thence West, 410 feet; thence North, 200 feet; thence West, 530 feet to the Western boundary of the City; thence South, along said boundary, 650 feet, more or less, to the place of beginning.

AYES: Hanna, Kelso, Brazee and Powell.

NAYS: Councilman Purkey. (Councilman Hamilton, not voting.)

ORDINANCE DECLARED ADOPTED.

Attest: Naomi Sallows,
City Clerk

Dated: 17 December 1956

Mrs. Myrl Murray of Milan and her daughter Mrs. Ellen Green of Ypsilanti were guests Wednesday of their cousins, Mr. and Mrs. Elmer Linn.

Rev. Lorne Carter of Monroe will ocupy the pulpit in the Methodist church next Sunday morning.

Communion will be observed in the Methodist church the first Sunday in January.

Billie Dean is home from college in California. James Dean of Hillsdale [illegible] the holiday vacation.

Mr. and Mrs. Charles Spreeman have gone to Texas to visit their daughter and husband and family.

William Lloyd is enjoying a trip to Alabama for the holidays.

Mrs. Gertrude Birdsall left Sunday for several weeks with friends and relatives in and around Detroit.

Mrs. Stella Hite is spending a few days with her sister Mary Pate of Adrian.

Mrs. Lawrence Gray of Ypsilanti visited in town Sunday.

Mrs. E. V. Avery of Ann Arbor called on friends Saturday.

Mrs. Mary Pate of Adrian was a guest Wednesday of her sister Mrs. Estella Hite.

Millard Allison of Saline was a guest of his cousin Elmer Linn Wednesday evening.

Mrs. Guy T. Pocklington and Ronald were Christmas dinner guests of Mr. and Mrs. L. Gray and sons in Ypsilanti.

Mrs. Vera Allison of Saline was a guest Wednesday of Mr. and Mrs. Gerald Miller.

The United Workers class of the Methodist church packed boxes for the shut-ins Tuesday evening for Christmas.

Rev. Haybert and Mrs. Woodall and family are spending the week with relatives in North Carolina.

Miss Lulu Gilmore was a Christmas dinner guest of Mr. and Mrs. Wilbur Boyce near Tecumseh.

Mr. and Mrs. Daniel Linn and family were Sunday evening guests of Mr. and Mrs. Fay Hindes in Britton.

Fine Salt On Icy Walks Is Shrub Saver

Icy, snowy weather means that home owners will be looking for ways to prevent slippery walks and steps, yet avoid damage to nearby shrubbery.

Sprinkle walks with finely ground salt mixed with sand. This will break up ice and prevent slipping while the ice is melting. Fine salt will be diluted quicker and as a result not be as injurious to plants as will concentrated rock salt.

When shoveling snow, dump it on the lawn rather than around shrubs, particularly if the salt content is high. It will cause less harm to grass than to shrubbery or evergreens.

If you have some leftover granular lawn fertilizer, it may be sprinkled lightly on slippery walks to help make them safe. This fertilizer will be available to plants in the spring. However, be careful not to get this fertilizer too thick or on the foliage of plants as it will burn severely. Also, this fertilizer may track into the house and do damage to rugs. A shoe-cleaning mat at the door will prevent this from happening.

New U. S. Laws On Shipping Cattle Over State Lines

Shipment of cattle over state lines without certificates showing them to be free of brucellosis will become a Federal offense after next Jan. 1 with certain exceptions, according to word received this week by the Michigan Department of Agriculture from the U. S. agricultural department.

Brucellosis, sometimes called Bang's disease, is a highly contagious disease of cattle that has cost cattle owners millions of dollars over the years. Resulting in abortion in cows, brucellosis is transmissible to mankind in the form of undulant fever.

The new Federal regulations will be a boon to the brucellosis eradication program being waged by the Federal and State departments of agriculture to make Michigan brucellosis-free by 1960.

New Federal rules for shipping cattle over state lines in a nutshell are:

1. Not included in the regulation are steers, spayed heifers and calves under 8 months.

2. Cattle consigned for immediate slaughter must be accompanied by proper certificates.

3. Cattle from herds or areas that are brucellosis-free need only a health certificate from the state veterinarian.

4. Vaccinated cattle under 30 months old may move on a permit from the state veterinarian in the state of destination.

5. Vaccinated cattle over 30 months old may move under permit if tested within 30 days, or if not tested within 30 days must be quarantined on arrival until proven negative.

6. Unvaccinated cattle may move under permit if negative to brucellosis test within 30 days of shipment and are quarantined on arrival and found negative after 30 days.

7. Cattle for feeding or grazing may move under permit from state veterinarian of state of destination.

It is advisable before shipping cattle across state lines to contact State or Federal veterinarians in the Cass building in Lansing.

Police Report Shows Busy Holiday

The Tecumseh Police Department report plenty of activity over the weekend and Christmas holiday.

Tony Dudyh of Jackson was arrested for driving under the influence of intoxicating liquor.

A car driven by Henry McFadden, Adrian and a car driven by Francis Brainard, Tecumseh, came together in the Diner parking lot.

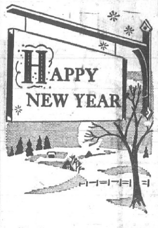
Cars driven by Florence Gallant, Tecumseh, and Raynor Ingraham, Adrian collided on Russell road, doing about $225.00 damage to the cars.

A car driven by C. B. Waltz, Ann Arbor, and a car driven by Judson Miles, Tecumseh crashed on W. Brown Street, doing about $75.00 damage to the Waltz car and $125 damage to the Miles car.

Jack Allen Warner appeared before Justice Robert French after being charged with possession of beer and was fined $50.00, $8.60 costs and 15 days in jail.

Donald Moore was arrested for throwing bottles on the road. He appeared before Justice Robert French and was fined $50.00, $8.60 costs and 1 week in jail.

Howard Schmidt appeared before Justice French, waived examination on a $1000 bond and was bound over until January 14 term of Circuit Court. He was charged with breaking and entering.



HAPPY NEW YEAR

We hope your New Year will be full of peace and prosperity.

On The Average There's A Skunk Every Ten Acres

"If you see a skunk these cold winter days, you can almost bet on its being a male," says Prof. William H. Burt, curator of mammals and professor of zoology at The University of Michigan.

"The females are denningup now, sometimes eight or ten in a den, and you probably wont' see one above the ground until the winter is broken. The males don't remain in the dens except in extremely cold wather, but sally forth at intervals throughout the winter months," he says.

He continues, "Skunks are probably polygamous. Mating takes place in late February or early March, and the young, two to ten in a litter (usually about six), are born about the first of May.

"By late June or early July the mother brings the young out of the den to accompany her on her nightly searches for food. They grow rapidly and usually are in good condition, with plenty of fat on their bodies when the cold of winter sets in.

"Normal fall and early winter population of skunks in good territory in southern Michigan is about one skunk to each 10 acres," Professor Burt says.

The skunk, better known for its power than for its beauty, depends on its scent-spraying mechanism for protection, he explains.

"But he uses it only in emergencies. If you're so unfortunate as to be sprayed in the eyes, you need fear no lasting bad effects. Your eyes will burn and you will be blinded temporarily, but within a few minutes the tears will have washed your eyes clean, and the painful effects — albeit not the odor! — will have disappeared. To this I can attest by personal experience," he adds ruefully.

Continuing, Burt says, "You may have seen this rather formidable creature roaming the fields, fence rows, or swamp edges, looking for food. More likely you have seen him a victim of highway traffic. He's black with a white stripe on his forehead, a white patch on the top of his head and two white stripes on the crown and extending over the back for varying distances, usually to his long bushy tail."

"The skunk comes out from his daytime sleep shortly after sundown and starts his search for insects, grubs, mice, eggs, berries, and any small animal he may encounter in his wanderings, says the professor.

"For a den, he will either dig a hole in the ground for himself or take over a hole abandoned by some other animal of similar or larger size," he says. "Old buildings are readily taken over by skunks and utilized as places of shelter."

Sunday Christian Science Services

The ever-present power of the Christ, Truth, will be set forth at Christian Science services Sunday.

The Lesson-Sermon to be read entitled "Christian Science" includes the following from Isaiah (52:10): "The Lord hath made bare his holy are in the eyes of all the nations; and all the ends of the earth shall see the salvation of our God."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (55:15-21): "Truth's immortal idea is sweeping down the centuries, gathering beneath its wings the sick and sinning. My weary hope tries to realize that happy day, when man shall recognize the Science of Christ and love his neighbor as himself, — when he shall realize God's omnipotence and the healing power of the divine Love in what it has done and is doing for mankind."

My Favorite Prayer

SUBMITTED TO
THE LAYMENS' NATIONAL COMMITTEE
BY THOMAS D'ARCY BROPHY
Chairman of the Board, Kenyon & Eckhardt, Inc.,
New York City

Abide with me! Fast falls the eventide;
The darkness deepens: Lord, with me abide!
When other helpers fail, and comfort flee,
Help of the helpless, O abide with me!
Hold then Thy cross before my closing eyes;
Shine through the gloom, and point me to the skies:
Heaven's morning breaks, and earth's vain shadows flee:

High School Wrestling Team In Tournament

Tecumseh High School Wrestlers journeyed to Lansing last Friday and took part in the Lansing Sexton high school invitational tournament.

Those taking part and the results are as follows: Delmar Dotson, 127 pounds, was pinned in one minute and 50 seconds by a boy from Lansing Eastern. Terry Hendricks, 112 pounds, was beaten by a boy from Cranbrook 7 to 5. Dave Schmidt, 133 pounds, was beaten 5 to 2 by a Jackson wrestler. Jim Neiling, 138 pounds, was defeated by an Adrian boy. Tony Kasik, 145 pounds was pinned after being ahead 6 to 4 by a boy from Williamston. One hundred and forty-five pound Jerry Crunk was pinned in 1 minute 27 seconds of the first round by a Jackson wrestler. Ron Johnson went to defeat 5 to 0 at the hands of a Lansing Eastern student. Dick Baker and a boy from Sturgis were tied at the end of the bout but the Sturgis boy was declared the winner 9 to 8 as he had accumulated 1 more point in riding time.

Local Topics . . . .

Mrs. Joe E. Rice, State Registrar, of the D.A.R., is entertaining at an open house in the Parish House of St. Peter's Episcopal church Jan. 3, honoring the State officers, Mrs. Clarence W. Wacker and her board. The members of the Abi Evans Chapter of the D.A.R. are especially invited to attend, and Mr. Rice will show the pictures of their European trip.

Christmas dinner for the Laidlaw family will be held the day following Christmas at the O. W. Laidlaw home on Evans Creek drive. Guests will be Mr. and Mrs. David Laidlaw and four children of Milford, Dr. and Mrs. Robert Laidlaw and family, Mr. Fred Morse of Lyons, Ohio, and Mr. J. W. Raven of Detroit, brother of Mrs. Laidlaw.

Mr. and Mrs. Russell Smith are leaving this week to spend the remainder of the winter at Cortez, Florida.

Mr. and Mrs. E. H. McConnell left Sunday by plane from Willow Run to spend a week with their son and family, Mr. and Mrs. Russell McConnell, Sylvia, and Larry.

Mrs. Carrie Danforth is spending some time with her daughter Mrs. James Hearl in Berea, not Mrs. James Danforth as was reported in last weeks paper.

Mr. and Mrs. Floyd Billington left yesterday to go to Mount Dora in Florida where they will spend the remainder of the winter.

Mr. and Mrs. Orville Bishop and family left last Friday for Sturgis, Mississippi, where they will spend Christmas in the home of her sister, Mrs. Sam Morgan, with another sister, Mr. and Mrs. W. B. Jackson, and their mother, Mrs. A. B. Daniel who are visiting in the Morgan home from Fort Worth, Texas. New Years day the Bishop family, will be visiting Orville's parents, Mr. and Mrs. L. L. Bishop, in Baldwyn, Mississippi when all of the brothers and families will be home, which has not happened for a number of years.

Albert Comfort, son of Mr. and Mrs. Russell Comfort, and Paul Wilson, son or Mr. and Mrs. Amos Wilson, accompanied by a friend of Paul's from Colorado and Mrs. Wilson are driving to Florida this week to see the Orange Bowl game.

Guests Christmas day in the home of Mr. and Mrs. Murray Day and family were Mr. and Mrs. Orval Johnson and family of Jackson, Mr. and Mrs. Aimee Martinat and family of Lansing, and Mr. and Mrs. Harry Day.

Todd Herrick is home from Howe Military Academy to spend the holidays with his parents, Mr. and Mrs. Kenneth Herrick. He will be home until Jan. 6.

Guests Christmas day of Mr. and Mrs. Henry Filter were Mr. and Mrs. Warren Filter and 3 children, Mr. and Mrs. Chester Godzina and 2 children, and Mr. and Mrs. Wayne Filter and 2 children.

December 30 the Warren Filter family will be entertaining Mr. and Mrs. Wayne Dunbar and son, Mr. and Mrs. Jack Slick and 4 children, and Mr. and Mrs. Andrew Crutchfield and 3 children, all of Britton. Mr. and Mrs. William Cundiff, parents of Mrs. Filter, will not be present because they are spending the winter months in Florida.

Mr. and Mrs. Dean Peotter entertained Christmas Day in their home in River Acres for dinner. The guests were Mr. and Mrs. Westley Luckhardt and family and Ralph Peotter of Ann Arbor, Mr. and Mrs. Richard Elinski and son from Erie, Michigan, Mr. and Mrs. Stanley Kruse and family, Mr. and Mrs. Ralph Peotter, Sr. and Dale Peotter all of Tecumseh.

Mr. and Mrs. Stanley Kruse and family will entertain at a family gathering Dec. 30, in their home in Herrick Park, Mr. and Mrs. Arthur Kruse and family of Blissfield, Mr. and Mrs. Calvin Vehmeier and daughter of Adrian, and Mrs. Leola Kruse of Adrian.

Judy Holliday Stars In Solid Gold Cadillac

Judy Holliday, who garnered an Academy Award as best actress of the year for her delightfully devastating portrait of the dizzy blonde in "Born Yesterday," reportedly has a role even richer in laughter in Columbia Pictures' "The Solid Gold Cadillac." As the blonde chick who likes to play around the Stock Market, Miss Holliday stars with Paul Douglas at the Strand Theatre starting Jan. 1. Douglas himself is seen as atycoon with Wall Street to Wall Street carpeting, a big businessman who gets the business from the irrepressible Judy.

Based on the long-run Broadway comedy hit, "The Solid Gold Cadillac" presents Miss Holliday as a very small stockbroker in a very large corporation. At a stockholders' meeting, she asks such embarrassing questions of the inept Board of Directors, they try to silence her by giving her a job with the companl. Paul Douglas, erstwhile chairman of the Board who has taken an important Washington assignment, becomes Judy's ally when she tries to plead the stockholders' cause; they fall in love.

Good Luck
TO YOU IN THE NEW YEAR!

Keep Your Children Occupied During The Holidays

Potato printing is a craft that will keep children busy during the holiday season. The equipment needed is a potato, a dull knife, some tempera paint, paper, a flat brush, and some absorbent paper toweling.

First cut the potato in half widthwise and then blotting the cut surface of the potato on absorbent paper toweling. The secret to success in doing potato prints is to remove as much moisture as possible from the potato before applying paint.

Next, use a variety of tools such as a dull knife, a spoon, an ice pick, or a pencil to make a design on the cut surface of the potato. The design can be abstract or real.

Once you have your design on the potato, dip your brush into some paint and apply the paint to the cut surface of the potato. With sufficient paint on the design (it doesn't require too much) merely blot the painted potato surface on a piece of paper. The design comes out better if you press to some extent. Continue this same process until you have the sheet of paper filled or you wish to change designs.

If you wish to switch the color of your design, rinse off the paint from the potato with water and blot the potato on some absorbent toweling. Then apply the other color of paint.

Potato prints can be used on fabrics as well as on paper. To apply them to fabrics you must use textile paint plus extendor. First, wash and iron your material. Next, use one-half the amount of extendor as you use paint. Follow the same process as you did using paper. Allow the paint to dry 24 hours and then iron the fabric.

Realty Views

Behind the scenes a real estate transaction is often highly complicated, even though all the owner wants to do is sell a part of his holdings.

John Vestal, for instance, bought a large farm under a single contract, mortgage and deed.

One day he phoned. "I want to sell off about half of my property. I know it will take your professional skill to untie all the knots, because it's really complicated."

He was right — it was a big challenge. Finding a buyer was the first step, but by no means the hardest. I had to "show" the original sellers why they should amend their contract, and substitute two deeds for the one in escrow. Then, the mortgage company had to be "convinced" that it should grant a release of mortgage to part of the property and substitute a new loan. Moreover, the amount of this new loan had to be "right" in order to complete the sale satisfactorily. Finally, came the legal complications, prorating the figures, and actual closing of the transaction.

"Whew," said John Vestal, "I'm tired just from signing my name so many places. I can well imagine all the work you want through."

Regardless of the complexity of your selling situation, we'd like to help you. Engage "professional skill" by calling our office No. 36.

Tecumseh Indians Drop Thriller To The Adrian Maples

By John Barton

The Tecumseh Indians lost a thriller to the Adrian Maples Thursday night. They were outscored 62 to 60. The JV's lost 64-19. The starting lineup for Tecumseh was Miller, Yoakum, J. Elliott, Hansen and McDowell.

With the sound of the whistle, Adrian took the tip off but failed to score. Hansen then scored on two free throws for Tecumseh. This was followed by two for Adrian's Carlson. Yoakum tallied the next two for Tecumseh followed by two baskets by Miller. John Elliott then pumped in a one hand shot followed by one each for McDowell and Yoakum. At this point, the score was 16-4 in favor of Tecumseh with 2 minutes to go in the [illegible]

Adrian then rallied and marked up scores by Harris, Keedy and crew. The score at the end of the first quarter was 18-10 in favor of the Indians.

As the second quarter began, Carlson sunk a field goal for Adrian and Elliott hit a jump shot for the Indians. During the quarter, first one side and then the other would score with Adrian slowly creeping ahead. The score at the end of the half was 31 to 28 in favor of Adrian.

The game slowed down considerably in the third quarter. Everyone was hitting well on both teams. However Adrian was not able to retain its 3 point advantage. Fouls were frequent during the whole quarter. The score was 45 to 48 in favor of Tecumseh at the beginning of the last quarter.

At the beginning of the fourth quarter, Miller was fouled and sunk a free throw. This was followed by a field goal for Carlos of Adrian and another one by Tecumseh's Elliott. Hansen then tallied a field goal and hit on a free throw. Adrian's Harris sunk a free throw at this point. Miller sunk two free throws for Tecumseh and then fouled out of the game with 4 minutes of play remaining. Adrian's Harris then rung up two field goals to make the score 58 to 56 in favor of Adrian.

Elliott sunk a free throw and Tecumseh called time out with 2 minutes 15 seconds remaining. The game score was 58 to 57 with 1 minute 17 seconds remaining. Hansen fouled and Adrian's Harris made 2 free throws despite the bedlam in the bleachers. Larned then made a field goal and a free throw to tie the score at 60-60.

The heartbreaker came when Adrian broke the tie with only 12 seconds remaining to play.

John Elliott led the scoring for Tecumseh with 18 points. Adrian was paced by Harris with 27 points. The Indians will play their next game January 4 with Monroe Catholic Central here.

Field and Stream

At least 20 hunters were lost and required assistance in returning to civilization during the firearm deer season.

This high figure emphasizes again that many hunters fail to adjust their thinking to wilderness conditions when they stump out of cars, camps and cabins in search of deer.

One fault committed by many of these lost hunters is to walk one direction for three hours, then expect to return in the half hour that remains until darkness.

Another is to carry a compass, but not use it until well into the forest and completely turned around.

A third is to hunt alone, or to be unfamiliar with the country or to avoid, as far as possible, looking at maps when in a new area.

But panic is perhaps the most dangerous enemy a lost hunter must face. There are cases on record of lost hunters who ran themselves into the ground, possessed solely by fear.

Michigan woodlands can be dangerous when any of these faults is committed.

But the hunter who carries matches and tinder, a knife and compass, and a map or knowledge of the country; and knows how to use all these items can walk out of the most difficult situations.

It is not a lack of woodsmanship that gets hunters lost; it's a lack of pre-planning and forgetting common sense.

Exchange Club To Hear Arms Expert Jan. 2

The Exchange club heard an address by Mr. Herman, President of the Jackson Business University, at their meeting Thursday evening in the Eagles Hall. His topic was "Try Giving Yourself Away". By this he meant to do things for others because you want to rather than only for expectation of gain etc. He said that we get so rapped up in our own problems that we forget about others. Mr. Herman also said that happiness is to be found along the way, not at the end.

Due to the fact that the regular meeting night would have fallen on the day after Christmas, there was no meeting this week. The next meeting will be January 2nd. The program for that night will be Lt. Lester Roykendall from the Rockfort Post of the Michigan State Police. He will give arms demonstrations and talk on the use and misuse of firearms.

NEW YEARS EVE

IF YOU ARE GOING TO CELEBRATE THIS NEW YEARS EVE BY DRINKING, THEN DON'T DRIVE. It is your business how you want to celebrate the occasion as long as you don't infringe on the rights of others. Remember that even "one for the road" will slow your reaction time down to the point where you cannot react quick enough to meet an unexpected emergency. Your family certainly deserves better than an accident that could have been avoided if dad or mom would have used better judgment.

☆ ☆ ☆

WORKING FOR GOVERNMENT

The total cost of government in this country is far higher than most of us realize, one reason being that many taxes are of an indirect, or "hidden" nature.

U. S. News & World Report states, "Governments in this country — federal, State and local — are spending $110 billion a year. That is the equivalent of about one-third of all the money earned by all people and businesses in the United States."

In effect, you spend one-third of your working time working for government.

☆ ☆ ☆

HOLD LOOSENING

Back in 1945, George Kennan, then a little-known Foreign Service officer, forecast that Russia would not be able to maintain its hold on the Eastern and Central European satellite nations. Few paid much attention to him then. But in the subsequent years Mr. Kennan became a recognized authority on Russia, our Ambassador to the Soviet Union, and is now a Professor of the Institute for Advanced Study at Princeton. Writing in the Saturday Evening Post of November 24, Mr. Kennan forecasts that "The Soviet will never recover" from the late upheavals in Poland, Hungary, and elsewhere.

The Kennan article takes the form of a tape-recorded interview with Joseph Alsop. He begins by pointing out that Russian statesmen long before the Soviet era tried to dominate the people of Eastern Europe and always ran into trouble. One reason for that is these people have had higher standards of living than the Russians and have been further advanced in constitutional liberties and personal freedom. But there is, in Mr. Kennan's view, a second and more profound reason: "...the Soviet communist system is deeply wrong — wrong about human nature, wrong about how the world really works, wrong about the importance of moral forces, wrong in its whole outlook."

He believes that a breakdown would have occurred even if a full Stalinist system of dictatorship had been maintained after Stalin's death. He doubts if there will or can be a re-

(See EDITORIAL, Page 3)

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It is reputed that Nero fiddled while Rome burned.

* * *

And now the Federal Trade Commission is going to fiddle with radio and TV dials while monopoly grows.

* * *

C. W. Harder

For quite some time, FTC has been subjected to complaints from Congressmen that the agency is not doing its job to guard against monopoly practices. On several occasions, through a nationwide ballot, the nation's independent businessmen through the National Federation of Independent Business has requested that FTC discharge its duties in the manner required.

* * *

At all times, FTC has blandly countered requests for action with the defense that Congress will not give it sufficient money to do needed investigative work.

* * *

But FTC is going to increase its field staff by almost 50% for purpose of having men spend their days tuning into radio and TV stations to see if they can hear any undesirable commercials.

* * *

FTC already has a big staff in Washington that spends all its time reading radio and TV scripts. But what FTC announces it wishes to do now is to catch up on announcers' ad libs which may be undesirable.

* * *

But Alex Ackerman, Jr., FTC executive director, says these extra fieldmen will not be concerned with big networks who virtually exercise monopoly over broadcasting industry. This extra effort is to be directed against small independent stations.

This constitutes one of the most amazing statements of the times. It was not so long ago that one of the nation's biggest chain bakers was blasting over the air over big stations one of the most astounding claims ever made.

* * *

As indicated by evidence submitted during the current probe of the baking industry by a subcommittee of the House Small Business Committee chairmaned by Rep. James Roosevelt, this particular bakery operation is one of a half dozen that practices virtual monopoly in the country.

* * *

It was this baker which aired commercials which said if "your child is run down, and has stopped normal growth, just start feeding him three slices a day of our white bread and in just eight days ... yes, just eight days, he will start growing again."

* * *

Now there was no question of this claim being ad libbed by an announcer. This commercial was recorded and furnished to network stations in record form for them to play over the air. FTC had access to this record, yet this claim ran over the air for many, many weeks.

* * *

So it appears FTC has one infallible guide whether a commercial is misleading or not. It depends on the size of the company making the claim, and the size of the broadcasting company over which the claim is aired. The definition of guilt by association has been extended to guilt by association with small size.

* * *

But you can bet that if the enlarged field staff, twiddling radio dials, runs upon some young announcer, on some little radio station, in a flush of overenthusiasm ad libbing a little extra to the claim of some independent sponsor, FTC will not treat the matter lightly.

* * *

FTC will act with an iron hand.

Tecumseh BOOK SHELVES Library

BOOKLIST

"Nina," Rinser, L.
A love story set in Germany during the time of the resistance of a small group of decent people to the crimes of Hitlerism.

"Tolbecken," Shellabarger, S.
Essentially the saga of an American family and of a man's struggle to find his roots in a world of change.

"The Bulls of Parral," Steen, M.
A novel of romance, courage, and death set in Spain and England.

"Our Valiant Few," Mason, F.
Another in the author's series dramatizing the American Civil War on the sea.

"The Last Crusader," de Wohl, L.
Don Juan of Austria, one of history's most triumphant and inspiring heroes, is reborn in this novel which abounds in vivid scenes and characters.

"And the Rain My Drink," Suyin, H.
A narrative set in the teeming, violent world of the Malay Peninsula with its brilliant contrasts of civilization and jungle, its richness and its squalor, its ancient ideals and its rushing modernity.

"Bride of the River," Harris, L.
A novel of the great steamboat years on the Ohio River.

"The Robsart Affair," Letton, J.
A convincing treatment of Elizabeth, Queen of England, her psychology and what seems to have been her one true love affair.

"The Eighth Day," Goldston, R.
This is a deeply moving story of miracles that take place in a small French town, and of Brother Andre, the monk.

"Another Sky," Babson, N.
The glories of nature, the rigors of missionary life, are depicted in this romantic narrative which unfolds on the enchanted Sandwich Islands.

"These Thousand Hills," Guthrie, A.
Out of his love for the West and his devotion to its history, this Pulitzer prize winner has written this new saga of the gaudy cattle kingdom era.

News From The Past From Our EARLY FILES

1857

Libbie M. Baxter and Dwight Benton of Chicago were married in Jonesville Dec. 15.

1877

J. D. Robbins is assisting C. B. De Wolf during the holidays.

Fred B. Wood is home from the U. of M. for the holidays.

Married at Adrian on the 18th inst. B. P. Anderson and Miss Alice L. Smith.

Henry Anderson and Dr. Gould have returned from their southern trip.

1887

H. M. Temple has resigned his position with the O. and M. Coal Co. and left Tuesday for Minneapolis.

Mrs. Kate A. Cleveland will give clairoyant sittings here next week.

The Center school is now the largest school in Franklin and has 52 scholars.

Emma Schreder and Lewis Waldron were married December 22 by Rev. Wm. Babbitt.

1907

C. B. Mize has resigned as railway agent and taken a position with the Anthony Fence Co.

Fred Marsh was surprised Dec. 17 by a group of thirty friends in honor of his birthday.

Born Dec. 18, to Mr. and Mrs. Fred Kolkloesch, a son.

T. C. Harris has purchased the interests of his partner, J. C. Hiteshu on account of the latter's serious illness.

Born to Mr. and Mrs. Louis Jones, December 21, a daughter.

Born, Dec. 21, to Mr. and Mrs. Will Ross, a son.

1917

Lieut. Perry Satterthwaite has been ordered to report for duty at once at Camp Lee, Petersburg, Va.

Zorah M. Dickinson and Melvin M. McWilliams were married Dec. 20, by Rev. W. A. Rex.

Miss Scarlett's room at school has sold nearly 2,000 Red Cross seals.

Men are being moved from Camp Custer at the rate of 2,000 per day, destinations not made known.

Married Dec. 18, Ethel Montayne of Britton and Warren Jones of Ridgeway.

Tecumseh Lake Ice Co. finished filling their ice house on Red Pond Dec. 20.

John Blesing has been notified that his son, Verle, has been assigned to Co. 22, Field Hospital Corps, at Camp Greenleaf, Fort Oglethorpe, Ga. Russell, who is at Rockford, Illinois, expects to leave soon for France.

1926

Alice Margaret Buchsteiner of Washington, D. C., is spending the holidays here with her mother.

The wedding of Miss Ethel Parr to Howard Truesdale is to take place Dec. 31, at the home of the bride's father in Manchester.

The Legionnaires have placed a handsomely lighted Christmas tree on West Chicago street.

Hoyt Whelan Co. has vacated the old building on Evans Street and the office and warehouse are now combined in the new Logan Street location.

The 31st annual Christmas dinner of the Halladay families will be held at Clintonian Hotel with Christmas tree at Oscar Halladay's.

1936

Married Dec. 24, Ruth LaBounty and Raymond Puffer.

Mrs. Grace Coffey won the ton of coal in the rebus contest at the Hayden Fuel and Supply Company.

Born Dec. 20, to Mr. and Mrs. Clayton Covell, a son.

1941

Mrs. Lillian Hoagland has a forsythia in bloom for Christmas.

Born Dec. 19, to Mr. and Mrs. Lyle Calhoun, a daughter.

Born Dec. 21, to Mr. and Mrs. Walter Dunbar, a daughter.

The Richart wagon shop which has stood in Macon for 90 years is being dismantled and moved to Dearborn, to become a part of Greenfield Village. The building was purchased by Henry Ford ten years ago.

1946

Mr. and Mrs. Arthur Dove celebrated their fiftieth anniversary Sunday at their home near Tipton.

Delores Bly of Clinton and Earl Cook of Tecumseh were married Dec. 14.

Percy A. Bowen, local postmaster, is of the opinion that both in coming and out going mail will set new records for Tecumseh this year.

AMERICANS INVENT EVERYTHING BUT DON'T PROFIT BY THEM"
*(Author's name below)

A newly invented and inexpensive Tes-Tape, dipped into a urine specimen, will immediately disclose if sugar is present. This is important because a sugar reaction would indicate a possible diabetes. For a positive diagnosis further tests would have to be made by your physician.

Are you profiting by this drug invention? If you are overweight, or there is any history of diabetes in your family, it is wise to fre-quently make this easy test.

The Not-So-Good Old Days

Back in the so-called "good old days," things were different. If you had either diabetes or pernicious anemia, your days were numbered. Since there was very little protection against the ravages of epidemic diseases, the average life expectancy was about fifty years.

Today your life expectancy is about sixty-five years, and it is increasing approximately six months each year because of medical progress. We are proud of our contribution to present-day medical care.

(Continued from Page 2)

turn to Stalinist repression throughout Central Europe and within Russia herself. As Mr. Kennan puts it, "... the physical problem has become almost insoluble ... The satellite armies and police have been shown to be unreliable ... So what are the Soviets to do — place a tank in every street in every satellite country?"

Mr. Kennan certainly does not rule out the possibility that the Russians may take extreme measures in an attempt to perpetuate their rule — as they did in Hungary. But he clearly feels that this will not alter the ultimate result. To quote him again, "I think regardless of the way the dust finally settles ... this whole sequence of events really spells the end of what one might still call the Third International ... In fact, I would hazard the guess that Moscow's position of ascendancy is already at an end."

Finally, Mr. Kennan sums up his thoughts in two significant sentences: "Until the Soviet Union changes very drastically, we must face and make the necessary effort to deal with the harsh military and political realities of the Soviet Union as it exists today. But we Americans must also learn to base our calculations and hope on the long-term realities of human nature and political behavior, not on the short-term ones. Confidence in these realities and the courage and patience to let them do their work are the things we need."

Grade School News . . . . . .

CENTRAL SCHOOL NEWS

I am Elvis the Elf, one of Santa's helpers assigned to the Tecumseh district. I decided to make my headquarters in the Central School building where I hoped to get a few last minute ideas for Christmas gifts for the boys and girls. Unfortunately, there is so much going on I have been unable to concentrate on my work.

Mrs. Neitling's first graders are so busy and excited. They made pretty tree decoration and — sh!— gifts for mother and father. Besides that they have all finished the pre-primers and will begin Fun With Dick and Jane after vacation.

Miss Luken's first graders will be wrapping presents for mothers and dad, too. Two of the reading groups have finished their third pre-primer and will begin reading their first hard-back book soon. The other group is reading Guess Who.

Steven and Mrs. Maples brought a little house of cake gaily decorated with icing and candies. It looks much like the witch's house in Hansel and Gretel.

Patricia Damon's father came one day and showed movies of Florida and a few comic strips. The children discovered that Christmas doesn't always mean snow and ice but can be just like summer in some parts of the country. The children enjoyed the pictures very much.

Second graders are fine decoration makers, too. Mrs. VanWinkle's folks made a mural of "Pleasant Street". Large wreaths of green tissue paper tied with pretty red bows, and wrote some very important letters to Santa.

The strings of opopcorn and brightly colored ornaments on Mrs. Puffer's tree are all hand made and look beautiful. They have been busy with school work too. Two groups have completed their basic readers and another group will soon be finished with them.

If you push aside paper, paste, and sissors you will find fourth graders in Mrs. Miller's room are doing some good work as well as making original decorations.

Nearly everyone has mastered long division with the three place answers.

They are learning how the earth moves around the sun in science. This unit is rather hard to understand because they can't imagine any distance as far away as the sun.

The tree in Mrs. Callihan's room is pretty with its string of lights donated by Roger Beal.

Shirley Kemp read a very interesting letter from her uncle, Richard Hubbard who is in the U. S. Forest Service in California. He had been in the recent fires and told all about them, the way fires start, and the methods used to control them.

The children in Mrs. Baily's fourth grade room are looking forward to a vacation from "book learnin" for awhile. Carole Winfield was welcomed back after a week's absence because of having her tonsils out.

Mrs. Williamson visited Mrs. Whiting's room one day last week. Susan Leighton has the chicken pox but she may be at the Christmas party on Friday. The Christmas tree is in the center of the room and the seats are in a square around it so everyone can see it easily. They have made murals and trimmings too.

Mr. Sawyer's fifth graders are ready for holiday festivities. They have a large frieze with many Christmas scenes. They are making Christmas tree card holders and tree decorations.

In a science test over electricity, Carolyn Fletcher, Sharon Gillen, and Charles Squires earned A's.

Coloring various countries on a blank world map has been fun in studies.

For their Christmas party ice cream, cookies, milk, and candy canes were delicious treats. They wish everyone a Merry Christmas.

Borders of wreaths, angels, snowflakes, Santas and bells trim Mrs. Becker's room.

For social studies they are enjoying the study of the British Isles. They are planning debates in English on such topics as: English Made Cars are Better Then American Made Cars.

In arithmetic they are learning to borrow when subtracting fractions.

Francine Bogatin moved here from Jacksontown, Ohio and is in our room.

Sharlene Seitz is back to school after a tonsillectomy.

Mrs. Crawford's folks worked very hard preparing book reviews. They are so neatly done in Pen and Ink that they are proud of their good work.

Magnets, electromagnets, dry cells, and armatures are becoming common words to them and many experiments are going on.

The reindeer and Santa with a sleighful of toys add a gay note to this room.

Santa — reindeer — sleigh, — Oh! — that reminds me, I'd better get back to my job.

I am going to ask Santa for a transfer next year, though, as I simply can't get a thing done in such a busy building. After all, I must do my sleeping in the daytime.

Merry Christmas to All.

—o—

Robert W. Hall Recent Graduate

Robert W. Hall, son of Mr. and Mrs. Kenneth D. Hall of 701 Outer Drive, Tecumseh, graduated from Michigan State University December 4. He received a Bachelor of Arts in Social Science. He received one of the 383 bachelor degrees awarded at the December commencement.

Robert and Sharon Lee Woods were married December 15. (See last week's Herald) Their honeymoon was a ten day trip to New Orleans.

Local Man Winner In Home Contest

Arthur Macham, 308 Chippewa Street, Tecumseh was a winner in the County Home Improvement Contest which was sponsored by the Adrian Chamber of Commerce. He won the prize of $250 savings bond which was contributed by building suppliers and financial institutions.

The contest, which was a part of a nation-wide project called "Operation Home Improvement," was clasified in two parts, exterior improvements and exterior improvements. Mr. Macham won first prize on exterior improvements. His project included making a complete addition to their home, adding 2 bedrooms, extending a portion of the living room, and a new central heating plant.

There were about 15 entries in this class in the county. Mr. Jack Germond, of Adrian was chairman of the project. Judges were: Harley Aldrich, Arthur Much, Jr., and Wm. Wiebeck.

NEWS OF THE FARM

Lenawee Co. Agricultural Agent's Column - - - - -

Michigan livestock producers should be able to get all the feed they need this year.

Michigan produced the largest corn crop in history this year, and small oat and barley crops were not enough to offset the huge corn harvest. As a result, the total supply of feed grains per animal unit is slightly higher than last year.

September prices were about 15 per cent higher than in 1955. This was due to small market receipts of corn and higher support prices for oats and barley.

Soybean meal will be available in large quantities. The expected price of $65 to $75 per ton will be relatively low. It will probably be the cheapest protein feed in the year ahead.

If you need additional feed grain, buy corn as soon as possible, or any time you can get it for less than $1.25 per dry, shelled bushel. If you are eligible for the support price of $1.50 and can arrange storage facilities, you may be able to make money by putting your own corn under loan and buying feed corn. If you are feeding some of the poor hay harvested in Michigan last year, you will find it profitable to supplement this poor quality of roughage with increased quantities of protein supplement.

☆ ☆ ☆

Net income for Michigan dairymen will be about the same in 1957 as it was in 1956.

Production likely will be slightly higher, and prices received will be about the same. But higher production costs will keep profits from going up very much.

Milk consumption will be about the same per person as in 1956, but there will be more persons to consume milk, and plenty of money to buy it with.

Milk cow numbers are down about one per cent from last year, but production per cow is still going up. Herds are getting larger, now averaging 19 cows in the Detroit milk marketing area.

But, there aren't as many herds as there were a few years ago. Since 1949, the number of Michigan farms selling whole milk has decreased 17 per cent while production per farm has increasel 46 per cent.

Cattle Disease Threat To All Parts Of U. S.

No area of the United States can consider itself safe from the relatively new cattle disease, leptospirosis, the American Veterinary Medical Association reported today.

This condition, first reported in 1944, looms as a major threat to cattle health in all parts of the nation. It is a disease that often [illegible] Association reports. Many cases are going undetected and undiagnosed because cows may be infected without arousing the owner's suspicion. Sudden illness, loss of appetite, fever and depression are noticed in some cases. However, in other instances the only indication of sickness is abortion or a thickening and yellowishness of the milk along with a drop in production.

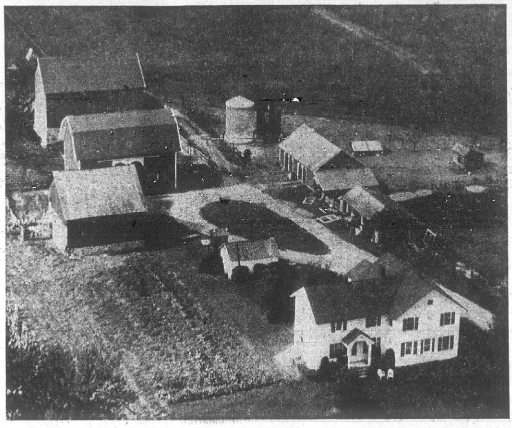
The disease is caused by one of the several spiral-shaped leptospira organisms, Leptospira Pomona, which also affects swine and occasionally other animals. Affected cattle may remain carriers of the germ for several months, thereby spreading the disease to other animals.

A blood test is needed to show whether the animal has the disease and a urinalysis may reveal whether it is a carrier. The Association reports that vaccines are available for control of this disease and that the carrier stage can be shortened by the proper use of some antibiotics.

———o———

Most family living costs will increase steadily in 1957, winding up at least two to three per cent higher than they were in 1956.

Mystery Farm Was Herman Titley's



Mr. and Mrs. Herman Titley who live on M-52, 1¼ miles south of Billington's Corner, 7 miles north of Adrian, were the owners of last week's Mystery Farm. The aerial photographer from Zekan-Robbins apparently shot the Titley farm twice since it was one of the first farms identified in the series. This may or may not happen again since the farms are photographed at random.

The family has been on the farm since 1907. This includes two generations. Michael Wilson was the previous owner. Recent changes include remodeling the house.

Herman Titley and his wife, the former Mary Mohr, were married October 14, 1925. They have a son Dorman who lives at Cuyahoga Falls, Ohio, a son Dale who is at home, a daughter Ruth who is a senior at Henry Ford Hospital in Detroit and a daughter Marion Hittenrauch who resides in Lansing.

The Titley's worship at the Tipton Community Church and belong to the Farm Bureau and the Grange.

They are engaged in general farming on their 117 acres. They have 15 head of Holstein cattle.

Milk Production Increased Over Last Year

Dairy farmers shipping on the Detroit market received $5.06 cwt. for base milk during November and $4.96 cwt. as blend price for all milk shipped, it was disclosed today at the regular meeting of the Michigan Milk Producers' Detroit Sales Committee. This compared with $4.44 cwt. base and $4.33 cwt. blend for milk shipped in November last year.

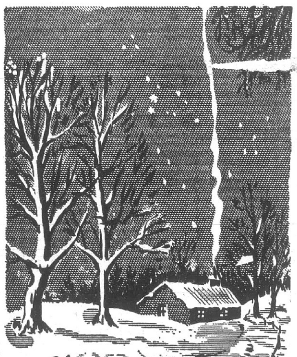
Production averaged 4.77 million pounds daily during the month, a decline of 1.7 per cent from October and a gain of 278,643 pounds daily or 6.2 per cent over last year.

Plan For Pork Promotion Is Considered

Swine producers, through the National Swine Growers council, are proposing a check-off system to collect funds for promotion of pork and pork products.

At a recent annual meeting, the council considered plans for sponsoring legislation that would permit the group to collect a small percentage of the income from each hog marketed.

The council also discussed plans for a campaign to completely eradicate hog cholera in the U. S. Twenty-five state swine breeder and feeder organizations make up the membership of council, which is considered the national spokesman for the swine industry.



Greetings

May the New Year hold great joy and contentment for you.

MACON NEWS

MRS. HAMILTON MOORE
Correspondent

The Alice Jane Circle will meet Wednesday, Jan. 2 at 7:30 p.m.

The Macon Women's Society of Christian Service will meet Thursday, Jan. 3rd at 1:30 at the home of Mrs. Charles Bieglow.

Mr. and Mrs. Wesley Gilmore and daughter spent the weekend in Fayette, Ohio, with Mr. and Mrs. Ernest Carothers and family.

Mr. and Mrs. Howard Henry and daughters spent Sunday in Ann Arbor with Mr. Henry's parents.

Sunday guests of Mr. and Mrs. Truman Jordan were Mr. and Mrs. Homer Darby and family of Ypsilanti.

James Rhoades was the guest soloist Sunday during the church service.

The Junior Choir will practice Thursday, Jan. 3 at 7:00 and Senior Choir at 8:00.

Christmas Day guests of Mr. and Mrs. Dil Burleson were Mr. and Mrs. Charles Burleson Sr. and family, Mr. and Mrs. Charles Burleson Jr. and family of Dearborn, Mr. and Mrs. William Bale of Tipton, Mr. and Mrs. Jim Hewitt and daughter of Addison, Mr. and Mrs. Elmer Burleson of Tecumseh, Mr. and Mrs. Clyde Burleson and family, Mr. and Mrs. Roy Heilmen, Mr. and Mrs. Martin Korth and family, and Mr. and Mrs. Lilburn Burleson of Macon.

Mr. and Mrs. Russell Van Valkenburg and Richard were Christmas dinner guests of Mr. and Mrs. Troy Hicks and son of Milan. In the evening the Van Valkenburgs entertained at a family gathering, Mr. and Mrs. Harold VanValkenburg and son of Willow Village, Mr. and Mrs. Floyd Lindsley and sons of Clayton, Mr. and Mrs. Kenneth VanValkenburg of Tecumseh and the Troy Hicks family.

Mr. and Mrs. Robert Green and family and Mr. and Mrs. Clarence Hoover of Wayne were Christmas Day guests of Mr. and Mrs. Truman Jordan.

Lenora Jordan of Michigan State University of East Lansing, and Truman Jordan Jr. of Albion College are spending several days with their parents.

David Bruder returned to his home in Lansing Sunday, after spending several days with his cousin Richard Moore.

Christmas Day guests of Mr. and Mrs. Herbert Gilmore were Mr. and Mrs. Stewart Niblack of Ypsilanti, Mr. and Mrs. Ray Gilmore and Millard, Mrs. Ellen Collins of Saline, Mr. and Mrs. Wesley Gilmore and daughter, and Albert Cross.

Mrs. Hazel Maddux and Emerald Cousino spent Sunday in Bluffton, Indiana with Mr. Cousino's daughters.

Joseph Bock entertained Christmas Eve his children and their families, Mr. and Mrs. Jack Davis and family of Tecumseh, Mr. and Mrs. Loren Dicks and family, Mr. and Mrs. Edward Bock of Britton, Mr. and Mrs. Frank Riggs and family of Ann Arbor, and Mr. and Mrs. Duane Bock and son Raymond.

Mr. and Mrs. Bert Bruder and Mr. and Mrs. Dean Moore of Tecumseh were Christmas Eve supper guests of Mr. and Mrs. H. F. Moore and sons.

Laying flocks will be more profitable during the year starting Sept. 1957 than in the season just ahead. Farm economists advise buying chicks this winter and spring to be ready for this price rise.

TIPTON NEWS

MRS. DEAN COOK
Correspondent

Mr. and Mrs. Berdell Williams and family left Saturday for Deephaven, Minnesota to visit the latter's brother and wife for the Christmas holidays.

The Ladies Aid Society met at the home of Mrs. Lyle Whelan Tuesday evening for their regular business meeting.

Miss Joan Cook of Ypsilanti came Friday night to spend the Christmas holidays with her parents, Mr. and Mrs. Harry Cook.

The church board meeting will be held Thursday evening at the church.

Mr. and Mrs. Harry Daniels spent Thursday in Leslie with their daughter and family, Mr. and Mrs. Walter Hoenig and children.

Mr. and Mrs. W. G. Foster of Beckley, West Virginia arrived Saturday to spend the Christmas holidays with their daughter and family, Rev. and Mrs. David Holly and children.

Mr. and Mrs. McKinley Spalding with Mr. and Mrs. Dean VanValkelburg, Mr. and Mrs. Ronald Van Valkenburg and daughters, Marjorie and Jane, of Tecumseh were in Toledo Christmas Eve at the home of the former's son and family, Mr. and Mrs. Russell Spalding and children, Gary and Cindy, for their Christmas dinner and the exchanging of gifts form the Christmas tree.

Mr. and Mrs. Harold Kohler with Mr. and Mrs. Clarence Kohler of Onsted were entertained at the home of the former's son and family, Mr. and Mrs. Glenn Kohler and daughters of Tecumseh, Sunday at a pre-Christmas dinner and exchange of gifts.

Mr. and Mrs. Wayland Kahle entertained Christmas Eve for Mr. and Mrs. Douglas Aylesworth and Ramon Aylesworth of Tecumseh.

Mr. and Mrs. Harry Daniels entertained Christmas day, Mr. and Mrs. Clinton Greenwald and daughters Carolyn and Mary, of Adrian; Mr. and Mrs. Ralph Daniels and children, Jim and Judy, of Brooklyn.

Mr. and Mrs. Wayland Kahle with Mrs. Lida Spalding were guests Tuesday, Christmas day, of their daughter and family, Mr. and Mrs. Robert Aten and children of Tecumseh.

Mr. and Mrs. John Cook and Donald entertained Christmas Eve at a Christmas dinner and the Christmas tree, Mrs. Emma Jackson, Mr. and Mrs. Dale Cook and Curtis Lee, Mr. and Mrs. Charles Lembrick and children of Ridgeway and Mr. and Mrs. Dean Cook and children.

A Christmas party was held Friday afternoon at the Central school. Miss Joan Whelan is the teacher. Ice cream and cupcakes were served and Santa came for the chldren.

The Tipton Grange held their Christmas party Friday evening with over ninety in attendance. A potluck supper was held with the Christmas tree and Santa with gifts.

Mr. and Mrs. Dean Cook, Vicki Jayne and Roger spent Christmas day with the latter's parents, Mr. and Mrs. Charles Fick, in Adrian.

"Watch Night" will be held at the church New Year's Eve with refreshments and a service.

Three Motorists Pay Fines For Violations

Three motorists have paid fines and costs after pleading guilty to traffic violations at arraignments before Justice Merle Spence.

Joseph F. Fleming, Dundee paid $10 for driving with defective brakes . Assessments of $14.30 were levied against Emery Revesz of Riga and Lendall B. Milhiem of Route 1, Tecumseh, on speeding counts.

Girls Of 1884 Met At Price's

The "Girls of 1884" met at the home of Mrs. Amanda Price with eight members present. A chicken dinner was served. The birthday's of Mrs. Nina Sturtevant and Mrs. Dora Benedict were celebrated.

Tories Fall To Spartans In Seasons First Loss

BY FRANK PROCHASKA

Waldron, Dec. 21—The closest Britton got to Waldron was 22-24, which was in the second quarter, in a game that brought Britton its first loss of the season by Waldron, last Friday night.

Waldron and Britton now have 2-1 records, both being 1½ games behind league leading Ida.

Controlling the boards most of the night, Waldron, sparked by Rutledge, who was high scorer for the evening with 14 points led 22-28 at halftime. In the last half, it was Waldron's ball game, for the Spartans were never headed, ending up with a 35-53 win.

Britton, using the platoon system missed 14 out of 19 charity tosses, while Waldron missed 12 shots for 27. The Tories high scorers were Benedict and Sanch with a scant 8 points and 6 points respectively.

Jones and Harrison came through with 10 points each for Waldron.

The Little Tories saved some glory for Britton, by downing the Sparton-ites 33 to 25 in the reserve game.

Scout Family Night To Be January 5

The annual family night of the Britton Scouts including Cubs, Scouts and Explorers will be held in the Britton Gym on Saturday evening, January 5th at 8 p.m. There will be a potluck supper for the Scouts an dtheir families at 6:30 p.m. The program will consist of a Charter Presentation for each unit, and a Court of Honor and awards for each unit. Films will be shown. The public is cordially invited to attend. The program will be under the direction of Cubmaster John Slick, Scoutmaster Lester Ruhl, and Explorer Advisor, Fred Barnoske, Sr., and assisted by Mr. Rudolph Koczman.

'Lazy' Children Usually Desire Parents' Help

"The 'lazy, naughty child' almost always wants to do better and it's up to teachers and parents to give him the encouragement he needs," says Mrs. Patricia Weimer, chief of the reading clinic in The University of Michigan's Children's Psychiatric Hospital.

She advises, "Don't be sparing with the encouragement you give. Actually, you can and should almost 'pour it on,' since such a child is usually badly starved for adult approval."

The reading expert points out that reading difficulties often accompany behavior troubles and in many cases, these problem children are reading several years below tehir potential. "You'll get nowhere teaching them unless you are first able to establish a good positive relationship. You must convince them that you are not just another nagging adult," she explains.

Mrs. Weimer declares it is of the utmost importance to give these slow children reading materials at their own age level. "It just won't do to shame them by giving them materials obviously written for lower class levels, as such materials hold little interest for them and bring derision from their classmates. Fortunately, attractive books are now being made to help children whose interests and chronological age are several years above their skill-in-reading level."

Mrs. Weimer sugests that it is often very helpful to have a shy, retarded reader tutored by a shy but able reader or the lively retarded reader assisted by a lively bright child. "Slow learning children often make good progress with such assistance from classmates," she asserts. "But avoid mixing temperaments. The quiet and the lively don't blend well," Mrs. Weimer warns.

She also advises against forcing the slow child into keen class competitions and thus submitting him to humiliatingf failures. "For instance, if you're having a spelling-bee, slip him some of the easier words."

Another tip for teachers: "Remember that new situations are very threatening to these insecure children. Let them know what's going to happen every day and don't change things around for them too much. Give them a certain amount of drill on old material so their confidence can expand."

Mrs. Weimer also has a word for parents; "If slow-reading Jimmy wants to read to you at home, let him, but don't urge him. If he's nervous and fearful about reading, let him forget the whole business out of school hours. Pressure from you will only serve to heighten his tension and further block his chances for success."

Each year, one vicious habit rooted out in time ought to make the worst man good.

—Benjamin Franklin

Fast Reading Not Best, Says MSU Professor

The fast reader is not always the "best" reader, says a Michigan State University professor of English.

Dr. V. E. Leichty criticizes the recent stress on speed in reading, contending that the emphasis perhaps should be on slower and more careful reading.

"Many of the greatest minds of the past were the products of a few books which were carefully read and re-read until the thoughts of their authors were thoroughly assimilated," Dr. Leichty pointed out.

"Because good books not only record thought but also provoke it, justice can seldom be done them in a hurried reading, or even in a single careful reading."

A specialist in reading recently predicted it would be possible for an individual to read at the rate of 40,000 words per minute with the assistance of machines to speed up turning of pages.

"That may be possible," Dr. Leichty allows, "but it would also be futile." At that rate, he noted, the average novel could be read in four minutes.

Without understanding there can be no true appreciation of literature, the English authority contends.

Good resolutions are a pleasant crop to sow. The seed springs up so readily, and the blossoms open so soon with such a brave show, especially at first. But when the time of flowers has passed, what as to the fruit?

—Lucas Malet

Editor's Corner . . .

By Phil Belleville

It seems to me that one of the greatest assets humans are endowed with is the ability to speak and communicate meaningfully with each other. Very little would be possible for man if he could communicate no better than other animals. Most animals are able to teach their young the means of survival and communicate with other animals to some extent. However much of their training and development is based on instinct rather than accumulated knowledge and communication. We humans on the contrary depend to a great extent on accumulated knowledge and communication and relatively little on so called instinct.

We have the advantage of not only what we are able to experience during our own lifetime but what has been experienced by man since the origin of recorded history and before. The average high school graduate can amass more knowledge without trying than an ancient scholar could with a lifetime of work. A mans work does not die with him but is carried on and ever added to and refined.

At the risk of sounding ungrateful, I would like to suggest now that perhaps our means of communication still are not good enough to accomplish what man is capable of. A lot of human energy and time is spent on problems where all that is lacking is a common understanding. Occasionally a dispute will appear to be a deadlock with the parties taking exact opposite and inflexible stands when actually there is common agreement and only a lack of communication and understanding.

I readily agree that some people are much more talented in the fine art of communication than others. However, I think that even the most expert communicator does not communicate or express to the extent of his mental abilities. Our conversation too often seems to be a contest of one side interpreting the other rather than understanding and a smooth flow of communication. Meanings expressed by one individual seldom reach the one they were addressed to intact. That is, the general idea is usually communicated but the subtle meanings and feelings seldom reach another. Sometimes an important idea to one may mean little when expressed to another because of the meaning lost.

As with most problems of this sort, it seems like there is little to be done about it. A possible partial solution to the problem might be to emphasize language more in primary and secondary education. A thorough understanding of a complete vocabulary with all of its subtle distinctions in meanings would be a big help, but not a cureall to the basic problem of incomplete communication.

TIPTON SCHOOL IS PROPOSED

Record Fish Caught

Tecumseh Herald photo

Lanny Greenwald, son of Mr. and Mrs. Clayton Greenwald of 138 E. Chicago Blvd., is shown holding the record fish caught on Houghton Lake last weekend. He caught them Sunday ice fishing. One is a 5 pound 1 ounce Walleyed Pike and the other is a 5 pound Northern Pike.

The Greenwalds caught 3 Northern and 4 Walleyed pike as well as some perch on minnows during their Sunday fishing trip.

Tecumseh Police Report A Very Quiet Holiday

Only four violations were investigated by the Tecumseh Police Department over the past week.

Otto Kruger, Tecumseh, is in the County jail, booked on a drunk and disorderly charge incurred December 31. A car driven by Howard Lee Furry, 9360 Pennington, and a car driven by Kenneth Ball, Adrian, collided Monday at the corner of Chicago Blvd. and Ottawa Street, doing about $275 worth of damages to the cars.

William Andrew LaCoe, 11010 Tipton Highway, was ticketed for driving 45 miles per hour on a 30 mile zone. He will appear before Justice Robert French.

Len Edwin Vallad, 1280 Mull road, was ticketed for driving 60 miles per hour in a 25 mile zone.

o

Contest Winner Expired Yesterday

Mr. and Mrs. James Watson of 1865 Sutton Road, Adrian route No. 3, are the winners of the "First New Years Baby Contest." Their baby boy, James Rodger Watson Jr., unhappily was premature and lived less than twenty-four hours. The Watsons are optimistically looking towards the future though and are accepting the prizes.

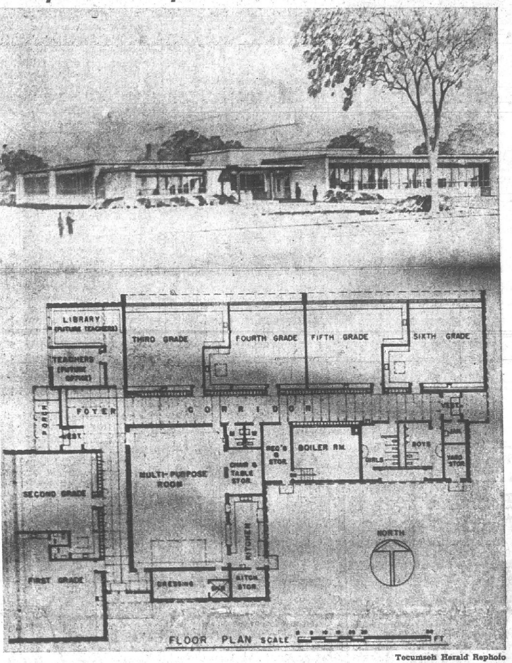
Mr. Watson is in the army stationed at Hwachuca, Arizona. The sergeant has 18 more months of service time remaining. He was home for the Christmas holidays and had just returned to Arizona December 29. Before entering the service, he was employed at the Revco Co. in Deerfield. Mrs. Watson has been employed at the General Telephone Co. in Tecumseh.

The Watsons were married June 10, 1955. The mother and father-in-laws are Mr. and Mrs. Carl Lowe of 1865 Sutton Road and Mr. and Mrs. George Watson of Route No. 2, Tecumseh. The Lowe family are former residents of Tecumseh. They lived at 202 South Maumee.

The following merchants are giving prizes: Western Auto Associ-

(See PRIZES GIVEN, Page 3)

Proposed Tipton Plans Are Shown



Tecumseh Herald Rephoto

This is the third in a series of articles prepared by Superintendent of Tecumseh Public Schools, James McDowell, explaining the eight school projects proposed by the Board of Education, to be put to the public on a bond issue this year. The proposed plans and artists drawing of a Tipton school are shown above.

Mr. McDowell says, "Following considerable study of census figures and school enrollments for the past few years and the projection of the present school population in the Tipton area forward to 1961, the Board is proposing an elementary school in Tipton. Since geographically Tipton is near the center of six of the districts which annexed to Tecumseh last year and also because many of the pupils live in Tipton and can walk to school thus reducing bus service, the Board purchased approximately nine acres of land just North of the cemetery for a school site."

"The former rural districts which will be served by this school are Tipton, Pink, Grubb, Paragon, Bradley, and Lamkin. Bus service to these districts can be given at a minimum cost since the distance from any area to Tipton is small. By building in Tipton it is also hoped that a fine community spirit will evolve as there are recreational and library facilities included in the plan."

"The proposed building is brick faced, has terrazzo corridors and includes a classroom for each of the first six grades; a multi-purpose room including hot lunch, kitchen, chair, table and stage storage, and shower and basket storage; a teachers work room; and a library. The first and second grade rooms will have self-contained toilet facilities and the upper grades will have gang toilets as at the Patterson School. These toilets will also open to the outside so that they may be used by the children who are on the playground during the Summer without having to open up the whole building. There is no kindergarten room planned for the present as it does not appear that by the time the building is completed there will be enough children of that age to warrant the expense since the kindergarten meets for a half day only. In general it is considered better for kindergarten children to be picked up on separate busses and transported from their homes to school and back. Since a special trip is necessary anyway, it is more economical to transport the kindergarten to Tecumseh than to build an expensive special room at Tipton."

"An innovation in this building that will be used in several of the other new projects is the L shaped classrooms. These have been studied carefully by the Board and Ad-

(See TIPTON SCHOOL, Page 3)

Groups Are Welcome To Visit The C. D. Admin.

The Federal Civil Defense Administration at Battle Creek welcomes any interested Clubs or organizations to come and become better informed on Civil Defense and how they operate at Battle Creek to protect our country. They must be notified of your wish to attend at least 10 days in advance. The groups that wish to go to Battle Creek should be at least 25 persons in size. Write to Federal Civil Defense Administration, Percy Jones Hospital, Battle Creek, Michigan.

Two Merchants Are Announcing Sales

Two Tecumseh merchants are announcing January Clearance Sales in this issue of the Herald. They are the Watkins Shop and Lenawee Surplus. Both establishments are offering many items of merchandise at money saving prices for the event. Be sure to read their advertisements to be found elsewhere in this issue for further information.

Watch future issues of the Herald for other Clearance Sales this month. By reading Herald advertisement every week, you save both time and money . . . make it your shopping guide.

150 Teen Agers Attend Teen Club Dance

About 150 teen-agers including 20 college students attended the Teen-Age dance held last Saturday evening in the Sage building. The Harold Broderick Quintet furnished music for the evening and a midnight buffet was served.

The Sage building will be the new Teen Club Center. The officers of the Club are, president, Ray Miller; vice president, Jane Colgrove; secretary, Kathy Tomorsky; and treasurer, Marilou Layton.

Join The State Police Advises Clinton C. O.

Start the new year right in a well paid career by joining the Michigan State Police. That's the advice given young men by Sgt. Fred O'Donnell, commanding officer of the Clinton post.

"Men between the ages of 21 and 29, inclusive, married or single, are being given a new opportunity to become members of the State Police, but they must have their applications on file by Wednesday, January 30," the sergeant said. "We strongly urge that they look into this opening, because it is a fine career with security and a future.

"The pay is excellent. In the trooper rank alone it ranges up to about $7,000 a year and, as everyone knows, there will be a new pay raise which has already been approved by the state civil service commission and applies to everyone.

Pay increases with length of service and after two years the trooper gets a further boost by being automatically promoted one full step in classification. There are also very substantial increases with each promotion in rank.

In addition, the trooper receives longevity pay according to length of service, a subsistence allowance, two paid vacations a year which also increase in length, paid sick leave and other benefits. At the end of 25 years of service he is eligible to retire on a pension of one half his pay which also goes to his widow.

Entrance requirements include a minimum height of five feet, nine inches and a high school education or its equivalent.

"This is really an opportunity well worth examining," the sergeant said. "Those interested are advised to call at any State Police post or write to the state civil service commission in Lansing. But they should act promptly."

Goodwill Truck Here

The Goodwill truck will be in Tecumseh on Monday January 7. Anyone desiring good used articles picked up call Tecumseh 868 by Saturday January 5.

Improvement Now Under Const. At Country Club

Several additions and improvements to the Tecumseh Country Club are being planned. The following items are the major improvements which are now under construction.

The present kitchen will be expanded to more than twice its original size. In addition new equipment will be installed which will increase efficiency greatly. The present porch on the south side will be enlarged by approximately 700 square feet. This area will contain a beautiful cocktail lounge in addition to a ladies lounge in the southwest corner. The upstairs dining room in the east wing will be closed off and finished with an acoustical ceiling and floor length drapery in addition to softer lighting effects. A shelter for golf carts is under construction and will be completed very soon. For more Country Club news, see page 2.

o

The M and M Show Plans Are Nearing Completion

The Hall-Slater post of the V. F. W. held a meeting Dec. 26 to further plans for the Merchants and Manufacturers show which will be held Feb. 8, 9, and 10, at the Products Union Hall.

Mr. Kenneth Hinkleman, chairman, reported that the booths are being signed for very rapidly and only 18 contracts reamain that have not been taken.

Any one desiring a booth may call Mr. Hinkleman phone 99W, Warren Filter phone 244R, or contact Carson House. The parking facilities at the Union Hall have been much improved and a far greater number of cars may be parked with little difficulty than last year. It was decided that prizes will be awarded each evening during the show, and more information will be printed at a later date as to what the prizes will be.

City To Have New Parking Lot

Tecumseh Herald photo

This house located at 117 South Ottawa Street is in the process of being torn down to accommodate a city parking lot. Work on the lot will begin as soon as the building is removed.

It will have a horse-shoe drive to enable more space for parking. The building was sold to the highest bidder, Taylor Turner for $60.00, the next highest bid was $52.50. The lot is 160 ft. by 200 ft., and was purchased by the Chamber of Commerce in 1953. In 1954, the City of Tecumseh bought it for additional parking space.

Drug Store Warehouse Is Moved

Tecumseh Herald photo

The above building was purchased by D. G. Lock from C. A. Wright & Son. It is shown being moved from behind Wright's Drug Store to Occidental road where the Lock's are building a new home. The structure will be used for a warehouse for his roofing and siding business. Mr. Wright states that the building had been used by the Drug Store for a warehouse. The space vacated by it will be used to enlarge the free parking lot.

Engagement Is Announced

LINDA ANN SISSON

Mr. and Mrs. Llewelyn Sisson are announcing the engagement of their daughter, Linda Ann, to Robert Martin, son of Mr. and Mrs. Clair Martin of Tecumseh. The date has not been set for the wedding.

Former Ridgeway Resident Wed

The announcement of the marriage of a former resident of Ridgeway is made. Rev. Jerry Sisson, son of Mr. and Mrs. Kenneth Sisson of Ann Arbor, and Miss Ruth Engel were married in Forest Ave. Baptist Church in Ypsilanti by her father, Rev. Harold Engel assisted by Rev. Donald Currey. The ceremony took place Saturday evening, and a reception was held in the Charles McKenny Hall. The bride is a graduate of Ypsilanti High School and Eastern Michigan Business College. Rev. Sisson is a graduate from Bob Jones University in South Carolina. He is assistant pastor of the Forest Ave. Church, and they will reside in Ypsilanti after their return from a trip to Florida.

25th Anniversary Open House Held In Holloway

On December 26th, Mr. and Mrs. Max Minnich and James Lunn, of Halloway held open house for their parents, Mr. and Mrs. Matt Lunn on their 25th wedding anniversary.

The festivities were held in the Lunn home which was decorated in keeping with the holiday season. Gifts of flowers and silver were displayed about the rooms.

The open house was attended by many relatives and friends. Guests were present from Chicago, Illinois, Detroit, Birmingham, Lawton, Morenci and the surrounding community.

Mrs. I. W. Calhoun and Mrs. G. H. Fisher, aunts of Mrs. Lunn, presided at the refreshment table. The guest book, which was signed by 100 guests was in charge of Mrs. Gilford Calhoun. Mrs. Minnich was assisted by Mrs. Ray Ernst and Miss Sally Baker.

Matt Lunn and Marjorie Rainey were united in marriage by H. L. Freeman, who at that time was president of Adrian College. Both Mr. and Mrs. Lunn graduated from Adrian College in 1928. Presently, both are teaching in the Adrian school system.

The Holiday Ball Was A Huge Success

The Holiday Ball for teen-agers held at the Country Club was a huge success with about 140 attending, including out of town guests and college students' home for the holidays. Cal Damon's band furnished music for dancing, and the Club was beautifully decorated in keeping with the holidays. Long red tapers flanked the lovely New Year's cake that centered the table.

Door prizes were won by Suzy Rohweder for the girls and Duaine Tucker for the boys. The young people enjoyed a snake dance. The Grand March was led by Nicky Touborg and Rita Crosby.

The evening was climaxed by the blowing of horns and other noisemakers. Those responsible for the success of the ball are Mr. and Mrs. John Tomorsky, Mr. and Mrs. Bill Hanna, Mr. and Mrs. Phillip Colgrove, Mr. and Mrs. Joseph Rohweder, Mr. and Mrs. Charles Newell, and Mr. and Mrs. Hugh Walters.

Guy Collins Celebrates His 80th Birthday

Mr. and Mrs. Russell Collins of Macon entertained Sunday, in honor of his father, Guy Collins, who was celebrating his 80th birthday anniversary. Guests included Mr. and Mrs. Richard Collins and children of Hudson, Mr. and Mrs. Guernsey Collins of Ann Arbor, Mr. and Mrs. Larry Quimet and children or Ann Arbor, Miss Gertrude Collins, Clare Felton of Dearborn and Minnie Sarvey of Macon. A beautifully decorated cake served as a centerpiece, and Mr. Collins received many beautiful and useful gifts. The day was spent socially.

Local Topics . . . .

Mr. and Mrs. A. C. Hamaker returned last Saturday from Cocoa, Florida, where they enjoyed the holiday season with their family.

Guests in the home of Mr. and Mrs. Lyle M. Grigg and family for the day, Sunday, were Mr. Art Keck of Lombard, Ill., Mrs. Hazelle Eaton and Mrs. Bessie Aten of Jackson, Mr. and Mrs. Lloyd Hassenzahl and son, Harry, of Clayton, and Mrs. Lula McConnell.

Russell Hubbard left Monday, for Houston, Texas, after spending the holiday with his parents, Mr. and Mrs. Lynn Hubbard. Richard Hubbard was also home for the Christmas season and left Monday for Redding, California.

February Bride

Mr. and Mrs. Zell F. McCarty of 315 North Maiden Lane, Tecumseh, Michigan, announce the engagement of their daughter, Sally Ann, to Brownie Guy Hermreck, son of Mr. and Mrs. Lee Hermreck, of Richmond, Kansas.

The bride elect, after her graduation from St. Joseph Academy, at Adrian, Michigan, attended Gail Institute at Minneapolis, Minn., and has since been employed by the Chicago Burlington and Quincy Railroad office at Chicago, Ill. Mr. Hermreck is a graduate of Richmond High School, '51, and has completed 2 years service as operator with the Radio Division of the 5th Army.

MARRIED MONDAY

Mr. John Curtiss, Jr. of Tecumseh and Miss Estella Keith of Ridgeway were married in Dundee, Monday. They will reside in Dundee, Michigan.

Lucile Hawley And Neil DePuy Married Dec. 31

Miss Lucile M. Hawley and Mr. Neil E. DePuy were married New Years Eve at 7 p.m. at the Baptist Church in Tecumseh. The ceremony was performed by Rev. B. O. Bashore, and the attendants were Mr. and Mrs. Max Smith of Tecumseh. Mr. and Mrs. DePuy are both employed at the Tecumseh Products and will be at home at 708 Ternes Road.

Robert Hall And Bride Honored At Open House

An open house was held Sunday at the home of Mr. and Mrs. Kenneth Hall on Outer Drive in honor of their son, Robert and his recent bride, Sharon, the former Sharon Lee Woods of Lansing. House guests in the Hall home Sunday and Monday were Miss Sandra Hamilton of Nashville, Michigan and William Lester of Carlton, Michigan. The sister and husband of Mrs. Hall, Mr. and Mrs. Harold D. Harrison of Royal Oak, spent the weekend in the Hall home and Mrs. Minnie Lamkin returned to the home of her daughter, Mrs. Hall after an extended stay in Royal Oak.

Linda Sisson, daughter of Mr. and Mrs. Llewelyn Sisson, left yesterday to return to Sparrow Hospital in Lansing for further nurses training.

Mr. Earnest Harris, who has been ill for some time, is improving greatly. He was able to attend the Christmas festivities of the family Christmas Eve at the Clifford Curran home and also at the Llewelyn Sisson home Christmas Day. Hoorah, for Earnie.

Mr. and Mrs. Doran Grossman and two sons, Stewart and Herbert, spent the weekend in the home of Mr. and Mrs. M. M. Halley. Mrs. Grossman is the niece of Mrs. Halley and the family left Sunday to return to their home in Lincoln, Nebraska.

Mr. and Mrs. Yale Kerby have returned from Yuba City, California where they have been spending the holidays with their daughter and family, Mr. and Mrs. Kenneth Dawson and children.

Carol, Gloria, and Jo Ann Green, daughters of Mr. and Mrs. George Green, returned from Hillsdale, and Reading, Michigan, Sunday, with their grandparents, Mr. and Mrs. Leonard Hollingshead. They had been spending several days in that area since Christmas.

Mr. and Mrs. George Green, Sr., have returned from Trenton where they spent the holidays with their daughter and family, Rev. and Mrs. Allan Ramsay.

Mr. and Mrs. Dale Hoag and son, of Saginaw, and Mr. and Mrs. Chris Anderson from Flint were home for the weekend with the Fred Sheldons. Saturday evening they all enjoyed a very festive evening at the home of Mr. and Mrs. Paul Sheldon and family in Dundee.

The Clayton Bigelows have been entertaining house guests this past weekend. Mr. Bigelows sister, Mrs. Jessie Bovay, left for Florida the first of the week where she expects to make an extended stay and Mr. and Mrs. Robert Stoll of Ann Arbor also were weekend guests.

Charlene Sowers is a patient in Herrick Memorial Hospital for observation.

Hospital Aux. To Hold Their Annual Meeting

The annual meeting of the Herrick Memorial Hospital Auxiliary will take place January 8th in the Fellowship Center of the Presbyterian Church. All members are urged to attend for annual reports will be read at this time and results on recent questionnaire forms will be discussed.

The nominating committee composed of Mrs. P. G. Colgrove, chairman, Mrs. Robert W. Laidlaw and Mrs. J. E. Layton will also report their candidates for 1957 officers.

Phillip Surratt was an overnight guest in the home of Mr. and Mrs. William Bunnell in Farmington on New Year's Eve.

Christmas Day guests in the home of Mr. and Mrs. Thomas O'Hara were Mr. and Mrs. Wayne Schulze of Ann Arbor.

Guests in the home of Mr. and Mrs. James Barton and family, Sunday will be Mr. and Mrs. David Glenn and two little girls and Miss Syreta Dixon.

Guests Thursday evening in the Barton home in celebration of the birthday anniversary of Miss Betty Barton were Mr. and Mrs. El Roy Vanderpool, Russell Hyatt and Mr. and Mrs. Jerry Barton.

Mrs. Fred Marsh entertained her daughter and husband, Mr. and Mrs. Dernberger of Pontiac, over the weekend and Christmas day.

Robert Voorhees, who has been home on leave from Denver, Colo., left last Friday to report for duty at Camp Riley, Kan.

Mr. and Mrs. Dermont Poley entertained her parents, Mr. and Mrs. Levi Donaldson of Ellsworth, Michigan in their home last Friday and Saturday.

Miss Margaret Murray, sister of Dr. Robert Murray, who has just returned from 2 years of traveling in Europe has been visiting in the Murray home. Miss Murray came by plane December 26, and returned to Millbrook, New York, January 2, where she is teaching in the Millbrook school system.

Mr. and Mrs. Reginald Dixon have closed their studio and are taking a one month vacation with their family in California.

Mr. Glenn Driscoll is recovering nicely from the injury to his hand that he received the day before Christmas while working with an electric saw.

Tecumseh friends have learned of the death of a former resident, Mrs. John Herring, whose home for many years was at 411 Pearl St. Mrs. Herring died December 17, and was buried at Coldwater. She is survived by two children Albert of Coldwater and Lorraine Racey of Holt.

Mrs. Carl Burch and her brother-in-law, Peter Burch, were Christmas dinner guests of Mrs. Burch's son, Rev. and Mrs. Herbert Burch and family of Ypsilanti.

Also attending the dinner were Rev. and Mrs. Bruce Burch of West Branch, Michigan, and Mr. and Mrs. Everet Burch and family of Milan. Mrs. Burch's other son Larry and his wife could not attend since he is a medical student at the Naval Hospital at Memphis, Tenn.

Mr. and Mrs. C. L. Greenwald, and son, Lanny, spent the weekend with Mr. and Mrs. M. P. Greenwald and family at Houghton Lake.

Margaret Lowry was a guest in the home of her brother and family, Mr. and Mrs. H. J. Lowry, in Bloomfield Village for the Christmas season.

Parents Announce Engagement

JOAN ELIZABETH BREITENWISCHER

Mr. and Mrs. Paul J. Breitenwischer announce the engagement of their daughter, Joann Elizabeth, to Russell Warren Grohnke, son of Mr. and Mrs. Frank Grohnke of Gilber Road, Toledo, Ohio.

Miss Breitenwischer is a graduate of Barry College in Miami, Florida, and Mr. Grohnke is a graduate of the University of Toledo Civil Engineering. An October wedding is being planned.

Dr. and Mrs. Robert Laidlaw moved to their new home on Seminole Street, December 27. Their former home at 409 W. Brown has been sold to Mr. and Mrs. Smith from Chesaning.

Robert Bailey, son of Mr. and Mrs. Clyde Bailey, was home for the holidays and after New Years' returned to Gaylord to resume his teaching in the school system there.

Mr. Harry Day and Murray Day have returned from Hubbard Lake where they have been since the day after Christmas. Sunday the Murray Day family were guests of Mrs. Day's parents, Mr. and Mrs. W. G. Fishlock, in Milan.

Miss Doris Bilby, daughter of Mr. and Mrs. Dow Bilby, returned to Mt. Clemens, Wednesday, to resume her teaching in the school system there.

Lieut. Norbert O'Hara, son of Mr. and Mrs. Thomas O'Hara, was able to fly home for an overnight stay with his parents from the Marine Base at El Toro, Calif., where he is located at present. He arrived at Selfridge Field, Friday, December 21, with another officer and then flew back to El Toro the next day.

Terry Holdridge is in the St. Joseph's Hospital in Ann Arbor for observation. It is expected that he will return home Thursday.

Mr. and Mrs. Lawrence Holdridge and Terry, Ricky, and Pat and the Lyle Grigg family attended a New Years Eve party in the home of Mr. and Mrs. Morris Cornell and family in Tipton.

REDECORATED RECENTLY

Tipton School Plans Explained

(Continued from Page 1)

ministration and considerable questioning of teachers using this new type of room has revealed that they all enjoy the roominess and uncluttered design. The alcoves away from the windows will be top-lighted and all contain work space, sinks, and storage facilities. This space gives the teacher an opportunity to work with smaller groups as well as large ones and thus give more individual attention to the pupils. The alcoves will each contain a round table and chairs for small group discussion and library work."

"The Tipton school has been designed as a community center with the idea that the multi-purpose room and library facilities may be used by adults as well as children. The multi-purpose room will be equipped with a folding stage, draw stage curtains, folding tables and chairs. Shower and dressing rooms are also provided and thus the building may also be used for adult recreation if desired."

Next week, the Tecumseh Acres proposed school plans will be presented.

Prizes Given To Parents

Annual Cub Exposition Will Be Held January 12

The annual Cub Scout Exposition will be held at the Tecumseh Products Union Hall, January 12, from 7 to 9 p.m. Pack 4, sponsored by the Baptist Church, will be hosts this year to all Cubs and Scouts belonging to the Lenape District.

Pack skits will be presented by the various packs in the County and displays that have been outstanding through the year. "Live demonstrations" of the making of handicraft such as plaster casting, braiding, beading, painting, etc. will be shown. Each pack will have a booth of its own for the displays and demonstrations which will begin promptly at 7:00 p.m., and end at 8:00 p.m.. There will be demonstrations of games for cubbers as well as cubs that have been developed by the packs this past year. Award ribbons will be given to each pack, but to receive a proficient (blue) ribbon, the pack must have a live demonstration and a high quality display. To receive a standard (red) ribbon the pack must have a good exhibit, and no ribbons will be given without a live display.

Tickets will be sold this year for the first time for the exposition. The packs will receive a percentage of the proceeds to place in their treasurers, namely a pack, 15c will be placed in the treasury for every ticket sold.

C. C. Dining Room Is Temporarily Closed

In order to relieve final construction difficulties and facilities new equipment installation, the Tecumseh Country Club dining room will be closed until further notice. Room and bar facilities will be available however. The regular Monday night duplicate bridge will continue under the supervision of Mr. and Mrs. D. J. Bowen.

Card of Thanks

CARD OF THANKS ....

We wish to thank everyone for the fine things they did for the Home on Christmas; especially the Carollers, those who made favors for the tables, Manchester Intermediate class for their play "The Left Over Reindeer." Carl Thompson for playing Santa Claus. Your fine spirit helped make the patients Christmas a happy one. Parrett Nursing Home. 14-c

I am very glad to have this opportunity to thank my customers for their token of friendship during the holidays. Merrill Murphy, The Meadowridge Dairyman. 14p

We wish to express our sincere thanks to the Girl Scouts, Brownies and the Carollers and all who helped to make our holiday happy. It was truly appreciated. The LaBounty Rest Home.
Celia LaBounty

Bertha LaPointe wishes to thank most sincerely all her former pupils for cards and gifts received this holiday. She also thanks you again for the "Farewell" gift last May. 14-c

Christian Science Sunday Service

The divine answer to human needs will be brought out at Christian Science services Sunday.

Readings from the King James Version of the Bible and correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "God."

From Philippians (4:19) the following will be read: "My God shall supply all your need according to his riches in glory by Christ Jesus." Correlative passages to be read from Science and Health include the following (494:10-11): "Divine Love always has met and always will meet every human need."

CKLW — Sun., Jan. 6 — 9:45 a.m.

Evangelistic Meetings To Be Held Jan. 6-13

Evangelistic meetings will be held at the Tecumseh Friends Church, January 6 to 13 with services each evening at 7:30 p.m. The Sunday morning worship services at 10 a.m.

Rev. Walter Mullet of Warsaw, Ohio, will be the evangelist and Paul Roher of Salem, Ohio, will be the song director and soloist. Mr. Mullet is a minister of wide experience both as a pastor and as an evangelist. He was the guest preacher at the sessions of the yearly meeting of the Friends Church held last August [illegible] Damascus, Ohio. The work of Mr. Roher as song leader and soloist is also much appreciated by his many friends. The public is cordially invited to attend these special evangelistic services.

Watch Night Service Held At Friends Church

A Watch Night service was held in the Friends Church basement for families of the church. Each family brought sandwiches and cookies. Refreshments as well as games and a film for the children were enjoyed. A devotional service, with Naomi Sallows in charge, was held from 11:30 p.m. until 12:00. Margaret Watson was general chairman of the event.

A Young People's New Year's Eve party was also held at the home of Joanie Judd, at 114 W. Kilbuck St. Games and food were enjoyed at this party too, as well as a devotional period.

A year indoors is a journey along a paper calendar; a year in outer nature is the accomplishment of a tremendous ritual.

—Henry Beston

Rev. Escolme Addresses Club

Rev. Edward Escolme, pastor of the Friends Church was guest speaker at the Wednesday noon meeting of the Kiwanis Club. His message was on the new year, stressing, Faith, Hope and Love saying if we exercised these three during 1957 all would have a very successful year.

Committees were appointed for the Square Dance Jamboree to be held January 23 at Union Hall. They are: Ticket committee, Earl Brownsfield, chairman, Bob Wallace and Richard Cook; publicity committee, Fred Belleville, chairman, Dick Hicks, Earl Brownsfield, Harold Kopka, George Schumm, Wayne Kiser, Bob Wallace.

HODGES DRUG STORE Monthly News

A message from Ralph Hodges, 'Your Pharmacist'

DO YOU KNOW that the average family is now spending a smaller percentage of their income for drugs than was necessary in past years. Despite the fact that some individual prescriptions containing the new antibiotics, etc., cost more, they actually help you to save money.

THESE CURRENT GOVERNMENT STATISTICS may surprise you. The American people now have a total income of about 327 billion dollars annually, of which they spend the following—

11.9 billion dollars on Recreation.
8.8 billion dollars on Alcoholic Beverages.
5.3 billion dollars on Tobacco.
2.8 billion dollars on Physicians' Care.
2.6 billion dollars on Hospital Care.
AND
1.6 billion dollars on Drugs.

THERE ARE GOOD REASONS WHY the costs of medical care is proportionately so low. We now have specific drugs that can be more often depended upon to accomplish a definite result. They not only save more lives, but help you to get well so much more quickly that your physician makes fewer calls and you spend less time in bed.

MODERN PRESCRIPTIONS save more lives and cost less per illness than ever before.

Buick SUPER 2-Door Riviera

Top Click of the New Car Season

WANT TO GET your New Year off to a rollicking start?

Want to take the wheel of the car that's winning raves from Coast to Coast and back again?

Then take the wheel of a 1957 Buick and try the sparkling-est new performance team in all autodom.

We mean the team with the highest-powered V8 engine ever to ginger a Buick—and an advanced new Variable Pitch Dynaflow.*

Here, with just a judicious touch of foot to treadle, you get response so obediently instant, so liquid smooth, and so full range in "Drive"—that you've never in your life felt anything like it.

It's sports-car going in a full-sized traveler that's sheer delight from start to finish.

Know what else?

Folks like the way this new kind of performance comes dressed in sleek and glamorous styling that's fresher than tomorrow's news.

They like the new roominess inside these low-sweep Buicks and the new luxury of their "nested" ride.

They like the new ease of handling, the new steadiness of cornering, the way stops are always on the level no matter how quickly you use the brakes.

Fact is, folks like everything about the newest Buick yet—the car that's fast becoming the biggest hit of the new car year—and *you* will, too. Come on in and try it this week. We'll have the red carpet out for you.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

SAFETY REMINDER
In fast-moving traffic on turnpikes, parkways and freeways, keep a good distance from the car in front—and a little more for good measure. That way you, and every driver behind you, get a bigger margin of safety for braking action.

Letter To The Editor

A/3c Lonnie Penrod AF 16562354
3764 Sturon
Box 226 Sheppard AFB, Texas
Thursday, 27 December, 1956

Sir:

I am stationed at Sheppard AFB attending an Air Force Technical Training School. I am in Aircraft Hydraulic Maintenance and Repair. My parents are having a subscription of the Herald sent to me and it is awfully nice to get all of the home-town news.

Lately, I've been noticing especially that Civil Air Patrol has had many very good write-ups. As a Tecumseh Sqdn. CAP member I have been very happy to see these. My first Air Force promotion was on Dec. 21, to Airman Third Class. My membership in CAP expires Dec. 31, but Lieutenant James Smith is having it renewed for me. As a Sgt. in the Cadets I gained invaluable experience which helped me a great deal through my AF basic training. It helps the morale of not only myself, but of millions of other young people to know that there are still a few people like yourself who are interested in us.

For myself I would like to say, "Thank You" for promoting Civil Air Patrol.

A Tecumseh Herald reader,
Lonnie Penrod

TIPTON NEWS

MRS. DEAN COOK
Correspondent

Miss Eve and Olive Langley of Fort William, Ontario arrived Sunday Dec. 23 at the home of their sister and husband, Mr. and Mrs. Charles Driffill, as guests for Christmas. Additional guests Christmas Day were Mr. and Mrs. H. P. Wright of Port Huron and Mr. and Mrs. Wayne McKnight of Adrian.

Mr. and Mrs. Don Hunt entertained Sunday the 23rd at a pre-Christmas dinner. Covers were laid for Mr. and Mrs. Ivan Hunt and sons of Onsted, Mr. and Mrs. Nelson Wright and children of Adrian, Mr. and Mrs. David Gore and Robbie Imes, Mr. and Mrs. John Gore of Toledo, and Mr. Omar Dickerson of Wayland.

Mr. and Mrs. Don Hunt were guests Christmas Day of Mr. and Mrs. John Gore in Toledo.

Mr. Omar Dickerson left Monday for his home in Wayland after spending two weeks in the home of his cousin and husband, Mr. and Mrs. Don Hunt.

The Community Church held their Christmas program Dec. 23rd. A pageant "The Three Gifts of Christmas" with songs and recitations was given. The narrators were Miss Joan Whelan, Marilyn Whelan, Patty Dibble and Rose Ann Withrow. A film entitled "Holy Night" was also shown. Santa visited the children with sacks of treats for them and gifts from under the tree.

The Lodge held their Christmas Party Saturday evening at the hall when the Knights and Sisters entertained their families. Lunch was served by the committee and cards and games were the diversion for the evening.

Mr. and Mrs. Loren Krout and sons returned to their home in St. Louis, Mo. after spending the Christmas Holidays with his parents, Mr. and Mrs. Elmer Krout and children.

Mrs. Harriet Pawson entertained her family for a Christmas dinner Sunday.

Mr. and Mrs. Harold Radant entertained the Jones family at a Christmas dinner Sunday.

Ensign Kenneth Swarts returned to Albuquerque, New Mexico after spending the Christmas holidays with his parents, Mr. and Mrs. Grover Swarts.

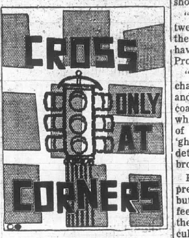
Mrs. Harriet Pawson has gone back to nursing for the winter in the home of Marvin J. Pardee of Clinton, after being home for the last ten days.

Mr. and Mrs. Harry Cook entertained for dinner New Years Day their daughter Miss Joan Cook and Mr. Warner Frank of Ypsilanti, Mr. and Mrs. Dean Cook, Vicki Jayne and Roger.

Mr. and Mrs. Wayland Kahle with Mr. and Mrs. Lawrence Mohr of Tecumseh were at Houghton Lake ice fishing over New Years weekend. Mrs. Lida Spalding spent the weekend with Mrs. Floy Whelan during the Kahle's absence.

Mr. and Mrs. Eugene Fisher and children were guests of the latter's parents, Mr. and Mrs. Kummrow of Morrison, Ill. over New Years.

A/2 Joseph Rockwell who has been home 10 days with his mother, Mrs. Glenn Fisher and Mr. Fisher, returned Sunday to Kinross Air Base at Kinross, Michigan.



GRAND AWARD WINNER, 12TH NATIONAL TRAFFIC SAFETY POSTER CONTEST

Field and Stream

Archers, how about trying your skill on the snowshoe hare? The swish of arrows passing does not frighten this animal, so you're assured of several shots, says Professor William H. Burt, curator of mammals at The University of Michigan.

"The snowshoe hare is named from its unusually large feet covered with long dense fur, especially in winter. They don't come in so handy in the summer when they encumber him a bit, but in the winter he can travel on top of deep snows as a man does on snowshoes," says the curator.

"Last year hunters bagged between 260,000 and half a million of the creatures and probably could have hit a much larger record," Professor Burt says.

"The adaptable snowshoe hare changes his coat twice a year—fall and spring. His yellowish-brown coat is replaced in the fall by a white coat. Against a background of snow, the white coat of this 'ghost' is just about impossible to detect unless you spot the dark brown eyes of the hare."

Burt continues, "Snowshoe hares prefer dense cover during the day but come out into open areas to feed at night. During the summer, their food consists chiefly of succulent vegetation, and in wintertime they dine on twigs, buds and the bark of small trees.

"When startled from a resting spot, they usually bound off a short distance and stop. If pursued, they almost invariably describe a circle and return to within a few yards of the starting place. If you have good dogs to bring the hare around, you can take advantage of this habit.

"The first young appear sometime in May, but others may be born as late as August. One to seven young (usually two to four) are born in a litter. Fully furred at birth, they have their eyes open. No nest is prepared to receive them. They start nibbling on green vegetation at about the eighth day and are weaned when between six and eight weeks old. By this time they're nearly adult weight.

"The chief damage these hares do," says Professor Burt, "is to plantations of small pines. Their habit of sniping the terminal bud is disconcerting to the forester. In wild forests they serve as a thinning agent but rarely destroy entire stands of young trees."

Formerly found through the state, these hares are now almost gone from the southern part. They have been reported from Isle Royale, Huron, Goose, Beaver, Gull, North Fox, South Fox, North Manitou, South Manitou and Charity Islands.

Hunting season on snowshoe hares is through March 31 in the Upper Peninsula through February 28 in the northern half of the Lower Peninsula, and through January 31 in the southern half.

THE WHY OF "TIGHT MONEY"

You've undoubtedly heard of the "tight money" policy now being followed by the Federal Reserve Board — a policy which makes money more difficult to borrow and which tends to increase interest rates.

But you may have wondered why the Board should find such a policy necessary. U.S. News & World Report explains in these words: "There is at present a strong inflationary demand for credit. Industry is seeking record amounts to finance huge expansion programs. State and local governments have vast programs of public works. Builders are pressing for funds to finance more homes. Consumers are spending record sums, and want to borrow to keep on spending. Meanwhile, most of the labor force is already fully occupied and unions are demanding and getting wage increases. Many production lines are operating at capacity. With costs increasing and prices rising, the possibility of greater inflation threatens.

"The men on the Federal Reserve Board who shape money policy for the government are determined to keep this situation under control."

☆ ☆ ☆

DON'T BUY THE BROOKLYN BRIDGE!

Half a century or so ago swindlers preyed ruthlessly on fresh-off-the-boat immigrants to this country. A great coup was to sell one of these innocents the Brooklyn Bridge.

Times and techniques have changed. Nowadays swindlers have subtler rackets — one of them being fraudulent and worthless stocks. Mounting complaints against unscrupulous stock salesmen led the Securities and Exchange Commission and the New York State Attorney General to work out, with the aid of stock exchanges and reputable brokerage houses, a guide to prospective stock buyers. It has now been issued, and it is as sound as it is simple. Here are the basic rules:

Think before buying. Deal only with a securities firm which you know. Be skeptical of securities offered by telephone by a firm or a salesman you don't know. Guard against high pressure sales methods. Be particularly wary of promises of quick and spectacular price rises. Be sure you understand that there is a risk of loss as well as a prospect of gain when you buy securities. Get all the facts — never buy on tips or rumors. Request the person offering securities over the phone to mail you written information about the corporation, its operations, management, financial position, etc., and save this for future reference. If you don't fully understand the written information, consult someone who does.

Follow this guide — and you won't be buying Brooklyn Bridges!

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

It's a long way from U. S. A. to Suez, yet it appears early tax relief for American business and individuals may have been drowned in that narrow strip of brine through desert sands.

* * *

For with England, France, lacking Arabian oil, mighty drive is underway to get oil from Western Hemisphere with American dollar aid.

C. W. Harder

* * *

Early last summer in this column it was predicted State Dept. meddling in Egypt with foreign aid funds would eventually result in American taxpayer getting it in the neck.

* * *

When Nasser siezed canal, this column pointed out his action was taken when State Dept. renegged on promise to build dam in Egypt.

* * *

In considering the whole sorry picture it is important to bear in mind Suez Canal operation, i. e., the collection of fat tolls, is purely a private enterprise in which individual Englishmen and Frenchmen, of some political power, are stockholders.

* * *

The immediate cry was that Nasser would close the canal. But after all, anyone needing cash money as badly as Nasser just doesn't close up shop on a profitable going business.

* * *

As usual, State Dept. couldn't resist temptation to get into act and promised England a half billion American tax dollars to defray cost of tanker shipments around the Cape. As usual, Congress was not consulted.

* * *

But the canal was not closed. In fact, traffic proceeded at a good clip, and no oil shortage loomed. The only trouble was that influential English and French stockholders were not collecting the big tolls.

* * *

So Anglo-French forces, equipped in part with arms supplied them by U. S. taxpayers for defense against Russia, moved in without warning with real rootin' tootin' warfare.

* * *

When a trigger is pulled, most anything can happen. So a few excitable Arabs blew up some pipelines, a few ships got sunk in the canal, blocking it.

* * *

It seems impossible an all-out assault could have been mounted on Egypt without somebody in the U. S. knowing about the plans in advance. If American intelligence cannot learn of the war plans of so-called allied nations, there is a doubt as to just how efficient that intelligence service would be in learning in advance of hostile moves by communists.

* * *

In addition, it is peculiar how immediately after this sad fiasco, American oil companies started talking higher prices for U.S. consumers. How this figures is apparently anybody's guess.

* * *

Yet, unless stern resistance develops in Congress, it is a pretty sure cinch American tax money will again bail England out of the mess it has gotten itself into through stupidity, cupidity, and with complete disregard for the high moral principles of the United Nations.

* * *

Once again England has proved its word valueless. If it is to the American interest to again extend financial interest, it should be undoubtedly on a sound businesslike loan basis with a profitable rate of interest charged, backed by ample collateral. For example, Fort Knox would be a safe place to hold British Crown jewels as collateral for one fair-sized loan. And there's royal precedent for this, too. Did not Queen Isabella hock her jewels to give Columbus a hand?

BOOK SHELVES

Library

BOOKLIST

"Understanding Fear in Ourselves and Others," Overstreet, B.
This book is solidly grounded in modern psychology and digs down to the emotional roots of fear.

"Battle Hymn," Hess, D.
The inspiring study of a clergyman turned fighter pilot who flew 300 missions in World War II and Korea, developed the Korean Air Force, and saved thousands of Korean war orphans.

"Diamond," Hahn, E.
The spectacular saga of earth's rarest treasure and man's greatest greed.

"Water, Water, Everywhere," Kimbrough, E.
Written with wit and lightness of spirit, the author takes us with her on her travels.

"The Bride's Reference Book."
How to plan your home; how to buy wisely; how to keep house efficiently, cook expertly, and entertain memorably; how to look lovely always; how to be a "working wife".

"The Complete Modern Tree Experts Manual," Fenska, R.
A ready reference manual of directions, facts, and figures on the care of shade and ornamental trees.

"Profiles in Courage," Kennedy, J.
Senator Kennedy has used wonderful skill in transforming the facts of history into dramatic, colorful, inspiring personal stories.

"Fire in Your Life," Adler, K.
In this book, the thread of fire leads us to fascinating information about the advance of civilization.

"The Last Voyage of the Lusitania," Hoehling, A.
Never before had an unarmed passenger ship been attacked without warning. 1198 persons died with it that day.

"The Heart Has Its Reasons."
With candor and detail the Duchess of Windsor writes her memoirs.

"Low Cost Homes."
A collection of 30 homes in the $6,000 - $12,000 range including building plans and ideas for interior and room construction.

Realty Views

We wish each of you a "HAPPY, NEW YEAR".

Sincerely, the wish is more than a mere saying with us. We hope you will be happy throughout all of 1957.

Happiness may just "happen" to some lucky people. But for most of us it requires effort and planning. Planning the future, however, can be fun in itself. Relax, take an entire evening and visualize the things you want for your family. Then, plan ways to achieve those goals.

One of the biggest sources of happiness is a pleasant family life. And, perhaps, one of the best means of realizing family happiness is through the ownership of a comfortable, well-planned family home.

If you are not now enjoying such a home, 1957 is the time for action. We can help you locate a home tailored to your own family's requirements.

This may necessitate selling or exchanging your present home. Again, we'd be pleased to be of service.

So start now. Let's make 1957 a truly 'happy" year for the entire family!

"COURAGE" — THE OLD YEAR WHISPERED AS IT ENDS."

*(Author's name below)

If you know anyone who is discouraged about their health, give them this cheerful news: 1957 offers much hope.

Right now research scientists are on the brink of reporting new drugs and treatments that might solve their problem.

The important thing is to advise them to visit their physician. He knows that as soon as any new drug is released for safe use we pharmacists stock it in our prescription departments. If he thinks it will help, he will prescribe it.

The Advisory Committee Announces Adult Classes

The Advisory Committee for Agriculture announces adult and young farmer classes for this winter to be held in the Vocational Agriculture and Shop Building at Britton-Macon High School.

The tentative adult discussion class scheduled is as follows:

January 2—Farm Outlook in Feeding, Dairy and Crops, with Dale Dean and Russ Spalding.

January 9—Farm Buildings and Safety, with Richard Pfister from the M.S.U. Department of Agricultural Engineering.

January 16—"The Use of Concrete Masonary in Farm Construction", with C. M. Meredith who is a field engineer for the Portland Cement Co.

January 23—Livestock Feeding and Management, with Graydon Blank who is an M.S.U. Extension Specialist.

January 30—M.S.U. Farmers Week, Show at East Lansing, Michigan.

February 6—Adult Class Tour around Britton, details to be announced later.

February 13—Partnership (Father and Son), land leasing, resource person will be announced later.

February 20—Farm Crops, Seeds, What's new today?

February 27—Liquid Fertilizers — Local Users and Commercial Fertilizer Companies.

March 6—Open Date, to be announced.

March 27—Final Adult Banquet.

To enroll in these classes, come to the meeting either Tuesday or Wednesday evenings. Enrollment fees are $2.00 for agriculture and $5.00 for shop. If you attend more than 50 per cent of the meetings, you will receive a certificate. The agricu[illegible] will be open to discus[illegible] and questions. The shop classes will be short demonstrations and practices and projects to build. Courses will be flexible and will be fitted to the desires of the group.

BOOK SHELVES

(Continued from Page 2)

"How To Take Better Pictures."
Goldsmith, A.

When you have read and studied this book you'll know how to take clear well-exposed pictures in black and white or in color, by sunlight or flash bulb.

o

The best preparation for the future is the present well seen to, and the last duty done.

—George Macdonald

Action Is Hot And Heavy In New Picture

That vast majority of moviegoers known as "action fans" will be turning out in full force to see 'Tension At Table Rock," RKO-Technicolor adventure drama, which will open [illegible] Strand Theatre. Fast action is uninterrupted from start to finish, and ranges from tavern brawls to panoramic gun fights staged with all of Hollywood's camera magic.

A fascinating character is western fiction is brought to life in the new film. He is the Wes Tancred of Frank Gruber's novel, "Bitter Sage." Richard Egan portrays Tancred, frontier good-bad-man who unintentionally attracts women and who wanders across the West in a futile effort to live down a malicious lie. Folks near and far have heard about Wes Tancred, "blackhearted, white-livered, backbitin' side-winder who murdered his own best friend."

In the picture he uses his gun to rescue an orphan, win admiration from the Sheriff's wife and save the township of Table Rock from a pioneer gang war.

Dorothy Malone is vitally convincing as the Sheriff's wife, Lorna Miller. Cameron Mitchell plays her husband, disenchanted "strong arm of the law," ready to sell out until Wes Tancred disposes of their common enemy.

Natural GAS
YOUR SILENT SERVANT

"Lung" Checkups Keep Gas Meters Accurate
Your gas meter is similar to a healthy lung. It actually goes through the motions of breathing—inhaling and exhaling gas by means of little diaphragms of leather or plastic. At each intake of "breath," the meter registers how much gas is consumed.
The "lung" and other vital parts of your gas meter are regularly inspected to insure accurate measurement of gas consumption. More than 300 gas meters a day go through the scientific test and repair cycle at Consumers' General Meter Building in Jackson.
Here gas meters are tested, adjusted and repainted. Even new meters, fresh from the manufacturer, must undergo rigid tests before going into service. Only a meter of demonstrated accuracy is permitted to measure the gas that serves you.
Only GAS does so much, so well . . . the modern fuel for automatic cooking . . . refrigeration . . . water-heating . . . house-heating . . . air conditioning . . . clothes-drying . . . incineration.

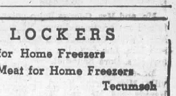
CONSUMERS POWER COMPANY

NEWS OF THE FARM



Lenawee Co. Agricultural Agent's Column - - - - -

Cattle prices will average higher during the first half of next year than during early 1956, according to George Dike, District Marketing Agent.

Slightly smaller beef supply, boosts in consumer purchasing power, a growing population and reduced supplies of pork indicate that beef prices will be up in the coming year, according to Harold Riley, farm economist at Michigan State University.

Riley says that prices for choice grades at Chicago will likely average between $22 and $24 during the first six months of 1957. These prices would be $2 to $3 above prices in the same period of 1956.

The farm economist does not expect the sharp rise in cattle prices next fall that occurred in the fall of 1956. Trends indicate that a record number of cattle are on feed this year.

Riley points out that Michigan farmers who have abundant supplies of roughage on hand should do well by wintering low grade steers for the April-May market. The extreme drought in the southwestern U.S. has forced large marketings of cattle there and also cut the demand for feeding and grazing stock. Also, the large corn crop in the central and eastern corn belt areas has put farmers in that area in a favorable position to make average profits from cattle feeding next year.

Lenawee county sheep producers can look forward to another year of favorable returns in 1957, according to C. C. Ingerson, Assistant Lenawee county agricultural agent.

Wool will again be supported at about the same level as during 1956 through a direct payment program.

He also indicates that prices for fed lambs this winter should average slightly higher than a year ago. Although more lambs may be fed out in corn belt feed lots, lamb feeders in the great plains areas will be carrying unusually small numbers on wheat pastures.

Smaller supplies of pork and beef are expected next year which will add strength to the fed lamb market.

The number of stock sheep on U.S. farms is remaining near 27 million head after numbers had dropped about 45 per cent from the high level in 1942.

———o———

The Michigan farm price of wheat should be at or slightly above support prices during the first half of 1957.

Off-Farm Job May Boost Net Farm Income

Look into the possibilities of off-farm employment in 1957 to boost your net farm income, suggests Arthur Mauch, Michigan State University farm economist.

And don't overlook the possibilities of price support programs and the acreage reserve programs where they fit your farm.

Here is the way it looks for 1957: Farm prices, at least for livestock, may be up just a little. But costs are going to go up some, too, so the cost squeeze is going to be about as tight in 1957 as it has been in 1956. Farmers wanting to make money can't overlook any possibilities for adding to their net income.

Full employment schedules in Michigan industry may make it profitable to find part-time or full-time work off the farm, or even to shift completely out of agriculture. Some extra income may enable you to get a bigger, more profitable operation going for another year, or to reduce some debts and interest charges.

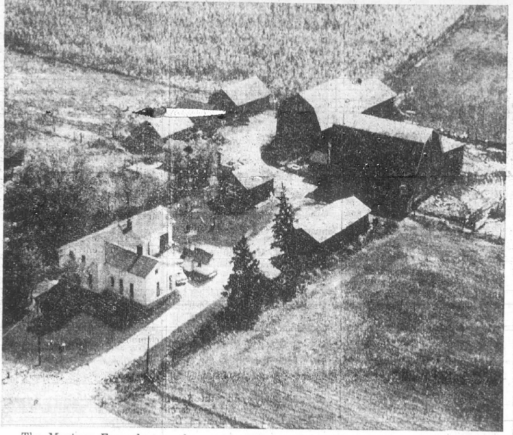
Any expected increase in government payments may make the difference between profit and loss for many farmers, so check all possibilities for benefiting from these programs on your farm.

It will take sharp, efficient operation to make money this year, as it did last year, but it can be done.

———o———

If you can see wet walls or find frost in the haymow, you can be pretty sure you need some ventilation in the barn.

Mystery Farm Belonged To Fred Schultz



The Mystery Farm last week was identified as that of Fred Schultz of Adrian. Mr. and Mrs. Donald Burroughs live on the farm located at 1503 E. Monroe Road. They have lived on the 142 acre farm for the last two years.

Mr. Burroughs and his wife Helen have three children. They are Carlton 6, Donald John 4 and Mary Helen 5. They belong to the Cooperative Sales Association of Toledo and enjoy roller skating.

They engage in general farming and raise Holstein dairy cattle. The Burroughs have received their aerial photo from the Herald and will be given $5.00 worth of free merchandise courtesy of Ben's Market.

Leland Busch To Address Adult Farmers Class

Leland Busch, Macon farmer and member of the Lenawee county soil conservation program will speak to the Tecumseh adult farmers night school class at their next meeting which will be held on Monday January 7th. at 8 p.m. The talk and discussion by the group will be on the 1957 corn allotments and the new soil bank program as it effects farmers in this area.

Any farmer, whether he is a member of the class or not, interested in this topic is welcomed to attend the meeting. The meetings are held on Mondays in the agriculture room of the high school and will continue for eight more weeks. At each meeting a topic of interest to farmers will be discussed.

On one of the final meetings a beef feeding tour will be taken by the group. The program has been planned by the farmer members of the class around topics which will aid them more for their method of farming and for farming in this area. All farmers in the Tecumseh school district are welcomed to attend these meetings.

———o———

January 5 Is John Deere Day In Tecumseh

Saturday, January 5 will be John Deere Day in Tecumseh beginning at 10 a.m. at the Strand Theatre, sponsored by Hoyt E. Whelan Co., local John Deere agency.

There will be color films dealing with farm profits, a complete showing of what is new in farm equipment and plenty of entertainment all day. Everything is free, including a lunch. Everyone is invited.

Clayton Holstein Sets Production Record

A special report of The Holstein-Friesian Association of America, Brattleboro, Vermont, announces the completion of (an) official production record by (a) registered Holstein cow in the herd of E. M. Baker of Clayton.

Bakerlads Burke Ona 3370203, milked twice daily for 336 days, produced a total of 15,887 lbs. of milk and 538 lbs. of butterfat as a 4-year-old. Mich. State Univ. supervised the weighing and testing of this record which compares with an annual production of only 5,815 lbs. of milk and 224 lbs. of butterfat by the average U.S. cow.

The new record is a part of the national Holstein organization's Herd Improvement Registry — a popular official testing program designed to provide individual lactation and lifetime production records on every cow in participating herds.

———o———

Practically everything that Michigan farmers have to buy for farm production will be higher in 1957. But lime and fertilizer may miss the price hikes.

An Invitation to Our Farmer Friends

Dear Folks:

We're rolling out the red carpet for you here at our store. We want you to be our guests on John Deere Day.

You know, this day is planned just for you—and, of course, all the relatives and friends you want to bring along. We've whipped up a program everybody will like.

There'll be movies galore, including the full-color feature... "Heavens to Betsy," a film so homey it will draw you right inside it. Of course, Tom Gordon—the perennial John Deere Day favorite—will be back with a laugh and a lesson, and then, too, you'll see a lot more, including the new J. D. Tractors and other equipment at work in the field.

Now—don't miss it. Plan to come and spend the day. And, remember—it's our treat. If you haven't received your tickets by now, call for them at our store.

And don't forget the date!

Mr. and Mrs. Jesse Stretch and family were guests of Mr. and Mrs. Carlton Stretch of Tecumseh, for a Christmas dinner on Sunday.

Dr. and Mrs. George Lewis and family of Grand Rapids came on Sunday to spend the Christmas holidays in the Harvey Lewis and Gail Austin home. Other guests for Christmas dinner were Mrs. Alice Doyle, Mrs. Maude Wilson of Adrian, Mr. and M[illegible]chmid and family of Saginaw, Mr. and Mrs. Carl Schmid of Petersburg. Callers of the day were Mr. and Mrs. Clarence Hunt of Tecumseh and Mr. and Mrs. George Phillips of Britton.

Dr. and Mrs. Lewis and son returned to their home Wednesday morning and Cheryl Lewis remained for a short visit. Mrs. Allan Schmid remained to visit here and in Petersburg.

A family Christmas dinner was held at the Neuman home on Tuesday. Guests were Mr. and Mrs. Elmer Mapes and son Kenneth and August Klickman of Toledo. Kenneth stayed for the holiday vacation.

Mr. and Mrs. Harold Miller of Adrian and Mr. and Mrs. Arthur Lewis of Holloway were Christmas dinner guests of Mr. and Mrs. Marshall Drouillard.

Christmas Eve guests at Mr. and Mrs. Wm. Osburn's were Mr. and Mrs. O. M. Powell, Mr. and Mrs. Raynor Van Valkenburg and family, Mr. and Mrs. Wm. Powell and family of Tecumseh and Mr. and Mrs. John Powell and family of Wamplers Lake.

Mr. and Mrs. Roy Broasmer entertained with a family Christmas dinner on Tuesday Mr. and Mrs. Bernard Broasmer and family, the grandfather Joe Broasmer, Mr. and Mrs. Glenn Forsythe and children and Mr. and Mrs. Max Hawley of Sand Lake.

Mr. and Mrs. John Gritzmaker had a family gathering on Christmas Day. Mr. and Mrs. Wm. Garringan of Lansing, Mr. and Mrs. Max Gritzmaker and family of East Lansing, Mr. and Mrs. Calvin Gritzmaker and family of Adrian, Allen Reister of Onsted and Mr. and Mrs. Wilson Sawyer of [illegible]lloway attended.

Mr. and Mrs. Roy Broasmer had Mrs. Broasmer's sister and family, Mr. and Mrs. James Waugh of Columbia City, Indiana as guests on Sunday.

Mr. and Mrs. Duane Fox on Christmas Day visited Mrs. Fox's mother, Mrs. Hattie Piotter of Deerfield also other members of the family including Mr. and Mrs. Ernest Piotter and family, Mr. and Mrs. Leland Piotter and family, Mrs. Doris Martolock and daughters, Mr. and Mrs. Mason McWilliams and family of Deerfield, Mr. and Mrs. John Martineous and children of Holloway, Mr. and Mrs. Kenneth Piotter and family and Mr. and Mrs. Jack Brunt and daughter of Adrian.

Christmas Day, Mr. and Mrs. Wilson Sawyer spent the day with Mr. and Mrs. John Gritzmaker and Allen Reister of Onsted.

Mr. and Mrs. Wilson Sawyer and her son Allen Reister of Onsted spent Christmas night with her daughter and husband, Mr. and Mrs. Wayne Allen and family of Adrian. They also called on Mrs. Sawyer's sister Mr. and Mrs. Milton Powell of Adrian.

Mr. and Mrs. Duane Fox visited her son and family, Mr. and Mrs. Jack Brunt on Saturday evening.

Mrs. Ida Grandstaff visited her granddaughter, Mr. and Mrs. Carlyle Kehoe of Birdsall, on Christmas Eve and stayed until Christmas Day.

Miss Edith Haviland spent Christmas with Dr. and Mrs. Linn Zook and family in Lima, Ohio.

Wallace Kinney spent Christmas with his brother, Forrest Kinney of Adrian.

Mr. and Mrs. John Williamson and son Michael and daughter Susie of Manistee arrived at their parents, Mr. and Mrs. Wilson Sawyer home on Sunday and had a pre-Christmas dinner. The family stayed until Monday noon. Other guests on Sunday night were Mr. and Mrs. John Gritzmaker and Allen Reister of Onsted.

Mr. and Mrs. Wilson Sawyer spent Christmas Eve with her son, Mr. and Mrs. Rolland Reister and family of Evans Lake. Other guests were Mr. and Mrs. Arnold Reister and family of Morenci and Allen Reister of Onsted.

Mrs. Grace Rainey, Mrs. Winifred Rainey of Birmingham, Mr. and Mrs. Rolston Colzert and son Jack of Walls Lake, Mr. and Mrs. Robert German and family and Mr. and Mrs. Wm. German and children were Christmas dinner guests of Mr. and Mrs. Walter German.

Mr. and Mrs. Elwyn Green and sons were guests Christmas Eve of Mr. and Mrs. Roger Gillespie of Macon.

Mr. and Mrs. Elwyn Green entertained on Christmas Day, Mr. and Mrs. Joe Glenn and family of Wayne, Mr. and Mrs. Paul Kopka and sons of Sand Creek, Mr. and Mrs. Fred Kopka and family of Adrian, Mr. and Mrs. Bert Kopka and Mrs. Mary Killion of Tecumseh and Mr. and Mrs. Kenneth Kopka of Holloway.

Mr. and Mrs. Max Minnich spent Sunday with his folks, Mr. and Mrs. Melvin Minnich of Bowling Green, Ohio.

James Lunn is home for his holiday vacation from the University of Michigan. He is the son of Mr. and Mrs. Matt Lunn.

Mr. and Mrs. Carmon Murphy had as Christmas dinner guests, Mr. and Mrs. Harry Dove and daughter of Coldwater, David Chaffin of Paoli, Indiana, and Thelma Chaffin of Ann Arbor.

Mr. and Mrs. Charles Koman had his parents, Mr. and Mrs. Charles Koman Sr. of Van Dyke and his sister Mr. and Mrs. Frank Buchta and children of Milan as guests for Christmas dinner in the Koman home in Holloway.

Mr. and Mrs. Allen Cutler and family and her parents, Mr. and Mrs. John Marine were Christmas dinner guests of Mrs. Cutler's brother and family, Mr. and Mrs. Robert Kapnick of Blissfield.

Mr. and Mrs. Matt Lunn and son Jim were Christmas dinner guests of their daughter and husband, Mr. and Mrs. Max Minnich.

Last Friday evening, the Raisin Cane 4-H Club was Christmas caroling in Kelly and Centennial Districts. They met at the Kelly School. Mrs. Osburn was in charge.

The Raisin Cane 4-H Club met at Mrs. Wm. Osburn's home Friday Dec. 28th, at 7:30 p.m. There was a Christmas party for the members and a gift exchange. Each member brought his or her favorite Christmas cookies.

Mrs. Harry Reidy inivited some of the older youngsters to help her spread Christmas Cheer throughout the Holloway area on Monday evening by singing Christmas carols. Later in the evening Mrs. Reidy treated the youngfolks with cookies and chocolate milk.

Sunday Dec. 30th, Mr. and Mrs. Harry Bliss of Columbus, Ohio and Mr. and Mrs. Glenn Bliss of Toledo attended services at the Raisin Center Church and greeted friends of former years.

Saturday Dec. 22, Miss Edith Haviland attended the wedding of Miss Emily Anne Mosher and Mr. Wm. Pfifer. Saturday she visited at the home of the brides mother, Mrs. Margaret Mosher of Cardington, Ohio. The bride's father, the late Harlan Mosher, was pastor of the Raisin Center Friends Church from 1928 to 1935.

On the evening of Dec. 22nd, a group of young people, accompanied by Rev. Lowell Shreve, sang carols to shut-ins and distributed The Bethlehem News, a Christmas newspaper, to each family in the community. Later they returned to the church for refreshments prepared by Mrs. Shreve.

Mrs. Dick Mitchell, on behalf of the community, presented to the Rev. and Mrs. Shreve the gift of a ninety-nine piece set of China dinnerware.

The Raisin Center Friends Church had the Sunday School program on Sunday evening. The little folks were fascinated by the mike of the public address system. They delighted the audience with their recitations. The second part of the program was a pageant, "The Bells Ring Out". Music for the pageant was given by the Junior Choir directed by Mr. Shreve.

Mrs. Dick Mitchell entertained the Young People's Class at her home on South Raisin Center Highway.

The Christmas meeting of the Missionary Society was held at the home of Miss Edith Haviland. Each member brought a gift for the "Rescue Home" in Columbus, Ohio.

For the regular prayer meeting of the Raisin Center Friends Church for the week preceding Christmas, the pastor Rev. Shreve substituted the second annual Christmas Meditation Service presenting the Christmas Message in recorded song and story co-ordinated with film strip scenes of the Nativity.

Mrs. Ray Bryan, superintendent of the Cradle Roll of Raisin Center Friends Church, entertained in her home thirty members of the nursery and beginners classes accompanied by several mothers including Miss Vevia Dawson, teacher of the nursery and Mrs. Welcome Morton, teacher of the beginners class. The refreshment table was centered with a large circle of cooky snow-men and each place was marked with a gumdrop Christmas tree. The little folks had ice cream cups and Christmas cookies. Mrs. Lowell Shreve read a Christmas story and each child received a gift.

In the Sunday School room of Raisin Center Friends Church, Mrs. Forrest Kinney entertained the junior class, and Miss Carolyn Morton, the primary class. Games were played and refreshments served as well as a gift exchange.

Marlene and Alice Neuman and Juanita Mills spent Thursday evening with Delight Bandy of Deerfield. It was a pajama party.

Mr. and Mrs. Lawrence Lawson and son Calvin entertained at a Christmas dinner their children, Mr. and Mrs. Carl Tiede and family of Britton, Mr. and Mrs. Harold Righter and Mr. and Mrs. James Lawson of Tecumseh.

The South Holloway Extension Club will meet wi[illegible] Claren Bates Friday Jan. 11th, at 12:30 p.m.

Mr. and Mrs. LaVern Munsion and family were Christmas dinner guests of Mr. and Mrs. Donald Ries of Britton as well as Mrs. Sally Lair and Mrs. Jacklyn Hume of Adrian.

Main St. Extension Club will meet on Thursday January 10th, at 7 p.m. with Mrs. Earl Bennington. The lesson is on Copper Tooling.

Mrs. James Mitchell attended her aunts funeral, Mrs. Ella Pentlow of Adrian, at Everiss Funeral Home on Thursday afternoon. Mrs. Hugh Mitchell also attended.

On Christmas Day, Mr. and Mrs. James Mitchell had dinner for their daughter and family, Mr. and Mrs. Jim Derby and children of Addison, and also Mrs. Anna Eccles.

Gene Morton spent two days with Bill Mitchell.

Mr. and Mrs. Don Jaqua were guests on Christmas Day of Mr. and Mrs. J. D. Jaqua Jr. and family of La Salle, Michigan.

New Strawberry Varieties Being Tested

Three promising new strawberry varieties have been announced by the U.S. Department of Agriculture. They are Redglow, Earlidawn, and Surecrop.

Although tested in several states, they have not been grown as far north as Michigan.

Earlidawn is the earliest, ripening about five days sooner than Premier. Berries are large, but the plants are not resistant to red stele root rot. This variety rates high for the frozen package trade, and produced well in Ohio.

Surecrop is resistant to the common race of red stele and to two other races. It ripens in mid season, along with Fairland, and is suitable for frozen pack.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY

MAUDE WILSON, and GEORGE HARVEY LEWIS, a Widower, Individually and as Executor of the Estate of Hattie A. Kemp, Deceased,
Plaintiffs.
vs. ORDER OF APPEARANCE
AUSTIN E. WING, MARY DIBBLE, WILLIAM H. BURRELL, FRED W. BURRELL and BESSIE K. BURRELL, his wife, F. B. WOOD, FREDERICK B. WOOD, and FLORENCE DOVE, and/or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of December, A.D. 1956.

Present: The Honorable Rex. B. Martin, Circuit Judge.

In this cause, it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said Defendants and each of them reside, if li[illegible] it appearing to the satisfaction [illegible]his Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ORDERED that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ORDERED that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

/S/ REX B. MARTIN
Circuit Judge

Countersigned:
Patricia J. Johnston, Clerk

WILLIAM H. EVERY

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for Said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 18th day of December in the year one thousand nine hundred and fifty-six.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of WILLIAM H. EVERY, deceased.

On reading and filing the petition of Harold H. Every, administrator with the will annexed upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper,

It is ordered, That Monday, the 14th day of January next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing, and notice thereof given as required by law.

L. B. KUNEY, Judge of Probate.

Editor's Corner . . .

By Phil Belleville

Quite often, especially at election time, you will hear the Republican and Democrat Parties discussed as if they were opposite ends on the continuum of governmental philosophy. Needless to say, this is not so. In fact, the United States is one of the few countries in the world where nearly the entire populace shares a very similar governmental pholosophy. There are many differences in individual beliefs but few in general governmental principles.

This is not so in countries such as France and Italy. Both of these countries are divided into party groups of radically different philosophies. At the end of the multiparty systems are Monarchical groups that would hope to approach a system of serfdom. At the other extreme are groups that strive for Marxian Communism. (Paradoxically, even though these schemes may be opposites in theory, in practice they are almost the same). No stable government is possible in these places because more than one of these groups with different philosophies must join forces to gain a ruling majority. After a period of time (usually a short one) these groups find that their differences are too great and the ruling coalition breaks up. Thus there is a continual succession of weak coalition governments that must devote most of their time to keeping the coalition in tact rather than providing adequate government. The amount of common ground between any combination of the groups is too small to bring a permanent stable government.

We have quite a different set of facts in existence in the United States. I think that you could safely say that there are more differences in philosophy between members on the extreme side of each of our two great political parties than there are between the average Republican and the average Democrat. Some Republicans are better Democrats in belief that the average Democrat is and vice versa. This common philosophy is one of the main factors contributing to our extremely stable government. One party gains the nod from the voters and exercises its rule until the next election. The party not in power serves as a watchdog over the party in power with the sanction of gaining the nod at the next election if the people are not satisfied. Each of the two major parties can gather enough votes without combining with other groups. Indeed, even if they did have to combine, it would make little difference since there would be a lot of common ground to stand on. In this country, parties other than the two major ones serve only to modify the majority

(Continued on Page 3)

City Council OK'd Appointments At Meeting Mon.

The Tecumseh City Council held their regular semi-monthly meeting Monday evening in the Council Chambers. A resolution was passed as the first order of business whereby the Council will ask Federal legislators to pass legislation giving municipal governments the right to purchase surplus equipment and thus save the taxpayers money.

The next order of business was the approval of an agreement with the railroad to have the right-of-way to put a water main under the tracks.

Councilman Hal Kelso on behalf of the Council, read a resolution and memorial to the late Frank K. Smith expressing sympathy to to the family for their loss and expressing the great loss to the community.

A motion was made and approved to reappoint Fred Dickinson as

(Continued on Page 3)

Police Report For Month Of Dec.

The Police report for the City of Tecumseh for the month of December has been released by city officials.

Officers investigated fifteen accidents in the last month of 1956. Forty-three complaints were received and acted upon. Meter violations for the month totaled eighteen. Officers made fifteen arrests in December. Officers made five liquor inspections in the month.

Money received during the month of December was $489.20 from fines and costs, .50c from meter violations and $443.00 from meter collections for a total of $932.70.

Great Citizen Lost

FRANK K. SMITH

Frank K. Smith, Exec. Vice President of Tecumseh Products Co. and one of the pioneers in the Refrigeration industry died at 9:30 P.M. January 2, 1957 in St. Anthony Hospital in St. Petersburg, Florida. The cause of death was a lung cancer.

Funeral services were conducted at 2:00 p.m. Monday, January 7, 1957 at the Presbyterian Church, Tecumseh, Michigan. The last rites were conducted by the Rev. George E. Walworth, pastor of the Church. Burial was in Brookside cemetery. Tecumseh business establishments closed from 2:00 until 3:00 Monday.

The family requested that any memorials to Mr. Smith be in the form of donations to the American Cancer Society, marked for Lung Cancer Research in memory of Mr. F. K. Smith. The memorials may be directed to P. O. Box 1000 Tecumseh, Michigan.

Mr. Smith is survived by his widow, Mrs. Edith B. Smith, nee Baker, a son G. Kirk, a daughter Jane of Tecumseh, and a brother James A. Smith, of Lyons, N. Y.

Mr. Smith was born in Colliers, W. Va. on July 3, 1905, a son of George B. and Anna K. Smith.

His business life was almost entirely connected with the rapid development of the refrigeration industry. To this industry, he contributed liberally of his talents as an engineer and an organizer. His great ability to make friends and adaptibility to team work made him one of the outstanding figures in the industry, respected by associates, competitors and customers alike. His service to the industry included membership on the Board of Directors of The Refrigeration Equipment Manufacturers Association, Chairmanship of the Compressor Section of that Association, Chairmanship of the Joint Refrigeration Industry Committee and many other committee posts.

Mr. Smith's refrigeration experience started with the Nizer Corporation of Detroit, Michigan in 1923. He remained with this company, which was later merged with Kelvinator Corporation, until 1928. During 1930 and 1931, he was connected with the Russ Soda Fountain Company of Cleveland, Ohio.

In 1932, he took the design of the first single cylinder Tecumseh compressor to Mr. Ray W .Herrick in Hillsdale, Michigan. This compressor was produced by the Hillsdale Machine and Tool Company. In 1934, the company moved to Tecumseh, Michigan and was reincorporated as the Tecumseh Products Company. He, together with Mr. C. M. Brown and Mr. J. K. Touborg formed the Refrigeration Sales and Engineering Company, a corporation associated with Tecumseh Products Company. This close association of Messrs. Smith, Brown and Touborg, in association with Mr. R. W. Herrick, Chairman of the Board of Tecumseh Products Company, continued to his death and was largely responsible for the great contribution of that company, to the advance of the refrigeration art.

Mr. Smith was a member of the American Society of Refrigerating Engineers, Tecumseh Lodge No. 69 F. & A. M., Tecumseh Chapter No. 42 R. A. M., Adrian Commandery No. 4 KT and Moslem Shrine AAONMS. His principle hobbies were golfing, hunting and fishing, in all of which he was very proficient. He held membership in The Tecumseh Country Club, The Lenawee Country Club and the Pasadena Golf Club of St. Petersburg, Florida. Frank Smith served as president of the Herrick Memorial Hospital Board for several years and was a Trustee of the Presbyterian Church.

Mr. Smith was known to his many friends as a keen competitor and a great sportsman. This same spirit of good sportsmanship and keen competition, he exhibited in field and stream, he carried into his business and social life. It earned for him the deep affection of all who knew him.

Pall bearers were: C. M. Brown, Jens Touborg, M. R. Blanden, M.D., Robert H. Moore, C. O. Butler, Leo Bishop, Ray Herrick, Ned Baldwin.

Honorary Bearers were: E. C. Boss, Joe Rohweder, Paul Eddy, Clarence Gilman, Paul Breitenwischer, Dale Bowen, Frank G. Purcell, Robert H. Hanna, Virgil Tucker, P. G. Colgrove, H. M. Kelso, H. H. Hanna, C. F. Sage, Hugh Andrews, Richard A. Preston, James R. Elliott, Orville Farver, Frank Rice, Willis G. Porter, L. W. Larson, V. C. Knight, Addison, Howard White, Adrian, G. F. Foresteofel, Adrian, R. T. Smith, Adrian, Art Boyea, Dearborn, Von Wilkinson, Dearborn, Marc A. Schantz, Chicago, G. I. Boone, New York, Carl Deuchler, Lyons, N. Y., Marvin Tallman, Lyons, N. Y., K. M. Newcum Harmony, Pa., E. E. Eagan, Detroit, Mich., George Taubeneck, Detroit, Mich., J. A. McLaren, Los Angeles, J. E. Parker, Atlanta, Clyde Giltner, St. Petersburg, Preston Durbrow, St. Petersburg, Fred M. Fischer, St. Petersburg.

Community Chorus Plans Spring Music Concert

Director Les Bennett announces that the Adult Education Community Chorus held its first rehearsal last Monday evening, January 7. The interest shown thus far has been encouraging and classes will continue each Monday evening from 7-9 p.m. in room 6 of the High School.

Registration in the group is still open. All those who wish to sing are welcome. The group is planning a spring concert of choral music by composers of many periods ranging from Palestrina to Randall Thompson and other contemporary writers. Both sacred and secular music will be done.

January Clearance Sales Announced In The Herald

Several January Clearance sales are being announced in this week's Herald, namely Cal's Tog Shop, Rosacrans Store, Western Auto, Lad and Lassie Shop, Gambles, and the G. L. Gripton Hardware at Britton.

Be sure to read these ads and take advantage of the money saving items that are being offered. Of course, there are other advertisments in this issue and every issue of the Herald that will pay you well if you make it a habit to read them and then shop and save.

Tecumseh Senior Is Finalist For Scholarship

Charles Foreman, a Senior at Tecumseh High School has been named a finalist in the National Merit Scholarship competition, according to High School Principal Mr. Neville Hart. The local student is among the 7500 highest scorers on a nation-wide college aptitude examination given to 162,000 seniors in 12,500 high schools on October 24, 1956.

The finalist now face a stiff 3-hour College Board examination on January 12, plus intensive screening of their leadership and extra-curricular records by a selective board.

At stake are more than 700 four year college scholarships, many of them sponsored by business and industrial corporations. Included are 100 Sears-Roebuck Foundation Merit Scholarships and nation-wide programs sponsored by such companies and foundations as Pittsburgh Plate Glass, F. W. Woolworth, Standard Oil (Indiana), International Nickel, and many others.

Industrial Employment At Least 4165 People

The Tecumseh Herald did a rough survey this week or industrial payrolls and average industrial employment in Tecumseh for the year 1956.

This study indicates an industrial payroll, not including retail and other wage paying institutions in Tecumseh such as schools, merchants, etc., of approximately $24,000,000. Industrial employment in Tecumseh totals an average of about 4165 people.

These figures are broken down as follows The Tecumseh Products Co. paid approximately $23,000,000 worth of payroll in 1956. Their average employment was 3,900 people.

Bruce Foundry paid approximately $250,000 worth of payroll to an average of 60 employees.

Quaker Oats Company paid $120,000 worth of payroll to an average of 35 employees.

The Ottawa Machine Products Company had a payroll of approximately $110,000 for an average of about 40 employees.

The Admiral Company paid approximately $35,000 to an average of 17 employees.

The Rumpf Truck Line paid approximately $320,000 to an average of 50 employees.

It is estimated that other industrial firms in town paid about $165,000 worth of payroll to about 65 employees.

New City Assessor

CALVIN ZORN

Calvin Zorn, Tecumseh's city engineer has been appointed city assessor by the City Manager with the approval of the Council. He was also appointed a member of the Board of Supervisors as of February 1. Mr. Zorn will be replacing Mr. John Saling, who has resigned.

Calvin came to Tecumseh in March of 1956, as city manager. Before coming to Tecumseh, he was employed by Bay City, Michigan as their civil engineer. Before working for Bay City he was employed by the Michigan State Highway Department and during his education at Michigan State University. He graduated from the State University in 1952 with a degree in civil engineering. He is an E.I.T. member of the Saginaw Valley Chapter of the National Society of Professional Engineers and the Chi Epsilon National Civil Engineering Honor Fraternity.

WE WANT YOUR NEWS

If you have any news, report it to the Herald and let us print it first. The more the better as far as we are concerned.

City Manager Reports On Months Activities

City Manager E. J. Nelson reported to the Council, Monday evening that he had been receiving complaints from the people in the southeast section of town, claiming that they are over run with rats. Mr. Nelson believes that the rats are coming from the city dump, thus he recommended that the Council approve hiring Arwell, Inc., for $450 per year to exterminate the rats. The Council gave its approval.

The Dunbars have drilled a well on the airport property. After test pumping, they got 375 gals. per minute with a 6 inch screen. They think at least 400 gals. per minute can be obtained with an 8 inch screen.

The sanitary sewer main to Tecumseh Acres has been completed. Water main has not been ordered as yet. Present plans are to wait until spring to install it.

Scouts To Put On Another Paper Drive Saturday

Paper, Paper, and More Paper. A booming business was enjoyed by members of Troop 4 Boy Scouts of America during their paper and scrap drive on Dec. 29, 1956. Many observers commented on what might have been a small hurricane but actually proved to be boys hurrying to and from Tecumseh homes with great armloads of paper.

Community acceptance of this project was tremendous and a great deal of paper and scrap metal was collected. In fact the amount of paper was so great that time would not allow coverage of the entire city in one day. Not wishing to leave the job unfinish-

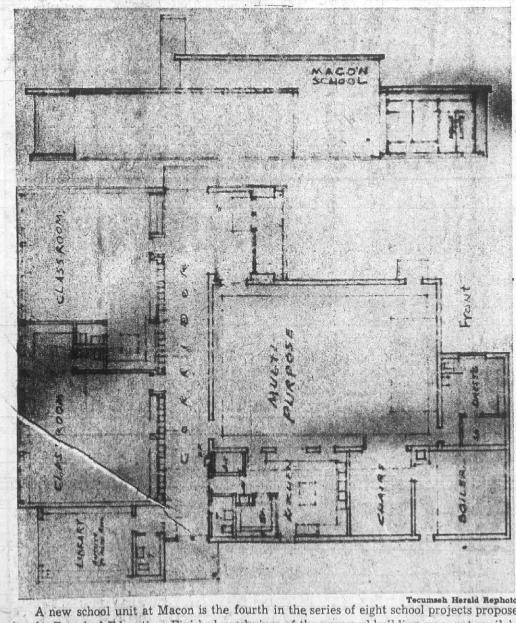
Board Proposes New Unit



Tecumseh Herald Rephoto

A new school unit at Macon is the fourth in the series of eight school projects proposed by the Board of Education. Finished renderings of the proposed building were not available this week, however sketches are shown above of the floor plan and the building front. The finished renderings of the unit will appear in the Herald at a later date.

Superintendent of Tecumseh Public Schools, James McDowell says, "Since there is already a two-room school in Macon which has been well kept and is suitable for the type of educational program being used throughout the entire system, the Board is proposing a new unit to augment the present school."

"The proposed unit consists of two additional class rooms, an all-purpose room with hot lunch kitchen table, stage, and chair storage, a shower room with basket storage, a library, and boiler-room. The classrooms will have self-contained toilet facilities and the new L-shape which provided an additional area for individual instruction and small group work. The plan calls for brick facing with aluminum windows and frames as in the other projects."

"If constructed, the building will set on the west portion of the present lot so that when additions are needed they may run to the east. The predicted enrollments for the Macon area by the fall of 1958, when the building might be completed, indicate that there will be enough first grade children to warrant a separate room, second grade children a separate room, and 3rd and 4th and 5th and 6th combination rooms. There will be no kindergarten at Macon because such rooms are very expensive to build and are operated on half-day sessions with different groups. A kindergarten serves approximately 60 pupils per day, there will be only about 18 such children in the Macon area by 1958. Since there will not be enough kindergarten children to fill a kindergarten room by 1958 for even a half day, kindergerten children will be picked up by a special bus and taken to Ridgeway."

Aliens Must Report

All Aliens must report their addresses during January of every year. Applications are available at the Tecumseh Post Office. Reports must be made before January 31.

WHY WAIT AROUND

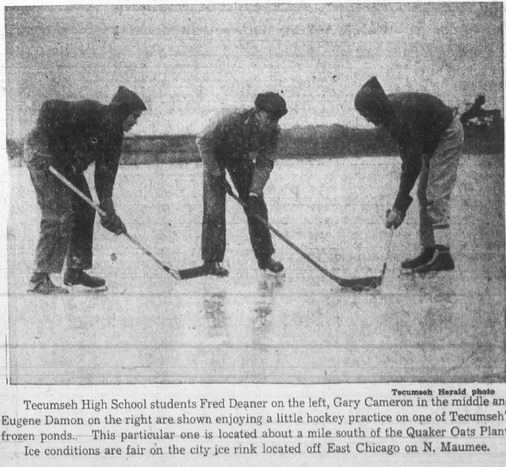
Why wait around for a buyer when a display or classified ad in the Tecumseh Herald will bring fast results. No other medium can compare.

Square Dance Jamboree Wednesday, January 23

Plans are completed for the Square Dance Jamboree to be held Wednesday, January 23 at the Union Hall, Tecumseh, from 8 to 12 o'clock.

The dance will be sponsored by the Kiwanis Club and the proceeds will go for underprivileged children. Tickets are on sale by all Kiwanis club members. There will be eight callers at the dance. Alex Rice and His Ranch Boys from Dundee will furnish the music.

Ice Skating Occupies Local Youth



Tecumseh Herald photo

Tecumseh High School students Fred Deaner on the left, Gary Cameron in the middle and Eugene Damon on the right are shown enjoying a little hockey practice on one of Tecumseh's frozen ponds. This particular one is located about a mile south of the Quaker Oats Plant. Ice conditions are fair on the city ice rink located off East Chicago on N. Maumee.

Parents Announce Engagement

JOAN ELIZABETH BREITENWISCHER

Mr. and Mrs. Paul J. Breitenwischer announce the engagement of their daughter, Joann Elizabeth, to Russell Warren Grohnke, son of Mr. and Mrs. Frank Grohnke of Gilbert Road, Toledo, Ohio.

Miss Breitenwischer is a graduate of Barry College in Miami, Florida, and Mr. Grohnke is a graduate of the University of Toledo Civil Engineering. An October wedding is being planned.

Festival Of Faith To Be Held Jan. 17

The Presbyterian Church women are holding a Festival of Faith Jan. 17 beginning at 10 a.m. Every woman who reads this notice is invited to join with the local Presbyterian women in a day spent in meditation, prayer and fellowship. The morning program will include vocal solos, scriptural readings and a noon luncheon. In the afternoon the program committee will present Mrs. Maude Pino, a very well known speaker in Michigan and president of the Detroit Y.W.C.A. She is also a member of the Board of Christian Education in the Presbyterian Church. The afternoon will be brought to a close with a tea at which time the teachers will have an opportunity to meet and hear Mrs. Pino.

The usual Fall Festival was not held this year. Instead it is the hope of the Women's Association that all the members will contribute as generously as they always have before in time and donations.

Daughters Of St. Peters Officers Were Installed

Mrs. O. W. Laidlaw installed the following officers at the meeting of the Daughters of St. Peters Church last Tuesday, which was held at the home of Mrs. Cecile Smith, president, Mrs. A. H. Brown; vice presidents, Mrs. Jack Smith and Mrs. Cecile Smith; chaplain, Mrs. W. E. Bly; secretary, Mrs. Lynn Hubbard and treasurer, Mrs. Anna Haughn.

The president appointed the following committees: Program, Mrs. Jack Smith, Mrs. O. W. Laidlaw and Mrs. Harry Schuch; courtesy, Mrs. A. C. Hamacker, and Mrs. Sidney Wilson.

The next meeting will be Jan. 22 at which time an auction will be held for the Polio Fund. Refreshments were served to the fifly Saturday night dances will be teen members present by the hos-

Mrs. J. Rice Hostess To D.A.R. Chapter

The members of the local Abi Evans Chapter of the D. A. R. were guests of Mrs. Joseph Rice last Thursday evening when she entertained the officers of the State Board at St. Peter's parish house. The honored guests were Mrs. Clarence Wacker of Birmingham, state regent of the Daughters of the American Revolution and the members of the board which included Mrs. Roy V. Barnes of Royal Oak, vice regent; Mrs. Harold E. Doyle of Detroit, chaplain; Mrs. Clarence W. Farrell of Dearborn, recording secretary; Mrs. LeRoy M. Hooper of Birmingham, corresponding secretary; Mrs. Robert Willoughby of Plymouth, treasurer; Mrs. Clare E. Wiedleq of Sturgis, historian; Miss Royena M. Hornbeck of Kalamazoo, librarian; Mrs. Robert O. Artner of Grosse Pointe Park and Mrs. Harold W. Stark of Ann Arbor, state directors. Mrs. Rice is state registrar. Mr. Rice entertained the assembly with the colored movies of their recent trip to Europe, and refreshments were served. Guests from Adrian were Mrs. Hughes and Mrs. David Wittwer.

Friday the Abi Evans Chapter of the D. A. R. entertained the State officers at a luncheon in the Parish House. After the luncheon Mrs. Wacker gave a resume of her work as regent and told of the various D. A. R. projects. The local chapter then presented Mrs. Wacker with a sizeable check to go toward the State regents project for the year, which is the enlargement of what is known as the "Michigan Laundry" in the Tomassee D. A. R. School in Tomassee, South Carolina. The laundry was orginally built by the Michigan D. A. R. and now since the school has an enrollment of over 500 underprivileged children, it is necessary to enlarge the laundry. The organization owns and operates two schools in the southern mountain states for the underprivileged, and contribute to twelve other schools there.

The business meeting of the State Board was held Friday morning at the Rice home where breakfast was served by Mrs. Rice.

o

O. E. S. Members Honored Jan. 3

Members of the Order of the Eastern Star who are serving as first and second star points of the local chapter were honored and presented with gifts from the chapter Thursday evening Jan. 3. Mrs. Leon F. Rosacrans, Mrs. Fred Sheldon, Mrs. Louis S. Schneider, Mrs. James Barton, Mrs. Kenton Hunt, Mrs. Ralph Westgate, Mrs. Donald LaBounty, Mrs. Stanley Miller, Mrs. Owen Partridge and Mrs. Melvin Smith were the Adahs honored, and the Ruths were Mrs. E. Lavern Russell, Mrs. C. A. Barber, Mrs. Edward Beal, Mrs. Barton, Mrs. Clifford Deaner, Mrs. George McCombs, and Mrs. Gibbs Barber. The histories of Ruth and Adah were read and the histories of both the signs and colors before the singing of the songs to both, by Mrs. Thomas Gallant.

Mrs. Lovina Hall of Samaria, grand comitteewoman, was a guest and was presented with a gift from the chapter. Refreshments were served by Mr. and Mrs. Leon Rosacrans, and comittee. A special meeting for initiation will be held Jan. 24.

Delegates to the emergency session in Grand Rapids Jan. 15 and 16 will be the worthy matron, Mrs. Ralph Westgate, Mrs. Melvin Smith and Mrs. Donald LaBounty.

A Fall Wedding

DONNA B. SPANGLER

Mr. and Mrs. Grenval Spangler of Tecumseh are announcing the engagement of their daughter, Donna B. Spangler, to Richard M. Bruce, son of Mr. and Mrs. Richard E. Bruce of Britton, Michigan. A fall wedding is being planned.

o

Polio Drive Main Concern at V. F.W. Aux. Meeting

The Polio Drive was the main concern of the members of the Hall-Slater Post No. 4177 Auxiliary of the V. F. W. at their regular meeting Jan. 2, at the Post Home. Mrs. George Downard and Mrs. Richard Eisenmenger will be cochairmen for a Polio Bake sale to be held in Linger's Market Saturday, Jan. 19, at 10 a.m. All bake goods are to be there at 9 a.m. The Mother's March on Polio workers will meet at the V. F. W. hall Jan. 31, and coffee will be served after the march has been completed. Mrs. Eisenmenger and Mrs. Lloyd Stites, auxiliary president, gave reports on the Polio meeting held in the Legion Home Dec. 12.

It was announced that the next District meeting will be held at Maybee, Mich. Jan. 20 at 2 p.m. when the official Dept. President will be a visitor. The annual Past Commanders and Past Presidents banquet will be held Feb. 2.

The members voted to give $5.00 to the Freedom Fighters of Hungary. Refreshments were served by Mrs. Harold Warren, Mrs. Roy Beasley, and Mrs. Joe Kellogg. It was also reported that 2 families had been sent Christmas baskets.

o

ENGAGEMENT ANNOUNCED

The announcement has been made of the engagement of Joyce E. Shafer, daughter of Mr. and Mrs. Joseph Shafer of 10700 Macon Highway, Tecumseh, to Gerald Schultz, son of Mr. and Mrs. Walter Schultz of Milan. A spring wedding is being planned.

o

Citizens Club Held Discussion

The Junior American Citizens Club of Patterson School, meeting was called to order by the president, David Dustin. Prayer by everyone was followed by the singing of the Star Spangled Banner led by Gene Manwaring. The members voted for dues of 2c to be paid at each meeting. The roll call was taken by the secretary, Barbara Colgrove. The rest of the meeting was spent in discussing activities for the year.

Exchange Club Saw Arms Demonstration

The Tecumseh Exchange Club met Wednesday evening in the Eagles Hall. The Exchange Club convention will be held January 19. Local delegates attending will be president Wallace Whiting, Ellsworth Collins, Al Taylor and others.

State Police Lieutenant, Lester Cpykendall, from the Rockford post gave a fine talk and demonstration on "The Use and Misuse of Firearms." He said that gun accidents could be eliminated if the gun were treated as if it were always loaded. His demonstrations emphasized safety and included such expert shooting as splitting a playing card endwise with a 22 cal. pistol from 15 feet or more. He used several pistols and a Thompson sub machine gun in his demonstrations.

A Board of Control meeting was held Monday at the home of president Whiting. The projects committee also met at this time.

o

West Side P.T.A. To Hear Music Program Tonight

There will be a music program tonight at 8:30 in the High School Gymnasium at the regular meeting of the West Side P.T.A.

It is composed of children from the West Side P.T.A. under the direction of music supervisor, Les Bennett. The children are from Lamkin, Paragon, Grubb, Lanning, Colvin, Tipton and Pink Schools. The song and dance program will last from 45 minutes to an hour.

o

Holiday Activity Reports Made At Legion Meeting

The regular monthly meeting of the American Legion Underwood-Orr Post No. 34 was held last Thursday evening. Reports were heard from Louis Schneider and others on holiday activities.

The children's Christmas party was enjoyed by some 130 children and the New Years Eve Party was also well attended.

It was announced that the weekly Saturday night dances will be discontinued in favor of monthly benefit dances for Post projects such as Jr. baseball, polo, etc. Refreshments were served.

o

Presb. Circle 7 Met Jan. 7

Circle 7 of the Presbyterian Church met January 7 at the home of Mrs. Bobbie Robison with Mrs E. J. Nelson, and Mrs. Ivah Marsh assisting. Mrs. LeRoy Titley presided at the business meeting, and devotions were conducted by Mrs. Harold Kempf. Mrs. E. J. Aebersold resigned as vice-president and Mrs. Wilbur Boyce was appointed to fill the vacancy. An announcement was made about the Festival of Faith to be held Jan. 17 at the church.

o

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Michael Papp of Route 2 Tecumseh have announced the engagement of their daughter, Margie B. Papp, to Dale M. Monagin, the son of Mrs. Katherine Monagin of 211 N. Maiden Lane.

All Scouts Family Night Held Sat.

Britton's annual All Scouts Family night was held last Saturday evening in the Britton High School. The family enjoyed a potluck supper. The program opened with the posting of the colors. Each unit was represented with their flag. The allegiance to the flag was led by scoutmaster Lester Ruhl.

A special part of the program was an Indian Dance put on by the scouts of troop 44, Brest, Mich., under the direction of their leaders, Mr. Aichler and Mr. Al Stewert.

The charter presentations were with the assistance of Mr. Jim Lowe and Mr. Eli Dickerson, members of the Wolverine Council. The charters were accepted by the sponsors of the units. The scouts were awarded their registration cards, year pins, den chief pins and merit badges. Gerald Rohra, troop 23, was awarded his merit badges and his Star Badge, making him the highest ranked member of the troop. Jack Barnoske was welcomed to the troop by the scoutmaster, as a Webelow scout. The program was brought to a close by the scouts repeating the Scoutmaster's Benediction.

The program was under the direction of scoutmaster Lester Ruhl, cubmaster John Slick and Explorer Advisor Fred Barnoske Sr.

o

4 Troops Of Girl Scouts Held Party

Four troops of Senior Girl Scouts and their leaders held a cooperative party at the Scout Cabin in December. The first hour was spent in a Yule Log Hunt which is a Swiss custom. Following the supper the scouts packed home-made cookies, then went carolling and distributing the cookies to shut-ins. The leaders of the Senior Scouts are Mrs. Julius Vincz, Mrs. John Cameron, Mrs. Victor Lawson, and Mrs. T. Rentschler.

o

W. C. T. U. Met Tuesday At Mrs. E. Hayden's

The W. C. T. U. met Tuesday at the home of Mrs. Elizabeth Hayden with 13 members and one guest present. The meeting opened with assembly singing "Dare to be True", and devotions were led by Mrs. Emma Day. The program was in charge of Mrs. Jennie Temple and the theme was "Alcohol in the Home and College". Mrs. Wilfred Waldron is to procure a film to be shown in the school.

The next meeting will be held Feb. 12 at the home of Mrs. Anna Morse. After the meeting, refreshments were served by the hostesses.

Engagement Is Announced

LINDA ANN SISSON

Mr. and Mrs. Llewelyn Sisson are announcing the engagement of their daughter, Linda Ann, to Robert Martin, son of Mr. and Mrs. Clair Martin of Tecumseh. The date has not been set for the wedding.

LOCALS

Mr. and Mrs. Clarence Beach are spending the remainder of the winter at Bradenton, Florida.

A News Years Eve Party was enjoyed in the home of Mr. and Mrs. Erwin Buss. The guests were Mr. and Mrs. John Miller and family of Pleasant Lake, Mr. and Mrs. Lawrence Kemner and family, and Mr. and Mrs. George Buss and family all of Manchester. Cards were the diversion of the evening, and refreshments were served. Mr. and Mrs. Buss also entertained guests for dinner on News Years Day. They were Mr. and Mrs. Edwin Horning and family, Phillip Berris, Mr. and Mrs. Harold Eiseman and daughter Helen Eiseman all of Chelsea, and Mr. and Mrs. Luther Wood.

EDITOR'S CORNER

(Continued from Page 1)

opinion somewhat toward the minority opinion. This is possible because each of the main parties complete for the vote of the splinter and grievance parties and eventually absorbs them. New groups always arise however.

Sometimes, as at the present, one branch of our government is in the hands of one party and another in the hands of the other party. It is evident however that, in this country, the quality of the government in these cases is not appreciably imparred. This is because of the great amount of common ground between them. (It goes without saying however that government is slightly more responsible even in the United States when one party controls both the Executive and the Legislative branches.)

We are truly fortunate to have such a stable system based on a common ideology. This is one of our greatest defences against Communism or any other form of dictatorial government. Weak multiparty systems are open invitations for the leadership of a Hitler or Napoleon or a Stalin.

Wrestling Team Has Match Here Friday Night

The Tecumseh High School wrestling team has scheduled a match here Friday night with the Ann Arbor St. Thomas team.

The match will be held at 7:30 p.m. at Patterson Gymnasium. There will be no admission charged. Printed explanations describing scoring rules etc. will be distributed to the spectators.

Rat Extermination Being Carried Out

City Manager Edward Nelson advises that a rat extermination process is being carried out by the City at the City Dump. There will be poison bait placed at the point where garbage is dumped, so people with dogs and cats running loose are asked to keep them tied up. The City would not like to have any animals poisoned while this work is being done.

Scrap Drive To Be Saturday

(Continued from Page 1)

ed members of Tecumseh's oldest Boy Scout organization will once again descend upon the residential streets of the city Saturday, Jan. 12 with a true demonstration of scouting in action. Numerous small trucks have been offered by local business men and arrangements for adult drivers are being completed by Scoutmaster, John Twiss. Residents who have paper for the Scouts, but are planning to be away Saturday may leave it in some visible spot and it will be collected.

Cars Collided On Chicago Blvd. January 4

Three cars collided on W. Chicago Blvd., January 4 when cars driven by Clyde Cook, Tecumseh, Paul Hamilton, Britton and Clifford Cordon, Pittsford were involved in an accident. Paul Hamilton received a sumons for failure to yield the right-of-way.

John Ross of West Logan Street was arrested for being drunk and disorderly. He was fined $15.00 and $8.60 costs or 30 days in jail.

Joseph Kish, Ridgeway was ticketed for driving 52 miles per hour in a 35 mile zone. He will appear before Justice Robert French.

Rotary Club Heard Bill Roberts Talk On Skid Row

There was a good crowd at the Tuesday night meeting of the Rotary Club. The usual fine dinner served by the ladies of the Methodist Church, was enjoyed.

President James McDowell presided at the meeting. Program chairman for the evening, Mel Partridge who introduced Captain Bill Roberts of the Salvation Army, Detroit, a member of the Plymouth Rotary Club and a past president, who was the speaker of the evening.

His work in Detroit is with the people of Skid Row and the slums of that city. He blamed alcohol largely for the condition of these people. He stated that 65 million of the people in this country drink alcohol, of this number 6 per cent are alcoholics. He stressed that 90 per cent of all crimes committed in the United States are committed by people who drink or have been drinking.

Captain Roberts further stated that people who come to skid row, come from all steps of life, ex-lawyers, school teachers, business men, tool and die makers, etc. He said that at Harbor Light Center in Detroit, they try to lift the man out of the gutter and then try to find out what is wrong with him. They hold evangelistic services every night throughout the year except Thanksgiving, with between 350 and 500 men present at each service. Many of the people who come to the Salvation Army are rehabiliated and are ready to go out into the world again.

Local Topics . . . .

Word has been received here by relatives that the home of Mr. and Mrs. James Murray in Malibu, California was not damaged though the fire came within three blocks of it. Mrs. Murray is the former Gerry Brown, and her parents, Mr. and Mrs. L. E. Brown were spending the holidays in the Murray home when the fire broke out in that area. Anxiety was high in the homes of relatives here as it was impossible to make communication because of road blocks and, telephone tie ups needed for caring for the victims, however all is well now and the Browns are enjoying their visit and are not expected home for a few more weeks.

The John D. McColl's and their guests, Sara and Rebecca Parent of Adrian have returned from a two week's tour of the southern states, Key West and Southern Florida where they spent the Christmas season.

Mr. and Mrs. E. H. McConnell have returned from a holiday visit with their son and family, Mr. and Mrs. Russell McConnell, in Eliot, Maine. Mr. McConnell was a guest of the Portsmouth Lodge, No. 1 F. & A. M. which is the oldest Masonic Lodge in continuous service in the United States. This lodge of Portsmouth is 224 years old, and during the meeting Mr. McConnell was escorted to the East, the chair used by George Washington more than 200 years ago was unveiled and "Ted" was allowed to sit in it. At the meeting he had the good fortune to meet the Commander of the Portsmouth Navy Yard, and spent the next day as the Commander's guest touring two atomic submarines that are in the yard.

Mr. and Mrs. Thomas King entertained his daughter, husband and family, Lieut. and Mrs. Jack Dunn and four children, Cheryl, Chris, Cynthia and Brian of Chicago, Illinois, as overnight guests last weekend.

Rev. and Mrs. Herbert Burch of Ypsilanti, Michigan, were guests in the home of his mother, Mrs. Carl Burch, Tuesday of this week.

Mr. and Mrs. Marcus Fisher of Lansing were overnight guests in the home of her mother, Mrs. Hoyt Whelan last Saturday evening when they came especially to attend John Deere Day here in Tecumseh. Dr. Lynn Hershey of Birmingham, a nephew of Mrs. Whelan also brought his farm manager over for the day.

Laura and Steve Dawson accompanied Mrs. Yale Kerby home from Yuba Ctiy, Calif., where she had been visiting the children's parents, Mr. and Mrs. Kenneth Dawson. The children have been confined to the Kerby home with chicken pox.

Mr. and Mrs. Ralph Westgate were in Maumee, Ohio, Sunday to visit her son, Jack Wilson.

After spending the holidays with her parents, Miss Sally Rentschler returned to Philadelphia by plane last Friday where she is a student at the Curtis Institute of Music and teacher in the Conservatory of Music in Wilmington, Delaware.

Luncheon guests in the home of Dr. and Mrs. T. Rentschler and Sally during the holidays were Associate Professor of Music and Mrs. Nelson Hauenstein of the University of Michigan. Patricia Nofsinger of Ann Arbor was a house guest of Sally's for several days.

Mr. and Mrs. Gus Wolters from Mankato, Minnesota are guests in the home of Mr. and Mrs. Louis Schnieder this week. They are both former residents of Tecumseh.

Tuesday Mrs. Schnieder was the guest of Mrs. Roswell Burr at the Womans Club Luncheon held in the Baptist Church in Adrian. Mrs. Burr is the president of the Club.

Mr. and Mrs. Donald Cobb and sons returned early Tuesday morning from a trip to Jamaica where they have been since shortly after Christmas. Most of their time was spent on Montego Bay and also at Ocho Rios where they did much sight seeing in a little foreign type automobile.

Mrs. Maude Cumings has just returned from visiting her niece, Mrs. Leon English of Royal Oak and also her nephews wife, Mrs. Elwood Menderson, in Detroit. She has been away for a two weeks visit.

Mr. and Mrs. Allan Seager and two daughters arrived home the first of the week from France where they planned to stay a year, but because of the stortage of gasoline and fuel there, they only spent four months in that country. They arrived on the ship U.S.S. "Independence" in New York, Jan. 3, and Mrs. Seager and the girls flew home, while Mr. Seager drove the little automobile that they purchased in France.

Mr. and Mrs. C. R. Perkins and children of Glenn Falls, New York, returned home Wednesday after spending the holidays with her mother and sister, Mrs. Gerald Craig and Mrs. Edwin Gove.

Mrs. W. E. Bly left Friday for North Little Rock, Arkansas where she will visit her step-son and wife; Mr. and Mrs. H. G. Bunn for the next two weeks.

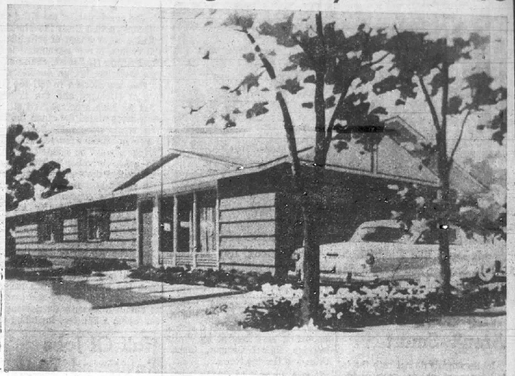
Mr. and Mrs. John Babcock entertained eleven members of the Senior class of the Huron Township public schools. The group enjoyed a buffet supper in the evening.

Open House

An open house in celebration of the 73rd birthday anniversary of Leo Erhart will be held in the home of Mr. and Mrs. Arthur Woodward, 709 N. Union St. on Sunday, Jan. 13 from 3 to 5 p.m.

John Twiss and the boys of Scout Troop No. 4 will take care of all that paper you don't know what to do with. Just place on the porch or some other very obvious spot and it will be removed for you, Saturday, Jan. 12.

Model Showing January 12 And 13



An open house and showing of the new and larger National homes in Sunset Meadows Subdivision by Jack Shutt will be Saturday and Sunday, January 12 and 13 from 1 to 9 p.m. The house is located at 1001 Sunset road, 1 block south of W. Chicago Blvd., 1 block east of Occidental.

The following firms furnished materials for the model home: Tecumseh Lumber Co., building materials; Clauda Plumbing, plumbing and heating; Solders Excavating, excavating; L. R. Greenman, gravel, fill dirt; Tecumseh Greenhouses, landscaping; Walpers Furniture, Adrian, floor and wall tile; Harry Griswahn, Adrian, ready-mix; Hayden Fuel and Supply Co., concrete blocks; Allhouse Bros., Tipton, block laying and brickwork; Del King, insurance; Wm. Davenport, electrical work and Chester Frier, Dundee, painter. Other details about the new model home can be seen in the large advertisement appearing in this issue.

During 1956, National Homes purchased an estimated $7,000,000 worth of furnaces, air conditioning systems, and all-electric kitchens from the Delco and Frigidaire Divisions of General Motors Corporation; $3,500,000 worth of aluminum windows from General Bronze Corporation; and $2,500,000 worth of washer-dryers from General Electric.

National Homes also is the country's largest single buyer of lumber, 87,500,000 board feet in 1955. Top quality, No. 1 kiln-dried lumber, from Weyerhauser and other leading producers, is used for all structural framing in a National home. Among the other brand-name products used in National homes are interior wall surfacing by United States Gypsum, roofing by Johns-Manville, Fiberglas insulation from Owens-Corning, and Styrofoam floor insulation by Dow Chemical.

City Council Met Monday

(Continued from Page 1)

a member of the Board of Review. The Council approved the reappointment of the present election commission consisting of Perry Satterthwaite and Edna Staulter. John Saling's resignation as City Assessor and Supervisor was read and accepted. The City Manager's appointment of Calvin Zorn as City Assessor was approved and he was appointed to the Board of Supervisors effective February 1, 1957.

Due to an unavoidable delay in getting out the tax notices, the payment of taxes without a penalty, will be exended from January 10 to February 10.

The Council gave the City Manager authority to hire an exterminating company to rid the city dump of rats. There was considerable discussion regarding the athletic field and the problems arising from it.

Exchange Club Working On Future Projects

The Tecumseh Exchange Club met Wednesday evening in the Eagles Hall. Mr. Joe Rice showed pictures of his recent trip to Europe for the program. Clarence Beach was program chairman.

The group accepted the resignation of Neville Hart as vice president due to an overburdened schedule of other duties. A committee was appointed to select a candidate to fill the post.

Future projects for the club are being planned at the present time. An attempt is going to be made to secure the University of Michigan glee club to put on a public program here. Another proposed project is to secure the prison boxing team to put on an exhibition here. Project profits are used for community betterment.

Don't forget the Scout paper and scrap metal drive Saturday, Jan. 12. Place your paper in some visible spot and it will be collect-

Who Says Sharks Aren't Smart

Ichthyologists do not rate the intelligence of sharks very highly, but only, perhaps, because they have never watched them in action in front of a movie camera. Jerry Hopper, who has watched them performing for a camera—in fact, he directed them—says that sharks are quite intelligent. At any rate, they're intelligent by the minimal standards that are usually, and sometimes unfairly, applied to actors.

Mr. Hopper became an expert on sharks while directing the new Samuel Goldwyn, Jr., production, "The Sharkfighters," filmed in Technicolor and CinemaScope, and opening on Jan. 13 at the Strand Theatre through United Artists release.

Victor Mature stars and Karen Steele and James O[illegible] are co-starred in "The Sharkfighters," the exciting story of the U. S. Navy's desperate battle to protect downed fliers in shark-infested waters. Filmed in the waters off Isla de Pinos, Cuba, the film has a strong supporting cast headed by Philip Coolidge, Rafael Campos, Claude Akins and George Neise.

It was no part of Hooper's purpose, during shooting of "The Sharkfighters," to use prop sharks. The voracious fish being plentiful off the south shore of Isla de Pinos, he hired native fishermen to net them and tow them to shallow water, where sharks become sluggish and lose some of their normally keen appetite for arms and legs.

Pushed into underwater steel wire corridors, the sharks were given a hypodermic that knocked them out for a few minutes. Then, just as they revived, they were subjected to a minor electric shock with the sort of battery buzzer once used on race horses. At the same time, they were pulled forward by invisible lines that had been attached to them while they were unconscious.

The sharks soon learned to take off when the buzzer prodded them, and after a while the tow lines were no longer necessary. They would swim along, swishing their tails and showing their teeth, while the actors in the film swam alongside of them, separated only by an underwater glass partition.

Mackinac Bridge On Schedule After 3 Years

The conclusion of the third year of construction finds the Mackinac Bridge on or ahead of schedule on all counts, it was announced today by Prentiss M. Brown, chairman of the Mackinac Bridge Authority.

"We are pleased to tell the people of Michigan and the midwest that we have accomplished all the objectives aimed for since the day the bonds were sold. Barring unforeseen circumstances, Mackinac Bridge should be opened for traffic next November in time to accommodate the annual hunting season rush," said Brown.

While the construction work is going on, the Authority will be faced with a number of knotty decisions, the most far-reaching of which will be the establishment of tolls. The Authority has two primary objectives: First, to keep the average per passenger car less than the average toll per passenger car on the ferries; and second to eliminate charges for passengers for whom a 25c fee, including the driver, is now levied.

Another matter affecting the public will be the establishment of traffic controls, especially speed limits. It has indicated that experts from the traffic safety center at Michigan State University will counsel the Authority on these matters.

The Authority has received innumerable suggestions for how the dedication of the bridge should be carried out. These will be incorporated into plans which the Authority will devise to cover both a limited ceremony when the bridge is opened in November 1957 and for a gala, festive, several-day event when the bridge is dedicated in June of 1958.

The Authority, at a recent meeting, decided that it would observe the decision of the Supreme Court and the ruling of the Attorney General that the Authority need not operate under Civil Service. This policy will begin January 1, 1957. However, the Authority was unanimous in its policy of 100 per cent cooperation with the Civil Service Department in transferring individuals now working on the Straits ferries service to employment on the bridge. The Authority will also follow the same wage scales and fringe benefits applicable to Civil Service employees.

The Authority offices will move from Lansing to St. Ignace on January 2, 1957 and all administrative operations will be carried on at this point.

Half Of Jobs Restricted To Workers Under 45

More than half the job openings in the United States are closed to people over 45, and in some cities the proportion goes as high as 79 per cent.

Clerical, sales and unskilled jobs are the ones most frequently closed to older workers, but a surprisingly high proportion of skilled and professional jobs are restricted, too.

Age prejudice turns up most often in these industries: Durable goods manufacture, insurance, real estate and wholesale and retail trades. Older job seekers get better breaks in service industries and in the construction business. One big employer that hires without much age prejudice is the federal government.

Largest Library Being Built At The U. of M.

The University of Michigan's new Undergraduate Library, now under construction, will be the largest facility of its kind in the world.

Located on the central campus near the General Library building, the new library will have a total floor space of 132,000 square feet. Flexibility in interior arrangements will permit either stack space or seating area to be increased as desired.

Total cost of the building is estimated at $3,380,000, of which $1,890,000 has already been appropriated by the State Legislature. The structure is scheduled for completion by September, 1957.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Since recent election, readers have inquired what results mean to small business.

* * *

One wit along Potomac put it this way: "People bought GOP 'Peace and Prosperity' slogan and elected Eisenhower for peace; Democratic Congress for prosperity."

* * *

C. W. Harder

Like all wisecracks, this does not contain whole truth. Both parties have Congressmen who have long been champions of independent business.

* * *

But nationwide field reports received by National Federation of Independent Business indicate small businessmen do not feel this administration, so far, any more than recent past administrations, has protected independent enterprise.

* * *

Giant business has received from government great favoritism. Prices of their stocks, earning and asset growth reports evidence this fact.

* * *

Condition of independent business is perhaps best judged by fact business failures this year are double 1952 rate.

* * *

Today government owes no more favors to giant business. Giant monopolies and cartel corporations must be forced to abide by rules of fair trade in market place. Any underwriting of campaigns to promote people into office have now been paid in full.

* * *

There are also healthy indications at long last government will do something concrete about the problem.

* * *

For example, the President set up a Small Business Cabinet Committee which made 14 comprehensive recommendations that were incorporated and endorsed in presidential, and other campaign speeches. Both parties adopted the strongest small business platform planks ever written.

* * *

Thus, there has been widespread public recognition of need for corrective measures to insure independent business fair play in the market place.

* * *

In addition, many Congressmen not hitherto active on the problem, when home running for reelection, found small business real issue and obligated themselves to do something about it.

* * *

Undoubtedly this all had a big bearing on almost unprecedented nature of the balloting. While majority preferred to keep same party in White House, majority also wanted to keep Congressional committees which during past two years have been actively investigating anti-trust enforcement, mergers, and other small business problems.

* * *

Americans today take a much deeper interest in governmental affairs affecting the domestic economy than they did two decades ago.

* * *

And ranking along with American ideals of freedom of speech, press and religion, is freedom of opportunity to own and operate a business. Deprive the people of any of these freedoms, as unrestricted monopoly and cartel practices the past few years have been destroying freedom to operate an independent business, and public opinion is aroused. Thus the split nature of the recent election returns could very well be the Boston Tea Party of discontent with the raw deal independent enterprise has received for too long. Until corrective measures are taken, this discontent is bound to grow.

Modern Ranch Design From New Homes Guide

Architect Elmer Gylleck, who designed this one-story ranch house shown in the 36th edition of NEW HOMES GUIDE magazine, combines glass, stone, and wood into a house that sparkles with a new look all its own. This is another design of the large size that is becoming more popular as families and living requirements grow. The three bedrooms all are large; there are one and a half bathrooms; there is a full dining room; and there is an extra room opening off both the kitchen and living room—it can serve as a family room, hobby or utility room, or as a guest room. The kitchen is generous in size, combines with a laundry in a compact, efficient work area. Good room circulation successfully bypass traffic around the work area. Masonry planting boxes enhance exterior charm. Areas are: house, 1,896 sq. ft.; garage, 483 sq. ft. Write to NEW HOMES GUIDE, Dept. 1803, 621 N. Dearborn, Chicago 10, Ill., for information on blueprints.

Otto Thiel Died December 8th

Word has been received here of the death of Otto C. Thiel, formerly of Herrick Park and until ill health caused his retirement, a foreman at Tecumseh Products. He passed away Dec. 8, 1956 at Manattee Veterans Memorial Hospital at Bradenton, Fla., where he had made his home for the past three years.

Services were held at the Langeland Funeral Chapel at Kalamazoo Dec. 12 with burial at Prairie Home Cemetery, Richland, Mich.

Otto Thiel was born in Meihlenburg, Germany Aug. 12, 1885. On Dec. 22, 1906, he was married to Grace A. Kleckner of Schoolcraft, Michigan. Beside his wife he is survived by two sons, Norman of Kalamazoo and Floyd of Otsego, eight grandchildren, four great-grandchildren and two sisters. A daughter Freda and a son Charles preceded him in death.

He was a member of the Congregational Church of Dundee, Mich., a Past Master and life member of Richland Lodge 217 F. & A. M. and a member and Past Patron of Richland Chapter 253 O.E.S.

Ray Dewey Buried Last Wednesday

Ray Dewey, died in his home in Chicago at the age of 66. He was born two miles west of Tecumseh, son of Alfonzo and Mary Dewey.

Besides the widow, he leaves two sons, Edward at home and Ray Jr. attending Harvard University, one brother Harry of Holloway, a nephew Joe of Detroit, a niece Mrs. Muriel Hans of Detroit, Mrs. Robert Dayss of Manchester. Funeral services were held at the Collins Funeral Home in Tecumseh Wednesday at 2 p.m. Burial was at Brookside Cemetery.

Dwight Hearn Passed Away

Dwight Hearn, 47, Detriot, suddenly passed away at Detroit, Saturday.

He was married and they had 2 children. Mrs. Hearn was the former Anna Forgacs of Britton. Funeral services were held Tuesday at 2 p.m. in Detroit.

Philanthropy is almost the only virtue which is sufficiently appreciated by mankind.

—Thoreau

Gregory Williams Baptized Sunday

The infant son of Mr. and Mrs. Roger Williams was baptized in the Presbyterian church Sunday. The baby's name is Gregory Allan Williams. After the service dinner was served in the Williams home to the following guests: Mr. and Mrs. Harold Joseph, Mrs. Bernice Williams, Richard and Mary Ellen, Mr. and Mrs. Earl Case and family, and Mrs. Warren Finkbeiner and family.

Mr. and Mrs. Earl Green and son, Gerry, have returned from spending the holiday season in Clearwater, Florida.

Frederick Lang To Be Baptized

Sunday, Jan. 6, Mr. and Mrs. Frederick Dickinson Sr. and Mr. and Mrs. Frederick Dickinson, Jr. and family will attend the morning worship service of the Presbyterian church in Monroe when their grandson and nephew, Frederick Fraser Lang, son of Mr. and Mrs. Walter P. Lang, will be baptized. The baby is named for his uncle, and so Frederick Dickinson, Jr. will be the godfather.

Christian Science Sunday Service

The answer to mankind's great need of purity and regeneration will be emphasized at Christian Science services this Sunday.

Keynoting the Lesson-Sermon on "Sacrament" is the Golden Text from Psalms (24:3, 4): "Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully."

Selections to be read from "Science, and Health with Key to the Scriptures" by Mary Baker Eddy include the following (241:23-27): "One's aim, a point beyond faith, should be to find the footsteps of Truth, the way to health and holiness. We should strive to reach the Horeb height where God is revealed; and the corner-stone of all spiritual building is purity."

To love the public, to study universal good, and to promote the interest of the whole world, as far as it lies in our power, is the height of goodness, and makes that temper which we call divine.

—Shaftesbury

Officers Elected At Congregation Meeting Sunday

The Grace Evangelical Lutheran Church held a congregational meeting Sunday and the following officers were elected: president, Alfred Schwede; trustees, Orville Bohnenstiehl and Ronald Henkle; deacons, Richard Teske and Wynne Mattison; and financial secretary, Donald Maves.

The Altar Guild met last Wednesday evening and officers were elected for this group also. They are directoress, Mrs. Wynne Mattison; assistant directoress, Mrs. Oscar Bryan; secretary, Mrs. Williard Zwick; and treasurer, Mrs. Paul Maves.

Officers elected by the Young Peoples Group Sunday evening were president, Fred Jeschke; vice president, Nancy Dinse; secretary, Judy Baxter; and treasurer, James Tonneberger.

A family night dinner was held Wednesday evening at the church with a speaker following. Mr. John Kohl, a missionary from Africa presented colored slides and spoke on his work in that country.

Whistle Bait with a Wondrous Gait

(Just try today's Instant Dynaflow!)

NO MATTER what make of car you're "going with" right now—here's one that will spark a new love light in your eyes.

This Buick's a fresh new beauty in looks, in lines, in sweeping contours. And a beauty in other ways as well.

Even for a Buick, this one's a joy and a treasure in the road-wise way it handles. In the way it levels with you on the turns. In the way it holds up its head whenever you give it the brakes.

But your longest whistle of sheer delight comes when you head this honey out of town and put it through its paces on the expressways and byways.

That's when you discover the exhilaration of *power-pitch* performance. When you fully appreciate the smooth and immediate response of the latest, greatest version of Variable Pitch Dynaflow—*instant* Dynaflow.

Yet this performance is more than a matter of transmission advances.

There's a whopping new 364-cubic-inch V8 engine to give it life. With 300 horsepower, 400 foot-pounds of torque, and 10 to 1 compression.

There's even more to keep you smiling—150 other brand-new features.

Including fresh decorative touches, new colors and interior trim combinations—and, of course, the extra safety and security of Buick brawn and ruggedness and solidity of construction.

So come in and go stepping with a new 1957 Buick. *Today.*

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

SAFETY REMINDER. In freezing weather, remember that anything on the road that looks like water can be ice. Drive as if it were. **PASS IT ALONG.**

SAFETY NEWS

Only Buick has the **SAFETY-MINDER**†

—a simple device that's a great boon to your safety. You merely preset the miles-per-hour you want. When you reach that pace, a warning buzzer sounds. Drop below that pace and the buzzer stops.

Field and Stream

Unless your habits are nocturnal too, you probably haven't met up with Michigan's seldom-seen flying squirrel.

"Only truly nocturnal members of the squirrel family in Michigan, flying squirrels are never seen abroad in the daytime unless they have been disturbed," says Prof. William H. Burt, curator of mammals at The University of Michigan.

What about the aerial habits of this creature? Professor Burt says, "It takes a pretty tricky flying apparatus to keep him aloft. A loose fold of skin extends along the side from the outside of the wrist to the hind foot. When the animal spreads its legs, a flat kite-like surface is produced.

"Further, caltilaginous spurlike supports at the wrist make it possible for him to extend the skin fold beyond the outstretched legs. The flattened tail is an additional aid to a nearly perfect gliding structure. And lastly, sharp-curved claws, four on the front foot and five on the hind, help to make this squirrel one of the most agile mammals of the tree tops."

According to the curator, their natural abode is in an old woodpecker hole or some other cavity in a tree. "They also build leaf nests in the branches of trees. Attics of houses or out-buildings are readily appropriated as homes. If flying squirrels take over your attic for a home and romp about all night long, you may look a bit bleary-eyed the next day," says Professor Burt.

He states that "two litters may be born in a season—the first in May or June and the second in August. Two to six young, usually three or four are born in a litter.

"The young are naked and blind at birth. The food of flying squirrels consist of seeds, buds, nuts, fruits, insects, birds' eggs, and birds, and they are quite as carnivorous as any of the rodents.

"In winter," he continues, "they may band together in groups of 20 or more in a single den. Home range of an individual is at least four acres in area."

According to the professor, "Unlike other squirrels, these little gliders are very sociable. Several of them will feed together without any indication of antagonism. Flying squirrels are friendly and make ideal pets."

There are two kinds of flying squirrel. The northern flying squirrel, which is a little larger than the southern, is found in the Upper Peninsula and the northern part of the Lower Peninsula. The southern flying squirrel is found in the Lower Peninsula and Menominee County in the Upper Peninsula.

Carbon Monoxide Can Be A Dangerous Killer

This is the time when carbon monoxide declares open season on human beings, the Lenawee County Health Department warned today. Carbon monoxide is a dangerous and silent killer. It sneaks up on its victims and suffocates them before they realize they are being attacked.

Accidental deaths from carbon monoxide poisoning show a sharp increase when the weather turns cold, the health department said. A leading contributor of the seasonal upsurge is the habit — often fatal — some people have of running their car's engine, inside the garage with the doors closed. Other leading causes of accidental carbon monoxide poisoning are faulty mufflers and tailpipes on cars and trucks, improper venting of home space heaters, and improper ventilating of factories and workshops.

Carbon monoxide creeps up silently because it can't be seen, smelled or tasted. Besides being odorless and colorless it has no irritating and therefore warning effect on the nose, throat or eyes. If the amount of carbon monoxide in the air being breathed is small, a person may notice a tight feeling across the forehead. This is followed by a throbbing headache, dizziness, a flushed face and redness of the eyeballs. The person may become sick enough to vomit. Finally he passes out and, if he continues to breathe the gas, dies. If the carbon monoxide concentration in the air being breathed is high, death can result in a few minutes and without warning symptoms. Carbon monoxide enters the body through the lungs and is absorbed by red blood cells in preference to oxygen, which the blood cells normally carry to the tissues to sustain life. Thus, carbon monoxide actually kills by suffocation.

Persons found unconscious from carbon monoxide should be carried into the fresh air. A doctor should be called immediately and artificial respiration started. The patient's clothing should be loosened and he should be kept warm. It will help to rub his hands and feet.

If he regains consciousness before a doctor arrives he should be kept at rest. Many persons have died because of trying to resume normal activities too quickly after being overcome by carbon monoxide. Medical treatment following non-fatal cases of poisoning may last four or five weeks.

WM. J. PRESTIDGE
STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for Said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 7th day of January in the year one thousand nine hundred and fifty-seven.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of WM. J. PRESTIDGE (also known as William James Prestidge, William J. Prestidge and as W. J. Prestidge), deceased.

On reading and filing the petition of B. A. Simons, administrator with the will annexed, upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 4th day of February next, at ten-thirty o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing, and notice thereof given as required by law.

L. B. KUNEY, Judge of Probate.

Faith and the Atomic Age

Electronic Brains—Earth Satellites—Rockets to the Moon—just thinking about them makes your head swim. Ten years ago this sort of thing was only in science fiction. Ten years from now—or even less—everyday realities.

Even as we read of these fantastic possibilities, a small, still voice insists on being heard . . . "Where do I fit into the Atomic Age?"

The answer will not be a simple one.

But out of the promises and the perils, the strength and daring of our forefathers that have made America great will speak out again—clear, true, forthright.

Those of us who have founded our lives on the bedrock of Faith will find our answers—and live peacefully by them. From our churches and synagogues we will draw the courage to make the Atomic Age an age of promise and fulfillment.

We do not know what the future lives of our children will be. The best we can give them now is the security of Faith. Whatever your beliefs, start now to build your life and that of your family on a firm foundation of truth and Faith.

Build a strong, richer life . . . ***worship together every week!***

Satisfying Report Given By Chairman

A very satisfying report was presented by the child welfare chairman at the American Legion Auxiliary meeting Monday evening. Mrs. Almond Curtis, chairman, reported that in conjunction with the American Legion Post chairman, Mr. Louis Schneider, approximately thirty needy children were given assistance at Christmas time. About $235.00 was spent for clothing, and about $75.00 worth of food and a great number of gifts and clothing were presented for the use of the child welfare program.

A communication asking assistance in promoting the SAFE program for Hungarian relief was read from the State Welfare chairman by Mrs. Curtis, and donations of clean, wearable used children and adult clothing will be collected at the next meeting. The donations will be sent in 100 lb. lots, and it is asked that no high heeled shoes, or badly stained or moth eaten garments be donated.

Mrs. Herbert Cleveland, community service chairman, reported on the Polio Drive to be held jointly with the V. F. W. Auxiliary Jan. 31. The drive will be carried out from the V. F. W. hall and refreshments will be served at the completion. She also announced that currently there are 160 cases of Polio in Lenawee County and a debt of $4000.00 should be paid from this years proceeds.

Mrs. James Rohrer reported on the joint children's Christmas Party and said that more than 100 had attended and enjoyed a very fine social time. She thanked the members contributing cookies for the party and also the other members of the committee who were Mrs. Almond Curtis, Mrs. LaVern Seizert, and Mrs. Donald Woods.

The rehabilitation chairman, Mrs. R. C. Osburn, reported sending Christmas cards and $1.00 bills to servicemen both in the states and overseas, and also purchasing gifts for the Veterans gift shop in Ann Arbor. A total of $102.00 was used for these purposes.

The flower chairman, Mrs. Otto Baaske, reported sending flowers to Mrs. Thomas Boyd, Mrs. Carl Thompson, and Margaret VanCamp. An announcement was made that the next district meeting will be held Jan. 27 in Ypsilanti. The members voted to send $5.00 to the Crusade for Freedom fund, and the meeting was adjourned. After the meeting, Caroline Woods, daughter of Mr. and Mrs. Donald Woods, entertained the auxiliary with several selections on her accordion. Refreshments were served by Mrs. Glenn Driscoll, Mrs. Frank Gray, and Margaret Leighton.

Let's give those Boy Scouts a hand Saturday. Have your paper ready and they will be very happy to collect it and save you the trouble of getting rid of it.

John Deere Day Held By Whelan Co. Sat.

Six hundred and thirty-three persons attended the John Deere Day program, sponsored by the Hoyt E. Whelan Co. last Saturday.

Those present saw six colored movies in the forenoon and afternoon at the Strand Theatre. A free lunch was served at the Whelan Co. The Baptist Church ladies prepared the food.

One of the films showed some of the first John Deere tractors sold back in 1921. Some of the farmers who had bought these first tractors were acknowledged. Several of them were present at the theatre. The first tractor was called the "Waterloo Boy."

Know Liability In Case Of Farm Mishap

Accident statistics prove that farming is one of America's most hazardous industries.

Learn about your liability to hired workers and the public from accidents on or near your farm, experts advise. Farmers, like other businessmen, must provide safe working conditions for their employees. They might be sued if their negligence contributes to the injury of a hired man. And a law suit can be a heavy financial burden. Some farmers have protected themselves by taking out Workmen's Compensation Insurance. This insurance brings them under the Michigan Workmen's Compensation act which automatically provides a fair and standard payment to the employee in case of injury or death.

Premiums for Workmen's Compensation Insurance vary with the employer's payroll. Today, the premium for farmers is $3.28 for every one hundred dollars paid to workers either as board and room or as wages. However, the minimum for any policy is $59. Employers liability insurance is also provided by most private insurance firms in the state. Generally, medical expenses are the only costs which these policies automatically pay.

Along with employers' liability insurance, most companies offer a comprehensive policy covering a wide variety of accidents to farm visitors and to the public. These policies vary greatly between companies. Because the accidents which they cover are rare, a small increase in premium may extend the coverage to many mishaps on or near the farm.

Credit Union Gains Continue In 1956

Nine hundred and fifty-four credit unions were operating in Michigan on December 21st, Albert W. Marble, Managing Director of the Michigan Credit Union League, announced in a year-end report. This is a net increase of 96 for the year. 100 new credit unions were organized in 1956, marking the sixth year in a row in which 100 or more credit unions were organized.

"Michigan credit union membership now totals around 650,000 people—up more than 90,000 from a year ago," said Mr. Marble. "Assets are at a new peak of $285 million—a gain of 26 per cent during the year. Loans outstanding to the membership at year's end were $215 million, an increase of $50 million over a year ago. As usual, 85 per cent of the loans outstanding were for consumer small loans."

"We anticipate continued progress during 1957 at approximately the same rate," he said. "The credit union idea is winning increased acceptance among the people in our state."

CIVIL AIR PATROL
USAF
AUXILIARY

More than 30,000 former members of the Civil Air Patrol now are serving in the U. S. Air Force, according to a world-wide spot survey of Air Force personnel conducted earlier this year.

According to the report, about four and a half percent of the total airmen andd eight and a half percent of the total officers were sampled in the survey. Projected on the basis of the entire Air Force, it was determined that some 26,500 airmen and 5,400 officers now on active duty formerly were volunteer, civilian members of the Civil Air Patrol.

"The value of Civil Air Patrol training," declared General Agee, "is evident in the number of former CAP members who elect to join the Air Force. Even more significant, however, is the record of the former Civil Air Patrol cadets who now are enrolled as cadets in the new U. S. Air Force Academy. "Sixty-seven former CAP cadets, more than 12 percent of the entire enrollment at the Air Force Academy, are now Air Force cadets."

Maj. Gen. James E. Briggs, academy superintendent, reported recently on the 36 former CAP cadets who have completed their first year at the Air Force Academy. "One year of experience," he declared, "has confirmed our belief that active Civil Air Patrol membership is virtually a guarantee of the type of motivation required of an Air Force cadet. As a group and as individuals the former Civil Air Patrol cadets in the 'Class of 1959' are a credit to the CAP program.

"Not one of the 36 cadets who entered last year with Civil Air Patrol records has been lost to us by discharge or resignation. A total of 21 of the 36 former CAP cadets have been on the Dean's List of Academic Merit one or more times during the year."

The Tecumseh Indians Swamp Monroe C. C. And Set 2 Records In The Process

The Tecumseh Indians swamped Monroe Catholic Central by the score of 89-66 here Friday night and set two records in the process. New records were set in the team and individual scoring departments. The 89 team points scored Friday night were 6 points over the record 83 scored against Bedford during the 1952-53 season. Ken Miller, Tecumseh guard, set a new individual record when he tallied 39 points. The previous record was 33 points set by Jim Wilson during the 1952-53 season.

The starting lineup for the Indians was Ken Miller, Larry Yoakum, Bill Hansen, John Elliott and Ray Larned The Indians took the tip at start of play and took an immediate lead when Ken Miller was fouled and sank two free throws. Monroe then got the ball and Sweet scored. Bill Hansen for Tecumseh made two free throws. Then the Monroe team set up a play and scored. The ball went to the Tecumseh end and back to Monroe's. A shot was missed and Hansen threw the ball down the floor to Miller who tossed it back to Hansen who scored, to end the first quarter with Tecumseh ahead 26-16.

As the second quarter began, Miller fouled and Monroe missed their shot. The Indians took the ball and John Elliott hit for 2 points. The ball then went to Monroe and Sweet scored. Both Miller and Elliott missed free throws at this point. Then Miller hit a long one hand shot. Hansen got a double foul. Both teams scored. Monroe had the ball then it was thrown outside. Hansen missed a shot and Miller tipped it in. Miller hit another one hand shot and two free throws. Elliott hit a spectacular one hander, then he shot again and Hansen tipped it in. Miller shot and the ball rolled around the basket and then out. Sweet took the ball and hit for Monroe. Hansen hit a layup. Tecumseh then took possession of the ball from a jump and Yoakum scored. Hansen sank two free throws to end the half with Tecumseh holding a 54-33 margin.

In the third quarter, Hansen scored two free throws. Monroe missed a shot and Elliott fouled. Sweet who hit two free throws. Hansen popped one in from the corner and the Monroe scored. Hansen shot missed and then scored. Elliott fouled and the Indians missed a shot and Monroe took possession of the ball only to lose it and John Elliott scored for the Indians. Yoakum scored and Hansen hit a one hand shot. Miller fouled and Lazette made a free throw for Monroe. The Indians called time out, and then Miller scored two free throws. Lazette scored for Monroe and Miller scored for Tecumseh. Hansen fouled but Lazette missed and Elliott for Tecumseh scored two free throws. Elliott was charged with a foul for charging and Lazette tallied for Monroe. At the end of the quarter, the Indians led 71-56.

In the fourth quarter, neither team hit right way but then Miller hit a jump shot and a free throw. Hansen hit four free throws and Miller scored a field goal. Then Godfroy for Monroe scored. Miller scored again with a field goal and two free throws. Dave Elliott scored and then Miller again. Lazette for Monroe scored and Harvey for the Indians scored. Dave Elliott then fouled McKenzie of Monroe who sank two free throws with 30 seconds to go, McGill for Monroe missed a free throw and the game ended with a 89 to 66 win for Tecumseh.

Miller scored 15 field goals and 4 free throws, Hansen scored 7 field goals and 11 free throws, John Elliott hit 5 field goals and 3 free throws, Larry Yoakum scored 3 field goals, McDowell 1 and Harvey 1. The Indians hit on 48.3 per cent of their shots while Monroe scored on 40.3 per cent of their shots. Monroe's Lazette was their high point man with 28 points.

Monroe Catholic Central is still in first place in the Southeastern Conference. Tecumseh, Hillsdale and Airport are all a half game behind in the league. The Indians will play at Airport tomorrow night, at 7:00 p.m.

—o—

Boysville Victory Is First Of Cage Season

Last Friday night, the Fighting Knights of Boysville captured their first season's cage victory over the Hartland Eagles by the score of 55-47.

ily of Manitou Beach; Mr. and Mrs.

the Boysville Knights captured an early first quarter lead and held it throughout the ball game in which Hartland never seriously threatened. It seems the Knights were being true to their New Year's resolution not to lose any more ball games with the record now reading 1 and 5.

Paul Carry, scope-shooting Knight guard, again led the Boysville attack hitting for 19 points. His teammates, Mata and Valesquez, hit for 12 and 13 tallies respectively, showing considerable more accuracy from the free throw line where the Knights have lost many point opportunities this season. Simmons was high point man for Hartland, dumping in 19 points, also.

In other action around the League of the Lakes last Friday night, S. Lyon downed Pinckney 47-28, and Manchester swamped Dexter 70-34.

I'VE GOT
THE WORLD
on a STRING

WHY? Because along with two million other Americans I receive up to twelve varying dividend checks a year. These checks are sent to me by Investment Trusts. By owning shares in an Investment Trust, I do not have all my eggs in one basket as each share represents part ownership in scores of large businesses. Americans have invested over eight million dollars in these Investment Trusts and many started their accounts with as little as Fifty Dollars. Free folder on request.

Pontiac put a new "OH" in smo-o-oth...

with an All-New Notion in Motion!

Take your first heart-lifting run in America's Number One Road Car and the miles whisper by so quietly and effortlessly only your eyes tell you that you're on the move. Never before have power, ride and handling been in such perfect balance with each other. Here's road-hugging heft and length so precisely controlled that corners magically change to curves . . . and curves to straightaways.

With Pontiac's exclusive Strato-Streak power and its perfect running mate, Strato-Flight Hydra-Matic, you enjoy the security of constant and instant command of the most modern performance team on the road—cradled in a Level-Line Ride that floats you along like a leaf on a mill pond. And it's all yours proved as no other car in history—by a rugged 100,000-Mile Marathon Test Run! Doesn't this suggest that now's a wonderful time to come in and see what you've been missing?

"THE IDEAS OF COMMUNISM ARE DEAD"

Only time can put events in their proper perspective The news that makes black headlines today may be as dead as the Pharaohs tomorrow. But it seems as certain as anything can be that history will record that the most significant and far-reaching event of 1956, and perhaps of many years, was the revolt in Hungary.

This uprising was not successful in the ordinary sense of the word. Rifles and improvised grenades and fists, unfortunately, are no match for tanks and artillery. But in another, more fundamental sense, this act on the part of an oppressed people was almost incredibly successful. It showed that courage, and the willingness to risk death and torture in the pursuit of freedom exist in undimished vigor in this chaotic world.

It showed peoples everywhere, once and for all, the cruel true face of communism. This is enormously important. Reports from country after country state that membership in communist parties has abruptly declined, and that the circulations of communist and communist-sympathizing organs are shrinking. Well-known writers and other molders of opinion, who out of a mistaken and stubborn idealism once supported or tolerated communism, have openly proclaimed their defection from the party and from the Kremlin. The ruthless acts of the Soviet government and the Red Army have excited almost universal horror.

It showed, above all, that communism contains the seeds of its own destruction, and that its very structure is crumbling. A view that is held by all manner of experts was thus expressed by Kurt S. Lachmann, a journalist of long experience in Eastern Europe. in U. S. News & World Report: "What we are witnessing now is the gradual decomposition of the entire communist system . . . the ideas of communism are dead. What remains is the lumbering, armored body of Soviet military might."

This does not mean that there can be any relaxation in the Western world — its governments and forces must be more wary and alert than ever. To quote Mr. Lachmann again, "Dictators . . . are being cornered. It is well to remember that cornered animals often are dangerous." Desperate fanatics are capable of the most desperately fanatical acts. There is always the possibility that, seeing their own world collapsing under the weight of its sins and excesses, they will attempt to bring all the rest of the world down too.

This is speculation. But there is nothing speculative about the fundamental lesson that has come to us out of Hungary—a lesson that is destined to be read to us again and again, as communism goes through its death agonies, however long that may take. Super-government, all-powerful government, monolithic government, socialism, communism — whatever name you want to use — is the implacable enemy of human freedom. It reduces the individual to the stature of a cipher. It makes a mockery of every concept of human dignity, human rights, the preciousness of human life. Communism is simply the end of the line for that kind of government. Socialism is a way station. So are all other systems of government that attempt to do for the people what the people can and should do for themselves.

The thousands of Hungarian refugees who have been airlifted to this country know what slavery is, and how it is brought about in the modern world. They, along with the legions of their compatriots who fell victim to Soviet ruthlessness and savagery, placed the ultimate value on freedom. They risked all to gain it. They have set an example of courage and resolution that every American should understand and admire. Moreover, the Hungarian blood-bath — and all the other ugly fruits of communism we see — should make every American resolve to keep the freedom we have, and to forever defend and support a system of government that is based on a high concept of the worth of the individual, and on the principle that the government is best which governs least.

Realty Views

"I suppose it is hopeless," Mrs. Marger said, "but I'd like to buy a house."

"What do you mean hopeless?" I asked.

"Oh, she replied, "I've heard new house loans are tough to get and we'd need fairly generous financing."

"The picture is not that dark," I said, "and I hope you'll spread the word among your friends. New government insured loans are rather scarce. But even that outlook is more encouraging. The FHA recently authorized a 1/2 of 1% increase in interest rate which may attract more mortgage money. And, Congress may permit the interest on V.A. loans to rise as well. Moreover, there are many home-sellers who will accept reasonably small down payments on the sale of their houses. And, still others have small equities and big loans which can be assumed."

"Well," said Mrs. Marger, "I'm glad to learn that. Some of my friends seemed to think it would be nearly impossible to buy right now."

I grinned, "No, it's not nearly that bad. In fact, it's a favorable time to buy. Because of the tight mortgage situation, here are fewer buyers. Consequently, home sellers are more interested in providing financial help to interested buyers".

"O.K.," Mrs. Marger said, "now let's look for a home."

May we help you LOOK too?

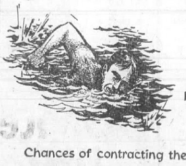
Does Vigorous Exercise Help Prevent Polio?



No, strenuous exercise and overtiring should be avoided during poliomyelitis epidemics.

Chances of contracting the disease are likewise greater if a person is suddenly chilled, as from a dive into cold water. These precautions are but two out of many which your doctor urges you to take to help protect you and your family. Your doctor is prepared to care for you during illness with lifesaving skill. We are always ready to fill any of your prescriptions accurately and promptly.

Mrs. T. J. Rixom Passed Away After Illness

Mrs. Mae J. Rixom age 72, widow of Thomas James Rixom, passed away at her home southeast of Britton at 2:30 p.m. Saturday after a few weeks illness. Mrs. Rixom was born in Lenawee County and had spent her entire life in this community. She married Mr. Rixom in July of 1907, and he passed away Oct. 23, 1945.

Mrs. Rixom was a member of the Congregational Christian church of Britton, and also of the Dorcas Class.

She is survived by a daughter, Mrs. Edwin (Lillian) Rogers of Britton, one foster son, Phillip McLain of Orange, California, one granddaughter, Sharon Rogers, one grandson, George Rogers of Britton, three sisters, Mrs. Lena LaBounty of Tecumseh, Mrs. Harriett Butler of Pulaski, Michigan, Mrs. Ina Swift of Holloway, and several other relatives. She was preceded in death by her husband and one brother, Clifford.

Services were held Tuesday at 2 p.m. at the Niblack Funeral Home with Rev. O. E. Priest officiating and burial was in the Ridgeway Cemetery.

---o---

Mrs. C. Auten Given Party

Mrs. Carl Auten was pleasantly surprised Saturday when a number of friends and relatives came to help celebrate her birthday. Progressive Euchre was played for entertainment and refreshments were served. Mrs. Auten received many lovely gifts.

---o---

Social Security Tax Has Been Raised

The reason fo rthe additional tax ity tax has been raised from 2 per cent to 2 1/4 per cent. The employer as well as the employee pays 2 1/4 per cent. Social security tax is paid on the first $4200 of wages received in a year.

The reoson for the additional tax is the new disability insurance program which provides monthly social security payments to qualified disabled workers between the ages of 50 and 65. Other benefits social security tax contributions provide for are monthly payments to retired workers and dependents, monthly payments to survivors and a lump sum paid in the event of a covered workers death.

---o---

Typical Family Will Soon Have Three Children

The typical American family will soon have at least three children according to officials of the Toledo Hospital.

It is estimated that 42 per cent of the babies born this year can expect to have two or more brothers or sisters. Currently the largest increase in the birth rate — nearly 20 per cent — is claimed by women between 25 and 29 years of age, it was pointed out. Between 1940 and 1952, when births went up 21 per cent, about 17½ per cent of that increase came from new marriages. However, since 1952, when births continued to rise 11.5 per cent, approximately 10 per cent of the increase came from existing families.

These statistics add up to one fact as far as hospital officials are concerned: More and more professional nurses will be needed to care for this growing population. It is estimated that 25 per cent more nurses will be needed by 1960 than are active today.

LEE SAYS
If You Need A Helping Hand, Look At The End Of Your Arm First.

"My advice, sir—
get De-Icer!"

It's in both Standard Gasolines

. . . and at no extra cost to you! When it's cold outside, moisture can condense in your car's fuel system and freeze. That's *gas line freeze*—and it can stop your car dead! But *not* when you use STANDARD Gasolines! Both WHITE CROWN Premium and RED CROWN Regular have De-Icer blended in at the refinery. De-Icer—Standard's *sunshine* additive—helps you *get* going and *keep* going no matter how cold the weather. Get De-Icer in STANDARD Gasolines at no extra cost to you.

You expect more from STANDARD and get it!

NEWS OF THE FARM

Lenawee Co. Agricultural Agent's Column - - - - -

Want to make it easier to produce clean, high quality milk in your dairy barn this winter? Then clip the flanks and udders of all your milk cows.

Clayton C. Ingerson, Assistant county agricultural agent, outlines five steps to follow in slipping a dairy cow.

(1) Clip the tail, and bob the switch so that it clears the ground at least four inches. Clip the tail head and areas around the switch of the tail.

(2) Clip the entire surface of the udder.

(3) Clip the belly and hocks. Then make a mark line from the navel to the thurl on both sides. Hold the clippers on edge, with the bottom blade toward the cow's head, to make this mark.

(4) Clip the flanks and thighs by running the clippers up from the hock to the mark line.

(5) Clip up the backbone to help control lice.

Cows clipped now will only need to be clipped once again during the winter, in February.

You'll still need to wash the cow's udder with a warm water and chlorine solution before milking. Washing will help to keep the milk clean, will stimulate the cow to let down her milk and permit faster milking.

☆ ☆ ☆

Both commercial and purebred sheep breeders in Lenawee county will be interested in the program being planned for the annual meeting of Michigan Sheep Breeders' association; believes Lenawee County Assistant Agricultural Agent Clayton Ingerson.

Date for the event is Jan. 17 at Anthony Hall on the Michigan State University campus. Starting time is 10:30 a.m.

At the morning session, sheepmen will hear Dr. G. F. Eversole of the state veterinarian's office discuss control of sheep scab; a review of the wool outlook and promotion program by Seldon Harvey of the Michigan Wool Marketing association; and a discussion of the use of aureomycin and pelleted feeds in creep and lamb feeding by animal husbandry specialists. A production testing program for commercial and purebred breeders will also be presented by animal husbandmen.

In the afternoon, the program will include a lamb saving clinic, a review of sheep research and the ram testing program now under way, lamb carcass grading and a discussion on how retail cuts affect the price of a live lamb.

Future Farmer Of The Month

RICHARD NEIDERMIER

This is the first of a series of articles introducing the Tecumseh Future Farmers, and their activities in the local chapter.

The first Future Farmer of the month is Richard Neidermier. He is the son of Mr. and Mrs. John Neidermier of Tecumseh. They live on a farm on Munger Road. Richard is a senior in high school and holds the office of reporter in the F.F.A. His supervised farming projects include: 3 feeder pigs, and 4 acres of soybeans.

Richard also was a member of the scholarship committee and at the present time is chairman of the publicity committee. He was a member of the Farm Forum team in the local and district F.F.A. contests last year.

Annual Meeting To Be Held January 16th

The annual meeting of the Lenawee Soil Conservation District will be held at Michigan Producers Dairy in Adrian at 8:00 p.m. on January 16, 1957 it was announced by Hal Benner, Chairman. At this time, there will be an election to fill vacancies on the Board of Directors for Clarence Ehlert and Leland Brighton whose terms have expired. A nominating committee comprised of Melvin Reeck and Sam Mitchell have nominated the following: George Blanchard, R. 1, Tecumseh, Clarence Ehlert, Palmyra and Elden Reeck for the east area and Leland Brighton, R. No. 1, Brooklyn, M. M. Halley, R. No. 1, Tecumseh and Paul Toland for the northern area of the District. All landholders, owners and tenants, who operate three acres or more in Lenawee are eligible ot vote.

There will be entertainment, a main speaker, and refreshments served.

———o———

Young Calves May Starve "In The Midst Of Plenty"

Cattle farmers were warned today by the American Veterinary Medical Association that young calves, especially those just weaned, may have difficulty in handling the coarse roughage such as that available to them when they are turned into cornfields.

Older cattle can eat and digest this type of forage, but young calves may actually starve in the midst of plenty, the Association says.

Because of their inability to handle coarse roughage, the calves may develop dietary troubles, malnutrition, and a general lowered resistance to other diseases unless their rations are properly supplemented, the Association says.

Henry Wallace Is Farmers Week Speaker At M. S. U.

Henry A. Wallace, former U. S. Vice-President, is one of the featured speakers for Farmers' Week at Michigan State University, Jan. 28 - Feb. 1.

He will speak at the farm management banquet to be held at 6 p.m., Thursday, Jan. 31. Wallace served as U. S. Secretary of Agriculture and Secretary of Commerce and is now doing research in plant science.

Leaders of Michigan's three major farm organizations, ten outstanding Michigan farmers, M.S.U. agricultural economists and many others will be featured also in the program being planned by the department of agricultural economics as part of Farmers' Week.

All morning sessions will begin at 10 a.m.; all afternoon sessions at 1:30 p.m.

The first morning program on Tuesday, Jan. 29, will consider the question of whether young folks should stay in or get out of farming with today's not-so-favorable farm earnings.

Views on this problem will be given by an agricultural economist, a banker, a Farmers' Home Administration supervisor, a young farmer, and a farmer's wife.

On Tuesday afternoon, the leaders of Michigan's Grange, Farmer's Union, and Farm Bureau will explain where their organizations stand on vital public issues. Members of five Michigan farm families will question them.

The topic for Wednesday morning will be, "State Control of Milk Prices." Pros and cons, opinions of some marketing leaders, and the experiences of another state with this kind of program will be given. The president of the Michigan Milk Producers association will speak then along with representatives of a large dairy cooperative and the M. S. U. department of agricultural economics.

Talks will be given on the influence of the Soil Bank on small farms; income, investments, expenses and loans for the small-scale operator; and the possibility of going into part-time farming.

Tips to help you save time and money through wise use of machinery and buildings will be given on Thursday afternoon. Two top-notch farmers, a commercial farm manager, an extension worker and an M. S. U. researcher will speak and answer questions.

An exhibit entitled "Farmer or Wage Earner" will be located on the east side of Macklin stadium throughout the week. The exhibit will deal with a decision facing thousands of boys — whether or not to move away from the farm.

———o———

Forrest Anderson To Address Adult Classes

Mr. Forest Anderson of the Anderson Liquid Fertilizer Company of Riga will talk to the Tecumseh Adult Farmers class on Monday Jan. 14th.

The farmer classes are continuing to meet at the high school and start at 8 p.m. All farmers in the Tecumseh school district are welcome ot attend these meetings.

Mr. Anderson will show the group slides as well as discuss the application of liquid fertilizer, equipment, and test results of actual field conditions. The test results will be of interest to farmers since liquid fertilizer data is relatively new. The facts will be up to date and based on recent tests. Mr. Anderson will also explain the mfg. processes and answer any questions which the farmers may have.

Last weeks meeting on the soil bank program was very informative to the farmers, and it is thought that many of them had their questions cleared by Mr. Bush during the discussion.

This sweet, smooth and sassy new Chevy has its own built-in "dollar-saver." It's the latest and liveliest edition of the six that's famous for its saving ways!

You'd never guess from the way this new Chevy looks and acts that it's so easy going on budgets. It's long, low—and every inch a beauty, with the solid quality of Body by Fisher written all over it. And the interior would go beautifully with just about anybody's Sunday best.

Hard to believe it, but this is a bottom-priced Chevrolet "One-Fifty." And it has a peppery, sweet-running "Blue-Flame" six under the hood to make your gas stops few and far between. You'll like the "lift" and the thrift it brings you.

And you'll like the special sureness of control you have at the wheel. This is a quality that just can't be measured in dollars and cents. Lots of cars that cost lots more just don't have it. Come in and see how much pleasure we're passing out these days at Chevrolet prices! Why not make it soon?

Mrs. Marvel Neuman
Correspondent

Mr. and Mrs. Claude Walters were dinner guests on Sunday with their son and wife Mr. and Mrs. Joseph Walters of Riga.

A social family gathering was held at Mr. and Mrs. Joseph Studnicka's on New Years Eve. Mr. and Mrs. Joseph Studnicka Sr., Mr. and Mrs. Ernst Miller, Miss Francis Miller of Blissfield, Mr. and Mrs. John Studnicka of Adrian and LeRoy Burguard of Petersburg were in attendance.

On Christmas Day, Mr. and Mrs. Claude Jones, Mrs. Angie Dine andRosetta Jones of Clayton and Mrs. Ella May Fisher of Fairfield were guests in the home of Mr. and Mrs. Harold Fisher.

On Sunday, Mrs. Ruth DeGroot received word from her son, Pfc. and Mrs. Robert DeGroot of Tombstone, Arizona, who wished his mother holiday greetings.

Mrs. Ruth DeGroot received word from her daughter that their two month old son Mark Edward had spent ten days in the hospital. His parents are Major and Mrs. Dale Palmer of Media, Pennsylvania. The baby is back home with his parents now.

Mr. and Mrs. Jerry Shull and family of Adrian had Christmas dinner at their home for the following guests: Mr. and Mrs. Carl Gritzmaker, Mr. and Mrs. Earl Bennington and family, Mr. and Mrs. James Bennington and daughter of Holloway, Mr. and Mrs. Raymond Kohler of Monroe and Mrs. Illah Avis of Adrian.

Mrs. Ruth DeGroot and her mother, Mrs. Laura Stradling, had Christmas dinner for the family, Mr. and Mrs. Virgil Lowery and family of Palmyra, Mr. and Mrs. Wm. Kopka and son Lawrence attended.

Christmas Day visitors with Mr. and Mrs. George Henry were Mr. and Mrs. Richard Vallie and family, Mr. and Mrs. Melvin Henry and family, Cyril and Clara Ulrich of Britton and Mr. and Mrs. George Henry Jr. and children of Holloway.

Christmas Eve, Mr. and Mrs. Bert Klappich and daughter Sue visited his cousin, Mr. and Mrs. Eugene Judson at Jackson.

Mr. and Mrs. Bert Klappich had his father Charles Klappich of Monroe for Christmas dinner.

On Sunday, Mr. and Mrs. Robert Mitchell had as dinner guests Mrs. Portia Kimball and son Jack of Adrian.

Last Wednesday, Mr. and Mrs. Allen Parker and family of Capac, Michigan, visited her aunt Miss Edith Haviland.

Three birthdays were observed last Friday afternoon in the home of Miss Edith Haviland. Mrs. Irene Fairbanks, Mrs. Bertine Comfort and Mrs. Wilfred Schwab were honored.

On Christmas Eve, Mr. and Mrs. Harold Johnson and son, and Mrs. Harriet Meyers of Adrian, were callers at the home of Mrs. Sarah Denius of Adrian.

A family gathering on Christmas night was held at the home of Mr. and Mrs. Robert Mitchell. Mr. and Mrs. Clare Johnson and son of Delta, Ohio, Mr. and Mrs. Clyde Dickerson of Crissey, Ohio, Mr. and Mrs. Gordon Cousino and family, Mr. and Mrs. Gerald Johnson and family of Adrian, Mr. and Mrs. Keith Matheny of Detroit, Mr. and Mrs. Harlan Johnson and family of Tipton, Russell Johnson of Adrian and Mr. and Mrs. Harold Johnson and son of Holloway, Mr. and Mrs. Dale Mitchell and family, Mr. and Mrs. Charles Mitchell and family, Mr. and Mrs. Robert Ousterhout of Britton and Mr. and Mrs. Ed. Vintz and daughter Sally of Burlington, Iowa, attended.

Mrs. Albert Neuman and family entertained her aunt, Mrs. Elsa Rewoldt of Genoa, Ohio and her daughter and husband, Mr. and Mrs. James Wetmore of Montgomery, Alabama on Friday afternoon. They returned Thursday Jan. 3rd.

Mrs. Sarah Lowery and son Darrell on Christmas Day entertained Mr. and Mrs. Leon Lowery and son, Mr. and Mrs. Donald Lowery and family of Adrian, Mr. and Mrs. Robert Betz and family of Holloway, and Mr. and Mrs. Virgil Lowery Jr. and family of Palmyra.

Mr. and Mrs. Robert Betz on Christmas Eve visited his uncle Wesley Betz. He is a patient at Toledo Hospital.

Mr. and Mrs. Harold Sackett and children spent Christmas evening at Mr. and Mrs. Milford Sellers of Adrian. They all enjoyed dinner and the gift exchange.

Marjean Sackett, daughter of Mr. and Mrs. Harold Sackett, spent five days in Battle Creek with her cousin, Mary Louise Sellers.

Mr. and Mrs. Albert Bailey and family of Britton entertained all the Baileys and there families for Christmas dinner on Monday. Special guests were Mr. and Mrs. Berm Martyn of Toronto, Canada.

Mr. and Mrs. Douglas Wegner have their daughter Sally home from Sigma Gama Hospital school of Mt. Clemens.

Mr. and Mrs. George Henry Sr. had as New Years guests, Mr. Bernice Dibble, Johnny Young, Miss Elizabeth Moll and Earl and Miss Bernice Moll of Holloway.

Mr. and Mrs. Carlyle Keho and daughter Beverly of Adrian, Mr. and Mrs. David Hart and son of Morenci and Mrs. Hazel Bear of Adrian were New Years callers at Mr. and Mrs. Harold Fisher's and family.

Mr. and Mrs. Virgil Johnson of Adrian entertained with a Christmas dinner. Guests were Mr. and Mrs. Harold Johnson and son of Holloway, and others. There were 48 present, from Adrian, Tipton, Detroit, Delta and Crissey, Ohio.

Mr. and Mrs. Douglas Wegner entertained on New Years Eve, Mr. and Mrs. Charles Mitchell, Mr. and Mrs. Dale Mitchell, Mr. and Mrs. Buzz Gafner, Mr. and Mrs. Junior Bleisner, Mr. and Mrs. Calvin Gritzmaker, Mr. and Mrs. Edward Wegner, Mr. and Mrs. Jerry Seeney and Mr. and Mrs. Elwood Cagginano.

On New Years Day, Mr. and Mrs. Harold Fisher and family visited her brother and wife, Mr. and Mrs. Claude Jones of Clayton.

Mrs. Joe DeClercq, of Tecumseh, Mrs. Joe Simpeleare and daughters of Dundee and Mrs. Mary Lip of Britton spent New Years Day in the home of Mr. and Mrs. August VanNeste and their son, Albert and family.

Mr. and Mrs. Hugh Mitchell and Ted, Mr. and Mrs. Tom Mitchell and Joe and Mrs. Ellen Eccles spent New Years day with Mr. and Mrs. Sam Mitchell and family.

Mr. and Mrs. James Mitchell and son, Bill, spent New Years day with Mr. and Mrs. Jim Derby and family of Addison.

Mike and Melissa Mitchell spent the weekend with their grandparents, Mr. and Mrs. Hugh Mitchell and returned home New Years day.

The Raisin Sewing Circle will meet with Mrs. Claren Bates on Friday, January 11 at 12:30 p.m. There will be an election of officers.

Mr. and Mrs. Ed. Mitchell were recent guests of Mr. and Mrs. Elmer Struyk of Port Huron.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY

MAUDE WILSON, and GEORGE HARVEY LEWIS, a Widower, Individually and as Executor of the Estate of Hattie A. Kemp, Deceased,
Plaintiffs,
vs. ORDER OF APPEARANCE
AUSTIN E. WING, MARY DIBBLE, WILLIAM H. BURRELL, FRED W. BURRELL and BESSIE K. BURRELL, his wife, F. B. WOOD, FREDERICK B. WOOD, and FLORENCE DOVE, and/or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of December, A.D. 1956.

Present: The Honorable Rex. B. Martin, Circuit Judge.

In this cause, it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said Defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ORDERED that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that, in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ORDERED that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

/S/ REX B. MARTIN
Circuit Judge

Countersigned:
Patricia J. Johnston, Clerk

MACON NEWS

MRS. HAMILTON MOORE

Correspondent

MACON METHODIST CHURCH, Rev. Donald Bates, minister, Sunday School 10:00, Church Service at 11:00. Junior M.Y.F. at 4:00 and Senior M.Y.F. at 7:00 on Sunday. Junior Choir Practice at 7:00 and Senior Choir at 8:00 on Thursday. Next Sunday, January 13, there will be another Church Fellowship dinner following the church service. The public is invited. Each family is to bring the table service, dish to pass and sandwiches or rolls.

The Macon Community Club will meet Tuesday, January 15, with supper at 7:00. Mr. and Mrs. Melvin Travis are the host.

Mrs. Charles Bigelow will entertain the Macon Hobby Club on Thursday Jan. 17, with salad luncheon at 12:30. All members are to bring supplies to textile paint, or fancy work. Secret Sisters will be chosen for the coming year.

Miss Linda Hendershot of Ypsilanti, spent a few days with her grandmother, Mrs. Bessie Hendershot.

Mr. and Mrs. Harvey Jones of Monroe were Sunday guests of her brother Emerald Cousino.

Tom Maddux spent Sat. night and Sunday with his sister and family, Mr. and Mrs. William Ragsdale in Monroe.

Mr. and Mrs. C. Conner and family of Detroit were New Years Day guest of Mrs. Mary Howell and Mrs. Eva Thomas.

Millard Gilmore has returned home from the Herrick Memorial Hospital.

Jack Greenfield has been sick with the chicken pox.

Mrs. Charles Bigelow was host to the W.S.C.S. on Thursday. She conducted the business meeting in the absents of the president. Favorable reports were given on the bake sale and Christmas card sales. It was decided to have the tallent dollars again this year to be from January 1957 to 1958 and be handed in February of 1958. Mrs. Blanche Osborne, Mrs. Irma Sherward, and Mrs. Mildred Moore were appointed to see about ordering vanilla to sell to earn an electric roaster. The date of the Father and Son Banquet has been set for Wed. Feb. 27. Mrs. Irma Sherward is kitchen chairman. It was announced that the evening Circle has ordered a new kitchen gas range to be installed soon. Mrs. Russell Collins of the Alice Jane Circle was a guest. Mrs. Margaret Hall gave the devotions on "Islands of My Community." Mrs. Blanche Osborne arranged her program on the same theme with several ladies taking part. Punch and cookies was served. The February meeting will be with Mrs. Sherward.

Mr. and Mrs. John Hendershot and family of Washington Court, Ohio visited his sister and family, the Charles Bigelow's on Wednesday.

Mr. and Mrs. E. J. Mitchell and son Floyd of Royal Oak, were Saturday night and Sunday guests of Mr. and Mrs. H. F. Moore. Other guests on Sunday were Mr. and Mrs. Charles Fetterman and three sons of Adrian, Mrs. LaMoine Fetterman and Newman White of Garden City, Mr. and Mrs. Dean Moore, Donald Moore of Tecumseh and Mr. and Mrs. Hamilton Moore Sr.

The Macon Youth Fellowship enjoyed a roller skating party Saturday evening. Mr. and Mrs. Charles Gorton were the chaperons.

Miss Margie Papp returned to College in Ypsilanti, Sunday, after spending the holidays with her parents, Mr. and Mrs. Mike Papp and her sister Janet.

The Junior Choir sang a special number Sunday and looked very nice in their new white robes with red ties. They are doing a very good job.

Mr. and Mrs. Verl Sanch and sons, visited Mr. and Mrs. Edmond Sanch, in Milan Saturday evening.

RIDGEWAY

Elmer Linn

Correspondent

Mr. and Mrs. R. A. Halladay of Clinton called in town Monday.

Humility Begins
In The Funeral Home . . .

Nowhere on this earth is the fact that we are subject to God's pleasure known as well as here. We, the Funeral Directors, daily see His work, and know the helplessness of man before His will.

From our experience comes true humility — in our lives and in our work. Yes, sincerity and humility are present in every service we render at the Green Funeral Home — a quality that serves you well.

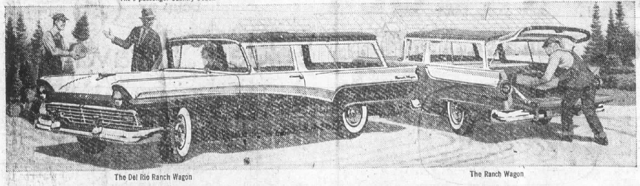
The 9-passenger Country Squire

The 6-passenger Country Sedan

The 9-passenger Country Sedan



The Del Rio Ranch Wagon

The Ranch Wagon

FIVE NEW FORD glamour wagons

long, low and loaded with Go!

Leave it to the station wagon leader to make the big news for '57! And what news! Wagons so big, so full of fine-car prestige that you'll wonder how it can be done at low Ford prices.

If your choice is the Country Squire, you'll be proud to pull up at the finest places in this new glamour wagon with its wood-like trim.

If your needs call for a 6-passenger wagon with four doors, you'll love the new Country Sedan. It has almost nine feet of loadspace—nearly a foot more than ever before.

There's still another 4-door Country Sedan. It has the extra third seat for 9-passenger room. And, as in all Ford wagons for '57, you have the new single-control handle which opens both the wrap-around liftgate and tailgate with one motion. And they can't be opened from *inside!*

There's good news, too, about Ford's popular Ranch Wagon. This 6-passenger, 2-door model features Ford's new subdued tones, and smart interiors which defy muddy little shoes and drippy chocolate cones.

In the wonderful way that Ford can take a fine thing and make it even finer, the Del Rio Ranch Wagon goes beyond the Ranch Wagon in style, fabrics and trim.

Better take a Ford wagon for a spin. You'll agree that for styling it's a sweetheart . . . for work and power, it's an obedient slave!

New '57 Fords have toughest shakedown cruise in history!

The '57 Ford broke 458 national and international records from 1 kilometer to 50,000 miles at Bonneville, Utah. For 50,000 miles, two '57 Fords averaged over 107 and 108 mph respectively. This time included all pit stops . . . the greatest endurance feat of all time!

Editor's Corner . . .

By Phil Belleville

Is it true that the government of the United States is helping destroy our great free enterprise system through high discriminatory taxation? Certainly an unqualified yes cannot be given to this question, however, neither can an unqualified no.

At the present time, the government is spending each year in the neighborhood of 110 billion dollars. This is the equivalent to about a third of the income of every person and business in the United States. In effect, you are working for the government at least a third of the time.

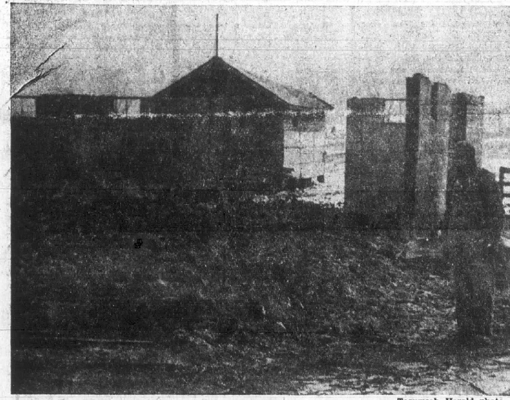
Incentives are severely weakened when success, as measured in dollar terms, is rewarded by a higher rate of taxation from the government. Our free enterprise system is built on the assumption that proper incentives will be available to spur individuals to economic success since economic success is achieved when goods or services demanded by society are produced efficiently. Thus when we make economic success more difficult by high discriminatory taxation in the higher income classifications, we are making free enterprise more difficult.

Fortunately there are other incentives to achieve success besides money. (There are also other kinds of success than economic success). Prestige and pride in achievement are great incentives. There are many instances where a man would rather be looked up to and admired by his fellow men than achieve monetary rewards. This can be seen by looking at the field of labor relations today. There are probably more disputes arising out of prestige, recognition and workman's rights than there are arising out of monetary demands.

It should be clear to everyone that we are in an era of

(See EDITOR'S CORNER, Page 6)

Barn Destroyed On Helwig Farm



Tecumseh Herald photo

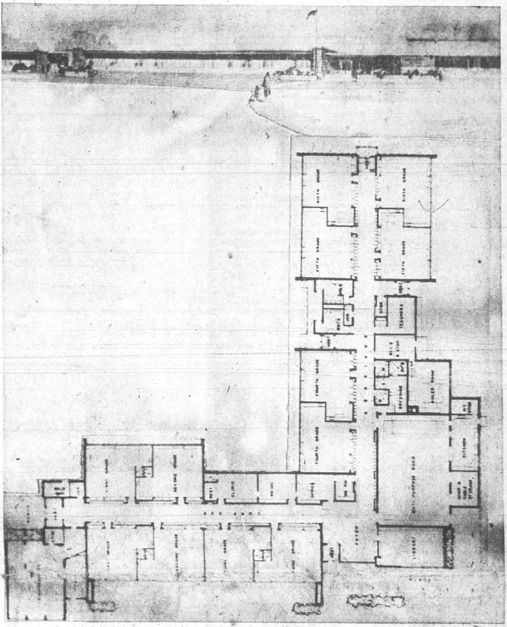
At 3:40 a.m. Friday, Charles Miller of Route 1, Onsted when returning from work at the Tecumseh Products Co. noticed a fire when he was at the intersection of M-50 and M-52. It was a barn at the Ernest Helwig farm located at 3651 Paragon Road in Franklin Township. He aroused the family and helped rescue a portion of the livestock.

The Tecumseh Fire Department and the Adrian Rural Department were able to do little except save surrounding buildings due to the advanced stage of the fire and water system freezing trouble. The last truck left at 10:30 a.m. The cause of the blaze was undetermined.

Losses in the fire included approximately 40 hogs, baled hay and straw, 500 bushels of corn, ground feed, ground corn in the silo, two wagons, a grain elevator, other farm tools in addition to the 68 x 40 barn and silo. Losses are at least partially covered with insurance.

TECUMSEH ACRES SCHOOL IS PROPOSED

Plans And Descriptions Revealed



Tecumseh Herald Rephoto

Superintendent of Tecumseh Public Schools, James McDowell, in the fifth article in the series of projects proposed by the Board of Education says, "the Board of Education of the Tecumseh Public Schools proposes to build twelve classrooms and a kindergarten which will accommodate 420 pupils at Tecumseh Acres. The school is planned on property purchased on South Adrian Street several years ago in anticipation of the need of a new school to serve in that area".

"A new subdivision is being opened just South of the property and with Tecumseh Acres and the subdivision on South Union Street will form the nucleus from which the pupils will be drawn for this school. Also, since the expansion of the Sutton area is still not complete and no clear guess can yet be made as to where a school should be built in that area, Sutton area children in excess of the capacity of the present three room building and Colvin and Lanning School children will also attend the Tecumseh Acres School. Also, since there are quite a few children living in homes on Pottawatamie and other streets west of Adrian Street there will also be served by either the Patterson or Tecumseh Acres School depending upon their location."

"The building will be brick faced, with aluminum trim and windows. Besides the thirteen classrooms it will have an all-purpose room with hot lunch kitchen, storage for stage, tables, and chairs, shower and locker room facilities including basket storage, clinic, library, teachers work room, and principals office. Adult toilets are provided for visitors and the boys and girls toilets will have doors opening on the playground so that they may be used in the summer without going through the building. A very modern kindergarten is provided similar to the one at the Patterson School."

"The L-shaped classroom as described in articles concerning the other projects will be used and toilets for kindergarten and first, second, and third grade rooms will be in connection with the rooms. A new road has been planned in cooperation with the city running from Patterson Street west across the present gravel pit and along the north edge of the school property. This road will be fenced along the school property and will have no sidewalks. A walk from South Union Street to the school property has been arranged with the City over their property near the pumping station and will be a safe entrance from the east since there will be no road or drive through along this walk. In the interest of safety because of the location, the Board and City are planning an overhead passage across Adrian Street, probably at Shady Lane. This passage would be fenced. A stop light was considered but because of the hill was thought to be inadequate since traffic along Adrian Street is heavy and fast.

(Continued on Page 3)

The M & M Show Will Be Held February 8, 9, 10

The Merchants and Manufacturers Show plans and preparations are progressing rapidly. Hall-Slater Post of the V.F.W. sponsors the annual event for local merchants and manufacturing firms to display their wares and products. It is to be held February 8, 9 and 10 at the Tecumseh Products Union Hall.

Mr. Kenneth Hinkleman, chairman, announces that anyone interested in a contract for a booth should contact him at phone 99W.

The show is considered one of the most outstanding of its type in the State of Michigan. Local merchants are going all out to make this years show even better than those of the past. They will display the latest in building material, appliances sporting equipment, etc.

This beautifully decorated Union Hall makes a fine setting for the show. Don't forget to come. This is your real chance to get new ideas for home improvements, etc.

More Clearance Sales Announced

More January Clearance sales are being announced this week. They are: Osborne's Dept. Store, Eggleston's Jewelry, Protane Corp. of Tecumseh, Clinton Woolen Mills and Maple Crest Enterprises, Clinton.

Their advertisements have plenty of bargains offered for sale that will save you money. Read these ads and all ads in the Herald every week . . . you will find it pays.

James McDowell To Address High School P. T. A.

The meeting of the High School P.T.A., Thursday, January 31 promises to be a most informative meeting for all citizens of Tecumseh and the area. Mr. James McDowell, superintendent of Tecumseh Public Schools will be the speaker, and the Bond Issue and all phases of the new building program will be presented.

Mr. McDowell will also have pictures of all the schools to be built in the area, so that everyone may see for their own satisfaction just what is taking place. Members are urged to keep this date in mind and make plans to attend.

———o———

Kiwanis Club Square Dance Jamboree Jan. 23

The Tecumseh Kiwanis Club is all set for the Square Dance Jamboree they are sponsoring Wednesday, January 23. It will be held in the Tecumseh Products Union Hall from 8 to 12 o'clock.

Proceeds will go for underprivileged children. Tickets are on sale by all Kiwanis Club members.

There will be eight callers at the dance. Alex Rice and his Ranch Boys from Dundee will furnish the music.

———o———

American Legion Polio Dance Is January 26

The American Legion will sponsor a Polio Dance at the American Legion Hall on Saturday evening, January 26 from 9 until 2 o'clock.

The popular Cal Damon's orchestra will furnish music for the dance and all proceeds will go to the Polio Fund.

———o———

An Editors Prayer

There's an Old Time Editor's prayer making the rounds again—it goes like this "O Lord, let my words be gentle and sweet for tomorrow I may have to eat them."

March Of Dimes Drive To Continue Until February 15

Cannisters have been placed in all the business places this week for the Polio March of Dimes Drive. The drive will continue until the 15th of February. Anyone wishing to mail their contributions may do so by sending them to Mrs. Harold Easton, 301 Center Court, Tecumseh or Mrs. Charles Stevenson, 310 W. Pottawatamie.

The Mothers March will be January 31st. Any persons wishing to participate please call Mrs. Harold Easton, 1130 or Mrs. Charles Stevenson, 266-W.

Officers of the local March of Dimes are: Chairman, Mrs. Harold Easton; vice-chairman, Thomas Cookery; Secretary, Mrs. Robert Custard; Treasurer, Mrs. Charles Stevenson; Publicity Director, Donald A. Smith; Cannister chairman, David Vanderpool.

Any clubs, organizations or individuals that are holding activities to raise money for the March of Dimes may call Mrs. Harold Easton and she will help the cause by taking care of the publicity.

———o———

Dorothy Updike's Article Is In Jan. Parents Magazine

Mrs. Dorothy Updike, our local kindergarten teacher at Patterson School has written a fascinating article which appears in the January issue of **Parents Magazine**.

The article deals with the vivid and expressive imaginations of little children, who sometimes distress their parents because of the untruths their imaginations dream up. Mrs. Updike feels that children realize they are only making stories. For a cleverly worded article that carries you along with its enthusiasm be sure to read Mrs. Updike's latest work, entitled, "Not Really—But It's Fun To Pretend!"

———o———

Patterson School Now Has Newburg Kindergarten

Due to inclement weather and difficulty of access to the Newburg School, the Newburg Kindergarten has been moved to the library room at the Patterson School.

The library books have been moved to the office and teacher's work room and library furniture set up so that the former office has become a library. The library room, whereas it is not large enough for general kindergarten work, is adequate for the kindergarten groups involved since both are small. New furniture has been ordered and should arrive soon. The furniture at the present location at Newburg is too large to be used effectively in the Patterson School Library.

Superintendent James McDowell states that "this change in location is, we hope, temporary in nature. If the bond issue for the new schools is favorable it is hoped that adequate facilities may be ready by the fall of 1958. The Newburg School will not be for sale at present as it may be needed next year."

———o———

Panel Discussion To Be January 24 In Central Gym.

The next meeting of the Central P.T.A. will be Thursday January 24 at 8:00 p.m. in the Central School Gym. The program will be a panel discussion on the building program and Bond issue. The Panel members will be Mr. James McDowell, Mr. Earl Green, a School Board member, a representative from the architect's office and a parent representative from the major areas served by the Central School.

Detailed drawings of each of the proposed schools will be displayed. Following the discussion, there will be a question period. Teachers will be in their class rooms from 7:30 to 8:00 p.m. to discuss individual problems.

Good Citizen Contest Winners Are Announced

MADELYN KAY MC CLURE

DIANA SEAGERT

PATRICIA MAY HOELZER

Abi Evans Chapter, Daughters of the American Revolution is announcing the winners of the Good Citizens contest for 1956-57.

This contest is based on: Dependability, Service, Leadership and Patriotism. The winners and their mothers will be entertained at a Good Citizens Tea March 8 at 2:30 p.m. at the home of Mrs. Louis Schneider Sr. At this time, each girl will be presented with a gold pin engraved with her initials.

Under the supervision of their respective High School Principles, they will take a test which will give them a chance to win a U. S. $100.00 bond.

On March 16, 1957 they will be entertained at luncheon in the Hotel Pantlind at Grand Rapids as guests of the 57th Annual State Conference of the D. A. R.

Miss Madelyn Kay McClure, daughter of Mr. and Mrs. Herbert McClure of 1150 W. Monroe Rd., is one of the winners. Kay, as she prefers to be called, was born at Herrick Memorial Hospital on May 14, 1939. She is a senior in Tecumseh High School.

She attended the Pink School from the kindergarten through the eighth grade at which time she entered Tecumseh High School. In the ninth grade, Kay played the piano for the Chorus and is accompanying them again this year. She served on the Student Council for the past two years and was elected secretary this year. Other duties include being secretary of the newly formed Lois D. Service Future Teachers Club. In November of 1956, she was a member of the homecoming queen's court. Currently, Kay is working as class editor of this year's Annual. She is a member of the Tecumseh Methodist Church where she helps with a Sunday school class and also sings in the choir.

Kay has followed a college prep. course in high school and plans to enter Eastern Michigan College in the fall.

Another winner is Diana Seagert, daughter of Mr. and Mrs. Raymond Seagert of Britton, Michigan. Miss Seagert is a Senior in the Britton-Macon Agricultural School.

She has been a member of the Student Council for two years. Diana has played in the High School Band for three years and is secretary of it this year. She has been a member of the Chorus for the past three years. Diana is president of the Journalism Club and secretary of the Senior Class. Other duties include being editor of the Annual. She has been a member of the Future Homemakers of America for two years and is vice president. Diana participated in the Junior Play as well as the Senior Play.

In church activities, she is a member of the choir, teaches a Sunday school class and is president of the Youth Fellowship. Club activities include being secretary of the Britton Suttonairs 4-H Club.

The other winner is Patricia May Hoelzer from Clinton, daughter of Mr. and Mrs. Martin Hoelzer. Miss

Rotarians Add To Bleacher Fund

Tecumseh Herald photo

George E. Green, Sr., treasurer of the Tecumseh Rotary Club, is shown presenting a check for $700.02 for the bleacher fund, to Faye Whelan, chairman of the Community Recreation Council. Rotary president, James McDowell, is on the right.

The $700.02 was the amount cleared from Mort Neff Night recently held by the Club. Five hundred dollars was previously given by the organization to the bleacher fund.

The Tecumseh Herald Social News

Arthur Botham Addressed Rotary Club Tuesday

Arthur Botham, who has charge of "Quality Control" at Tecumseh Products, gave a very interesting talk at Rotary Club, Tuesday night, explaining what the duties of his position are. The main four functions of his work are: tabulation, collect tabulations, analyze and interpret. He said most of the leading plants in the country today have quality control, which not only saves money, but helps keep quality at a high standard.

A report was given on the recent Mort Neff show which netted $700.02 after all expenses. The entire amount went to the bleacher fund.

Announcement was made of the annual Rotarian dinner to be held February 12 at which time guests are invited.

On January 25, a film will be shown on the St. Lawrence Seaway, which should prove very interesting. Hugh Walters is program chairman for this meeting.

---o---

MISS JACKIE RUCKER SANG

Miss Jackie Rucker sang several solos at the luncheon given in honor of the State Board Officers of the D.A.R. Friday, Jan. 4, in the St. Peter's Parish House. She was accompanied at the piano by Mr. Dennis McKenzie, and they were presented with gifts from the D.A.R.

Monday Club To Hear Dr. John Dawson

Last Monday, the Tecumseh Monday Club held the first meeting of the year in the Methodist Church with Mrs. Robert Bonner presiding. Two new members were introduced and welcomed to the membership of the Club; they were Mrs. Louis Perry and Mrs. Richard Close.

The theme of the program was the American home. Two outstanding students of Adrian College, Miss Maralyn Papenhagen and Miss Janice Ferry were present to give very informative talks on their recent visit to the United Nations meeting in New York. As it happened, the business of the day when they visited the U. N. was the Russian and Hungarian situation and so the club members found their talks most interesting. Business men from Adrian made it possible financially for the girls to go, and they by their own scholastic achievement were the ones chosen to go. The girls brought papers with them that the members enjoyed browsing through as tea was served by Mrs. Ethel Koch and her committee, with Mrs. E. H. McConnell pouring.

The next meeting Jan. 21, of the Tecumseh Monday Club will be guest day held in the Methodist Church. The chairman is Mrs. C. W. Allen. Mrs. Wilfred Waldon will be leader of the program on "A Lesson in World Understanding" presented by Dr. John Dawson of the Adrian college. Mrs. Roscoe Hewlett will be chairman of the hostess committee.

Tecumseh Ladies Attend Petite Salon Meeting

Petite Salon No. 127, 8 and 40 met Monday evening in the home of Mrs. Milton Caughey in Adrian with Mrs. Arthur Gautz, assisting hostess.

The evening began with the serving of dessert by the hostess. Le Chapeau, Mrs. Jack Smith, conducted the business meeting. Members voted to hold a useful article sale at the next meeting to be held February 11 in the home of Mrs. Ray Sluyter in Tecumseh with Mrs. Percy Bowen assisting.

The remainder of the evening was spent socially with cards. Prizes in bridge went to Mrs. Fred Westphal and Mrs. Lavern Mapes and in canasta to Mrs. Fred Marsh and Mrs. Marvin Watkins.

Those from Tecumseh attending were: Mrs. Jack Smith, Mrs. Albert Bagshaw, Mrs. O. W. Laidlaw, Mrs. Percy Bowen, Mrs. Ray Sluyter, Mrs. Marvin Watkins, Mrs. Fred Marsh and Mrs. Charles Howe.

---o---

St. Peter's Guild To Meet Jan. 24

Mrs. C. O. Butler was the hostess for the meeting of the St. Peter's Guild last Thursday. Mrs. E. C. Dicken presided at the business meeting and appointed her committees for the year. Mrs. Thomas O'Hara led the worship and Mrs. E. C. Dicken read from the book, "Women of the Bible", by Edeth Deen. Refreshments were served by the hostess assisted by Mrs. O'Hara.

The next meeting will be held at the home of Mrs. H. H. Hammel Jan. 24 with Mrs. M. W. Wilson assisting.

PARENTS WARNED

Postmaster Jack Metcalf warns parents that children have been throwing snow into the large corner mailboxes.

A June Wedding Is Planned

SHIRLEY LARNED

Mr. and Mrs. Jerald Larned of Tecumseh announce the engagement of their daughter, Shirley, to Ray Edward Covell, son of Mr. and Mrs. Harold Covell of Clinton. The wedding will take place on June 21 at the Tecumseh Methodist Church.

Both Miss Larned and Mr. Covell are students at Eastern Michigan College in Ypsilanti, majoring in physical education. Mr. Covell is a member of the Tau Kappa Epsilon National Fraternity, Delta Pi Chapter.

Baptist Women Held A Family Night Monday

A Family Night in conjunction with the Woman's Society of the Baptist Church meeting was held Monday evening in the Youth House with about fifty in attendance. Mrs. Clifford Curran presided during the business meeting.

The members voted to contribute $15.00 to the March of Dimes. Mrs. Garland Gove gave a report on the progress of the pepper and vanilla sale the ladies are having. Mrs. Eddie Kirkland led the devotional period, and Mrs. Harley McConnell sang a solo, "Bless this House" accompanied by Mrs. E. H. McConnell. As chairman of the migrant committee of Lenawee County United Church Women, Mrs. McConnell then presented Rev. Francis Mitchinson of Hudson, who is chairman of Migrant Work under the auspices of the Lenawee County Ministerial Association. Rev. Mitchinson inspired everyone present with pictures and the message of the work among 1300 migrants working in Lenawee County this past summer, and told of the dire need for funds and clothing if the work is carried on. Donations may be sent to Mrs. E. H. McConnell.

Refreshments were served from a lace covered table, centered with an attractive floral piece, by Mrs. Eddie Kirkland, and Mrs. Harley McConnell. The hostesses were Anna Grigg, Mary Snedecor, Mary Davidson, Glennis Curran and Leota McConnell besides those serving at the table.

The February meeting will be held February 11 with Mrs. Robert Gillispie in charge of the program. Mrs. George VanCamp will lead devotions, and Mrs. Eddie Kirkland will be chairman of the hostess committee.

---o---

A March Wedding Date Is Set

BARBARA ANN TRUMBLE

Mr. and Mrs. Kenneth Trumble of Jackson announce the engagement of their daughter, Barbara Ann, to Fredrick M. Ziegler, son of Mr. and Mrs. Fredrick Ziegler of Muir. A March wedding is planned.

Both young people graduated from Michigan State University in June. Miss Trumble is teaching 2nd. grade in Tecumseh while Mr. Ziegler is employed by Wickers Lumber Co., Dundee.

Spaghetti Dinner To Be Held By Altar Society

The Altar Society of the St. Elizabeth Catholic Church held their meeting last Wednesday in the school auditorium. Mrs. R. J. Whiting presided. During the meeting, the members voted to give $25.00 to the Polio Fund, and plans were completed for the annual spaghetti dinner for which members each brought a can of tomato paste. The dinner will be served for members and friends Sunday, March 3, with Mrs. R. C. Roll as chairman.

Three new members were welcomed into the Society and made a total of 40 present. They were Mrs. Fred E. O'Donnell, Mrs. Rita Baruch, and Mrs. Robert Randall. Refreshments were served by Mrs. Paul Burns and her committee.

---o---

Charles Butler To Attend NADA Convention

Mr. and Mrs. Charles Butler and Mr. and Mrs. R. H. Moore will leave January 24 for SanFrancisco, Calif., where Mr. Butler will attend the National Automobile Dealer's Association Convention. He is president of the Michigan Auto Dealers Association. On January 31, they will leave for the Hawaiian Islands. The entire trip will be made by plane. They expect to be home about February 11.

D.A.R. To Hold Rummage Sale

A committee meeting was held Monday afternoon at the home of Mrs. Mable Whiting to complete plans for the D. A. R. rummage sale to be held January 25 and 26 in the Schneider Bros. Garage. The bake sale held in conjunction with the rummage sale will be held the last day, Jan. 26, and contributions are to be at the garage by 10 a.m. or call Mrs. Whiting, phone 384R, or Mrs. Joseph Rice, 541-M for assistance.

---o---

Potluck Dinner January 25

The Christian Workers of the Baptist Church will hold a potluck dinner Friday, January 25 at 6 p.m. in the Youth House. The host committee will be Mr. and Mrs. Marion Morris and Mr. and Mrs. George Van Camp. The program is in charge of Mr. and Mrs. Richard Lask. The report of the nominating committee for the officers of the coming year will be given at this meeting.

---o---

MRS. FERO ENTERTAINED

Mr. and Mrs. Barnard Fero entertained at a birthday party Saturday evening for the pleasure of Mrs. E. J. Ciesielski of Milan. Besides Dr. and Mrs. Ciesielski the guests included Mr. and Mrs. R. C. Whichello, and Mr. and Mrs. Reuben Warsop of Belleville. A decorated birthday cake centered the table, and the honored guest was presented with several gifts.

Box Social Is Planned By Jaycee Auxiliary

The Ladies Auxiliary of the Junior Chamber of Commerce held their regular monthly meeting, Wednesday evening, January 9th at the home of Mrs. William Davenport.

The regular business meeting was held and it was decided to donate $5.00 to the Polio Drive. Plans were made for the Box Social which the Auxiliary and the Junior Chamber will have February 9th in the Sage building. After the meeting was closed, a dessert luncheon was served.

---o---

Kiwanis Club New Officers

Lt. Governor Stan Woods installed officers at the Kiwanis Club meeting Wednesday noon. They are: President, Fred Hadley; vice presidnt, Ray Ernst; treasurer, Richard Hicks; secretary, Gene Tuckey.

Following the installation, Lt. Gov. Woods spoke to the club on "Aims of Kiwanis for 1957."

Final plans were made for the Square Dance Jamboree, Jan. 23.

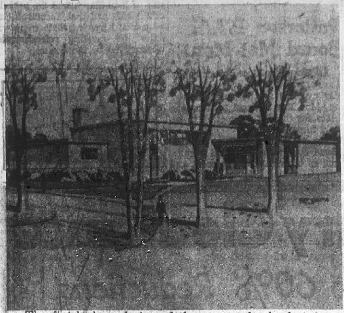
Proposed Macon School



The finished rendering of the proposed school unit at Macon are showed above. Rough drawings and the article describing the school were in last week's Herald.

Editors Corner . . . . .

(Continued from Page 1)

"big" government. Certainly it takes a lot of revenue to operate such a government, especially one that gives its citizens as many services as this one does. However we cannot carry a "big" government on one shoulder and excessive waste on the other. The Second Hoover Report resulting from an unanimous decision of Congress in 1953 revealed excessive waste. This non-partisan report pointed the way to a savings of 5 billion dollars for the taxpayers.

There seems to be quite a few possible solutions or at least partial solutions to the problem of excessive taxation. Lets suggest a few of the better ones. I feel that the recommendations of the 38 volume Hoover Report should be carried out almost in total. Certainly a way to reduce taxes is to eliminate excessive waste and increase the efficiency of our government. Another solution lies in merely lowering the tax rate. This should result in as much revenue to the government, if not more than it is now getting, due to the increased incentives and business activity that should result. A solution would lie in world peace if it were possible. The Department of Defense takes 60 cents out of every tax dollar paid at the present time.

aie.re-airlacmfwy cmfwy cmfwy pcmfwy vbgkq vbkgqbbv

There may be danger ahead if this problem is ignored. Lets make sure that it is not.

Tecumseh Acres School Plans

(Continued from Page 1)

Plant traffic will be routed west down Russell Road, Patterson Street and other streets North of Patterson. It is hoped that by splitting the traffic and scheduling school operation at strategic times, there will be little opportunity for children being injured by automobiles."

"All the schools are planned with safe play areas, adequate loading areas for busses and cars, and landscaping that will make them very attractive additions to the areas in which they are located."

HOSPITAL PAYROLL

$200,000

Hospital Administrator, Orrie Gilbert, announces that the payroll for the Herrick Memorial Hospital was approximately $200,000 during 1956.

Police Report For Week Of January 14

Cars driven by Mildred Osborn and Kathryn Reid collided on N. Evans Street at the VFW drive, Tuesday. Miss Reid states that she was driving out of the VFW parking lot and made a right hand turn. She then saw a car coming from the north and applied her brakes and slid into the rear of the car driven by Mildred Osborn.

Tecumseh Police investigated the accident and issued a summons to Miss Reid for failure to have her car under control. An estimated $125.00 damage was done to the Osborn car and $50 to the car driven by Miss Reid.

Joseph Kish of Ridegway was ticketed by Tecumseh Police on Chicago Blvd. for speeding 52 miles per hour in a 35 mile zone. He was ordered to appear before Judge French within 10 days.

Good Citizenship Contest Winners Are Announced

(Continued from Page 1)

Hoelzer attends Clinton Community Schools.

Her extra curricular activities include, Student Council representative for one year and Student Council secretary for two years. Patricia has been a member of the Future Homemakers of America for one year. She has been a member of the Future Nurses Club for three years and president for one year. She is a member of the Canteen Committee for the Clinton Youth Club. Patricia has been a member of the Chorus for three years and has been on the School Paper staff for two years.

Miss Hoelzer is a member of the First Congregational Church of Clinton. Future plans include entering the Henry Ford Hospital School of Nursing in Detroit.

Tecumseh, Britton and Clinton can well be proud of these young ladies who have distinguished themselves in their respective schools and communities.

Local Dentist On "The Big Payoff"

Dr. Robert Laidlaw and his wife, Della, front row, of 510 Seminole Drive (Tecumseh) are pictured on TV's "The Big Payoff" with stars Bess Myerson and Randy Merriman after the Dentist won an expensive wardrobe for his wife.

On their recent trip to New York City, Mr. and Mrs. Robert Laidlaw and Mr. and Mrs. Jack Osborn had an exciting experience when the Laidlaws were selected from the audience to participate in the "Big Pay Off" program, a C.B.S. television production viewed from coast to coast. It happened that time ran out on Friday so the Laidlaws were asked to return to the studio again on Monday to complete the quiz in which Dr. Laidlaw answered questions to win for Mrs. Laidlaw, an expensive fashionable wardrobe, including a suit, coat, lingerie, sportswear, shoes, dresses hats, a watch and perfume. After answering two questions, Bob was stumped with one based on Greek prose, "In Homers Iliad, what was Ulysses home town?" The Laidlaws were thrilled with the number of telegrams and letters thy rceived from friends and acquaintances from Maine to Seattle while still in New York. Many of Bobs military buddies recognized him and sent greetings. The local Jaycees and Boy Scouts, sent a wire which was read over the air.

Dr. Laidlaw said, "The Big Pay Off is an above board operation and not prearranged through the personnel do make every effort to help the contestants relax and enjoy themselves while participating on the program." He enjoyed so much seeing how the show is made up and produced, and also the amount of mail the program receives. This particular program has been on the air continuously for the past five years, going into the sixth.

Cub Scout Exposition Held In The Union Hall Monday

The annual Cub Scout Exposition of the Lenape District, which was held in the Tecumseh Products Union Hall Monday evening, was well attended by Cubs, Scout leaders, and parents from all over the district. Dr. Richard Dustin, scoutmaster of Pack No. 4 of Tecumseh, welcomed the Packs to the Exposition, after the colors were presented by The Webelos Den of Pack No. 4 under the direction of Mr. John Dennis.

Dr. Dustin then presented the following Packs with their skits and other presentations: Pack 4 of Tecumseh presented 2 skits from a Ministrel show that they had produced this year, Joel Rutherford in typical ministrel style pantiomind, "I Never Felt More Like Singing the Blues", and six "colored" boys sang "Sidewalks of New York"; Pack 45 of Addison presented "Friendship Village"; Pack 12, of Morenci had six boys who gave "Worst Aid"; Pack 73 of Tecumseh under the direction of their scoutmaster, Irwin Richardson, sang 3 Cub Scout songs, "Hail to Cubbing", "Cubs are Square". and "The Army Air Corps Song"; and Pack 5 of Clinton presented a puppet show "Safety Patrol".

After the presentation of the skits those assembled were entertained with a very special treat presented by Scouts of the Order of the Arrow of the Wolverine Council. These Scouts are out standing in their own troops for their work in scouting and out-of-door work and can only become members of the Order of the Arrow by being elected from their own troops. For the dances, the boys made their own costumes with the exception of their wigs. The feathered outfits were very authentic and colorful. The boys from Monroe, Adrian, and Temperance presented the following Indian dances to the accompaniment of tom toms and other Indian instruments: the Chiefs dance, the Shield dance, the Bell dance, the Contest or Pow Wow dance, Prairie Chicken dance, the Fluffy dance, in which some of the Cubs had a chance to try to pick up the Fluffy without touching the floor, the Eagle dance, in which the Eagle was brought down by the Indian Brave, and the Hoop dance which was an outstanding exhibition with the boy dancing in and out of the hoop and then jumping several times through the hoop. Guy Mayberry from Holland, Ohio is the guide for these Scouts of the Order of the Arrow. They will present their Indian dances again Feb. 16 in the Adrian Armory when a Scout Show will be held there.

Before the program was presented, guests had the opportunity to visit the exhibits of the various packs which were on display around the Union Hall. In many, the cubs were actually doing some of the activities that they have learned through the year. These along with the stage presentation were judged and the following ribbons awarded: blue proficient ribbons to Packs No. 8, of Blissfield, Pack 4 of Tecumseh, Pack 9 of Adrian, Pack 59 of Adrian, Pack 85 of Adrian, and Pack 39 of Deerfield. The standard red ribbon was awarded to Pack 45 of Addison, Pack 73 of Tecumseh, Pack 5 of Clinton, Pack 37 of Onsted, Pack 23 of Britton, Pack 82 of Adrian, and Pack 12 of Morenci. After the completion of the program and the awards presentation, the colors were retired by the Webelos of Pack No. 4.

Local Topics . . . .

Work is beginning at the Methodist Church on the removal of the old organ and installation of the new pipe organ will begin next week. It is expected that the new one will be completely installed within the next two weeks.

Mr. and Mrs. Walter Glenn of Tecumseh and Mr. and Mrs. Walter Bale of Tipton were in Carleton, Michigan last Thursday for the funeral service of Mr. Bales mother who passed away last week.

Mr. Donald Parrett returned home Saturday from St. Joseph hospital in Ann Arbor where he was taken for emergency aid last Wednesday evening in the snow storm. Because of the storm it took more than two hours for the ambulance to reach the hospital.

Mr. and Mrs. Wilfred Waldron, and Mrs. Thomas Hamilton were the guests of Mr. and Mrs. John Hamilton and older children for the showing of "The Seven Wonders of the World", Cinerama, last Sunday evening in Detroit.

Mr. Dean Jones is on a European business tour for three weeks spending a good deal of time in Italy. While he is away Mrs. Jones has returned with her mother, Mrs. Esperanza Valdez, to Mexico for a visit.

Guests in the home of Mr. and Mrs. Clyde Bailey, Sunday, were their daughter and family, Mr. and Mrs. Royce Beal and children of Ann Arbor, and Mr. Beals' mother, Mrs. James Beal of Greensburg, Pa., who is spending several days in the Beal home. She was called here by the death of her mother, Mrs. Fred Bertram, who passd away in Dearborn. Burial was in Adrian where she was a former resident.

The Tecumseh Fire Department members were hosts Tuesday evening at a meeting of the Lenawee County Firemen's Association. The meeting was held in the council rooms above the fire hall.

Mrs. Robert Laidlaw returned last evening from Wheeling, West Va., where she has been for a visit with her parents after a trip to New York City. Dr. Laidlaw came into Willow Run, Monday evening.

Mrs. Robert Sage has returned after spending the weekend in Lansing with her sister, Miss Cathrine Phillips.

Mrs. Lynn Hoag whose home is in Rhode Island and who has been a guest of Mrs. Harry Wood of Ridgeway, called on friends in Tecumseh last week.

Mrs. R. K. Anderson returned home by air Monday afternoon from Denison, Texas where she had spent the past month with her son and family, Colonel and Mrs. John Anderson and two sons.

Mr. and Mrs. Gene Tuckey have moved from their apartment on Chicago Blvd. to 310 W. Logan street.

Local members of the Lenawee County Historical Society are informed that that organization is invited to be guests of the Adrian Woman's Club on Tuesday, January 22 at 2 p.m. at the Adrian Public Library. The speaker of the afternoon will be the curator of the Museum of Natural History of Detroit.

TIPTON NEWS

MRS. DEAN COOK
Correspondent

The local Knights of Pythias will be hosts to the lodges in the South-Eastern District Monday evening, January 21st at 8:00 p.m.

The Independent Telephone Co. held its annual meeting Saturday night. During the business meeting, the election of officers were as follows: President, Ireno Busato; Vice-Pres., Dale Cook; Sec-Treas., Elmer Krout. Directors were named for each line.

At the Pythian meeting last week, Mrs. Clair Wanty, District Deputy and Grand Manager of Milan, made an official visit. During their business meeting, the Sisters made plans for the installation of officers on January 23rd. They also voted to help at the mobil chest unit here March 22nd. Frances Munger and committee served refreshments.

The West-Tecumseh P.T.A. met Thursday evening with a large attendance. It was voted to have open house at the Patterson school February 20th for all in the districts. Mr. Bennett, music supervisor, had charge of the program with all the schools participating with songs and dances. Mrs. Edwin Gove and her committee served the refreshments.

Mr. and Mrs. H. G. Daniels were dinner guests Sunday of Mr. and Mrs. Clinton Greenwald and daughters of Adrian.

Mr. and Mrs. James Ladd and children of Temperance were guests Sunday of Mr. and Mrs. Fay Luce and family.

Mr. and Mrs. Lawrence Reichenbaugh called on the latter's cousin, Mrs. Joe Meyers, in the Toledo Hospital Sunday.

Mr. and Mrs. Howard Evans had as dinner guests Saturday evening Mrs. Anna Swartz Miss Dorothy and Frances Baker, and Neil Callahan of Adrian.

Miss Margaret Hardy returned home from Herrick Memorial Hospital Sunday after being a patient for observation since Tuesday.

Dr. and Mrs. Thomas Platt and son of Anderson, Ind. were weekend guests of his mother, Mrs. Raymond Platt, and visited his father who is a surgical patient in Herrick Memorial Hospital.

Those who came from away for the funeral of Ora Jones which was held Saturday are: Mr. and Mrs. Howard Black, Mrs. Maymie Benner, Mrs. Florence Snyder, Mrs. Lee Warner and Jean, of Atwood, Illinois, Mr. and Mrs. Ivan Harris and Mr. and Mrs. Mesnil Marsh of Diamondale, Michigan.

Several ministers met at the church Monday for a day of fellowship, prayer and the planning for the spring missionary conference. The ladies of the church served them lunch.

Field and Stream

Ice fishermen are allowed to take unlimited numbers of perch from Houghton Lake this winter, following action taken by the Conservation Commission at its December 13-14 meeting in Lansing. Formerly, the limit was 25 per day.

The Commission ordered the experimental ice fishing regulations in an attempt to solve the problem of stunted perch in Houghton Lake.

The lifting of the perch creel limit for ice fishermen was recommended by Conservation Department fisheries workers after recent studies indicated a tremendous number of perch about four inches long in the lake.

The abundance of perch also may be a factor in the declining northern pike population in the lake, due to predation. However, continuous "development" around the lake has pinched off pike spawning areas and probably is the major factor in the northern pike decrease.

Several conferences have been held during the past two months with bait dealers, sporting goods dealers and resort owners who are concerned about the stunted perch problem. Department fish workers feel that partial chemical treatment may become a useful management tool for the lake, but agreed to the more immediate plan of lifting the perch creel limit on an experimental basis this winter.

☆ ☆ ☆

The 20th annual observance of National Wildlife Week has been set for March 17-23, according to the National Wildlife Federation, chief sponsor of the event.

The 1957 theme will be "Homes for Wildlife," stressing the habitat needs of various species in America. An educational campaign will be conducted to point out how soil erosion, over-grazing, unwise drainage, forest fire, water pollution and other abuses destroy natural habitat and deplete wild game populations.

Hamilton Unveils World's First Electric Watch

Dick Eggleston of Eggleston's Jewelry states that a new era in timekeeping was ushered in recently with the introduction of the world's first electric wrist watch, perfected aften ten years of research, development and testing by the Hamilton Watch Company of Lancaster, Pa.

No larger than a conventional wrist watch, the electric watch offers the highest accuracy and dependability ever achieved, and incorporates the first basic change in watch construction in almost centuries, according to Arthur B. Sinkler, Hamilton president.

Unveiled at a New York press showing, the watch will be available to consumers sometime this month in limited quantities. The first model, cased in 14 karat gold, retails for $175. A gold-filled model, at $89.50, will be available soon.

The radical structure of the electric watch completely eliminates the mainspring, an integral part of portable timekeeping devices since their invention in 1480 by Peter Henlein of Nuremberg, Germany. The new watch is the only one in existence which runs without winding or without periodic agitation, Sinkler added.

"The watch movement," he pointed out,, "is so exquisitely engineered that a tiny Energizer the size of a small shirt button will run if for a minimum of twelve months. In fact, Hamilton's electric watch would run for more than 20 years on energy that would operate a 100-watt bulb for no longer than one minute."

Sinkler called the electric watch a "milestone in Hamilton's program of research an dexpansion," and predicted it would in time completely replace present-day automatic watches.

Little Boy Gets Great Big Fish

According to reports at the Herald office, Spencer Curtis, young son of Mr. and Mrs. Almond Curtis, is Tecumseh's youngest ice fisherman. While fishing on Wamplers Lake last Monday evening, Spency snagged a great big pike, and his eyes became bigger and bigger as he struggled to land his catch. Finally, since Spence is only six and the pike weighed 3 lbs. and 1 oz., he had to have some help from Dad or join the Polar Bears Club and swim for him. Spencers mighty happy and Mother is sewing Dads buttons back on his coat.

Patterson P.T.A. Board Met Mon.

An Executive Board meeting for the Patterson P.T.A. was held Monday evening at the home of Mr. and Mrs. Ray Schlegel to complete plans for the P.T.A. meeting to be held tonight.

The planning committee for the Home Fair with Mrs. Fred Dickinson as chairman were present and reported that the progress of the various booth chairman is very good. The Patterson Home Fair will be held March 2 at the school, and it is hoped that Tecumseh citizens will keep this date in mind. After the meeting refreshments were served by the hostess.

MERCURY BOOSTS PRODUCTION TO A MERCURY A MINUTE TO MEET DEMAND

A record 40,000 Big M's being built in January... a 43% increase over December. A Mercury a minute, every minute of the day and night! All Mercury assembly plants are working overtime with the largest work force in Mercury history to meet the tremendous buyer demand. The landslide swing to Mercury is solid evidence that the new Big M is the most exciting car value of 1957. Never before has so much bigness and luxury cost so little. Prices for America's most beautiful and advanced car are just an easy step above the low-price three.

Ora Albert Jones Passed Away January 9

Ora Albert Jones passed away at the Ypsilanti State Hospital Jan. 9 where he had been a patient for the past two months. He was 76 years old, born Feb. 16, 1880 in Tuscola, Illinois. His fathers name was John S. Jones and his mothers maiden name Nancy Foster. Mr. Jones moved to Tipton from Tuscola, March 1, 1915. He was a member of the Tipton Grange, and the Cartwright Church inFicklin, Illinois. His health had been failing for several years.

Mr. Jones is survived by four daughters, Mrs. Grover Swarts, Mrs. Harold Radant, Mrs. Kenneth Munger, all of Tipton, and Mrs. Arthur Snyder of Route No. 4, Adrian; five sons, William of Lansing, Orris of Clinton, John, Robert, and Glenn of Tipton; 13 grandchildren, several nieces and nephews, and two brothers, Charles Jones of Windsor, Missouri,, and Jesse Jones of Severy, Kansas.

He was preceded in death besides his parents by his wife, Minnie West Jones in 1948 and two sisters, Mrs. Minnie Benner, and Mrs. Pearl Siercks. Funeral services were held Saturday in the Tipton Community Church at 2 p.m. with Rev. David Holly officiating. Burial was in the Tipton cemetery, and the bearers were Harley and Harold Anderson, Lyle and Donald Whelan, Lawrence Camerson, and Lester Munger.

Zelda Russell Laid To Rest Tuesday

Funeral services were held Tuesday at the Green Funeral home for Mrs. Zelda Russell, who passed away Friday at 11:50 p.m. in the home of her daughter and husband, Mr. and Mrs. Oren Feight, on Russell Road. Mrs. Russell was 96 years old, and had been ill for nearly a year.

Mrs. Russell was the widow of the late Thomas Russell, and the daughter of Smith and Dianna VanDeventer McCarbery. She was born in Macon, Sept. 24, 1860, and lived all her life in Tecumseh. She attended the Presbyterian Church and was a member of the Welcome Class.

She is survived by two sons, Millard of Portland and Floyd of Tecumseh; three daughters, Mrs. B. C. (Ina) Twichell of Erie, Pa., Mrs. Howard (Ethel) Moffatt of Detroit, and Mrs. Florence Feight of Tecumseh; a sister, Mrs. Charles Saul of Tecumseh; a half brother, Pete McCarbery of Saline; six grandchildren and 13 great grandchildren. She was preceded in death by her husband in 1939, her parents, and a grandson.

Rev. George E. Walworth officiated at the service and the burial was in the Brookside cemetery. Bearers were Oren, William, James, and Fredrick Feight, and LaVern Russell of Tecumseh, and Walter Paselk of Toledo, Ohio.

REV. F. BELLEVILLE

The Church of the Nazarene, an international Protestant denomination, recorded substantial gains in every area of its work during 1956, it was reported here this week by the Rev. Fred Belleville, pastor of the Ridgeway Church of the Nazarene.

The annual statistical report by Dr. S. T. Ludwig, Kansas City, Mo., General Church Secretary, showed that new churches and Sunday schools were established at the rate of two a week in 1956. The denomination had a net gain of 109 churches for a year-end total of 4,435.

Sunday school enrollment reached an all-time high of 611,319. All three principal societies—missionary, junior and young people—recorded gains in members and income.

Christian Science Sunday Service

How spiritual understanding of God as divine Life brings strength and freedom will be brought out Sunday at Christian Science services.

Scriptural selections in the Lesson-Sermon on "Life" will include the following from John (17:3): "And this is Life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (487:17): "The understanding trust in the deathless reality of Life, its almightiness and immortality."

The Golden Text is from Proverbs (16:22): "Understanding is a wellspring of life unto him that hath it."

Joint Installation Held In Baptist Youth House

A joint installation of the officers of the Rebekahs, Odd Fellows and Theta Rho was held Saturday, January 12 in the Baptist Youth House. The Theta Rho officers were installed by their advisors, Mary Furgason, and Mary Nichols, who presented the past president, Judy Murphy, with a past president's pin after the installation took place.

The officers are as follows: President, Molly Mitchell; vice president Lois Butler; recording secretary, Joan Yenor; financial secretary; Joan Robinson; treasurer, Karen Butler; chaplain, Ledeana Southwell; marshall, Karolyn Baird; warden, Della Butler; conductor, Fay Perrin; inside guardian, Barbara Bayless; right supporter to the president, Charlene Sowers; left supporter to the president, Rosemary Robinson; left supporter to the vice president, Donna Skinner, and musician, Mary Furgason.

The officers for the Rebekahs and Odd Fellows were installed by the installing staff from the Odd Fellows Lodge in Onsted. The Rebekahs officers are Mary Nichols, noble grant; Mable Duncan, vice grand; Alice Collum, recording secretary; Jean Stauffer, financial secretary; Florence Turney, treasurer, Mae Sarvey, chaplain; Grace Nighswander, warden; Marie Raymond, conductor; Elsie Connin, inside guardian; Gladys Murphy, outside guardian; Mary Furgason, musician; Audrey Glancy, right supporter to the noble grand; Madalyn Irwin, left supporter to the noble grand; Eva Beevers, right supporter to the vice noble grand; Arlie Becker, left supporter to the vice noble grand.

The new officers installed for the I.O.O.F. Lodge are: Noah Reed, noble grand; Robert Bachtal vice grand; Robert Holcomb, recording secretary; Kenneth Southwell, financial secretary and treasurer; Lester Tucker, right supporter to the noble grand; Earnest Topps, left supporter to the noble grand; Harold Jeffers, warden; Fritz Stauffer, conductor; Norman Frayer, inside guardian; Gilbert Nighswander, outside guardian; James Steel, chaplain; C. C. Richard, scene supporter. After the installation ceremonies, the vice grand, Mable Duncan, presented Loretta Barnes, past noble grand, with a gift from her officers. Jean Stauffer presented Mrs. Barnes with a gift from the lodge, a past noble grand certificate and welcomed her into the past noble grand club. Mr. William Barnes then presented his wife with a past noble grand jewel, a gift from her family. A beautiful large, white Bible imprinted with the Lodge emblems, and number was then presented by Mr. and Mrs. Barnes to the new noble grand, Mrs. Jesse Nichols, for lodge use.

Refreshments were served to the 20 members and guests present from Adrian, Blissfield, Britton, Monroe, Onsted, as well as Tecumseh. The chairman of the committee was Mary Furgason assisted by Jean Stauffer, Alice Collom, and Elsie Connin.

Ladies Aid of Lutheran Church Had Family Night

The Ladies Aide of the Grace Evangelical Lutheran Church held their monthly meeting Wednesday evening, January 9 at the church. Before the regular business meeting was held, a Family Night dinner was enjoyed. Mr. John Kohl, a missionary from Africa, gave a talk about his work in that country and presented colored slides.

Officers for the current 1957 year were elected at the business meeting. They are: President, Mrs. Williard Zwick, Vice Pres., Mrs. Ray Hinkle; Secretary, Mrs. George Heeman; Treasurer, Mrs. George Brenke; Sick Committee, Mrs. Oakley Baxter and Mrs. Harry Hunter.

A special meeting of the Council of the church will be held on Thursday, January 17 at 7:00.

W.S.C.S. Executive Board Will Meet January 23

The WSCS of the Methodist church met Wednesday, January 9 in the church parlors with sixteen members in attendance. Mrs. Carlos Jones presided over the the meeting.

Devotions were led by Mrs. Owen Partridge assisted by Mrs. Wilfred Waldon at the piano. A letter was read from Mrs. Harold Easton of the Tecumseh-Raisin Valley polio council expressing the need of help in the way of financial gifts. The Society responded with a contribution.

Sunshine chairman, Mrs. Edna Codling reported working with the church board at Christmas, seventeen gifts were delivered in person and cards sent to out-of-town shut-ins.

Members were urged to remember March 14, 15 and 16 the dates of the North Central Jurisdiction conference of the Women's Society of Christian Service to be held at the Central Church in Detroit.

It was reported that the Missionary meetings at the church Sunday evenings are well attended and are proving very helpful and of great interest to all who attend. Every family is especially invited to attend.

Secretary of children's work, Mrs. Horace James announced the Mission study classes for children Saturdays at 2 p.m. Parents of primary and junior age children will find this course very interesting and inspiring for their children.

Mrs. Ellsworth Collins, secretary of the Status of Women urged the women of the church to attend the meetings of the church and especially pray for the women of the world and the leaders of nation.

Secretary of student work, Mrs. Luther Wood reported having sent letters or cards to all of our out of town students and young people in the service. Secretary of literature Mrs. Edward Leighton reminded members that there are a number of subscriptions to the Women's Magazine that are due.

The executive board of the group will meet in the church parlors Wednesday, January 23. All officers are requested to bring their January copy of the Methodist Women to this meeting. Reports will be made out at this time.

Program chairman, Mrs. Owen Partridge assisted by Mrs. Horace James ably presented the lesson, "Islands in my Community." During the study, projects were discussed to better the Church and Community.

To bring the meeting to a close, refreshments were served by Mrs. Erwin Buss, Mrs. Vaynard Close, Mrs. Maynard Mulvaney and Mrs. Sprague.

Mr. C. F. Ernst Passed Away Sun. After Illness

Funeral services were held Wednesday at the Lockwood Funeral Home in Saline for Christian F. Ernst, who passed away Sunday at noon at the Herrick Memorial Hospital after a brief illness. Mr. Ernst was 64 years old, and had been a life-long resident of Macon and Bridgewater townships. His home was at 12910 Ford Highway, Macon.

The son of Frederick and Caroline Altenberndt Ernst, he was born April 4, 1892, in Macon, and was a member of the St. James Evangelical Reformed Church of Saline township.

Mr. Ernst is survived by his widow, Maxine Leighton Ernst, his mother, and infant daughter, Linda; three children by a former marriage, Mrs. Alberta Depagter of Spring Lake, David of Whitmore Lake and Mary in Alaska; two step children, Charles and Ann Wilson; a brother, Carl of North Adams; two sisters, Mrs. Olga Graff of Macon and Mrs. Martha Luckhardt of Saline, and ten grandchildren. He was preceded in death by his father, a sister, Pauline and a son, Albert. Rev. Armin Bizer officiated at the services and burial was in St. James cemetery in Saline township.

Holloway

Mrs. Marvel Neuman Correspondent

Mr. and Mrs. Raymond Bryan sold their farm to Mr. and Mrs. Lawrence Young of Tecumseh. The Bryan family is moving to a farm in Onsted. They will move in the middle of February.

Mrs. Roger Richards, organist for Holloway Presbyterian Church, has to take a leave of absence for about a year for health reasons.

Molly Mitchell, daughter of Mr. and Mrs. Ed. Mitchell, was installed Saturday evening as President of the Chieftain Theta Rho Girls Club, at the Baptist Youth House at Tecumseh. Mrs. Mary Nichols and Mrs. Mary Furgason of Tecumseh acted as installing officers.

The Raisin Sewing Circle met on Friday Jan. 12th, at noon with Mrs. Claren Bates. There were 13 members present. The dinner consisted of Chop Suey with all the trimmings. The losing side entertained the winning side. The side that had the largest attendance won. There was an election of officers at which the following were elected: President, Mrs. Claren Bates; vice president, Mrs. James Mitchell; secretary and treasurer, Mrs. Don Jaqua; flower committee, Mrs. Ed. Mitchell. Games were played and prizes won. Everybody had a good time.

Mr. and Mrs. Ed. Mitchell called on Mr. and Mrs. Ray Campbell last week Sunday at Temperance, Mich.

My Favorite Prayer

SUBMITTED TO
THE LAYMENS' NATIONAL COMMITTEE
BY GABRIEL HAUGE
Special Assistant to the President, The White House,
Washington, D. C.

Create in me a clean heart, O God;
And renew a right spirit within me.
Cast me not away from Thy Presence;
And take not Thy Holy Spirit from me.
Restore unto me the joy of Thy salvation;
And uphold me with Thy free spirit.
(From the Fifty-First Psalm)

Correspondent

Elmer Linn

Mr. and Mrs. Claude Crutchfield from Manchester called in town over the weekend.

James Pate and friend of Ypsilanti called on Mrs. Stella Hite Sunday.

J. Barlow Wood and wife of Toledo called in town Saturday.

The United Workers of the Methodist church will meet with Mrs. Dewey Sturtevant Thursday evening of this week January 17.

Mrs. E. V. Avery and Miss Mary Scarlet of Ann Arbor called in town Sunday.

David Linn attended a birthday party for Donald Dickerson near Milan Saturday evening.

There was a reception Sunday p.m. in the Methodist church honoring the 90th birthday of Mrs. Hattie Wood. Guests were present from Adrian, Monroe, Ann Arbor, Hudson, Clayton, Manchester, Tecumseh and Britton. It was well attended. Lunch was served. Mrs. Wood was presented with many nice gifts.

Jaycee Week Starts Sunday January 20

Jaycee Week is held annually with the third Sunday of January, which is January 20 this year, in observance of the founding of the United States Junior Chamber of Commerce. Junior Chamber began October 13, 1915, as an idea of Henry Giessenbier, Jr., who called together 32 members of a Federated Dancing Club after hearing a talk on a proposed parkway bond issue.

Out of this meeting sprang an organization known as the Young Men's Progressive Civic Association. On August 24, 1916, the group changed its name to Junior Citizens and the abreviation, "J.C.", became the popular term of recognition. (This expression was soon modified to "Jaycee" and today identifies more than 200,000 young men in 3,200 U.S. communities.)

Later, in April of 1918, the St. Louis Chamber of Commerce extended an invitation to the Junior Citizens to become affiliated as the Junior Chamber of Commerce. The invitation was accepted and a pamphlet describing the "St. Louis Plan" for young men's civic organization was distributed to many cities in the nation.

By 1919 it became apparent this movement should be welded together as a national body and young men's organizations were invited to participate in a caucus in St. Louis to organize the U.S. Jaycees. The caucus was held January 21 and 22, 1920, with 24 cities represented and the United States Junior Chamber of Commerce was formed.

Jaycee Week each January is used by chapters as an opportunity to more fully inform the public and new members of the aims and ideals of the organization, Leadership Training through community service.

The local Jaycees will meet January 24. It is "Bosses Night." There will be award presentations for Jaycee members.

Exchange Club Hears Investigator

The Tecumseh Exchange Club met Wednesday night in the Eagles Hall for their regular weekly meeting. President Wallace Whiting presided at the business meeting. Jim Artman was program chairman for the evening.

The program was a talk by State Investigator from the Secretary of State Office, Thomas Robeson. Mr. Robeson told of various experiences and answered questions.

Fire Destroys Utility Building And Contents

Fire of undetermined origin destroyed a utility building and its contents Saturday morning at 11:10 a.m. owned by Mr. and Mrs. Donald Craig of Kiser road.

The Craigs live in a trailer on the property while they are building a house. The utility building had been built and their household furniture stored in it. Mrs. Craig estimated the loss at about $2,000, and stated that they carried no insurance.

CIVIL AIR PATROL
USAF
AUXILIARY

"Delinquency" continues to be a major concern in our nation despite efforts by individual citizens and groups to find a workable solution to the problems of many teen-agers. Too often blind searchers have bogged down in trial-and-error and ended in a despairing, "What do they want!" The Civil Air Patrol, now celebrating its 15th anniversary, furnishes an answer. This volunteer organization has never known the youth "problem."

CAP's major efforts today are devoted to working with our youth, to helping young people to better adjust to the air age and showing those who are interested the multitude of career opportunities in aviation and other technical fields. CAP's membership includes many dedicated men and women who feel that our nation's destiny is largely dependent upon aviation and the young people who must man this industry.

The CAP youth program includes some 51,000 boys and girls of high school age. Among its more widely known facets are these: the Air Force summer encampments; the annual International Cadet Exchange between the United States and 22 foreign nations; the light plane orientation flights; the flight and aeronautical engineering scholarships; the drill competitions; the operational training missions; the nation-wide coordinated high school-CAP aviation courses; and other varied cadet social activities and training programs offered by the local CAP squadron in the American community.

These and related CAP projects are valuable elements in America's current efforts to maintain its air supremacy. They are just as valuable in showing our young people the variety of careers available in aviation while they are young enough to choose and prepare for a technical career. Even youngsters who do not choose aviation as a career leave the CAP program better equipped to cope intelligently with tomorrow's world dominated by aviation. And because the nation gains through the enrichment of its citizens we are taking this opportunity to acknowledge the start of the 16th year of honorable service by an organization whose unpaid members have the well-being of America in their hearts. We extend our sincerest congratulations to the dedicated volunteers of the Civil Air Patrol, auxiliary of the United States Air Force.

Former T. P. Director Joins Chrysler Corp.

Raymond J. Arft, formerly vice-president and assistant to the president of Servel, Inc., has been appointed comptroller of the Chrysler Corp's Evansville Plymouth body and assembly plants.

Jack H. Powell, operations manager for the two plants said Arft will be principal finance officer for the two plants. Arft, who has been with the Plymouth division in Detroit since last October, will assume his duties in Evansville, January 16.

Powell said C. C. Taylor, body plant accountant, and W. J. Bosse, assembly plant accountant will continue in their present positions as will C. W. Davis, budget director for the two plants.

Arft joined Servel in August, 1955, and resigned about a year later. Prior to his Servel connection he had been executive-vice president, general manager and comptroller of the Martin-Perry Corp., Toledo, O., steel fabricators. From 1948 until 1954 he was treasurer-comptroller, a director and a member of the operating committee of Tecumseh Products Co., Tecumseh, Mich., manufacturers of refrigerating compressors.

Prior to Arft's Tecumseh affiliation he had been an accounting-engineering consultant for several large manufacturing firms.

Intramural Activities

Intramural basketball started December 18 with each team having one hour of practice. Each has a coach and great rivalry has developed out of this program.

On January 3 the first games began. Coach Trudeau's Team 10, starring Jim LeBaron, defeated Coach Breniff's team, 35 to 30. Jim LeBaron scored 21 points. Nick Touborg's 13 points led Team 3 to victory over Team 4, 38 to 26. Ed Covell from Team 5 and Pat Fero of Team 6 had a scoring battle. Covell hit 17 points in a losing cause and Fero had 15 to help his team to victory. Alan Dickinson hit 19 points only to see his fighting Team 2 defeated 28 to 22. Team 1 was the winner on Bill Newell's last second free throws. Newell had 12 for the winners.

January 5, Saturday Recreation began for boys and girls from the 4th grade on up. We had a good turn out of about 70 boys in the morning and 40 girls in the afternoon. The boys were drilled in basketball fundamentals and then played basketball. The girls tumbled and played basketball.

January 8, Glynnis Baker hit 12 points to lead Team 12 to a much needed victory over Team 11, 30 to 11. Tony Kasik's 16 points were not enough for victory over Team 1 and so Bill Newell with 12, lead Team 1 to another win, 32 to 49. Alan Dickinson hit 18 points and lead his team to a win over Team 3, 31 to 29. Dickinson who is a key man on Team 2 also leads the league in scoring. Ron Gurtzweiler banged in 19 points but it just wasn't enough to stop Team 8 and so Team 7 went down to defeat, 39 to 36.

January 10, Team 3 knocked undefeated Team 1 from first place 33 to 22. Tom Harrison with 9 points lead the winners. Team 5 defeated Team 7 40 to 29. Ed Covell hit 17 points for Team 5. Jim Sweet with 4 points lead Team 11 to victory over Team 9, 9 to 6. The upset of the intramural basketball season was performed by Team 6 when they sank undefeated Team 8, 38 to 21. Bob Hirsch with 10 points and Fred Deaner with 6 fired their team to the upset victory.

Wrestling Team Defeated By St. Thomas

The Tecumseh High School wrestling team wrestled the Ann Arbor St. Thomas team Friday evening in Patterson Gymnasium. They were beaten by the score of 18-32 however it was their first team match. Coach Breniff says that "we could have beaten them if the team could have scored two more pins or else one pin and a fall." The team is doing very well considering their experience.

In the first match, John Cook of Tecumseh won on a forfeit. He then wrestled in an exhibition match with Lamont Antiaeu and was pinned in the 2nd round.

In the 112 lb. class, Leo Pask from Tecumseh was defeated by Dick Compton. He was pinned in 5 min., 15 sec. of the 3rd round.

Terry Hendricks of Tecumseh was defeated by Dick Cook in the 120 lb. class. He was pinned in 3 min., 35 sec. of the 3rd round.

In the 127 lb. class, Delmus Dotson from Tecumseh was defeated by Joe Tramonlin by the score of 16 to 5.

Dave Schmidt from Tecumseh defeated George Cears in the 133 lb. class by a score of 11-4.

Jerry Crunk from Tecumseh was defeated in the 138 lb. class by Sam Crawford by the score of 11-4.

In the 145 lb. class, Ron Johnson from Tecumseh defeated Joe Butcho by pinning him in 5 min. 35 sec. of the 3rd round.

Jim Neitling from Tecumseh was defeated by Tom Hennells by the score of 14-2 in the 154 pound class.

Dick Baker from Tecumseh was defeated by John Lancianno in the 165 lb. class by the score of 5-7.

In the 175 lb. class, Charles Baird from Tecumseh was pinned by Dave Conrad in 59 sec. of the 1st round.

Heavyweight Robert Wilkins won on a forfeit.

Wrestling team members get 25 points toward a letter if no practices are missed, 5 points for each time they represent the school, 5 points for each pin scored and 3 points if a match is won on points.

Boysville Chalks Up Win Over Pinckney

The Boysville Knights chalked up their second League-of-The Lakes win last Saturday, winning over Pinckney 51-45.

Paul Carry and Luis Taylor combined to score 37 points while helping their team win the game. Taylor picked up 12 points in the frist quarter and Carry took over to score 11 in the second. The Knights used a zone defense during the first half and Pinckney was forced to shoot from the outer court. The zone defense and Pinckney's inability to score from outside placed Boysville ahead 26 to 10 at the end of the half. Pinckney found the range in the second half and outscored Boysville 35-25.

Wakefield was high for Pinckney with 11 points and Simon had ten. Boysville won the reserve game 39-30.

The Knights now have a 2-2 league record and 2-5 overall mark.

Indians In Tie After Defeating Airport Friday

The Tecumseh Indians defeated the Airport Jets last Friday night by the score of 42-39 in an exciting overtime game. This put them in a three way tie for first place with Hillsdale and Monroe C. C. Although the Indians led 32-22 at the end of the 3rd quarter, Airport scored 14 points to Tecumseh's 4 in the final period and almost ended the game on top.

As the game started Airport took the tip and George Campbell from Airport shot but missed. Sherman from Airport then fouled Elliott and Elliott missed his free throw. Then Tecumseh's Elliott fouled Cash Herman who started the Jets off by scoring 2 free throws. It was a see-saw battle for the ball. Tecumseh was not able to get off many shots. They missed several at this point. Campbell and Griffith then each scored field goals for Airport. Airport's Campbell fouled Miller who put in the Indians first bucket. Then Herman for Airport scored 2 points on a hook shot. Hansen for the Indians then scored their first field goal. Elliott fouled Campbell who missed his free throw. Price for Airport scored a field goal. Airport was controlling the ball, the play was fast but the points came slow. At the end of the quarter, the score was 12-4 in favor of Airport.

Tecumseh took the tip to start the 2nd quarter. Miller was fouled and scored 2 free throws. Then Griffith from Airport scored on a long shot. Elliott fouled Herman who missed the shots and Yoakum scored 2 for Tecumseh. Airport's Price fouled Hansen who scored a free throw. Then Miller was fouled and sank 2 free throws. Miller fouled Herman on a jump ball and he scored 2 free throws. O'Neil scored a field goal from the side and Miller went all the way down the floor and scored a field goal ending the quarter with a score of 16-15 in favor of Airport. Free throws greatly helped Tecumseh at this point.

Price and Campbell started off the quarter by scoring a field goal for Airport, Miller scored two baskets and Yoakum scored a free throw. Campbell fouled Miller who made 2 free throws. Campbell then dropped one in and Miller fouled Griffith but he missed, then Campbell fouled Hansen who also missed. Yoakum then scored a field goal and Larned scored on a fast break. The quarter ended with Tecumseh leading by a score of 32-22.

Airport closed the gap in the fourth quarter. With 4 minutes 36 second remaining, the score was 32-30 in favor of the Indians. Tecumseh then went into a semi-stall that was broken up by Sherman who fouled Elliott. The shot was missed and Hansen fouled Herman who scored 2 free throws to tie the score 32-32 with 3 min, and 30 sec. left. Griffith from Airport scored on a long shot and Hansen missed a field goal. Griffith drove in and scored to put the Jets ahead. Hansen scored and Tecumseh called time out with 4 sec. left.

In the overtime period, Tecumseh took the ball and Miller was fouled but he missed his shot. Hansen scored a field goal on a jump shot. Elliott drove in and Trouten fouled him. Elliott sank both free throws. Griffith scored a field goal and then a free throw for Airport. The score was 40-39 in favor of Tecumseh with 1:40 sec. to go. Tecumseh went into a semi-stall until Price fouled Larned who scored 2 free throws. With 55 sec. remaining, the Jets called time out with the score 42-39 in favor of Tecumseh. With only 1 second left, Tecumseh had the ball and Herman fouled Yoakum who missed the shot.

Miller was high point man for Tecumseh with 17 points. Herman and Griffith were the two high point men for Airport, Herman had 12 and Griffith had 11.

The reserve team started things off by scoring 47 points to 38 by Airport, with Freshman Richard Stevenson the high point man for Tecumseh with 20 points.

The Indians will play Bedford here Thurs. night Jan. 17, at 7:00 p.m.

Here's BIG NEWS for you
Greatest thing that ever happened to the Century
Caballero

The fabulous new Buick CENTURY Caballero

YOU'VE SEEN many improvements in wagons these past 5 years. But, to use a vivid expression, "You ain't seen nothing yet!"

For now comes a new kind of wagon — with Buick's Riviera hardtop styling and Buick's CENTURY performance. An Estate Wagon called the *Caballero*.

It's the lowest and the sleekest wagon you ever saw—and the most *practical* wagon ever built by Buick.

You get up to 8½ feet of level deck for "long" freight—wider-opening rear gates top and bottom for easier loading — a panoramic rear window for safer parking. Your rear-seat passengers get a view unmarred by center posts.

But beyond all that, this one's a '57 Buick CENTURY through and through.

So you ride with the buoyant new roadability — from a new chassis that "nests" the body and gives you a record low center of gravity.

New from the crankshaft up
364 cubic inches BIG

You guide with a new and surer handling, stop on the level even when you have to brake hard, travel with the satisfying security of Buick brawn, solidity, rock-firm steadiness.

Above all, you command a quicker and surer power response that stems from an all-new 364-cubic-inch V8 engine.

And sparking this great power is a new advanced Variable Pitch Dynaflow* so *instant* it practically eliminates your need for "Low."

The new *Caballero* Estate Wagon comes at a price surprisingly easy to take. Or you can have a similar body style in Buick's even lower-priced SPECIAL Series. Drop in and see us—*today*.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

SAFETY NEWS
Only Buick has the
SAFETY-MINDER†
— a simple device that's a great boon to your safety. You merely preset the miles-per-hour you want. When you reach that pace, a warning buzzer sounds. Drop below that pace and the buzzer stops.

SAFETY REMINDER
Dim your lights even if the oncoming car does not. Your chances are better if one of you can see.

Editorials

TOOLS OF THE PARTY

"In our country political parties exist to elect governments, and governments themselves govern," writes Conger Reynolds, Chief of the Office of Private Cooperation of the United States Information Agency, in Public Relations Journal. "In communist lands, governments are tools of the party. All their resources and facilities can be used to carry out party doctrines and decisions. This puts tremendous manpower and money in the hands of the dedicated few who rule the whole vast mechanism with absolute authority." And they are few indeed, comparatively speaking—"There are only 7,000,000 true believers in communism in the Soviet Union, but the other 193,000,000 have been so propagandized and terrorized that they docilely accept the communist way of life..."

Mr. Reynolds' point is implicit in the title of his article —"The Soviet Propaganda Weapon: Dagger At the Heart." This propaganda apparatus is as thoroughly organized as a modern army. The command is at the very top, in the Central Committee of the party. It extends downward through every agency and activity of an all-powerful system—the diplomatic service, the various communist parties outside Russia proper, all media of communications, the lavish sports programs. The propaganda line is carefully tailored to fit each particular locale at which it is aimed.

The extent of Soviet propaganda is enormous. Mr. Reynolds summarizes a study of 1955 Soviet Orbit propoganda in communications media. At the end of that year, official communist broadcasting facilities were sending 1,673 hours per week of programs to all parts of the world. The Soviet press service, TASS, is the main source of news for a third of the world's population, and in 1955 it was responsible for a million words a day of communist-slanted material. Russia—not including satellites—publishes about a billion books a year —"and a book is hardly a book in Russia unless it contains some propaganda." In 1954, nearly 30 million of these books were printed in one or another Free World language, and the number constantly increases. Various Soviet periodicals are distributed widely throughout the world in many languages. Communist libraries exist in many of the world's cities. Soviet trade fairs and films serve important propaganda purposes.

Mr. Reynolds explains the significance of this in these words: "The real test in our contest with communism is now shaping up in the field of diplomacy, in rivalry in helping to solve the world's social problems, and in ideological persuasion . . . They are just as much part of the struggle as use of soldiers and ships and airplanes would be.

Mr. Reynolds believes that this communist menace can be met and conquered. In his worlds, "Truth is on our side. . . . Freedom has extraordinary vitality in the breast of man." He then makes a specific suggestion which, while it was addressed to professional public relations people, certainly can be followed in some way and to some degree by a far greater number: "Think how much more you have to offer the world than the communists have. Consider what you can do to make known to other peoples the positive benefits of their looking to the American freeway of life, beliefs, and ideals for a proved road to social happiness. And act!"

☆ ☆ ☆

VIEWS THAT DESERVE ATTENTION

Cuts in the highly progressive income tax rate would probably produce more rather than less revenue, by stimulating investments and speeding the nation's economic growth. That is one facet of a statement sent to a House subcommittee on taxation by the Chamber of Commerce of the United States.

A similar belief has been expressed by Ernest G. Swigert, president of the National Association of Manufacturers. In his view, normal economic growth, by providing increasing revenues to the government, would make possible reductions in both individual and corporation income tax rates without adding to anyone's tax burden.

The Chamber's statement said that across-the-board reductions could be made even in a period of high defense outlays through a sound program of controlled spending and borrowing by the federal government, plus the increased revenue from a fair and reasonable tax structure which would not be a deterrent to individual initiative and investment.

Views such as these certainly deserve the careful attention of the Congressmen who will deal with possible changes in the tax laws this year. If more money is left in the hands of the people, then more money will go into investment and into the channels of trade—and that in itself will be a strong stimulant to the government's tax take.

Finally, the more important parts of the Hoover Commission recommendations remain to be acted on. And here is a place where we can save billions a year, without in any way imperiling essential government functions.

Tecumseh BOOK SHELVES Library

New Fiction:

"The Fountain Overflows," West R.

This story deals with a musical family in an unusual way, telling of their hopes, aspirations, disappointments, and limitations.

"The Compulsion," Levin, M.

A psychological novel of a shocking crime that was actually committed.

"The Forgotten Place," Fores, J.

The chronicle of a routine flight, an abandoned airfield in the desert, and a group of desparate men on a strange mission.

"Undersea Fleet," Pohl, F.

A new science fiction dealing with breath-taking adventures on the ocean floor.

"The Quicksilver Pool," Whitney, P.

In this romantic novel set in New York during the Civil War days, we have a story of a family threatened by remembered love.

"The Spirit of the Chase," Bright, R.

This is the comic story of a wild chase for a famous masterpiece, and it is pure fun to read.

"Annie Jordan," Post, M.

This young woman was as wild and untamed as the great Northwest at the turn of the century, and her rise to wealth and position paralleled the growth of Seattle.

"Three Roads to Valhalla," Stewart, C.

A novel that provides both a revealing picture of Florida in the Reconstruction era, and a provocative story of conflicting personalities.

Realty Views

"How much does it cost to have you take over the selling of my house?" Mr. Cowper asked.

"There's no fee connected with listing your property," I replied. "The standard commission of 5% is charged - if you spend quite a little money advertising it and showing it and it doesn't sell. What then?"

"Each listing is an expense until a sale is made. And no matter how much effort is spent on your home, it is all free if we don't sell it. The ONLY way we can secure money to pay the expenses and provide our own living costs is through RESULTS."

Mr. Cowper seemed surprised. "How can I lose—no results, no pay?"

I nodded. "Since we do work on that basis, it naturally is important that we have a sincere, cooperative owner. We prefer an exclusive listing at a fair price."

"That sure sounds reasonable," Mr. Cowper replied, "you can have it. I'd rather place the whole job with you. It will relieve my mind if you take care of all the details."

"Fine," I answered, "let's go to work. We'll be out to inspect your home within an hour."

May we "go to work" for YOU as well? Remember, we have to produce RESULTS, or you owe us nothing!

Is Smallpox Vaccination Dangerous?

No, it is not dangerous if recommended care is taken to avoid infection of the lesion.

Following an outbreak of smallpox in New York City in 1947, 6,350,000 people were vaccinated, and there was no evidence that the vaccine caused a single death.

Your doctor can immunize you against smallpox. We are able to supply him with fresh, effective vaccines and will fill any of his prescriptions for you with quality ingredients and unerring accuracy. It is our pleasure to serve you to the best of our ability.

That good things come in small packages is particularly true of medicines. It is amazing how often a serious illness is relieved, almost like magic, within a few hours.

When the new harmones and antibiotics were first released many people were dismayed that some of them cost as much as 50c each. They soon learned that not only were they saving more lives, but people got well so much quicker that medicines-per-illness now cost less than before.

We, of course, price all prescriptions as low as operational costs permit.

Central School News . . . .

Nineteen fifty seven has started with a bang at Central Elementary. Everyone is down to work — aiming to do better. A cooperative, happy atmosphere is felt throughout the building.

This week Mrs. Neitling's First grade enjoyed a story about "Herbert the Lion". They drew pictures of Hérbert, and wrote their own stories. They miss Kirk Spangler, who has been absent with chicken pox.

Surprise and delight certainly didn't end with Christmas for the children in Miss Luken's First grade room! When they returned from the holiday season, many children were ready to begin their first big book "Fun with Dick and Jane". As Chuck Gillies expressed it, "This is 1957 and a brand new year. Now we can all look forward to Christmas again." The children cut snowmen from construction paper, and now instead of 32 people in the room you will find twice as many. The snowmen never disturb the class though; they're content to just stand holding their black paper brooms.

Mrs. Whiting's class has a new pupil, Nina Robinson. They are reading about the Congo Region in their geographies, and Brynn Packard brought interesting things that her brother had sent from Africa. Susan Hohenstein found an interesting book about an African Boy in our school library. They had their second Junior American Citizenship Meeting. The Vice President Susan Hohenstein read a list of birthdays for famous Americans, that occured in January. Bobby Glenn, our President, conducted the meeting, Jim Lawson, the Secretary, took minutes.

Mrs. Miller's Fourth grade are working industriously. In language they have been writing invitations and making announcements. Some students are beginning to lose their stage fright and announce like adults. They have been reading orally and are trying to make their reading pleasant and interesting for listeners. They would like to have you come to listen sometime soon.

Mr. White's science class were able to fireproof wood and make hydrogen burn. Many students brought items of interest for "Show and Tell Time". Mike Wilson brought an artillery shell. Cheryl Maynard had a magnetic game. Sandra Petrovish brought a pekingese dog. Jon Preston had some sea animals. Jim Brown, Tom Matteson, and Glenn Green explained how to use their miscroscopes. Mike Higgins showed a drawing set. Joselyn Snook had a watch. Beverly Miller brought some linen and a pretty apron. John Oberlin reported on World War II. Janetta Holland had a book about Presidents.

Mrs. Becker's Sixth grade have completed a unit on Light for Science. They have had fun using lenses and prisms. They are beginning to multiply fractions and have a meaningful understanding of the work. They are making black and white scenes for winter.

All of our Elementary Students are having our ears checked by the County Health Department.

The Physical Education Classes under the direction of Mrs. Murdock and Mr. Hale have a cheery display in the showcase — "Winter Fun".

We would like to remind you that the next meeting of the Central P.T.A. will be Thursday, January 24, at 8 p.m. in the Central School Gymnasium. The program will be a panel discussion on the building program and bond issue. There will be a question period following the discussion. Detailed drawings of each of the proposed schools will be displayed.

Chevrolet shows you some important differences in low-priced cars just by

the look on its face!

There's a look of substance and character and quality about that new Chevrolet front end that reveals a lot. Feel the strength and solidity of the grille and you learn even more.

Wouldn't you say that most of the '57 cars look good from 50 *feet* away, but what about from 50 *inches* away? What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design—feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car, the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only car in its field with a *lacquer* finish . . . that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?

NEWS OF THE FARM

Lenawee Co. Agricultural Agent's Column - - - - -

Orphan lambs should be put on a grain ration as soon as possible, Clayton Ingerson, Assistant county agricultural agent, advises sheepmen.

Lambs can be put on grain in about two weeks after they're born and will nibble at hay by that time, also. As a substitute for the ewes milk during these two weeks, Agent Ingerson recommends using a milk replacer instead of cow's milk to get lambs started.

Tests at Michigan State University have shown that milk replacers fortified with a B vitamin are better than cow's milk for feeding orphan lambs. The milk replacer helps lambs make more efficient use of the grain when they become old enough to eat grain.

In some cases, according to researchers, milk replacers fed in addition to ewe's milk can also boost the efficiency of gains made by nursing lambs.

☆ ☆ ☆

Faster gains and feed savings up to 10 per cent are results of providing good housing for pigs, says Clayton Ingerson, Assistant county agricultural agent.

He reports that tests of solar housing for hogs have shown that this design can produce these results for Lenawee county hogmen.

Solar housing provides a hog house with a dry floor and well-lighted surroundings — two essentials for profit-making hog production.

light from the sun to provide these

Large areas of glass in solar houses make use of the heat and conditions. Insulated glass cuts heat losses. A complete ventilating system is also part of the design for this type structure.

Agent Ingerson also points out that working conditions are better in a solar house. The dry floors reduce the amount of bedding required, the number of changes in beddin [illegible] the labor of bedding and cl [illegible]

Plan [illegible] nstructing a solar-designe [illegible] house are available from the [illegible] operative Extension Service, Court House, Adrian, Mich. Also available to assist interested hogmen in learning more about solar housing is a special bulletin just published called 'Solar Housing for Swine." Copies are available from the Bulletin Office, Michigan State University, East Lansing.

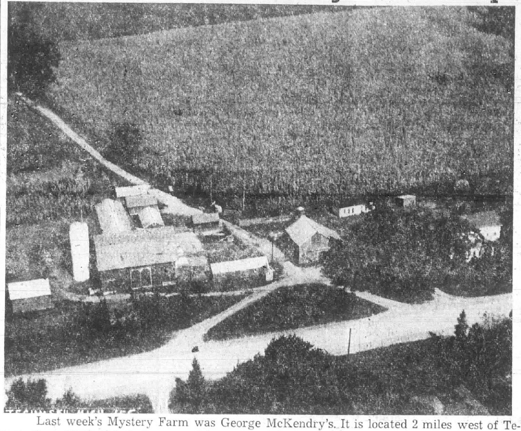
Mystery Farm Was George McKendry's



Last week's Mystery Farm was George McKendry's. It is located 2 miles west of Tecumseh on M-50. This is the second farm owned by Mr. McKendry that has won the weekly contest. He has owned the 125 acre farm since 1920.

Changes since 1920 include remodeling the house, new barn, silo and chicken coop as well as tiling the land. Mr. McKendry raises Corridale sheep on the farm. All crops are feed for the livestock.

Mr. McKendry and his wife Bertha were married in 1943.

Poor Ventilation Is A Threat To Animal Health

Poor ventilation of buildings used to house livestock is a threat to livestock health during the winter months, according to the American Veterinary Medical Association. Many diseases are apt to spread faster when animals are kept closely confined in this manner.

Stock accustomed to being out in the open often become too warm when shut in a tight barn. Hair coats or wool may actually become wet because the warmer air in a tightly closed barn usually is very moist. There also is danger that respiratory difficulties, leading to pneumonia, may develop when animals are turned out in eto,iiuslc

cool air after being kept too warm.

Association officials suggest that a shed open to the south with plenty of dry bedding is sufficient protection for most stock. However, if respiratory problems do appear, a veterinarian should be consulted for prompt diagnosis and treatment in order to hold down losses.

4-H Camp Builds With Spring Thaw

With spring thaw, 4-H Camp Kett, eleven miles south of Cadillac, will observe ground breaking ceremonies.

According to Howard Worthington, executive director Michigan 4-H Club foundation ,about $100,000 will be spent improving the 80-acre camp on Center lake in Osceola county. First building slated for construction is central lodge to house recreation, dining hall and living quarters. Central lodge will utilize tri-level plan of today's modern home building design.

Also individual-type housing will be constructed with more to follow in later years. The camp is designed to offer year around recreational facilities for 4-H members.

—o—

Demonstrations on how to judge carcass desirability of beef cattle and hogs through their appearance on foot is a new feature of Farmers' Week, Jan. 28-Feb. 1 on the M. S. U. campus at East Lansing.

Sprinkle icy walks with finely ground salt mixed with sand. This mixture will break up the ice and prevent slipping while the ice is melting. Fine salt will be diluted quicker and not as injurious to nearby shrubs as concentrated rock salt.

Expert Sees $40 Increase Per Acre With Right Corn

Without a single penny of extra cost, you can increase your corn earnings by as much as $44 per acre. You can do this by selecting the "right" corn hybrid variety for your growing conditions.

Your growing conditions have been tested in your area during past corn growing season by researchers at Michigan State University. E. C. Rossman of MSU's farm crops department reports that high yielding hybrid corns cost no more than seed of low yielders. High yielding corns produce as much as 33 extra bushels per acre in recent tests. Some produce 15 more bushels per acre than average varieties.

When you figure these higher yields at today's market prices, it is easy to see where per acre income can jump another $44, he said. Another point shown in the test, is that you do not need late maturing varieties to make high yields. He points out that the best early maturing hybrid corns produce as much as late maturing varieties.

Because so many Michigan farmers lost ten or more bushels per acre this past season due to the Sept. 20-21 frost, Rossman feels that it is a money-in-the-pocket choice when farmers select medium early varieties this year.

Here are the best medium early varieties as shown by tests. In southern Michigan these recommended varieties are Michigan 430, 480 and 570; Pioneer 345 and 371; Kingscrost KO4 and DeKalb 409.

In north central Michigan these recommended varieties are Michigan 250 and 350; DeKalb 63; Funk Bros. G18; Pioneer 383; and Kingscrost KS5.

In northern Michigan these recommended varieties are Michigan 250 and 350.

A complete report on these corn trials will be available in your county agricultural agent's office after Feb. 1. Ask for folder F-67, Corn Hybrids compared for 1957. These folders are available without charge.

Farmer's Tax Guide Will Help Meet Deadline

If you have not filed and paid estimated taxes—and you file your Federal Income Tax return on the calendar year basis—your income tax deadline is February 15, 1957! It is important for you to file because your income is subject to self-employment tax which simply means that you may put away something for your future years the same way that people on salary and wages do. This tax is figured on your Schedule F—which is to be attached to the income tax form 1040—remember—you must always attach the Farm Schedule F to a Form 1040 to file a complete return.

With the aid of the Farmer's Tax Guide—printed by the Internal Revenue Service and available free at all their offices as well as at the office of your County Farm agent—you should be able to prepare and file your return before the deadline of February 15th. Get the free Farmers' Tax Guide booklet and get busy.

When you have completed your income tax return—if you owe any monies—you should make your check or money order payable to Internal Revenue Service and then mail it—along with the Form 1040—plus your Farm Schedule F—to District Director of Internal Revenue Service and mail along with your income tax form 1040 and attached Farm Schedule F—to District Director of Internal Revenue, Detroit 31, Michigan.

You are a farmer—for income tax purposes—if 2/3 of your gross income is from a farm operation. It does not matter whether the farm operation is raising produce or livestock, or both. You are either a cash basis or accrual basis farmer—depending on the way you keep your records—and by the way—you must keep records! You must file an income tax return if you had income from any source in excess of $600—or in excess of $1200 if you are 65 years of age or over. You may file a join return with your wife, or you may each file separately—but if you qualify as farmers—you must use the form 1040.

Filing either way—be sure that the return is properly signed. Be sure that you submit self-employment tax forms. This service to farmers will result in the building of a retirement fund for the farmer and his wife—so it is doubly important for the farmer to file a Federal Income Tax Return. This tax is applicable to all farmers who received less than $4200 in wages that were subject to social security deductions. An optional provision gives coverage for cash or accrual basis farmers, so that even though they have no taxable net income for income tax purposes, they may, if they wish—pay into the social security plan.

The option works in this manner—if the net profit from farming was less than $400—and the gross profit was not more than $1800—he could pay a self-employment tax of 3 per cent of 2/3 of his gross profit; or—if his net profit was less than $1200—and he had a gross profit of more than $1800—he could pay a self-employment tax of 3 per cent of $1200. These options are to afford all farmers adequate opportunity to be covered by social security. It is important to note that this coverage is available to cash and accrual basis farmers beginning in 1956.

IN CHANCERY

MAUDE WILSON, and GEORGE HARVEY LEWIS, a Widower, Individually and as Executor of the Estate of Hattie A. Kemp, Deceased, Plaintiffs,

vs. ORDER OF APPEARANCE

AUSTIN E. WING, MARY DIBBLE, WILLIAM H. BURRELL, FRED W. BURRELL and BESSIE K. BURRELL, his wife, F. B. WOOD, FREDERICK B. WOOD, and FLORENCE DOVE, and/or their unknown heirs, devisees, legatees and assigns, Defendants.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of December, A.D. 1956.

Present: The Honorable Rex. B. Martin, Circuit Judge.

In this cause, it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said Defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ORDERED that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ORDERED that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

/S/ REX B. MARTIN
Circuit Judge

MACON METHODIST CHURCH NOTES

Rev. Donald Bates, Minister. Sunday School at 10:00, Church Service at 11:00. Junior Youth Fellowship at 4:00, Senior Fellowship at 7:00 on Sunday. Junior Choir practice at 7:00 and Senior Choir practice at 8:00 on Thursday.

The Church Board met Tuesday evening. Rev. Bates conducted the meeting. Reports were given and approved including a report on the investigating of land to purchase for a parsonage. More Hymnals are to be purchased also a Hymnal for the pulpit. Mrs. Charles Bigelow, Mrs. Rose Gilcmore and Mrs. Mildred Moore were appointed to see about honoring the couples married in 1956 in the Church. Work is soon to be started on a Pastors Study room office to be fixed in the Church. Host and hostess' will be appointed each Sunday to welcome the visitors at church.

Mr. and Mrs. Dil Burleson have gone to Florida to spend the rest of the winter. They were accompanied by their son and wife Elmer Burleson of Tecumseh.

Mrs. Fred Gillen entered the Herrick Memorial Hospital Sunday afternoon.

Mrs. Carrol Farmer entertained several ladies Wednesday afternoon to a Household Party.

Tuesday guest of Mrs. Mildred Moore were her sisters, Mrs. Gerald Carey, Mrs. Edward Furlong and daughter Susan of Ypsilanti.

The Alice Jane Circle placed a rose on the church alter for the new babies born to attending members of the church including Sheryl Lynn daughter of Mr. and Mrs. Ivan Bugbee and Rory Fredrick son of Mr. and Mrs. Max Skinner.

Joseph Bock entered the Saint Joseph Hospital in Ann Arbor on Monday.

The Community was sadden by the death of its friend and neighbor, Christian Ernst.

Mrs. Charles Bigelow has been appointed chairman of the Polio Drive in Macon Township. She will be asking for helpers. Please assist in this worthy cause.

Mr. and Mrs. Lavern Pennington and family spent Sunday in Jackson visiting Mr. and Mrs. Louis Pennington and family.

Mr. and Mrs. Ray Smith had as their guest Sunday Mr. and Mrs. Ray Hendershot of Brooklyn.

Susan Morden received a severe hand injury last week. Fifteen stitches was taken across the inside of her hand and fingers.

Sunday, January 27, will be Communion Sunday, and be observed during church service.

Fifty-five friends enjoyed a Fellowship dinner on Sunday in the church dining room. The next Fellowship Dinner will be held on the Second Sunday in Febuary 10. The couples married during 1956 from the church will be honored at this time.

Would you like to own an interest in over 100 leading corporations?

You can—for as little as $100 —or as much more as you wish.

The Funeral Home And Its Many Functions . . .

Few are those who realize the great service that the Funeral Home provides for our community. Here are some of the facts.
The Green Funeral Home, its personnel and facilities are available twenty-four hours a day, and 365 days a year. They are available not only to one family but to several, even at the same moment. Consider, and realize this vast service to our community.

Ridgeway P. T. A. Saw Movies

The Ridgeway area P. T. A. met Wednesday evening at the Ridgeway school.

Membership cards have been received and the membership committee will distribute them in their districts. Mr. and Mrs. Leslie Calhoun were in charge of the program. They showed colored movies of a trip to Mexico, which were enjoyed by all. Refreshments were served at the close of the evening by the first and second grade mothers. The next meeting of the group will be in May.

Don't Forget To Vaccinate Fido

When scheduling vaccinations and immunizations for members of your family don't forget the family canine pet, The Lenawee County Health Department advised today. This is the best time of year to have your dog vaccinaaed against rabies because rabies spreads most rapidly in dogs in the "dog days" of February, March and April.

Some counties in Michigan require anti-rabies vaccination before dogs can be licensed. Compulsory vaccination plus elimination of strays have resulted in a sharp drop in rabies in recent years, but the disease will make a comeback as soon as dog vaccinations start to lag.

Last year 23 confirmed cases of rabies in animals were reported to the Michigan State Health Department, from different parts of the state. Having your dog vaccinated may save your own life as well as his, the health department said. Rabies is always fatal in humans, as well as in animals.

Income Tax Facts

CHILD CARE

There is available, for widows, widowers, and divorced persons who have not married, a Child Care deduction NOT TO EXCEED $600, IF deductions are itemized. If it is necessary for you to hire someone to take care of one or more of your dependents so that you can be gainfully employed, then a deduction can be taken for the amount paid. A taxpayer is entitled to a child care deduction provided the care is for a dependent child or stepchild — and the child is under 12 years of age — or a person who is physically or mentally incapable of caring for himself, regardless of age. The child care deduction cannot be claimed if the amount of money as a deduction is paid to a dependent of the taxpayer.

Working wives may also claim child care deduction provided: A joint return is filed with the husband — and — Combined adjusted gross income of husband and wife does not exceed $5100. Any excess over $4500 must be subtracted from the lessed of $600, or the amount actually paid.

Tab-Natalie Team In 'Girl He Left Behind'

The young romantic team of Tab Hunter and Natalie Wood is back on the local scene in "The Girl He Left Behind," opening Sunday at the Strand Theatre.

Warner Bros. has teamed the twosome in Marion Hargrove's spicy comedy of the life of an inductee in the new peace-time army. The pair were last seen in Warners' "The Burning Hills," which established them as the most popular teen team on the screen today.

Uncle Sam's peacetime Army and its trainees who learn soldiering under the new treat-'em-polite method are the subject of the comedy-drama based on the just-published novel by Marion Hargrove, who wrote the World War II best-seller, "See Here, Private Hargrove."

The film deals with a particular unit at Fort Ord, the Army's big training base near Monterey, Calif. Many soldiers and officers from the training units on the post appeared in scenes with the actors, during the two weeks filming on location at the barracks areas, grenade pits, coastline firing range and parade grounds.

Use permanent-type anti-freeze in farm tractors. The high operating temperatures of a tractor engine cause alcohol to evaporate.

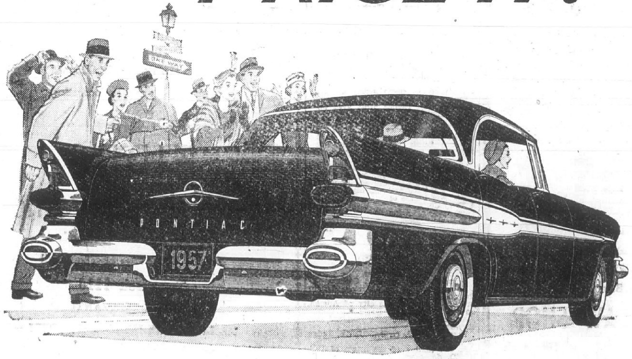
Stop dreaming... PRICE IT!



The Chieftain costs less than a lot of the "low-priced" cars yet delivers MORE POWER—MORE WHEELBASE—MORE ROOM!

Think this big, brawny beauty would fetch a fancy figure? Not the Chieftain. It's made to order for wishful thinkers—priced right down there with the strictly budget jobs! Surprised? You'll be even more so when you look over the long list of premium features in this brilliant newcomer. Under that glamorous garb, for example, is a big, rock-rugged X-member frame, riding solidly atop a whopping 122-inch wheelbase! Cushioning each wheel is Level-Line Ride, Pontiac's new dimension in suspension, bringing you the smoothest, safest ride you've ever known. And up front is the deep-chested new 347 cu. in., 10 to 1 compression ratio Strato-Streak V-8 engine—as sweet a performer as ever came down the pike! So, come on, stop dreaming! Come in and have a look at this big and beautiful automobile's eye-rubbing price! Size it up! We're willing to wager your next step will be into a Pontiac Chieftain!

Lowest-Priced Series of America's Number ① Road Car!

Spohr Company Robbed

Tecumseh Herald photo

The Archie Spohr Lumber Company of Britton was burglarized to the extent of approximately $500.00 Thursday night. All three safes belonging to the Company were blown open with charges of Nitro Glycerine. Losses included a personal check for $190.46 and a government check for $33.00.

The burglars entered the building through a window in the back room. The large safe in the above picture was blown open in the back room where it rested. A safe from behind the counter and another one from the office were wheeled into a second back room to be blown open. All three were blown open by knocking off the combination wheel, drilling a hole in the center of the combination apparatus and filling it with Nitro Glycerine. Damage in the rooms was not extensive.

Police believe that the burglars were a member of the same gang that robbed the Gasner Lumber Company in Clinton the night of January 2-3 as well as the gang operating in lumber yard offices in the Detroit area. Footprints indicate that there were two men. Neighbors recall several noizes between 10:00 and 11:30 Thursday evening that could have been the blasts.

Mrs. G. L. Gripton Entertained With Birthday Party

Mr. and Mrs. G. L. Gripton entertained at dinner Sunday, honoring the birthday of their son Glen and granddaughter Joyce Waterbury, whose birthdays occurred during the week.

Those present were Mr. and Mrs. Glen Gripton, Mr. and Mrs. Bernard Waterbury and sons of Kelly Lake, Mr. and Mrs. Ronald Frayer and daughter and Miss Sharon Waterbury was an afternoon guest.

Boysville Council Plans For Madri Gras

The Student Council of Boysville has met to hear committee reports on plans for the coming Madri Gras dance scheduled for March. Plans for decorations were discussed. Brother Roy, C.S.C., council moderator, will secure a band for the dance as suggested by the council. Committees were appointed by president Vern Young to continue with preparations for the dance. Additional plans were laid for the Popularity Contest being sponsored by the council.

Clothing Party To Be Held January 22

A public Dutch made clothing party is going to be held Friday, Jan. 22 at 7:30 p.m. in the Home Economics Room of the Britton-Macon school, sponsored by the Britton-Macon Band Boosters Club. Proceeds will go to the club.

The group met last Thursday evening. Twelve members were present. Group Insurance for the band instruments was discussed and a committee appointed to report on it at the next meeing.

Refreshments were served by Mrs. Raymond Seagert and Mrs. Elwood Palmer.

SARAH A. MILLER
ORDER OF PUBLICATION
Determination of Heirs.
STATE OF MICHIGAN,
THE PROBATE COURT FOR THE COUNTY OF LENAWEE

At a session of said Court, held at the Probate Office, in the city of Adrian, in said County, on the 10th day of January, A. D. 1957.

Present, Honorable L. B. KUNEY, Judge of Probate.

In the Matter of the Estate of SARAH A. MILLER, Deceased.

Ed Knous, successor in title to lands formerly owned by said deceived, having filed in said Court his petition praying that said Court adjudicate and determine who were at the time of her death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized.

It is Ordered, that the 4th day of February A. D. 1957 at nine o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition;

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing in The Tecumseh Herald a newspaper printed and circulated in said County.

ORDER OF HEARING—PROBATE OF WILL
STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 7th day of January in the year one thousand nine hundred and fifty-seven.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of FRANK K. SMITH, Deceased.

On reading and filing the petition, duly verified, of Edith Baker Smith, widow and legatee of said deceased, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner the executrix named in said instrument, and that the legal heirs of said deceased be determined, or to some other suitable person.

It Is Ordered, That Monday, the 11th day of February next, at eleven o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

COUNCIL CONSIDERS BUILDING CODES

Editor's Corner . . .

By Phil Belleville

The Hoover Report is a subject mentioned frequently. However, few people actually know the specific content and recommendations in it and therefore make a valid appraisal of it. I would like to urge all of you to make an attempt to study some of the specific provisions in it. The recommendations contained in it are certainly not a cureall for all of our government problems, however they are in a step in the right direction toward putting "big government" in line with the nations pocketbook.

The second Hoover Commission was appointed in 1953 under the first Eisenhower Administration with the unanimous approval of Congress. The first Hoover Commission was appointed in 1947 during former President Truman's Administration. The second Hoover Commission like the first was a strictly nonpartisan attempt to check and investigate the efficiency of governmental operations and prepare a report on the various operations with recommendations. In other words, it was an attempt to save the taxpayer the expense of having to pay for wasteful government. When the second report was finished, the conclusion was that 5 billion dollars could be saved if the recommendations were enacted.

Some of the inefficiencies found by the Commission in our different governmental operations were almost unbelieveable. It was found that some of the leading agencies of our government borrow money at 3% interest and loan it out at 2%interest. The Commission found that the services had enough women's wool service uniforms on hand to last more than 10 years. Because of huge surpluses, the Government during the next few years will sell some 2 billion dollars worth of surplus property annually at an average loss of close to 93 cents in the dollar. (We think we have purchased a real bargain when buying surplus material, however things appear in a different light when it is realized that we already paid the full price for the article through taxes.etc.)

The Commission actually found instances where purchases were still being made on eight out of 10 items that were far in excess of inventory needs. It was found that the government subsidizes commercial airlines because of the lack of capacity passenger and freight business while at the same time flying military planes along parallel routes with passenger and freight cargo. In 1954, we could have reduced subsidies to the U.S. international airlines by nearly 43 million dollars if they had flown 25 per cent of the passenger volume and 50 per cent of the mail moved by Military Air Transport Service alone. These examples are from only a

Teen Club Dance Was Attended By 150 Teen Agers

The Junior Chamber of Commerce sponsored Teen Club had another extremely successful teen age dance Saturday night in the Sage Building. It is estimated that at least 150 teen agers attended the affair and danced to the music of the Harold Broderick Quintet. Refreshments were served.

Mr. C. F. Sage owns the building and graciously donates it for such uses as the Teen Club activities and the Civil Air Patrol. At the present time the kitchen is being remodeled, other repairs being made and the Jaycees are having the dance floor refinished.

The next dance will be a Valentine Dance February 9.

Local Merchants Announce January Sales This Week

Four Tecumseh merchants are advertising January sales in this week's Herald. They are: Vogue Shop, Protane Corp., Watkins Shop and Eggleton's Jewelry.

These places of business are offering some real bargains. You will do well to read their ads and then shop and save. Of course don't stop after just reading these four ads because the Herald is loaded with advertising from local merchants that will save you both time and money. Make reading Herald ads a habit, it will prove profitable.

Pipe Organ For Methodist Church

Tecumseh Herald photo

Rev. Horace James is shown with the new pipe organ to be installed in the Methodist Church on W. Chicago Blvd. He is holding one of the smalled pipes in his left hand and one of the larger with his right hand. The eight rank organ will be in operation in approximately two weeks. It is a Moeller organ that formerly was used in the Greenwood Ave. Methodist Church in Jackson. The organ is thirty years old, new for a pipe organ, and thoroughly reconditioned. Mrs. Kenton Hunt is the lucky organist.

It is reported that other remodeling changes are going to be made in the Methodist Church besides the organ.

Extermination Program Started

KEEP AWAY
RAT CONTROL PROJECT
DANGER
ARWELL, INC.

Tecumseh Herald photo

Early results of the City of Tecumseh's rat extermination program at the city dump are good as seen above. Warren G. Rynex, service representative of Arwell, Inc., is shown above with the first day's kill.

V. F. W. Is Going To Sponsor Casey Clark Jamboree

A joint committee meeting of the Hall Slater Post of the V. F. W. and the Auxiliary was held with Warren Filter presiding. Plans were completed for the Past Commanders and Past Presidents Banquet which will be held Feb. 2 at the Post Home at 6:30 p.m. Dr. Dustin will show pictures of his fishing trips into Canada. Reservations are to be made not later than January 31. Chairmen of the banquet are Mr. and Mrs. Gaza Kish. Swiss steak will be served.

The progress of the M. and M show was discussed and it was announced that only 2 booths are letf to be contracted. Any merchants wishing to have these booths for the show may contact Kenneth Kinkleman or Warren Filter.

The Casey Clark Jamboree will be coming to Tecumseh under the sponsorship of the V. F. W., Mar. 19. Chairman for this event will be Mr. Lee Coffey.

At the last meeting of the Hall Slater Post, the members voted to give $15.00 to the Polio fund and $5.00 to the Hungarian relief fund.

8-12 Tons Of Paper Collected By Scout Troop 4

With mighty preparations and success the only goal, Troop No. 4 of the Boy Scouts went about the business of finishing their paper and scrap drive Saturday, Jan. 12. As before, public acceptance and support was tremendous and by working very hard the balance of the City, not covered on the previous drive, was covered.

Many estimates have been made as to the amount of paper collected, and these estimates vary from 8 to 12 tons. An announcement will be made at a later date as to the exact amount of paper and scrap metal collected and the amount of money realized by the Boy Scouts for the sale of same.

With the natural good feeling that comes with the satisfactory completion of a worthy project, the boys of Troop 4, 27 strong, look back over their achievement to take inventory of those persons and businesses who helped make for their success. In doing so it is the opinion of all the boys, their Scoutmaster, and troop committeemen that the good and proper way to say "thank you" to these friends of scouting would be to practice every day the high principles set forth in the scout oath as follows: "On my honor I will do my best, to do my duty to God and my country, to help other people at all times, to keep myself physically strong, mentally awake, and morally straight!

The following is a partial list of persons, individuals, and businesses who played a very active part in supporting the character building citizenship program of scouting by promoting and supporting the Troop 4 scrape drive: TRUCKS, John's Gulf Service; Rumpf's Trunk Line; Butler Motor Sales; Fisher Pontiac; Whelan Implement Co.; Moore Lumber Co.; and Mr. Clarence Wagner; DRIVERS were Mr. William Sisson; Mr. Francis Packard, Tecumseh; Mr. Edward Zick, Macon; Mr. Proctor Pace, Tecumseh; Mrs. Larry DeJonghe, Ridgeway; Mr. LeRoy DeJonghe, Ridgeway; Mr. Carl Wagner, Tecumseh; Mr. Norbert Marsh; Ridgeway; STORAGE, Schnieder Bros. Garage; OFFICIAL ENDORSEMENT, Fire Chief, Cecil Alderdyce; Police chief, George Kilbourn; PUBLICITY and MISCELLANEOUS, Tecumseh Herald; Tecumseh Electric, Mr. Geo.

A. C. Hamaker Was Reelected Treasurer

Ambrose C. Hamaker of Tecumseh has been re-elected Treasurer of the Detroit Chapter, Public Relations Society of America for the year of 1957.

Other officers installed during the meeting last Wednesday evening at the Detroit Edison Co. offices were James T. Maunders, public relations director of Bohn Aluminum and Brass Corp., president, succeeding Wm. B. Hall, vice president of Detroit Bank & Trust Co., Kenneth Youel of General Motors Corp., vice president; and John L. Rose of the Burroughs Corp., Secretary.

Four City Council Seats Are Vacant

Candidates for the City council must file their petitions with the city clerk between February 4, 1957 and 5 P.M. on February 18, 1957.

There are four council seats vacant due to the expiration of the terms of John Hamilton, William Powell, Donald Purkey and Arthur Schwartz.

Petition forms are available at the ofifce of Mrs. Naomi Sallows, City clerk.

Police Report Reveals A Busy Week For Officers

Nine auto accidents in the City of Tecumseh the past few days have kept the Police Department busy.

On January 16, a car driven by Theresa Miller, Tecumseh and a car driven by Horace Duncan, Tecumseh, collided on Russell road. Duncan was arrested for having no operators license on his person.

Jack Brown, Onsted, lost control of his car, January 16 on S. Adrian St., when he reached to pick up a cigarette from the floor of the car when crossing the railroad tracks. He was taken to Herrick Memorial Hospital for injuries to his head, leg and left hand. The car was a total wreck.

A car driven by Warren Naugh, Tecumseh and a car driven by John Arft, Tecumseh, collided on the corner of E. Brown and Maumee Streets. There was about $150 worth of damage to the cars.

James Finger, Cadillac, and Estelle Keith, Britton, had an automobile accident on N. Evans Street, January 18. About $25.00 worth of damage was done to the Finger car and $75.00 worth of damage to the Keith vehicle.

A accident occurred on N. Evans Street, January 18 when cars driven by Terry Holdridge, Tecumseh, and Frank Boike, Tecumseh, came together. The same day, a car driven by Dorothy Hall Damon, Tecumseh, and one driven by Winford Robinson, Brooklyn, collided

(Continued on Page 3)

Mrs. Emil Fulop Here After 19 Year Separation

The Emil Fulop family of 104 N. Division street in Tecumseh is very happy these days due to the fact that Mrs. Fulop has arrived safely in America from Hungary. She arrived by plane at Willow Run. Mr. Fulop had not seen his wife for 19 years though many attempts had been made to make it possible for her to come here to be with the rest of the family.

The Fulops lived in Norhern Michigan at one time and then went back to Zendlen, Hungary. Mr. Fulop again came to Michigan and made every effort to get his family here also. Finally he raised enough money to bring his son, Steve, over in 1951. Then father and son together earned the money for daughter, Ilona, who came in 1954. Mrs. Fulop was ready, even at the airport, to board the plane when the fighting broke out in Hungary and she was not allowed to come.

Because of these trying experiences, Mrs. Fulop is not up to relating her story at this time but has promised to release the story to the Herald at a later date. In the meantime, Tecumseh citizens are proud to have "all" of the Fulop family making their home here, with the men working in the Products, and Ilona working in Manchester at the Ford plant.

Do Not Miss It

For a complete story of coming events in Tecumseh, be sure to see the "Calendar Of News In The Making". This interesting feature in the Herald will tell you what is going on when as well as other pertinent details. Don't miss it.

No Action To Be Taken Before Further Study

There was a considerable amount of discussion at Monday nights City Council meeting regarding building codes for the City. Codes exist at present for electrical work and sanitation installations but none for general building construction.

It was pointed out that if a building code was adopted, it would be necessary to have a full time building inspector. It was generally thought that such a code should be studied further before any action is taken.

It was voted to rescind the appointment of Calvin Zorn as supervisor at the last Council meeting, because the City Charter reads that a Supervisor must be a resident of the City at least two years. The appointment will probably be made at the next meeting.

The City Manager's report was made by E. J. Nelson and approved by the council. He reported that the Arwell Co. spent two days exterminating rats at the city dump and killed approximately 200 of them. Mr. Nelson stated that between fighting snow the last two weeks, the Highway Department has been able to get some trees trimmed and cut. They have also been working on curb and gutter forms and equipment repairing.

Mr. Nelson has talked to officials in Lansing regarding a new bridge on North Evans St. over the Raisin River. It is hoped that preparations will be completed so the project can be put up for the next bidding date set for February 21, 1957.

The Manager said, "we have the equivalent of 22 blocks of curb and gutter petitioned for up until now. The majority of this is on local streets. It wouldn't be advisable to try a program of this amount for 1957 as it would throw the expenditures out of balance on major street money." The City Manager reported that Jechura Brothers have completed the water main across the pond and an okay has been received from the State Health Department stating that the water test was safe. At the present time, the water is turned on and circulating around through Union Street.

Jaycees Observe Bosses Night

The Tecumseh Jaycees will observe their annual "Bosses Night" tonight at the Eagles Hall beginning at 6:30. "Herb" Aeur, a past president of the Junior Chamber of Commerce will be the speaker for the evening. Special awards will be presented to outstanding

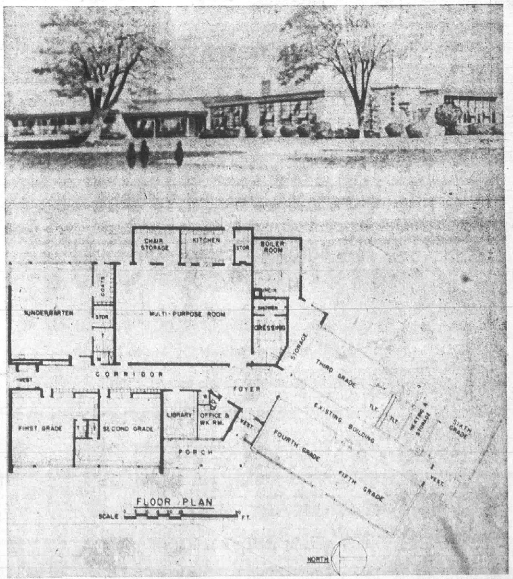
Board Proposes Completion



Tecumseh Herald Rephoto

James McDowell, Superintendent of Tecumseh Public Schools, presents this week the sixth in the series of articles concerning the projects proposed by the Board of Education. The project explained and shown above this week is the proposed completion of the Ridgeway School.

Mr. McDowell says, "The Board of Education proposes to complete the Ridgeway School making it one of the most modern in the area. The school now consists of four classrooms and toilets and is not large enough to serve the area of which it is a center; the former districts of Ridgeway, Centennial, Kelley, Holloway and Bird. A new modern kindergarten, first and second grade rooms, multipurpose room with stage, chair, and table storage, hot lunch kitchen, library, office and teachers' workroom, and shower facilities with locker room and basket storage are proposed. There will also be a need for a new boiler room as the old heating system is inadequate for such a complete new modern elementary school."

"The building will be brick faced matching the present building. However, aluminum trim and windows will be used. The building will fit nicely on the land already owned by the district, but the Board may need to purchase an additional area for playground as the children begin to fill the building. Every effort except condemnation proceedings was made to buy the land along the highway west of the present location so that the barn could be removed or torn down and there would be a clear view of the school from the road. However, this failed and therefore, if needed, an attempt will be made to purchase land behind the present building north and west of the present property."

"The Board hopes that this school will become an educational and recreational facility for the entire area around Ridgeway and a distinct asset to the community.

Next week the Board will present plans for additions to the High School which is badly overcrowded at present."

V.F.W. Auxiliary To Hold Dinner February 2nd.

The Auxiliary of the Hall-Slater Post of the V.F.W. held a meeting Jan. 16 at the Post home with the president, Mrs. Lloyd Stites presiding.

The coffee committee for the Polio Porch Light drive to be held Jan. 31 will be Mrs. Carl Kempf, Mrs. Carson House, Mrs. Yale Kerby, and Mrs. Harlan Boyes. The Past Commanders and Presidents dinner will be held Saturday, Feb. 2 at 6:30 p.m. Tickets will be $1.00 per person and may be obtained not lated than Jan. 31 at the Post Home or from the following committee: Mr. and Mrs. Gaza Kish, Mrs. Earl Kruger, Mrs. Charles Scriver, Mrs. Lloyd Stites, or Warren Filter. The committee for the food stand at the Merchants and Manufacturers show Feb. 7-8-9-10 will be Mrs. Earl Kruger, Mrs. Warren Filter, Mrs. Richard Butler, Mrs. Harlan Boyes, and Mrs. Carl Kempf.

Those from the Hall-Slater Post who attended the 6th District meeting in Maybee, Mich. Sunday were Clifford Curan, Mr. and Mrs. Richard Butler, Mr. and Mrs. Warren Filter, Mr. and Mrs. Carl Kempf, and Mr. and Mrs. Harlan Boyes. A dinner was served at noon, and the Dept. president, Mrs. Melvin Loeding of Port Huron, was present for her official visit to the 6th District Auxiliary.

P. E. O. Chapter Met Tuesday

Fourteen members and two guests, Dorothy Osgood and Faye Nichols from Adrian, were present for the meeting of the P.E.O. chapter Tuesday at the home of Mrs. Blair Bashore. Dessert luncheon was served as usual.

Mrs. John Lott presented a program of tributes to the Founders of P.E.O. The next meeting will be held Feb. 12 at the home of Mrs. M. R. Blanden with Mrs. John Thompson, leader. The program will be on Cottey College located in Nevada, Missouri, and sponsored by all the P.E.O. Chapters in the United States.

Happy Home Builders Class Elected Officers

The Happy Home Builders Class of the Baptist church held the election of officers for the coming year after a bountiful potluck supper last Thursday evening. The officers are president, Robert Gillispie; vice president, Harold Davidson; secretary, Kay Monagin; and treasurer, John Surratt. Twenty members were present.

During the meeting it was decided to hold meetings on the fourth Wednesday evening of each month rather than Thursday thus giving members of the choir an opportunity to attend the meeting after practice. Rev. Bashore was the speaker of the evening. He talked on Civil Defense. He will also speak at the next meeting concerning Baptist church principles, and the duties of the laymen. Mr. and Mrs. Charles Stevenson were hosts for this meeting.

The Tecumseh Monday Club Held Guest Day

Guest Day at the Tecumseh Monday Club was held Monday in the Methodist Church with 51 members and guests present. Mrs. Wilfred Waldron had charge of the program presenting Mrs. Arthur Schwartz who played a piano solo, "The Hugarian", followed by Dr. John Dawson from Adrian College who spoke on 'Human Relationships".

Dr. Dawson spoke with such simplicity on the U.N. world crisis, the Suez situation and the culture of different countries varying so very much that, the members found what he had to say most interesting. He went back through the ages to Greek civilization and back up to the question of de-segregation to show that nations cannot surivve without unity and human understanding.

During the meeting, at which Mrs. Bonner presided, Mrs. Harper read the religious thought. It was announced that Federation Day is Feb. 12 at the Adrian Baptist Church. Seven dollars and fifty-cents was sent to Interlochen for the scholarship fund. The closing prayer was read by Mr. Clarence Brock. Tea was served by Mrs. John Quigley and her committee with Mrs. Wilfred Waldron pouring.

The next meeting will be Feb. 4 at the Methodist Church when Mrs. Hayden will produce a play, and officers will be elected. Mrs. Mary McWilliams will be the chairman of the hostesses.

Garden Club Met At Ring Home

The January meeting of the Tecumseh Garden Club was held at the home of Mrs. W. W. Ring on Chicago Blvd. with the president, Mrs. Al Helzerman presiding. Assisting hostesses were Mrs. Harold Wilson, Mrs. Hoyt Whelan, and Mrs. Robert Sage. During the afternoon, Mrs. Theodore Rundell gave a most interesting talk on "Feeding Birds in the Winter."

European Movies To Be Shown January 30

Circle 7 of the Presbyterian Church is announcing the showing of European movies taken by three Adrian couples, including the Waldron Stuarts. The movies will be shown at the Tecumseh Products Union Hall, and are in color and sound. The date is Jan. 30 at 8 p.m., and donations of $1.00 for adults and 50c for children will be accepted. Mrs. William Sisson is chairman of this event.

Daughters Of St. Peter's Met January 22

Yearly reports were presented for the 14 members who attended the meeting of the Daughters of St. Peter's Church Tuesday evening in the Parish House. Mrs. John McCaughn reported on the Womàn's Auxiliary meeting.

An immediate project will be the purchase of light excluding shades for the south room in the basement so that pictures may be shown in the day time. Following the busienss meeting, an auction was held with Mrs. Cecile Smith as auctioneer and Mrs. Anna Haughn as clerk. The $16.50 realized from the sale will be donated to the Polio fund.

Each member brought sandwiches for refreshments, and Mrs. McCaughn and Mrs. Henrietta Lindsley served as hostesses.

Local Topics . . . .

Mr. and Mrs. David Higgins and family were guests over the weekend of Mr. and Mrs. Loren Campbell and family of Howell, Michigan.

Seventeen members of the local chapter of the Order of the Eastern Star attended a special school of instruction held with the Adrian Chapter 112. The Grand Chapter officers of the State of Michigan were present to give the exemplification of the degrees.

Mrs. W. E. Bly returned from a visit with her step-son, Mr. and Mrs. H. G. Bunn of North Little Rock, Arkansas, January 15. Mr. Bunn is the superintendent of Pulaska County Schools. During her visit there Mrs. Bly said the temperature was 76 degrees, and the Japonica and Jonquils were in full bloom, however the temperature did go down to 25 degrees again, and made the little blooms remember that spring isn't that early even in Arkansas. Guests Sunday in Mrs. Bly's home were Mr. and Mrs. Harold Ruesink and daughters, Dianne and Ruth.

Three officers of the local chapter of the Eastern Star attended the special session of the Grand Chapter in Grand Rapids January 15 and 16. They were worthy matron, Mrs. Ralph Westgate, associate worthy matron, Mrs. Melvin Smith, and conductress, Mrs. Donald LaBounty.

Mr. and Mrs. Lynn Harris entertained their son and family, Mr. and Mrs. Frank Harris and family of Jonesville for a birthday celebration this week, honoring Franks birthday.

Five ladies of the Presbyterian Church attended a meeting in Adrian to hear the Moderator of General Assembly, Mr. David Proffitt and Mrs. Proffitt. They were Mrs. John Lott, Edith Ingersoll, Mrs. Margaret Kidman, Mrs. Wilbur Boyce, and Mrs. S. W. Boyce. The Proffitts come from Tennessee; Mr. Proffitt spoke to the men and and Mrs. Proffitt to the women.

Mr. and Mrs. Calvin Damon and Mr. and Mrs. Jack Brown of Blissfield have left for a two weeks vacation in Florida.

Miss Joanne Borgards, of Jackson, spent the weekend at the LaPointe home. She has just returned from visiting Mr. and Mrs. Earl McNeil in Florida. Miss Borgards is a former Tecumseh school teacher.

Mrs. Nellie Grandstaff, grandmother of Mrs. Owen Partridge, left Sunday for Metamora, Michigan where she will visit Mr. and Mrs. R. F. Ackerman for a week and then return to the Partridge home.

Pvt. Thomas Naser was promoted to Pvt. First Class, Jan. 10, at Camp Pendleton, California. He is serving with the U.S. Marine Corps.

Rev. Horace James of the Tecumseh Methodist Church will exchange pulpits with Rev. Donald Bates, pastor of the Macon Church, for the Sunday morning worship service.

John Saling is in Lansing this week attending the meeting of the Michigan State Association of Supervisors at the Hotel Olds.

Mr. and Mrs. Harry Crosby and family visited Mr. and Mrs. Melvin Greenwald and family of Prudenville over the weekend.

Mr. and Mrs. Harry Stanife moved Dec. 29th from the Georg French apartment at 201 Sout Union St. to their new home a 4089 Aebersold Drive, Tecumseh.

Kiwanis Members Attend Meeting

Mr. and Mrs. George Schumm Mr. and Mrs. Fred Hadley, Wayn Kiser, and Dr. Richard Coak a tended a Divisional meeting of th Kiwanis clubs from Districts 6, 8 and 12 Monday evening at th Michigan Union building, Ann A bor. International President, Ree C. Culp, from Salt Lake City, Utal was present and was guest speak er.

About 500 persons were presen for the dinner and meeting whic was an inter-club meeting wit other clubs from the area.

COMFORT CLUB MEETING CANCELLED

The January meeting of the Comfort Club was cancelled because o inclimate weather. The Februar meeting will be held at Mrs. Yoder on Occidental road.

Rotarians To Hear Talk On St. Lawrence Seaway Project

The St. Lawrence Seaway project will be the topic of the Tecumseh Rotary Club meeting on January 29 at the Methodist Church. Hugh T. Walters will have charge of the program for that evening. He will give a talk to the members and show a movie film on the Seaway.

The project has been under construction since August, 1954, sponsored jointly by the Governments of the United States and Canada. It provides for the construction of navigation works, particularly locks and channels having 27 ft. depth, which will accommodate vessels with up to a 25-ft. draft.

The project may be divided into four distinct parts, as follows: 1. Deepening of the 27 mile long Welland Ship Canal which connects the western end of Lake Ontario with the eastern end of Lake Erie. 2. The removal of scattered rock shoals in the 68-mile Thousand Islands section, extending eastward from Lake Ontario to Ogdenburg, N. Y., of which 45 miles are in the United States and 23 miles in Canada. 3. The construction of locks and channels in the International Rapids section extending between Ogdenburg and St. Regis. 4. The all-American section extending from Cornwall, Ontario (about opposite St. Regis) to Montreal.

The Seaway is believed to affect all eastern Michigan including the Tecumseh area and this program will no doubt prove very interesting and educational.

on the corner of S. Maumee and Kilbuck. No one was injured, however, about $250 worth of damage was done to the Damon car and about $125 damage to the Robinson car.

On January 19, a car driven by Robert Brady, Tecumseh and one driven by Gaylord Schott, Wellston, Mich., collided on the corner of W. Chicago Blvd. and Occidental St. It did about $300 worth of damage ot the Brady car. Schott was ticketed by the Chief of Police for not having his car under control.

January 22, a car driven by Kenneth Allshouse, Tecumseh, and a car driven by Ronald R. Hall, Onsted, came together on W. Chicago road. About $90.00 damages was done to the cars. On January 20, cars being driven by Alline R. Osburn and Jean O'Neil, both of Tecumseh, collided. No one was injured. $175 worth of damage was done to the Osburn car and about $75.00 damage to the O'Neil car.

Harvey Creger, Tecumseh, was picked up by the local police for the County Sheriff's Department for non-support.

Harold Gove, Manchester, was ticketed January 20 for driving a car under the influence of intoxicating liquor. He was released on a $100 bond.

Troop No. 57 Went Ice Fishing Last Saturday

The newly formed Boy Scout Troop No. 57 sponsored by the American Legion Underwood-Orr Post No. 34 took advantage of the fine weather Saturday morning and went on an ice fishing trip to Evans Lake.

The first fish was a pike caught by David McDonald which he had to throw back in because it was undersize. The largest fish was a 13½ inch Perch caught by Melvin Smith, and the smallest was an 8 inch Perch caught by David Langham. The most fish were caught by David MacDonald. The boys certainly "showed up" their chaperones, Wayne Carpenter and scoutmaster, Al Curtis.

Pack 4 Presented An Interesting Program Monday

The January meeting of Cub Scout Pack No. 4 was held in the Baptist Youth House Monday evening with Earnest Oliver, assistant Cubmaster, presiding. It was opened with the flag ceremony by Den 1 led by Mrs. Wallace Rutherford and Mrs. Warren Sharpe.

The program, "Eyes in the Sky", was presented with all dens taking part or presenting displays. Den 9, led by Mrs. Paul Bame and Mrs. Bruce Osburn, were dressed in clever robot costumes and presented a skit. Den 2, led by Mrs. Richard Brighton and Mrs. Eugene Fisher, had an eclipse demonstration with cubs in space helmets and some portraying the sun, moon, and earth. Den 6, under the leadership of Mrs. Frank Boik and Mrs. Harvey Carpenter, sang the song, "Twinkle, Twinkle, Little Star" with a lighted star shining in the darkened room. Den 8, led by Mrs. Glenn Work, Mrs. Douglas Hall, and Mrs. Fred Butler, presented a display on Plane Progress.

A display on space ships was presented by Den 7 led by Mrs. Harold Warren and Mrs. Pat Hatch. Den 4 presented a display of the "big bear"; and the "big dipper"; and the dippers location in the various seasons. The cubs read short notes of the subjects. Den 5 presented flying saucers and a story about them led by Mrs. George Anderson and Mrs. Lee Kaynor. Den 3 presented an interesting program on the moon orbit under the leadership of Mrs. Pat Hollar and Mrs. Ted Pihl. After the program, the award chairman, Mr. Elwyn Merx, presented the following awards: from Den 2, Eddie Roe and Richard Brighton Denner Stripes; Paul Fisher, an assistant Denner Stripe; from Den 4, David Dustin, a lion badge, and a gold and silver arrow under the lion badge; John Mensing, a lion badge, and a gold arrow under the lion badge; from Den 8, Steven Butler, a wolf badge; from Den 6, Gary Hall, a Denner Stripe; Randy Work, an assistant Denner Stripe; from Den 7, Michael O'Donnell, a Denner Stripe; Richard Duffin, an assistant Denner Stripe. David Dustin from Den 4 won the pennant for the knot tying contest, Den 2 took Cubby home for the largest attendance. After the meeting, Den 1 retired the flag.

February 10th Is Scout Sunday For Pack No. 73

The Cub Scout Committee meeting for Pack 73 was held at the residence of Mr. and Mrs. Frederick Dickinson Jr. at 514 W. Pottawatamie St. Monday evening. The meeting started at 7:30 p.m. and many subjects were discussed including arrangements for a swimming party and a sliding party. Refreshments were served. The next meeting will be held at the residence of Mr. and Mrs. Green at 518 Outer Drive. All committee members are urged to attend.

Feb. 10 will be "Scout Sunday", all cubs in Pack 73 will be asked to attend the morning worship service in the Presbyterian Church at 10:45 a.m. Further information will be provided by the den mothers. It is hoped that all Cubs and their parents will take advantage of this opportunity to perform the cub scout promise and honor God as a Pack.

On Feb. 13 at 4 p.m., all cubs of Pack 73 are asked to attend a singing practice at the Tecumseh Products Union Hall. The reason for this is that from all the Cubs in the area, Pack 73 has been chosen due to the magnificent job that they did at the Union Hall Jan. 12. Pack 73 will sing at the Boy Scout Show at the Adrian Armory, Feb. 16. They will be the only Cubs present at the show and for them this is a big honor. Will parents please be sure that they have transportation for this date.

On Feb. 18, Pack 73 will have their Blue and Gold program at 7 p.m. at the Union Hall. This program, unlike the others, will be for the entertainment of the boys and their parents and will run as follows: 7 to 7:15 p.m. gathering period; 7:15 to 7:20 flag ceremony; 7:20 to 8 p.m. awards given to Cubs; 8 to 8:45 movies of Africa by Jens Touborg; 8:45 to 9 p.m. Webelos ceremony after which refreshments will be served.

Scouts To Hold A Court Of Honor Monday

A special recognition program known in scouting as a court of honor will be held at the new troop headquarters located in the Sage building Monday, Jan. 28, at 7:30 p.m. Ten Boy Scout members will be formally promoted to a higher rank for their outstanding achievements in the various fields of scouting endeavor.

Those to be honored to the rank of 2nd class are Glenn Schmidt, son of Mr. and Mrs. Herman Schmidt, 208 Cummins St.; Richard Williams, son of Mr. and Mrs. Carl Williams, Russell Road; David Irelan, son of Mr. and Mrs. Charles Irelan, Monroe Road; Ronald Majtyka, son of Mr. and Mrs. Stanley Majtyka, Ridgeway. Those to be raised to the rank of 1st class: James Nighswander, son of Mr. and Mrs. Gilbert Nighswander, Russell Road; Robert Fisher and William Fisher, sons of Mr. and Mrs. C. Eugene Fisher, Route 1 Tipton; Gary Abner, son of Mr. and Mrs. Forest Abner, 520 Outer Drive, and Gerald Chase, son of Mr. and Mrs. Clyde Chase, south Occidental Road. Both parents and the general public are cordially invited to attend.

This would be an ideal time for any interested boy of scouting age, that at present does not have a scouting home, to witness what goes on in the scout troop and why. Refreshments will be served.

few of the areas studied.

Besides the 5 billion dollar possible reduction in the price of government, the recommendations put forth would greatly increase the efficiency of our government. Some of the recommendations would also strengthen our constitutional, free enterprise system. I wholeheartedly recommend most of the provisions of the Hoover Report. I also urge that you thoroughly investigate the report and its recommendations so that you can let your governmental representatives know that you are for them also. We cannot afford to be overly taxed for wasteful government.

Apartment Fire Started By Cigarette

The Tecumseh Fire Department was called at 6 a.m. Sunday morning to the building owned by Robert McCoy on Chicago Blvd, which houses the Western Auto Associates Store and several apartments on the second story. The blaze was in an apartment and it was thought to have started from a cigarette in a waste paper basket according to the Fire Department. Damage estimated at about $1000 was done to the building plus smoke and water damage to the store below. The fire was reported by Mrs. Maude Cummings occupant of one of the apartments when she noticed smoke.

The department answered another call at 4:30 a.m. Wednesday morning on East Chicago Blvd. when a truck owned by Don Morse of Contantine had a short in the wiring.

Peter M. Rhein To Get Drafting Degree Sunday

Peter M. Rhein, son of Mr. and Mrs. Lloyd Rhein of 611 Outer Drive, will receive a two year drafting degree from Western Michigan College, Kalamazoo, at the January commencement exercises Sunday January 27th.

Peter is a Junior in the school of Engineering and will continue his studies at Western Michigan. Mr. and Mrs. Rhein plan to attend the commencement exercises.

LITTLE SECURITY

It's surprising how many people live on such a narrow margin in this wide world of ours.

Brenda Gallant Honored At Birthday Party

Brenda Gallant, daughter of Mr. and Mrs. Thomas Gallant, Jr., was given a birthday party last Saturday at her home. Eight of her school friends from Lamkin school attended.

Th guests played games, prizes were awarded, and traditional refreshments of cake and ice cream were served. Brenda received many lovely gifts.

Sunday, her birthday, a party was given in her honor at the home of her grandparents, Mr. and Mrs. Ralph Westgate. Guests were Mr. and Mrs. Thomas Gallant, Sr., Mr. Eugene Gallant, Dianne Appleton of Adrian, Mr. William Heller, and the Thomas Gallant, Jr. family of Tecumseh.

Bosses Night To Be Observed

(Continued from Page 1)

Jaycees.

"Bosses Night" is the highlight of national "Jaycee Week", which is being observed this week by Jaycees across the country.

Mrs. E. Dusseau Honored Guest

Mrs. Gerald Craig and Mrs. Don Morley entertained at a stork shower Tuesday evening in the Craig home in honor of Mrs. Earl Dusseau of Ridgeway. There were fourteen in attendance. Dainty refreshments were served by the hostesses.

Out of town guests included Mrs. Peter Perry a sister of the honored guest and Mrs. Perrys daughter Mrs. Carol DesJonghe.

Eagles Are To Celebrate Their 50th Anniversary

The Tecumseh Fraternal Order of the Eagles No. 1563 are celebrating their 50th anniversary Sunday, Jan. 27th, 1957. Invitations have been extended to the governor, state, and district officers of the F. O. E., as well as individual aeries.

The program for the day has been planned by a committee of all past presidents of which Thomas Gallant Sr. is the chairman. Master of ceremonies will be Clarence Morningstar. The program will begin at 2:30 p.m. followed by a dinner and dancing in the evening. Music will be furnished by George Pittman and his orchestra.

RIDGEWAY

Elmer Linn
Correspondent

Elmer Linn

Mrs. Maggie Webster, who has been a guest of her brother Wm. Bower, has returned to her home in Mishawaukee, Ind.

The Annual Donation Turkey Supper of the Methodist church will be held January 31.

Daniel and David Linn called in Adrian Sunday.

The United Ladies of the Methodist church met Thursday evening with Mrs. Nina Sturtevant. Officers were elected with Mrs. Sturtevant as president and all the others reelected.

Daniel and David Linn were Wayne visitors Saturday.

Miss Ann Marks is a patient in Herrick Memorial Hospital.

Wayne and Willard Keith were recent dinner guests of Mr. and Mrs. John Curtis Jr. in Dundee.

Rev. Lorne Carter and mother have gone to Florida to spend the winter months.

George P. Kincade of Toledo called in town on business Friday.

At the supper in the Methodist church Saturday songs were sung and pictures shown by Mr. and Mrs. George Hayford.

"Nub" Marsh who is attending Michigan State University, East Lansing, has been elected vice-president of the Short Course Dormitory Council. Norbert is majoring in Farm Management and Animal Husbandry.

He recently spent the weekend with his parents, Mr. and Mrs. Ronald Marsh of Ridgeway.

Dollars cut such a figure with some men that they feel they have to disfigure themselves to get them.

Tecumseh F.H.A. Visited J. L. Hudson Company

Thirty-three members of the Tecumseh Future Homemakers of America visited the J. L. Hudson Company last Saturday, January 19. They were accompanied by Mrs. Wilt, Mrs. Neuman, Mrs. Baker, and Mrs. Leva Brown, their advisor.

The group was conducted on a tour of the store in the morning. At one o'clock they attended a teen fashion show which featured many new trends in spring clothing.

After shopping they returned home in the school activity bus driven by Mr. Robert Purkey.

Consumers Repr. Addressed The Rotary Club

Mr. John Simpson, general supervisor of gas operation for Consumers Power Co., Jackson, was guest speaker at the Tuesday night meeting of the Tecumseh Rotary Club.

He gave an interesting talk on the natural gas situation, using maps for some of his illustrations. He explained the reason for this area being unable to receive gas for additional customers for heating purposes was because of the shortage and the price set by the Inter-State Commerce Commission. In order to receive additional gas here to meet the demand, another gas line would have to be put in from the Pan Handle. In addition the Pipe Handle Gas Co. from whom Consumers purchases gas, can dispose of all their gas in the Texas area. The solution would be to get a hookup with a private concern such as Detroit has who is putting new customers on at this time. Richard Beamer introduced Mr. Simpson.

The usual fine dinner was enjoyed, followed by a short business meeting.

o

Kiwanis Club Heard Speaker

The Kiwanis Club met in regular session Wednesday noon and had as guest speaker, Mr. Louis Vandecaveye, executive director of Junior Achievement in Adrian, who explained the program there. He explained that the program gave the youth business experience in book work as well as actual transactions in making shop merchandise.

Four members from the Adrian club were guests.

President Fred Hadley presided at the meeting.

o

Hold your horses — It was uncontrolled horsepower that caused half of last year's traffic fatalities.

Men's Council Heard Interesting Talk Monday

The local Chapter of the National Men's Council of the Presbyterian Church met Monday evening for a swiss steak dinner served by the women of the church. Forty members were present. Following the dinner, a presentation of the programs for 1957 was given.

The speaker of the evening, Mr. Frederick Von Voigtlander, was introduced. Mr. Von Voightlander was formerly the chief engineer of Sparta-Farraday Co. of Adrian and at present is living in Ann Arbor. He is employed by Cummins and Barnard Co., consultant engineers. He spoke on the origin and development of tools. From his excellent back log of material, he showed how man through his ingenuity has materially "pulled himself up by his bootstraps" in a very short time, as geological time goes. He pointed out the three, great steps of man's progress; the development of hand tools, the application of mechanical power to do his work, and finally the application of interchangeable parts or mass production. He stressed that the things that made America materially great were spiritual freedom, political freedom, and the development of methods of mass production. He closed with a challenge, man has overcome his physical and material problems to a marvelous degree, but now with a large proportion of the world still hungry, he must strengthen his mental and spiritual attitudes so that his great advances will aid rather than destroy him.

o

Exchange Club Heard Talk On U. N. Visit

The Tecumseh Exchange Club met Wednesday evening at 6:30 p.m. in the Eagle Hall.

Mr. Robert Bonner, program chairman of the evening, presented a young man and woman from Adrian college who visited the U.N. building in December and sat in on some of the sessions. They related some of their experiences and were very well informed on their subject.

o

Rep. Convention January 30

Republicans of Lenawee county will meet in county convention at Lenawee County Court House on January 30 to select delegates for the GOP State Convention at Detroit on Feb. 9, John H. Keller, Republican county chairman, announced today.

o

Habits are either bobbers or sinkers on the sea of life — they either hold you up or hold you down.

Book List Delayed Until Next Week

This week's booklist will appear with next week's due to the lack of space.

o

Local Children To Hear Rancher Glen

Rancher Glen, the guitar-playing health troubadour for the Michigan Tuberculosis Association, will perform for Tecumseh children Monday. He sings songs and tells stories stressing the importance of five good health rules — cleanliness, good food, sleep, outdoor play, and correct posture.

The Rancher will perform Monday, Jan. 28, for Central Elementary, Patterson, and West Branch schools in Tecumseh Township and St. Elizabeth School in Tecumseh.

o

LOCALS

Mr. and Mrs. Lynn Hubbard have been entertaining their grandson, Douglas Schilling from Adrian since Saturday.

Mr. and Mrs. Clarence Hunt visited his sister, Mrs. Archie Mumaw in Adrian Tuesday.

Ernest Harris is a patient in Herrick Memorial Hospital where he was taken Sunday after he suffered a stroke at his home on Newburg Road that effected his right side. He may have very brief visits.

Mr. and Mrs. Elmer Bryan were weekend guests of their aunt and uncle, Mr. and Mrs. Kenneth Bryan and family, of Lowell, Michigan. While there, they attended the meeting of the Lowell Chapter of Jobs Daughters when Bonnie Jean Brayn was installed as honor queen. Sunday afternoon the Bryans visited Mr. and Mrs. Marshall Roby, former manager of the local A & P Store, who has been transferred from Hillsdale to the Albion Store.

Methodist Church To Have Potluck Friday

The Mable Lawrence Circle of the Methodist Church met Thursday evening at the home of Mrs. Elmer Bryan with the president, Mrs. Owen Partridge presiding. Mrs. Floyd Elliott presented the devotionals.

Mrs. Partridge presented the program on the Apostle's Creed. The members found it very interesting.

Potluck supper was announced for Friday evening at the Church with the speaker being a missionary from Beglian Congo. It is hoped that many will take advantage of the opportunity to hear this intering speaker.

Study Session Sunday Evening

A most interesting program on "Anti-Christian Religions" presented by the men of the Methodist Church last Sunday evening drew a large attendance for the study hour. Mrs. Vaynard Close and her committee served refreshments. Next Sunday evening will be the last of the Study sessions. Everyone is urged to attend this most informative meeting.

HAND-IN-HAND

History proves that the high speed of living has something to do with the high cost.

Potluck Supper To Be Held January 25

Mrs. Richard Eggleston of South Evans street was the hostess for the Naomi Irene Circle of the Methodist church last Wednesday evening. She was assisted by Viola Marks.

Mrs. Carlos Jones was in charge of the program. It was announced that Mission meetings are being held Sunday evening at the church. Everyone is urged to attend. A potluck supper will be held at the church, Jan. 25, when a missionary will be the speaker.

Beverly Eggleston entertained the circle with a piano solo. Mrs. Ena Whaley was in charge of a game enjoyed by everyone. A beverage refreshment was served at the close of the meeting. The next meeting will be held at the home of Mrs. Horace James.

Methodist Church To Observe Family Night

The Tecumseh Methodist Church will observe family night Friday, January 25, with a potluck supper at 6:30. Those attending are asked to bring their own table service.

January is observed as Missionary month in the Methodist Church. Following the supper, Rev. Joseph H. Maw, a missionary of the Methodist Church in the Belgian Congo since 1928, will speak. He has been teaching carpentry and furniture making to students in Mission schools at Wambo, Nyama, Tunda and Minga, his most recent assignment. He also preaches about 4 times a month and takes over the duties of the district superintendent when necessary.

Rev. Horace James, pastor of the church, cordially invites everyone to attend the gathering.

O. E. S. To Have Special Meeting Thursday Evening

A special meeting of the Order of the Eastern Star will be held Thursday evening in the Masonic Temple at 8 p.m. for the initiation of two new members, Mr. and Mrs. William Snook, who are to receive the degrees. Refreshments will be served by Mrs. Gordon Garlick and Mrs. Homer Colson.

A Tupperware Plastic Party, sponsored by the Star, is to be held at the home of Mrs. Cecile Viele, 508 Inner Drive, January 28 at 7:30 p.m.

Mrs. Ralph Westgate reported that 14 officers of the local Chapter attended the special meeting in Adrian when the degrees were exemplified by the Grand Chapter officers as well as a number of the other local members. Since Michigan has joined the other states in using the same work as the General Grand Chapter, there are 46 of the 48 states all doing the same work. At the next regular meeting to be held Feb. 7, all the past Esthers and Marthas and the 3rd and 4th points of the star are to be honored.

Raisin Bees Hear Civilian Defense Talk

The Raisin Green Bees met at the home of Mrs. Ormand Socks, Monday, Jan. 21 at 8 p.m. Twelve members were present and one guest.

Funds from birthday collections and fines will be sent to UNICEF and Pennies For Friendship. Two dollars will be donated to the Polio Drive.

The guest speaker, Rev. B. O. Bashore, spoke on Civilian Defense. Mr. Bashore stressed the importance of avoiding panic in the face of a disaster home preparation in advance with necessary equipment for emergency use.

Mrs. James Howard and Mrs. Willard Zwick also gave a lesson on Civilian Defense.

Say you saw it in The Herald.

Patterson P.T.A. Plans For The Home Fair

The Patterson P.T.A. met for their January meeting at the school on Thursday evening. President J. D. Cook opened the business meeting. Reverend B. O. Bashore gave the invocation, which was followed by the Pledge of the Flag.

Mrs. Harry Richard reported that the committee to investigate the purchase of curtains for the Patterson stage has located a very good bargain. It was voted by the P.T.A. membership in November to earmark the proceeds of the coming Patterson Home Fair for these much-needed curtains. Mr. Cook announced that the next regular meeting of the P.T.A. will be in March and Mr. Ray Schlegel announced that Dr. Dawson, President of Adrian College, will be the speaker for that meeting.

A report was made on the progress of plans for the Patterson Home Fair set for March 2 at the school gym. Hours for the fair will be 12:00 noon to 7:00 p.m. Admission tickets will be sold in advance and will entitle holders to participate for door prizes.

Patterson students are now engaged in making posters for the Fair under the direction of Mrs. Westdyke. Posters will be judged, and winners will be awarded prizes. The Posters will then be displayed in schools and business places to advertise the Fair.

Notices have been taken home to parents by Patterson pupils, listing Fair booths and asking donations. The committee requests that these notices be filled, signed and returned to the school as soon as possible. Mrs. Opal Dickinson, General Chairman, also requests that cash donations be turned in to her.

Committee Chairmen are as follows: Tickets, Mrs. Hope Mensing; Pantry, Mrs. John Surratt; Sun Room, Mrs. Jack Metcalf; Den, Mr. Gibbs Barber; Linen, Mrs. Jane Andrews; Post Office, Mr. Ray Schlegel; Check Room, Mr. J. D. Cook; Sweets, Mrs. Barnard Fero; Movies, Mr. Orville Bishop; Snack Bar, Mrs. Byron Goodman; Rumpus Room, Mr. Steven Illeck; Sewing Room, Sixth Grade Girls, under the direction of Mrs. Dickinson and Mrs. Robert Anderson; Posters, Mrs. Robert Anderson.

The Fair Committee members presented an amusing skit on behalf of the Fair. Mrs. Dickinson occupied the teacher's desk and called upon each "pupil" to recite in explanation of his or her booth. Examples and samples of each category were suspended from a line across the stage and "pupils" exhibited these as indicative of the bargains and amusements to be offered at the Patterson Home Fair.

President J. D. Cook then introduced Mrs. Judy Fosbender, Tecumseh Public Librarian. A movie, "Library—a Family Affair" was shown and Mrs. Fosbender spoke of the many services available to the community at the Public Library. She advised parents of the advisability of helping our children to become acquainted with these services and thus establishing a good pattern for lifetime Library habit. Mrs. Fosbender introduced Mr. Allan Seager, Chairman of the Library Board, who spoke on the future needs and plans of the Library.

Attendance Award for the January P.T.A. meeting was won by Mrs. Lillian Buttolph's first grade room. Mrs. Robert Schultz and Mrs. Gerald Dunn assisted Mrs. Byron Goodman in serving refreshments. Cakes were baked and donated by Mrs. William Davis, Mrs. George Tator, Mrs. Jack Savage and Mrs. Vern Manwaring.

Presbyterian Woman's Assoc. Elects Officers

The Presbyterian Woman's Association held the January meeting last Thursday with the new president, Mrs. Ruth O'Neill presiding. Other new officers for the year are 1st vice president, Mrs. C. L. Cook; 2nd vice president, Mrs. Cecile Williams; corresponding secretary, Mrs. Charles Stephenson; treasurer, Mrs. Ray Schlegel; and recording secretary, Mrs. William Sisson. Two new honorary memberships were presented to Mrs. Thomas Hamilton for foreign missions, and Mrs. John Lott for national missions.

The ceremony was conducted by Mrs. Margaret Kidman and Mrs. E. E. Davis assisted by the other honorary members. Mrs. Fred Marsh has resigned after ten years as Sunshine Chairman and Mrs. Norris Morehouse will be doing this work in the future. Mrs. David Faling was appointed kitchen chairman. Circle 5 conducted the devotions also the program entitled "The Whole World". Refreshments were served at the close of the meeting.

Singspiration To Be Held

The Tecumseh Missionary Baptist Church will hold a singspiration, Saturday, Jan. 26 at 7 p.m. Special singers from Loomis Park Baptist Church in Jackson and also singers from Adrian will be present. Everyone is invited to attend. William Drummond is song director and Rev. Edgar Owen, pastor.

Bible Study Conducted At Festival

The Festival of Faith held at the Presbyterian Church Jan. 17 began with organ music presented by Mrs. Fredrick Dickinson, Sr. The speaker of the day was unable to be present so a Bible study was conducted.

Chapter II of Hebrews was read and discussed, Romans 8 was read and then Mrs. Fredrick Dickinson, Jr. spoke on "How Can I Apply This in My Life?" Then a duet, "Beautiful Garden of Prayer," was sung by Mrs. Arthur Swartz and Mrs. Fred Oberlin; after which the congregation sang, "What a Friend We Have in Jesus?" After the reading of the 12th chapter of Romans, Miss Edith Ingersoll conducted a review on the highlights of the chapter and following this a duet was sung by Mrs. Ruth O'Neill and Mrs. Charles Stephenson, "My Faith Looks Up to Thee". After the reading of Romans the 15th chapter, Mrs. John Saling spoke, and prayers were offered by Mrs. Ray Sluyter, and Mrs. Al Williams.

Luncheon was served in Fellowship Center, and the afternoon session was begun with a solo, "I Heard the Voice of Jesus Say," by Mrs. Albert Merz. A discussion and question quiz was conducted by Miss Edith Ingersoll and the afternoon was brought to a close when tea was served, during which organ music was presented by Julia Boyce.

American Legion Polio Dance Saturday Night

The Underwood-Orr Post No. 34 American Legion, will sponsor a "March of Dimes" dance at the American Legion Hall on Saturday evening, January 26. Dancing will be from 9 until 2 o'clock.

Cal Damon's dance band will provide music. All proceeds will go to the Polio Fund.

Lyster League Discusses Years Activities

The Lyster League of St. Peter's Church held their monthly meeting Tuesday evening at the Parish Hall. The new president, Mrs. Jack Curtiss presided at the meeting. Devotions for the evening was a reading entitled "The Power of Prayer" given by the Chaplain Mrs. Charles Mensing. Activities for the coming year were discussed. They include a Public card party to be held February 13 at the Parish Hall and a pancake and sausage supper to be held Shrove Tuesday, March 5. Refreshments were served at the close of the meeting by th hostesses, Mrs. Clarence Jennings, Mrs. Melvin eGtz and Mrs. Charles Irelan.

HOMEMAKERS HAD POTLUCK DINNER

Mrs. Victor Voorhees opened her home for the Harmony Homemakers Club last Wednesday when a potluck dinner was served at 1:00 Sixteen members were present and one guest. After the dinner, a brief business meeting was conducted by the president, Mrs. Clarence Hunt. The next meeting place will be announced later.

St. Peters Woman's Aux. Meeting Held

The Woman's Auxiliary of the St. Peter's Church met Thursday afternoon at the Parish House with Mrs. Charles Irelan, vice president, presiding in the absence of the president, Mrs. Gertrude Schneider.

Mrs. Irelan appointed the standing committees for the year. Mrs. Lynn Hubbard took charge of the worship service. An announcement was made of the annual convention of the Woman's Auxiliary of the Diocese of Michigan to be held February 6 in Detroit. The next meeting will be held Feb. 21 in the Parish Hall.

NO WONDER Most Guesses are Hundreds Too High!

If you think this Chieftain Pontiac looks out of place in the low-price field, you've got plenty of company. But there it stands . . . in solidly with the so-called low-priced three—a big, bold, beautiful eye-opener with not a thing to remind you of its very modest cost. Start with looks. Here's the distinction of clean, unfrenzied, straight-to-the-point Star Flight lines that are built in, not improvised. But it's in the performance department that the price guesses really run wild! Drive it and see for yourself. Pontiac's big 347 cu. in., 10 to 1 compression ratio V-8 doesn't know what strain is, no matter what you demand of it. New precision-touch handling makes "driving effort" a term only for your memory book. And the Chieftain's 122-inch-wheelbase Level-Line Ride is so smooth that only the passing road signs remind you that you're earth-bound. In fact, nothing in the low-price field even comes close in power, wheelbase or features! If you think all this is beyond your reach, a visit to your Pontiac dealer for a talk about price will put you in that wonderful club of Pontiac owners who have discovered that it's rewriting the book in the low-price field!

Lowest-Priced Series of America's Number ① Road Car!

Tecumseh Indians Take Bedford Mules 58-46

By John Barton

The Tecumseh Indians beat the Bedford Mules last Thursday night Jan. 17, here in Tecumseh, putting themselves in a tie for first place with Hillsdale. The Tecumseh J.V. team also won their game 53-42. The score of the Varsity game was 58-46.

For Tecumseh, the starting lineup was Ken Miller, Bill Hansen, Larry Yoakum, John Elliott and Bob O'Neill.

The starting lineup for Bedford was Jim Kerekes, Bill Perron, Roger Rollman, Dick Sloan, and John Warren.

Elliott for Tecumseh took the tip off and scored. Both teams started off slowly. Miller finally sank two free throws, Jim Kereke sank the first field goal for Bedford. Hansen had a clear shot, jumped and missed. Jim Kerekes hit again for Bedford. Bedford was ahead 6-4 after four minutes of play. Tecumseh called time out at this point.

When play resumed, Kerekes scored two free throws. Miller scored a field goal and Yoakum followed him with two free throws. Bill Perron scored for the Mules and with five seconds to go, Miller fouled and Perron sank a free throw to put Bedford ahead at the end of the first quarter 13-12.

As the second quarter began, Tecumseh took the ball, Miller shot, Hansen shot, and finally Elliott scored. Perron scored two free throws and Miller scored from a corner. Most of Bedfords shots were flying wild. Larry Yoakum missed his free throw and there was a jump. The Mules took possession of the ball, but John Elliott for Tecumseh got a hand on the ball and scored a beautiful one handed shot. The score at the end of the second quarter was 26-24 for the Tecumseh Indians.

Miller scored in the first few seconds of the third quarter and was fouled on his next shot. He made both of the free throws. Bob O'Neill sank one for Tecumseh and Bedford called time out. Elliott took the ball down the floor and passed off to Miller who scored. Bob O'Neill sank a nice jump shot from the corner. At this point, a Bedford player, Perron, got hurt and the Indians called time out. The Bedford player was taken to the hospital with face cuts. Rollman scored a jump shot, ending the third quarter 45-31 for Tecumseh.

As the fourth quarter started, the Mules were riled up about their teammate. Hansen was fouled and he missed his shot. Miller scored two free throws, Hansen fouled and the Bedford player didn't score. Miller went all the way down the floor and scored and was fouled by Rollman. He missed his shot. John Elliott and Hansen fouled out. Ray Larned scored his first field goal of the night and Yoakum scored a one hander. Miller scored a free throw with 8 seconds to go and then he fouled Karmol who missed his shot, Tecumseh won the game 58-46.

Miller for Tecumseh was high point man with 19 points. Elliott was the runner up with 13 tallies. Perron for Bedford scored 11 points and Warren scored 9.

Carry And Young Spark Victory For Boysville

Coming back strong after defeat at the hands of St. Mary's of Wayne Tuesday night by the score of 63-53 the Fighting Knights of Boysville, showing superb team work and good ball handling, dropped South Lyon in league competition here Friday night by the score of 60-53.

Friday's victory over South Lyon places the Boysville Knights in a tie with South Lyon for 2nd place standings in the League of the Lakes, both clubs having a three and two record. Manchester leads the league with a 5 win no loss mark.

Vern Young provided the spark and boost of last Friday's win coming on as a substitute to hit for 12 markers. Paul Carry and Joe Valesquez took scoring honors hitting for 16 and 14 points respectively. Vern Young has just recently joined the varsity squad where he and D. Kolat have given the Boysville Knights the much desired and needed depth they have been looking for since the beginning of the season. O'Brewourth held the high point honors for the Lions with 14 tallies.

A man isn't henpecked as long as he had a roof over his head and is able to raise it occasionally.

Rave reviews from the auto critics!

"Beyond a question of a doubt, the 1957 Mercurys are the most different cars of the year . . . For those who've been shouting against warmed-over hash and crying 'Give us something new!' the answer is simple: this is it— a Space Age design for earth travel . . . It has more new features than any car tested in over ten years." Tom McCahill In MECHANIX ILLUSTRATED Nov. '56, Jan. '57

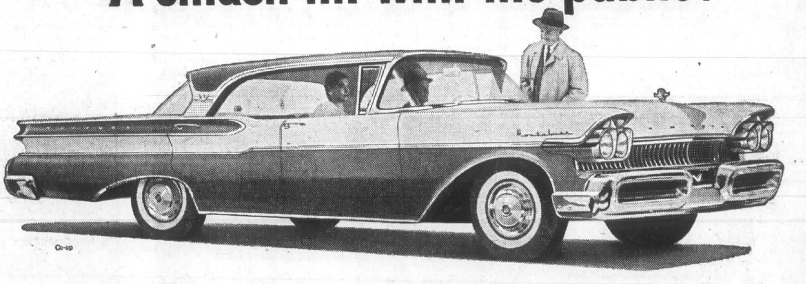
"Mercury is the car for you if you want a distinctively styled medium-priced car that isn't a carbon copy of any other automobile." CAR LIFE—Jan. '57

"Redesigned from the tires up . . . the most unusual U.S. car . . . from its new sculptured styling to its refined suspension, it's a leader." MOTOR TREND—Oct., Dec. '56, Jan. '57

"Marks the first time an entire passenger car line has been based so quickly and almost completely on a dream design . . . Mercury has certainly made the biggest break with the past for '57." MOTOR LIFE Dec. '56, Jan. '57

"Mercury is spectacularly different." POPULAR MECHANICS—'57 Car Facts Book

A smash hit with the public!



To meet the landslide buyer demand, the largest manpower force in Mercury's history is working overtime in all assembly plants to produce a record 40,000 BIG M's in January alone . . . a Mercury a minute, every minute of the day and night. THE BIG M is the smash success of 1957. The reason? . . . *value!* Never before has so much bigness and luxury cost so little! Why not stop in and see your Mercury dealer today?

SOUND ADVICE

In the course of what has been reported as the shortest state-of-the-union address on record, President Eisenhower said:

"This danger (inflation) requires a firm resolution that the Federal Government shall utilize only a prudent share of the Nation's resources, that it shall live within its means, carefully measuring against need, alternative proposals for expenditures.

"Through the next four years I shall continue to insist that the executive department and the agencies of Government search out additional ways to save money and manpower. I urge that the Congress be equally watchful in the matter."

In this same speech the President urged a Federal program "to meet emergency needs for more classrooms", such as was voted down by the previous Congress, and "appreciably" increased appropriations for the highly controversial U.S. Information Agency. The Budget message, soon to follow, would, the President said, outline further specific recommendations and the sums required to implement them.

On the day before the state-of-the-union speech, it was revealed that the Department of Health, Education and Welfar, the baby of Federal bureaus, is definitely growing up and will ask an appropriation of over three billion dollars for fiscal 1958—or about half a billion more than the year previous.

In the category of foreign aid, there have been consistent warnings that conditions abroad will require materially increased appropriations for this purpose. In his speech to the Congress on the Middle East, delivered five days before the state-of-the-union address, the President said he would ask "the authorization of two hundred million dollars in the area, and in addition to the other mutual security programs for the area hereafter provided for by the Congress".

Let the gentlemen of the Senate and the House of Representatives consider carefully then—when the full flood of appropriation requests is upon them—the President's earnest warnings against the perils of inflation. And let them mark well his advice that "the danger is always present, particularly if the Government might become profligate in its expenditures or private groups might ignore all the possible results on our economy of unwise struggles for immediate gain".

And, as for the "private groups", it looks from here as if their "struggles for immediate gain", whether wise or otherwise, were the basic collective cause of the prosperity of which the President bragged. The Government could easily become so profligate as to discourage those struggles. There are examples in the history books.

INCOME TAX FACTS No. 1

How to Save Tax Dollars

Between now and April 15 over sixty million Americans must file a tax return to report their 1956 income to the federal government. On the basis of past experience about 1 out of every 4 returns filed will contain an error of $2.00 or more. Last year these errors totaled over $100,000,000.

To help you prepare a correct return and avoid mistakes that cost you tax dollars, this newspaper is printing a series of eight articles prepared with the help of the national and state organizations of certified public accountants.

Today's article deals with problems faced by almost anyone who has to make out a return. Later articles will give special hints on deductions you may take, particularly if you own a car, home or business. Use this series along with the official instruction book which comes free with your tax forms.

Common Mistakes

According to the results of a sampling by the Internal Revenue Service, the mistakes most often made by taxpayers fall into these four groups:

(1) Incorrect listing of income. This is the main source of error, partly because of debatable questions involving business income. Individuals make mistakes too by leaving out such items as interest on savings accounts, dividends and contest winnings, or by including items which are exempt.

(2) Errors in personal deductions. This category includes the deductions taken when the 10 per cent "standard deduction" is not used. Important deductions from income are: state and local taxes, interest paid on loans, charitable contributions, medical expenses, losses from storm, fire, flood or theft.

(3) Claiming too many or too few dependents. Exemptions are allowed for the taxpayer himself and for certain persons he supports, *if* they fit the definitions in the instruction book.

(4) Faulty arithmetic. This is the cause of the fewest number of errors, but approximately 30 per cent of these arithmetical mistakes are made by the taxpayer against himself, resulting in approximately $19,000,000 in overpayment of taxes.

The first thing to determine is whether you should file a return or not. Everyone whose gross income was $600 or more in 1956 must file a return by April 15, 1957. Even if your income was less than $600 you should file a return if any tax was withheld by your employer and you wish to receive a refund. In any case, if you had as much as $400 earnings from self-employment you must file a return to report those earnings for social security purposes.

Non-Taxable Income

It is important to remember that all income is not taxable. You should not include in your return any income which is listed in the official instruction book as exempt. This includes interest on state and municipal bonds, most government payments to veterans and their families, life insurance proceeds upon death, gifts and social security benefits. The tax instructions from the Internal Revenue Service contain a list of the types of income which should be included and those which should be omitted from your return.

If You Changed Jobs

Here is a special point to watch if you worked for more than one employer during 1956. You may have overpaid your social security tax. Each employer is required to withhold social security amounting to 2 percent of the first $4200 of your wages. If you worked for only one employer, this would amount to $84. However, if you worked for several employers, more than $84 might have been withheld. Check your W-2 withholding slips and see whether the total F.I.C.A. (Federal Insurance Contributions Act) is more than $84. If it is, you can claim credit for the excess in the "taxes withheld" column of your income tax form.

The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service urges you to consult properly qualified advisor if you decide to seek outside help.

Realty Views

"Where's that house with three bedrooms that you are advertising?" Mr. Lawsen asked on the telephone one day.

"It's in a nice section of Tecumseh," I replied.

"What street?" Mr. Lawsen said, "and is it well built?"

"Yes, it's a good home," I said. "But the best built home in the world might not be the right home for your family. Let's get together and talk things over. Then, I'll be glad to show you the home if it appears it's the right kind for you."

"Oh, don't go to the bother. Just give me the address. We'll drive by and if we like it from the outside we'll call you."

"I know your intentions are good," I replied, "but you see personal SERVICE is the heart of our business. Frankly, it isn't fair to you to merely supply an address. If you want a home we can help you. I'd merely like a chance to talk over your family's needs and your financial requirements. Then, we can find a home that fits. It may be this one, or maybe another one of an entirely different type and location."

"That sounds reasonable," Mr. Lawsen said. "If you don't mind the trouble, we could no doubt use the help. Come on over."

Let us HELP you to buy the right home too!

Central School News . . . . . .

The first graders in Miss Luken's room are learning the names of different shapes such as the rectangle, circle, square and triangle. The children are reading as one large group the health book Happy Days in addition to their regular reading class. They are finding many of the stories helpful because they present safety and health lessons in an enjoyable manner and the childrens' old friends, Dick and Jane are also the main characters of this book. The children are learning to count by 2's and many were surprised and delighted to find they could count to twenty with little or no assistance.

Everyone in Mrs. Neitling's first grade is working extra hard to improve his manuscript. The best papers from each table are put on display. In Numbers we are learning to count and write our numbers to fifty. Some boys and girls can write to one hundred. Paulette Martin's mother, grandmother, and her little brother visited us this week.

Mrs. Puffer's second graders planted an Amaryillis bulb and are now anxiously waiting to see what will happen.

Dean Linden had an emergency appendectomy Saturday. On Monday each one in Mrs. Whiting's fourth grade wrote him a note. Sandra McCarley delivered them to the hospital. On Wednesday each child brought something to put in the basket which Susan Leighton furnished to take to him.

Be sure to attend P.T.A. tonight, January 24th, in the Central School Gymnasium at 8 P.M.

Patterson School News . . . . . .

First Grade—Mrs. Buttolph

Many of our first graders have had the chicken pox within the last few weeks. Some even had to be sick at Christmas time.

We have our room decorated with many kinds of snow men. We are glad that it is not really cold in our room but we have just made it look that way.

Last week Mrs. Buttolph had a birthday and did we have fun spanking her. For a paddle we used our yardstick and it worked.

Third Grade—Miss Baker

Carol Matthews and Phillip Mobley celebrated birthdays in the third grade.

We have started a "Pen Pal Party" and our first letters went to third graders in Haddonfield, N.J. The Parker Pen Company helps us get our party started and also sends us a Parker Jotter Pen to be used as a prize for the nicest written letter. Lois Nichols' letter was judged to be best so she received the pen.

For the first time we are trying to make posters. They are for the Patterson Home Fair. We are doing real well for the first try.

In arithmetic we are learning to carry. We think it is lots of fun.

Most of us are back after having the chicken-pox.

Fourth Grade—Mrs. Colson

The fourth grade children are making posters to tell people about the P.T.A. Fair. This is our first attempt at poster making, and some of them are quite good, we think.

We are going to study about some of the large cities in our country. The first place we will visit will be New York City.

For the next six weeks the girls and boys will have gym class together. We are going to learn how to do some square dances, and think it will be fun.

Sixth Grade—Mr. Gillum

Wednesday, January 9, the sixth grade boys and girls drove to Manchester to play a game of basketball with their sixth graders. It was an exciting game. Manchester won, with a score of 21 to 30.

Patterson P.T.A. is sponsoring a fair. The sixth grade girls are working on their own sewing booth. They will make and sell pin cushions, pajama dolls, pin books, yarn octupus, and many other things.

The entire class has made posters advertising the fair. There will be a prize for the best poster.

Our room is having a pen party. We have written letters to boys and girls in Bloomfield, Missouri. The letters were judged and the writer of the best letter is to receive a Parker Pen.

Second Grade—Mrs. Garlick

Second grade was happy to celebrate birthdays with Brenda Smith, Brenda Hoekstra, Chris Messick, and Bob Powell recently. Many of our second grade will be eight years old before the school year is finished.

We are very interested in our bulletin board display of articles made of wood and those made of plastic. In connection with these two projects we are trying to find out what our state of Michigan contributes.

Most of us are now reading our second basic reading book and all of us are enjoying our library books and supplementary reading books.

We have been learning to measure in inches and feet and in gallons, quarts and pints. Just now we are finding out that subtractions is used when comparing quantities. Many of us had thought that subtraction meant only, "How many are left?"

Last, but surely not least, we have been enjoying the snow!

STRENGTH FOR THESE DAYS from The Bible

A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. —(St. John 13, 34.)

To break this commandment is to suffer the cancerous disease of hatred, bitterness and resentment which can destroy us. To keep it is to know mental, physical and spiritual happiness, and the divine reward of inner peace and strength.

———o———

The Jaycees Celebrate Their 38th Anniversary

Michigan's "Young Men of Action," members of the Junior Chamber of Commerce, this week are celebrating the thirty-eighth anniversary of the founding of their organization.

What do the Jaycees believe? This is best told in the famous Jaycee Creed:

"We Believe: That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignity of nations;

That Economic justice can best be won by free men through free enterprise;

That government should be of laws, rather than of men;

That earth's great treasure lies in the human personality,

And that service to humanity, is the best work of life.

Don't Expect Miracles From Medicine . .

Loose talk about "miracle drugs" lulls us into false security. The pharmacy cannot —with a box of pills or a bottle of medicine—overcome abuses that people seem perfectly willing to inflict on their bodies. Live normally. Replace bad habits with visits to your Doctor, and the use of the good ones. Start on this with frequent right medicine—in time.

Council Proceedings

CITY OF TECUMSEH
COUNCIL MEETING
January 7, 1957

Present: Mayor Hanna; Councilmen Brazee, Hamilton, Kelso, Powell, Purkey, Schwartz.

Absent: None.

Meeting opened with the invocation by Councilman Schwartz.

Minutes of the meeting held December 17, 1956 were read and approved and ordered placed on file in the City Office.

Motion Purkey and seconded Schwartz to accept the revised tentative plat of "Edmund Waskin Subdivision" subject to the approval of the Planning Commission. Motion carried unanimously.

Motion Kelso and seconded Powell the bills as follows be allowed and orders drawn up for the same. General Fund $15,394.03; Water Receiving Fund $3,100.00; Water Operation $1,451.98; Water Improvement Fund $748.10; Water Deposit $15.00; Water Bond and Interest Redemption Fund $3,817.25. Motion carried unanimously.

The following preamble and Resolution was offered by Councilman Powell and seconded by Councilman Brazee.

WHEREAS the Common Council of the City of Tecumseh has appointed a City Planning Commission, a body which merits the combination of the Council and of the citizens of Tecumseh, alike; and

WHEREAS proprietors of land seeking to have plats approved too often attempt to initiate their plans wih the City Council rather than with the Planning Commission, a practice causing delays and a duplication of effort,

NOW THEREFORE BE IT RESOLVED:

1. No matter relating to the platting of land shall be considered by the Common Council upon either a formal or informal basis unless such matters shall have first been considered by the City Planning Commission. The City Planning Commission, in turn, will forward its recommendations to the Common Council through the City Attorney, whose duty it shall be to review the matter as to legality and to submit it, together with his opinion and the recommendations of the Planning Commission at the next regular meeting of the Common Council.

RESOLUTION DECLARED ADOPTED.

Dated: 7 January 1957

Naomi Sallows, Clerk

Motion carried unanimously.

RESOLUTION

The following Preamble and Resolution was offered by Councilman Kelso and supported by Councilman Powell.

WHEREAS The Federal Government of the United States of America has in the past and has at the present time various articles of equipment and supply declared by the Federal government to be surplus property; and

WHEREAS much of the available surplus property could be utilized by municipalities throughout the United States; and

WHEREAS at the present time this available surplus property can not be acquired by municipal corporations; and

WHEREAS local school boards throughout the United States of America do have access to equipment and this surplus property at a considerable savings to the tax payers; and

WHEREAS making surplus property available to municipalities throughout the United States would save the tax payers of this Country millions of dollars annually, and

WHEREAS municipal corporations throughout the United States are in dire need of many available surplus items now being made available to private enterprises.

NOW THEREFORE BE IT RESOLVED:

1. That this Commission make known to the President of the United States, Governor of the State of Michigan, United States Representative George Meader, United States Senator Charles E. Potter, the Michigan Municipal League and municipalities throughout the State of Michigan, the fact that municipal governments throughout the State of Michigan and the United States could utilize federal surplus equipment and materials to a great extent and could thereby save the tax payers of municipal, State and Federal governments millions of dollars annually through the utilization of this equipment and materials.

2. That the President of the United States and representatives of the people of the State of Michigan be urged to join in the formulation of legislation that would authorize municipal corporations along with school boards throughout the United States priority over private enterprises in the acquisition of federal surplus goods that could be utilized in the operation of municipal governments.

3. That municipal governments be given equal opportunity with school boards throughout the United States to purchase federal surplus property and in so doing meet the obligations of municipal governments to their tax payers by providing necessary materials and equipment to cope with the expanded demands of a growing population and in addition save a vast amount of tax monies already expended on federal equipment. Motion carried unanimously.

RESOLUTION DECLARED ADOPTED.

Attest
Mayor H. H. Hanna
Attest
Clerk Naomi Sallows

Dated: 7 January 1957.

RESOLUTION

The following preamble and Resolution was offered by Councilman Purkey and supported by Councilman Powell.

WHEREAS the expansion of water facilities within the City of Tecumseh necessitates crossing the right-of-way and under the tracks of the New York Central Railroad Company's Jackson Branch within the City of Tecumseh; and

WHEREAS said New York Central System has submitted an agreement to be executed whereby said right-of-way is granted to the City of Tecumseh; and

WHEREAS said agreement accurately reflects the details of the transaction as heretofore discussed.

NOW THEREFORE BE IT RESOLVED:

1. That the City of Tecumseh enter into an agreement with the New York Central Railroad Company to place, maintain and use a water main under the tracks of the Company's Jackson Branch at Valuation Station 542'-04 under the terms and conditions as are more particularly set forth in a certain agreement dated 1 November 1956.

2. That the City Manager be authorized to execute said agreement for and on behalf of the City of Tecumseh.

Motion carried unanimously.

RESOLUTION ADOPTED:

Attest:
Mayor H. H. Hanna
Attest:
Naomi Sallows, Clerk

Dated: 7 January 1957.

RESOLUTION

The following preamble and Resolution was offered by Councilman Kelso and seconded by Powell.

WHEREAS The Supreme Ruler of the Universe, in his infinite wisdom, has taken from Tecumseh one of its beloved citizens and

WHEREAS during his life time has given unsparingly of his time and substance to the welfare of the community through close association and cooperation with many of the projects that have contributed to make Tecumseh a better place in which to live and work, such as serving on the Hospital Board, the Community Chest and his contributions to churches, schools and welfare agencies. And

WHEREAS, the City of Tecumseh deeply mourns his untimely passing.

NOW THEREFORE BE IT RESOLVED:

We, the Common Council of the City of Tecumseh, Michigan, Memorialize Frank K. Smith as a civic minded citizen of this community, whose loss we deeply mourn and whose wise council will be sorely missed.

NorMF

FURTHER BE IT RESOLVED: that a copy of this resolution be spread on the minutes of this meeting and that a copy of his resolution be sent to his family with our deepest sympathy.

Motion carried unanimously.

RESOLUTION DECLARED ADOPTED:

Attest:
Mayor H. H. Hanna
Attest:
Clerk, Naomi Sallows

Dated: 7 January 1957.

Motion Schwartz and seconded Haminton due to an unavoidable delay in getting out the tax notices, the payment of taxes without a penalty be extended from January 10, 1957 to February 10, 1957. Motion carried unanimously.

Motion Hamilton and seconded Schwartz to reappoint Fred C. Dickinson to the Board of Reviews to serve a three year term. Motion carried unanimously.

Motion Schwartz and seconded Brazee the reappointment of Perry Satterthwaite and Edna Staulter to the Election Commission. Motion carried unanimously.

Motion Brazee and seconded Schwartz the City Manager be authorized to expedite the program of exterminating the rats at the city dump. Moion carried unanimously.

Motion Kelso and seconded Hamilton to accept the appointment of Calvin Zorn for city assessor to fill the vacancy caused by the resignation of John Saling. Motion carried unanimously.

Motion Brazee and seconded Powell to accept the appointment by the City Manager of Calvin Zorn supervisor to fill the vacancy caused by the resignation of John Saling. Motion carried unanimously.

Motion Purkey and seconded Kelso to accept the City Manager's report and the same be filed in the city office. Motion carried unanimously.

Motion Powell and seconded Purkey to adjourn the meeting. Motion carried unanimously.

Mayor, H. H. Hanna
Clerk: Naomi Sallows.

Long Distance Calls On Pay Later Basis

America is living in a credit economy today. More and more people have charge accounts, borrow more money to buy cars, washers, TV sets, clothing and a host of other things—on time. Now, the credit-minded American can even charge his telephone calls.

According to Mr. Beagle, Local manager of the General Telephone Company, Long Distance calls can now be made on a pay-later basis. With a Telephone Credit Card, subscribers can call from any phone to any other phone in America, and have the charges deferred to their regular monthly bills.

"The Telephone Credit Card is 'made to order' for businessmen," said Mr. Beagle. "Primary, it helps calls go through faster and easier. All you have to do is give the operator your Credit Card number. This eliminates the annoyance of fumbling for change or getting a pocketful before placing a toll call.

Mr. Beagle pointed out that while Credit Cards must be renewed every year, this ordinarily done automatically by the Telephone Company. He cautioned users, however, to make sure that their renewal has been processed, since 1956 cards are not usable in 1957.

Four councilmen are to be elected to fill the vacancy caused by the expiration terms of John H. Hamilton, William Powell, Donald Purkey, and Arthur Schwartz.

NOTICE

NOTICE IS HEREBY GIVEN: There will will be available at the office of the City Clerk, official petition forms as required by Section 3.10. These forms are to be filed for the offices of four Councilmen, between February 4. 1957 and 5:00 p.m. and February 18, 1957 — 5:00 p.m. all as provided in Chapter 3, Section 3.5, paragraph 5.

Naomi Sallows
City Clerk

17-18

It Is An Heritage Of Kindness . . .

Your neighbors and friends will be more kindly than ever thought possible at your time of bereavement. Their good deeds during your despair are an outpouring of the best of human kindness.
Whether it be flowers or personal favors, accept their tributes and their kindness graciously. This is an American heritage that has come down through generations, and will long endure.

You'll learn on a turn–
It's low for MORE than looks alone

As you can plainly see, the gorgeous new 1957 Buicks are *low—low* to match the sleek silhouette of their modern sports-car styling—

Lower than any Buick in history—by as much as nearly four inches — and, mind you, *with more interior room and without sacrificing an inch in road clearance.*

But you'll soon learn that this sleek new lowness does more than add beauty to the Buick look. *It brings new greatness to the Buick ride.*

First time you twist 'round a corner or snake into an "S" curve, you'll learn how this new Buick's new lowness tames the turns. How it snugs the car to the road. How it cuts down the sidesway. How it gives you the safe-and-sure-footed steadiness of four wheels always on the road.

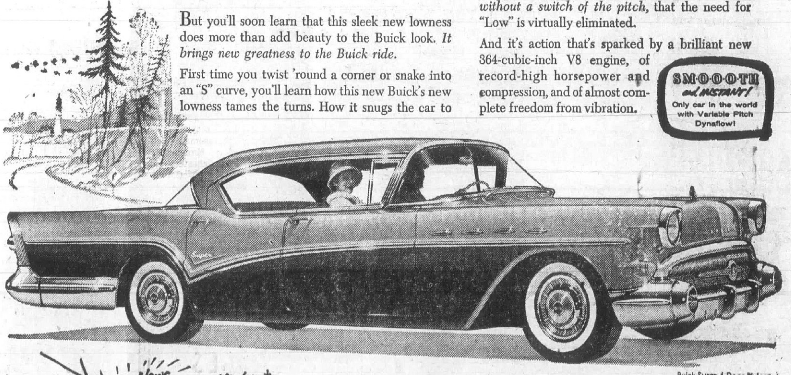
That's because these sweet-handling, sweet-riding beauties give you the lowest center of gravity in Buick annals—born of a brilliantly engineered new chassis that "nests" your ride low and steady as you go.

But the core of this new Buick's story is the *action* you get.

You get action that stems from the *instant* response of an advanced new Variable Pitch Dynaflow* so able and obedient and full-range in "Drive," *even without a switch of the pitch,* that the need for "Low" is virtually eliminated.

And it's action that's sparked by a brilliant new 364-cubic-inch V8 engine, of record-high horsepower and compression, and of almost complete freedom from vibration.

SMOOOTH and INSTANT! Only car in the world with Variable Pitch Dynaflow!



Buick SUPER 4-Door Riviera

Safety News Only Buick has the Safety-Minder†
—a simple device that's a great boon to your safety. You merely preset the miles-per-hour you want. When you reach that pace, a warning buzzer sounds. Drop below that pace and the buzzer stops.
†Standard on ROADMASTER, optional at extra cost on other Series.

So come in to see and sample *all* that's new in these newest Buicks yet—all that's new in styling—new in ride and handling—new in power and performance—new in roominess, safety, luxury and fun.

Do that—before another sun sets!

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

Safety Reminder
If you miss your turn-off on a highway, don't jam on your brakes. Just go on to the next exit.

MRS. THERESA CHEEVER, CORRESPONDENT

BRITTON LOCALS

The Youth Fellowship of the Congregational Christian Church enjoyed a sledding party at the Irish Hills Sunday p.m. Returning to the fellowship center a worship service was held followed by a pot-luck supper served by Mr. and Mrs. Harold Rohra and Mr. and Mrs. Carl McClue.

Rev. O. E. Priest is attending the Annual Michigan Pastor Conference held in Ann Arbor.

The Britton-Macon P.T.A. met Monday night. The program included Miss Jo Ann Smiths' dancing class and Robert Grant of the Huron Valley Child Guidance Clinic.

Larry Patterson of Eastern Michigan College and friend Wally Scholten of Royal Oak were week end guests of Mr. and Mrs. Charles Patterson.

Mr. and Mrs. Lee Benedict are spending a ten day vacation in Florida.

Byron Covell had the misfortune to fall in his home Thursday and fractured his hip. He is a patient in Herrick Memorial Hospital, Tecumseh.

Twenty-three Seniors and friends gathered at the home of Don Dickerson Saturday night for a surprise birthday party. The evening was spent playing games. Don received many nice gifts. Refreshments were served by Mrs. Dickerson.

Mr. and Mrs. Elwood Palmer entertained recently at a birthday dinner honoring Mrs. Ed Brittolph. Those present were Mr. and Mrs. Buttolph, Mr. and Mrs. Don Berkley of Tecumseh and Mr. and Mrs. Robert McCarbery of Britton.

The Womans Society of the Methodist church will hold its meeting in the church parlor Wednesday Jan. 23 at 2 p.m.

o

R. McConnell Was Promoted

Word has been received here of the promotion of Raymond McConnell, son of Mr. and Mrs. E. H. McConnell, who is with the State Police Post in Romeo, Michigan, to Detective Sargeant with the special investigation bureau in East Lansing effective Jan. 20. For the present the McConnells will continue to live in Romeo until the Sargeant has finished his assignment there. Mr. McConnell joined the State Police in 1937, and as a trooper he served Bay City, Marquette, Wakefield, and Ypsilanti Posts. In 1950 he was promoted to Detective and transferred from Ypsilanti to Romeo where he has served since that time. The McConnells have one small son, Stephen.

o

Dale E. Titley Is Enrolled At Tri-State

Dale E. Titley, son of Mr. and Mrs. Herman Titley, R.R. 1, Tecumseh, is among new students enrolling at Tri-State College, Angola, Indiana, at the opening of the winter quarter.

Enrolled in the Department of Radio Engineering, he will be among candidates for the Bachelor of Science degree upon completion of the course.

NEWS OF THE FARM

Lenawee Co. Agricultural Agent's Column - - - - -

Eating quality of dry beans is kept at highest level when they are stored in cool dry storage. Under other storage conditions quality drops.

This is summary of research conducted by U. S. Department of Agriculture in Beltsville, Md., according to Louis G. Hall, Lenawee county agricultural agent.

When dry beans are kept in storage in warm moist conditions they deteriorate rapidly — when cool and dry eating quality falls away very slowly.

When beans contain 14 to 16 per cent moisture and are kept at 77 degrees for six months they lose quality rapidly. After twelve months of such storage conditions they are no longer palatable.

But, if beans have from 5 to 10 per cent moisture and stored at 77 degrees they will keep for two years with but little quality loss.

In fact, say researchers, these low moisture content beans will keep as well at 77 degres as they do at minus 10 degrees.

The entire seed industry will be portrayed in an exhibit of the farm crops department of Michigan State University during Farmers' Week, Jan. 28-Feb. 1, in East Lansing.

of developing seed by plant breeders, expanding seed supplies for

It shows the complete operation farm plantings, cleaning and preparation for planting and the regulation of seed handling to insure proper business operations in the state.

Lenawee-Monroe Farm Equipment Dealers Elect

Lenawee-Monroe Farm Equipment Dealers reorganize.

At a meeting on Thursday night, January 7th, held at the Hoyt Whelan Co. store in Tecumseh, the farm equipment dealers of Lenawee and Monroe counties elected new officers and made plans for future meetings.

Fay Whelan of Tecumseh was elected president, Bud Haddix of Monroe vice-president, and Owen Partridge of Tecumseh secretary-treasurer. There were dealers present from Adrian, Blissfield, Morenci, Tecumseh, Monroe, Dundee, Ida and Newport.

The next meeting will be held on February 18th at the Haddix & Son elevator on North Custer Road, Monroe. The Monroe Agricultural County agent will meet with dealers for that evening meeting. Local dealers attending the meeting were Fay and Richard Whelan, Owen Partridge, Al Merz and Eldon Colthurst. Lunch was served by the host dealer following the business meeting.

Monday Jan. 28 Is Horse Day

Monday, January 28 of Farmers' Week is "Horse Day". Michigan Horsemen are sponsoring the after-

The program is held in the Livestock Banquet.

The program is hel din the Livestock Pavilion, beginning at 1:30 P.M. ,The famous Clydesdale Hitches, Wilson and Company, Chicago, Illinois will be a feature of the show. These hitches include their Champion Four and Six Horse Hitches at the 1956 International Livestock Exposition. The champion gelding, included in these hitches will be featured in a fitting and showing demonstration.

Both lightweight and heavyweight horse pulling contests will be a part of the afternoon program. Four heavyweight teams, champions of the four states they represent, will compete in the heavy contest. These closely matched teams, selected from the first five teams at the 1956 National, include the National Champions, owned by R. F. Oakleaf, Tiffin, Ohio; Michigan Champions, owned by John Huizenga. Grandville Michigan; Indiana Champions, owned by Russell Hensley, Daleville, Indiana; and the Kentucky Champions owned by Alvin Cummins, Brookville, Kentucky. The lightweight field of teams, likewise comes from four states. They include the 1956 Michigan Champions, owned by Hugh Davis, Bronson, Michigan; the Missouri Champions, owned by Harold Gilbert, Shelbina, Missouri; the Kentucky Champions, owned by Lucas Brothers, Georgetown, Kentucky; and the Indiana Champions, owned by Archie Hensley, Muncie, Indiana.

Champions in the 1957 Little International Block and Bridle Fitting and Showing Contest will put on a demonstration, using animals which they used to win the contest.

1956 4-H Scholarship and Trip Award winners in the Saddle Horse Project will stage demonstrations in the Western Pleasure, Three Gaited Pleasure, and Parade Classes. The Grand Champion steer at the 1956 International Livestock Exposition will be on exhibit during the afternoon program.

Michigan Horsemen sponsor a Livestock Banquet and program at 6:00 P.M. in the Union Building.

Future Farmer Of The Month

The Future Farmer of the Month is Bill Lopshire. He is the son of Mr. and Mrs. Arthur Lopshire of Macon. They live on a 130-acre farm on Clinton-Macon Road. Bill is a senior in high school and holds the office of treasurer in the local F.F.A. Chapter. He has held the office of treasurer in this chapter and also of F.F.A. Region No. 2. His supervised farming projects include: 9½ acres of soybeans, 1 feeder steer, and a beef breeding project in which he has 9 registered Herefords.

Bill is also chairman of the Earnings and Savings Committee. He was a member of the Farm Forum team in the local and district F.F.A. contests last year. He attended the regional F.F.A. leadership training camp at Wolf Lake.

Final Date For Grain Price Support Nearing

Farmers expecting to apply for price support loans on their 1956 crops wheat, oats, barley, rye, dry edible beans, flaxseed, or soybeans should do so by January 16 according to Paul F. Roekle Office Manager of the Lenawee County ASC Committee. The final date for approval of loans and purchase agreements is January 31, 1957, however, in the case of farm-stored loans, a minimum of two weeks is required for inspection of storage structures and the grain by loan inspectors and the obtaining of a sample of the grain to be forwarded to a grain grading laboratory before the loan documents can be completed. If the storage structure and the grain are found to be acceptable, the producer will be given an opportunity to complete the loan. The loan and chattel mortgage must be signed and on file in the county ASC office by January 31, 1957.

Price support may be obtained by the above producer on the above commodities through purchase agreements by applying to the county ASC office on or before January 31, 1957. Purchase agreements differ from loans in that the producer receives no funds unless or until he delivers the commodity to CCC after the maturity date for the loan program. These maturity dates vary, depending on the crop, from one to four months after the final availability date of January 31, 1957.

Shop In Tecumseh

Dr. Britton To Address Adult Class

At the last Adult Farmer class meeting at the high school, Mr. Chester Baker and Charles Greenfield from the Hayden Feed Mills were the guest speakers. They spoke on new scientific methods of steer feeding including the use of stilbestero, corn and hay silage, and proteins in the rations of steers. They also gave information to the farmers concerning test results and efficiency factors in steer feeding.

On Jan. 28th Dr. Britton, a local veterinarian will speak to the adult farmers about disease prevention, sanitation, shipping fever, worms in cattle, internal and external parasites, and lice. Dr. Britton will answer any questions which the farmers may have concerning any of these problems. The meeting will start at 8 p.m. and be held in the Ag Room of the high school. Any farmer in the Tecumseh school district is welcome to attend these meetings.

Best way to get good replacement cows in a dairy herd these days is to raise them. If you buy surplus stock from another herd owner, chances are you'll be getting some cows that are lower in production than the rest.

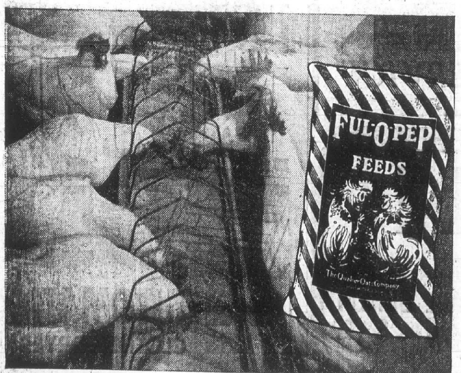
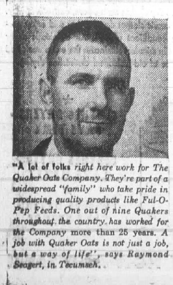
What do these famous products have to do with Tecumseh



...besides improve the market for local poultry and livestock?



"A lot of folks right here work for The Quaker Oats Company. They're part of a widespread "family" who take pride in producing quality products like Ful-O-Pep Feeds. One out of nine Quakers throughout the country has worked for the Company more than 25 years. A job with Quaker Oats is not just a job, but a way of life", says Raymond Seagert, in Tecumseh.

Plump, tender chickens and well-fed hogs command a better price in the market place. That's why so many poultry and livestock farmers in and around this community depend on Ful-O-Pep Feeds for top feeding results. And well they should—because the final results depend on *quality* in the feeds employed, and there is no guesswork about quality in this famous line of feeds manufactured by The Quaker Oats Company.

The formulas used in Ful-O-Pep feeds are tested right on the farm—the most practical kind of research to establish economy and efficiency. Grain, protein, mineral and vitamin sources are carefully checked in the laboratory for purity and feeding value. And these ingredients are accurately mixed to make a balanced, efficient ration.

If you're a poultry or livestock farmer, take a tip from that pride and ask your dealer about Ful-O-Pep Feeds!

18.17 miles per gallon on North America's toughest truck run!
That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!

Supervised and certified by the AAA.

New Task-Force 57 Chevrolet Trucks

Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.

Proved on the Alcan Highway
Champs of every weight class!

Choose your model from among Chevrolet's famous economy-proved Alcan Champs! Short-stroke V8's are standard in all heavyweight truck models and in many of the middleweights. They're loaded with modern features and built to take it!

Only franchised Chevrolet dealers CHEVROLET display this famous trademark

TIPTON NEWS

MRS. DEAN COOK

Correspondent

The Polio drive is now on and the Mother's March will be held January 31st.

FATHER AND SON BANQUET

The Ladies Aid meeting was held last Tuesday evening at the home of Mrs. Merrick Dibble. During the busines meeting, plans were made for the annual Father and Son Banquet to be held Feb. 23rd. Mr. Waldo Johnson will show his pictures of Africa. Committees were named for the banquet: kitchen, Mrs. Merrick Dibble and Mrs. Lyle Whelan; dining room, Miss Joan Whelan; tickets, Mrs. Dean Cook. Tickets are on sale and are to be purchased before the banquet.

GRANGE MEETING

The Grange held their regular business meeting Friday night. They had the Draping of the Charter for Ora Jones. During the business meeting, it was voted to have a Flame of Friendship. They also voted to purchase a new rug and draperies, the committee for which are Mr. and Mrs. Lyle Whelan, Mr. and Mrs. Grove Swarts and Mr. and Mrs. Raynor Hardy. Mrs. Paul Nesbitt, County Juvenile Matron, was present and helped Mrs. Donald Whelan to organize a Juvenile Grange. The officers elected for the Juvenile grange were: Master, Richard Carter; Overseer, Duane Radant; Steward, Gregg Hardy; Secretary, Pat Anderson; Treasurer, Judy Ohlman; Ass't. Steward, Ricky Jackson; Chaplain, Kathy Carter; Lady Ass't. Steward, Carol Davenport; Gate-Keeper, Howard Eisenminger; Ceres, Connie Anderson; Pomona, Karen Davenport; Flora, Susie Buell; Pianist, Jeannette Allen. After the meeting, cards were played for the benefit of polio with Joan Whelan and Harold Anderson winning high and Howard Evans and Lottie Hardy, low.

FARM BUREAU

The Franklin Maples Farm Bureau group met on Wednesday evening at the Ray Stockinger home with 5 families present. Marie Listman and Dorothy Every were appointed on the project committee. Lester Munger led the discussion on "Michigan Has Great Need For Agricultural Research." Mr. Stockinger showed beautiful and interesting slides of Europe after the meeting and the hostess served refreshments. The February meeting will be at the Harold Every home.

LOCALS

The Pythians will hold a benefit polio dance Saturday night at the hall with McMichael's orchestra.

Mr. and Mrs. Merrick Dibble and Patty entertained as Sunday dinner guests, Mr. and Mrs. Arch Wilson of Adrian, Mr. and Mrs. Perry Wilson of Dearborn, and Mr. and Mrs. Donald Sunderland of Tecumseh.

Mr. and Mrs. Harlan Boyes and son John with Mr. and Mrs. Ferris Anderson, Phylis and Jean were in Detroit Saturday to see Cinerama.

Mrs. Harlan Boyes atended the 6th District Rally of the V.F.W. Sunday at Maybee.

Harlan Boyes and son John were in Wauseon Sunday calling on his parents, Mr. and Mrs. Robert Boyes. They found his father much improved.

Jerry Krout spent the weekend in Albion with Timothy Blossom.

Mr. and Mrs. Robert Evans of Detroit called on Rev. and Mrs. Davil Holly and family Saturday.

Michael Wilkins returned home Friday from Herrick Memorial Hospital after an emergency operation for appendicitis.

Raymond Platt returned home Saturday from Herrick Memorial Hospital after a surgical operation.

Mr. and Mrs. Donald Hammill and famill, Rev. and Mrs. David Holly and family were in Ypsilanti Sunday to hear the Choral and Orchestra Group of the Moody Institute of Chicago.

Mr. Carl Rieves was pleasantly surprised Saturday night when Mr. and Mrs. Walter Bale and Bob, Mr. and Mrs. Richard Mattis and children of Birdsall, Mr. and Mrs. Ivan Olds of Britton, Mr. and Mrs. Walter Glenn and daughter of Tecumseh and Mr. and Mrs. William Bale came to help him celebrate his birthday anniversary.

Shirley Blossom of Albion was a weekend guest of Janice Whelan. On Sunday, Mr. and Mrs. Donald Whelan with Sharon Hammill drove to Albion to return Shirley to her home.

Mr. and Mrs. John Cook and Donald entertained as Sunday dinner guests, Mr. Joe Cook of Ann Arbor, Mr. and Mrs. Charles Lembrick, Barbara, Connie and Douglas of Ridgeway, Miss Joan Cook of Ypsilanti, Mr. and Mrs. Dale Cook and Curtis Lee, Mr. and Mrs. Harry Cook, Mr. and Mrs. Dean Cook, Vicki Jayne and Roger and Mrs. Emma Jackson. The occasion was the observance of the birthday anniversaries of Mrs. Emma Jackson, Mr. John Cook, Mr. Charles Lembrick, Barbara Lembrick and Vicki Jayne Cook.

Mr. and Mrs. Dean Cook entertained, Saturday night, Mr. and Mrs. Charles Fick and Mr. and Mrs. Karl Fick in observance of the birthday anniversaries of Mrs. Karl Fick, Mr. Charles Fick and Vicki Jayne Cook.

Mr. and Mrs. George Merritt and family moved into the Spalding apartment.

Many Farmers Plan Larger 60-Cow Herds

There is more to expanding a milk herd from 30 to 60 milk cows than just doubling the number of animals and facilities. It requires real planning and management arrangement to meet this changeover—a change of which many farmers are now thinking.

It wasn't too long ago that farmers were thinking in terms of expanding to a 25 to 30 cow herd. Our milk houses, milking rooms and equipment were designed for herds of this size. And, with these four-stall arrangements they could be stretched up to a 40 cow herd with a one man operation.

But this four-stall setup now presents problems for expansion.

This is the situation facing many Michigan dairymen today and the agricultural engineers plan to show several ways this problem can be met to fit needs for expanded dairy operations at Farmers' Week, Jan. 28-Feb. 1 at M.S.U.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY

MAUDE WILSON, and GEORGE HARVEY LEWIS, a Widower, Individually and as Executor of the Estate of Hattie A. Kemp, Deceased,
Plaintiffs,
vs. ORDER OF APPEARANCE
AUSTIN E. WING, MARY DIBBLE, WILLIAM H. BURRELL, FRED W. BURRELL and BESSIE K. BURRELL, his wife, F. B. WOOD, FREDERICK B. WOOD, and FLORENCE DOVE, and/or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of December, A.D. 1956.

Present: The Honorable Rex. B. Martin, Circuit Judge.

In this cause, it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said Defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ORDERED that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ORDERED that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

/S/ REX B. MARTIN
Circuit Judge

Countersigned:
Patricia J. Johnston, Clerk

FRANK K. SMITH
ORDER OF HEARING—PROBATE OF WILL

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 7th day of January in the year one thousand nine hundred and fifty-seven.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of FRANK K. SMITH, Deceased.

On reading and filing the petition, duly verified, of Edith Baker Smith, widow and legatee of said deceased, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner the executrix named in said instrument, and that the legal heirs of said deceased be determined, or to some other suitable person.

It Is Ordered, That Monday, the 11th day of February next, at eleven o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

L. B. KUNEY, Judge of Probate.

Macon Church Notes

Rev. Donald Bates, minister: Sunday School at 10:00, Church Service at 11:00, Junior Choir practice at 7:00 and Senior Choir at 8:00 on Thursday. Rev. Horace James of Tecumseh will be the guest minister next Sunday.

LOCALS

Ronald Morden entered the Herrick Memorial Hospital and underwent surgery on Monday afternoon.

Mr. Joseph Beck was in the University hospital instead of the St. Joseph Hospital as reported last week.

Mr. and Mrs. Clayton Bigelow spent Sunday in Freemont, Michigan.

Rev. and Mrs. Donald Bates, Mr. and Mrs. Charles Bigelow, Mrs. Evelyn Hawkins were chaprones for the Senior Youth and their friends on Sunday afternoon. The group enjoyed a chili dinner, then went to Detroit to see the movie, The Ten Commandments. There were thirty in the group.

Mr. and Mrs. Melvin Travis entertained the Macon Community Club on Tuesday evening. Following supper, a short business meeting was held. A volunteer program was held. A feature of the evening was "This is Your Life, Luella Bigelow, written by Mrs. Ralph Halladay. Happy Birthday was sang to Mrs. Travis as Tuesday was her birthday.

Mrs. Mildred Moore entertained a group of friends Thursday evening in honor of Mrs. Gerald Miller of Tecumseh. The evening was spent playing games. Prizes were presented to Mrs. Miller. The gifts were placed on a blue covered umbrella. Pink and blue were used in the color scheme.

Mr. Charles Fetterman and sons of Adrian were Saturday visitors of Mr. and Mrs. Hamilton Moore Sr.

Mrs. Luella Bigelow entertained the Macon Hobby Club on Thursday. A salad luncheon was served, then the group did textile painting and other fancy work.

The Trim Tops Club were host to a group of ladies from Blissfield, on Tuesday. There were thirty-five who enjoyed visiting and playing games. Refreshments were served at the cloes of the evening.

Miss Barbara Jan Weyher of Dundee, was a Sunday afternoon caller in the Herbert Morden home.

Art Schwartz, on the left, is shown presenting awards to John Hamilton and Jack Osburn at the Jaycees annual Bosses Night. John Hamilton, center, received an award for "outstanding youth activities". Jack Osburn, right, received the "key man certificate" for being an outstanding worker in the Jaycees.

Fred and Phil Belleville were given a "recognition and appreciation award" for outstanding public service and cooperation with the Tecumseh Herald. Edward J. Nelson was given an award for being the "Outstanding boss of the year." Mr. C. F. Sage was also given a recognition award for the generous donation of his building etc. (See page 8 for more details)

Editor's Corner . . .

By Phil Belleville

One of the most worthwhile projects that I can think of in Tecumseh at the present time is the Teen Club under official sponsorship of the Junior Chamber of Commerce and the guiding hand of John Hamilton (John's Gulf Service), chairman of Teen Age Activities. The Teen Club has now reached the point of success where in excess of 150 young people attended their last dance, held January 19.

The purpose of the group is "To Promote And Encourage The Utilization Of Every Opportunity For More Wholesome Teen Age Responsibility And Recreation." Their history dates back to 1953 when Rev. George Walworth and John Hamilton were concerned with teen age complaints of nothing to do. These two men contacted several teen agers and had them send letters inviting others to a get-together. Early meetings were held in the Presbyterian Church, Tecumseh High School, and the Catholic Church. After the organization of the Tecumseh Chapter of the Junior Chamber of Commerce in 1954, the Teen Club was officially sponsored by them with John Hamilton heading the teen age activities committee since that time.

Ray Miller is the capable teen age president of the club at the present time. Other officers include vice president Jane Colgrove, secretary Kathy Tomorsky and treasurer Marilou Layton.

Mr. C. F. Sage donates the use of his building on Chicago

American Legion Auxiliary To Hold Clothing Drive

The local American Legion Auxiliary has received an urgent call from the Department Child Welfare Chairman for used clothing for Hungarian Relief. In response our local Child Welfare Chairman, Mrs. Almont Curtis, has set up a drive for clean wearable used childrens and adults clothing, and bedding.

The donations will be sent in 100 lb. lots. It is asked that no high heeled shoes badly stained or moth eaten clothing be donated. Any one wishing to contribute to this work may call Mrs. Curtis Phone 1184J after 3:30 p.m. or Mrs. Iva Marsh 342W, or Mrs. Ned Baldwin 273. These people will see that arrangements are made to pick up the donations or they may be left at these residences. Members of the Auxiliary are asked to bring their donations to the next meeting Feb. 4 at the Legion Home.

Items most in demand are long-sleeved shirts, sweaters, pants, dungarees, overalls, hats, knit caps, cotton or woolen dresses, underwear, socks, pajamas, coats (not fur), sheets, blankets, diapers, baby shirts, and bootees. Shoes in good repair are needed and should be

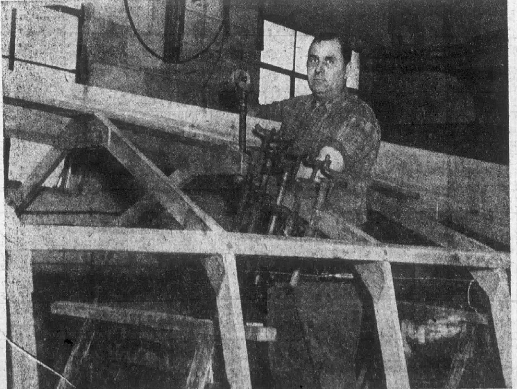
His Big Dream Is Coming True



Tecumseh Herald photo

Mr. Stanley Kasno, former Tecumseh resident who now resides 1/2 mile south of Clinton on the Tecumseh-Clinton Road, is shown with a dream coming true. For 10 years, Mr. Kasno has dreamed of building a cabin cruiser and boating down the Mississippi River.

As you can see, the boat is started. It will be 24 feet in length with an 8 foot beam. It is designed by Mr. Kasno and incorporates a combination runabout and V bottom. The frame is native white oak. Florida Cypress wood is used for the stem. Oak supplies the outer keel. Planking will be douglas fir. All fastenings are a nickel alloy. The boat is designed to sleep 4 and will be powered with one inboard engine. Mr. Kasno states that the expected date of completion is 1959. Mr. Kasno is going to build another building to finish his "dream project" in.

The Herald will keep tabs on Mr. Kasno and his efforts and keep our readers informed on the progress made.

Patterson Home Fair Preparations Have Been Started

The Patterson Home Fair committees are hard at work to bring a day of entertainment and bargain opportunities to the people of the Tecumseh area on March 2, from 12 noon to 7:00 p.m.

Patterson students have finished their poster project, with some outstanding creations resulting. Judging the posters were Mr. Earl Green and Mr. Ray Hickerson, art supervisor.

The following winners were chosen: Sixth grade, Jane Van Valkenburg and Mary Ann Mead; Fifth grade, Michelle Anderson and Susan Whitney; Fourth grade, Christine Pence and Jeffrey Noe; Third grade, Lee Selders and Cynthia Tater.

Prizes of Fair tickets were awarded to these winners and their posters, together with many of the other entries will be displayed in Tecumseh and surrounding towns. Mrs. Fred Dickinson, Jr., General Chairman, has annouced that maps will be prepared and distributed, showing the layout of Fair booths and rooms, for the convenience of visitors to the Fair.

Mrs. John Surratt, Chairman of the Pantry, has been at work with her committee: Mrs. Robert Smith, Mrs. Otto Meir, Mrs. Glen Kohler, Mrs. J. C. Beardsley and Mrs. Lyle Grigg. They will have many varieties of home-made specialties for sale, including pies, cakes, cookies, tarts, jams and jellies. Patrons of the Pantry will be able to purchase their week-end treats here.

Mrs. Jack Metcolf's Sun Room will offer plants, plant containers, etc. Her committee members are: Mrs. Wayne Pence, Mrs. Beulah Morris, Mrs. Vern Manwaring, Mrs. Roger Linger and Mrs. Marie Deaner. Mr. and Mrs. Garth Hall have donated a five-gallon aquarium

(Continued on Page 3)

Tecumseh Herald photo

Keith Smith, above, from Wauseon, Ohio, is the new foreman in the Tecumseh Herald plant. Mr. Smith his wife and four children plan to move to Tecumseh. It is believed that he will help raise the makeup and commercial printing standards of the Herald to a new high.

Indians Defeated In One Sided Game 73-57

The Tecumseh Indians were defeated in a non-league game with Albion Tuesday night by the score of 73 to 57.

Albion, partially as the result of their rebounding ability, took a four point first quarter lead and continued pulling away from the Indians. The Junior Varsity was defeated by 1 point. The score was 28-29.

The starting lineup for Tecumseh was Bob O'Neill, Bruce McDowell, Larry Yoakum, Ray Larned and John Elliott. For Albion, Grenevitch, Nowery, Schuring, Wilder and Holland started.

The first quarter was almost a draw all of the way through with Albion managing only a four point lead. The superior height of the opponents hampered the Tecumseh rebounding efforts. Albion led 16 to 12 at the end of the first quarter.

Throughout the second quarter, Albion had trouble widening the gap. The Indians only fell behind by one point making the score 32 to 27 at the end of the quarter. It was the last two quarters that saw the Indians gradually defeated. Albion's Wilder could seemingly hit from any place on the court. He tallied 34 points for Albion and was their high point man. The Indians were behind 54 to 43 at the end of the third quarter.

In the fourth quarter, Albion increased their lead to a 73 to 57 score at the sound of the closing gun.

Yoakum played a terrific game both on offense and defense for Tecumseh. His speed and alertness were a great asset to the local cause. He was high point man for the Indians with his 22 points.

The Indians play Addison February 9 at Addison.

Temporary Bldg. Burns

The Fire Department was called January 24, at 5:20 P.M. to extinguish a blaze at the State Highway Departments temporary office and tool shed on N. Evans Street near the bridge. The building was a total loss. Cause of the blaze was undetermined.

Herald Now Sold At 12 News Stands

The Herald is now appearing on three new news stands in Tecumseh, namely, Joe's Market, East Side Market and Harvey's Grill.

Other places were the hometown paper may be secured for the convenience of our patrons, are: Camerons Drug Store, Wrights Drug Store, Hodges Drug Store, Tecumseh Country Market, Ben's Market, Krouts Market at Tipton, Benham's Store at Ridgeway, Millie's Restaurant at Britton and the Herald Office.

Registration For Adult Education Is Next Week

Registration for two new spring Adult Education courses will take place next week. People of the Tecumseh area who wish to enroll in the Speech course may do so next Thursday evening February 7th in Room 13 of the Tecumseh High School. According to Mr. John Babcock, the Instructor, the course will contain a practical application of speech such as preparation, proper technique for presentation, persuasive and humorous speeches and will touch some on Toastmastership.

The Sewing class will register Monday evening February 4th in Room 11 of the Tecumseh High School. Mrs. Harold Clark will again be the instructor.

Another section of Driver Education will be formed if there are enough registration. Interested people should contact Mr. John Pobuda at 800 or 392-J.

Rotarians Hear Talk On The Seaway Project

An exceptionally interesting meeting of the Tecumseh Rotary club was held Tuesday night when Mr. Ralph McCrea of Muskegon, vice president of the West Michigan Dock and Market Corp., spoke on the St. Lawrence Seaway. He told the history of the seaway leading up to this time and said that Canada asked the U. S. Government for help on the project just after World War I and had been refused three times. Mr. McCrea said that the seaway, when completed, would be an important factor in mid-west development, and is expected to be completed as far as Lake Erie by 1959. Present channels will have to be deepened from 25 ft. at present to 27 ft.

He said that Canada buys more from us than any other country in the world and the seaway will strengthen our ties with that country. Michigan is now second in import goods. The only state leading us is New York.

Hugh Walters was program chairman for the evening, and showed an interesting movie entitled "The Fourth Sea Coast" which showed actual work now under way.

The birthdays of twelve members were remembered at this meeting.

School Board Proposes To Convert Central

Superintendent of Tecumseh Public Schools, James McDowell explaining the seventh in the series of proposed school projects says, "The Board of Education proposes to eliminate the overcrowding in grades 7 through 12 by separating the 7th and 8th grades from the high school grades 9 through 12."

"Classrooms are already bulging in the high school building as well as in the grades and the effect is already being felt. Noon hour classes have been necessary for the last three years and by 1958 it will be necessary to go on half day sessions in the secondary school unless more classrooms are provided."

"With enrollment of 861 in the high school building which is badly overcrowded since the building was designed with a maximum capacity of 785 with 35 pupils per classroom, noon classes are a necessary evil. Since the Board of Education, Administration, Faculty, and P.T.A. members have discussed various types of school organization for some time and have concluded that they favor a Kindergarten through sixth grade, a seventh and eighth grade Junior High School, and a ninth through twelfth grade high school type of organization, it is more economical to reconvert the present Central Elementary to a Junior High School and add two rooms to the high school building thereby giving adequate secondary school facilities.

"There are 327 pupils in grades 7 and 8 now and by 1961 there will be at least 487. There are 534 pupils in grades 9 through 12 now and there will be at least 801 by 1961."

"Crammed into one building at present are 861 pupils in grades 7 through 12. By 1961 there will be at least 1288 and the building is designed for at most 785 pupils with 35 to a class which is too many. A few classes are around 50 in number now. The solution of course is added classrooms, but where?"

"Central, having been designed back in 1918 as a combined high school and grade school, has the upper floors arranged for older pupils and the main floor for grade pupils. It was converted in 1952 to an elementary school but can be reconverted for Junior High use at a minimum cost. If converted completely, Central would house about 570 in the seventh and eighth grades. The Gymnasium can be divided by folding doors which are now in use at Ridgeway and which will be removed when that school is enlarged so that there will be both a boys and girls gym available as at the present high school. Therefore, it will be possible to teach the necessary 12 classes in physical education, a subject which is required for boys and girls in the Junior High. Shop and home ecenomics departments will be rebuilt and science and library facilities installed. A more well-rounded and complete Junior High program will be possible with a Junior High separate from the Senior High and exploratory courses can be offered which will enable a pupil to decide more readily the course of study desired for the Senior High grades."

"Since the number of children of elementary age living within walking distance of Central at the present time is small and the number of bus children large, it is more economical to build elementary schools where they are needed so that the children can walk and to use the Central School for a Junior High. Playground and athletic field facilities are both adjacent to the present building and can be effectively used at no extra cost."

"Next week, the last of the proposed projects will be presented, namely, the High School Additions."

The Herald Gives Proven Results

Believing in our advertising medium and thinking that a person should practice what he preaches, we ran a used typewriter display ad in a recent issue of the Herald. They were used machines taken in trade on new typewriters. The ad had such pulling power that the supply was exhausted in 2 days. Testimonials like these are received each week from Herald advertisers.

If you are not a regular advertiser in your home-town paper, better start now . . . The steady every week advertiser is the one that draws more results from his advertising dollar.

Boxing Show Scheduled

The Tecumseh Exchange Club has scheduled a Boxing Show between members of the Southern Michigan Prison March 2nd. Further details will be announced later in the Herald. Committees are announced this week on page 3.

Fun At The Square Dance Jamboree

Tecumseh Herald photo

The above picture was snapped at the recent Square Dance Jamboree sponsored by the Kiwanis Club for the benefit of underprivileged children. Appearing in the photo is Earl Brownsfield, Mr. and Mrs. Fred Hadley, Mr. and Mrs. Ray Ernst, Mrs. Dave Ousterhout, Mrs. John Lees and others.

The Tecumseh Herald Social News

Jedele-Cook Vows Spoken

Claudia Kay Cook, daughter of Mr. and Mrs. David Cook, Pennington road Britton became the bride of William P. Jedele of Clinton, in the parsonage of the Britton Methodist church at 7:30 Saturday evening. Mr. and Mrs. Ray Jedele of Clinton are the parents of the groom. Rev. Haybert Woodall heard the vows exchanged in the double ring ceremony. The bride wore an aqua suit with matching accessories and a corsage of roses for her wedding. Karen Cook, sister of the bride, was her only attendant. She chose an aqua sheath dress with matching accessories and a corsage of carnations. Dan Jedele served his brother as best man.

A reception attended by some 50 relatives and friends was held Sunday afternoon at the home of the brides parents. The brides table was centered with a 3 tiered wedding cake topped with a minature bride and groom. Mrs. Virginia Crutchfield, aunt of the bride, and Katherine Downing served the wedding cake assisted by Suzann Naugle, Mary Becker, Betty Hawkins, Diana Seagert, Karen Cook and Nina Crutchfield.

The young couple will make their home on Pennington road, Britton.

Officers Elected For Baptist Sun. School Class

Officers for the following year were elected at the January meeting of the Christian Workers Sunday School Class of the Baptist Church. It was held in the Youth House Friday evening following a potluck supper.

The officers are president, Lee Prettyman; vice president, Richard Lask; secretary, Pauline Elliott; treasurer, Russell Langham; and ways and means, Mr. and Mrs. George Van Camp, Mr. and Mrs. Claude Sebring, and Mr. and Mrs. Laine Holden.

Mr. and Mrs. Richard Lask had charge of the entertainment colored slides of the Bashores trip through California and on through the state of Washington as well as the Bad Lands. Hosts for the meeting were Mr. and Mrs. Marion Morris and Mr. and Mrs. George Van Camp.

The next meeting will be held Feb. 22 in the Youth House preceded by a potluck supper when Mr. and Mrs. Warren Puffer will be hosts. Mr. and Mrs. Claude Sebring will have charge of the entertainment.

TOPS Members Hear Hints

There were 18 TOPS members who have lost 277½ lbs. and 3 guests who enjoyed a "better improvement" meeting sponsored by the LALAPA LOSERS TOPS CLUB Wednesday evening at Onsted school. Mrs. Myrtle Coller of Coller Beauty Salon in Adrian demonstrated hair styling, hair trimming and make up hints. Guests were from Morenci, Clayton, Sand Creek, and Brooklyn.

Extension Club Met At Mrs. Whelan's Monday

The Tri-County Extension Club met at the home of Mrs. Richard Whelan Monday, Jan. 21. The project, "Civil Defense" was presented by Mrs. Larry Hart and Mrs. Ted Sisson.

The Whelan home was beautifully decorated with balloons and banners in celebration of the first anniversary of the Club. A grab box of wrapped gadgets was enjoyed by the members. After the meeting, refreshments were served by the hostess. The next meeting will be held at the home of Mrs. Jesse Gray Feb. 18, at 8 p.m.

Royal Neighbors Installation Meeting Held

The Royal Neighbors held their installation meeting Tuesday evening when Ruby Huff, the state supervisor from Lapeer, was a guest. The following officers were installed in their offices for the coming year: Oracle, Agnes Moody; Past Oracle, Myrtle Mattis; Vice Oracle, Eva Beevers; Chancelor, Marie Raymond; Recorder, Alice Frost; Receiver, Opal Brady; Marshal was Opal Brady assisted by shal, Mae Sarvey; Flag Bearer, Mayme Stevenson; Graces, Jean Stauffer, Marguerite Smith, Audrey Glancy, Mary Furguson, and Mary Nichols; Musician, Edna Staulter; Staff Captain, Mable Duncan; Managers, Tillie Tuckey, Goldie Topps, and Carrie Green; Altar Sentinel, Lila Beevers.

The installing officer was Alice Collum and the ceremonial marshal was Opal Brady assited by Mable Duncan. As each officer was escorted to the altar, they were presented with a corsage tied with the colors of their station. The ceremonial marshal presented the new Past Oracle, Myrtle Mattis with a Past Oracle pin and she in turn presented her officers with gifts. After the installation ceremonies, refreshments were served from a valentine decorated table.

Ten dollars received from a benefit party was turned over to the Polio Fund.

Presb. Circles Are Planning Feb. Meetings

Rotation programs are being planned for the February meetings for the Circles of the Presbyterian Church. Circle 3 is presenting the program "Why should Christians be concerned about the United Nations?" with Maxine Wilt, Helen Clark, Mildred Wilson, Martha Baldwin, Ruth Ries, Janet Gillis, and Mary Lou Murdock on the committee. This program will be presented to Circle 3 and Circle 1.

"Fun and Festival in Southeast Asia" is the name of the program, members of Circle 4 is presenting for the pleasure of Circles 4, 5, 6, and 7. This committee is composed of Edith Stephenson, Eve Bowen, Helen Hendershot, Louise Faling, Peg Gilman, Helen Sisson, and Opal Elliott.

Eagles Celebrate Their 50th Anniversary

The 50th Anniversary celebration of the Eagles Lodge in Tecumseh was well attended by the Aeries from Morenci, Ypsilanti, Jackson, Monroe, Ann Arbor and Adrian last Sunday. The State Vice President from Flint, a state trustee, Dr. Dunlap, from Adrian and one from Hazel Park in Detroit were present for the program and evening festivities. Mr. Van Deusen of Hazel Park and Honorable Judge Rathbun, who is a member of the lodge, were speakers during the afternoon. The Palmyra Mothers Choral Group entertained with numerous selections.

Burlin Brees, a Past Worthy President, was presented with a life membership for his achievement in starting procedure for the new home. The oldest living member attending the celebration was Floyd Russell and Verdi Skinner was the oldest living Past Worthy President attending, having held office in 1923.

After a fish dinner served by the Ladies Auxiliary, dancing was enjoyed with music furnished by the George Pittman orchestra. A fine attendance was there from the various Aeries an da good time was enjoyed by all.

A. M. A. Aux. Meeting Held In Adrian

The January meeting of the Auxiliary of the American Medical Association was held at the Country Club in Adrian Tuesday. This was the opening day of the Club since the Christmas vacation. Mrs. Carl Benz presided at the meeting following dinner.

The speaker for the afternoon was Mrs. Edna K. Wilcox of Tecumseh who supervises the Croswell School for retarded children. The school is a County project run by a board of members from various parts of the County. Eighteen students attend weekday mornings in the Presbyterian Church whose facilities have been donated for this purpose since 1954. With volunteer help and students from the Adrian High School who contemplate teaching, Mrs. Wilcox runs the school for children from 5 to 16 years of age. The children are given tests by the Huron Valley Clinic. Many Adrian organizations and churches regularly donate for the support of this very necessary school. A bus to pick up the children about the county was presented to the school by the C.I.O. Several sororities provide tuition for children who are not able to obtain it otherwise. The tuition is $36.00 for each student. If it were not charged, the school would be overcrowded. Mrs. Wilcox says that she feels the most important work that the school does is to provide social as well as fundamental schooling, self respect and self confidence and things to do at home.

Because of the interest shown in the speaker and lack of time, the book auction planned for this meeting will be held at the next meeting March 26.

Several W.S.C.S. Activities Set

An executive Board meeting of the Woman's Society of Christian Service was held in the church parlor Wednesday Jan. 23 with 12 members present. Mrs. Carlos Jones, president, presided at the meeting.

Devotions were led by Mrs. Edward Leighton. Reports for the past four months period were made out and sent to the District officers. Announcements were made that the Father and Son banquet will be held in March, the Mother and Daughter banquet in May and the annual White Breakfast will be held in April. Definite dates for these events will be announced later.

The North Central Jurisdiction Conference is to be held at Central Church in Detroit, Michigan March 13, 14 and 15. Everyone is urged to attend any or all of these inspiring and spiritual meetings. The Board meeting closed with regular procedure.

Box Social Postponed

The Junior Chamber of Commerce Auxiliary announces that the box social planned for February 9 will be postponed until next month due to conflicting activities on that date. The date will be announced at a later time in the Herald.

Local Topics . . . .

Mr. and Mrs. Fred Belleville and Mr. and Mrs. Philip Belleville were in East Lansing from Friday until Sunday attending the Michigan Press Convention held at the Kellogg Center.

Rev. and Mrs. B. O. Bashore and Mr. and Mrs. James Danforth were in Detroit for the showing of the "Ten Commandments" Saturday.

Local members of the American Legion and the Auxiliary who attended the 2nd District meeting in Ypsilanti Sunday were Florence Howe, Agnes Woods, Esther Seizert, Mr. and Mrs. Almond Curtis, and Mr. James Rohrer.

Terry Holdridge, son of Mr. and Mrs. Lawrence Holdridge, who was a patient in the St. Josephs hospital in Ann Arbor at New Years time, returned for a check up last Wednesday and doctors found that his condition was not nearly as serious as previous examinations had shown.

Mr. and Mrs. L. E. Brown have returned to their home in Tecumseh after several weeks visit with their daughter and family, Mr. and Mrs. James Murray, of Malibu, California.

Mr. and Mrs. Donald Purkey have returned to their home here after a trip to Richfield Springs, New York where they attended the wedding and reception of Mrs. Purkeys brother, Staff Sargeant Jerry L. Shaffer to Miss Rose Hula. Mrs. Shaffer is a native of Richfield Springs but is a member of the Air Force with her husband and both are stationed in Washington, D. C. They accompanied the Purkeys home and then went on to Milan to spend the remainder of their furlough time at Mr. Shaffers home there. On the way to Richfield Springs the Purkeys visited Niagara Falls which they enjoyed.

Word has been received here that Ralph Comfort left India by plane Jan. 25, and quite possibly spent this past weekend with the Joseph Satterthwaites in Rangoon, Burma. Mr. Satterthwaite is the United States Ambassador to Burma. Also on his homeward trip. Mr. Comfort expects to spend a week or ten days in Formosa visiting the Friends Mission there. He should be arriving in Tecumseh in the next 2 or 3 weeks.

Miss Toni Herrick entertained several of her friends at a luncheon Saturday Noon to celebrate her Birthday Anniversary. The afternoon was spent roller skating. Miss Suzette Luckhardt of Manchester was an over night guest.

Mrs. Hoyt Whelan and Miss Edith Ingersoll were in Lansing last Saturday where they were luncheon guests of Mrs. Whelan's daughter, Mrs. Marcus Fisher. Among the other guests were Miss Millar of Lansing who, several years ago, conducted the European tour of which Miss Ingersoll was a member.

An evening of fun was provided for nine young friends of Miss Carol Green last Friday evening when, accompanied by Mr. and Mrs. Green, they were guests for dinner in the home of Carols grandparents, Mr. and Mrs. Leonard Hollingshead in Reading, Michigan. The girls were Mary Wing, Gail Elliot, Nancy Beland, Pat Anderson, Norma Luce, Sandy Eaton, Carol Bilby, Susan Owen, Mary Jean Cleveland, and Carols two sisters, JoAnn and Gloria. The table was centered with a basketball and decorated beautifully with roses. A heart shaped cake was served for dessert with the printing "Yea Tecumseh" in prominence. As may be suspected, the girls were in attendance at the Hillsdale game that evening and later stopped for lunch with Carols great aunt and uncle, Mr. and Mrs. Paul Kopp, where they completed a very delightful evening.

Sunday dinner guests in the home of Mrs. Lillian Hoagland were Mr. and Mrs. Roy Kedney and family of Detroit, accompanied by Mrs. Kedney's mother, Mrs. Herman Cole, who remained for several days to visit in Tecumseh. Monday Mrs. Cole and Mrs. Hoagland were guests of Mrs. Faye Van Valkenburg, and Tuesday Mrs. Hoagland is entertaining guests for luncheon for the pleasure of Mrs. Cole. The guests are Mrs. Floyd Bryan, Mrs. Anna Morse, Mrs. Faye Van Valkenburg, and Mrs. Lula McConnell. Also guests Sunday in the home of Mrs. Hoagland were her daughter and husband, Mr. and Mrs. William Beebe and daughter, Cheryl, from Ypsilanti, Michigan.

The Misses Carol, JoAnn, and Gloria Green, daughters of Mr. and Mrs. George Green, Jr., were weekend guests of their grandparents, Mr. and Mrs. Leonard Hollingshead, of Reading.

Mr. Charles McIntrye was a visitor Monday evening in the home of his aunt, Mrs. Anna Morse.

Mr. and Mrs. Bernard Fero were in Adrian Saturday evening attending the Bridgeport Brass Credit Union Party and annual meeting.

Guests in the Fero home Sunday, in celebration of Pats birthday anniversary which took place Jan. 23, were Mr. and Mrs. H. Newman, and Mr. and Mrs. Robert Newman and son, Rob, from Owosso.

Weekend guests in the home of Mr. and Mrs. Henry King were their daughter and family, Mr. and Mrs. James Gregg and infant son, Kevin, from Akron, Ohio. The visit was in celebration of Mrs. Greggs birthday anniversary.

Mrs. Elmer Wilt Hostess To Extension Group

Mrs. Elmer Wilt was hostess for the Northeast Extension Group Tuesday evening. After the business session presided at by Mrs. Raymond Bird, a program on Civil Defense was presented by Mrs. Ellsworth Robinson and Mrs. Bird. The program prepared the members to be prepared for an emergency and also presented some pointers on home nursing. Roll call was answered by "a safety practice my family uses". After the meeting refreshments were served by the hostess.

American Legion Telecast Sunday February 3rd

An American Legion telecast "Back to God" will be of interest to Tecumseh viewers Sunday, Feb. 3, from 2 to 2:30 p.m. Eastern Standard Time on W.J.B.K.-TV, Channel 2, Detroit. The announcement of the program was made by Rev. Father Bernard W. Gerdon of Indianapolis, the national chaplain of the Legion.

The production calls for a dramatization of the heroic deaths of four United States Army Chaplains in World War II, during the sinking of the troopship, The Dorchester. Since Feb. 3 will be the 14th anniversary of the ships sinking, this years theme of the 4 chaplains is especially appropriate. It is expected that the program theme will be "For God and Country". When the ship was torpedoed off the coast of Greenland Feb. 3, 1943, a Jewish Rabbi, a Roman Catholic priest and 2 protestant ministers gave up their life belts to four American soldiers and stood calmly together in prayer as the transport sank.

Tecumseh residents will be interested to know that George King, brother of Thomas King who lives at 418 N. Evans St. was a passenger aboard the Dorchester at the time of its sinking and only the fact that he is an excellent swimmer saved his life. As a great number of troops were aboard the ship, it was necessary for the survivors to take turns in riding in the life boats and swimming along side the boats. It was during this time that Mr. Kings legs were partially frozen. Finally the survivors were picked up by another ship and taken to Greenland. Mr. King lives with his wife and 2 sons in Detroit and is employed by the United States Rubber Company.

Altar Society To Hold Guest Night Feb. 6

The Rosary Altar Society of the St. Elizabeth Church will have "Guest Night" Wednesday, Feb. 6, with the Choral Group of the Church entertaining. Anyone interested in Choral singing is cordially invited to attend. The hostess committee is Agnes Neill, chairman; Josephine Bush, co-chairman; assisted by Helen Short, Anne Tressler, Ruth Hansen, Madonna Pask, Betty Strand, and Mary Shrader.

Youth Fellowship To Hold A Sledding Party

The Senior Youth fellowship of the Methodist Church is being reorganized and a sledding party is planned for Sunday, Feb. 3, in the Irish Hills. The young people will meet at the Church at 2:45 p.m. bringing toboggans and sleds.

After the sledding, refreshments will be served at the home of Kay and Faye McClure. A meeting will be held for the purpose of electing officers. Miss Shirley Sprague and Miss Dorothy Lukens are the new counselors for this group which will be meeting on Sunday evenings. Last Sunday evening, 10 members met at the home of Shirley Sprague for a taffy pull.

Historical Society Guests Of Adrian Women's Club

The Lenawee County Historical Society was guest of the Adrian Women's Club Jan. 22, when the curator of the Museum of Natural History of Detroit was the guest speaker. She brought a number of pieces of miniature furniture and household articles to illustrate her address on the Development of the American Home. Local members who enjoyed the afternoon were Mrs. Truman Rentschler, Jinnie Satterlee, Mrs. James Artman and Mr. and Mrs. Wilfred Waldron.

Mrs. Cook, president of the Historical Society, announced that the next meeting of the Society will be held Feb. 21 at the Adrian Baptist Church when the state officers will be present to speak. Tickets for the dinner will be $1.50.

Gregg Aebersold Flew Home Tues.

Major Gregg Aebersold from Foster Air Force Base at Victoria, Texas flew home Tuesday to visit his father, E. J. Aebersold who suffered injuries in an automobile accident a week ago in Pontiac. Mr. Aebersold was brought home to the Herrick Memorial Hospital Saturday. X-rays from the Pontiac Hospital are being awaited to determine the extent of his injuries.

New Hours Announced

The Secretary of States office will be open Thursday afternoons from 1 till 5p.m. for the covenience of Tecumseh resident. Mr. J. M. Artman states that the office will be open every day now from 1 till 12, and again from 1 till 5 p.m.

Business And Professional Women Program On Japan

The Business and Professional Woman's Club resumed regular dinner meetings Monday evening in the Presbyterian Fellowship Center with Mrs. Fannie Brees, Mrs. Zora McWilliams, Kay Monigin and Mabel Lockwood as the hostess committee.

During the short business meeting, conducted by Mrs. Ray Sluyter three new members, Mrs. Bertram Updyke, Mrs. Donna Elliott and Mrs. Vera Zornow were announced and Mrs. Letha Dewey was reinstated to membership. A communication from Mrs. J. C. Mason, president of the County Federation of Women's Clubs, was read urging attendance at the February 13th meeting of that organization at the Adrian Baptist church. In response to other appeals, the club voted $6 for the annual music festival scholarship at Interlocken and $5 for the March of Dimes.

The program chairman, Mrs. Lillian Buttolph, then introduced Mrs. Robert Laidlaw who in turn introduced the members to life in Japan. Preceeding the showing of the excellent colored movies, taken during Dr. Laidlaw's tour of duty in Tokyo, she told stories typifying the Japanese attitude toward life. The pictures showed native family and street scenes in the city and rural towns and depicted in interesting detail the growing and harvesting of the rice crop. Following the pictures, Mrs. Laidlaw displayed household and art objects she brought home.

The next meeting of the club will be "Rumpus Night", February 25.

Editor Addresses Com. Women

Philip Belleville, editor and copublisher of the Tecumseh Herald addressed the County Farm Bureau Committee Women recently. His message concerned the 2nd Hoover report and stressed its importance.

Explorer Troop In Derby

Photo By John Twiss

From left to right starting in the top row is James Nighswander, David Hohenstein and Scout Master John Twiss. In the front row from left to right is Richard Williams, Bill Fielder and Lee Britton. Gary Abner is the only one absent.

Explorer Troop No. 4 of Tecumseh is on top of the totem pole in the Lenape District Fishing Derby which was held at Camp Kanestake, located on Washington Lake, Saturday and Sunday, January 26 and 27. Representing Troop No. 4 were David Hohenstein, Lee Britton, James Nighswander, Richard Williams, Gary Abner, William Fielder, and scout master, John Twiss. Fishing began soon after 1 p.m. Saturday and ran well into the wee hours of Sunday morning. By 8 a.m. Sunday, it was evident that Troop No. 4 had top awards in the bag. Fishing was done in pairs and winners received duplicate prizes as follows: 1st prizes for largest combined mess of fish, William Fielder and Richard Williams received hand warmers; 2nd prizes for the largest Blue Gill, David Hohenstein and Lee Britton received fishing rods; 3nd prizes for largest Perch, David Peebles and campanion of Blissfield received fish knives. All scout and scouters enjoyed the weekend of friendly competition and the fellowship of scouting and are looking forward to this event again next year.

Blvd. to the Teen Club and several other groups. Thus the Club now has an ideal hall for dances and other activities. Their next activity is a Valentine Dance to be held February 9.

The Tecumseh Herald and I am sure the whole city of Tecumseh wishes to express its wholehearted backing to the Teen Club and express thanks to John Hamilton, C. F. Sage, the Jaycees and all others who have given so liberally of themselves to make this project the huge success that it is. It is our duty to continually foster and advance such activities.

☆ ☆ ☆

As funny as it may seem, I think that you can tell a lot about the true nature of man by his dimmer switch habits when driving at night. It seems that a good share of the people always expect you to dim first. On first thought, this seems like most people expect you always to give in to them. However on second thought, it doesn't look very good for me that I think that it is odd if they don't blink first. Thereby lies the question, to blink or not to blink.

Home Fair Plans Being Made

(Continued from Page 1)

with tropical fish, which will be displayed and sold in the Sun Room. Mr. and Mrs. Pence will donate a parakeet, which will be offered as one of the door prizes and will also be on display in the Sun Room.

Mr. Ray Beasley, in charge of the Post Office, invites those with a penchant for surprises to take a chance with his packages from faraway places, to be sold wrapped as they come in the mail. Mrs. Beasley will be her husband's assistant mail clerk.

Many more varieties of booths will be open at the Fair and prices will be reasonable. March 2 is a date to remember and keep open for a memorable visit with the family to the Patterson Home Fair.

o

$79.63 GIVEN TO FUND

As has been the custom for several years the members of the Tecumseh Friends Sunday School voted to donate the Sunday Jan. 25 offering to the Polio Fund. $79.63 was the amount donated.

Clothing Drive To Be Held

(Continued from Page 1)

tied together in pairs. Rubbers, overshoes, and work shoes are much in demand for both adults and children who are not attending school because of inadequate clothing.

This program is in conjunction with the Save the Children Federation Used Clothing Collection who not only aid needy in other lands but also right here in America, especially in the isolated rural areas of the southern mountains and the Navajo Indian Reservation.

o

Troop 73 To Hold A Meeting To Reorganize

Howard Wilson, Jr., scoutmaster of Troop 73 of the Boy Scouts, has announced a meeting for the purpose of reorganizing the troop. This meeting will be held at the scout cabin Tuesday, Feb. 5 at 7:30 p.m. and all parents are not "requested" but required to be there. Boy Scouting is rapidly growing in Tecumseh. Many fine volunteer workers are spending long hours to make this a program to, not only interest boys but to assist them in becoming good citizens and an asset to the community. Without parent cooperation, the program can only be partially successful. Thus parents of Boy Scout Troop 73 are asked to keep the date Feb. 5 open for their boys.

Winter camp will be a topic of discussion at this meeting. The dates of which are now March 8, 9, and 10. Also the Boy Scout Show of the Lenape District which will be held in Adrian Feb. 16 will be discussed. The same as the Cub Scout Show, tickets will be sold to adults only, for $.25 and if purchased in advance from a Scout in Tecumseh, fifteen cents of the twenty-five will remain in the boys treasury here. If purchased in Adrian it will go to the district treasury. Boys in uniform will not need tickets. Cub Scout Pack 73 will be on the program that evening, singing as they did for the Cub Scout Show under the direction of their Cubmaster, Irwin Richardson. Parents please see that your Cub has transportation, and also give him the satisfaction of knowing that you are interested in him by attending this fine program yourself.

o

Exchange Club Pres. Appoints Committees

Exchange Club president, Wallace Whiting, appointed the following committees at the regular meeting last Wednesday. For the Boxing Show: ticket committee, Clarence Beach, chairman, Skip Rex, Ellsworth Collins, Earl Greene, Neville Hart, George McCombs, Carl Barns, Russell Garno, Ken Hall, Al Taylor, Jim Freckleton, and Delbert King. Advertising committee, John Saling chairman, R. Dixon, Walter Hochrein, Phil Belleville, T. V. Wagner, Clarence Keller and Owen Partridge. Jack Metcalf and Kenton Hunt have the cloakroom committee and will supervise the Girl Scouts taking care of the cloakroom duties. Set up committee, Elmer Bryan chairman, Bob Bonner, Orville Bishop, Harvey Wilson, Forest Abner, Otto Meier, Dwight Hodges, George Derby, E. J. Nelson, and Bill Powell. Refreshments, Albert Musch chairman, Paul Clauda, Leon Williamson, Jim Artman, Dave Dick and Rev. H. James.

For the Ladies Night committee he appointed 8 past presidents: Russell Garno chairman, Ellsworth Collins, Leon Williamson, Ken Hall, Clarence' Beach, George McCombs, Owen Partridge, and Paul Clauda.

o

Pack 4 To Hold Pack Committee Meeting Feb. 1

All members of the Pack Committee of Pack 4 are urged to attend the planning meeting Monday evening, Feb. 1, at the home of the Scoutmaster, Dr. Richard Dustin. Plans will be completed for the Blue and Gold Banquet to be held Feb. 18 in the Baptist Youth House at 6:30 p.m. The banquet will be served by the women of the Church who sponsor the Pack. Tickets will be $1.25 for parents and $.75 for the cub. Only parents and cubs will be invited because of lack of room for entire families. These plans were voted upon by the members of the Pack Committee with the hope that the banquet will be satisfactory for all concerned.

Plans will also be made for the Round Table that Pack 4 has charge of Feb. 7 in Adrian in the Madison School. The committeemen and den mothers will present a program with the theme for March, "Indian Trails", in which the adults will act as the cubs they are working with thus giving other den mothers and committeemen an opportunity to gain ideas for their own meetings.

o

Cubs Scouts Enjoy Party

Cub Scouts of Pack 73 enjoyed a sliding party Saturday afternoon when 75 cubs and 18 adults were present. A weiner roast with hot chocolate also helped to make the afternoon most enjoyable, and the Cubs are very grateful to the Pack Committeemen for providing this afternoon of fun.

o

Exchange Club Heard CPA

The Exchange Club held their regular meeting Wednesday evening at the Eagles Hall. Mr. Albert Musch was elected Vice President to replace Nevell Hart who resigned because of other duties. Mr. George Schippers, a CPA from Adrian spoke on Income Tax and the Internal Revenue Department.

o

Kiwanis Club Met Wednesday

The regular Kiwanis Club meeting was held Wednesday, with a good attendance. Fred Hadley, president, presided over the meeting.

A report was given on the square dance, however, all tickets have not been turned in so the net profit has not been determined.

A gum machine project was discussed, whereby the club gets a percentage of the proceeds from the gum sold. A Board meeting will be held Tuesday night at 7:30 at Dave Ousterhouts.

Troop 4 Court of Honor

Photo By John Twiss

The boys from Scout troop No. 4 in attendance at the Court of Honor Monday night are shown above. Starting with the top row, from left to right, are Dale McCarley, Jim Nighswander, Mickey Dinius, David Hohenstein and Bob Fisher. In the second row, from left to right, is Scout Master John Twiss, Gerald Chase, Gary Dinius, Bill Fielder, Gary Abner, Max Handy and Lee Britton. In the front row is Bill Fisher, Myron Bedore, Glen Schmidt, Darrell Marsh, David Irelan, Richard Williams and Jim Graham. Absent is Ronald Maityka.

There were 62 mothers and scouts present. Dr. Robert Laidlaw stated that it was the largest adult participation for troop 4 in 15 years.

Local Police Investigated Auto Accidents

Several auto accidents were investiated by the Tecumseh Police Department during the past week.

On January 25, a car driven by Hilbert Brooks, Adrian, and a car driven by Mary Studnick, Britton, collided at the corner of Chicago Blvd. and Evans St. There were no injuries, however each car was damaged to the amount of about $75.00. On January 28, cars driven by Jose Soto, Adrian, and Ruth Packard, Tecumseh, came together on the corner of N. Evans St. and Patterson. The Soto car received about $200 worth of damages and the Packard car about $300 worth of damage. No one was injured. Richard Packard, a passenger of the car, was taken to a local physicians office to receive treatment for a cut upper lip. Jose Soto was ticketed for failure to yield the right-of-way at a stop sign.

A car driven by Chester Merritt, Clinton, and one driven by Roger Williams Tecumseh, collided on N. Evans Street, Monday. There were no injuries, but about $400 worth of damages were done to the Merritt car and about $200 worth of damages to the Williams car. Another accident occurred Monday when cars driven by Darwin Harvey, Tecumseh, and Richard Witt, Tecumseh, collided on the corner of Chicago Blvd. and Wyandotte St. No injuries, received. There was about $300 worth of damage to the Harvey vehicle and $200 worth of damage to the Witt car.

o

H. S. Bowling League Has A 12 Wk. Schedule

The High School Bowling League, which has been bowling every Saturday from 12:00 until 3:00 p.m., will not be bowling this week because of the County tournaments to be held in Tecumseh. They have a 12 week schedule and have completed six weeks of it with Fred Deaner, league leader, with a 161 average.

Instructors for this league are Mr. Dermont Poley Jr. and Mr. Clifford Preston. Any one interested in bowling may contact them or the League president, Ray Miller.

The teams and their captains are as follows, with the first three holding first, second, and third place: Aces, captain, Gary Hanna; Strikers, Ronald Gurtzeweiler; Gutters, Richard French; Splits, Fred Deaner; Pin Spotters, Earl McKinney; 800 Plus, Robert Hirsch; Striking Cobras, Larry Yoakum; and the Plumbers, David Brooks.

TECUMSEH HERALD

You expected Newness—
BUT THIS BEATS ALL!

Safety News
Only Buick has the Safety-Minder
—a simple device that's a great boon to your safety. You merely preset the miles-per-hour you want. When you reach that pace, a warning buzzer sounds. Drop below that pace and the buzzer stops.
Safety Reminder
After dark, slow down and stay at a lower speed. Even with the most modern automobile headlights, no one can see as far as in daylight.
Pass it along

In looking over this year's new cars, more and more people find that the *newest* of them all is Buick.

For over and above the brilliant newness of Buick's low-sweep fashion, you find here a new kind of *performance* and *handling* and *safety* and *security* and *solidity of ride.*

On the road is where you realize what all this means.

You feel a new obedience — a great and wondrous new lift — in the answer of Buick's big new 364-cubic-inch V8 engine teamed to an advanced new Variable Pitch Dynaflow*—*instant* Dynaflow.

You feel a new safety, a new solidity in the massive new chassis that "nests" the car to the lowest center of gravity in Buick history—yet without sacrificing an inch in wheel size or vital road clearance.

But you ought to get this news where it happens—at the wheel of the newest *new* Buick yet.

That way you can also see for yourself how much more interior room you enjoy in the *lowest* Buick ever—even how much safer you feel with Buick's exclusive Safety-Minder* telling you with an insistent buzz when you reach the miles-per-hour you pre-choose for yourself.

Drop in on us this week—today would be even better!

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder is standard on Roadmaster, optional other Series.*

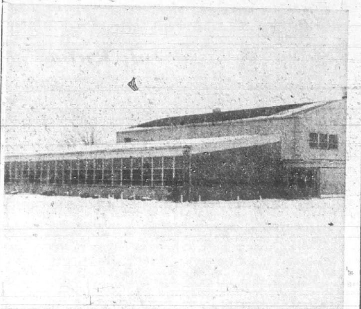
MRS. THERESA CHEEVER, CORRESPONDENT

Britton - Macon School Dedication February 4



Tecumseh Herald photo

The new Britton-Macon School is shown against a foreground of fresh snow.

Tecumseh Herald photo

Britton-Macon student, Gayle Bottoroff and superintendent Koczman are shown in the beautiful entranceway.

The Britton-Macon Area School will be dedicated February 4, with open house from seven to eight in the evening with a program following.

The program will open with an Organ prelude by Peggy Jo Pocklington, the National Anthem will be played by the band with Harold Waters, director. The Invocation will be given by the Rev. Fred Belleville. Parade of Champions and Pomp and Pagentry will be played by the band with Harold Waters directing. Superintendent Rudolph Koczman will introduce guests and William Saxton, principal, will introduce the staff. Architect R. S. Gerganoff will present the building to the board and Clarence Herford,, President of the board of education will accept the building in behalf of the district. Thank you America will be sung by the Britton-Macon chorus under the direction of Harold Waters.

The main address of the evening will be given by Donald Currie, director Eastern Michigan College placement bureau. Reverend Soren Sorensen will pronounce the Benediction.

Building visitation and guides are being arrnaged by the Sophomore class and their advisor Mr. Russell Spalding. Refreshments will be served under the direction of Mrs. Eleanor Mueller of the homemaking department.

This fine new school is the result of long range planning by the Britton Board of Education, Clarence Herford, president, Gerald Benedict, secretary, Leland Bush, treasurer, G. E. Rodgers, trustee, Harold Rohrback, trustee and Jennings Frayer, trustee now deceased. On February 2, 1955 the Board employed R. S. Gergnoff, an architect of Ypsilanti, Michigan to assist in planning the Education facilities needed to meet the increasing number of students and to provide improved educational service. Many meetings were held with the architect and his staff and a number of different plans and proposals considered.

Attorney Fred F. Thrun of Lansing, was employed to handle all of the legal problems in submitting a bond resolution. On February 28 of that same year a well attended public meeting was devoted to reports on some of these plans. At a special Board meeting on May 4, 1955 a decision was reached to call a special bond resolution for May 28. This passed affirmatively.

Kurtz Building Company broke ground in the early fall of 1955, completing the building in time for the starting of school in September 1956. Additional contractors were Young and Ost, plumbing, Saunders and Son Company and others.

Donors to the building include the Parent Teachers Association, Britton-Macon Student Council, Michigan School Service, Teachers Club, Henning family, R. S. Gerganoff and MacFadden Corporation.

The Britton-Macon school is well staffed by the following, Mr. Rudolph Koczman, Superintendent, Mr. William Saxton, Principal, Mr. William Anderson, Miss Edith Buffett, Mr. Francis Welper, Miss Judith iKtchen, Mr. Frank Kovach, Mr. Mario Marchisio, Mr. Russell Spalding, Mr. Harold Waters, Mrs. Eleanor Mueller, Mrs. Gertrude Gregory, Mr. Earl Snodgrass, Mr. Allen Belknap, Mrs. Elizabeth

Saturday recreation has been very successful thus far. The average of 90 boys in the morning group and 50 girls in the afternoon group. At the present time the younger boys are working on the fundamentals of passing and dribbling the ball. They are progressing rapidly and this week started to learn the fast break and figure 8. The older boys play regular games. Some of the boys are going to wrestle for the first time this Saturday.

o

Taylor Sparks League Victory For Boysville

The call was loud and long last Friday as the cry to win was harkened to by the Boysville varsity quintet as they sank the Dexter "Dreadnaughts."

It was a see-saw battle in the first period of play, with both teams matching points as they had done in previous games. But with the opening of the second period of play the Knights scooted ahead and remained ther eeven though Dexter managed to come within two points of the Knights.

With the fine 23-point performance of Taylor, and steady playing of Carry and Velasquez, the onslaught proved too much for Dexter.

The Knights' foul shooting was an asset in the victory as the boys hit 15 of 29 for a better than .500 mark.

"A job well done" was the word to the more than 90,000 members of the Civil Air Patrol received today from Brig. Gen. T. J. DuBose, the Air Force commander in charge of the USAF's world-wide Air Rescue Service.

In a letter to Maj. Gen. Walter R. Agee, USAF, national commander of the Civil Air Patrol — official civilian auxiliary of the Air Force — the veteran chief of the Air Rescue Service said:

"During the first six months of 1956 the members of CAP flew 4,389 hours on 60 separate missions for the Air Rescue Service—a feat that represents more flying hours on official ARS missions in the continental United States, Alaska, Hawaii, and Puerto Rico than all other participants combined."

CAP NATIONAL Headquarters in Washington estimates that it would cost the federal government some $47,000,000 per year to maintain a stand-by force of second lieutenant pilots to equal the 12,000 rated polits of CAP who are on alert for the USAF 24 hours a day the year around.

"Your volunteer CAP assitance actually provides the American taxpayer—be he civilian, sailor, soldier, or airman—with better and wider rescue support and coverage for each tax dollar," according to General DuBose.

In 1956 the CAP's volunteer airmen flew more than 14,000 hours on actual search and rescue missions directed by the Air Rescue Service. Even in the little single engined planes of the CAP, that figure represents a distance of 39 times around the world. These planes—some 5,300 of them—are owned mostly by the individual members themselves.

As General DuBose pointed out, CAP members flew 4,389 hours during the first six months of 1956. This represented 64.47 per cent of the hours flown by all participating agencies in the 60 ordered missions that ARS called upon CAP for assistance.

o

V.F.W. Held Their Regular Meeting Wed.

Roy Beasley was named Poppy chairman for the Hall Slater Post of the V.F.W. at their regular meeting Wednesday evening.

It was decided to sponsor another marble tournament again this spring for the Cub Scouts and also to extend the registrations to the Boy Scout field which was not done in last years tournament.

Cubs and Boy Scouts should get out the regulations that were used in last years tournament and practice up a bit. Its quite possible that Tecumseh might have a state champion this year as Adrian did last year. A Britton boy, Benny Bergon, was district champion last year and played against the Adrian boy, Wayne Vickery who then won the state championship at Eaton Rapids and was sent to Tallahassee, Florida to play for the national championship.

It was announced that merchants will be able to set up their displays for the M. and M. show any time on Wednesday, Feb. 6, after 9 a.m. The V.F.W. members will have the booths set up and the electrical work done the evening before so that every thing will be in readiness by Wednesday. Also for the convenience of the workers, a refreshments booth will be open on Wednesday with soups, hot beef sandwiches, pies, ice cream, and coffee, under the supervision of Mrs. Earl Kruger, Mrs. Warren Filter, Mrs. Richard Butler, Mrs. Harlan Boyes, and Mrs. Carl Kempf.

Style Rules Color Choice In Any Home

Color choices in modernizing the exterior of an older home should be governed by the size and shape of the house, the climate and the neighborhood, says Beatrice West, home color stylist.

Here are four typical color schemes suggested by Miss West for popular types of houses. In all four, the color of the asphalt shingles on the roof serves as the key to other colors used on the exterior.

1. Colonial. A roof of pastel blue is complemented by gray-blue siding with white shutters and trim. The entrance door is painted deep blue to complete a "modern color scheme that maintains the traditional feeling," says Miss West

2. Tall, boxy house. Black asphalt shingles on the roof make the house appear lower, while gray siding and charcoal shutters take emphasis away from awkward proportions and large size. The eye is focused on a carnation red door, keeping the visual center of interest low. White on windows and trim adds brightness.

3 Expansion attic. Dark green shingles will make the roof seem lower than it is, yet give the house color. Dark green siding, off-white trim and garage door, and a warm coral on the front entrance door complete the color harmony.

4. Ranch. A russet asphalt roof —a light shade which will make the house appear larger — is ideal, especially if the house is in a rural setting. Good colors with russet would be coral for sidewalls and light gray trim. An accent color of bright blue on the front door, window boxes and garage door make a house stand out effectively if it is set among trees and shrubbery

YOUR HOME IS WAITING

at McCoy's

THIS IS THE TIME TO BUY. EASY FINN. ON MOST OF THESE.

Nice 3 bedroom home in Herrick Park. Bath and 1/2. Sale price is right.

On S. Van Buren an older home with 3 bedrooms. Owner would trade. Sale price $9,400.00.

Go to the end of W. Brown street and there is a real buy. It's a large 3 bedroom with 2 car garage. All built-ins are there including deep freeze and refrigerator. F.H.A. finn. Price $21,500.00.

Out in Tecumseh acres on Murray Drive is a 4 bedroom home. Downstairs completely redecorated. New birch kitchen. $1,500 down, balance $75 month.

Want to move 12 miles from Tecumseh on a main road? We have a place for you in Springville. 3 bedrooms, large lot, new kitchen. Would consider a trade.

River Acres is a healthy place to live. Lots for building are about gone. Here is a home you would be glad to pay $20,000 for. Only we're offerinfg it at $19,000. Let us show it to you.

Clyde Bailey wants to sell his house and 450 ft. frontage on M-50. This is zoned Comm. Better check this one.

On Pottawatamie St. we have an older 3 bedroom home with new carpets and a bunch of shade trees. Price is O.K. and owner wants to sell.

E. Chicago Blvd. is a good location to live at. A stone's throw from town, plenty of bedrooms and room to turn around in once inside of the house. Come down and let's talk a deal on this.

Looking for a good farm with a beautiful home plus another 2 family home on the same acreage? Here it is, 230 acres overlooking Wamplers Lake. Good for dairy set up. Terms to the right people. 157 Acres located 2 miles from Tecumseh. Excellent feeder set up, with lots of Silo storage. Elmer wants to sell.

This 73 acres will sell in the next 30 days. A beautiful large brick home on it. Level land suitable for light aircraft strip both NS & EW runways. Gravel bed, railroad siding joining N edge of prop. This is a good deal. Located between Adrian and Tecumseh. Terms to right party.

Comm. lot on M-50. Size 134 x 200 on corner.

Building lots on Ternes Rd. S & W now in close to schools.

Park St., Tecumseh, lot 105 x 150. Good spot.

Wooded lots out of town. Your terms, highly restricted. Winter prices.

60 acre farm, 3 miles east of Tecumseh, good 4 bedroom home, full line of machinery. Priced to sell.

Sunday School Class Had A Sliding Party

A sliding party was enjoyed Sunday afternoon by the students of Mrs. Nasers class of the Presbyterian Sunday School and their guests. This activity was the climax of an attendance contest in which the winners paid off the losers. The party was held on the hills of the Tecumseh Country Club from 2:00 p.m. until 4:00 p.m. After sliding, the group stopped at the Top Hat for refreshments and discussion on the activities of the afternoon.

How Christian Science Heals

"GOITER HEALED BY PRAYER"

CKLW — Sun., Feb. 3 — 9:45 a.m.

Mrs. Rybka Was Buried Wednesday

Funeral services were held Wednesday, Jan. 30, at 2 p.m. at the Niblack Funeral Home in Britton for Mrs. Apolonia Rybka, age 63 years, who died suddenly at 11:00 a.m. Sunday at her home one-half mile north of Britton. Mrs. Rybka was born in Czechoslovakia and came to this country in 1914. For the past fifteen years, the family has lived on the farm near Britton.

Mrs. Rybka is survived by her husband, Joseph, four daughters, Mrs. Bessie Knoblauch of Deerfield, Mrs. Rose Tubbs of Deerfield, Mrs. Virginia Yarckow of Britton, Miss Mary Rybka of Chicago, ten grandchildren, two sisters in Czechoslovakia, and several other relatives. She was preceded in death by three brothers. Burial was in Milan.

St. Peter's Guild Met Thursday

The St. Peter's Guild met Thursday January 25 in the Parish Hall. Mrs. H. H. Hammel and Mrs. M. W. Wilson were hostesses with Mrs. Wilson in charge of the Worship service.

Mrs. Thomas O'Hara reported on the project committee and the group discussed the project for the year. Mrs. W. W. Ring gave a talk on the Lord's Prayer. Refreshments were served by the hostesses at the close of the meeting.

The next meeting will be February 14 with Mrs. Theodore Rundell and Mrs. LaVern Russell as hostesses.

Mission Study Has Been Well Attended

The Mission Study at the Methodist Church has been very well attended. The last session, last Sunday evening, was especially interesting when a film strip, shown by Rev. Horace James, presented the background of Christian faith and the development of Missions. This film strip was one of a series shown in Life magazine concerning the various religions of the world. After the strip was shown, a discussion was held and a summary of the textbook given.

The dinner Friday evening at the Methodist Church was well attended, and the missionary speaker, Rev. Maw was very entertaining. A very satisfactory Missionary Month has been enjoyed by the members and friends of this Church.

Sunday Christian Science Services

How trust in God, divine Love, brings man sure guidance will be brought out at Christian Science services Sunday.

Selections to the read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (454:18-21): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action."

Scriptural passages in the Lesson-Sermon entitled "Love" will include the following from Proverbs (3:5,6): "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

The Golden Text is from I John (4:16): "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him."

S. C. Patterson To Be Buried At Ridgeway

Services will be held today at 2 p.m. at the Niblack Funeral Home in Britton for Samuel C. Patterson of Milwaukee Road, Britton, who passed away at his home Sunday at 2:10 p.m. where he was born and spent his entire life. He had been in failing health for some time but only seriously ill for the last three days. Mr. Patterson was born July 16, 1873 to Alexander and Julia Ann Patterson.

Besides his parents, Mr. Patterson was preceded in death by three sisters, Mrs. Jennie Linton, Mrs. Dolly Hindes, and Mrs. Lottie Craig.

June 18, 1903 Mr. Patterson married Della M. Craig and they celebrated their 50th wedding anniversary three years ago last June.

Surviving besides the widow are one son, Charles, two grandsons, Jack of Adrian and Larry, a student at Eastern Michigan College, one great grandson, Ricky Patterson and several nieces and nephews. Mr. Patterson was a member of the Olde De Spelder Presbyterian Church near his home and also a long time member of both the Tecumseh Grange and the Lenawee Pomona Grange. Burial will be in the Ridgeway cemetery.

Funeral Services Held For Mrs. G. E. Wood

Funeral services were held Tuesday at the Green Funeral Home, for Mrs. G. Earl Wood, 79 years old, who passed away at her home on North Pearl St. Saturday at 4:30 p.m. after a long period of ill health. She was born in Hillsdale Dec. 17, 1877, the daughter, May, of Richard and Martha Barnard Lambert. She married Mr. Wood in Hillsdale May 19, 1903.

Mrs. Wood was a member of the Hillsdale Presbyterian Church. The family lived in Tecumseh from 1918 to 1925 when Mr. Wood operated a butcher shop. They returned to Tecumseh to live eight years ago.

Survivors are, beside her husband, a daughter, Mrs. Sam Lawrence of Tecumseh; a son, Richard E. Wood of Jackson; two grandchildren, Barbara and Joyce Wood, and a nephew, Louis H. Flynn of Albany, N.Y. She was preceded in death by her parents, two sisters, Mrs. Lulu Scheick and Mrs. Isabella Flynn and a brother, R. Fred Lambert.

Rev. B. O. Bashore officiated for the services. Burial was in the Lakeview cemetery at Hillsdale. Bearers were William Butler, Clark Goodacre, Roy Puffer, Sr. and James Osborne all of Tecumseh.

John Chapin Spoke To Club

The Men's Club of St. Peters Church held their January meeting Thursday, Jan. 24, in the Parish House with about 15 members present. Mr. John Chapin, editor of the "Record," the Diocese of Michigan paper, was the speaker of the evening. Refreshments were served after the meeting.

Central PTA Had Panel Discussion Thurs.

One hundred members attended the Thursday, January 24th Central PTA meeting in the Central School Gymnasium. Mr. James McDowell gave a factual and enlightening talk on the need of additional school facilities in Tecumser and the district recently annexed. Mr. McDowell supplemented his talk with the use of slides. He pointed out that the tax figure would be less than it had been with our former building programs.

A panel discussion was held with James McDowell as moderator, Roland Boyer, William Damon, George Green, Earl Kreuger and Earl Green and others. Many questions were cleared up in the minds of the audience.

Refreshments were served by Mrs. Donald Geringer and her committee at the close of the meeting.

Ad Executive Sees Reader Loyalty To Papers Still Tops

Newspapers—despite the popularity of television and the rebirth of radio are at a record peak of public appreciation and loyalty, according to Ernest A. Jones, president of MacManus, John & Adams, Inc.

Jones, youthful president of the national advertising agency, spoke to members of the Michigan Press Association, opening their eighty-ninth annual convention at Michigan State University. The publishers of the Herald attended the convention.

Quoting motivational studies of newspaper reading, Jones said that the printed word appears to have a special authority lacking in other forms of communication.

"The fact that a newspaper is printed enhances all its social and moral functions for its audience, the researchers find", Jones reported. "This accounts for the widespread reliance people place upon it.

"This authority, the researchers say, is by no means confined to news or editorial columns. It spreads to all areas of the paper, the feature page, the sports and society pages and to the advertisements."

F.H.A. Held January Meeting

"Back Home In My Own Country" was the theme of the January twenty-fourth meeting of the Tecumseh Future Homemakers of America. During the business meeting, Lois Baker was chosen the student of the month.

The guest speaker was Mrs. Hamilton from Adrian who spoke on Greece. She told about common everyday life in the village where she was raised. Later she showed examples of handiwork her family made and sent to her.

Refreshments were served and everyone reported an enjoyable evening.

F.H.A. Reporter,
Mary Wojtowicz

Local Jaycees Honored Bosses Thursday Night

The Tecumseh Junior Chamber of Commerce members entertained their bosses or guests Thursday night at the regular monthly meeting. Don Brazee gave the invocation after which the dinner was served by the Eagles Auxiliary.

After dinner, the business meeting was held with president Merlyn Downing presiding. Committee and officer's reports were given by the following: secretary's report, Tom Corkery; treasurer's report, Joe Conway; Christmas Tree sales report, Mac McCluskey; youth activities report, John Hamilton; scout activities report, Bob Laidlaw and the minstrel show report, by Preston Caswell.

It was reported that Jaycee sponsored Boy Scout troop 4 is in top shape. They have moved to the Sage Building into the former Chamber of Commerce rooms. John Twiss, troop leader, reported that there were 23 members now with 7 new ones. The scrap drive was reported to be very successful with approximately 12 tons collected. Mr. Twiss stated that the whole town gave excellent cooperation to scout activities.

The Minstrel has been postponed to March 22 and 23 because of conflicting activities on the previously planned nights. See page on for award presentations.

The speaker of the evening was Herb Auer, past president of the Michigan Jaycees. Mr. Auer was introduced by William Davenport. He said that the Jaycees were organied to do civic work in the community. However, he also emphasized that Jaycee activities also reach to the State and National level. The next meeting is February 28.

RIDGEWAY

Elmer Linn
Correspondent

Elmer Linn

Mrs. Leslie Mark was an Ann Arbor visitor Monday.

Nancy Marks is quite ill with measles.

Mr. and Mrs. Clifford Southard were recent Detroit visitors.

Miss Florine Linn spent the weekend in New Boston.

Mr. and Mrs. Walter Towler of Saline were guests Sunday of her father, Herbert Bishop.

Mr. and Mrs. Loren Avery and family and Mrs. Milan Avery visited friends in Ann Arbor Sunday.

Mrs. Mary Pate of Adrian spent Friday in Ridgeway.

Remember the donation turkey dinner at the Methodist church this week Thursday, Jan. 3.

Mr. and Mrs. Joseph Exelby and family of Ann Arbor were Sunday dinner guests of his father and mother, Mr. and Mrs. Everett Exelby.

Milburn Baker called in Clinton on business Saturday.

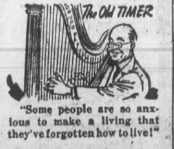
Mr. and Mrs. J. O. Strong of Melvindale spent the weekend in town.

Mrs. Daisy Harrison of Saline was a guest Sunday of Mr. and Mrs. Elmer Linn.

Mr. and Mrs. Arthur Denton left Saturday night for a trip to Kentucky.

The Nazarene N.Y.P.S. will hold a revival in the church January 31 through February 3rd. Everyone is invited.

Mr. Robert Welker and daughters of Perrysburg called Sunday on Mr. and Mrs. Will Fletcher.



"Some people are so anxious to make a living that they've forgotten how to live!"

Announcements OF CHURCH ACTIVITIES

SUNDAY, FEBRUARY 3 — Methodist Senior Youth Fellowship sledding party in the Irish Hills. Meet at the church at 2:45 p.m. Refreshments at the home of Kay and Faye McClure.

Indians Defeated By Hillsdale 62 - 50

By John Barton

Despite determined play, the Tecumseh Indians lost to Hillsdale Friday night by the score of 62-50. Coach Lawson said that it was one of the greatest efforts he had ever seen. This left the Hillsdale Hornets in undisputed first place in the Southeastern Conference.

The Indians were hampered in the scoring department by the loss of Ken Miller and Bill Hansen. They were among the students suspended for a week from school. Miller was the top scorer on the team with a total of 167 points. He was also top scorer in the league with a total of 99 points in league play. Hansen was second in team scoring with 117 points. He was in fourth place in the league with his total of 47 points.

Starting for Tecumseh Friday night were Bruce McDowell, John Elliott, Larry Yoakum, Bob O'Neill and Ray Larned. These five played the entire game until the fourth quarter when the tactics of Hillsdale's Greiling paid off. He managed to practically single handed foul out three of the five Indians.

The Indians took off in the first quarter with O'Neill putting in three field goals and two free throws. Other tallies were a free throw for Elliott, a field goal for McDowell and a free throw for Larned. Granger for Hillsdale hit three. Doug Foulke hit one and Greiling two foul shots. The Indians led 12-10 at the end of the first quarter.

In the second quarter, John Elliott found his spot and hit for six goals and two free throws. Yoakum played hard and tallied seven points. He was in there every minute. Hillsdale's Dick Davis was poison from the corner slot. He sank four beauties from the same spot. Greiling again gained by two foul shots. The score at half time was Tecumseh 36 to Hillsdale's 21.

Tecumseh fans were jubilant. The return from halftime however brought a worst turn. Foulke, Savis and Granger all hit for eight each in the third. The Indians luck seemed to run out. By the end of the third quarter, they trailed by one point. The score was 45-44 in favor of Hillsdale.

The Indians, undiscouraged, tried in vain to hit the basket in the fourth quarter. They could gain only 6 points, Granger, from his station under the basket, was slipping them in. Foulke also contributed for Hillsdale by fouling three Indians out. The final score was 62-50 in favor of Hillsdale.

High man for Tecumseh was Elliott with 18. Granger was high for Hillsdale with 25.

The J.V.'s played a good game but also lost by the score of 49-38.

High point man for the J.V. game was Richard Stephenson who scored 12 for Tecumseh.

Game Postponed

The game scheduled with Addison Saturday night has been postponed until February 9. It is at Addison.

Elected Pub. Director

James H. Bowser, son of Mr. and Mrs. Arthur H. Bowser of 1351 W. Monroe Road, has been elected publicity director of the "A" club at Albion College.

He is a sophomore at Adrian.

Britton Ties For First Place By Defeating Ida

By Frank Prohaska

A capacity crowd was on hand for the biggest Tri-County game of the season to see Britton edge Ida, 54-52. The Tories are now in a 3 way tie for 1st place with Waldron and Ida. They are now rated 7th in the state in Class D.

The Tories held the two top Ida players, Tom Monahan and Chuck Torpey to 12 points and 14 points respectively. Britton's main asset was Jack McClue who tipped in most of his 17 points for the nights scoring honors.

In the first half, Britton outscored Ida 24 to 20. In the 3rd stanza, Britton lengthened its lead 41-32. But the last period was a different story. Ida, with only 2 minutes left to play, came within 2 points of Britton when the game ending buzzer sounded, giving Britton a 54-52 victory.

The young Blue Streaks downed the Little Tories 41-28 in the preliminary contest.

Score by quarters:

Britton	18	7	17	13	54
Ida	10	10	12	20	52

New Training Method On TV

Elmer Eberhardt, local insurance agent announces that the Aetna Drivotrainer with an important message will appear on the Alcoa Hour, Sunday night, February 3 on channel 4 at 9 p.m.

The Drivotrainer is a new method teaching driver training, and the program should prove interesting.

Say you saw it in The Herald.

"OPERATION SKYLIGHT"

Now that he's retired, it's probably alright for Rear Admiral Delmar S. Fahrney to talk about them "even though the Air Force says flying saucers don't exist." The Admiral, considered "the father of guided missiles" has just formed the National Investigation Committee on Aerial Phenomena in hopes of solving the flying saucer mystery through nationwide observation and reporting.

Admiral Fahrney admits he's never seen a saucer, but has talked to men who have. "If we're being watched by people from outer space," he says, "we ought to know about it." He's sure these flying objects that have been tracked by radar at 12,000 to 20,000 mph are unearthly—because of the speed and because if earth-men had made them, one would have cracked up and fallen to earth by now.

You can be a sustaining, regular or associate member of NICAP at graduated annual dues, and report on the saucers you see. Gen. Albert C. Wedemeyer, USA (Ret) will evaluate your reports. You get a magazine too. But, don't laugh. These gentlemen are not kidding.

☆ ☆ ☆

CHRISTIANITY VS. THE WELFARE STATE

Thurman Sensing, of the Southern States Industrial Council, makes this important observation: "The thinking of many people seems to have been misled in recent years by the fallacious belief that the philosophies of Christianity and the welfare state are one and the same . . . The fact is that they are just the opposite.

"Under Christianity, a man must work out his own salvation, the individual is supreme. Under the welfare state, a man's needs are taken care of through the planned economy of a bureaucratic government, the state is supreme."

It should be added that when the supreme state reaches its extreme and logical development—as under communism—Christianity is always one of the objects of oppression and destruction, and the care the individual gets is at the subsistence level only. Under the welfare state the bureaucrats are the only ones who get the gravy.

INCOME TAX FACTS No. 2

Selecting the Correct Form Saves Tax Dollars

(This is one of a series of articles on federal income tax filing. These articles are based on information provided by the American Institute of Accountants, and the Michigan Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

The government gives you the alternative of using the simplfied income tax form 1040-A, the "short form" 1040, or the "long form" 1040, depending on the amount and circumstances of your income. Selection of the wrong form may cost you unnecessary tax dollars.

The easiest form to file is the 1040-A, and according to Treasury records, one out of four taxpayers use it. To be eligible to file a 1040-A form your total income must be less than $5,000, consisting entirely of wages subject to withholding (or of wages, dividends, and interest, providing not more than $100 of such income came from a source outside that listed on your W-2 slips). The simplified form makes no provision for "Head of Household" status or itemized deductions. If you use this form the government will figure your tax and send you either a refund or a bill, if you so desire. However, for the first time this year, you can compute your own tax on form 1040-A and either send in the balance due with the return or show thereon the amount of refund you have coming.

Whether to Itemize

Should you decide to use the regular form 1040 you still have the choice of itemizing deductions or using a standard deduction which amounts to about 10 percent of your income. If your income was less than $5,000 and you use the standard deduction, you determine your tax from the special table given in the instruction book.

You are likely to save by itemizing if you:

(1) Own real estate
(2) Had unusual medical expenses
(3) Had deductible child-care expense
(4) Suffered losses from fire, storm, accident or theft
(5) Made fairly large contributions

It is important to remember that if you incur such expenses as transportation, meals or lodging in connection with your work, check carefully the instruction book to find how these expenses may be deducted even though you decide to use the standard deduction.

If your deductions are close to 10 percent, it is wise to itemize them and figure your tax both ways to see which results in the smaller tax. As the Treasury Department has pointed out: "The law expects you to pay your correct tax—no more—no less."

Married Couples

Most married couples save tax dollars by filing a joint return instead of separate returns. This is because the tax is figured on a joint return as if the husband and wife each had one-half the total income (even though the wife may actually have had no income). Income-splitting, as it is called, may bring the couple down into a lower tax bracket.

Watch for the exceptions, however. If you had capital losses or unusually high medical expenses, you will be wise to figure both jointly and separately to see which results in less tax.

If you are supporting a dependent and maintain a home for that person although you are single, widowed, divorced or legally separated, you may be able to qualify as a "head of household," and figure your tax on a special table which gives you part of the advantage enjoyed by married couples filing joint returns.

Surviving Spouse

Also, if your husband or wife died in 1954 or 1955, and you have as a member of your household a dependent child or stepchild, you are entitled as a "surviving spouse" to the same income-splitting benefits this year as you would have on a joint return—unless you remarried before the end of 1956. The privilege to file as a surviving spouse applies to the first two years following the year in which your husband or wife died.

The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service urges you to consult a properly qualified advisor if you decide to seek outside help.

R. E. Williamson Participated In Naval Exercise

Navy Lt. (jg) Richard E. Williamson, son of Leon P. Williamson of 412 W. Chicago Blvd., Tecumseh, Mich., and husband of the former Miss Gervaise Mull of Adrian, Mich., attached to Commander Transport Division 32, participated in "Operation Ski-Jump," the year's biggest Pacific naval training exercise which ended January 25.

More than 20,000 Navy men and 30,000 Marines took part in the 18-day maneuver, the sea phase of which ended with an amphibious assault landing at Camp Pendleton, Calif., Jan. 17. Marine troops maneuvered ashore until Jan. 23.

The exercise was based on a simulated situation in which southern California had been invaded and conquered by an aggressor nation.

Realty Views

Dear Frank:

You mentioned the decision to sell your home was not a routine conclusion, and that it might require "special handling".

Believe me Frank, the "unusual is usual" with us. We thrive on solving special problems in connection with buying or selling real estate.

For example, within our experience, an owner explained a special selling situation to us. He had reached retirement age and wanted to sell his home. He had other substantial assets, but insisted on at least one-half in cash. He wanted the cash so that his estate would be "liquid". On the other hand, he was in no hurry. He wanted us to find the right man. One who would be proud to carry on in his footsteps.

After a few months, the right party appeared. However, he couldn't buy until he sold his own holdings. He was eager to go ahead, but couldn't afford to own both properties at once. So an agreement, with generous time limits, was drawn subject to the buyer becoming "liquid". In due course, his holdings were sold. Both the buyer and the seller thanked us for solving their "special problem".

So, Frank, don't hesitate to ask us to help you. We can solve your special real estate problem too!

Sincerely,
Glenn.

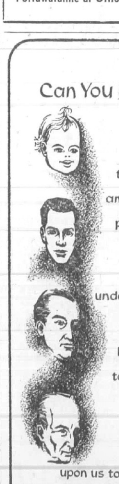
Can You Inherit Tuberculosis?



No, this false belief stems from the high incidence of the disease among the children of tuberculous parents. Pulmonary tuberculosis, the most prevalent reinfection type, seldom occurs in children under ten years of age; beyond that age its incidence rises sharply.

It is much easier to prevent than to cure many infectious diseases. See your doctor regularly. He knows what must be done to insure protection. Depend upon us to fill your prescriptions promptly.

EARLY FILES

(Continued from Page 2)

[illegible] James Murphy, a daughter.

Eliza Jane Zeluff of Britton was 80 years old January 24.

Mrs. A. E. Keran was kicked by a cow and suffered a fractured hip.

Cecil Clark of Tecumseh and Edmund Arnold of Chicago were married in Toledo January 27.

Wesley Pennington of Macon celebrated his 77th birthday Friday.

Mr. and Mrs. Mitchell of Sand Creek have purchased the McCoy property on South Pearl St.

The West Branch School is closing on account of scarlet fever.

1937

Dr. H. H. Hammel, late Tuesday evening, was ordered to report immediately at Jefferson Barracks, Missouri, for active duty with the Regular Army, on flood relief.

Tecumseh contributed nearly 20 per cent of the money sent by Lenawee County through the American Red Cross for the relief of flood victims.

A local celebration in observance of the centennial of the John Deere Implement Co. will be held Feb. 11, was announced by F. S. Whelan, of the H. E. Whelan Co.

The Tecumseh Herald has been notified of its election to the Half Century Club of the American Press of New York City, and a certificate has been issued by the American Press.

Tecumseh Grange will meet this evening to burn the notes on the Grange Hall. Each member is to bring a stick of wood for the fire. Dr. and Mrs. P. B. Hardy will show moving pictures of the Mississippi River and the Panama Canal.

J. N. Satterthwaite has among his varied collection, an invitation to a New Year's Ball held in Tecumseh January 1, 1835. The managers were G. W. Gilbert, G. W. Ketcham, G. W. Clark, S. F. Spafford, S. Holloway and M. Hoag.

1947

George Lewis and Elizabeth Bowen were married January 4, at LaGrange, Indiana.

Robert French, president of the Jaycees, has been notified by the U. S. Junior Chamber of Commerce that the application for affiliation with that organization has been approved and that the charter will be forwarded for presentation Feb. 19.

Field and Stream

Michigan sewed up a new forest fire record for itself during 1956, when 702 fires burned an all-time low of 3,420 acres.

The record is particularly significant in view of the high-hazard summer and fall seasons that marked the year.

Smokers can be particularly proud of their part in the record. An all-time low of 211 fires were reported started by persons using tobacco in the woods. Only one other year in the last three decades have smokers been responsible for less than at least 300 fires per year. During 1932, they were guilty of 2340 fires.

Persons who burned debris caused the most fires, a total of 229. Railroads started 54, campfires started 30, incendiaries started 30, lightning started 11 and five began at lumbering operations. Also, 132 started from miscellaneous causes.

The previous record low loss was in 1954, when 3986 acres were damaged in 1,019 fires.

☆ ☆ ☆

A Michigan rainbow trout, wearing tag number 22999, holds the record for the longest journey to date for any fish recovered from the 29,000 'bows planted by Conservation Department fish workers in 1955.

No. 22999, planted in May, 1955 in Pendill's Creek, Chippewa county, was caught in November, 1956, in the Brule River, on the Michigan-Wisconsin boundary in Iron county. The 'bow had traveled at least 370 miles by water from the point of release.

During its 18 months of travel, the rainbow grew from an eight-inch, 2½-ounce youngster to a 20½-inch three-pounder.

☆ ☆ ☆

Corn borers or wigglers are fine bait for catching bluegills and perch through the ice, but it's a good idea to take along some light-colored artificial flies.

So states an article on ice fishing in the January-February issue of "Michigan Conservation," the Conservation Department's bimonthly magazine.

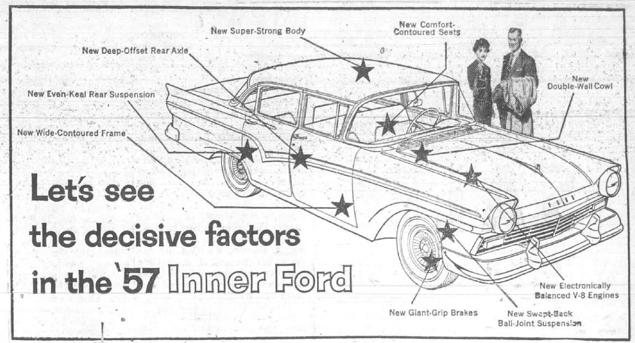
Cha-Cha-Cha Now On Screen

Said to be the whole, exciting story of how America's newest dance rhythm was born, out of the Cuban jungles and onto the screen, Columbia Pictures' "Cha-Cha-Cha Boom!" opens Sunday at the Strand Theatre. Many of the top-rated interpreters of the Latin American dance rhythm are to be seen and heard in the film which was brought to the screen by the producers of its popular musical predecessor, "Rock Around the Clock."

Perez Prado, King of the Mambo, and his orchestra, heads the star cast which includes the Mary Kaye Trio (Judd Conlin Group), Helen Grayco (Hal Mooney Orchestra), and Luis Arcaraz and his orchestra, featuring Lucerto Barcenas, and Manny Lopez and his orchestra. Steve Dunne, Alix Talton and Jose Gonzales Gonzales are featured in the acting roles in the film with Sylvia Lewis and Dante DePaulo, who also dance in the picture, Charles Evans and Howard Wright.

Success is the total of many little things well done.

It's a fact that carelessness adds to the cares of life.



New Super-Strong Body
New Comfort-Contoured Seats
New Deep-Offset Rear Axle
New Even-Keel Rear Suspension
New Double-Wall Cowl
New Wide-Contoured Frame
New Giant-Grip Brakes
New Swept-Back Ball-Joint Suspension
New Electronically Balanced V-8 Engines

Let's see the decisive factors in the '57 Inner Ford

They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!

The secret of Ford's nationwide success is this: it's a new *kind* of Ford . . . new from the wheels up . . . more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious rock-solid unit.

If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the liveliest car in the low-price field is the completely new Ford. For the decisive facts see your Ford Dealer.

This Custom 300 Fordor Sedan has the Mark of Tomorrow at the low Ford price

News From Local Grade Schools

PATTERSON NEWS

Kindergarten—Mrs. Updike

At last—our real work books! That is what we call them, too, because we hear the bigger children talking about theirs. The first time we had a glimpse of them Mrs. Updike let us look all through them, taking our own time. We each put our name in the little box made for them and we have a special place on our shelf where we keep them.

We have started some large number pages, too. Mrs. Updike often tells us what a fine first grade we are going to be. Our bulbs that we planted a long time and hid in a dark cupboard in the kitchen have finally grown We took one planted in a duck jar to our new friends, the kindergarten now in our library. We liked it the best, too, so we were especially happy to give it to them. We changed one of our east windows into a Green House and we wish we could have a trip to a real one. Perhaps when spring comes we can enlist enough mothers with cars to take us.

We have a club—a real one—called the "Good Citizenship Club". We meet every Monday and wear special pins. We know many things that a good citizen should do and we are trying hard to remember. We leave our pins at school after our meeting because we know they would be so easy to forget if we wore them home.

First Grade—Mrs. Buttolph

We have been very busy getting ready to fill the big show case in the front hall. We have our First grade room made out of a large heart and in the heart doorway is Mrs. Buttolph made of pipe cleaners dressed in fancy lace dollies. In our open windows we have heart faced children watching valentine children coming up the sidewalk that is made of valentine candy. For trees in our yard we used twigs that we made blossom hearts. Oh, yes, we must not forget to tell you that all around our room we each made a big floating heart sending our love to all who come to view the case.

Fourth Grade—Mrs. Colson

John Caldwell came from Alabama last week to join our fourth grade. We have thirty-four children in our room now.

Toni Herrick had a birthday last week. We all enjoyed the treat she brought for us to help her celebrate the day.

Christine Pence and Jeff Noe won the prizes for the best Fair Posters.

Dianne Hock has been having chicken pox. We hope she will be back with us next week.

Fifth Grade—Mrs. Osburn

Michelle Anderson and Susie Whitney were the winners of the P.T.A. Patterson Fair Poster Contest in the fifth grade.

Last Wednesday morning we had a movie about soap carving. In the afternoon we started our soap carving and now have some very good carvings in our display case.

We enjoyed taking our Achievement Tests Thursday.

Thursday afternoon everyone went to the gym for an assembly. Certificates were presented to the members of the Safety Patrol and Service Squad that have completed their duties. The new members were introduced so that the children would know them.

Sixth Grade—Mr. Gillam

Thursday we had an all school assembly in the gymnasium. The Girls Service Squad and the Boys Safety Patrol were awarded their certificates of service. Also, the Patterson P.T.A. Fair Poster Contest winners were announced. In our room Mary Ann Mead and Jape Van Valkenburg won.

Friday, January 6th we are going to the Adrian Roller Rink for an evening of skating.

This week we have been carving ivory soap models. Before attempting to do so we saw a movie on sculpturing. These carvings of animals and faces of people are really quite nice.

CENTRAL NEWS

While snow has been busy rolling and flying on the outside of winter window panes, students and teachers have been just as busy inside! Some of the art and work has been almost as attractive as old Jack Frost's masterpieces, too!

With half of the school year completed, most grades have been busy with achievement tests and the teachers and principals have had the added task of getting the permanent records in order for the office.

The first graders in Mrs. Neitling's room have been watching and admiring the snowflakes as they fall. They found that none were alike and then had the fun of cutting and mounting their own snowflakes.

They are learning how to keep healthy from their new books, Happy Days. The first lessons have been about how to dress in rainy weather.

The children in Miss Luken's first grade room are learning that counting by twos is a little harder—but also fun. They even counted to 100 together one day.

Instead of a story every day during milk time, the children enjoyed the record-story of Peter and the Wolf. It was interesting to listen for the musical instruments that always told when Peter, grandpa, or Peter's animal friends were near. Of course everyone could recognize the mean snarling sound of the old wolf stomping through the forest!

Almost everyone's writing is beginning to look like real first-grade writing and the children look forward to the time when they can write some short-sentence stories of their very own.

The first graders are trying their hand at creating little animals, dishes and trinkets out of plastilene modeling clay. Have you ever seen a red elephant or a green snow-mans. Well I have — in our room 105.

The third graders in Mrs. Schwartz' room made a game to play on rainy recesses. They find they need to be fast in addition and subtraction to win more often.

The boys and girls in Mrs. Whiting's fourth grade are having gym class together for six weeks. They are learning folk dances and have looked forward to this for some time.

They took their Weekly Reader tests last week and found that almost everyone had improved over last fall's test. They have high hopes of doing even better on the final test in the spring.

The fourth grade of Mrs. Callihans liked making the "crazy quilt" they made for the Burd family. This family from their reading book needed more quilts for their trip to the West. The children put the quilt together on their bullein board using black cross-stitches made with crayon.

They have studied about the growing of sugar cane in Louisiana.

Most of these people are enjoying the folk dances in gym class, too.

All of the fourth graders in Mrs. Baily's room have made January calenders and have them posted on the wall. They find it much easier to remember what day it is now.

In science the children are learning about the sun, moon and earth. In reading they are enjoying stories about the "Wonders of Our Times".

One Friday, Mrs. Miller's fourth graders made things out of Mexican pottery clay. Nancy Lewis made a bird bath, Larry Merx made a water carrier, John Belcher made a spear, Carolyn Purple made a bowl, Joan Langham made a tea set and Connie Rumpf made a reading plate.

Walter Zarnock made a sundial for science class and everyone had a chance to see it and they found that it really told time correctly.

In social studies, they are learning about the Dutch people who lived in New Netherland many years ago.

Some children are writing to New York asking for materials and pictures that might be useful to them as they study about New York.

Mr. Sawyer's fifth graders have been learning their fractions. They made fraction charts to help them learn more quickly.

Several interesting book reviews have been given in correlation with their language studies.

A very attractive bulletin board was planned and constructed by Patricia Roe, Charles Squires and Ronald Jones. It was entitled "Winter Sports" and depicted various articles and pictures as the title suggests.

They had fun making maps of the New England States. The maps employed a color key. They are now on display.

On a recent wintry day, Mrs. Westdyke helped them make some beautiful snowflakes which were mounted on blue paper.

Mr. Whites fifth graders had an interesting "show or tell" period which consisted of the following: Chris Kelley showed a shell necklace, Glenn Green, a ball bearing, Josilyn Snook showed a roller skate so the class could see a ball bearing and Christine Solarski showed a book of bearings, a toy doll and a dog.

sweet
(just look)

smooth
(ah, that velvety V8)

sassy
(just drive it)

This is the car that's fresher and friskier from its own special look to the way it takes to the road.

Those words—sweet, smooth and sassy—seem to fit this new Chevy right down to its tubeless tires. In the first place, it *looks* the part. It has a crisp, alert appearance—as trim and functional as an arrow. You can tell that the styling isn't just going along for the ride. It's right in keeping with Chevrolet's own special fresh and frisky ways.

And this is one car that looks as good close up as it does across the street. It's built the way you've come to expect a Chevrolet to be built.

But a Chevy isn't just something that's nice to look at. You'll see what we mean when you sample Chevrolet's cat-quick reflexes and solid way of going. Horsepower options, you know, range up to 245*. Come drive a Chevy!

MACON NEWS

MRS. HAMILTON MOORE
Correspondent

LOCALS

The Goodwill truck will be at the home of Melvin Travis on Friday.

David Handley has received his discharge from the service. He and his wife returned home on Tuesday. They are making their home with his father, Edward Handley, for the present time.

Mr. and Mrs. Clayton Bigelow returned home Wednesday from a few days visiting at White Cloud and Freemont, Michigan.

Mrs. Charles Wheeler and infant returned home last week from the Herrick Memorial Hospital.

The four sons of Mr. and Mrs. Max Skinner have been ill with the chicken pox.

Mr. and Mrs. Herman Mehler and Hallie Jane entertained Mr. and Mrs. Dick Kleinschmidt and family of Ann Arbor Sunday. It was in honor of Mrs. Kleinschmidt's birthday.

Michael Kramer returned home from the Herrick Memorial Hospital where he had his tonsils removed. He is the son of Mr. and Mrs. Virgil Kramer.

The daughters of Mr. and Mrs. Howard Henry are ill with the chicken pox.

Philip Zick has just recovered from a case of chicken-pox.

Mrs. Floyd Lindsley of Clayton (formerly Katherine Van Valkenburg) is a patient in the Herrick Memorial Hospital.

Miss Lenora Jordan of East Lansing spent the weekend with her parents, Mr. and Mrs. Truman Jordan. On Friday she with her mother entertained several friends with Mrs. Gerald Miller of Tecumseh as guest of honor.

Mr. and Mrs. George Osborne celebrated their wedding anniversary Sunday. Mr. and Mrs. Bernard Merritt and family of Milan, Mr. and Mrs. Elton Osborne helped them celebrate.

Macon friends will be happy to know that Mr. and Mrs. Floyd Spence Sr. have returned to Tecumseh to live. For several months they have lived in Cherry Hill.

Mrs. Stewart Niblack of Ypsilanti, (formerly Rosemary Gilmore) entered the Herrick Memorial Hospital Saturday and underwent surgery Sunday afternoon.

Mrs. Harold Amstutz and infant daughter have returned home from the Herrick Memorial Hospital.

Joseph Bock has returned home from the St. Joseph Hospital in Ann Arbor.

—o—

Two important Michigan crops—pigs and wheat—have shown a drop in production this year.

Few Minutes Weekly Makes Records Easy

Farmers have little choice but to keep some kind of adequate records on their business operations. But it can often be done in a few minutes each week.

There are several acceptable methods of keeping farm accounts. No specific system is best, but it can be a simple one.

The income tax book prepared by M.S.U. and distributed by county agricultural agents and many co-operating banks in Michigan will do the job on most farms. It is a general book, and may need some adaption for some specialized farms, but some 30,000 of them are used in Michigan each year.

According to farm economists, here's about what you need for satisfactory farm accounts:

Under receipts and expenses, the dollar amounts, quantities and prices should be included. It is often helpful to include the persons or firms receiving or paying these sums. Depreciation schedules should be kept for income tax and social security benefits. A separate book can be obtained for this. Complete inventories may be included in the depreciation book.

If you keep track of these things, you shouldn't have too much trouble with your income tax statements, nor your social security reports.

—o—

Study Shows That Auto Dealers Prefer Newspaper

Writing in Editor & Publisher, Philip N. Schuyler says: "A new coast-to-coast check of representative automobile dealers shows a continued preference for newspaper advertising. A vast majority of 344 dealers questioned . . . declared they put this local form of advertising ahead of all other media."

An editorial in the same issue of the same magazine refutes the claim that TV is dominant among young people. It cites a factual survey in which 39 per cent of 18 and 19 year olds questioned said newspapers are "hardest to do without," whereas only 18 per cent said the same thing about television.

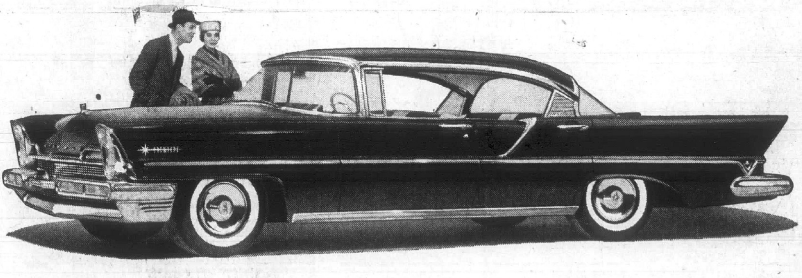
LINCOLN
UNMISTAKABLY . . . THE FINEST IN THE FINE CAR FIELD



In fine car circles the word is getting around . . .
PLACE YOUR LINCOLN ORDER EARLY

Ever since announcement, we've had a waiting list for most models of this superb motor car. And with more and more fine car owners turning to Lincoln every day, we suggest you place *your* order early.

Just as we expected . . . Lincoln history is repeating itself! Right on the heels of our most successful year on record, has come the most tremendous reception to a new Lincoln that we've ever experienced!

Just one look at the long, low, clean Lincoln lines and you can see why more and more fine car buyers are becoming Lincoln owners. From Quadra-Lite Grille to canted rear blades, here is a new *concept* of styling—one that will shape fine car design for years to come.

Inside, you'll find a whole new world of fine car fashion. You *custom-design* your Lincoln—from finest fabrics and leathers.

Behind the wheel, you'll discover the reasons for Lincoln's reputation for being the most *effortless* driving car ever.

With the most complete array of power luxuries in any car—everything you touch turns to power! New, fast-action Turbo-Drive puts Lincoln instantly and smoothly at your command. And the Hydro-Cushioned ride relaxes you like no other car can.

See and drive Lincoln *soon*. The earlier you place your order, the sooner you'll have this superb Lincoln to own and enjoy.

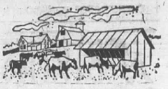
NEWS OF THE FARM



Lenawee Co. Agricultural Agent's Column - - - -

It will pay wool producers to bargain for the highest price they can get for their wool this year, even under the government incentive payment program.

Some farmers, according to Clayton C. Ingerson, Ass't. county agricultural agent Lenawee, think they will get the incentive price of 62 cents per pound no matter what they get for their wool on the open market. This is not true, Ingerson points out.

Payments are based on a percentage of the price received for the wool on the open market, rather than on a flat cents-per-pound rate. So the higher the selling price of the wool, the bigger the incentive payment will be.

Graydon Blank, extension specialist in animal husbandry at Michigan State University, gives this example to demonstrate how the incentive payment is determined.

The U.S. Department of Agriculture says the national average price for wool this year will be about 41 or 42 cents per pound. The difference between this open market price, if it is 42 cents, and the incentive payment price, is 20 cents, or 47 per cent of the price paid on the market for the wool.

If the producer sells his wool for 42 cents, he will add 47 per cent of that figure, 20 cents, to the selling price ,and come up with the incentive price of 62 cents.

However, if he sold his wool for 48 cents, he would add 47 per cent of that price, 22.5 cents, to the selling price of 48 cents, and he would receive a total of 70.5 cents for the wool.

On the other hand, if he sold his wool for 35 cents per pound, he would add 47 per cent of that 35 cents to his selling price, and come up with a total of only 51.5 cents per pound for his wool.

Blank suggests using management practices to produce better quality wool that will bring higher market prices.

Local Leader In 4-H Claim Spotlight

Youths in 4-H club work receive many honors, but now it's time to recognize the volunteer adults who make the 4-H program possible, the local leaders.

Three hundred Michigan 4-H leaders will convene on the Michigan State University campus March 2 and 3 at the first annual 4-H Leader-mete. It will be a get-together of local 4-H club leaders from every county in Michigan, explains Russell Mawby, state 4-H club leader.

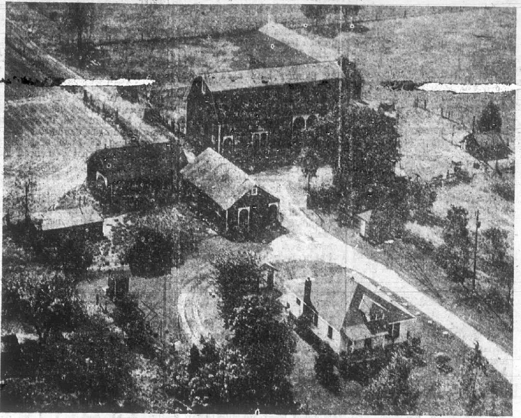
Mawby describes the leadermete as "an old, long-cherished idea coming to reality." It's purpose, he points out, is to give recognition to local leaders, to exchange ideas, to provide discussions on 4-H leadership and to give inspiration to local leaders.

Sponsored by the State 4-H Council, the Cooperative Extension Service and the Michigan 4-H Club Foundation, the two-day session will be attended by two delegates from every county. Counties with larger numbers of loval leaders will send additional delegates.

Held at Kellogg Center on the M.S.U. campus, the leadermete will open Saturday, Mar. 2. That morning will feature idea-swap session and get-acquainted groups. Following the luncheon will be an afternoon of discussion sessions. The evening banquet will be sparked by 4-H talent and a "stem-winding" nationally known speaker.

On Sunday more discussion groups will meet. A summary of the meet will follow the 12:00 dinner when Mawby will point up the highlights of the conference.

"Mystery Farm" Was Wilson Sawyer's



Wilson Sawyer, who lives one mile west of Holloway on the former Spencer farm, was the owner of last week's Mystery Farm. The family has been on the farm for 20 years.

Mr. Sawyer has a daughter Delores Williamson in Manistee, Michigan. He has two grandchildren, Michael 8 years old and Susie 5 years old. His son Gerald died on Saipan November 5, 1944. Mr. Sawyer was remarried in 1952. His first wife passed away. The Sawyer family belongs to the Farm Bureau, and the Holloway Presbyterian Church.

General farming is engaged in on the farm. Livestock includes 25 hogs and 275 chickens. Grain crops include 30 acres of corn, 15 acres of oats, 12-15 acres of hay and 15 acres of wheat. Mr. Sawyer uses 3-12-12 lime base fertilier. He uses Hayden's feed supplement.

In addition to his free aerial photograph from the Herald, Mr. Sawyer has $5.00 worth of free merchandise coming from Easton's Service and Jerry's Market.

Tecumseh FFA Boys Show $6,848 Profit From Projects

The members of the Tecumseh Chapter of the Future Farmer's of America have just completed records of their supervised farming programs for the year 1955-56.

Instructor Paul Burns announces the following results of the projects and wishes to thank the boys' parents for their efforts and cooperation in helping the school give the boys the best possible education in agriculture by providing actual "practice" projects for them.

Thirty-eight boys enrolled in vocational agriculture completed 63 productive projects. A productive project is a business venture for experience and profit which involves a series of small jobs included in one cycle of the project. Each boy enrolled must have at least one productive project for practical experience. This project also helps the boy "grow" into farming. On these 63 projects the boys' expenses were $13,438. Their credits amounted to $20,286 giving them a profit of $6,848. This is an average profit of $178 for each boy.

Of these 63 productive projects there were: 7 soybean projects totaling 41 acres and having an average yield of 49 bu. per acre; 2 oat projects, 6 acres, average yield 40 bu. per acre; 6 wheat proects, 28 acres average yield 31 bu. per acre; 1 poultry project, 50 birds; 12 hog projects, 146 hogs; 2 sheep projects, 8 sheep; 2 steer projects 2 steers; 8 dairy projects 10 cows; 2 alfalfa projects 8 acres; 1 bee project 12 hives; 2 tomato projects 2 acres; 2 veal projects 2 calves; 1 beef breeding 5 cows; 1 goat project 1 goat; 1 rye project 2.5 acres.

The students averaged 1.66 productive projects each, two projects is recommended for the entire department. The recommendation is to have freshmen have 1 project, sophomores 2, juniors 3, and seniors 4 projects. After completing 4 years of agriculture, it is hoped that the boys will be ready to start farming with their parents with some definite agreement formed.

The 38 students also completed 92 improvement projects averaging 2.4 per boy. An improvement project is one which increases the real-estate value of the farm or the efficiency of the farm business. Some examples are: building a corn crib, remodeling the home, or tiling a field. These projects are usually owned by the boys' parents. They give the boy experience on some big operation on the farm.

The F. F. A. boys also completed an average of 13 supplementary farm practices. These are small farm jobs which the boy does for additional skill outside of a productive or improvement project. Some examples are: dehorning, testing soil or milk, or selecting a certified seed.

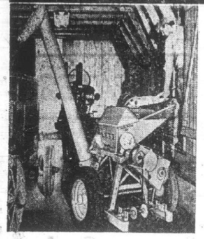
Potatoes grow the size of watermelons in Ethiopia.

Use a LETZ Model 220X
SAVE HALF THE WORK AND TIME



FASTER • EASIER • MORE VERSATILE • MORE PROFITABLE

Compact design, *in all three sizes,* enables you to grind feed in most crib or granary driveways with truck, wagon, or sacks alongside the grinder.

Handle feed directly from crib or bin. *Save half your work.* No unnecessary handling. For cows, steers, hogs, lambs, or poultry, these new Letz grinders deliver the degree of preparation authorities say is the most profitable for each class. *Get away from dust around the mill and in the feed.*

One look at this new Letz Portable PTO grinder, and you'll see how *practical* it is. Take it to the feed—in any weather. No belt to buy, maintain, or fuss with.

These new grinders are long on versatile, profitable performance, low in price, but up in value. Ask your John Deere dealer for a demonstration. Let your livestock show their preference for Letz-ground feed.

Cultivation Is Necessary For Weed Kill

Chemical weed control will help farmers do a more efficient and economical job than in the past but they will still have to cultivate.

Milt Erdmann, Michigan State University farm crops specialist, explained a weed control program to farmers at a farm crops meeting at the Farmers' Week program on the M.S.U. campus.

Clean seed, minimum seed bed preparation, good cultivation practices for row crops, and even the hoeing of weeds to keep them from going to seed are important parts of a weed control program, Erdmann told farmers.

For chemical weed control in row crops, Erdmann recommends the following applications: corn—2,4-D ester at one pound per acre. Field beans and soybeans—dinitro at 3-4 pounds per acre. Sugar beets—TCA at 8-10 pounds per acre (for annual grassy weeds). Potatoes—dinitro at 3-4 pounds per acre or 2,4-D ester at one pound per acre.

All of these chemicals should be applied as pre-emergence sprays.

For oats and barley with no forage seeding, apply 2,4-D amine at 1/4 to 3/8 pound per acre or MCP at 3/8 to 1/2 pound per acre, when the grain is 4-8 inches tall. Use the same spray in the spring for wheat and barley.

For alfalfa seeded in oats or barley, suray with MCP at 3/8 pound per acre when the grain is 6-8 inches tall.

New Farmall Line To Be Introduced February 2nd

The new 1957 line of Farmall and International tractors will be introduced during a special program and showing at Tecumseh Farm Equipment in Tecumseh February 2. Free pancakes and coffee will be served from 10 a.m. to 3 p.m.

The '57 line of tractors, finished i na new two-tone red and white, have new model designations, and more power in most models. Tractors in the Farmall line include the Farmall Cub, Farmall 130, Farmall 230, Farmall 350 and Farmall 450. International Cub Lo-Boy, International 130, International 350, International Utility, International W-450, and International 650 make up the International wheel tractor line.

Al Merz says the many new features that go with these tractors are designed to put power to better use and greatly increase operating efficiency. In addition to increased horsepower, there's more precision control of hydraulically operated implements, power adjusted rear wheels, and a new and revolutionary Fast-Hitch with Traction Control.

Mr. Merz points out that, as on earlier models, features such as Torque Amplifier, independent power take-off, and power steering are available on the '57 tractors as well as many new ones. He offers a free demonstration of IH tractors and equipment for anyone who wants one.

PYTHIAN SISTERS

The Pythian Sisters of Tipton met in regular session last Wednesday night followed by Installation ceremonies. The Grand Chief made this her official visit. Eunice Roe assisted by Gwendolyn Linger, as Grand Senior and Vera Driffill, as Grand Manager and the staff installed the following officers: Past Chief, Audette Vollmer; Most Excellent Chief, Lela Linger; Senior, Alice Platt; Junior, Bertha Luce; Manager, Margaret R[illegible] Secretary, Bess Mattis; Treasurer, Choyce Wiflnow; Protector. Ilean Mukensturm; Guard, Velma Mohr; Pianist, Gwendolyn Linger.

The officers were presented with flowers by Barbara Linger and Darrell Beal, grandchildren of the Most Excellent Chief. Linda Whelan and Sharon McMichael, accompanied by Grace Simmons sang "My Wild Irish Rose". Bette Coopper was pianist for the evening. Those present from away were: Grand Chief, Dorothy Wischer and husband from Marshall; Grand Manager, Gladys Wanty and husband of Milan; Past Grand Chief, Maude Steidel and Mrs. Mae Fulcher of Milan, Mr. and Mrs. Papineau of Detroit and other visitors from Adrian, Tecumseh and Tipton. Lunch was served after the Installation. The tables were decorated in Pythian colors and a beautifully decorated cake centered the buffet table.

LOCALS

There will be a Family Night Fellowship supper followed by a vesper service next Sunday night in the church basement. Each family will bring table service, buttered rolls and either a salad, cake, or jello.

The Ladies Aid are serving a turkey supper next Wednesday for the public at the church. Serving at 5:30.

The benefit polio dance sponsored by the Pythians Saturday night was well attended. The Mothers March is Thursday evening and the solicitors are Eunice Roe, Jeannette LaFerriere, Irma Williams and Wanda Hardy.

Mr. and Mrs. Don Hammill were in Monroe Sunday afternoon. Raynor Hammill spent the day with Jerry Munger and Sharon Hammill at the Rev. Holly's.

Mr. and Mrs. Howard Evans were in Jackson Thursday and Friday attending the State Drain Commissioners Convention.

Mr. and Mrs. Richard Platt and children had as weekend guests the latters sister and husband, Mr. and Mrs. Alvin Ingrehem of Rockford.

Mr. and Mrs. Lamont Simmons were in Monroe Sunday and Monday attending the District Rotarians meeting.

Mr. and Mrs. Lyle Whelan with Mr. and Mrs. Edgar Randall of Manchester were weekend guests of their sister and husband, Mr. and Mrs. Homer Culver of Coldwater.

Mrs. Donald Whelan held a toboggan party for her Sunday school class Saturday afternoon.

Miss Merredith Munger spent the weekend with Miss Jean Hohenstein in Tecumseh.

Mr. and Mrs. Ray Stockinger and Debbie were weekend guests at the home of the latters sister and husband, Mr. and Mrs. Raymon Alver of Michigan Center.

Mr. and Mrs. Wayne Jackson and sons spent Sunday at Palmyra with the latters parents, Mr. and Mrs. E. W. Wellnitz.

Mrs. Fanny Jackson had as Sunday dinner guests Mr. and Mrs. Ray Tuckerman of Cement City and Mr. and Mrs. John Becker and children.

Fifteen girls and boys came to help Paul Fisher celebrate his ninth birthday anniversary Saturday. Games were played and Paul opened many lovely gifts. Mrs. Fisher served refreshments.

Mr. and Mrs. Fay Luce with Mr. and Mrs. Wallace Wilkins and children spent Sunday in Temperance with Mr. and Mrs. James Ladd and family.

Holloway

Mrs. Marvel Neuman
Correspondent

Mrs. John Gritzmaker returned Monday afternoon from Herrick Memorial Hospital where she had been a patient for a week.

The young people of Raisin Center Friends Church met at the home of superintendent Lowell Shrive on Monday evening. The young people attending were from near by Friends churches. They made plans for the Adrian quarterly meeting. The group is called the Christian Endeavor Union.

Mr. and Mrs. Wilson Sawyer visited Mr. and Mrs. Rolland Reister and family at Evans Lake on Sunday.

Mr. and Mrs. Elwood Grandy of Jackson were overnight guests on Thursday of Mr. and Mrs. John Gritzmaker.

Mrs. Elwyn Green entertained at a birthday dinner on Sunday for her sister Jean and family. Guests were Mr. and Mrs. Joe Glenn of Wayne and Mrs. Green's parents Mr. and Mrs. Kenneth Kopka of Holloway.

Mr. and Mrs. L. A. Gallaway had as Sunday dinner guests Mr. and Mrs. Milo Bishop of Tipton. On Sunday afternoon they all visited Mr. and Mrs. Earl Wilkinson of Silica, Ohio.

Mr. and Mrs. George Henry had supper guests on Sunday Mr. and Mrs. Melvin Henry and family of Britton.

Mr. and Mrs. Kenneth Kopka spent a few days with their daughter and family Mr. and Mrs. Joe Glenn of Wayne.

The Main St. Extension Club will meet with Mrs. Joseph Studnicka on Thursday evening Feb. 7 at 7:30 p.m., the lesson is on Gopper Tooling.

The South Holloway Extension Club met last week on Tuesday evening with Mrs. James Mitchell.

Mr. and Mrs. Richard Mitchell had as Sunday dinner guests Mr. and Mrs. Melvin Mitchell and Mr. and Mrs. Ronald Zimmer and son of Toledo.

Mr. and Mrs. Earl Bennington are expecting their daughter Jill of Eastern Michigan College, Ypsilanti to arrive home on Monday for a week.

Sunday, Jan. 27th, Mr. and Mrs. Ed Mitchell and their daughter Molly, were dinner guests of Mr. and Mrs. Lyle Wheeler of Jackson. Sunday afternoon Mr. and Mrs. Wheeler and Mr. and Mrs. Mitchell and Sally drove to Lansing and visited Mr. and Mrs. Harry Loree, who were honoring their daughter Barbara Marie who was graduated Friday by Lansing High School.

Mr. and Mrs. Max Gritzmaker of East Lansing visited his mother, Mrs. John Gritzmaker on Saturday in Herrick Memorial Hospital.

Raisin Cane 4-H Club will meet on Thursday, February 7th, at 7 p.m. at the Kelly School. Charles and Ann Rebottaro will help serve the refreshments. Members are to bring own drink and cookies. Lesson on Safety in the home with demonstration by John Baker and Marlene DeLisle will be the program.

Mr. and Mrs. Robert Broasmer and family of Deerfield were Sunday callers of Mr. and Mrs. Marshall Drouillard.

Mr. and Mrs. Marshall Drouillard had visitors on Monday afternoon Mr. and Mrs. Harold Miller of Adrian.

Future Home Makers of Tecumseh and their teacher Mrs. Neva Brown, invited Mrs. Maxine Wilt and Mrs. James Baker of Tecumseh, and Mrs. Marvel Neuman of Holloway to take a trip to Detroit to visit the Hudson Department Store on Saturday. The girls saw a teen-age style show, showing the Spring Fashions and also toured the store.

Council Proceedings

CITY OF TECUMSEH
COUNCIL BUILDING
January 21, 1957

Present: Mayor Hanna, Councilmen Brazee, Hamilton, Kelso, Purkey, Schwartz.

Absent: Powell.

Meeting opened with the invocation by Councilman Schwartz.

Minutes of the meeting held January 7, 1957 were read and approved with the following corrections—General Fund disbursements $15,322.77 and Water Operating Maintenance $1,523.24.

Motion Brazee and seconded Hamilton to accept the bond presented by the Jones Hauling Service and the Clerk be authorized to sign the same. Motion carried unanimously.

Motion Kelso and seconded Brazee the bills as follows be allowed and orders drawn up for the same. General Fund $10,547.40; Water Operation and Maintenance Fund $124.51; Water Deposit Fund $5.00; Water Capital Expenditure Fund $18,167.10. Motion carried unanimously.

Motion Purkey and seconded Kelso the City Manager's report be accepted as read and ordered placed on file in the City Office. Motion carried unanimously.

Motion Brazee and seconded Hamilton to rescind the motion made at the January 7th meeting regarding the appointment of supervisor as this did not comply with the City Charter in regards to length of residence in the city. Motion carried unanimously.

Motion Kelso and seconded Brazee to adjourn the meeting. Motion carried unanimously.

Mayor: H. H. Hanna
Clerk: Naomi Sallows

CONSIDERABLE ACTIVITY

There seems to be a considerable amount of activity in the offing with the V.F.W.'s Merchants and Manufacturers show scheduled for February 8-10, the Exchange Club Boxing Show scheduled for March 2nd and the Jaycees Minstrel Show scheduled for March 22 and 23.

☆ ☆ ☆

BRILLIANT ADDRESS

At the recent Michigan Press Association convention, we had the opportunity of hearing an outstanding and brilliant address by Representative Walter Judd of Minnesota. He followed the usually fluent Gov. G. Mennen Williams and on afterthought made him appear somewhat like a schoolboy delivering the Gettysburg address.

Representative Judd spoke on foreign relations with special emphasis on the pattern of Russian imperialism. He said that one of our major problems in the cold war is to prove to the countries in the Middle East and Asia that we can be trusted in spite of our record at Yalta and Pottsdam. His feelings are that they want nothing to do with communism but do not dare put their undivided trust in us for fear that we will let them down. Even a move like inviting Yugoslavia's Tito to the United States weakens the trust of those who would like to trust us and regard us as the bulwark of freedom. Representative Judd also remarked that our biggest allies are the thousands of oppressed behind the iron curtain that know the brutality of Russian imperialism. The brave Hungarians are proving this at the present time.

☆ ☆ ☆

FIRST SIGN

The first robin may be the traditional first sign of spring, but I think the best one is the first high school boy uptown during the noonhour without his jacket.

☆ ☆ ☆

CREDIT DUE

The Scout organization in Tecumseh is something of which to be genuinely proud. It far outshines any other in any city of 6500 population that we know of. The leaders, boys and girls as well as the parents deserve a lot of credit.

Annual Polio Dinner To Be February 17 At Don's Grill

The Annual Polio Dinner is scheduled for February 17 at Don's Grill. All foodstuffs served are donated by local business places and others. Facilities and location are donated by the management at Don's Grill. The restaurant staff has also donated their time to the project.

There is no set price for the meals. However, all receipts will go to the Polio Fund. Last year $2,084.64 was made on the project. It is hoped that a new high can be attained this year. See the Herald next week for more details.

Organization Meeting

The Republican Committee of Tecumseh will have an organizational meeting Thursday at 8 p. m. in the City Council Chambers. All interested Republican workers are urged to attend. Delegates will meet at 7 p.m.

Teachers Institute Is This Friday

Teachers Institute for the Tecumseh schools will be held in Adrian this Friday. The teachers will hear a speaker in the morning and attend divisional meetings in the afternoon. Students are excused from school for the day.

Weekly Newspapers Rapidly Expanding

Weekly newspapers today are the fastest-growing publications in the U.S., Time says in a special report in the current (Feb. 4) issue out this week.

"Metropolitan newsmen who daydream of retiring to a country paper have long viewed weeklies more as a rural retreat than as an influential segment of the press," Time says. "But with the swift growth of suburbs and small towns since World War II, weeklies have largely shed their cracker-barrel ways, developed sophistication and a new sense of mission."

M AND M SHOW BEGINS FRIDAY

Banquet Coming

MR. PHILIP LOVEJOY

Plans are completed for the Rotary Club's Rotary Anns Banquet to be held at the Baptist Church on Tuesday evening, Feb. 12 at 6:30 p.m.

The program will include the invocation by Rev. Blair Bashore, group singing led by Glenn Driscoll and Ralph Comfort; Trouble, Hugh Walters, Blair Bashore; Welcome to Rotary Anns and guests, Jim McDowell; Introduction of Rotary Anns and guests, the Club; Introduction of speaker, Virgil Tucker; address by Mr. Philip Lovejoy.

Mr. Philip Lovejoy, of Evanston, Ill. and Utica, N. Y., an educational administrator and business executive and past general secretary of Rotary International will be the speaker of the evening. He is a speaker of rare ability and has addressed audiences all over the world.

He received his A.B. and A.M. degree from the University of Michigan, honorary L.L.D. Mid-

(Continued on Page 3)

Edward Heilman Was Unanimously Elected Supervisor

Edward Heilman was unaminously elected Supervisor at the Council meeting Monday night to fill the vacancy created by the resignation of John Saling.

Mr. Heilman, who has an interest in Gaston's Jewelry at the present time, came to Tecumseh in 1910. Since that time he has served the public in nearly every capacity. He was Mayor of Tecumseh in 1952. Mr. Heilman was on the City Council for approximately 30 years. Other duties in the past include being City Clerk for a number of years. We are sure the people of Tecumseh wish him well in his latest capacity.

City Council Met For Routine Business Mon.

The Tecumseh City Council met Monday night in the Council Chambers for their regular semi-monthly meeting. Mayor Hanna presided.

Communications were read from Governor Williams and Senator Pat McNamara regarding the recent petition sent in stating that cities and villages should be eligible for surplus materials thus saving the taxpayers money. Both men were in accord with the request and Senator McNamara sent a copy of a bill that he is submitting which, if passed, will make cities and villages eligible for surplus materials.

A letter was read from James Shiels asking for a permit to operate a taxi in Tecumseh. The council decided to look into the situation and have present taxi people with franchises present at the next council meeting to show why they should be renewed.

The City Manager's report was accepted. The building code situation was discussed again at this meeting. It seemed to be the opinion that the present code, which states that all structures must be up to FHA specifications, was adequate.

The draining of down-spouts into city sewers was discussed. Since there is an ordinance preventing the draining of down-spouts into sewers, residents are warned to refrain from this practice.

The names of Bill Powell and Ed Heilman were submitted as candidates for supervisor. Mr. Heilman received the nomination. A unaminious vote was cast for him to fill the vacancy caused by the resignation of John Saling.

Bills amounting to $20,198.58 were paid.

Hospital Auxiliary Will Meet Tuesday February The 12th

At the January meeting of the Hospital Auxiliary, officers for the year 1957 were elected. These officers are: President, Mrs. Robert Fuller; 1st Vice-President, Mrs. Richard D. Coak; 2nd Vice-President, Mrs. Cecile Smith; Corresponding Secretary, Mrs. Robert Mohr; Recording Secretary, Mrs. Harry D. Richards; Treasurer, Mrs. Harold M. Kelso; Assistant Treasurer, Mrs. Sam Sisson; Custodian, Mrs. Clarence Gilman.

The Board of Directors is made up of Mrs. Fuller, Mrs. H. H. Hanna, Mrs. Charles H. Mensing, and Mr. Orrie Gilbert.

The group has fine leaders, all both capable and enthusiastic. Our community is growing, our hospital is growing and so too must our Hospital Auxiliary grow. Big plans are being made. It must be remembered, though, that only when all active members are truly active can success be complete.

Of course, 1957 won't be all work and no play. Auxiliary can be a meeting place for old friends and a springboard for many new and rewarding friendships.

Tuesday, February 12, standing committees for the year will be announced, and plans for the year will be discussed.

Won't you all come and take part?

Scouts Observing Their 47th Birthday Feb. 6-12

The 47th birthday anniversary of the Boy Scouts of America will be observed nationally and locally during Boy Scout Week which started February 6 and will continue until February 12.

It will be celebrated by more than 4,500,000 Cub Scouts, Boy Scouts, Explorers and adult leaders. The theme of the observance will be "Onward for God and My Country". Local Scouts, namely: Explorer Post 47 under the leadership of Royal Welch, Troop 73 under Scoutmaster Howard Wilson Jr., Troop 4 under Scoutmaster John Twiss, Troop 57 under Scoutmaster Al Curtis, Cub Pack 73 under Cubmaster Erwin Richardson and Cub Pack 4 under Cubmaster Dr. Richard Dustin will celebrate the occasion and observe Sunday February 10 as Scout Sunday.

Cub Scout Pack 73 Boy Scout Troop 73, and Explorer Troop 47 will attend services in the Presbyterian church in uniform. Cub Scout Pack 4 will attend services in the Baptist Church. They will meet in the Youth House at 10:45 a.m. and parents are especially invited. Boy Scout Troop No. 4 is invited to attend the Baptist Church services also.

$3500. Is Unpaid On New Athletic Field Bleachers

The total cost of the new bleachers installed on the Athletic Field was $11,000.00. Jack Osborn for the Tecumseh Recreation Board reported to the Herald the total paid to date $7,584.17. This leaves an unpaid balance at 6 percent interest of $3,500.00.

The Tecumseh Recreation Board and I am sure the whole city wishes to thank the following for their help and ask for any and all help from everyone in obtaining the balance needed to pay for the bleachers. A complete list of contributors to date follows: Tecumseh Rebekah Lodge No. 338, $10.00; Ladies Aid Grace Evangelical Lutheran Church, $5.00; Individual gift, $30.00; W.S.C.S. of the Tecumseh Methodist Church, $25; Hall-Slater Auxiliary to Post 4187, $25.00; American Legion Auxiliary $100.00; Business and Professional Women's Club, $500.00; Royal Neighbors, $7.56; Junior Chamber of Commerce, $1000; Women's Association of the Presbyterian Church, $5.00; Tecumseh Grange No. 166, $10.00; Tecumseh Child Study Group, $25.00; Tecumseh Public Schools, $1200; City of Tecumseh, $1200; Community Chest, $1200; Tecumseh Missionary Baptist Church $16.50; The Ladies Auxiliary to the V. F. W. $25.00; the Tecumseh Rotary Club, $1200 and the Tecumseh Exchange Club $1000.00.

New Publication Started This Week By The Herald

The Tecumseh Herald has started a new publication this week called the AD-VANTAGE. It is a free 100 percent area coverage printed shopping guide.

It is designed to give the merchants extremely economical high quality printed blanket advertising coverage in combination with The Tecumseh Herald's large and growing newspaper circulation. Expectations are that it is the first step toward the publication of the Herald more than once a week. However, regardless of changes in publication frequency of the Herald, the AD-VANTAGE will be provided as long as there is a demand for it.

All non commercial classified advertisements running in the Herald will be run free of charge in the AD-VANTAGE. It will be published Thursdays. Look for it.

Ronald Marsh Home Was Completely Gutted Wed.

The Tecumseh Fire Department was called at 10:00 a.m. Wednesday to battle a house fire in Ridgeway south of the four corners across from the Methodist Church. The home, belonging to Ronald Marsh who is employed at aVn's Bakery in Tecumseh, was completely gutted. It is reported that most of the belongings saved were water soaked and burned.

The cause of the fire is unknown. Fire Departments from Britton and

(Continued on Page 6)

Bigger And Better Show Promised

These scenes from the First Merchants and Manufacturers Show in 1955 make a fine preview for the "bigger and better" 1957 show.

Again Friday, Saturday and Sunday, February 8-9-10, 1957, Tecumseh will play host to the Merchants and Manufacturers Show at the Union Hall on Maumee St. The Third Annual Show will feature many wonderful displays of merchandise for the homemaker, the sportsman and the hobbyist.

There will be nothing to buy, except food, but plenty of time to look at the things in which you are most interested.

It will give you an opportunity to see some of the most modern and up to date home furnishings and building ideas as well as some of the new fishing and hunting equipment including the new and improved Myers aluminum boats. Perhaps you will be interested in one of the most complete tropical fish aquariums in Southern Michigan. It is located right here in Tecumseh.

Parking facilities have been greatly improved this year. The Union has graveled the entire lot directly South of the Hall. A snack counter will be available, operated by the Veterans of Foreign Wars Ladies Auxiliary. There will be broadcasting direct from the show and door prizes will be awarded every night.

Exhibitors with booths are: Palman's Furniture and Appliances, Haeussler Wood Products, Delbert E. King Insurance agency, Oyer T. V. Sales and Service, Grinnell Brothers in Adrian, Clinton Woolen Mills, R. Dahlke Custom Wrought Iron, Adrian Cooler, Tecumseh Lumber Company, Blank's Appliances, Leonard and Sons from Jasper, Indian Acres Aquarium, Baldwin's Hardware, Moore Lumber Co., F. [illegible] Insurance, Locke Roofing and Siding Co., Culligan Soft Water Co., Gambles, Meyers Aircraft, Tecumseh Electric, Hodges Drug Store, Weatherseal of Southeastern Mich., Meadowridge Dairy, Singer Sewing Service, Adrian, Elmer W. Eberhardt Insurance, Adrian Federal Savings and Loan, Western Auto, Typewriter Sales and Service Co., Western Auto Associates Store, Des Ermia's Furniture Co. and Alsar Co. of Detroit.

Opening hours for the three days are as follows: Friday 4:00 p.m., Saturday 11:00 a.m., Sunday 1:00 p.m.

The Tecumseh Herald Wants All Your News

The Tecumseh Herald wants and appreciates all of your news. Don't be afaid to contact us and let us know when you have news or releases. We need your help since it is impossible for us to keep up with all the many happenings each week in a City the size of Tecumseh. The Herald will cooperate with publicity chairmen in any way possible. Stop in at the Herald office or call 476 or 733 with your news, locals, announcements, etc.

Homemaker Of Tomorrow

Lois Baker

Lois Baker, daughter of Mr. and Mrs. James Baker of Route 1, Tecumseh, has been named the Betty Crocker Homemaker of Tomorrow in Tecumseh.

She received the highest score in a written examination on homemaking knowledge and aptitude taken in December by graduating girls in Tecumseh High School.

Her examination paper now will be entered in competition with those of 398 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

Each state winner will receive a $1,500 scholarship and an educational trip with her school advisor to Washington, D.C., colonial Williamsburg, Va., and New York City. A $500 scholarship will be awarded the runnerup girls in each state. The school of the state winner receives a set of the Encyclo-

(Continued on Page 6)

City Manager Reported To The Council Monday

City Manager, E. J. Nelson gave his report at the Council Meeting Monday night. He reported that aside from the overabundance of snow, "things are going along pretty good".

Two sampling machines have been ordered to comply with the tests at the disposal plant requested by the State Health Department. The machines, which cost $135 each, will take samples continually over a 24 hour period. This will eliminate any added help needed to carry on the desired program. These machines were far under another machine in cost that was quoted at $2,200.00.

There has been some trouble with the storm water coming down M-52 to Burt Street. The tile is too small north of Burt Street before it enters the 24 inch sewer at the intersection. Thus the water runs over the highway and goes between homes north of Burt St. The situation is to be remedied by installing 100 feet of 24 inch and 180 feet of 21 inch storm sewer going north from Burt Street.

Patterson Home Fair Committees Report Details

Patterson Home Fair committees report further details on plans for the big event on March 2 from 12 noon to 7 p.m. at the Patterson School gym.

Gift ideas in plenty will be offered at the many shops. Mrs. Jane Andrews, chairman of the Linen Booth, has as her committee: Mrs. Margaret Mead, Mrs. Norma Siedel and Mrs. Bonnie Richard. They will have items such as dish towels, doilies, place mats, terry cloth scuffs, pillow cases and many other varieties of linens for the kitchen, bath and general household use.

Mrs. Bonnie Purkey and her assistant, Mrs. Clare Wise, are working with Mrs. Darlene Moore, Mrs. Gertrude Miller, Mrs. Marge Fogelsong, Mrs. Crystal Barber, Mrs. Dorothy Grigg, Mrs. Shirley Herrick, Mrs. Pearl Osburn, Mrs. Betty Powell, Mrs. May Illeck and Mrs. Pat Kennell. This busy group is making many different styles of aprons to add to those which will be donated by other P.T.A. members. There will be mother-daugh-

(Continued on Page 3)

Additions To The High School Are Proposed

This article concludes the description and explaination of eight projects proposed by the Board of Education. Mr. McDowell, Superintendent of Tecumseh Public Schools, says. "The Board of Education is proposing that the present high school be enlarged to meet the needs of the community and eliminate the present overcrowding."

Today there are approximately 861 pupils housed in the high school in grades seven through twelve. A maximum load for the building at 35 pupils per room is 785 and we now average 40 pupils with some classes running as high as 50 pupils. The North Central Association of Secondary Schools and Colleges and the University of Michigan Accrediting Association have both indicated that our status as members of their associations will be in jeopardy unless classes are reduced in size soon. With a predicted enrollment of approximately 900 in the upper four grades by 1962, the Board plans to place the 7th and 8th grades in the Central School as presented in the release last week and to enlarge the high school building so that it will economically house 855 pupils in classes not to exceed 35 per room as recommended by the two associations mentioned above."

"The present cafeteria seats approximately 120 pupils and over 400 pupils eat there daily in a two hour period in badly overcrowded conditions."

"Besides these children who are served hot lunches it is necessary to have between 100 and 120 pupils eat lunches which they bring from home in the gym. This is a poor arrangement but the best we can do at present. Since we now have 861 pupils in the Junior and Senior high it is obvious that it will be impossible to serve some 1300 pupils predicted for 1961. Since the Junior High will be housed only a block from the high school it is more economical to build a new larger cafeteria at the high school particularly since extra classrooms are needed and the present Cafeteria and Kitchen can be converted into two classrooms very easily and economically. A folding door will separate these

(Continued on Page 3)

Hospital Bed 12 Purchased

Tecumseh Herald photo

Mrs. Vern Manwaring, Hospital Equipment Chairman; Mrs. Lavern Seizert, Secretary and Mrs. Almond Curtis, Child Welfare Chairman (from left to right) of the American Legion Auxiliary are show with bed No. 12, the newest thing in equipment made available to residents of Tecumseh and surrounding area by the American Legion Auxillary through the profits from an annual magazine drive.

Besides the twelve hospital beds, three collapsible wheel chairs are available for anyone needing this type of equipment. The Green Funeral Home and the Collins Funeral Home store and handle this equipment for the Auxiliary and any one desiring the use of them, need only call one of these homes to make arrangements. Mrs. Vern Manwaring is the Hospital equipment chairman and is doing a splendid work keeping it in circulation. It is anticipated that perhaps some adjustable aluminum crutches might be purchased with the proceeds from the magazine sale which will be held soon.

The Tecumseh Herald Social News

Local Topics . . . .

Mayor H. H. Hanna has just cause for the pride that keeps his hat from fitting his head properly these days, since he and Mrs. Hanna have been notified of the birth of their first grandson to their daughter and husband, Mr. and Mrs. Richard Griffiths, who reside in Cleveland, Ohio. The baby was named Jeffrey Paul. His mother's name was formerly Betty Jo Hanna. The Hannas have two granddaughters and are happy to welcome this little grandson to the family.

Mrs. John Saling is attending the Presbyterial Board meeting in Jackson this week at the home of Mrs. Harker.

Callers Sunday at the home of Mrs. Carl Burch were Mr. and Mrs. Wayne Alexander of Williamston, Michigan. Mrs. Esther Kirchner and Mrs. Carol Bater along with her son and daughter of Adrian.

Dr. and Mrs. Arthur H. Brown and Mrs. Elizabeth Wing returned last night from Chicago, where Dr. Brown and Mrs. Wing have been attending the Oral Surgery Clinic of the Chicago Dental Society.

Mrs. Lloyd Rhein and Mrs. William Moeller of Clinton are spending a few days in New York City.

Mr. and Mrs. Clyde Bailey were in Ann Arbor Sunday to visit their daughter and family, Mr. and Mrs. Royce Beal.

Mrs. Elmer House, proprietor of Helen's Beauty Shop attended the National Hair Dressers Show at the Sheraton-Cadillac Hotel in Detroit on Sunday. Mr. House accompanied her.

Doris Tressler, daughter of Mrs. Jean Tressler, was released from St. Joseph's Hospital in Ann Arbor last Friday after eleven weeks of medical treatment.

Mr. and Mrs. Vern Manwaring spent Sunday in Ada, Ohio visiting Mrs. Edith Slater.

Mr. and Mrs. Roger Williams entertained with a potluck dinner in their home Saturday evening. The guests were Mr. and Mrs. David Faling and family, and Mr. and Mrs. Donald Purkey and family. The little Purkey girls made valentines during the evening.

Mr. and Mrs. Elmer House and son Stephen have returned from a months trip in Mexico. They spent some time in Mexico City and Acapulco. They also spent a few days with friends in Housten, Texas and Owensboro, Kentucky. Mrs. House reports 90 degree temperatures at Acapulco.

If you have local items call or send them to the Herald Office. We want all your news.

Phillip Surratt was home from the University of Michigan Thursday and the rest of the weekend and a number of his campus friends including Ramon Caro visited in the Surratt home Friday.

The Sunday School Class of Mr. and Mrs. Harold Easton went tobogganing in the Irish Hills Sunday afternoon. 13 members went and then returned to the church for refreshments and the Youth Fellowship in the evening.

Donald Partridge came home from the University of Michigan last weekend for a weeks vacation and returned for reregistration on Monday.

Mr. and Mrs. Leonard Hollingshead were guests in the home of Mr. and Mrs. George Green, Jr. over the weekend.

Among Tecumseh residents attending the Republican Convention in Detroit are Mrs. Charles Howe, Mr. and Mrs. Olile Hanna, Mr. and Mrs. Karl Schneider, Mr. and Mrs. James Beardsley, John Wagner, John Saling and Mr. and Mrs. Jack Shutt. Mrs. Howe and Mrs. Farn Platt will be going down Thursday to set up a headquarters. The Convention will be held Friday evening and Saturday.

Mrs. Ivadell Crosby, mother of Mr. Harry Crosby of Tecumseh, is very ill in the University Hospital in Ann Arbor, and the family is taking turns staying at her bedside. Mrs. Crosby was with her on Tuesday.

Mr. and Mrs. Otto Baaske entertained at supper Friday evening in honor of the 40th wedding anniversary of Mr. and Mrs. Alvin Prielipp of Deerfield. Other guests were Mr. and Mrs. Carl Wittenhagen of Adrian.

60 Attend Past Cmdr. And Past Presidents Dinner

About 60 members and guests attended the Past Commanders and Past Presidents dinner of the Hall Slater V.F.W. Post which was held Saturday evening at 6:30 p.m.

The Committee chairman were Mr. and Mrs. Gaza Kish with Mrs. Earl Kruger, Mrs. Charles Scriver, Mrs. Lloyd Stites and Mr. Warren Filter assisting. The invocation was given by the Second Vice Commander, Mr. Clifford Curran. A swiss steak dinner was served by the Auxiliary from beautifully decorated tables. The centerpiece was made of red gladiolusus blue and white chrysanthemums. The colors of both the Post and Auxiliary were carried out with programs and place cards of blue. Corsages were presented to all the Past Presidents and boutonnieres to all Past Commanders. The toastmaster was Commander Warren Filter who welcomed the members and guests and introduced the Past Commanders who were present and read the names of those deceased and absent.

They are as follows: Kenneth Will, deceased, 1945-1946; Ben Hammack, deceased, 1946-1948; Neville Hart, absent, 1948-1949; Earl Kruger, absent, 1949-1950; Elmer Burleson, absent, 1950-1951; Richard Butler, present, 1951-1952; Frank Daehne, present, 1952-1953; Harlan Boyes, present, 1953-1954; Carson House, absent, 1954-1955 and Harold Warren, present, 1955-1956.

Mrs. Lloyd Stites, President of the Auxiliary, extended a warm welcome to all and introduced the Past Presidents who are Mrs. George Wittrup, absent, 1946-1947; Mrs. Walter Mueller, acting president present, 1947-1948; Mrs. Ben Hammack, absent, 1948-1949; Mrs. Waldo Mohr, present, 1949-1950; Mrs. Harlan Boyes, present, 1950-1951; Mrs. Frank Daehne, present, 1951-1952; Mrs. Grenval Spangler, absent, 1952-1953; Mrs. Bert Warren, present, 1953-1954 and Mrs. Warren Filter, present, 1954-1955-1956.

Carl Kempf, Junior Vice Commander of the Post was introduced and read a short history of the Post, after which Mrs. George Bishop, Auxiliary Historian, was introduced and read a short history of the auxiliary. Then the commander introduced other guests present who were Harold Robb, 6th District Commander of Fowlerville, Michigan; Mrs. Mable Faureau, of Lansing, 6th District President sent regrets at not being able to attend; Mr. and Mrs. Wyman Campbell of Milan were present, Dr. and Mrs. R. E. Dustin, and members of the Dads Post.

After the pledge of allegiance to the flag, Dr. Dustin presented pictures of several fishing trips into Canada that he has taken with Waldo Johnson and narrated as the pictures were shown.

Mrs. Wilfred Waldron went to Port Clinton, Ohio last Thursday acompanied by her daughter and family, Mr. and Mrs. John Hamilton, to spend several days with her sister, Mrs. Walter Kirk. On Sunday the Hamiltons accompanied by Mr. Waldron and joined by Mrs. Waldron in Royal Oak attended a family reception in that city in honor of the Waldrons nephew, Mr. and Mrs. Robert Miller.

Joseph Strong, son of Mr. and Mrs. E. J. Strong, has been spending the past week with his aunt and uncle, Mr. and Mrs. M. H. Smith.

Mrs. Earl (Sugar) Wood left Monday to spend 6 weeks in Florida, and will be joined by her husband who expects to fly down in two weeks.

Engagement Is Announced

Mary Elizabeth Howe

Mr. and Mrs. Albert Howe of Farmington, Mich., have announced the engagement of their daughter Mary Elizabeth to Charles B. O'Neill Jr., son of Mrs. Ruth O'Neill and the late Mr. Charles B. O'Neill, of 205 Bidwell St.

The Bride-elect is attending Adrian College and her finace is serving in the U.S. Navy, aboard the U.S.S. Norfolk.

Margaret Touborg Honored With Around The Clock Shower

Margaret Touborg was the guest of honor Saturday afternoon at an "around the clock" bridal shower given by Gretta Porter. Each guest presented Margaret with a gift she will be able to use at a specific time of day. Out-of-town guests included the brides grandmother, Mrs. A. R. Shigley of Fremont, Miss Mary Brown of Detroit, and Miss Susan Colther, Margaret's roommate at Albion. Other guests were Mrs. Jens Touborg, Mrs. P. G. Colgrove, Mary and Barbara Colgrove, Mrs. Richard Purkey, Mrs. Herbert Dillon, and Mrs. W. G. Porter.

Potluck Served To Girl Scout Policy Committee

A potluck luncheon was served January 31 at the home of the president of the Girl Scout Association, Mrs. Howard Truesdale, for a policy committee composed of people who have been in girl scouting five years or more.

After a delightful luncheon, a number of revisions of the constitution were considered. They were brought to the attention of the association at their meeting Wednesday in the scout cabin.

Ruth Rentschler is chairman of the revisions committee. A new scout leader, Mrs. Thomas King, was present at this meeting to assist her in a knowledge of scouting. The association is very happy to have Mrs. King join the group as a leader of Troop 17 from which Mrs. Smith has resigned. This particular leader was obtained through the assistance of the sponsoring organization, the American Legion Auxiliary. This type of assistance is especially sought by the Scout Organizations.

40th Anniversary Sun.

An open house in honor of the 40th wedding anniversary of Mr. and Mrs. Clarence Hall will be held Sunday, February 10 at the Macon Church from 2 to 4 p.m.

Mrs. Robert Bonner Is The New Monday Club Pres.

The Monday Club met in the Methodist Church rooms and elected officers for the 1957-58 Club year as follows: President, Mrs. Robert Bonner; 1st. Vice President, Mrs. John Quigley; second Vice President, Mrs. Howard Truesdale; Recording Secretary, Mrs. Ted LaBounty; Corresponding Secretary, Mrs. Clarence Brock; Treasurer, Mrs. Lynn Hubbard; Ex Board, Mrs. Edna Codling and Mrs. James Artman.

Mrs. Ed. Harper gave the Religious thought. Announcement was made of County Federation Day at the Adrian Baptist Church, February 13. This is an all day meeting starting at 19:30. For reservations contact Mrs. H. Murphy. Plans were set for a trip to the Cranbrook planitoriam on March 18th. The closing prayer was given by Miss Lillian Cannon.

The program was in charge of the Drama department with Mrs. Perry Hayden as leader. A home talent play "So's Your Aunt Anna" was presented with the following cast, Aunt Ann, Mrs. Geo. Green, Sr., supported by Mrs. Kenton Hunt, Mrs. Thos. O'Hara, Mrs. Lee Purkey, Mrs. Louis Perry, Mrs. Thos. Hamilton and Miss Vera Gilbert. A trio from the High School, Ruth Meads, Bonnie Penrod and Sharon Muhn sang "Sentimental Journey" and "Winter Wonderland". The Club accompanied by Mrs. Waldron at the piano sang, "America", "Swannee River", "Old Black Joe" and "America The Beautiful".

Refreshments were served on tables beautifully decorated in the Valentine motiff in red and white. Miss Mary McWilliams was in charge. Mrs. Robert McCoy and Mrs. Robert Bonner poured for the 60 members and guests present.

The next meeting will be at the home of Mrs. Earl Wickwire with Mrs. LeRoy Titley of the Literature and Art department in charge of the program with Mrs. Charles Kempf leader. Mrs. M. E. Partridge and her committee will serve refreshments.

Local People Attend Convention

Mrs. Gibbs Barber, Mrs. C. C. Dickens, Mrs. Harry Richards and Mrs. Lavern Russell attended the Womens Diocen Auxiliary convention in the Masonic Temple in Detroit on Wednesday as delegates from the local group. Mrs. L. W. Larson, president of the Southwest Convocation and Mrs. Glenn Driscoll also attended. A bus was chartered to pick up the Adrian members and then stopped in Tecumseh for those going from here. Rev. Dickens left on Tuesday and Harry Richards, Gibbs Barber and Glenn Driscoll attended the mens meeting on Wednesday.

———o———

Surprised On 25th Anniversary

A surprise celebration in honor of the 25th wedding anniversary of Mr. and Mrs. Carl Gruber was held in the home of their son, Mr. and Mrs. James Gruber of Adrian, Sunday afternoon. Forty neighbors and friends gathered before the arrival of the Grubers. The other son, Joseph, escorted his parents to the party to make sure of their safe arrival, and the honored guests were completely and pleasantly surprised.

As they arrived, Mrs. James Gruber pinned a lovely corsage designed from white carnations and tied with silver ribbon to the shoulder of the honored lady and James tucked a bountonniere in his fathers lapel. Silver decorations were predominant throughout the home. A three tiered wedweding cake which was baked by Mrs. Bart Auito was cut by the honored couple as Mr. Wallace Whiting sang "Because."

Mr. and Mrs. Gruber were presented with several gifts including a set of silver. Mrs. Bart Auito served cake and Mrs. James Tressler served ice cream while Mrs. James Gruber poured the coffee. In the evening, a potluck dinner was served.

Additions To High School Proposed

(Continued from Page 1)

two rooms so that they may be used individually as classrooms or when combined will make one large room for special classes and activities. A stage will be installed so that English, Speech, and Music classes may engage in special activities such as debates, plays, musicals, etc. for which there are no facilities at present."

"The new Cafeteria is planned to seat 200 without overcrowding and the kitchen will be so designed as to enable the preparation of lunches for approximately 800 pupils. The cafeteria room itself is designed so as to be used as a student commons or if necessary as a classroom. The lobby at the east entrance to the gym will be enlarged, a check room provided and the student commons opened if necessary when capacity crowds cause a need for additional services."

"The present Home Economics room which is very inadequate for present needs and future needs will be enlarged and will have a foods section incorporated with sewing, grooming, and home-living departments. These rooms will be top-lighted and designed specifically to train for modern living and home life of today. The State Department of Public Instruction has cooperated in helping to design these units and the program of instruction will be augmented greatly."

"The Shop which has been overcrowded almost from the day the building was opened is very inadequate."

"The instructors are hampered by both lack of room and lack of equipment. The latter cannot be installed for there is no room for it. If Tecumseh Schools are to teach necessary fundamentals in Shop, it is essential that metal working equipment be available. At present woodworking instruction predominates since the shop was originally designed and equipped for that purpose. However, today woodworking is done mostly as a hobby in the home and so as training for future occupations in the Tecumseh area this type instruction does not serve as well as would metal working. The farm shop boys find it impossible to build the type of projects which they desire as do the young adult farmers as there is no place to either build or store large projects. It is impossible at present even to install refrigeration equipment for training purposes which has been donated by the Tecumseh Products Company. Our community needs to provide training in shop beyond the limits of our present facilities. With the shop addition a more well-rounded training program can be developed in all fields."

"The Board feels that with the transfer of the 7th and 8th grades to Central, the addition of a new cafeteria and kitchen, the enlargement of the shop and the homemaking department, and the conversion of the present cafeteria and kitchen into two classrooms the high school will adequately serve the secondary school pupils in the entire district."

Patterson Home Fair Committees Report Details

(Continued from Page 1)

ter sets, Mr. and Mrs. sets, tea and cobbler aprons, barbecue aprons, aprons large and small, plain and fancy.

Mrs. Lucille Schlegel's Tot Shop is being organized with her committee: Mrs. Beulah McCombs, Mrs. Marge Bryan, Mrs. Alice Williams and Mrs. Shirley Hinkleman. There will be lots of articles to intrigue the little ones: bean bag clowns, surprise balls, stuffed octopi, hobby horses and some articles of clothing.

Donations for the linens, aprons and Tot Shop may be delivered to the chairman or any committee member at any time from now until February 28.

The Sixth Grade girls of Patterson School are working under the direction of Mrs. Opal Dickinson and Mrs. Jean Anderson. They are making articles for the sewing room: several styles of pincushions, bookmarks, stuffed animals and other interesting items. Sewing needs and novelties will also be available.

Tecumseh area residents will surely want to watch this paper next week for news of the special attractions being planned for the younger visitors to the Patterson Home Fair on March 2.

Tipton Lalapa Losers Attend State TOPS Convention

Claris Baker of the Williams Ton Losers of Williamston, Michigan was chosen the State princess of the TOPS.

The ladies above are representatives from the Tipton Lalapa Losers who went to the State TOPS Convention. From left to right they are Mrs. Gordon Gove, Tipton; Mrs. Howard Bernson, Charlotte and Mrs. Robert Cummings of Onsted.

Mrs. Gordon Gove, queen of the Tipton Lalapa Losers Tops Club, was rewarded with an expense paid trip to the State Convention of Tops. Mrs. Gove has lost 32 pounds since April and 20 pounds since July, 1956. As president of the Tipton Club, she very effectively leads her group in losing weight. Mrs. Gove made this coment to all overweight women, "If I can do it so can you. I have 20 pounds to go before I am a KOP", (Keeps Off Pounds Sensibly.) Other members of the club who attended the State meeting were Mrs. Elwood Smith, Mrs. Robert Cummings of Onstead, and Mrs. Howard Bernson of Charlotte, formerly of Onsted.

The State Queen of TOPS (take off pounds sensibly) was Mrs. Ernest Lueder of Farmington who was crowned at the annual State weight reducing convention Saturday. The fifty eight year old housewife shed 72½ pounds during the last year. Mrs. Lueder was in the over 250 pound group.

The State Princess was crowned in a ceremony held in the new Civic Center in Lansing. Claris Baker, an 18 year old senior of the Williams-Ton Losers, lost 24½ with 75 yet to go. The leader of her club is Virginia Hall. Claris is also a member of the National Honor Society, treasurer of the Theda Rho Society of the Rebekahs and president of Williamston High School F. H. A. Teenagers are welcome to join any club nearest to their residence or start one of their own.

Troop 73 Fathers Must Serve On A Committee

On Tuesday evening, Troop 73 of the Boy Scouts held their annual reorganizational meeting at the Scout cabin with 14 families represented. The events and activities of the Troop for the past year were discussed and it was decided that the policy of the troop will be "for boys to receive the most out of scouting parents must cooperate," therefore, each father must serve on a committee.

The following is a partial list of the committees: Institutional representative, Robert Montgomery; committee chairman, oJhn Saling; Treasurer, Reginald Dixon;. Scoutmaster, Howard Wilson, Jr.; Assistant Scoutmaster, Joseph Kellogg; Finance Committee, Chas. Stephenson, Charles Squires and LeRoy Titley; Transportation, Charles Irelan, Fredrick Dickinson, Reginald Dixon and Joseph Kellogg; Camping activities, Robert King, Lyle Grigg and Duncan Oliphant; Special Events, Frances Packard, Fred Oberlin, Stanley Kruse and Jack Osburn; Board of Review., Frances Packard, David Dick and Fred Hartwig. Other fathers will be given plenty of work assisting the committees. It will be necessary for the father to be registered on a committee for the boy to be a member of the Troop. The events for February were discussed, including Boy Scout Sunday, The Boy Scout Show, Court of Honor and winter camping.

It was announced that Troop 73 will publish a monthly paper giving the news of the patrols and coming events. There will also be a troop library under the direction of Mrs. Jean Miller and Mrs. Helen Miller.

A Troop Committee meeting of the various chairmen of the committees will be held in the near future to get the program for the year under way.

$1093 Collected In Mothers March Thursday Evening

Tecumseh residents came through in their usual generous way last Thursday evening when the Mothers March for Polio took place. A total of $1093.40 was collected by workers from the American Legion and V.F.W. Auxiliaries in the "porch lite drive." Mrs. Lloyd Stites and Mrs. Herbert Cleveland were the chairmen in charge of the drive, and Mr. and Mrs. Charles Stevenson received and counted the moneys.

In the city solicitors were Warren Filter, Carl Kempf, Carroll Conklin, Clifford Curran, Frank Bisher, Lloyd Stites and Marion Pease; Mrs. Ernest Hammack, Mrs. Gerald Baker, Mrs. Ralph Easton, Mrs. George Meads, Mrs. Byron Goodman, Mr. and Mrs. Richard Eisenminger, Mrs. Ted Golat, Mrs. Lillian Fielder, Mrs. Vern Manwaring, Mrs. Robert Lowe, Mrs. Kenneth Herrick, Mrs. Harold Meade, Mrs. Richard Johnson, Mrs. James Barton, Mrs. John Sisson, Mrs. Frank Daehne, Mrs. Warren Filter, Mrs. Jack Braden, Mrs. George Downard, Mrs. Carroll Conklin, Mrs. Gaza Kish, Mrs. Edwin Gove, Mrs. Willard Zwick, Mrs. Bart Aiuto, Mrs. Robert Custard, Mrs. Dwight Drake, Mrs. James Records, Mrs. Robert Williamson, Mrs. Stanley Dermyer, Mrs. Don Geringer, Mrs. Walter Mueller, Mrs. Joe Kellogg, Mrs. Richard Beemer, Mrs. William Davenport, Mrs. Richard Lask, Mrs. James Donforth, Mrs. Glenn Green, Mrs. Max Elliott, Mrs. William Snook, Mrs. H. Lee Prettyman, Mrs. Earl Kruger, Mrs. Don Woods, Mrs. Herman Koelbel, Mrs. J. H. Rohweder, Mrs. Marian Hicks, Mrs. Thomas Corkery, Mrs. Marion Pease, Mrs. Max Smith, Mrs. Robert Furgason, Mrs. Louis Richards, Mrs. Max Fox, Mrs. Glenn Kohler, Mrs. Roy Beasley, Mrs. Richard Beasley and Mrs. Lawrence Vanderpool.

Local Jaycees and firemen assisting in the collections in the township were Merlyn Downing, John Hamilton, Jack Curtiss, David Ousterhout, Ivan Maynard, Charles Manley, Cecil Alderdyce, Harold Easton, Charles Cottle, and John Robinson.

The coffee hour held after the drive for the workers at the head quarters in the V.F.W. Hall was in charge of Mrs. Carl Kempf, Mrs. Harlan Boyes, Mrs. Yale Kerby, and Mrs. Carson House.

Mrs. Harold Easton, Chairman asks that any one still wishing to contribute to the Polio Fund to please send their contribution to her home, 301 Center Court, in Herrick Park. Feb. 16 is the last day for the drive. Assisting Mrs. Easton are Thomas Corkery, vice chairman; Mrs. Robert Custard, secretary; Mrs. Charles Stevenson, treasurer; Donald Smith, publicity and David Vanderpool, cannisters.

You never realize how many folks are coasting down hill until you try to get help going the other way.

Banquet Coming

(Continued from Page 1)

western Unniversity and was an officer of the U.S. Army overseas during World War I. He has held numerous educational positions in Michigan, including both teaching and administration. He was a member of the Rotary's International Secretariat 23 years before retiring in December 31, 1932. Mr. Lovejoy also was a consultant to the USA delegation drafting the UN charter at San Francisco.

New Child Study Club To Be Organized

A group of fourteen mothers met at the home of Mrs. David Faling Monday evening February 4th for the purpose of organizing an additional Child Study Club. The original group has grown too large to accommodate additional members. Several young mothers were interested in participating in studying the different phases of childhood growth, the sole purpose of the club.

Mrs. H. Lee Prettyman conducted the meeting in the absence of Mrs. Bennie Gillis, President of the Child Study Club. Several girls volunteered to perform various duties until April when new officers will be elected. Mrs. Richard Lask is Sunshine Chairman, Mrs. Ray Schlegal, Mrs. Don VanCamp and Mrs. George Van Camp will draft a constitution to be discussed at the March meeting and adopted. Mrs. Jack Trudeau is acting Secretary and Mrs. Don Purkey is publicity chairman.

The group decided to hold their meetings the second Thursday of every month. The March meeting to be held at the home of Mrs. H. Lee Prettyman whose address is 501 Center Drive. Mrs. Richard Lask and Mrs. James Danforth will serve as Co-Hostesses. Mrs. Ray Schlegal and Mrs. Don Purkey will make favors, which will be taken home after the meeting to the children of each attending mother.

o

Exchange Club Father-Son Banquet Held

The Exchange Club met Wednesday evening in the Eagle Hall at 6:30 p.m. The feature of the evening was a Father-Son Banquet with Paul Clauda as program chairman. He presented Mr. Waldo Johnson of Adrian who showed pictures and gave a talk on Africa.

Further plans were discussed for the fights planned for March 2 in the High School Gym. Inmates of Jackson Prison will be the participants.

E. J. Nelson is program chairman for the next meeting Feb. 13.

American Legion Auxiliary Has Fulfilled Their Quota

The report of the membership chairman of the American Legion Auxiliary was happily accepted by the members at their meeting Monday evening at the Post Home. The Auxiliary has reached their membership quota for the year. One hundred-seventy members and three new member applications were reported by the chairman, Purnell Osburn.

Mrs. Robert Lowe, membership chairman for Lenawee County, reported that all County Units have reached their quota except three. Mrs. Donald Wood, President, presided at the meeting and after the reading of the secretary and treasurer's report, the rest of the committee reports were given. Helen Curtis, child welfare chairman, reported on the collection of clothing for Hungarian Relief which is to be sent in 100 lb. lots. Any resident having good used children or adults clothing that they would care to contribute for this cause may call Mrs. Curtis, Phone 1184-J.

Mrs. Wood reported on the Mothers March Jan. 31 held with the V.F.W. Auxiliary when $1093.40 was collected for the Polio Fund. Mrs. Lyle Grigg, poppy chairman, asked that the number of poppies to be ordered be designated and the members voted to order 7000 as last year. The poster contest will soon be under way in the schools under the direction of the art teacher, Mrs. Westdyke. Mrs. Vern Manwaring, hospital equipment chairman, gave an excellent report telling where each of the beds and wheel chairs have been used in the past year and also displayed the new bed that was purchased from funds received from last years magazine subscription drive. (See page 1) It was reported that the flag chairman, Mrs. Larry Cote, still has several flags left for sale and anyone wishing to buy one of these very useable flags may contact Mrs. Charles Howe, phone 235. The flags are light weight, 3 by 5, with a jointed staff and a bracket for installation, so that after the bracket is put in place, even a child may have the pleasure of displaying and putting up the family flag. It is the Auxiliaries wish to make flags easily available to Tecumseh residents so that they may teach their children pride in displaying the flag of our country. February is Americanism Month in the Auxiliary.

It was announced that the Legion Birthday Party will be held Saturday, March 16, at the Post Home for Legion members and their wives and Auxiliary members and their husbands. Tickets will be $1.25 per person, and the Auxiliary will furnish the Birthday cake.

The initiation of new members will be held at the next meeting March 4, and two new members were introduced at this meeting, Ruth Baker, and Leona White.

Mrs. Charles Howe announced that the Ritual Team has been doing ritual work in Blissfield and Saline and received $20.00 that they turned in to the Unit with the suggestion that it be used for the Polio Fund. This was gladly done. The Ritual Team also presented the Unit with a very nice ceremonial lamp which is to be used in initiation ceremonies.

After the closing of the meeting, refreshments were served by Mrs. Roy Richard, Mrs. Dwight Drake, Mrs. James Rohrer, and Mrs. Max Smith.

o

Raisin 4-H Club To Hold Skating Party Feb. 17

The Raisin Cookies 4-H Club met in the home of their leaders, Mr. and Mrs. Raynor Sweet, Tuesday evening for a business and recreational meeting. During the business meeting it was decided to hold an ice skating party Sunday, Feb. 17, on a pond near Green road. The next meeting will be held March 5. Refreshments were served at the close of the meeting by the hostess, Mrs. Sweet.

o

Time may be money — but it hangs a lot heavier on our hands.

Always remember that a misguided car can be a deadly weapon.

Men's Council To Hold A Supper Feb. 11

The Mens Council of the local Presbyterian Church will hold a beef stew supper Monday evening, Feb. 11, at 6 p.m. in the Fellowship Center. Robert F. Hastings, president of the Michigan Synod Council of the National Council of Presbyterian Men, from Detroit, will be the speaker. He is an architectural engineer specializing in church architecture and an active elder in the Westminster Presbyterian Church. Presbyterian men from neighboring towns have been invited to attend by the local Council.

A church officers training conference was held in Albion Sunday afternoon and evening, Feb. 3. The Albion ladies served dinner, and the speaker was David Proffitt who is moderator of the 168th General Assembly of the Presbyterian Church U.S.A. Merryville, Tennessee. Twenty-two churches were represented. Those from Tecumseh attending were Dwight Hodges, Mrs. John Saling, Dr. C. L. Cook, Albert Williams, Donald Parrett, George Rhinehart, Joseph Galazzi, Harry Spencer, Margaret Kidman, Herbert Maynard, Harold Hammel anl Robert Reese. They were accompanied by Rev. George Walworth who had charge of one of the discussion groups.

Funeral Services Held For Mrs. Marsh, Friday

Funeral services were held Friday, February 1, at the Niblack Funeral Home, for Mrs. Lola Harwood Marsh, 49 years old, who passed away at her home in Ridgeway, January 29th, after a short illness. She was born in Three Rivers, Michigan, January 5, 1908, the daughter of John H. and Claudia Harwood.

Mrs. Marsh was a member of the Tecumseh Friends Church. The family lived in Ridgeway for 12 years and formerly were from Tecumseh. Mrs. Marsh graduated from Tecumseh High School in 1926.

She was preceded in death by her father, John Harwood, who died in 1943. Survivors are, besides her husband, four children, a daughter, Coreen, 17, three sons, Norbert, 19, a student at Michigan State College, Delbert, 13 and Darrell 11, as well as her mother, Mrs. Claudia Harwood, Tecumseh, two sisters, Mrs. Lois Aebersold, Tecumseh and Mrs. Eunice Swanston of Clinton and a brother, Paul D., of Alma, Michigan.

Rev. Edward Escolme, pastor of Tecumseh Friends Church officiated for the services. Burial was in Ridgeway Cemetery. Bearers were Dale Dean, Morris DeJonghe, Joseph Forgas, Gail Hall, Leslie Marks, all of Ridgeway and Merritt Chase of Clinton.

Dundee Man Killed At Local Tile Company

Carl J. Breitner, 23 years old, died instantly at approximately fifteen minutes past two Thursday afternoon when he was thrown from his truck while trying to dump a load of dirt at the Comfort Tile Company on Rodgers Highway, near Tecumseh. He was from Dundee.

He reportedly backed the truck to the edge of a 40 foot embankment. The truck failed to stop and rolled backwards into the pit. Mr. Breitner was thrown out of the open door of the cab and landed under the truck at the bottom of the pit. He suffered massive skull fractures and neck and internal injuries.

He is survived by his wife, Jacqueline, two sons, Randall and David. Funeral services were held Sunday in Petersburg.

Junior American Citizens Club Met

The recent Junior American Citizens Club meeting was called to order by President David Dustin. Susie Whitney lead the group in singing the Star Spangled Banner.

Then the group said the Junior American Citizens Creed. Secretary, Barbara Colgrove, called the roll and the Treasurer took up the dues. The topic for discussion was collecting news about "Fam , is Americans."

Daughters of St. Peter's Met Tues.

The Daughters of St. Peter's Church met Feb. 5 with Mrs. Jack Smith presiding in the absence of the president. It was agreed to pay $100.00 to the church pledge and $25.00 to the Woman's Auxiliary for the Kitchen Fund. The first chapter of a book on Missions was read and discussed. The book will be continued at the meetings during the Lenten season. Tea and cookies were served by Mrs. Smith at the close of the meeting.

Local Police Report Several Collisions

A car driven by Kenneth Maun, Tecumseh struck a local bridge Saturday. It tore down boards on the pedestrian walk and bent truss rods. He was arrested on a charge of being under the influence of intoxicating liquor.

On Saturday, at the corner of Evans and Logan Streets, a car driven by Marshall G. Ede, Detroit, and one driven by Dale Whelan, Tecumseh, collided. On the same day, cars driven by Robert Nortley, Clinton and John S. Stephen, Tecumseh, collided on Pearl St. It did about $50.00 worth of damage to the Nortley vehicle.

On February 5, a car driven by John Stuart, Dundee, and one driven by Carl Dinse, Tecumseh, collided in a local alley. The damage was slight.

Gordon Logan was given a ticket, Tuesday, for speeding 60 miles per hour in a 35 mile per hour zone. He will appear before Justice Robert French. . .

Today's bad men count victims by notches on their fenders.

Troop 73 Did Their Good Deed

In keeping with the new policy of improving the condition of the Scout Cabin, Troop 73 and Scoutmaster, Howard Wilson, Jr., did a cleaning job on the inside of the Cabin, Thursday evening. When they finished, everything was in order and it is now a much cleaner place for meetings of the Scouts who use this building. The Tecumseh Scout organization express a big "Thank You" to these boys for their hard work which has done much to further good scouting in Tecumseh.

Rotary Club Hears County Fair Director

There was a fair attendance at the Tuesday night Rotary Club meeting. President James McDowell presided.

Program chairman, Virgil Tucker presented John Zeigler who was in charge of the program for the evening. He introduced Mr. Arthur Engle of Blissfield who is a director of the Lenawee County Fair.

Mr. Engle told of the problems confronting the County Fair, and stressed that cooperation from everyone in the county was needed to make it as successful as it should be, Considerable discussion was held concerning things that could be done to improve the annual event.

Next Tuesday night will be the Rotary Anns Banquet at the Baptist Church starting at 6:30 p.m.

―o―

Circle 7 of Pres. Church Met Tuesday

Circle 7 of the Presbyterian Church was entertained in the home of Mrs. Cecile Viele, Tuesday evening. Mrs. Wilber Boyce presided at the business meeting in the absence of the president, Mrs. LeRoy Titley.

The Program "Fun and Festival in Southeast Asia" was presented by Circle 4 of the Church. It was voted by the members to serve the Business and Professional Womens banquet in March. Co-hostesses for the evening were Mrs. William Snook and Mrs. Forest Abner. Devotions were led by Mrs. Ted LaBounty. The next meeting will be held at the home of Mrs. William Sisson.

―o―

Additional Jaycee Awards Given

Awards omitted from previous stories concerning the Jaycees Annual Bosses Night are the following: Stephen Illeck and Robert Wallace were declared to be "Exhausted Roosters" and commended on their fine loyalty in the past years to the Jaycees. "Exhausted Roosters" are those members who pass over the age limit of 35 years old.

Tecumseh Chief of Police, Geo. Kilbourn, was honored for police service above and beyond the requirements of duty.

―o―

Wit And Wisdom Club Met At Bonner Home

Mr. and Mrs. Robert Bonner entertained the Wit and Wisdom Club in their home on Rogers Highway Monday evening. Twenty five were present. Mr. and Mrs. Earl Green assisted the host and hostess for the evening. A routine business meeting was presided over by Mr. Green in the absence of the president, Mrs. Herbert Munger.

The program leader, Delmar Finch, introduced Mr. Carlos Jones who proceeded to baffle the audience with a series of magic tricks and sleight of hand which were very professionally presented. Refreshments were served at the close of the program and a social hour was enjoyed by all. The next meeting will be in the home of Mrs. Earl Wickwire with Mrs. Ellsworth Collins in charge of the program.

FAITHFUL MOMENT IN A CHILD'S DAY

You remember being in this picture yourself, years ago—don't you?

More than once, *you* stood with your friends . . . you prayed *together* for a classmate, for the boys in service, for our country's welfare.

Perhaps not more than two or three of you belonged to the same church, congregation, or synagogue. But you had this in common. You all knew how to pray to God.

That habit of prayer wasn't taught in school or practiced only in your home. You were taken to church or synagogue every week. Your parents knew their duty to help you find a Faith to live by.

And now it's your turn—to fulfill the same obligation to your children. Start this week, worshiping *together*.

Don't forget that the Herald appreciates your bowling results. Please turn them in by Monday noon.

———o———

The way to start a day right is to start the night before.

Field and Stream

Rabbit hunting season ended January 31 in the southern lower peninsula, but nimrods in northern portions of the state will have another month of shooting. Snowshoe hares and rabbits are legal game through March 1 in the northern lower peninsula and all of the upper peninsula.

The cottontail rabbit each year claims the title as Michigan's most popular small game animal. During the 1955-56 season, hunters bagged more than 1,600,000 rabbits and another 284,000 snowshoe hares.

Even with heavy hunting pressure, cottontail populations continue to increase because the number bagged by hunters is far below annual rabbit production.

☆ ☆ ☆

Ice fishermen are reminded that all shanties and other shelters placed on ice-covered lakes must be identified on the outside with the owner's name and address in letters of insoluble material not less than two inches high.

Fishermen also are required to remove their shelters from the lake before ice becomes unsafe.

☆ ☆ ☆

Conservation officer Clovis Delene of Covington has become a firm believer in the old saw: "It's a small world."

During the last deer season, a check of license dealers in his district failed to disclose whether a certain resident of Waukegan, Illinois, had purchased a $3.50 resident deer license or the $35 nonresident license required.

A little later, Delene answered a call about a lost hunter reported south of Saginaw. The officer set out to search for the person and found him. Who was the lost hunter? The Waukegon resident, of course! And he had been hunting on a Michigan resident license. Officer Delene promptly made the arrest.

Albert Musch Took 2 Championships In Bowling

Albert Musch, owner of Tecumseh Greenhouse, recently captured the Class A singles championship and the all-events in that section in the 38th an[illegible] Central States bowling tournament in Toledo.

Mr. Musch, "Ollie", had 712 in singles with 227, 247 and 238 games. His 1888 was tops in Class A all-events. He had 571 in the team event, 605 in doubles and 712 in the individual event.

"Ollie" will travel to Texas in March try his skill out at the granddaddy of all bowling tournaments, the A-B-C's. Here's hoping that he can stay in stride and bring the championship home. If hometown rooters help, I'm sure that he will.

———o———

Sat. Recreation Program Is A Success

Tecumseh was defeated by Adrian 19 to 14. Winners for Tecumseh were, Terry Hendricks at 112 pounds, Delmos Dolson at 122 pounds, Dave Schmidt at 133 pounds and Ron Johnson at 145 pounds. The Match was close and was decided in the last match when Bob Wilkins was defeated 4 to 2.

Tecumseh meets Ann Arbor Friday and Willow Run here at Patterson next Monday at 7:30 P.M.

———o———

Intramural Game Results Reported

In the Tecumseh High School intramural games last week, team 2 defeated team 3 44 to 29. Al Dickinson hit for 21 points. Larry Robinson with 10 points led team 7 to an upset victory over team 8. Team 7, behind most of the time, hit team 8 with a court press that they never recovered from. This win knocked team 8 out of first place. John[illegible]aron hit 16 points as team 10 defeated team 11. Bill Newell and John Brown combined to bring team 1 a victory over team 4. Both boys hit 12 points. Tony Kasik hit 10 points for the losers.

———o———

Tecumseh Loses Wrestling Match

The Saturday recreation program as a whole is very successful. The morning program has been extremely successful with close to 100 boys participating. The lower age group again worked on fundamentals: Passing, footwork, dribbling and shooting. The smaller lads worked real hard and seemed to be having a good time in actual basketball and competition was fierce.

The girls also picked up in attendance with almost 80 girls participating. Basketball and tumbling were what seemed to have the interest. Jane Colgrove, who assists Mrs. Breniff, is doing a fine job.

Sweet, smooth and sassy—that's Chevrolet all over. Above, you're looking at the Bel Air Sport Coupe.

Clings to the road like a stripe of paint!

The '57 Chevy can give lessons on taking curves and holding the road to just about any car going. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

A car has to have a special kind of build and balance to keep curves under control. And nobody outdoes Chevrolet in that department! It "corners" with all the solid assurance of an honest-to-goodness sports car. Chevy doesn't throw its weight around on turns because it carries its pounds in the right places.

And if the road should turn upward, Chevy can take care of that nicely, too—with up to 245 h.p.*

Come on in and take a turn at the wheel of a new Chevrolet.

CLINTON :—: MICHIGAN

Top Student Showman

Kenneth Bortel, Britton, captured honors as the best sheep showman at the "Little International" during Farmers' Week on the Michigan State University campus. About 60 students fitted and showed university livestock in four classes—beef, swine, sheep and horses. Kenneth is a short course student at Michigan State.

Rib-Tickling Comedy Coming To The Strand

Tom Ewell, one of the funniest men on the screen, has never been funnier than he is in "The Great American Pastime," M-G-M's rib-tickling comedy starting Sunday at the Strand Theatre, with Anne Francis and Ann Miller co-starring as the two women who complicate his life.

The great American pastime of the title is Little League baseball, and it is when Ewell, as Bruce Hallerton, happily married, successful young lawyer, is persuaded to take over the management of the Panthers, that his troubles begin.

The clinching argument is that his association with the Little League will bring him closer together with his ten-year-old son, Dennis, will make for a happier family relationship even though his wife, Betty, doesn't give a hoot about baseball, will enlarge his professional opprotunities and will boost his standing in the community.

It turns out reversely. Dennis prefers to play on an opposing team because the other team always wins. Bruce's business associates turn on him because he isn't making star pitchers and hitters out of their sons. And his domestic tranquility slips to a new low when Betty becomes jealous of his attentions to the attractive divorcee, Doris Patterson (Ann Miller), who butters him up in order to win her son, Herbie, a pitching birth in the league.

For a while it seems as though Bruce can take a permanent lease on the Doghouse. But even the worm can turn, and before the final hilarious situations of "The Great American Pastime" come to a head, he has whipped his Panthers into a triumphant team, has regained the respect of his son and his fellowmen, and the love of his wife who, in the process has become a full-fledged baseball rooter.

F.F.A. Officers Installed Clinton Officers Jan. 30

The eight officers of the Tecumseh Future Homemakers of America installed the new Clinton officers at a special ceremony held at Clinton on January thirtieth. After their meeting, refreshments were served and games were played.

Glenn Hendershot To Address Adult Farmers

Mr. Glenn C. Hendershot, Secretary-Treasurer of the National Farm Loan Association of Blissfield, Michigan will be the speaker at the next Adult Farmers class meeting. Mr. Hendershot will discuss, with the farmers, loans through the Federal Bank of St. Paul, secured by farm real estate mortgages. The loans are made to farmers for any agricultural purpose.

At the same meeting, Mr. Paul Schey, County Supervisor for the Farmers Home Administration, Adrian, will discuss their loan program with the farmers. These loans are to under-finance farmers for livestock, tools, seed and fertilizer or to buy, improve, or enlarge farms as well as for soil and water conservation.

At the last meeting, Mr. Fay Whelan and Peter Navar spoke to the farmers on picker shellers, the operation and efficiency of such machines and on farm dryers.

The meetings are all held on Monday nights in the Agriculture room of the high school and start at 8:00 p.m. All farmers are invited.

A TREASURE FOR YOU AND YOUR FAMILY!

A & P's GOOD-WILL OFFER to old and new customers makes it possible for you to acquire a wonderful FUNK & WAGNALLS encyclopedia set at a REAL bargain, in the very easiest way possible.

One of the most *useful* possessions any home can have is a truly fine, authentic, comprehensive ENCYCLOPEDIA SET.

The student in school or university — the man in business—the housewife—all have reason to want to be able to find the facts, clearly stated, and easy to understand.

An encyclopedia is *not an expense* in the true sense of the word. It is an INVESTMENT—an investment in broader knowledge and better understanding—an investment in being able to cope better, more happily, and more successfully in a fast-moving world where more and more education is the key to better living, better jobs, better life, and, we hope, a better world.

Especially, if you have children in school, you should have a useful, modern encyclopedia set in your home. A useful, up-to-date encyclopedia is the finest grade-builder and incentive to good, thorough home work for any boy or girl in school or college! Start NOW! This good will offer is EXCLUSIVELY AT A & P Food Stores!

MEDICAL STOCKPILE in the Federal Civil Defense Administration warehouse in Marshall, Mich., is typical of the 38 stores of bulk medical supplies in the United States. Each medical stockpile, located 20 to 100 miles from major target cities, is determined by the size of the adjacent target. (FCDA Photo)

LABON CHILDERS

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for Said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 4th day of February in the year one thousand nine hundred and fifty-seven.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of LABON CHILDERS, deceased.

On reading and filing the petition of Anita Henkenhof, administratrix upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that her final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 4th day of March next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing, and notice thereof given as required by law.

L. B. KUNEY, Judge of Probate.

HANS MEIER
ORDER OF HEARING

STATE OF MICHIGAN,
County of Lenawee.—ss.

At a session of the probate court for said county, held at the probate office in the city of Adrian, on the 4th day of February, A.D. 1957.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of HANS MEIER, Deceased.

On reading and filing the petition duly verified, of Otto Meier, son and heir at law of said deceased, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner (the executrix named in said instrument being a nonresident of the State of Michigan) or to some other suitable person, and that the legal heirs of said deceased be determined.

It Is Ordered, That Monday, the 4th day of March next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said County of Lenawee for three consecutive weeks previous to said day of hearing.

L. B. KUNEY, Judge of Probate

TIPTON NEWS

MRS. DEAN COOK
Correspondent

FARM BUREAU

The Newburg Farm Bureau will meet Tuesday, Feb. 12th at 8:00 P.M. at the home of Mr. and Mrs. Martin Halley. The group is to furnish cookies, sandwiches and bring own table service.

GARDEN CLUB

The first meeting of the season for the Tipton Garden Club will meet at the home of Mrs. Richard Platt, February 12th. This will be a meeting to plan the year books..

HONORED

A/2C Joseph A. Rockwell, son of Mrs. Glenn Fisher, was named "Airman of the Month" for January at Kinross Air Base, Kinross, Mich. He received a certificate of achievement from Col. Robert Holmes, base commander, a check for $25, a three day pass and a ride in a T-33 jet. He is expected home soon for a short leave with his mother and Mr. Fisher.

GRANGE

The grange held their regular meeting Friday evening with a large attendance. During the business meeting it was voted to hold their annual fish supper March 30th. Mr. and Mrs. Paul Nesbitt and daughter were present and installed the juvenile officers. After the business meeting, Lamont Simmons showed slides of western states which were enjoyed by all.

BANQUET

Those who wish to purchase tickets for the annual Father and Son Banquet, which is being held Feb. 23th with Waldo Johnson and his African pictures, may get them from any of the following: Thelma Swarts, Lillian Whelan, Alice Whelan, Myrtie Cook, Frances Munger, Helen Carter, Esther Hammill, Shirley Dibble, Helen Bale, Wanda Hardy, Mary Titley, Marion Hunt, Marguerite Luce, Zelma Spalding or Esther Cook.

4TH BIRTHDAY

Mrs. Olen Pettit entertained for her sons, Bobby's, 4th birthday anniversary Saturday afternoon. Those who came to help him celebrate were Jerry and Joanna Holly, Bobby and Janice Reed, Karen Scriver, Billy, Chucky and Larry Kelley and Sherry Mason. Games were played, Bobby opened gifts and each child received favors. Mrs. Pettit served refreshments to the children.

LOCALS

Word was received by Mr. and Mrs. Clifford Hardy that Mr. Hardy's brother-in-law, Mr. Elbert Goudy of Capac, had suffered a severe heart attack last week. At the last report he was somewhat improved.

Thirty-six attended the Fellowship supper in the church parlors Sunday evening. Following the meal, Rev. Kenneth Hinds, who also preached at the morning service, showed slides of his work in southern Africa.

Mr. and Mrs. Lamont Simmons and Sandra left for Florida Sunday. They were to spend Sunday night with Mr. and Mrs. David Karle in St. Bernard, Ohio.

Mr. and Mrs. Glenn Fisher drove to Detroit Sunday where Mrs. Fisher attended the North America Beauty and Fashion Show.

Mr. and Mrs. Herman Titley had as weekend guests Mr. and Mrs. Howard Hittenrauch of Lansing, Miss Ruth Elaine Titley of Northville, Stewart Peck of Birmingham and Dale Titley of Angola, Ind.

Mrs. Howard Anderson and sons, Dean, Benny and Eddy of Monroe, were Sunday guests of Mr. and Mrs. Lester Munger and family.

Mr. and Mrs. Edward Kremer were in Dearborn for the weekend as guests of their son and family, Mr. and Mrs. Quentin Kremer. Mr. and Mrs. Felix Kremer and two sons were also present, the occasion being the birthday anniversary of Quentin Kremer. Their grandson returned to Dearborn after spending the past week with his grandparents.

Miss Elizabeth Clapman of Ann Arbor was a weekend guest of Miss Margaret Hardy.

Mrs. Eleanor Claus is in Jackson on a short visit.

The children of Mrs. Fanny Jackson gathered at her home last Tuesday evening to celebrate her birthday anniversary. The tiered birthday cake was baked by Mrs. Ray Jackson.

Mr. and Mrs. George Allen, Mr. and Mrs. Lyle Whelan and Mr. Alton Whelan were in Lansing Thursday attending the Centennial Farm Banquet. Alton Whelan was honored as the oldest Centennial farm owner present.

Mr. and Mrs. Wayland Kahle had as dinner guests Wednesday evening, Mr. and Mrs. Charles Driffill and Mr. and Mrs. Wayne McKnight. It was a farewell get-together for Wayne who is leaving for the service Monday.

Mr. and Mrs. George Allen were in Blissfield Saturday night visiting her aunt, Mrs. Wm. Rinehart and Mr. Rinehart. Mrs. Rinehart is recovering nicely after a recent operation.

PASSENGER CAR STYLING comes to the trucking business in Ford's 1957 Styleside Pickup. It typifies revolutionary changes in new Ford trucks which Ford dealers display February 1. Full-width styling has more than just "eye appeal." It widens the truck's load area by 20 inches, and adds 25 percent more load capacity than old-style models offer. This pickup is one of nearly 300 models in the 1957 Ford line which ranges upward to huge extra heavy duty models.

Janet Lawhead On Honor Roll At Olivet College

Janet Faith Lawhead, daughter of Mr. and Mrs. Charles Lawhead of 515 Russell Road, Tecumseh, Michigan, has been placed on the First Semester honor roll at Olivet Nazarene College, Kankakee, Illinois, it was announced today by Dr. Willis E. Snowbarger, dean of the college.

The honor roll is made up of students with an average of B or above.

Janet is a Sophomore at Olivet Nazarene College where she is enrolled in Elementary Education.

Band Boosters To Sponsor Calendar Project

The Band Boosters Club of Tecumseh met in the High School Band Room last Thursday evening. The speaker was Mr. R. K. Harris of Battle Creek. He spoke on a money making plan concerning "Birthday Calendars". The Club accepted the plan and residents will soon be contacted and the plan explained. The officers of the club and a group of volunteers will be working on this project. They are Mrs. Charles Irelan, Mrs. Ruth Browne, Mr. Donald Johnson, Mr. Murray Day and Mr. Clifford Deaner as well as the officers. All members of the club will be hearing from the committee soon.

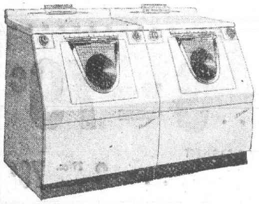
WESTINGHOUSE
LAUNDROMAT

Revolving Agitator That Passes The Sand Test!



The test: On "live" TV, 2 cups of sand representing heavy oil are dumped on towels in three well-known center-post agitator washers and in a Revolving Agitator Laundromat. After all complete their cycles, center-post machines leave towels and washers in a sandy mess. Laundromat leaves not a grain of sand in towels or washer.

HERE'S WHY THE LAUNDROMAT IS BEST . . .

Washes Cleaner! There's no old-fashioned center-post. Clothes go inside Revolving Agitator which lifts and plunges them 50 times a minute.

Rinses Better! Revolving Agitator lifts clothes while soil and dirty water drain away from them. Center-post machines strain it all back through them.

Cleans Itself! Because of its patented design, the Laundromat cleans clothes, then cleans itself—automatically! All sand, scum, lint go down the drain.

- WEIGH-TO-SAVE DOOR
- FULLY AUTOMATIC
- USES HALF THE DETERGENT
- WATER SAVER
- FULL 9-LB. CAPACITY
- TRANSMISSION GUARANTEED 5 YEARS

L-104 LAUNDROMAT

Hollis Whelan Passed Away Sunday Evening

Funeral services were held Wednesday at 2 p.m. at the Green Funeral Home for Hollis Whelan who passed away Sunday evening at 10:45 p.m. in the Herrick Memorial Hospital. He had been a patient there since last Thursday. Mr. Whelan was born in Tipton, Michigan August 17, 1879. His home in Tecumseh was at 302 W. Cummins St. where he lived after coming from Wamplers Lake 16 years ago when he retired from farming. Mr. Whelan died after several months illness.

Mr. Whelan was the son of Simeon and Charlotte Davenport Whelan. He is survived by one daughter, Mrs. Henry Meyers of Tecumseh, one son, Dale Whelan of Tecumseh, seven grandchildren and one sister, Myrtie McConnell of Jackson. He was preceded in death besides his parents by his wife, Addie Belle Ingraham who died in 1944 and one sister, Margaret Preston. Rev. Blair O. Bashore officiated at the services. Burial was in Brookside cemetery. Bearers were Harry Van Tyle of Brooklyn, Fred Mull of Wamplers Lake, Howard Skeese of Manitou Beach, Harold Ingraham of Brooklyn, Raynor Ingraham of Adrian, and Ival Antcliff of Brooklyn.

RED CROSS AIDING HUNGARIAN REFUGEES

A Hungarian refugee, one of thousands fleeing to the USA from strife-torn Hungary, is fitted with a coat by a Red Cross worker before leaving Camp Kilmer, N. J. She is Mrs. John Bauswen, of Cleveland, Ohio, who with her husband, are sponsoring this young man. The Red Cross, serving sufferers since the beginnings of the uprising, in distribution of food, medicine, clothing and other necessities in Vienna and Budapest, is launching a campaign for $5,000,000 in this country to meet costs of the mammoth humanitarian program. By the end of the year the Red Cross will be feeding over 200,000 victims daily in Hungary, besides supplying needed clothing, fuel and medical supplies.

Bible Conference To Be In Ann Arbor Feb. 8-10

Jehovah's Witnesses have selected Ann Arbor for their semi-annual Bible conference to be held February 8 -10, Kenneth Ball, presiding minister of the Tecumseh congregation said here today. The Ann Arbor congregation will be host to 17 others from various Michigan cities as Circuit No. 8 covenes of the meet. Tecumseh will send about 45 delegates.

Declared Mr. Ball, "There is a definite relationship between world happenings and Bible prophecy. Many face the future with fear and uncertainty because they are not aware of the good things promised by God to take place within this generation. This conference", he said, "is arranged to promote happiness by true knowledge. The assembly theme, "Happy People Serving the Happy God", will be evident throughout the entire program", he stated.

The principal speaker will be A. E. Manera, Jr. district minister from Providence. Conference officials estimate that more than 1200 will be present for his Sunday lecture, "What Will Armageddon Mean for You?"

All meetings will be in the auditorium of the Ann Arbor High School and are free with visitors welcome at all sessions. The event is sponsored by the Watchtower Bible Society of New York.

o

CORRECTION

It was incorrectly stated in last weeks paper that Mrs. G. E. Wood passed away at 4:30 p.m. last Saturday. The actual time was 4:30 a.m.

Sunday Christian Science Service

The fact that all things are possible to God will be emphasized at Christian Science services Sunday in the Lesson-Sermon entitled "Spirit."

Luke's account of Christ Jesus' healing of the "woman having an issue of blood twelve years" (Luke 8) will be included in readings from the King James Version of the Bible.

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (182:32-4): "The law of Christ, or Truth, makes all things possible to Spirit; but the so-called laws of matter would render Spirit of no avail, and demand obedience to materialistic codes, thus departing from the basis of one God, one lawmaker."

The Golden Text is from II Corinthians (3:17): "Where the Spirit of the Lord is, there is liberty."

o

Young People Meet First Sun.

The Young People of the Grace Evangelical Lutheran Church met Sunday evening at 7 p.m. with 12 attending. The committee in charge of games and refreshments were Bill Nitz, Jimmy Tonneberger, Loa Nichols and Nancy Dinse. Others are invited to join this group of Young People that meet every first Sunday evening of the month.

o

Here's the bomb
THAT BROKE THE
"low-price" lineup!

This big high-stepping Chieftain started a revolution with a carload of "firsts" and an eye-popping price tag!

The low-price field never looked like this before! The handsome husky you see right here has the boat still rocking . . . with more power, more wheelbase, more room—and more sheer pride of ownership—than ever before possible on a well-trained budget! Just look at what they're making room for now in the low-price lineup: a strapping 347 cu. in., 10 to 1 compression ratio Strato-Streak V-8 . . . a whopping, road-hugging 122 inches of wheelbase and an all-new suspension system for a Level-Line Ride that's next best thing to a magic carpet! And this streamlined beauty takes on the field with more than six dozen "firsts", all proved by 100,000 of the roughest, toughest test miles a group of facts-minded engineers could devise! If this sounds like a wonderful buy—it certainly is! Our advice is to stop dreaming and price it! At a cost less than a lot of the low-price jobs, this newcomer is making big-time buyers out of former "all-three" owners!

Lowest-Priced Series of America's Number ① Road Car!

NOTICE

Homestead Exemptions

Disabled veterans are urged to file their homestead exemption affidavits in the office of City Assessor Calvin Zorn at the city hall. The official deadline for filing claims is the latter part of this month. However, careful processing of claims takes time, and by immediate filing the staff will be able to meet its deadline. Claims will be sent to the state treasurer for a final decision.

19-20 City Assessor: CALVIN ZORN

Sunday dinner guests of Mr. and Mrs. G. L. Gripton were: Mr. and Mrs. Henry Lewis and family of Dearborn; Mr. and Mrs. Glen Gripton and Mr. and Mrs. Ronald Frayer and daughter.

Robert McCrate underwent surgery in Herrick Memorial Hospital last week.

Clyde Brown spent last week attending the 43 annual conference of the officials, of the Michigan Association of Weights and Measures held at the Hotel Pantlind, Grand Rapids.

Mrs. Everett Ridge of South Bend and Mrs. Pearl Moffet of Detroit are spending the week with Mrs. Samuel Patterson.

Mr. and Mrs. George Price were Sunday callers of Mr. and Mrs. William Curry in Milan.

Mrs. Clyde Brown has returned from a 3 weeks visit with her daughter and husband, Lieut. and Mrs. Norbert O'Hara and family of Santa Ana Calif.

Those from away attending the funeral of Samuel Patterson were: Mrs. Everett Ridge of South Bend; Mrs. Pearl Moffet and Mildred Linton of Detroit; Mable Linton of Hillsdale; Mrs. James Murphy and daughter of Albion; Elsie Harrington of Toledo; Ruby Harrington of Adrian; Mr. and Mrs. Clarence Starkweather of Ypsilanti and Mr. and Mrs. Ralph Miller of Camden; Mr. and Mrs. A. R. Musson of Rochester; Mr. and Mrs. Leon Schreder of Jackson and Mr. and Mrs. William McHugh of Royal Oak; Mr. and Mrs. Richard Sinelli, Mrs. Joe Sinelli, Mr. and Mrs. Andrew Darwin of Detroit; Charles Sinelli of South Lyons; Mr. and Mrs. Herbert Schenchel of Toledo and Mr. and Mrs. Hal Lewis of Milan.

Fried-Cake Sale Was Successful

The Britton American Legion and Auxiliary wish to thank all who participated in, and contributed to the success of their fried-cake sale. Proceeds of $45.00 went to the March of Dimes.

Dedication Was A Success

Tecumseh Herald photo

Parents are shown looking one of the ne.v Britton-Macon School classrooms over during the very successful open house and dedication Monday evening. From left to right they are Mrs. Minnie Gittus, Dennie Mastie, grade teacher Mrs. Prielipp, Mrs. Henry Mastie, Mr. Norman Yarckow and Mr. Ed. Kanous.

The dedication program opened with an organ prelude by Peggy Jo Pocklington. The National Anthem was played by the band with Haroud Waters directing. Rev. Fred Belleville gave the invocation.

Parade of Champions and Pomp and Pagentry were played by the band with Harold Waters directing. Superintendent of the Britton-Macon School, Rudolph Koczman, introducedl guests and William Saxton, principal, introduced the staff. Architect R. S. Gerganoff then presented the building to the board and Clarence Herford, President of the oBard of Education, accepted the building in behalf of the district. Thank You America was then sung by the Britton-Macon chorus under the direction of Harold Waters.

The main address of the evening was given by Donald Currie, director of Eastern Michigan College placement bureau. Rev. Sorensen closed the dedication with the Benediction.

o

Mrs. John Beal Honored At Cradle Shower

Mrs. Ronald Frayer and Mrs. Ronald Cheever entertained 18 guests Saturday afternoon at the Cheever residence at a cradle shower honoring Mrs. John Beal. Games were played and prizes given.

The honored guest received many nice gifts. Refreshments were served by the hostesses.

o

Ladies Aid Met Thursday

The Ladies Aid of Immanuel Lutheran Church meet at the Church on Thursday, Jan. 24, at 8 p.m. A letter from Missionary Trinklin of Formosa was read and enjoyed by all. It was decided to postpone the purchasing of new silverware until the next meeting Mrs. Ida Cook and Mrs. Joseph Schafer were the hostesses for the evening. The next meeting will be on February 28th.

Couple Honored At Miscellaneous Shower Saturday

Mrs. Alfred Spohr and Mrs. Paul Hamilton entertained in the Hamilton home Saturday evening a group of friends and neighbors for a miscellaneous shower honoring Mr. and Mrs. Perry Younglove who were recently married. The evening was spent playing cards. Mr. and Mrs. Younglove received many nice gifts. Refreshments were served by the hostesses.

STEADY PACE

Consider every day the start of a new year, and see to it that every day does its part.

See Section 2

See page 8 for the picture and story about Kenneth Bortel capturing honors as the best sheep showman at the "Little International" during Farmers Week at MSU.

SPEED LIMIT

Highway deaths will decrease only when the motive power ceases to regulate the speed.

REFLECTION

In trying to show up the weaknesses of another a man is apt to put a few of his own on display.

LEE SAYS:

They were both brought up on farms with out-door plumbing, but their paths never crossed.

ANOTHER FEBRUARY BIRTHDAY

During February, America observes the birthdays of several of its illustrious sons—Washington, Lincoln, and Thomas Edison. Another birthday celebration of national proportions in which all America can properly join in that of the Boy Scouts of America.

Scouting in the United States reaches its 47th anniversary during Boy Scout Week, February 6 to 12. It is difficult to recall when our nation did not have this character-building, leisure time program for its boys and young men.

Since February 8, 1910, more than 26,000,000 American boys and men have been influenced by the Scout Oath and Law. They have had the benefits of Scouting, training, fellowship, handicraft skills, and high adventure.

America is all the richer for it. Many men in high places in American affairs today proudly credit Scouting's influence in their lives.

Today over 4,500,000 boys and men are actively enrolled in 540 local councils with a membership of 111,000 units. Fortunate indeed are communities where Scouting flourishes.

American adults of good character give generously of their time in giving leadership. Others help by raising funds, or in serving as members of local Boy Scout councils which in turn provide: training for leaders, camp facilities, worthwhile year-round activities, personal advancement, and opportunities for Scouts to render community service.

This summer there will be a "mountain peak" experience for more than 50,000 Boy Scouts, Explorers, and their leaders when they gather at historic Valley Forge in Pennsylvania for their Fourth National Jamboree. We earnestly hope our community will be well represented when Scouts from all over the nation camp together.

It will be a gathering of youth who will be among the nation's top leaders a few decades hence.

☆ ☆ ☆

SUCCESS COMES HIGH!

The worst element of oru destructive tax system is the steeply progressive surtax.

No one objects to paying taxes in proportion to his income. Those who earn more are willing to pay more.

But when we say to the businessman, the scientist, the inventor, the doctor, and the wage earner, that out of each additional dollar of earnings, Uncle Sam is going to take a higher and higher percentage, we are destroying incentive.

Take the example of a skilled worker making 3 or 4 dollars an hour. What would he say if his employer told him, "I want you to work overtime, but you will get less and less pay for each additional hour you work!" He would think his boss was crazy—and he would be!

But that is exactly what his Government tells him.

INCOME TAX FACTS No. 3

Tax Hints for Car and Home Owners

(This is one of a series of articles on federal income tax filing. These articles are based on information provided by the American Institute of Accountants, and the Michigan Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

Your home and you car may be the source of deductions that will lower your federal income tax. It is important to check all possible deductions because of the savings involved. If you are in the lowest bracket —20%—each $5 you can find in deductions may mean a dollar in your pocket. For persons with higher incomes the possible savings are even greater.

The interest on a mortgage is deductible on your federal tax return. In most cases, payments to a bank include both interest and principal; as the mortgage is reduced the interest is less and a larger portion is applied to the principal. Only the interest is deductible in the case of your residence.

Real Estate Taxes

Sometimes the monthly payment also includes an additional amount which the bank holds for the payment of taxes, insurance, etc. In this case the bank is acting as your agent in paying tax on your property. Real estate taxes paid by the bank for you are deductible as if you had paid them directly.

If your home had been damaged by fire, storm or flood, your loss not covered by insurance is deductible. The amount of the loss is calculated by comparing the fair market value of the property just before and just after the casualty. This loss, or the cost of the property, whichever is lower, is reduced by any insurance recovery to determine the loss for tax purposes.

When large amounts are involved it may be wise to have an expert appraisal made immediately after the casualty.

When You Sell a Home

You are not allowed to deduct any loss you may suffer on the sale of your personal residence. However, you may be required to pay tax on a gain resulting from selling the house at a profit.

If, however, you buy and occupy another home within one year, before or after, the gainful sale of your former home, you are not taxed on the gain at the time of the sale. Alternatively, you can start construction of a home within a year, and occupy it within 18 months after the sale of your old home. If the new home costs as much as you received for your old one (with allowances for certain "fixing-up" expenses), you are not taxed on the gain. If your new home costs less, the gain is taxable to the extent of the differences. In any event, you are required to submit information concerning any sale of your home at a profit, whether or not the gain is taxable.

When you buy a home you generally agree with the previous owner on a schedule of adjustments for taxes, insurance, water rates and similar items. However, you and the previous owner can deduct this real estate tax in proportion to the number of days of the property tax year that each of you held the property—whether or not you have agreed to apportion the tax. You are considered to have paid your share of the tax when you bought the home. This applies to any real estate you may have purchased during 1956.

Deductible Auto Expenses

From the time you buy an automobile you begin to have other expenses which are deductible on your federal income tax return. Any state or local sales tax you paid on the car purchase is deductible. So is the cost of your license plates, state inspection fees and interest on an auto loan.

A common deduction in many taxpayers' returns is for state gasoline tax. It is best to keep a record of your gasoline purchases during the year, but if you don't have such a record you can still make a reasonable estimate.

If you had a collision, you may be able to deduct for the damage to your own car not covered by insurance. Although driving may have been faulty, you are entitled to the deduction if the accident was not due to your negligence.

Such a loss, or loss from fire, theft or other accidents is determined in the manner described above in connection with damage to a house.

The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service urges you to consult a properly qualified advisor if you decide to seek outside help.

Realty Views

"I'm rather green at buying a house," Red Royer said, "in fact, this is my first venture. I may ask some rather simple questions."

"Think nothing of it," I replied, "we can't all be experts at everything. Part of our service is to help you find the answers to your questions."

Red continued, "I'd like to know what other expenses I have to pay if I agree to buy that house? Are there any charges besides the down payment?"

"That's a good question," I replied. "If you obtain a new loan, you'll be required to pay the loan expenses. The service fee and recording may amount to $120.00. Then, you'll pay the seller for the unexpired value of his fire insurance policy since it will be transferred to you. This may come to about $60.00 Allowing for any other smaller items, I'd estimate your costs at $200.00 plus your down payment."

"That sounds okay," Red replied. "I had heard that there were usually some extras. But I can see that those charges are logical and fair. Let's go ahead with the deal."

Whether you've bought several properties—or none at all—you'll agree our service makes it easier. Let us help you find the right home!

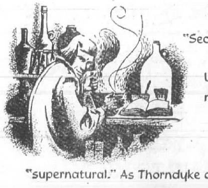
Do "Secret Formulas" Work?



"Secret formulas" do not work. Unfortunately, man is slow to discard his belief in the "magical" or "supernatural." As Thorndyke observed, men have a natural tendency to crave the sensational, exaggerated, and impossible and to fly in the face of both reason and experience.

Every scientific discovery worthy of the name is made known to all physicians as rapidly as possible in order that all mankind may benefit. When you are ill, consult your physician. Then bring your prescription to us for compounding.

News From The Tecumseh Grade Schools

PATTERSON NEWS

Recently we celebrated Kathryn Mead's seventh birthday. For a treat Mrs. Mead brought ice cream, candy suckers, and very pretty cup cakes. Each little cup cake had either a funny snow man or snow woman on it. Some of us thought they were too pretty to eat and so we carefully wrapped them and took them home to show our family.

Most of us are back in school now after having the chicken pox. We hope nothing else comes along for awhile that we can catch.

Our thoughts in third grade these days wander to Florida sometimes. The reason? Lee Selders is vacationing with his parents there. We think it would be fun to go in swimming and enjoy the warm weather although we find the snow fun, too.

We did take an imaginary trip across the United States. On our trip, which we took by bus, we visited such places as New England, San Francisco, the great Sequoia trees, and Florida. We also saw Indian dances and the Japanese cherry trees in Washington, D. C. There are many other places we visited and things we saw too. We thought the movie (our trip) about America was very interesting.

Judy Caldwell from Alabama joined our class. We didn't visit that state on our trip but Judy tells us it is warm down there. We now have thirty-six in our room.

After seeing a movie on soap carving, we wanted to try it. We find it is lots of fun.

Our second group in reading are in the Tall Tales book. The stories are real funny and we enjoy them.

In arithmetic we are working with three place numbers in both addition and subtraction.

Lee Selders and Cynthia Tatar won the poster contest in our room. The posters tell about the Patterson Home Fair, March 2. We hope to see as many of you as possible at the Fair.

The fourth grade Junior American Citizenship Club held its first meeting this week. Jeff Osburn was elected president and Sue Ann Hammack vice-president.

We had fun last week making soap carvings which we have in the display case in the hall. We also made some woven mats. We used the ones with the nicest designs for a background for the case.

Most of us wrote letters to Rancher Glen after he visited us. We enjoyed his stories and songs and are trying to keep the health rules he gave us.

Last Friday our sixth grade class had a roller skating party at the roller rink in Adrian. We all had a very nice time.

On our bulletin board we have pictures and facts about famous men and women whose birthdays come in February.

We held a class meeting to plan our Valentine party.

Stephen Lasky is a new pupil in our room.

Jerry Hebb is Lieutenant of the Safety Patrol. The other members are Terry Beland, James Cook, James Simmons, Paul Schneider, John Mensing, Stephen Freckleton, and Gene Manwaring.

Gary Tietesma and James Osburn have the care of the flag.

Barbara Colgrove is Lieutenant of the Service Squad. The other members are Peggy Morris, Nancy Kennel, Susan Whitney, Bonnie Kempf and Lettie Ringman substitute.

The Librarians are Alison Derby and Fawn Choske.

The "Milk Maids" are Mary Smith, Michelle Anderson, Nancy Hooten and Ann Surratt.

Jo Ann Caldwell has joined our afternoon kindergarten. We are so glad to have her. Our numbers are more fun every day and we are so proud to take our papers home.

February is a nice month as there are so many special days.

We will soon start on our Valentine boxes. Each of us will plan the decorations we want to use to make them beautiful.

Friday was a big day! Mr. Purkey took us to Mr. Musch's greenhouse. We saw so many things that we liked. When we left he gave us a beautiful plant for our own little Greenhouse and to each of us one ivy. Some of us wanted to plant them at school and some took them home. We enjoyed seeing some very large Cactus and we hope ours will grow.

CENTRAL NEWS

A real, live, bowlegged cowboy, named Rancher Glen, visited the Central School recently. Rancher Glen spent many years in the western states and told of his life as a cowboy. He sang western songs and played his guitar. He invited the boys and girls to sing along with him. Rancher Glen now lives on a ranch in Michigan and told about his two horses. He also talked about the health cross and the five points that stand for food, play, posture, water and sleep. He urged the children to get plenty of all these things so that they would grow into healthy men and women.

Mrs. Caterina gave Mrs. Neitling's first grade a pleasant surprise. She brought the rhythm instruments to Music class and each child got to play something.

We are taking turns counting to one hundred. Each day four or five children get to count and so far, everyone has been able to do it. About twenty-five people in our room can also write and recognize numbers to one hundred.

The children in Miss Luken's first grade room were delighted when everyones name appeared on the chart for shapes of objects. Each day two people had the opportunity to name the shapes and if they identified them, Miss Lukens printed their names on the chart.

The new "I can do it" chart is proving to be even more fun. Only names of children who show they can write their names the first grade way, with a capital letter at the beginning and lower case letters for the rest, get their names on it. They must prove it first by printing their name on the blackboard. If it is first grade printing, they get to print their own name on the chart. They are trying to add two names each day.

The children are missing Trudy Curtiss who is sick with chicken pox.

This week was the first opportunity the children had had to have recess in the gymnasium. They enjoyed marching, walking and hopping to music, some group singing around the piano. They hope to make this a permanent feature of the week's activities.

Honey from Michigan; pecans from Mississippi! The children in Mrs. Puffer's room recently enjoyed these treats when Diane Lake brought a comb of honey her father found in a tree in their woods, and Sherryl Harper's Grandfather sent us some pecans from his farm in far away Mississippi.

Mrs. Van Winkle's second grade boys and girls are learning to write a new way. We have wanted to do so for such a long time. We can already make an i, u, t, w and j. We will be so happy when we can write our names, using the cursive method.

Richard Randolph is recuperating from a tonsillectomy. We hope he can come back soon.

Mrs. Callihan's fourth graders are keeping busy with reading, writing, arithmetic and other subjects. The slow, quiet life of New Orleans has been interesting. Each of us have drawn a picture of what we liked best of that life.

Our snow pictures of chalk and crayons on blue look pretty. Our Junior American Citizen Club was organized this week. Sharlette Wegner is our president; Terry Berkely is our vice-president and Linda Hicks is the secretary.

Mrs. Whiting's fourth graders are making poetry booklets for the fanciful stories they are now reading. They have made health stars which have about the same points that Rancher Glen stressed in the assembly program, which are: eating proper food, getting plenty of exercise and fresh air, good posture, drinking 2 to 6 glasses of water daily and getting at least 8 hours of sleep every night. They are all trying to live up to these because they want to grow up to be strong, healthy, happy citizens.

The boys and girls in Mrs. Bailey's fourth grade are having a contest in arithmetic. Jo Ann Green and Terry Morden are the leaders. They have chosen sides and are going to see which one can get the most arithmetic cards which have the combinations and times tables on them.

In social studies the children are studying six important cities in the United States. They are New York, New Orleans, Seattle, Minneapolis, Pittsburgh and Phoenix.

Mrs. Crawford's sixth grade arranged the display case to illustrate their study of foreign countries. There are beautiful clothes from Japan, fine china and ceramics. From Africa a colorful tapestry and scarf. A German flag, coins and stamps are also shown. The background maps were drawn by members of the class.

In arithmetic we have mastered the division of fractions and find this much easier than addition or subtraction.

Mike Deaner's mother visited us one afternoon. We were happy to have her.

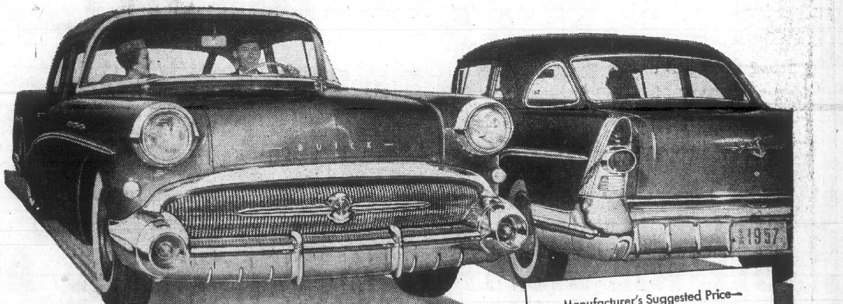
What a Price!
What a Buick!



Manufacturer's Suggested Price— for this 2-Door SPECIAL 6-Passenger Sedan
$2595.83
(including Delivery and Handling Charges and Federal Excise Taxes)
Transportation charges, state and local taxes, accessories and optional equipment, including Dynaflow transmission, radio, heater, and white sidewall tires, additional. Prices may vary with individual dealer pricing policies.

WHERE ELSE among all the '57 cars can you find the equal of this?

Where else can you get the power, the performance, the room, the visibility, the solid substance you get in this spanking-new Buick SPECIAL—*for just a few dollars more than the price of a smaller car?*

Here you get a big and brawny Buick that's pure thrill—brand new in body and styling and interior beauty. More important—brand new in everything that gives lift and life and lilt to a car—for that's where we put most of our hard-cash millions in building you this sensation.

So you boss a brand-new engine packed to the brim with horsepower, torque, taut compression. Command a brand-new Dynaflow* that's *instant* in response.

You ride in a new miracle of chassis design where a wide-flaring frame "nests" the body inches lower *without stealing from your headroom, legroom, footroom—or your ground clearance.*

Go see for yourself at your Buick dealer's—Buick's the dream car *to drive*—and the most satisfying buy in the land today.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

Brand-NEW Styling —MORE GRACE Low-sweep silhouette has flair without flash

Brand-NEW BODIES —More Comfort New lowness with full headroom and legroom

Come in! One look is worth a thousand pictures one ride is worth ten thousand words. IT'S THE DREAM CAR TO DRIVE. YOUR BIGGEST VALUE TO BUY

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

MACON

by Mrs. Mildred Moore
Correspondent

OPEN HOUSE

There will be an Open House honoring Mr. and Mrs. Clarence Hall on their "Fortieth Wedding Anniversary" next Sunday, February 10, at the Macon Methodist Church from 2 till 4:00. All their friends are invited.

SPECIAL OFFERING

February 10, is "Race Relations Sunday" and a special offering is to be taken and used for this purpose.

BANQUET

The Blue and Gold Banquet will be held in the Britton-Macon School on Saturday February 9 with a co-operative supper at 6:30. All Macon Boy Scouts and their parents are invited.

LOCALS

Larry Pennington, Fred Betzoldt, Paul Cook, Ricky Zick, Richard Moore, Edzick and Scout Master Dean Moore spent the weekend at Camp Kaosatake on Washington Lake. They earned some of their badges, had a cook out, went skating, skiing, and sliding.

Danny and Christine Vollmar are ill with Chicken Pox. They are the children of Mr. and Mrs. Paul Vollmar.

Gloria Osborne spent the weekend with her grandparents, Mr. and Mrs. Elton Osborne.

A group of friends and relatives had a surprise House-Warming Saturday evening on Mr. and Mrs. Wesley Gilmore at their new home on Welch road.

The Junior Youth Fellowship enjoyed a marshmellow roast on Sunday afternoon. Then they had their meeting and devotions.

Mr. and Mrs. Bernard Merritt and family of Milan, Mr. and Mrs. Elton Osborne, and Mr. Robert Osborne were Thursday evening guests of Mr. and Mrs. George Osborne. The Macon Women's Club will meet on February 14, with dinner at 12:30. Mrs. David Bush will be the hostess.

Fifty friends and relatives gathered Saturday evening at the Tecumseh Grange. The Hawaiian Theme" was used in the menu, decorations, program and prizes. Partner's were chosen by matching up lei's, that were given to each of the guests. Among those from this vicinity that attended were Mr. and Mrs. Charles Knight, Mr. and Mrs. Wesley Proctor of Clinton, Mr. and Mrs. Robert Bryan, Mr. and Mrs. Murray Day of Tecumseh; Mr. and Mrs. Charles Bigelow, Mr. and Mrs. Mike Papp, Mr. and Mrs. Hamilton F. Moore. Others were present from Clyde, Ohio, Birmingham, Allen, Detroit, Milan, Ypsilanti. The evening was spent renewing acquaintances, dancing and games were played.

Mrs. Eva Thomas of Atlanta, Georgia, who has been visiting her sister, Mrs. Mary Howell, since September, returned to her home this week with her son and wife.

Mrs. Stewart Niblack has been discharged from the Herrick Memorial Hospital and after spending a short time with her parents, Mr. and Mrs. Herbert Gilmore, has returned to her home in Ypsilanti.

Miss Margie Papp returned to College in Ypsilanti Sunday after spending the Semester Vacation with her parents Mr. and Mrs. Mike Papp.

STATE OF MICHIGAN
CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY
Order of Appearance
WILLIAM AUBREY POCKLINGTON and MINTA POCKLINGTON,
Plaintiffs,
vs
H. RAY POCKLINGTON and MARY MATILDA POCKLINGTON, or their unknown heirs, legatees and assigns,
Defendants.

At a session of said court held at the courthouse in the City of Adrian in said County on the 28th day of January 1957.

Present; Honorable Rex B. Martin, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the affidavit of J. C. Beardsley attached thereto, from which it satisfactorily appears to the Court that the unknown heirs, devisees, legatees and assigns of the Defendants above named, are proper and necessary parties Defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of J. C. Beardsley, attorney for Plaintiffs, it is ordered that said unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said unknown heirs, devisees, legatees and assigns.

Dated: 28th January 1957.
REX B. MARTIN,
Circuit Judge
Countersigned:
A True Copy:
ALICE M. WELCH
County Clerk

Take notice, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Macon, County of Lenawee, and State of Michigan, described as follows, to-wit:

All that part of the Northwest Quarter of Section 27, Town 5 South, Range 5 East, described as COMMENCING 16 rods North of the Northwest corner of the Southwest Quarter of the Northwest Quarter of said Section; thence East, 80 rods; thence South, 32 rods; thence East, 80 rods to the East line of the Northwest Quarter; thence South, on the East line of the Northwest Quarter to within 20 rods of the center of said Section; thence West, on a line parallel with the Quarter Section line, to the West line of said Section; thence North, along said Section line, 76 rods to the place of beginning, and containing 60 acres, more or less.

NEWS OF THE FARM

Lenawee Co. Agricultural Agent's Column - - - - -

Continuous corn planting can be successful on some fields, reported R. L. Cook, Michigan State University soils man.

He added there are several limitations but most important is the need for liberal fertilization. Greatest need, he said, is for nitrogen. With continuous planting of corn, growers will have to apply about one pound nitrogen for each expected bushel yield.

The other two main fertilizer elements, phosphate and potassium need applications of from 40 to 100 pounds per acre year depending on soil and soil tests. Cook pointed out rotation-grown corn on livestock farms may take advantage of fertility left by other crops. This left-over fertility may run to a high nitrogen level. This is especially true when corn is planted to field just out of alfalfa and recently manured. It needs very little nitrogen. Need for potassium and phosphate might also be cut to a starter of 200 pounds of 5-20-10 or 5-20-20 per acre.

Extension Staff Changes Were Made Jan. 25

Eight staff changes in the Michigan Cooperative Extension Service were approved (Jan. 25) by the State Board of Agriculture, governing body of Michigan State University.

Resignations included:

Mrs. Barbara I. Johnson, Lenawee county home demonstration agent, effective Jan. 15, to move to another city.

Clayton C. Ingerson's title was changed from assistant county agricultural agent to associate county agricultural agent in Lenawee county, effective February 1.

—o—

Holstein Cow Sets Record

A special report of The Holstein-Friesian Association of America, Brattleboro, Vermont, announces the completion of (an) official production record by (a) registered Holstein cow in the herd of E. M. Baker of Clayton. Bakerlads Burke Gene 3223964, milked twice daily for 301 days, produced a total of 14,863 lbs. of milk and 525 lbs. of butterfat as a 5-year-old.

Michigan State University supervised the weighing and testing of this record which compares with an annual production of only 5,815 lbs. of milk and 224 lbs. of butterfat by the average U. S. cow.

Jr. Project Beef Tour To Be Held Friday, Feb. 8

The Lenawee County Junior Project Beef Tour will be held Friday, February 8. A number of 4-H and F.F.A. beef feeding projects will be visited. There will be two tours in the morning, combining in the afternoon.

The tour from the northwest part of the county will begin at Richard Aiken's (Gilbert Aiken, father) Cement City Blue Ribbon Club, at 9:30 a.m. The farm is located on Silver Lake Highway north of US 112. From there the tour will continue on to the home of Richard and Gary Pawson, (Lloyd Pawson, father) located on Sandy Beach Road west of US 223, at 10:30 a.m. They are members of the North Rome Busy Bees. Members of the tour will visit Sharron and Mark Allshouse, (Orville Allshouse, father) of the Tipton Toppers, at 11:30 a.m. They live on Shepherd Rd. a mile west of Tipton Hwy.

The members, parents, leaders and others interested will eat lunch in Adrian and continue on the afternoon tour.

The other morning section will start at Mary and Betty Keller's, (Earl Keller, father) located at the south limits of Jasper on M-52, at 9:30 a.m. They are members of the Fruit Ridge Eager Beavers. At 10:15 the tour will visit Patsy Lakatos, (Alex Lakatos, father) member of the Fairfield 4-H club, located on Weston Road, 1½ miles west of M-52. From there they will visit Bill Kuechenmeister, of the South Riga Go-Getters, (Otto Kuechenmeiester, father) at 11:00 a.m., located on Silverhorn Hwy. nearly 2 miles south of the Weston road. They will visit Larry Lipp, (Edwin Lipp, father) member of the Blissfield Livewires, at 11:45 a.m. He lives east of Riga on US 112. Members of this tour will eat lunch at Blissfield.

The afternoon tour will start at the home of Jeff Ehlert, (Clarence Ehlert, father) located at the corner of Wellsville Hwy. and Rouget Rd. at 1:00 p.m. Jeff is a member of the Wellsville 4-H club. From there they will continue on to Bill iMtchell's, (James Mitchell, father) located on Grosvenor Hwy. just south of Laberdee Rd., at 1:45 p.m. He is a member of the Holloway Hotshots. The tour will end up at Britton, where they will visit the Britton F.F.A. at 2:30 p.m.

The tour will be conducted by county vo-ag instructors, a specialist from Michigan State University and other extension personnel.

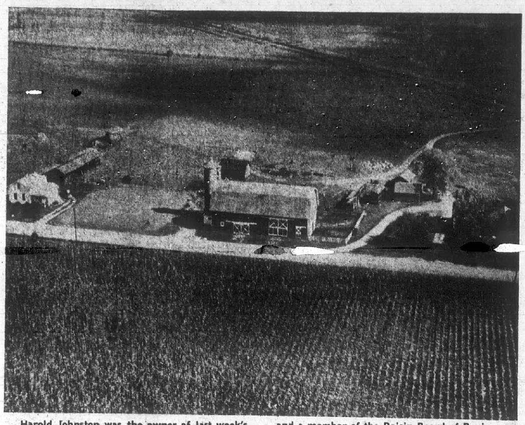
This would be a lot tougher world to live in if every work day made a man as tired as a holiday.

Mystery Farm Was Harold Johnston's



Harold Johnston was the owner of last week's "Mystery Farm." It is located on Raisin Center Hwy. 1 1/2 miles West and 1 1/4 mile South of Holloway.

Mr. Johnston and his wife have been on the 103 acre farm since 1947. It has been in the family for three generations. The farm was formerly called the "Old Frank Judson Farm".

Mr. Johnston and the former Harriet Mitchell were married in 1944. They have two children, Stephen 9 and Ray 6. The children attend Raisin Center District 7 School. The family are members of the Holloway Presbyterian Church. Mr. Johnston is a member of the Dictrict 7 School Board and a member of the Raisin Board of Review.

The operation is largely dairy farming. From 10 to 14 Holstein cows are milked. Other stock includes hogs. Twenty-two acres of the land is used for pasture at the present time. Oats, wheat, corn and hay are rotated. Mr. Johnston states that he feeds his cows Hayden supplements and takes advantage of their portable grinder. He uses VC 3-12-12 fertilizer.

The Johnstons have received their free aerial photo from the Herald and $5.00 worth of free merchandise courtesy of Green's Men's Furnishings.

Conservation Department Put Trees On Sale

The Michigan Conservation Department placed 27,000,000 young trees on sale this week, and orders for the spring planting season are now being accepted. Red Pine seedlings and transplants, white spruce seedlings and transplants and jack pine seedlings are available for reforestation and Christmas tree production.

The trees will be shipped to land owners from the Department's three nurseries, when planting season arrives in the spring. Victor Horvath, the District Forester assigned to this area by the Department, urges that spring planting orders be placed as soon as possible. The services of the District Forester are available for tree planting problems and he can be contacted by writing to him at the county Building, Ann Arbor. Price lists and order blanks for the trees will be sent to anyone interested upon request.

—o—

Tree Trimming Demonstration To Occur Feb. 11

District Horticultural Agent, K. D. Bailey, will conduct a tree trimming demonstration Monday, February 11, at 1:00 p.m. at Keeney Orchards. The location is 1 1/2 mile west of Tipton on M-50. This demonstration will be on pruning old trees.

A demonstration will be held at 3:30 p.m. the 11th at the Fairfield Apple House, Fairfield Village, on pruning a young orchard.

The Horticultural Society will hold its annual meeting and election of officers for 1957 at 6:30 p.m. the 11th of February. A dinner will be served in the Lenawee Hotel dining room at the corner of Maumee at Winter St. in Adrian. Mr. Bailey will speak on the subject, "The Most Economical Spray Program for Tree Fruits."

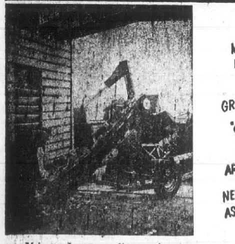
SAVE HALF THE WORK AND TIME



- MORE REAL CAPACITY-LESS ACTUAL POWER
- MORE VERSATILE-GREATER EARNING POWER
- "ONE MAN" OPERATION
- LITTLE OR NO DUST AROUND MILL, OR IN FEED
- NEW DRAG LINE-MAGNETS AS OPTIONAL EQUIPMENT

Using a Letz to realize a substantial saving in grinding time, work, and feed, trims feed-handling, preparing, and feeding costs. And increasing the palatability of grain concentrates through correct preparation makes stock eat more—do better.

With a Letz Grinder, all feed reduction is accomplished by slow-speed cutting action, and cutting action only. That's why Letz preparation, whether cracking shelled corn, granulating ear corn, or pulverizing oats, makes feed more palatable—more eagerly eaten by all classes of stock and in greater amounts. That's why Letz Grinders have more real capacity and require less actual power.

The Letz Mill Feeder with new Drag Line saves scooping tons of feed. Keeps the grinder fully loaded—assures big capacity. Powerful, permanent magnets protect both livestock and grinder.

See your John Deere dealer now.

LOOK!

NEW FORD TRUCKS for '57

The Ranchero! More than a car, more than a truck—it's a completely new kind of vehicle. A real pack horse that handles more than half a ton.

Totally new Tilt Cabs! America's lowest-priced,* most modern Tilt Cab line. Six complete new Series, up to 60,000-lb. GCW.

New pickup with Styleside body, standard at no extra cost, gives you stunning style and the biggest capacity of any half-tonner. Available in 6½- and 8-ft. body lengths.

LOOK again!

They're modern through and through

The boldly modern styling you see just *hints* at how deep-down modern the '57 Fords really are!

New Ranchero rides, handles and looks like a modern car. It's a rugged truck that carries over half a ton—more than many standard pickups. Ford's all-new Tilt Cab Series brings modern design to the big-truck field. It's America's lowest-priced* Tilt Cab line.

New Ford pickups back up their modern styling with higher power, completely new cabs, a new kind of ride. Styleside bodies are biggest of any pickup.

The trucks shown here just touch the sweeping changes in the new Ford line for '57. See your Ford Dealer for complete details on the truck to fit your job.

*Based on a comparison of factory-suggested list prices

NEW cabs—completely new—stronger, roomier, smarter! New wider windshield. New inboard step, new Hi-Dri ventilation.

NEW hydraulic clutch standard in all models from pickups to tandems. Easier to operate—works like hydraulic brake. Clutch and brake pedals are suspended type!

NEW Styleside pickup bodies standard at no extra cost. America's biggest pickup bodies! Side loading's far easier with full-width body.

NEW riding comfort! Big new roomy cabs, completely new chassis suspension and increased visibility improve handling ease.

NEW chassis strength! New frames, up to 13% stronger. New sturdier front and rear axles! New higher capacity springs!

NEW power advances! Higher horsepower, freer breathing, higher compression ratios, new Super-Filter air cleaner. Short Stroke engine design—V-8 or Six, in every model!

For '57 and the years ahead—

A PLEA FOR HELP

The Ronald Marsh family of Ridgeway has been the victim of a series of tragedies that seem unbearable for any one family. Delbert, 13, was the first victim when it was discovered that he had Rheumatic Fever shortly after an appendix operation at Christmas time. He has been in Herrick Memorial Hospital since that time. The second blow occurred January 29 when Mrs. Marsh, only 49 years old, died of a heart attack leaving Mr. Marsh and the four children. The final bit of fate came February 6 when their home across from the Methodist Church in Ridgeway was completely gutted by fire. They lost their house as well as most of their furniture and personal belongings.

This is a public plea for help. Anyone wishing to make a cash contribution for the Ronald Marsh family is asked to please do so by leaving it with Merlin Downing at the United Savings Bank. A little later when Mr. Marsh has secured another home, the Quaker Fellowship Class of the Friends Church, to which the Marsh's belong, will announce a public shower indicating the nature of things most urgently needed.

Mr. W. D. Hite, from Hite's Hardware, has announced that he will donate his key cutting machine and services to the cause of the Marsh family Friday and Saturday of this week. The key machine will be moved into the front window of Hite's Hardware where keys will be cut with all receipts to be donated to the Marsh family. Payment for the keys will be made into a nearby canister. I am sure that everybody in the Tecumseh area has need for at least one set of duplicate keys. There couldn't be a more justified cause than to help this family who has had so much more than their share of grief.

District No. 11 Special Election Monday March 4

Tecumseh Public Schools District No. 11, will hold a special election on Monday, March 4, 1957. Polls will be open from 7 o'clock in the morning until 8 o'clock in the evening. The last day of registration will be Friday, February 22, 1957 by 5 p.m. with your proper City or Township clerk.

There are two proposals to be voted on. Proposal No. 1, which may be voted on by all qualified school electors, will be asking to raise the limitation 8½ mills over

Patterson Home Fair Committees Working

The Patterson Home Fair Committees are making special plans for the young fry on March 2 at the Patterson School. Parents will be free to visit the many inviting booths and do their shopping while the children are entertained in any one of many ways.

The movies will be showing continuously in the school library. Mr. Orville Bishop, chairman, is selecting thirty-minute showings of cartoons to appeal to the younger trade. Fred Dickinson, Jr., Jesse Gray, Barney Fero, Ray Schlegel and Pat Fero will assist Mr. Bishop in the movie room.

Mr. Steven Illeck, Chairman of the Rumpus Room, will have two fish ponds with lots of fine "fish" to be netted. There will also be contests of skill to be tried with prizes for the successful players. Don Purkey, Jack Shutt, A. S. Miller and Hugh DesErmia will be Mr. Illeck's assistants.

The "Wandering Apron" will be a feature to watch for during the afternoon at the Fair. Customers may take their choice of the contents of a large-pocketed, varied-priced apron which will be circulated during Fair hours from 12 noon at 7 p.m.

Mr. and Mrs. Gibbs Barber are in charge of the Den, where will be found comic books, pocket novels, puzzles, games and records for sale.

Fair patrons will find the Sweets Booth a perfect spot for renewing energy during all this entertainment and shopping. Mrs. Barney Fero and her committee: Mrs. Hugh DesErmia, Mrs. Don Nettleman, Mrs. Frank Rice and Mrs. Douglas Sisson—will have several kinds of homemade candy and fudge, candy bars, suckers, gum and popcorn balls. Weekend treats will be easy to find in the Candy Booth.

Notices with complete Fair information, together with admission tickets and maps of the layout of the Fair, are being sent home to Patterson parents this week.

A prize will be awarded to the room selling the most tickets. The purchasers of admission tickets are also thereby eligible for the fine door prizes. Mrs. Opal Dickinson, General Chairman, is preparing a display including these prizes, to be set up in the front hall display case at Patterson School this week.

The Patterson Home Fair on Saturday, March 2, promises to be a gala affair and one which everyone will want to attend. The public is cordially invited.

Exchange Club To Sponsor Boxing Show March 2nd

The Tecumseh Exchange Club is sponsoring a Boxing Show March 2nd at 8:00 p.m. in the Tecumseh High School Gymnasium.

The participants will be members of the Southern Michigan Prison boxing team under the direction of Recreation Director Bud Riker. There will be approximately 8, 3 to 4 round matches. Possibly several of the matches will be for prison championships.

It is emphasized that the participants are extremely trusted and stable prisoners. Such shows are always for good causes and willingly performed by the prisoners.

All proceeds will go to benefit the youth in Tecumseh through such projects as sponsoring a Little League Baseball team or Scout Cabin equipment. Tickets are on sale from any Exchange Club member at $1.00 for adults and

(Continued on Page 3)

Tecumseh Police Report Accidents During The Week

The Tecumseh Police Department reports the following activity during the past week. On February 6, cars driven by Walter Murphy, Clinton, and Ray Williams, Petersburg, collided in the Products parking lot.

On February 7, a car driven by Delbert King, Tecumseh and a car driven by Dencil McDonnell, Adrian collided on S. Evans Street. About $150 damage was done to the King car and about $200 damage to the McDonnell vehicle.

February the 11th, George Feller, Onsted and Perry Younglove, Britton, had an accident on 7vans and Kilbuck Streets. Two hundred dollars worth of damage was done to the Feller vehicle and $75.00 to the Younglove car. Feller was ticketed for failure to stop at a stop sign.

A car driven by Andrew Johns, Adrian and a car driven by Marian Holmes, Tecumseh collided on S. Evans and Russell Streets, February 12. The Johns car was damaged to the extent of $300 and the Holmes car about $200. Johns was ticketed for failure to yield the right of way.

Also February 12, Janice Holcomb, Tecumseh, lost control of her car on Adrian Street and crashed into a tree, badly damaging her car. Fortunately she was not injured.

Board Says Tax Rate Will Not Be Increased

James McDowell, Superintendent of Tecumseh Public Schools, explains this week how the Board of Education proposes to undertake the building program without increasing the tax rate for the District.

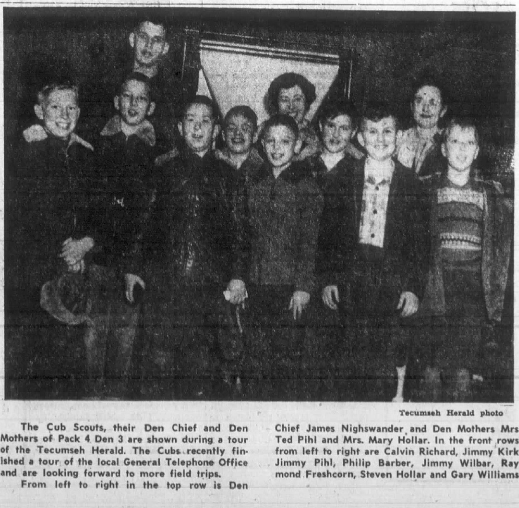
Mr. McDowell says, "the Board of Education has presented a program for building needed facilities to eliminate overcrowding and improving instruction in the Tecumseh Public Schools which included eight projects. This total program although it will cost approximaely $1,900,000 will not raise the tax rate for school bonds in excess of either the 1948 or 1952 bond issues. In fact, after the first year, the rate will be considerably less than on either of these former issues."

"In 1948, the District borrowed 4.5% of its assessed evaluation of $4,054,900 or $180,000 and paid off the debt in 4 years due to the growth of the community. In 1952 the District borrowed 9.6% of its assessed evaluation of $6,727,800 or $650,000 and this will be paid off in December of this year which is six years. This rapid payment of the debt is also due to the rapid growth of the community as the District had voted 13 mills for 15 years. Now the Board of Education purposes that the school electors of this District vote to bond for 8.3% of the evaluation of $22,627,720 or $1,900,000 and to pay the debt at not to exceed 8.5 mills for 20 years. As in 1952, the excess rate over actual need is for the purpose of providing a safety factor which will enable the bonds to be sold at a lower rate of interest and thus save the taxpayers of the District considerable in interest."

"Perhaps the simplest statement that can be made, with reference to school taxes, is that they will be substantially the same for any individual piece of property as they were during the time that the City of Tecumseh was paying off the bonds on the 1948 and 1952 bond issues. A direct comparison is not possible due to the fact that in the City of Tecumseh and some townships assessed valuations have been revised in the past year. The actual amount might increase or decrease depending upon whether the assessor increased or decreased the valuation of the property."

"The State Equalized Value, which is the same in the several Townships of the School District, is the best actual measure for levying taxes and also is the basis on which, according to State Law, school taxes must be spread. In the 1948 and 1952 Bond issues, the tax rate was 13 mills or $13.00 per thousand of local equalized assessed evaluation. The Board expects to maintain a lower rate on local equalized evaluation for the District than on the two previous issues beginning with the bonding period in 1958. Each taxpayer in the district will pay exactly the same amount per thousand dollars of state equalized valuation no matter where he lives in the district. The voted rated must be 8.5 mills on state equalized valuations for 20 years but the actual rate which the Board will require will be between 6 and 7 mills beginning in 1958. This will retire the bond issue in from 10 to 14 years rather than 20 years as must be voted in order to sell the bonds, since this is the margin of safety required by bond buyers."

"Tecumseh is a growing community. Many new homes are being built each year and their value added to the tax rolls. In the past, this increase in valuation has made it possible to maintain or reduce the tax rate and pay off bonded debt at an earlier date than the maturity of the bonds. There is every reason, therefore, to expect that taxes will remain the same as those in effect while the 1948 and 1952 bonds were being retired, or, conceivable, they could decrease due to the growth in population and the great efficiency of the school operation."



Tecumseh Herald photo

The Cub Scouts, their Den Chief and Den Mothers of Pack 4 Den 3 are shown during a tour of the Tecumseh Herald. The Cubs recently finished a tour of the local General Telephone Office and are looking forward to more field trips.

From left to right in the top row is Den Chief James Nighswander and Den Mothers Mrs. Ted Pihl and Mrs. Mary Hollar. In the front rows, from left to right are Calvin Richard, Jimmy Kirk, Jimmy Pihl, Philip Barber, Jimmy Wilbar, Raymond Freshcorn, Steven Hollar and Gary Williams.

The New Tecumseh Fire Truck Will Be Here Friday

Fire Chief Cecil Alderdyce and driver Lawrence Price will take delivery of the city's new fire truck Friday in Battle Creek at the Barton Manufacturing Co.

The truck is a 750 gallon per minute pump truck with a 600 gallon water tank capacity. Included in the equipment is 45 feet of aluminum ladder. It is mounted on a Ford F-8 212 h.p. chassis purchased from Butler Motor Sales. The cost of the body was $11,630.56 and the cost of the chassis was $4,125.

Tecumseh Township has paid $3,000 in advance on their fire protection fee to the city of Tecumseh. After 1959, the amount of $1,000 per year will be due for the protection.

o

Big Reds From Milan Defeated Indians 67 To 59

Milan, in a non league basketball game, defeated the Tecumseh Indians Tuesday night by the score of 67 to 59. The Tecumseh Junior Varsity also lost in a close game that ended with the scoreboard reading 38 to 35.

Miller, Hansen, Elliott, Yoakum and Larned started the game for Tecumseh. Schultz, McCleery, Toaman, Thompson and O'Donnell started for the "Big Reds". Richard Stephenson, a freshman, made his first appearance on the Tecumseh varsity team in the first quarter.

Tecumseh led 12 to 10 in the first quarter with only 16 seconds to go. Milan's O'Donnell tied the game at 12 to 12 by the end of the quarter after being fouled. After Tecumseh pulled ahead early in the second quarter, the "Big Reds" started to pull away from the Indians. By the end of the quarter, Milan was leading by the

(Continued on Page 3)

Annual Polio Dinner To Take Place Sunday

Citizens are reminded not to forget the Annual Polio Dinner scheduled for Sunday, February 17 at Don's Grill from 11 a.m. to 7 p.m. There is no fixed price for the meal. However, all receipts will go to the Polio Fund. Tom Corkery is the chairman of the project.

To date, contributions total $1824.98. This sum is mainly from the Mother's March, dime boards and mailed contributions. It can be readily seen that collections are about $1700.00 behind last year's when a total of $5592.51 was collected. Of this total, $2084.64 was from the Polio Dinner.

The importance of this dinner can be readily seen if Tecumseh is to better or even equal last year's collections. Last year, Tecumseh was the only city in Lenawee County that equaled and surpassed their previous year's total. Let's not spoil the record this year.

All preparations are nearly completed for the dinner for which the facilities and location are donated by Don's Grill and time and help is donated by the restaurant staff. All foodstuffs served at the dinner are donated by local business places and others. The following is a list of people soliciting merchants for donations at the present time: Mr. and Mrs. Charles Stevenson, Mr. and Mrs. Richard R. Eggleston, Mr. and Mrs. Bill Hanna, Mr. and Mrs. Robert Custard, Mr. and Mrs. Donald A. Smith, Mr. and Mrs. Harold Easton, Mr. Thomas Corkery and Mr. Roland Reister.

The following is a list of people who will be working Sunday at Don's Grill: Dick Eggleston, Bob Custard, Harold Easton, Dave Vanderpool, Rodger Linger, Harvey Wilson, Roy Richard, [illegible] Charles Stevenson, Jack Osburn, Earl Baldwin, Dave Ousterhout, Al Merz, Shirley Custard, Ruth Hanna, Rena Vanderpool, Thomas Corkery, Edna Smith, Jack Hanna, Bill Hanna, Mary Hanna, Ron Reister, Donna Reister, Gertrude Stevenson, Marge Eggleston, Donna Ousterhout, Polly Linger, Perry Satterthwaite and Jean Merz.

Legion Given Award

It was announced at the monthly meeting of Underwood-Orr Post 34 that the Post was awarded the "Annual Americanism Citation" for worthwhile and outstanding service to the community in 1956 by the National Americanism Committee.

o

We Want Your News

Don't forget to report all of your news to the Tecumseh Herald. We want and appreciate it. We will gladly help out organizations with their publicity problems.

Exchange Club Discussed Civic Problems Wed.

The Tecumseh Exchange Club met Wednesday evening in the Eagles Hall. Ed Nelson, program chairman of the evening, announced that the scheduled St. Lawrence seaway speaker had been postponed until next month. He presented City engineer Calvin Zorn who served as moderator on a Civic problems discussion.

President Wallace Whiting presided. See page one for details concerning the boxing show to be sponsored by the club March 2.

Community Fund Bd. Approves Purchase

The first meeting of the newly elected Community Fund Board was held in the United Savings Bank Monday evening. Seven members of the nine were present. Chairman George E. Green, Jr. presided.

Besides routine business, the chair appointed Mrs. H. H. Hanna as corresponding secretary, and Mrs. T. Rentschler as publicity chairman.

Jack Osborne, general chairman of the drive for community funds last fall, reported that the Junior Chamber of Commerce and its helpers were successful in raising $15,009.25.

The board wishes to extend thanks to all who helped to raise the money for the fifteen approved agencies. Of this amount, $3,444 went to the Michigan United Fund for distribution among its many approved agencies such as the Heart fund, Leader Dogs for the Blind, Inc., Michigan League for the Hard of Hearing, etc.

After careful thought and much discussion, the board authorized the purchase of the following emergency equipment for our Civil Defense Program as outlined by Chief George Kilbourn, the director for Tecumseh and surrounding community: one Porto-Power Unit at $374.00 — (this is a powerful jack with multiple purposes such as raising fallen steel beams, steel doors, fallen trees, etc.); one Mobile Radio Unit at $425.00—(this is to be placed in the emergency vehicle and geared to the frequency of the radios in our police cars) and one Electric Power Chain Saw at $141.00. The total cost of the equipment will be $940 and will be paid from the Community Fund. Chief Kilbourn will have other equipment on hand which will be provided through the surpluses of the state at no cost to Tecumseh. With the authorization to purchase this emergency equipment goes a very definite understanding that such equipment is not to be used by the public and only under the direction of the Civil Defense Director of Tecumseh and Community. Civil Defense, today, has come to mean not only atomic attack, but other types of disaster such as fires, tornadoes, explosions, floods, etc. In case of such emergency, Chief Kilbourn is available twenty-four hours a day except when on vacation and then the next person is in charge.

The Community Fund Board adjourned subject to meeting again at the call of the chairman. The new members of the board are Mrs. H. H. Hanna, Mrs. T. Rentschler and Merlyn Downing.

Open House To Be Held On Anniversary

An open house for the 30th wedding anniversary of Mr. and Mrs. George Baker is being planned by their children at the home of Mr. and Mrs. Donald Baker, 14146 Allen Rd., Clinton, Michigan on Sat. Feb. 16th from 2 to 5 o'clock. Their three children are Donald of Clinton, Merle of Route 2, Tecumseh, and Marilyn at home. Friends, neighbors, and relatives are invited to attend.

Twins Celebrate 75th Birthday

A unique Birthday anniversary celebration was held Sunday in Jackson for the 75th Anniversary of twins Mrs. Maude Cummins of Tecumseh and her twin brother, W. C. Jordan of Jackson.

Mrs. Cummins son, W. C. Underwood of Adrian, celebrated a 55th birthday anniversary the same day and accompanied his mother to Jackson. A bountiful dinner was served featuring a decorated birthday cake baked by Mrs. Zo Lovell of Jackson.

W. C. T. U. Met February 12th

Mrs. W. J. Morse opened her home for the regular meeting of the W.T.C.U. Tuesday, Feb. 12. Nine members were present.

The president, Mrs. [illegible] Waldron, presided at the business meeting. Mrs. Jessie Brown presented the devotions and the program. Mrs. Myrtle Luce contributed an article on "Stills in Use in America". She reported that they totaled 37 million. Mrs. Morse read an article and Mrs. Alice Everhart read about the life of the organizer of the W.T.C.U., Mrs. Frances Williard. Refreshments were served by the hostess assisted by Mrs. Lula McConnell.

Trip Enjoyed By Girl Scouts

Senior Girl Scouts of Troop No. 11 enjoyed a mystery trip to Cranbrook on Sunday afternoon where they visited the Institute of Science and Art Galleries. Those attending were: Barbara Crowell, Ollie Grace, Joan Johnston, Carolyn LeLonde, Diane Socks, Jackie Rucker, and Joyce Wilbar. They were accompanied by Dr. and Mrs. T. Rentschler and Miss Helen Jewell. They had dinner together on the way home.

Nomads Of Avrudaka Held Installation

The Nomads of Avrudaka held an installation service in the K. of P. Hall in Milan. The Imperial Deputy, Clayton Greenwald, assisted by Marshalls Mary Jane Towns and Lucile Strickland of Hillsdale, assisted in the service. Gladys Wanty from Milan was installed as Rani and Andrew Jackson from Ypsilanti was installed as Rajah.

In the future, the meeting place of the Nomads will be in the K. of P. Hall in Tipton in an effort to establish a more centrally located meeting place for the Hillsdale and Tecumseh members as well as others from this area.

Macon Church Scene Of Wedding Anniversary Sunday

The Macon Church Sunday was the scene of a fine celebration in honor of the 40th wedding anniversary of Mr. and Mrs. Clarence Hall. An open house for 200 guests was planned by their children, Mr. and Mrs. Harold Hall and Mr. and Mrs. Clarence Damon. Two granddaughters of Mr. and Mrs. Hall, Sandra Kay Hall, and Barbara Jo Damon, poured. The decorations were carried out throughout in the Valentine theme including the serving table which was centered with a lovely wedding cake, red and white carnations with white flocks and red candles.

Mrs. Joe Sheward was in charge of the kitchen assisted by Mrs. Truman Jordan, Mrs. Wade Scudder, Mrs. Walter Morden, Sr., Mrs. Harold Kuder, and Mrs. Donald Bates. Mrs. Ellsworth Collins had charge of the guest book, and Mrs. Ray Hendershot the gift table.

True Smorgasbord Attended By Local People

Several people from Tecumseh attended a smorgasbord dinner in Milan given by the Milan Home Arts Club the first of the week. They were Mrs. Henry King, Mrs. John Ipson, Mrs. Royal Welch, and Mrs. Barnard Fero.

This was a true smorgasbord served from a tiered table with dishes from many different countries. To add interest to the dinner, pottery, linens, jewelry and other handcraft of the various countries was displayed. Dolls of different nations were used in the table decorations. Some of the nations represented were Iceland, Peru, Italy, Scotland, Guatemala, Egypt, Macedonia (which is no more) and the Isle of Capri.

Vows Are Spoken

MRS. B. G. HERMRECK

The St. Elizabeth Church in Tecumseh was the setting for the beautiful wedding ceremony of Miss Sally Ann McCarty of Tecumseh and Mr. Brownie Guy Hermreck of Richmond, Kansas Saturday, Feb. 9, at 10:00 a.m. The bride is the daughter of Mr. and Mrs. Zell McCarty of Tecumseh and the grooms parents are Mr. and Mrs. Tee Hermreck of Richmond, Kansas.

The altar vases were filled with white snapdragons, white stock and white pompoms with large hampers of the same white blossoms forming a beautiful setting at the altar. The traditional white aisle runner was used and the pews were marked with large white satin bows. Rev. Father Thomas Collins officiated at the double ring ceremony. The bride was given in marriage by her father. For her wedding the bride wore a waltz length dress of satin and tulle with bridal satin forming the bodice and front panel of the full tulle skirt which was appliqued with chantilly lace medallions. The same lace, embroidered in sequins and pearls, fashioned the long sleeves and yoke with Queen Anne collar and a jeweled lace half hat held in place the double veil of silk illusion. She carried a white satin-covered prayerbook enhanced with a petite crescent of white Butterfly roses, white stephonotis and a white orchid with nylon tulle tufts and narrow satin streamers tied with lovers' knots.

Mrs. Donald Fisher, a friend of the bride, was matron of honor and carried a heart shaped bouquet of white Frenched carnations pierced with an arrow of coral Sweetheart roses accented with silver-flecked white tulle and outlined with a white lacelon flounce and tied with loops of white crepe tubing with accents of silver. Sandra Smith, also a friend of the bride, was the bridesmaid and carried a heart shaped bouquet of white Frenched carnations accented with silver-flecked nylon tulle which was outlined with white lacelon and tied with loops of white tubing with silver accents. Both of the bride's attendants wore ballerina dresses of shrimp faille. A wide band formed a cowel neckline in front and V in back, which was finished with a large bow and panels falling over the very full skirts. They wore silver trimmed head bands and silver trimmed shoes.

Pfc. Arlo Hermreck, stationed at Dearborn, Michigan, served as his brothers best man. The ushers were friends of both of the bridal couple: Mr. Darald Fisher of Adrian, Michigan and J. L. Branck of Chicago, Illinois.

The solemnity of the occasion was further enhanced by the organ music played for the nuptial High Mass by Mrs. Ben Hammack who also accompanied Wallace Whiting as he sang "Panis Angelicus" and 'Mother at Your Feet is Kneeling" as the bride placed flowers before the Blessed Virgin.

For her daughter's wedding, Mrs. McCarty chose a beige lace over white taffeta dress with brown accessories. Her corsage was a deep lavender orchid. Mrs. Hermreck chose a blue dress with her lavender orchid corsage.

A reception for 200 guests was held in the evening at the Eagles Hall in Adrian, Michigan, the girls assisting were all friends of the bride. Miss Sylvia Yeary of Tecumseh attended the guest book, Mrs. Francis Marshall of Tecumseh cut the wedding cake and Miss Alice McCormick of Chicago, Ill. and Miss Cecelia MacMahon of Lamont, Illinois assisted with the gifts. The tables for the breakfast and reception were decorated with silver candleabra and white snapdragons. White pompoms and red variegated carnations with garlands of ivy decorated the front and sides of the tables. Other tables had red heart arrangements of white snapdragons, white pompoms, and red carnations carrying out the Valentine theme.

For her traveling costume, Sally chose a cinnamon brown suit with white Peter Pan collar and a corsage of green Cypripedium orchids. Upon their return from their wedding trip they will reside in Harris, Kansas.

The bride is a 1954 graduate of St. Joseph's Academy in Adrian, attending Gale Institute in Minneapolis, Minnesota, and is now employed at the Chicago, Burlington, anl Quincy R.R. Co. in Chicago, Illinois. The groom graduated in 1951 from Richmond High School in Richmond, Kansas, served 2 years in the U.S. Army in the Radar Division of the 5th Army and is now farming.

The Tecumseh Baptist Womans Society Met Mon.

Mrs. E. H. McConnell presided at the meeting of the Baptist Woman's Society Monday evening in the absence of the president, Mrs. Clifford Curran. Letters were read from Mary Murray, the trailer chapel missionary, of the Detroit area and Miss Ruth Daniels who has worked for nearly 40 years in India.

Members voted to spend $25.00 for toys and equipment for the church nursery. The devotions were led by Mrs. George Van Camp Jr., Mrs. Robert Gillispie introduced Mr. Richard Wegner, music director of the Clinton schools, who presented the Clinton High School 35 voice choir. They sang several numbers including, "Oh Lord We Worship Thee", "An Evening Pastorale" and "He". A girls clarinete quartet played "Dancing Mymphs". After this, "Lily Polka", a trombone solo was presented. Then the choir sang, "Go to Dark Gethsemane", and concluded with "An American Panorama". Mrs. Herbert Dillon accompanied the young people.

Refreshments were served from a lace covered table centered with flowers in keeping with the valentine theme, by Mrs. Eddie Kirkland and her committee. Mrs. C. O. Bailey and Mrs. James Danforth poured. The floral arrangement was presented to Mrs. Gillispie to take to her husband who is a patient in the hospital.

The next meeting will be held March 11 with Mrs. Emma Snow as hostess assisted by Arlie Becker, Lillian Fielder, Mary Nichols and Mary Ferguson. Devotions will be led by Mrs. Ella Arnold. A white cross program will be presented by Mrs. Charles Beland.

Music Club To Hold Musical Tea

The Tecumseh Music Club will hold a Musical Tea Saturday afternoon, February 16th. The Tea will be held at the home of Miss Bess Pulver, from 2 until 4. A piano duet, The Second Hungarian Rapsody, by Listz, played by Mrs. Schwartz and Mrs. Oberlin; a vocal solo and a piano solo given by Marie Wintersteen will be the musical portion of the program. State president, Mrs. Gilbert Burrell of Lansing will be the guest of honor and will give a short talk. The organists of Tecumseh have been invited to attend, and any music lovers who would like to come are also invited. Refreshments will be served at the close of the program.

Edith Ingersoll Honored By Presb. Guild

Edith Ingersoll was very pleasantly surprised Monday evening when the disbanded Florence Weld Mission Guild of the Presbyterian Church held a potluck supper at the home of Mr. and Mrs. John Lotts in honor of her birthday.

Twenty five members were present to enjoy the dinner served from daintily appointed tables in the valentine theme. A beautifully decorated birthday cake was baked for the occasion by Mrs. Dorothy Purkey. A gift was presented to Miss Ingersoll by the group. Other members of this organization who attended and have birthdays this month were Jennie Satterlee, Marie Keorney, Lena LaBounty, Edith Smith and Marian Davis.

Band Boosters Sponsor Project

The Band Boosters Club will hold a committee meeting Tuesday, Feb. 19 in the Band Room to work on their community calendar project. The calender will run from July to July. Names will be placed on the calender on the person's birthday date for 25c per name also organizations may have their meeting dates placed on the calender. Members of the committee say that there is no end to the possibilities for this calender and they hope to make this an annual project.

Brownie Troop 22 Met Tuesday

Brownie Troop No. 22 held their regular meeting Tuesday, February 12, at the Central School. Ten girls and their leaders, Mrs. Russell Southwell and Mrs. Clyde Mitchell were present. Refreshments in keeping with the Valentine theme were served by their sponsors, the Welcome Class of the Friends Church. Mrs. Betty Hale and Mrs. Doris Van Valkenburg, representing the Class, served the refreshments.

Sally Ann was honored by friends and neighbors with a miscellaneous bridal shower Wednesday evening in the McCarty home with Mrs. Hal Marshall as hostess. The evening was spent in games and contests with prizes to the winners. Lunch was served on tables daintily appointed in the Valentine motiff.

On Sunday, Mrs. D. Fisher of Adrian, Sally's matron of honor, entertained at a shower in her honor.

Golden Anniversary Celebration Sunday

Mr. and Mrs. Melburn Partridge

Mr. and Mrs. Melburn Partridge will celebrate their Golden Wedding Anniversary Sunday, February 24, 1957. In their honor their children will hold open-house from 2 to 5 in the Youth House of the First Baptist Church on West Chicago Blvd. in Tecumseh.

Mr. and Mrs. Partridge will renew their wedding vows at 3:30 in the sanctuary of the Church with Rev. B. O. Bashore officiating. After the ceremony, the reception will continue until 5 o'clock. Friends and relatives are cordially invited and requested to please omit gifts. Melburn Partridge and Emma Wagenshutz were married February 27, 1907 at the home of the brides parents at Plymouth, Michigan, with the Rev. Howard Goldie, minister of the First Methodist Church of Plymouth, performing the ceremony.

The Partridges have four sons, Russell of Brentwood, California; Milton of Plymouth; Owen and Austin of Tecumseh; and eleven grandchildren. Mr. and Mrs. Partridge spent the greater part of their lives in and near Plymouth, coming to Tecumseh in the spring of 1939 when Mr. Partridge formed the Partridge Implement Co. business in which he is still active.

Margaret Touborg Given Bridal Shower

Mrs. C. M. Brown, Mrs. H. H. Hanna, Mrs. Don Cobb, Mrs. Orville Farver and Mrs. Dale Bowen entertained at a miscellaneous bridal shower honoring Miss Margaret Touborg in the Bowen home Wednesday.

Out-of-town guests included Mrs. Von Wilkinson and Mrs. Arthur Boyla. A dessert luncheon was served from tables decorated with pink floral arrangements. Miss Touborg received many beautiful gifts. She will become the bride of Frank L. Klapperich, Jr. on March 9.

Newburg Mothers Met Monday

The Newburg Mothers Club met Monday at the Patterson School. Dr. Robert Mohr, dentist, spoke and presented still pictures of Dental Hygiene and Tooth Decay. The members found his talk very interesting and instructive. Refreshments were served by Mrs. Jack Allen and Mrs. Kenneth Munger.

Proud Parents

Mr. and Mrs. Richard Myers are the proud parents of a 7 pound 4 ounce son David Wayne, born February 12 at Herrick Memorial Hospital. Mr. Myers is the manager of the local Kroger store.

Rotary Banquet Successful

About 200 were in attendance at the Rotary Ann Banquet Tuesday evening at the Baptist Youth House. A delicious chicken dinner with all the trimmings was served.

Mr. Philip Lovejoy, of Evanston, Ill., and formerly from Michigan was the guest speaker and very capably filled that position with his humorous, entertaining and educational talk. His address was entitled "Signs of the Times. He told of interesting facts, developments, happenings and progress throughout the country witnessed by him through his wide experience and travel while giving addresses. He explained the importance of service clubs and the service they perform in a community.

Preceeding the dinner, "America" was sung by the audience. The invocation was given by Rev. Blair Bashore. Following the dinner, group singing was led by Charles Butler and Glenn Driscoll. Hugh Walters and Blair Bashore were the "trouble' 'shooters and gave several fines to members.

The Rotary Anns and guests were welcomed by President James McDowell. Virgil Tucker, program chairman, introduced the speaker of the evening.

The success of the ticket sale for this enjoyable affair was due in large part to the efforts of Ernest Campbell, chairman.

Dr. John Dawson Spoke To Kiwanis Club Wednesday

Dr. John Dawson, president of Adrian College, was guest speaker at Wednesday's Kiwanis Club meeting. He gave a "forecast on sports for 1957". His predictions are as follows: In the American League in baseball, New York Yankees first with Detroit Tigers second; in the National League, Milwaukee first followed by Brooklyn. He believes the Yankees will be champions in the World Series.

In the MIAA, he predicts that probably Hope, Adrian, Kalamazoo, and Adrian will be tied for first place.

The announcement was made that Ladies Night will be March 7.

Several Kiwanis members will attend an Inter-Club meeting at the Olds Hotel in Lansing, Thursday.

LT. COMMANDER NOT J.G.

The recent article in the Herald regarding Richard E. Williamsons participation in Naval Exercises was correct but his rank is Lt. Commander instead of Lt. jg.

Tecumseh Lost To Milan Tues.

(Continued from Page 1)

score of 31 to 22. In the third stanza, Tecumseh closed the gap and pulled ahead 47 to 44 after tying at 39 to 39. Milan slowed the game down considerably in the last quarter. Their strategy seemed to pay off and they pulled ahead and stayed there. Tecumseh went into a press with about 2 1/2 minutes remaining. The final score was 67 to 59 in favor of Milan.

Elliott was high point man for Tecumseh with 20 points. The next game is here Friday night with Airport. Game time is 7 p.m.

Presbyterian Men Had A Beef Stew Supper Monday

Forty-five men, representing the Presbyterian Men's Club of Tecumseh, held their second event of the year on Monday evening with a beef stew supper.

This was followed with some fine quartet singing featuring Art Schwartz, Dunc Oliphant, Fred Dickinson Sr. and Al Williams.

The speaker of the evening was Mr. Ernest Mobbs of the Calvin Presbyterian Church, Detroit, who is employed in the engineering department of the Ternstead division of General Motors. He is vice president of the Michigan Synod Council of Presbyterian men. He was accompanied by Mr. Elmer Hock of Redford Avenue Presbyterian Church, a retired Detroit school principal and present secretary of the Synod Council.

Mr. Mobbs gave a very inspiring talk on the development of the National Council of Presbyterian men and what the local chapters can do in their churches for the advancement of Christian Ideals locally and on a national and international level. His greatest emphasis was placed on the "One great hour of sharing" movement which during lent raises funds to help the needy of the world through Church World Service an interdenominational organization. One dollar, he pointed out, sends 100 pounds of government surplus food to starving fellow humans. "Even as ye have done it unto the least of these, ye have done it unto me".

Crime Prevention Week

President of the Tecumseh Exchange Club, Wallace Whiting, announces that February 10-16 is National Crime Prevention Week. It is sponsored by the National Exchange Club.

Local Topics . . . .

Mrs. Ivan Maynard and her son, Randy, are spending a month with her parents, Mr. and Mrs. Clarence Beach in Bradenton, Florida.

Mr. and Mrs. Ralph Westgate left Saturday morning to spend two weeks in Florida.

Miss Sylvia Helzerman was home from Michigan State University for the weekend.

Tecumseh Indians Beat Addison Saturday Night

Tecumseh recovered from their loss to Monroe C. C. Friday night (see Sports Page) and defeated Addison Saturday night by the score of 49 to 35.

The starting lineup for Tecumseh was Larned, Miller, Hansen, McDowell and Elliott. Miller started the scoring by connecting on two free throws. Addison seemed to be handling the ball very well the first quarter but just couldn't score. Tecumseh led 8 to 5 at the end of the quarter due partly to their excellent rebounding.

Coach Lawson's Indians were fired up in the second quarter and added 15 more points to their total while holding Addison to 10 more. Addison throughout the quarter seemed to still be plagued with misses.

The second half, despite the increased speed of the game, saw the same general pattern repeated with the Indians maintaining their margin. Miller was high point man for Tecumseh with 12 points. Hansen scored 10.

(See elsewhere in this issue for Tuesday night's loss to Milan)

LAUNDROMAT

A New Low Price With Revolving Agitator That Passes The Sand Test

The test: On "live" TV, 2 cups of sand representing heavy oil are dumped on towels in three well-known center-post agitator washers and in a Revolving Agitator Laundromat. After all complete their cycles, center-post machines leave towels and washers in a sandy mess. Laundromat leaves not a grain of sand in towels or washer.

HERE'S WHY THE LAUNDROMAT IS BEST . . .

Washes Cleaner! There's no old-fashioned center-post. Clothes go inside Revolving Agitator which lifts and plunges them 50 times a minute.

Rinses Better! Revolving Agitator lifts clothes while soil and dirty water drain away from them. Center-post machines strain it all back through them.

Cleans Itself! Because of its patented design, the Laundromat cleans clothes, then cleans itself—automatically! All sand, scum, lint go down the drain.

- WEIGH-TO-SAVE DOOR
- FULLY AUTOMATIC
- USES HALF THE DETERGENT
- WATER SAVER
- FULL 9-LB. CAPACITY
- TRANSMISSION GUARANTEED 5 YEARS

SEWING MACHINES IMPORTED FROM JAPAN ARE NOT SINGER MACHINES!
HERE ARE THE FACTS . . .
REGARDLESS OF WHAT YOU MAY BE TOLD BY OTHERS, sewing machines imported from Japan are *not* SINGER* machines, and are *not* made of SINGER* parts. While some of these machines may look like a particular SINGER model, they are not made or sponsored in any way by SINGER.
SINGER does not have—and never has had—a factory in Japan!
SINGER SELLS AND SERVICES ITS MACHINES ONLY THROUGH ITS OWN SINGER SEWING CENTERS identified by its famous red "S" Trade Mark on the window and listed in the phone book *only* under SINGER SEWING MACHINE COMPANY. To be sure your money is buying the finest, most dependable sewing machine in the world—a new SINGER or a used SINGER reconditioned and backed by SINGER . . .

Christian Science Sunday Service

God's great healing and saving power will be brought out at Christian Science services this Sunday.

Scriptural selections will include the following from Matthew (15:30): "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them."

Subject of the Lesson-Sermon is 'Soul" a word which, when capitalized, is used in Christian Science as one of the synonyms for God. Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (210:11-16):

"Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

Funeral Services Were Held For Martinez Boy

Funeral services were held Friday, Feb. 8, at 1:30 p.m. at the Collins Funeral Home for Hicidro Martinez who passed away very suddenly Feb. 5 at the University Hospital at 8:05 p.m. where he had been taken Sunday. He was 14 years old and a member of the eighth grade of the Tecumseh Public Schools.

Born May 16, 1942 in Blissfield the son of Mr. and Mrs. Pascual Martinez, his home was at 5317 Billmeyer Highway where he lived his entire life. He is survived besides his parents by 4 sisters, Alice 16, Josie 11, Rosie 10, and Janie 7, all of whom are at home.

Kenneth Ball, of the Jehovah's Witnesses, officiated at the service. Burial was in the Brookside cemetery. The bearers were LeRoy Dew, Connie Dew, Homer Garza and Miguel Garza, all of whom are from Tecumseh.

Funeral Services Held For Mrs. Edna M. Derby

Funeral services were held Tuesday at 1:30 p.m. at the Collins Funeral home for Mrs. Edna M. Derby who passed away early Sunday morning, Feb. 10, at the Mercywood Hospital in Ann Arbor. Mrs. Derby's home was at 215 N. Pearl St. where she lived with her daughter. Most of her life, she has lived in the Tipton-Tecumseh area and during the last number of years on Pearl St. except for spending the winters in Florida. Mrs. Derby was born in Holland, Michigan July 26, 1887 and was 69 years old.

She was preceded in death by her husband, Lawrence E. Derby, who passed away in 1950 and is survived by her son, George; a daughter, Mrs. Orville (Leitha) Dewey, both of Tecumseh; three brothers, Lawrence of Tipton; C. Alonzo of Devils Lake; Howard A. of Detroit; one sister, Mrs. Gedda Moore of Cleveland, Ohio, and two grandchildren and five step grandchildren.

Rev. Horace James officiated at the services. Burial was in Tipton cemetery.

TECUMSEH HERALD

Norm Messenger Passed Away Fri.

Norman Messenger passed away Friday afternoon at 2:30 p.m. at Maple Lane Manor after several months illness. He came to Tecumseh from Sault Ste. Marie and worked at the Tecumseh Country Club for five years before entering the Manor May 23, 1956. Mr. Messenger has no known relatives. He was born Oct. 7, 1884.

Funeral services were held Monday at 2 p.m. at the Green Funeral Home with Rev. Edward Escolme officiating. Burial was in Brookside cemetery. The bearers were Floyd Russell, Eden Lowry, Charles Manley, Verdi Skinner, James McClain and George Milosh.

Recovery Inc. Meeting Held At Church Parsonage

A series of "Recovery, Inc." meetings will be held at the Tecumseh Methodist parsonage 205 W. Chicago Blvd., beginning Tuesday, February 19 at 8 p.m. Mrs. H. James is the leader. You may call her at 694 for further information.

Recovery, Inc., is a self-help system that has reportedly proven very effective in Michigan for nervous and former mental patients benefit. This is a National volunteed organization, operating without any public financing or appeals for funds. It was founded in 1937 by the late Dr. Abraham Low, M.D. of Chicago, Ill.

D.A.R. Held Their 30th Birthday Party

The 30th birthday party of the Abi Evans Chapter of the D. A. R. was held at the home of Mrs. Hoyt E. Whelan Friday, Feb. 8. A potluck dinner featuring a birthday cake was [illegible]

The business meeting was held with regent Mrs. Roy Whiting presiding in the absence of Mrs. Donald Wright. Mrs. Wallace Whiting and Mrs. Edgar Buttolph gave reports on about 600 Junior American Citizens organized in our schools. The Abi Evans Chapter provided a button for each one and a hand book for the leaders.

The following officers were elected for the ensuing year: Regent, Mrs. Arthur H. Brown; 1st Vice Regent, Mrs. Orville Laidlaw; 2nd Vice Regent, Mrs. Clayton Greenwald; Chaplain, Mrs. Charles D. Branigan; recording secretary, Mrs. Herbert Newman; corresponding secretary, Mrs. Roy J. Whiting; treasurer, Mrs. Leon Rosacrans; registrar, Mrs. James Artman; historian, Mrs. Francis Stone; librarian, Mrs. Howard Wilson; and directors, Mrs. Kenneth Hall, and Mrs. LaVern Russell. The Chapter welcomed Mrs. Herbert Newman as a new member who has been transferred from Delvan, Wisconsin.

Delegates to the National convention in Washington were elected as follows: Mrs. Joe Rice and Mrs. Arthur Brown; alternates are Mrs. Floyd Elliott and Mrs. Hoyt Whelan. Delegates to the state convention in Grand Rapids are Mrs. Brown, Mrs. Leon Rosacrans, Mrs. Clayton Greenwald, Mrs. George W. Wittrup, Mrs. Francis Stone, and Mrs. Kenneth Hall. Mrs. Joe Rice gave a report on National Defense.

The program was provided by the organizing regent, Mrs. Orville Laidlaw, who presented a very interesting history and highlights of the thirty years of the Abi Evans Chapter of the D. A. R. The next meeting will be held March 8 at the home of Mrs. Joe Rice when the Good Citizenship Girls and their mothers will be guests for tea.

Members of the Chapter will be glad to know the address of one of their members, Mrs. Clarence Fisher, who now lives in the East and is recovering from a recent operation. It is 44 Barrett St., Needham, Massachusetts.

Round Table Was Attended By Pack 4

The Round Table meeting held Thursday evening Feb. 8 at the Madison Agricultural School at Adrian was well attended by adult leaders from all over the Lenape District. Tecumseh's Pack 4 presented the program "Indian Trails."

About 25 adult leaders, committee men, and Den Mothers from Pack 4 participated in the program which was effectively carried out with a teepee, totem pole, 2 large drums and an arrow of light stationed at the front of the room. Displays of Indian rattles, Indian clubs, cope sticks, beading set, necklaces, head dresses, arm and leg bands, shields ,etc. were also shown. These were all made by Cubs and adults of Pack 4 who also made their own authenic Indian costumes which were very clever and colorful and each one different in detail.

The program began with Cubmaster Dustin, as master of ceremonies, introducing a dance done by the group around the room with Indian rattles and Indian yells. An los cubmaster. After this, each Den gave their own yells and Lillian Fielder and Mrs. Pat Hatch gave readings about the habits and living conditions of four Indian tribes. The rabbit race and a frog race were performed by Henry Beland, Ernie Oliver and Elwyn Merx; an antelope race by Mrs. Harvey Carpenter, Mrs. Frank Boik, Mrs. Pat Hatch and Mrs. Lillian Fielder. "Skin the Snake" and "Indian Poppet" were performed by Elwyn Merx, Richard Brighton, Harry Beland and Ernest Oliver; "Swat the Mosquito" with Mrs. Lee Kaynor, Mrs. Glen Work, Mrs. Richard [illegible] and Mrs. Lillian Fielder. The "After You" game was played with couples; Mrs. Fred Butler, Mrs. Douglas Hall, Mrs. Harvey Carpenter, Mrs. Frank Boik, Mrs. Pat Hatch and Mrs. Lillian Fielder. Four Boy Scouts participated. Besides these demonstrated, other games were suggested. Maurice Persing presented three Adrian Scouts from the Order of the Arrow who demonstrated Indian Dance steps and dances and invited others to participate. Mrs. Wallace Rutherford and Mrs. Warren Sharpe did a dance with the scouts. Cubmaster Dustin, with the aid of Mrs. Harold Warren and Mrs. Douglas Hall gave the sign closing after which a movie "Cub Scout Achievements" was shown by Thomas Hamilton, district commissioner. Refreshments were served.

Other Den Mothers, committee men and other adult leaders gain ideas from these Round Table meetings for their own meetings, that is the purpose in these Tecumseh people taking the part of Cubs at this meeting. The Indian theme is to be used for March Den and Pack meetings.

Indian drum accompaniment was played by John Dennis, the Web-

Blue And Gold Program For Cub Scout Pack 73 Monday

The Blue and Gold Program for Cub Scouts Pack 73 will be held at the Union Hall Monday, Feb. 18, at 7 p.m.

This program is taking the place of the usual banquet in the hope that it may be enjoyed with more ease by both parents, cubs and their families.

The program will begin promptly at 7 o'clock with the flag ceremony by Skip Green, Randy Fergus, Barry Roe and Ricky Milosh. After the flag presentation, the assembly will rise and join in the singing of the "Star Spangler Banner". Cubmaster Erwin Richardson will present awards to the Cubs at this time. After this, a special treat has been arranged. Mr. Jens Touborg will be present to speak and show pictures of his African Safari. It is certain to be an entertaining program for both children and adults.

After the Weblos graduation ceremony, refreshments will be served buffet style from Den tables decorated by the respective dens. The January theme, "Eyes in the Sky," is being continued this month. The tables will have center pieces and decorated cupcakes served with coffee and milk. To defray the cost of the refreshments a 15c donation will be asked from each person, and a dish for this purpose placed on the serving table.

Cubmaster Richardson has announced that the Cubs will meet at the rear of the Presbyterian Church Saturday evening, Feb. 16, at 7:30 p.m. to attend the Boy Scout Show in Adrian. They are to arrive in Adrian at 8 p.m. so parents are asked to be prompt and help your Cub and his leader with your support and transportation. This is an honor for Pack 73 of Cub Scouts as they will be the only Cub Scouts taking part in the Boy Scout show.

Cubmaster Richardson and Mrs. Richardson have been invited to attend the Blue and Gold Banquet in Addison, Feb. 19, and he has also been asked to perform the Bob Cat ceremony Feb. 27 in Clinton.

The date for the Cub Scout Swimming Party is Feb. 23 at the Adrian High School pool.

—o—

In Memoriam

In loving memory of our son and brother, Richard Lee Fisher, who passed away one year ago today, February 17, 1956.

To have, to hold and then to part,
Is the greatest sorrow of our
hearts.
The moon shines on a lonely
grave,
For one we loved, but could not
save.

Sadly missed by parents, brothers, sisters and other relatives. 20-p

Card of Thanks

We wish to express our thanks to our neighbors and friends for the cards, flower and expressions of kindness during our recent bereavement. We wish to especially thank Rev. B. O. Bashore, Dr. R. G. B. Marsh and the nurses at Herrick Memorial Hospital.

Mr. and Mrs. Dale Whelan,
Mr. and Mrs. Henry Meyers,
Harry VanTuyle. 20-c

Boy Scout Sunday Well Attended February 10

Both the Baptist and the Presbyterian churches had a very good attendance for Boy Scout Sunday, Feb. 10, when Cubs, Scouts, Explorers, adult leaders and parents all turned out to make it known that they wish to "do their duty to God and country". The sermon in the Baptist Church was "To The Scouts" with Troop 4, Pack 4 and Explorer Post 4 in attendance. Pack 73, Troop 73 and Explorer Post 73 attended services in the Presbyterian church where the sermon delivered was enjoyed very much.

Hal Warren from Pack 4 led the Cubs in their promise and David Hohenstein, an Explorer Scout from Post 4, led the capacity congregation in the pledge of allegiance to the flag. John Twiss, scoutmaster, and all the boys of Troop 4 who attended, went to the hospital after the service to visit Delbert Marsh who is a member of their troop.

BUTLERS — NEWS

THE "RANCHERO"
A New Kind of Ford Truck

LOOKS LIKE A CAR

You've got to see it to believe it. Ford has done it again — Combined the car and truck to produce a Ranchero. For the man who wants more than a car — more than a truck.

Rides like a car, tugs like a truck. Is expected to have unsurpassed resale value as a used car. Black market operators are paying a bonus for them already.

CUSTOM RANCHERO

A SUPER UTILITY MODEL - - - -

Way ahead of anything ever offered the public before. It's more than a car, more than a truck. Carries 1190 lb. load with 22 square feet of loading space. Comes in 6-cylinder or two V-8 options. Regular on custom. Standard overdrive on Ford-o-matic transmissions.

A NEW MOTIF IN TRUCKING.

Startingly new and different. Low, lean and long like a fine new Ford passenger car.

You will spot its trailer away off and will look and look again at its low crisp lines and flat low roof.

The most splendid advertising medium that has yet been produced. Comes in many single or two toned colors. Should be driven to be appreciated.
